Yes, it really did rain !!

WHILE MOST RESIDENTS really could not believe the sound of rain on their rooftops Monday night, these photos (above and below) taken on Canal Street early Tuesday morning are proof positive that it really did rain in Knox City. After a hot, dry spell of temperatures in the triple digits and no rain for about three weeks, the high pressure dome that had been sitting over area finally moved to the Southeast and allowed rain to move into our area. As an added benefit, it continued to sprinkle during the day on Tuesday! (NEWS digital photos)

KC Chamber's Yard Of The Week....

The Chamber of Commerce sponsored *Yard Of The Week* for the week of August 3rd belongs to Carl and Evelyn Shelton. Located 405 South Central in the Southeast part of Knox City, the home has a yard filled with beautiful, old trees and accented in front by a low brick wall. The Knox City Chamber of Commerce will select a *Yard Of The Week* each week throughout the summer. (NEWS digital photo)

Emergency Farm Loan Applications now being accepted from Knox County farmers

Applications for emergency farm loans for damages and losses caused by drought temperature conditions which occurred from June 1, 1997 through July 8, 1998 and continuing, are being accepted at the Farm Service Agency (FSA) office located in Knox City, FSA Farm Loan Manager Bobby Cude said today.

Knox County is one of 252 counties in Texas recently named by Secretary of Agriculture Dan Glickman as eligible for loans to cover part of actual production losses resulting from the drought.

Mr. Cude said farmers may be eligible for up to 80% of their actual losses of the operating loan

needed to continue in business, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 3.75 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FSA emergency loan," Cude said. Farmers participating in the Federal Crop Insurance Program will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until March 23, 1999, but farmers should apply as soon as possible. Delays in applying

could create blockage in processing and possibly carry over into the new farming season," Cude said.

FSA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The FSA office in Knox City is open from 8:00 a.m. to 5:00 p.m., Monday through Friday.

Youth football sets meeting for parents

Area parents of youth from 9 to 11 years of age might want to take note of a meeting that has been scheduled for Tuesday, August 18 at 6:00 p.m. at the Knox City Community center.

Being held to discuss a new youth football team here in Knox City, organizers are hopeful that the meeting will bring out a lot of

interested parents. The youth football league already has established teams in Stamford, Haskell and Clyde, and expansion teams are being talked about in Knox City, Aspermont and Hamlin.

All youth ages 9, 10, and 11 are welcome on the team. The football action is full contact with full pads and equipment.

In the past few years, several youth from Knox City have played on the Haskell team, but organizers feel that there is enough interest now for Knox City and the surrounding area to field its own team. Just as in Little League Baseball, youth from the surrounding area are invited and encouraged to participate.

Chamber hosts ribbon cutting for new business

OFFICIALLY CUTTING THE RIBBON for the grand opening of his new business, Wayne Clark (second from left) of Knox City is happy to announce that he has opened his own local tire and auto repair business. Assisting Clark with the ribbon cutting ceremony on Tuesday morning were members from the Knox City Chamber of Commerce. Shown (from left to right) are City Manager and Chamber Director Danny Parker, Wayne Clark, Knox City Mayor Bud Reynolds, Chamber of Commerce Manager Doris Crossover, and Chamber of Commerce President Rita Rosencranz. The new business is located on Highway 6, at 509 North Central. (NEWS digital photo)

Benjamin news

By Gladene Green, Benjamin Correspondent

It's August, it's still hot and dry and it's about time for school to start. Where has the summer gone? Hard to believe we are only five months away from another new year! But that's the way it is.

Several in the area are on the "not feeling too well" list today.

Julia Trepanier had some surgery Thursday. It was as an outpatient and she's been pretty uncomfortable since her return home. However, she's out and about and hopefully will continue to feel better from day to day.

Nora Duke is in the Knox County Hospital. She was admitted on Saturday and was resting today but was still having some tests. Hopefully, her stay will be a short one and she will be back home in a few days.

