## KC Firemen prepare for roundball battle

Members of the Knox City Volunteer Fire Department are busy preparing themselves for an upcoming battle on Monday, March 16. But no, this battle is not against fires or destruction, it is a contest of physical endurance as these somewhat aging physical specimens prepare to do battle on the basketball court against the teachers and senior students of the Knox City - O'Brien school system.

This annual competition is held

as a fundraising event for the fire department, proceeds are used to buy badly needed equipment and to help maintain the department's aging fleet of vehicles.

The event is scheduled for a tip off at 7:30 p.m. on Monday, March 16, with the first game featuring the firemen and faculty members. A second game will feature the firemen and members of the 1998 graduating class of Knox City High School.

Halftime activities will include

firemen drawing several names or numbers of individuals that will have a chance at winning a \$50.00 savings bond.

Remember to mark your calendars, that's March 16, a Monday evening at 7:30 in the Knox City high School gym.

Members of the fire department hope you will plan to be there and help the firemen out with this fundraising effort. It's for a good cause, and should be a lot of fun for everyone involved.

## Lions Club bean supper will precede game

The annual bean and cornbread supper held by the Knox City Lions Club has been scheduled to take place before the basketball game competition between the Knox City Volunteer Fire Department and the faculty from the Knox City - O'Brien schools.

The Lions Club bean and cornbread supper will begin at 5:30 p.m. in the cafeteria on the Knox City school campus. Tickets are on sale from any Lions Club member, and will be available at the door on the night of the supper.

The KC Lions Club sponsors this event each year as a fundraising project by the organization. You are cordially invited to attend, and bring everyone you know with you!!! Tickets for adults are \$4.00, tickets for children under 12 are \$2.00, and a family ticket is just \$10.00, no matter how many in the family.

### O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"Parental Discretion Advised - My nine year old nephew and I were watching what I thought was a PG movie on TV when suddenly a male character asked a female, "Why do you work as a lady of the night?" In a sultry voice she replied, "Because I like to find \$300 on my pillow." "Wow!" my nephew commented. "She must have had a huge tooth!"

Here And There - Bernice Rowan was in Haskell Sunday to visit her daughter Debbie Burson and family and to see her great-grandson, Cutter Oglesby of Abilene, son of Traci Oglesby. Delbert and Norma Hayes, Troy and Clara Hanson, Vivian Hendrix, Bernice Rowan and I all attended the musical at Old Glory Saturday night. There were people there from all over this area and some good singing and fiddling

also. Donnie, Diane, Angelia and Trish Roberts were at Frenship Friday night to watch Tulia's basketball team play Lubbock Cooper. Tulia hasn't lost a conference game this season. They won over Lubbock Cooper by nine points. Reed Underwood, son of C.H. and Linda Underwood, is a senior on Tulia's team and C.H. is one of the coaches.

Spending the weekend with Beatrice Ellis were her daughter Sandra Childress and husband Pleas of Ozona. They had attended a ballgame in Abilene on Saturday and saw their home team win.

Visiting Coy and Loretta Hewitt over the weekend were Allen, Rhonda, Kelli and Casey Moeller of Haskell; Vicki, Reece and Jerod Daniel of Abilene; Toni,

Ashton, Andrea and Aubrey Neal of Wichita Falls and Gary Hewitt of Tyler. They celebrated the birthdays of Rhonda and Reece. Rhonda was 39 again!

Visiting in the home of James and Jan Frost last weekend was their son Allen from Gainesville. Saturday they went to Dallas to visit Erin and enjoyed eating at the Hard Rock Cafe where Erin works.

Lucille Jimenez of Fort Worth visited with Billie Walker a few days. The two of them visited in Aspermont.

Julie Sanders, daughter of Billie Walker, is visiting for a few days. They have visited Janie Kennedy of Haskell, Raja Hassen and Elsie McGee of Haskell, Rose Johnston, Evelyn Underwood, Hazel Emerson, Edrie Barnard and Audie Johnston, all of O'Brien.

### The condensed version.....

By Dave Thompson

This column is written weekly with a different and somewhat personal perspective about what is happening around the area.

**Go and vote!!**

If you are going to be in town and planning on voting during the Democratic Primary Election on March 10 (*that's next Tuesday!!*) then fine, otherwise - go and vote early at the Courthouse in Benjamin. Your vote counts, and a lot of the candidates are counting on your support.

