ANSON AND HASKELL GAME SLATED FOR FRIDAY NIGHT

Hamlin Game Is Moved To Haskell for Eighth

The boys from Anson will be in Haskell next Friday night with blood in their eye and spot remover in each hand to try to remove some of the war paint the Indians are smearing on.

After losing some of their early season games the Jones County boys have tightened up their belts and decided that if they couldn't get over their spring training sleep, they would at least make the rest of the conference sit up and take notice of their later season performance. They have blood in their eyes and the contest last Friday was rained out so both teams have had two weeks rest and the game next Friday at Rice Springs Park will be a hard fought battle from the beginning to the end.

Coaches Richey and Mason have been putting the tribe through their paces this past two weeks, skulking practice on rainy days and fast drills on the clear days. Anson has been doing the same and with both teams recovered fully from their minor injuries and an ancient grudge between the two schools, the money and time will not be wasted at Rice Springs Park.

Carl Henshaw, fast end for the Haskell team is out of the game for the remainder of the season, due to injuries. This is the only man that has not recovered.

Rosie Cheeks McMillan had his hands canted rather badly in the Abilene game and Barnett was limping when the game was over. Kimbrough was bruised a bit but all the sore places are healed and the Indians will present a fast and strong lineup.

The Hamlin game, scheduled for November 8th at Hamlin has been moved to Haskell on the same date. The Hamlin field is not provided with lights is the reason that Haskell will be the host again.

Hamlin, although not a serious threat according to the dopsters, is liable to upset the apple cart themselves.

Haskell is swinging along with a string of victories through the present undefeated season and is feeling pretty cocky about it and with good reason, but if there is the slightest bit of overconfidence there is liable to be a change in the almanac.

None the less we have two fast games scheduled for the next two weeks and no one is more anxious for the starting signal than the team.

Scout Troop Perfects Organization at Meet

The Scouts of Troop 26 met for the third time under their new Scoutmaster, Mr. Geo. V. Wimbley, Monday night October 28. There were twenty scouts present.

Five patrols have been organized with four to the patrol; the patrols are to see who can get their ups to the standard number of eight, first. The patrols have not been named officially but will be at the next meeting.

The members of the first patrol are: Bob McAnulty, Claude Warren, Claude Jenkins and Johnny Cullum. The members of the second patrol are: Lynn Pace, Hugh Lowe, John Galt, Archie Lee Jones and Edwin Case. Wayne Pickett, Edwin McRoy and Mac Smith make up the third patrol. The boys in the fourth pa-

JURY DISMISSED FOR REMAINDER OF COURT TERM

Record Set in Number of Cases Tried Here

Judge Dennis P. Ratliff dismissed the jury for the balance of the term of court, last Wednesday, Oct. 30. There will be several non-jury trials and other matters disposed of by Saturday, the last day of the present term of court.

The case of D. C. Barton, charged with burglary and theft of property over \$50.00 value was called before Judge Ratliff last Wednesday morning. Barton was assessed two years in each case, the sentences to run concurrently.

Wichita Falls officers brought McNeill and King, sentenced last week in the same case, to Haskell as witnesses, but Barton entered a plea of guilty and testimony was taken only from the arresting officers and Ray Diggs, Wichita Falls Service Station operator who had purchased the stolen tires. C. E. Baker, manager of the Gratec Service Station in Haskell which was robbed was called to the stand and gave testimony pertaining to the robbery. Judge Isaac O. Newton of Seymour held the bench Monday and Tuesday in trying a civil case in which Judge Ratliff was disqualified through virtue of having represented one of the participants before being elected to office. Judge Ratliff took Judge Newton's place in Benjamin during those two days.

This term of court set a record for cases tried by disposing of 38 criminal cases and 28 divorce cases up to Wednesday afternoon. This total of 66 cases better the record set by Judge Clyde Grissom last year.

The court will dispose of some other matters Thursday and Friday and the case of Hartley and Hitt, charged with robbing the local express office, will be called Saturday morning. This will be a non-jury trial and the case will be heard by Judge Ratliff.

Judge Ratliff will go to Aspermont next Monday and will hold court in that place for the next three weeks.

Alexander Infant Buried at Weinert Sunday Afternoon

Joyce Aletha Alexander, 4 months old daughter of Mr. and Mrs. J. T. Alexander of Weinert, died October 28, 1935 at 3:40 p. m.

Rev. Harley Andress officiated at the services, which were held at the grave side at 3:30 Sunday afternoon. Joyce Aletha is survived by her father and mother and one brother, J. W. Alexander and four grand-children. Mr. and Mrs. Geo. Alexander and Mr. and Mrs. W. N. Robinson, all of Weinert.

Burial was in Weinert Cemetery under directions of Mrs. I. H. Kinney of Kinney Funeral Home.

Palbearers were: Jess Kreger, Sidney Winchester, A. A. Harrison, and Eliza Marion.

Ladies assisting with flowers: Mrs. Sidney Winchester, and Mrs. Planery.