Kenneth Roberts underwent knee surgery Tuesday in Wichita Falls. He made the surgery fine and has done so well ever since. He has started his physical therapy and is due to be home Wednesday if all continues to go well. We're glad to be able to bring that good report.

I talked to Screwdriver Crenshaw today. He underwent double bypass surgery on July 6 and was in the hospital about two weeks. Said his doctor has put him on a real strict diet and tho he's already lost 25 pounds, says he's about to starve to death! He's feeling pretty well but does ask that we remember him and his family in our prayers. The same week of his surgery, his wife Faye had carpal tunnel surgery and their rooms were adjoining at Hendrick in Abilene so he said they were able to check on each other regularly. She's doing fine too. She can return to work August 10. He'll have to be off about 10 weeks.

Ernest Neal of Albuquerque, New Mexico, was a weekend guest of his parents, Gaye and Larry. Ernest helped provide the music for the wedding Saturday.

Jeremy Amburgy of Sweetwater was a weekend guest of his parents, Gary and Joanne Ham-

(or if) Joe will have more surgery. He's not feeling too well these days, but his doctor changed some of his medication so hopefully that will help him.

Here 'N There - Earlene Meinzer and her sons, Rick and Wyman and their families returned home Wednesday night from a several days vacation in the Colorado mountains. They reported cool weather, showers every day and a great time.

Mike Gideon of Bryan and Sue Terry and Summer of Dallas were weekend guests of Jane Gideon and Weldon Gideon. They attended the wedding of Kate Grill and Alex Roesler Saturday afternoon at Rhineland.

Charles and Joy Jones vacationed in New Mexico last week returning home on Sunday night.

Bobby Condon and his parents, Pete and Marsha, were in San Marcos last week for Bobby's orientation at Southwest Texas University. Bobby says he leaves August 22 for the fall semester.

Chris and Nancy McGreger have been here for a several days visit with his parents, Fred and Nancy. They will leave Houston tomorrow (Monday) for their return trip to their home in Germany.

Era Brown who now resides in Mesquite is here for a few days visit with Stanton and Shari.

Kelly Slade and sons Sam, Ben and Will of Austin, visited her parents, Bo Milson and S.L. Milson and attended the Grill-Roesler wedding Saturday. The boys were all part of the wedding party.

Ernest Neal of Albuquerque, New Mexico, was a weekend guest of his parents, Gaye and Larry. Ernest helped provide the music for the wedding Saturday.

Jeremy Amburgy of Sweetwater was a weekend guest of his parents, Gary and Joanne Ham-

ilton. Dub and Jo Cartwright spent the weekend with their son and family, Terry, Dee Ann and Philip in Plano.

Mike and Debra Moorhouse and children, Jessica and Will, spent a few days in the metroplex last week. Just enjoyed resting and not having to do anything. Tho it was hot, they said just getting away a while was very enjoyable.

I attended the funeral of H.D. "Hoss" Alexander at the Gillespie Baptist Church Tuesday.

Scott Hertel and Debbie Wofford and Megan of Dallas were weekend guests of his parents, Don and Louise.

The BHS cheerleaders and mascot returned home Thursday night after a four-day camp at Wayland Baptist College in Plainview. They brought home excellent and superior rating ribbons and two spirit sticks. One for the cheerleaders and one earned by the mascot. The cheerleaders are Elizabeth and Lynn Moorhouse, daughters of Debra and Mike; Ashley Cartwright, daughter of Tracy and Susan; and Carmen Acevedo, daughter of Pancho and Amelia. The mascot is Julie Larned and her parents are Jim and Brenda. It's congratulations to these girls!

Been seeing the work going on on the Church of Christ? Tracy Cartwright and his kids, Ashley, Matthew and Lucas have been doing some "fixing up". They have taken off all the old siding and put on new. And tho is just a little different in color from what was on it, it really has made a difference in it. Think Tracy and the children deserve some recognition as they have worked several hours on lots of days in terribly hot weather! (Noticed Dub there once in a while - guess he was supervising !!)

There was a fellow who called his boss "The Wrestler," because he was always throwing his weight around.