Talking about the elections, several readers have asked us if the newspaper is going to endorse any of the candidates in the Knox County elections. The answer is the same as it has always been..... no. For various reasons, this newspaper does not have an established policy of issuing a formal endorsement of candidates. Being in a small community, we feel that everyone knows everyone else and everyone can make up their own minds. If we were to endorse one candidate over another, we would offend customers, friends, and subscribers who do not share our views. To avoid this, we do not endorse. We wish each candidate the best and we have our choices of who we will vote for, but those are personal choices and not for publication.

**Beans and cornbread**

Once again it's just about time to sit down and enjoy a couple bowls of beans with hot cornbread on the side! The annual supper held by the Knox City Lions Club is set for Monday, March 16, from 5:30 to 6:30 p.m. in the cafeteria on the Knox City school campus. The food is always great, and the fundraising project helps the local Lions Club with their various projects. Plus..... you'll get entertainment too.....that is, if you attend the basketball games between Knox City's volunteer firemen and the teachers and senior students from our schools. The basketball games follow the meal, starting time for the action is 7:30 p.m. the same evening. Both the food and the games are a change in the normal routine of life around Knox City, so I hope to see all of you there!

# Candidates for county offices seek your vote

Voters of Knox County will have many choices to make when they mark their ballots in the Democratic Primary Election next Tuesday, March 10. With the exception of the position of Knox County Treasurer, every position on the ballot for a county position has more than one candidate who has filed for the office.

## Knox County Judge

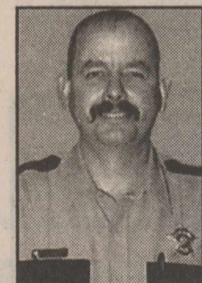

David N. Perdue has held the office since January 1, 1985. In his announcement, Judge Perdue issued this statement to the voters: "I have the education foundation, experience and 'know-how', the desire and dedication, and I am involved. I want to continue as your County Judge. Therefore, I ask for your support and vote in the March 10 Democratic Primary."

Also a candidate for the office of Knox County Judge is Benjamin resident Linda Wagner. Formerly a Deputy District and County Clerk for Knox County, Wagner worked for both Mrs. Gloria West and Danny Speck. In her announcement, Mrs. Wagner advised the voters: "I only make one promise. I promise to uphold three laws: those of God, the State of Texas, and the County of Knox. I will serve the county with pride. I will serve the people of Knox County with truth, honesty and justice."

Linda Wagner

## Knox County Sheriff

In the election for the Sheriff of Knox County, Knox City resident Dean Homstad has filed for election to the position he was appointed to in October of last year following the resignation of then Sheriff Mike Carlson. A law enforcement officer since 1985, Sheriff Homstad was the Police Chief of Knox City from 1993 until his appointment as Knox County Sheriff. In his announcement, Homstad explained his job this way: "Helping a person is just part of our job, it's more about setting an example to the law enforcement officers of Knox County, as well as to the public."

Also running for the elected office of Knox County Sheriff is Johnny Andrade of Munday. Starting his law enforcement career as a reserve officer with the Munday Police Department in 1985, Deputy Andrade has been with the Knox County Sheriff's Department since 1992. In his announcement, Andrade issued this statement to county voters: I am not going to promise anyone or say anything that will be ultimately be impossible for me to follow through with. If elected, I will operate the office in an honest and cost efficient manner, while providing the best service and protection that I can to the citizens of Knox County."

Johnny Andrade

## Knox County Clerk & District Clerk

In the race for the elected office of Knox County & District Clerk, incumbent Danny Speck of Knox City has held the office for the past three years. Prior to being elected to replace former County & District Clerk Gloria West, Speck was the Deputy Clerk for two years and received his training for the office from West. In his announcement to the voters, Speck stated: "This office has a tremendous task of preserving and protecting the records for the citizens of Knox County. I feel a strong concern for this responsibility and I will, if re-elected, continue to preserve and protect these records with the latest and best updates available."

Danny Speck

Also on the ballot for the office of Knox County and District Clerk is Ronnie Verhalen of Knox City. A teacher in the Knox City - O'Brien schools for more than 22 years, Verhalen has also worked on the family farm, carpentered, and has been a school and private tennis coach for many years.

In his announcement to the voters, Verhalen stated: "If elected, I shall work hard and conscientiously to fulfill my duties of Clerk in a friendly, responsive, and congenial manner and to help the taxpayers of Knox County."

