Greyhounds, cheerleaders celebrate win at Crowell last Friday night

## Greyhounds declaw Wildcats with 33-15 win

By Coach Paul Starkie

The Knox City Greyhounds traveled to Crowell last Friday night looking for their first district win. The Greyhounds started the game in fine fashion by taking the opening kickoff and driving down the field to score a touchdown on a seven yard run by Brandon Gutierrez. Myles Richardson added the point after to make the score 7-0 early in the first quarter.

Knox City then kicked and recovered an onside kick but was flagged for an illegal block. On their re-kick, no one is exactly sure what happened. Crowell was called for being offside and Knox City was called for a late hit. When the officials got finished with their discussion, the ball was placed on the Knox City 25 yard line, Crowell's ball, first and ten.

With this great field position, Crowell managed to tie the game. The Greyhounds fumbled on their next possession, but their defense held. Knox City put together another nice scoring drive which ended with a Nefro Gonzales one yard run. Myles Richardson added the point after and the Greyhounds went into the half with a 14-7 lead.

Knox City came out in the second half and went down the field and scored on an 11 yard run by Michael Baez and extra point by Myles Richardson. Then Kearney, Crowell's speedy running back, managed to find a crease on the kickoff return and went 75 yards for a touchdown. Crowell added the two point conversion to make the score 21-15.

Knox City then put together back to back scoring drives which

ended with a seven yard touchdown run by Omard Walton and a four yard touchdown run by David Speck. The Greyhounds went for two but came up a little short and then missed the kick. The only thing left for Knox City to do at that point was to run out the clock on their 33-15 win.

Overall it was a very good night for the Greyhounds. They scored five touchdowns on the night, each by a different player. Michael Baez rushed for 262 yards on 34 carries behind good aggressive play by the offensive line. The big night for the offensive line and

Michael Baez put his rushing total over 1000 yards (1131) for the season which is a very noteworthy accomplishment.

The Greyhound Defensive unit played well. They allowed only 83 yards rushing and 33 yards passing for a total of only 116 yards for the game. They also had interceptions by Omard Walton, Kelley Estrada and Brandon Gutierrez as well as a fumble recovery by David Speck.

The Knox City Greyhounds will host Paducah this Friday night in their last game of this season. Kickoff time is 7:30.

## Coach's pick: players of the week

## Special Teams: Shawn Speck

While Shawn was honored as special teams player of the week for good coverage on kick-offs with 2 tackles, and perfect on punt snaps, he is shown above (#11, at left) in his role as backup quarterback just after handing the ball off to #9, Justin Casillas, just prior to the end of the game.

## Defense: The entire defensive unit

The defensive unit was honored this week for giving up only 83 yards rushing and a total of only 116 yards for the entire game. The unit was also responsible for 3 pass interceptions and 1 fumble recovery.

## Offense: The offensive line

The entire offensive line is honored this week as they allowed the team to rush for a whopping total of 393 yards in the game.

## Benjamin news

By Gladene Green, Benjamin Correspondent

News is in short supply today. Guess everyone stayed home and enjoyed Halloween with their kids and grandkids. We had lots of ghosts and goblins over this way and before they got their "trick or treating" completed, the rain and wind came in. Sort of curtailed some of their "spooky" activities. But all the reports I have are that everyone had a good time in spite of the weather. Did hear of a few of the older ones getting their vehicles stuck on one of our muddy streets but all ended well. Bill Ryder spent a couple of days in the Knox County Hospital last week. He came home Thursday but is still not up to par. Think he goes to his Wichita Falls doctor one day this week.

Don Hertel spent Thursday night in the Knox County Hospital. He came home Friday and seems to be feeling pretty well.

Leroy West still undergo some surgery on Friday. He's hoping it will not require an overnight stay. He will be in HMC in Abilene. I urge you to keep all these friends in your thoughts and prayers.

Sports - The Guthrie Jaguars came to play ball and that's exactly what they did Friday night. The final score was Guthrie 80 - Benjamin 36. The football sweetheart Carmen Acevedo and hero Jesse Grimaldo were presented at halftime. Carmen is a cheerleader and Jesse is a "Senior Mustang". We congratulate both of

these students.