One day, when he finished his first aid course he was asked, "What's the first thing you'd do if you discovered you had rabies?"

"I'd bite my boss," he answered. But the Bible says, "Never avenge yourselves. Leave that to God. He will repay those who deserve it. Don't let evil get the upper hand, but conquer evil by doing good."

You can never get ahead of anyone as long as you're trying to get even with him. Forgiving him puts you ahead of him.

The only people you should try to get even with are those who have helped you.

So don't lay for your enemies and don't lie for your friends.

O'Brien happenings

By Audie Johnston, O'Brien Correspondent

Here and There - Visiting in the home of Orval and Helen Manning last week was their grandson Brad Manning and wife Monica and great-grandson Jacob from San Diego, California. Their visit was too short but we enjoyed every minute of it. Sunday, August 2, they went back to Abilene where they caught their plane for their departure back to California. The Mannings also went by Hendrick and visited with Evelyn Trice. Evelyn is having some medical treatment.

Donnie and Diane Roberts have been on vacation the last several days. One interesting place they visited was Nashville. Don was honored by getting to sing for a big group. After that O'Brien Baptist Church may lose our song leader. Ha!

Bernice Rowan spent last Friday in Haskell visiting with her daughter Debbie Burson and granddaughter Traci Oglesbee and son Cutter of Abilene.

Claudale and Jean Barnard were in Lubbock last week for Claudale's doctor's appointment

and they also visited their granddaughter Jennifer.

Visiting with Beatrice Ellis last week were her son David Ellis of Kermit and a nephew Ricky Leach of Rowlett.

O'Brien Baptist Church held church services at Brazos Valley Care Home Sunday afternoon. Bro. Bill Trice led the group in their favorite Bible verses and Bob Acree led in a lot of songs and they all seemed to enjoy all of it. LaUna Hester played the piano for all the singing. Marilyn Talbot, George Hodges, Bernice Rowan and I attended the service and enjoyed it.

Scott Stephens celebrated his 22nd birthday Monday night in the home of his grandmother Janoma Stephens. A number of friends and relatives helped him enjoy a good birthday dinner.

Shawn Hughes and his brother and another young boy friend of the Hughes boys of Lubbock visited with me Saturday. A good friend had just brought me some watermelons and did they every enjoy helping eat them.

Visiting Billie Walker over the weekend were Erwin and Frances King of Knox City, Mary Seney, sister, of Minden, Louisiana, Art and Mary Ruth Cameron, brother, of Tyler, David and Laura Wade, daughter, Dale and Julie Sanders, daughter, son, Joe Banner, granddaughter Diannia and husband Billy Christian with sons, Jacody and Thomas, Billie Anne Sanders, granddaughter, Annie Sanders, all of Amarillo, Bobbie Banner, daughter-in-law, of Hawley and Dwight Gothard of O'Brien.

All the Cameron relatives and Mrs. Annie Sanders traveled to Haskell Saturday for a Cameron family reunion. The Jim Cameron children, Loyal and wife Willie Belle, Grace and husband Doc King and Charlene Funk attended the reunion along with their children, grandchildren and one great-grandchild. Wanda Guffy, Will Cameron's daughter of Wichita Falls, was also in attendance. Johnnie Bell King of Rochester shared the day with us and Cliff Banner, Billie's son from Hawley was there.

Notice of Effective Tax Rate (for use by counties)

1998 Property Tax Rates in KING COUNTY

This notice concerns 1998 property tax rates for KING COUNTY. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

| | General Fund | Farm to Market/ Flood Control Fund | Special Road/Bridge Fund |
|---|-----------------|------------------------------------|--------------------------|
| Last year's tax rate: | | | |
| Last year's operating taxes | \$ 669,408 | \$ 174,044 | \$ |
| Last year's debt taxes | \$ 0 | \$ 0 | \$ |

| Total effective tax rate | \$.5417 /\$100 | | |

In the first year a county collects the additional sales tax to reduce property taxes, it must insert the following lines unless its first adjustment was made last year:

| | |
|-----------------------------|-----------------|
| - Sales tax adjustment rate | \$ 0 /\$100 |
| - Effective tax rate | \$.5417 /\$100 |