Ronnie Verhalen

## Knox County Treasurer

Unopposed in her bid for the elected office of Knox County Treasurer, Penny Goodwin of Munday. Having many years experience as a bookkeeper, Mrs. Goodwin graduated magna cum laude from Midwestern State University in 1988 and received a bachelor of business administration, with a major in accounting. In her announcement, Mrs. Goodwin stated, "If elected, I will devote all my time and energies to the duties of Knox County Treasurer."

Penny Goodwin

## Pct. 2 Commissioner

In the race for Knox County Commissioner of Precinct 2, incumbent Jerry Parker of Benjamin is seeking re-election to the office he has held since being elected to his first four year term. An Army veteran, Parker has a lot of job experience in construction and repairs. In his announcement to the voters, Parker stated: "Most of you know me. I remain interested and concerned with any and all problems our county may face, and in doing my best to help find a solution that will be fair and impartial to all concerned and at the same time, being financially feasible with county funds."

Jerry Parker

Also filing his name as a candidate for Knox County Commissioner of Precinct 2 is Jack Whitten of Benjamin. Raised in Eastland County, Whitten has a vast experience in the ranching business, having worked on several ranches in various capacities, including both manager, and foreman. An elected member of the Benjamin School Board for nine years, Whitten stated: I believe if a person will try his best and be honest, he can work for almost anybody. If I'm elected your County Commissioner (for Precinct 2), I will try my best to be honest. I urge everyone to vote your belief for all of Knox County."

Jack Whitten

## Justice of the Peace Combined Precincts 1 & 2

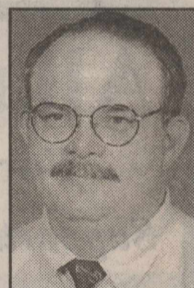

In the hottest contested position on the election ballot, incumbent Imagean Young of Benjamin faces three challengers for her elected office as Justice of the Peace for Knox County's combined Precincts 1 & 2.

Having held her office since 1986, Mrs. Young has devoted all her time and energy to the job, including attending the annual 20 hours of training that is required by the State of Texas. In her statement to the voters, Mrs. Young stated: "I have served the people of Knox County as Justice of the Peace with fairness, dignity and respect. If re-elected, I will continue to serve in the same responsible, common-sense way that I have for the twelve years that I have been in office."

Imagean Young

One of the challengers for office of Justice of the Peace, Precincts 1 & 2, is Knox City businessman Robert Harrison. A former member of the City Council of Knox City, and current Magistrate and Municipal Court Judge, Harrison has presided over 200 court cases. Since the duties of Justice of the Peace include those of ruling on the causes of death, Harrison feels that his 22 years of experience as a licensed funeral director and mortician will bring a unique perspective to the job. In his statement to the voters, Harrison said: "As Justice of the Peace, I will carefully weigh all evidence presented before the Court and apply the law, without prejudice or bias, in order to see that justice is served to those involved."

Rob Harrison

Also a challenger for the office of Justice of the Peace for Precincts 1 & 2 is Mitzi Ham of Benjamin. Having experience in two businesses as owner and operator of both a state licensed day care center and a restaurant, Ms. Ham feels her experience in business and working with the public will help her as a Justice of the Peace for Knox County. In her statement to the voters, Mitzi stated: "The experience I gained from owning and operating these two

Mitzi Ham

businesses included maintaining a budget and being responsible for operating them within the budgets. It is my desire to see Knox County move forward as we enter the year 2000. I pledge to work with all elected officials, law enforcement personnel, and voters to improve our county."

(Editor's note: We did not have a photo of Clodell Duke to run with the next candidate feature.)

The third challenger for the office of Justice of the Peace for Precincts 1 & 2 is Clodell Duke of

Benjamin. With work experience that includes eight years with the Benjamin schools and 21 years in the office of the Knox County Tax Assessor - Collector and Knox County Appraisal District, Duke has attended mandated state schooling and has received certification as a Registered Tax Collector. In her statement to the voters, Mrs. Duke said: "I am concerned with our county and feel the next few years will be crucial for all of us. Our County leaders

face the gigantic task of bringing our courthouse to specifications for the Americans with Disabilities Act, enforced by the federal government. This, along with a big financial burden, our leaders will have to deal with. If the voters of Knox County see fit to elect me to serve as Justice of the Peace for Precincts 1 & 2, I will serve the duties of this office as honestly, economically, impartially, and in as friendly a manner as I can."