Here 'N There - Sue, Dave and Summer Terry of Dallas and Lana and Carlos Mendoza and children, Colton, Valerie and Sydney of Seymour were weekend guests of the girls' parents, Jane Gideon and Weldon Gideon. Joe Nunley of Seymour also visited Saturday.

Hazel Stockton was in Stamford Thursday to see her eye doctor. She has an infection and after several days of eye drops, it should clear up.

Charles and Joy Jones returned home Friday after a several days vacation in Ruidoso, New Mexico.

Visiting Barbara and Sammy Pierce during the weekend were Mr. and Mrs. Jeff Pierce and family of Snyder.

### Housing authority has Halloween party

The Knox City Housing Authority had their first annual Halloween party which is part of the resident organization program.

The Housing Authority hosted 34 residents plus all employees and two board members who were also present.

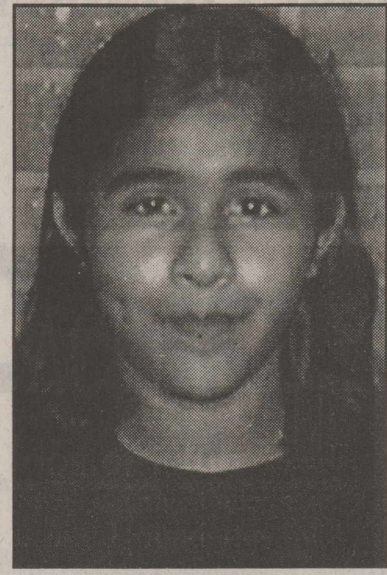

## Erica to compete at Texas Stadium

For Punt Pass & Kick Dallas Cowboys Team Championship

O'Brien Mid-School sixth grader Erica Nevarez will be off to Texas Stadium come this weekend where she will participate in the 1998 Dallas Cowboys NFL Gatorade Punt, Pass & Kick Team Championship.

Erica, the daughter of Rosie and Emiliano Nevarez, won the right to compete by winning first place in the local and then sectional competition which was held October 10 at McMurry University in Abilene.

Her first place total in Abilene was submitted with other first place winners from across the state and she was notified that she had qualified for this Sunday's team championship. Erica enters Sunday's competition with the second best score out of the five finalists who will participate in her age division, girls age 12-13. Competition will begin at 7:30 a.m. on the field at Texas Sta-

dium. Each participant will receive one punt, one pass and one place kick as part of their competition. Once the scores have been tallied, plaques will be awarded to the participants. The winner in each age group will be introduced

to the crowd, on the field, between the third and fourth quarters.

Scores are based on distance and accuracy on the combined scores for the three events.

All participants will take part in the passing exhibition at pregame.

First place finishers from Sunday's competition will have their scores submitted to the NFL. Once all 31 teams have completed their Team Championship, the scores will be ranked and the top four finishers in each age group will receive an all expense paid trip for three to the National Finals taking place at an NFL Playoff game in January.

After December 26, first place winners will be notified if they have qualified.

Participants will be presented uniforms of Cowboys PPK shirts and sweatpants.

### Felts fund started at Citizens Bank

A fund has been started at Citizens Bank in Knox City to help defray mounting medical expenses for Carol Felts, who has been hospitalized in Dallas for several months following heart surgery.

According to his wife Zo, Carol seems to be better but Carol is faced with insurmountable expenses because his medicare is becoming less helpful due to his long period of hospitalization. He cannot be placed on a list

for a heart transplant for about two more months because of his physical condition. He cannot be dismissed from the hospital during this time because he has a heartmate. Therefore, he cannot get a new spell of sickness for Medicare, nor can be placed out of the hospital because of his heartmate.

If there are those who can donate to this fund, account number 11 96677, it will be deeply appreciated, organizers said.

## O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"When my wife and I were vacationing in the eastern part of our state, our car's license plate was stolen. We planned to go to a local office for a replacement, but then we discovered that our registration had expired. The new one was at home in a pile of mail. After much thought, we came up with a solution. Taping a sign over the empty license-plate space on the rear of the vehicle, we made the eight-hour trip home safely. Not a single state trooper stopped us, but many passing motorists took great pains to honk and wave at us. Our sign read "Just Married!"