This year's rollback tax rate:

A county that collects the additional sales tax to reduce property taxes, including one that collects the tax for the first time this year, must insert the following lines:

| | |
|-----------------------------|-----------------|
| - Sales tax adjustment rate | \$ 0 /\$100 |

Dyess AFB schedules appreciation day

Big Country Appreciation Day, the annual Dyess' Air Show is Aug. 22. Gates open at 9 a.m. and flying activities will begin around 10 a.m., with aerobatics beginning at 11:30 a.m. The public is invited to Dyess for an up-close look at aircraft and to enjoy other activities ranging from a classic car show to live music.

Admission and parking are free, and food and beverages will be on

sale.

This year's featured aerial demonstrations this year include Dyess' own B-1 Lancer bomber and C-130 Hercules airlifter. The B-1 has thrilled crowds at the annual air show since 1985 when the first operational B-1, "The Spirit of Abilene," was delivered to Dyess. A low altitude, high speed pass will give spectators a close, although brief, look at the sleek, stealthy aircraft, whose silhouette is a familiar one around Abilene.

Two fighter demonstrations will highlight the military portion of the program. There will be a special appearance by the Air Combat Command's F-15 Eagle fighter demonstration unit, along with a Navy FA-18 Hornet fighter. Static display highlights of current military aircraft will include

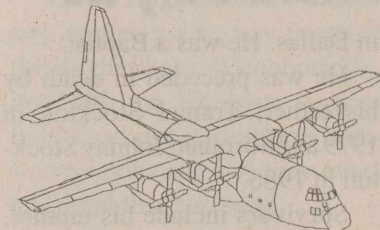

two F-16 Fighting Falcons and a C-5 Galaxy, America's largest cargo aircraft.

Appearing at Dyess for the first time will be the C-130J, the newest member of the Hercules family which features hundreds of improvements from previous models.

Returning to Dyess will be an eight-engine B-52 Stratofortress bomber and KC-135 tanker, which were for many years, a part of Dyess' combat team.

Additionally many historic aircraft will be on display, including a World War II era B-25 Mitchell bomber, made famous on the Doolittle raid on Tokyo, and the A-26 Invader which served from the 1940s to the 1970s.

Also set to attend are the classic training planes that taught a generation to fly. They'll include

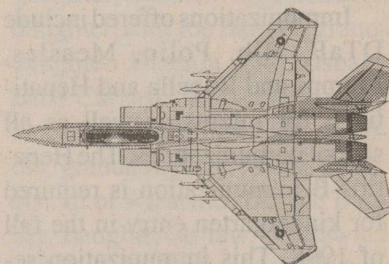

the powerful Stearman biplane and Vultee BT-13, both common sights in Texas skies during the war years.

Two replica (made for the film "Tora, Tora, Tora") Japanese World War II aircraft, a "Zero" fighter and "Kate" bomber, will

also be on display.

The Korean War-era will be represented by a Russian MiG-15 fighter and a TF-80 Shooting Star, America's first jet trainer.