## Benjamin news

By Gladene Green, Benjamin Correspondent

The weekend has been clear but colder than it was earlier in the week. Going from 70 + degree weather to back down in the 30's is quite a drastic change. Had some "March wind" in late February also last week and probably will have a bunch more weather like that this month. Well, we'll wait and see.

Sympathy goes to the family of LuElla Tolson today. LuElla passed away Wednesday night at her home in Munday after several weeks illness. Her funeral was Saturday here in Benjamin at the First Christian Church.

Also condolences to Doris Bufkin and family. Doris' father, Alvis Petty, passed away on Friday in a Wichita Falls hospital. His funeral was today (Sunday) in Seymour.

Concerning Our Ill - Bill Ryder came home Thursday after several days stay in the Knox County Hospital. He's feeling much better but will have to take it easy for several more days.

Earlene Meinzer spent a couple nights in the Knox County Hospital early in the week. She, too, is feeling much better but is also having to take it easy for a while. Hazel Stockton went back to

her eye doctor on Thursday. All's going well and if progress continues, she will have her other eye operated on (cataract surgery) in late April.

Best wishes go to all these people and anyone else with health problems or problems of any kind.

Basketball - The 11-A girls all-district basketball team was named last week. Named to the first team were Blaine Conner and Cathy Rainwater. Blaine, a sophomore, is the daughter of Steve Conner and Janet Reed. Cathy is a senior and her parents are Mary and Max Rainwater.

Receiving second team honors were Mica Larned and Carmen Acevedo. These girls are both sophomores and their parents are Jim and Brenda Larned and Pancho and Amelia Acevedo.

Special honors went to Lacy Carver, a senior, the daughter of Craig and Susan Carver, who shares the MVP award with a player from Northside.

Congratulations to all these girls who represent BHS well.

Clean-Up Day Saturday - Don't forget the annual clean-up day this Saturday, March 7, here in Benjamin. It's hoped that lots of "gathering up and throwing away"

will get done to improve the town's overall appearance. A picnic lunch will take place at noon in the park, so plan to work, then enjoy the pot-luck meal. Just bring whatever you have prepared, put it with everybody else's and enjoy!! If the weather turns bad, a rain date will be announced.

Here 'N There - Don and Louise Hertel were in Austin Wednesday through Friday for Louise to attend a court assistant's training school. They returned home Friday night.

Michelle Conner and Jimmy Barrientez of Lubbock spent the weekend with homefolks.

Marjorie Melton and Jimmy Davis of Lubbock were weekend guests of Jack and Mary Young and visited other friends and relatives.

I spent the weekend with relatives in Denton and also visited my sister in Fort Worth and am happy to report that her condition is somewhat improved. My kids, Debbie and Gordon Taylor of Childress, made the trip with me.

Jane Gideon spent Sunday with her brother, Joe Nunley in Seymour and attended church at the Calvary Baptist Church.

## Social Security News Update

SSA to review childhood case denials; Second chance for appeal

Following a comprehensive review of the Social Security Administration's implementation of legislative changes in the Supplemental Security Income (SSI) childhood disability program, Social Security Commissioner Kenneth S. Apfel directed additional reviews of cases to ensure that children are given every chance to receive benefits for which they are eligible. "I want to emphasize that our comprehensive review of the implementation of this law and the decisions I am announcing today are not about numbers," Commissioner Apfel stated. "Our concern is about children."

### Engagement Announced

Leslie Mahan & Alex Flores

Mr. & Mrs. Jodie Mahan of Corpus Christi and Lanell Kight of Knox City proudly announce the engagement of their daughter, Leslie Rae Mahan, to Marc Alex Flores, son of Billy Joe and Carolyn Flores of Knox City.

The groom to be is a 1997 graduate of Texas Tech University and is employed by Sprint as an Information Systems Engineer. The bride to be is a senior at the University of North Texas in Denton, and is majoring in child development.

Both Leslie and Alex are former students of Knox City - O'Brien CISD. A May 30th wedding date has been set.

### Mitchells are extras on 'Walker, Texas Ranger'

Mike and Melanie (former resident Melanie Verhalen) Mitchell of Caddo were recent background extras on the "Walker, Texas Ranger" television series.

What started as a search for tickets to the show as a birthday surprise ended with an 'extra' special experience of being a part of the Saturday night show, filmed in Farmers Branch.

"Walker" uses a closed set with no spectators allowed, so being extras was the only way to go, Melanie said.

The episode entitled "Angel" will air in a few weeks.

The Mitchells are in one of the final scenes, Mike as a Dallas policeman and Melanie as an accident witness.