Here and There - Billie Walker's cousin, Jack Duncan, a couple of his friends, Mr. and Mrs. Richard Tweety, all of Albuquerque, New Mexico, and Belle Duncan of Aspermont were luncheon guests Wednesday at Billie's.

Rich and Mary Ann Palma announce that their son, Richard Palma Jr., who is a graduate from the University of Arizona - Tucson with a degree in business eco-

nomics has been accepted to law school and is presently attending the University of San Diego Law School in San Diego, California. Richard Jr.'s specialty will be cooperate law.

Rich and Mary Ann Palma recently returned home to their O'Brien farm from Arizona. The Palmas were visiting their daughter Alicia Palma, who is a junior in the nursing program at the University of Arizona - Tucson. Alicia visited them this past summer and worked at the Brazos Valley Home Care in Knox City. She says 'Hello' to all her new dear friends in Knox City and O'Brien. The Palma also attended the Broadway play "West Side Story" in Phoenix and Mary Ann enjoyed shopping.

Alton and LaUna Hester were in Panhandle over the weekend to visit their daughter Brenda Robinson and husband Doyle and son Zach. They went to see their grandson play football Friday night. The weather was real bad and it took a while to finish the game as they had to play three

overtimes and got beat 14-7. Zach got his shoulder hurt pretty bad and didn't get to help finish the game.

Scott Stephens, student at VRJC, spent the weekend with his mom Sue and husband Bennett Shortes.

Johnny and Jo Lippard are visiting their daughter Nancy Ellis and husband and family and their son Mark Lippard and family in Oklahoma for a few days.

Veeta Reid's daughter Angelia and her son Samuel Reed of Fort Worth are spending some time with Veeta.

Coy and Loretta Hewitt were in Wichita Falls Sunday to visit their daughter Toni Neal and husband Tony and daughters. Andrea Neal, one of the granddaughters, is spending a few days with her grandparents, Coy and Loretta.

Visiting during the weekend with J.O. and Charlene Brothers and Don Brothers were Craig Brothers of Abilene, Tammy Brothers of Abilene and Michelle Phelps of Stamford.

A study in the Archives of Internal Medicine maintains that living wills can save about \$60,000 per patient in medical costs. Researchers studied 474 patients who died in a hospital during 1990-92. Bills for those without living wills were three times as high.

Currently only one medical school in the entire country, out of 126, has a full-fledged department of geriatrics: Mt. Sinai School of Medicine in New York.

## Matter of Fact

Rick Perry  
Texas Agriculture Commissioner

If asked to name a Texas "port," you'd probably say Arthur, Aransas, Lavaca or Isabel. But in a testament to the increasing diversity of the Texas wine industry, there's a very different type of port now being produced by a handful of our wineries.

For the uninitiated (and there are many of us in this group), port is generally a red wine that's fortified with brandy. The drink originated in Portugal in the 11th century and is usually consumed with cheese after dinner.

Port is certainly nothing new to the Val Verde Winery in Del Rio where they've been making their Shaman Tawney port for more than a century. Papa Paulo Port has been a proud product of Messina Hof Wine Cellars in Bryan for about two decades, and it's an international gold winner to boot.

While wine connoisseurs have enjoyed the taste of port for years, a lot of folks are just now catching on to this unique product. That has other Texas wineries around the state now getting into the port producing business - and that's a very good sign.

The ability to adapt to changing markets and introduce new products has always been a major strength of agriculture. As it's grown and matured, the Texas wine industry has been able to live up to that challenge - handling change from both the stern and port side.

What Do A Life Preserver And A Flu Shot Have In Common?

If You Have Diabetes, Ask Your Doctor.

If you live with diabetes, you're more likely to die with the flu. Just ask the families of the 30,000 people with diabetes who died of flu or pneumonia complications in a recent year. Then ask your doctor for a life-saving flu shot for you and those closest to you, and about the other risks you face when you face diabetes. Because with diabetes, prevention is control, and control is your life line.

This message is brought to you by and your health department.