Dave Dacy and Tony Kazian

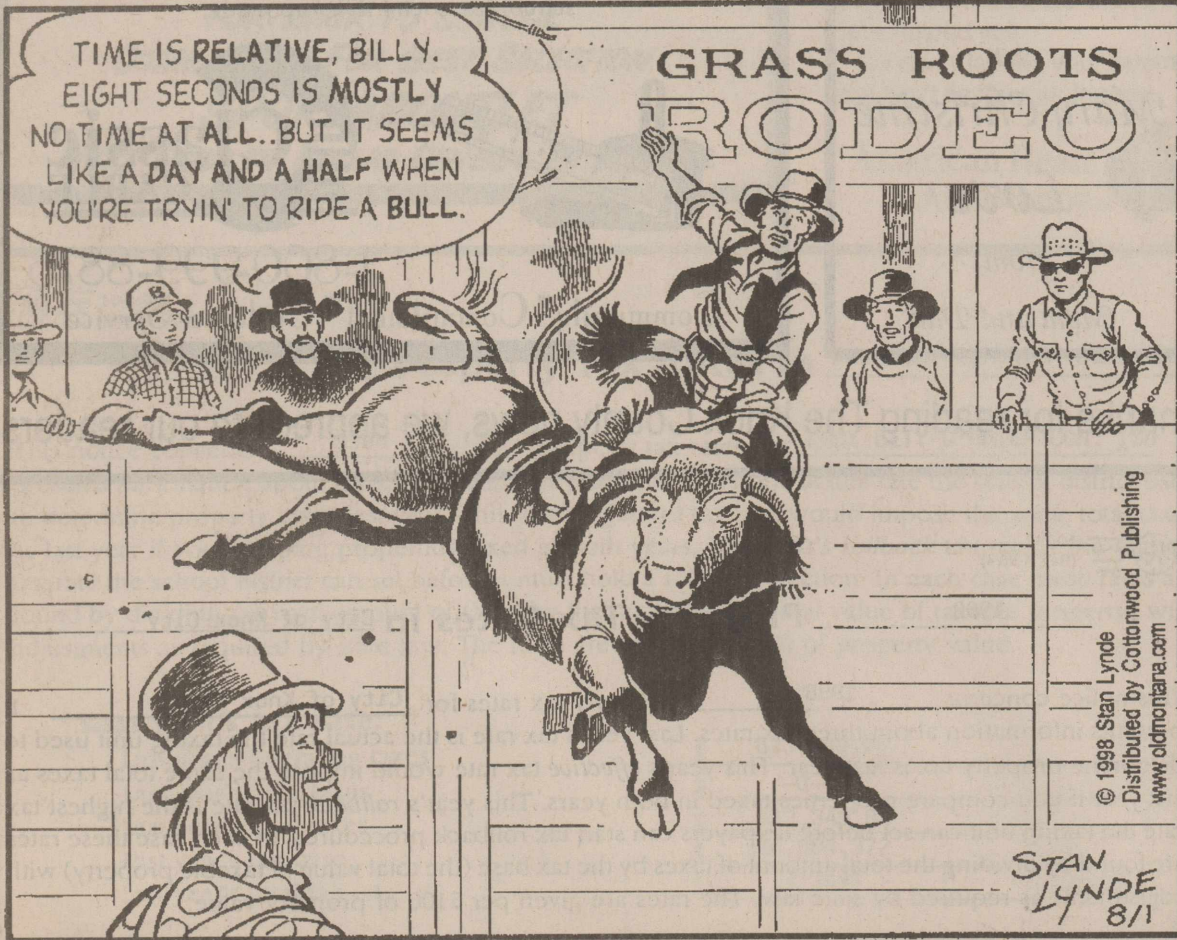

will perform a daring wing-walk demonstration on their Super Stearman, and the Fina Pitts plane will perform a special aerobatics demonstration. There will also be a civilian general aviation fly-in. Private pilots are welcome to fly their planes to the base to take part in a aviation safety seminar at 9 a.m.

For landing clearance or more information call Capt. Gary Howe at 696-5597. Ground displays include a classic car show and a military working dog demonstration by members of the 7th Security Forces Squadron. Also, "With Achovies," a popular Abilene band, which features several military members, will perform.

Visitors are encouraged to talk with air crew members at static display aircraft to get firsthand information about U.S. airpower and Dyess' role in the Air Force Global Power mission.

A woman complained, "My husband has no outstanding vices, but I'm going to divorce him."

"Remember," said the counselor, "when you married this man it was for life."

"But," she protested, "he hasn't shown any signs of life."

Maybe that's your problem. You don't have any outstanding vices, yet you don't have life.

Why? You don't have the Lord. The Bible says, "Whoever has God's Son has life; whoever does not have God's Son, does not have life."

This life means the beginning of love, the end of hatred, the defeat of sin and victory over death.

Have the Lord and you'll have life.