The Mitchells live in Caddo where Mike is a park ranger at Possum Kingdom State Park. They reported a fun day and it was exciting seeing the backstage action.

## PUBLIC NOTICE

Southwestern Bell Telephone Company (Southwestern Bell) filed an application with the Public Utility Commission of Texas (PUC) to charge an additional 26 cents per month per line to recover costs for providing Expanded Local Calling service (ELC) to certain Texas Customers.

The 26 cents per month surcharge would not be billed to customers who receive ELC. However, customers who receive ELC and pay less than the maximum \$3.50 a month residential ELC charge or less than the maximum \$7 business ELC charge will have to pay the additional 26 cents per month charge.

Expanded Local Calling was created in 1993 by Texas legislation that requires telephone companies to provide toll-free calling between small towns that share a community of interest such as a school or hospital district. The legislation allows telephone companies to recover costs not paid through customer charges by applying a surcharge to all other customers in the state who do not receive the ELC service or who do not pay the maximum ELC rate. The maximum monthly ELC rate allowed under state law is \$3.50 per line for residential customers and \$7 per line for business customers.

Southwestern Bell estimates that the 26 cents per month per line charge will recover the \$27 million annual cost of providing ELC service that is not recovered from ELC rates.

If approved by the PUC, the monthly statewide surcharge of 26 cents per line per month will begin with the April, 1998 billing cycles, with the agreement to refund all or part of the charge if the PUC does not approve it.

For questions about the reasons for the charge, please call the Southwestern Bell Business Office listed in your directory.

The PUC assigned Docket Number 18513 to this proceeding. The deadline for intervention in this matter is March 31, 1998. Persons who wish to intervene or comment in these proceedings should notify the PUC by March 31, 1998. A request to intervene should be mailed to the Public Utility Commission of Texas, P.O. Box 13326, Austin, TX, 78711-3326. For information intervening, please call the PUC at 1-888-782-8477 or at 512-936-7120.

## AVISO PUBLICO

Southwestern Bell Telephone Company (Southwestern Bell) presentó una solicitud ante la Comisión de Servicios Públicos de Texas (PUC) para cobrar 26 centavos más al mes por línea para recuperar los costos por el servicio de Llamadas Locales Ampliadas (ELC) a ciertos clientes en Texas.

El cargo de 26 centavos al mes no se cobrará a los clientes que reciben ELC. Sin embargo, los clientes que reciben ELC y pagan menos del máximo de \$3.50 al mes por el servicio ELC residencial o menos del máximo de \$7 por el servicio ELC comercial, tendrán que pagar 26 centavos adicionales a su pago mensual.

El servicio de Llamadas Locales Ampliadas (ELC) fue establecido en 1993 por la legislación del estado de Texas y requiere que las compañías prestadoras de servicios telefónicos ofrezcan llamadas de larga distancia gratuitas entre pequeñas poblaciones que comparten un interés común tales como distritos escolares y de hospitales. Esta ley permite que las compañías telefónicas recuperen los costos no pagados mediante cargos a clientes, a través de un cargo a todos los demás clientes en el estado que no reciben el servicio ELC o que no pagan la tarifa máxima del servicio ELC. La tarifa máxima mensual permitida por la ley estatal es \$3.50 por línea para clientes con servicio residencial y \$7 por línea para clientes con servicio comercial.

Southwestern Bell calcula que los 26 centavos al mes por línea cubrirán los \$27 millones del costo anual del servicio ELC que no está cubierto por las tarifas de ELC.

Si la PUC autoriza el cargo mensual estatal de 26 centavos al mes por línea éste comenzará a partir de los ciclos de facturación de abril 1998, con el acuerdo de reembolsar todo o parte del cargo si la PUC no lo autoriza.

Para preguntas relacionadas con este cargo, por favor llame a la Oficina Local de Southwestern Bell listada en su directorio telefónico.

La PUC asignó el número de registro de 18513 a este procedimiento. El plazo de intervención sobre este asunto terminará el 31 de marzo de 1998. Las personas que deseen intervenir o hacer comentarios sobre este procedimiento deberán notificar a la PUC antes del 31 de marzo de 1998. Todas las solicitudes de intervención deberán enviarse por correo a Public Utility Commission of Texas, P.O. Box 13326, Austin, TX 78711-3326. Para mayor información sobre la intervención, por favor comuníquese con la PUC al 1-888-782-8477 o al 512-936-7120.