COTTON GINNING TOTAL FOR YEAR IS 16,153 BALES

Almost Double the County's Yield to Same Date Last Year

Cotton ginnings from the 1935 crop to Oct. 18, were almost double the total for the same date last year, according to W. P. Trice, special agent for the Department of Agriculture, who released the figures this week. A total of 16,153 bales had been ginned in the county up to Oct. 18, 1935, the agent's report reveals. On the same date last year 8,734 bales had been ginned.

in the county this year will be materially heavier than in 1934. Trice believes, as weather conditions during the summer months were more conducive to cotton crop development than in 1934, when lack of rainfall during August and early September greatly curtailed the prospective yield.

Gathering of the 1935 cotton crop, halted last week by rains, is gradually getting under way over the county, and a killing frost, average date for which falls within the next two days in this section, will speed gathering of the staple.

F. T. SANDERS FAMILY HAVE REUNION SUNDAY

The prominent family of F. T. Sanders held a family reunion at the home of Mr. and Mrs. Sanders in Haskell last Sunday Oct. 27th. Seated are Mr. and Mrs. F. T. Sanders and Grandson, Albert Earliest. Standing from left to right, Mr. and Mrs. Roy Sanders, Haskell; Fred Jr., student at Texas Wesleyan College, Fort Worth; Jerome Sand-

"LAW" USURPS CHARM OF LADY LUCK IN RAID

Mexicans and Negroes Pay Gaming Fines After Officers' Visit

The tempting lure of Lady Luck's easily gained riches, enhanced by enforced idleness in the cottonfields caused by last week's rainfall proved costly for sixteen Mexicans and Negroes whose seizure with the goddess of chance was rudely interrupted by Sheriff Giles Kemp and a force of deputies early Sunday.

Swooping down on the quarters of a group of cotton pickers on a farm northwest of Haskell, the officers granted free transportation to the county seat to twelve Mexicans and four negroes—and despite muddy roads and crowded conveyance, all found space for five pints and a half-gallon container of "corn" liquor, 112 bottles of "brew", three persuasive-appearing revolvers, numerous mean-looking pocket knives, and a varied assortment of playing cards and dice.

Lethal weapons seized by the officers were not intended as such (in the words of one offender) but merely means of "guaranteeing" any awards which Lady Luck might bestow.

The entire aggregation, arraigned before Justice of the Peace R. H. Davis early Sunday, was charged separately with gaming. Most of the offenders paid fines and were released from custody. Several who were not so fortunate as to have accessible funds at hand remained as guests of the county.

Officers who took part in the raid included: Sheriff Giles Kemp; Deputies Mart Clifton, Reiley Lewellen, Dan Kirkpatrick and Ollie Kittle; City Marshal Jim McCoy of Rule; Constable B. M. McGregor and Deputy Marion Turpin.

Bob Eubanks, Adrian England and Aaron England of Garland were arrested by Deputies under the direction of Sheriff Giles Kemp, last Wednesday and were convicted of shop lifting in County Judge Charlie Conner's Court.

There were three charges against them and each was remanded to jail on the three counts when unable to pay fines.

Merchandise from Fouts Dry Goods Store and Perkins and Timberlake Company were recovered.

According to Mr. Collins, manager of the local Perkins Timberlake Company store, the boys came into the store, ostensibly to buy clothing and George Keller, clerk was showing one of the boys some of the merchandise while the other two stole the articles listed on them.

CHRISTMAS CHEER TO BE STARTED BY LIONS

Toys for Underprivileged And Food for Needy

The Haskell Lion's Club, in their regular luncheon meeting last Tuesday, voted to name a committee to gather toys and food for the needy and the underprivileged for their annual Christmas Cheer drive.

The committee, composed of W. H. Atkinson, chairman, J. D. Montgomery, H. S. Leon, J. M. Crawford and C. D. Reiley will assume their duties at once and will try to make this the biggest Christmas Cheer that Haskell Lions have ever undertaken.

Merchants and firms all over town as well as individuals are asked to help in this work. The gathering of the toys will be the first job and this work will start at once.

The recipients of the Christmas Cheer will be located and deliveries of the foodstuff and the toys will be made during the appropriate season. Several Haskell Lions and their wives plan to attend the Abilene Halloween party which is being given by the Abilene Lions in Abilene Thursday night.

MAY CALL G-MEN TO SOLVE RIDDLE OF BLACK BAG

Reiley, Lewellen, deputy on the Haskell County police force, is in a quandary.

Reiley has found something that was either lost or abandoned or . . . but here is the tale.

Reiley and Sheriff Giles Kemp went to Weinert last Tuesday night in the Sheriff's car. Reiley left his car in Haskell and didn't bother to take the key out of the lock.

Wednesday morning there was a ladies' purse in the car and (when outside help was finally called in,) the only identification to be found was a couple of passes to the carnival that has been gone for a couple of weeks and some chances on the car that will be given away soon.

Now, Reiley, although a demon with the ladies and other accomplishments too numerous to mention, is known as a peaceable man and a friend in need, but everyone in the Courthouse that didn't have an air tight alibi is certainly afraid to let Reiley call on the women-folks to see if he can return the purse.

Reiley can't get anyone to claim a harmless looking purse. Black and doesn't tick but no one will even take hold of it. They haven't tried dipping it in water to show the slittish ones that it won't explode but even that doesn't clear up the mystery.

BIDS ASKED FOR NORTH WARD SCHOOL W. P. A. PROJECT

\$35,000 Also to be Spent On Road Construction In County

Final approval of the WPA plans for a new North Ward School building have been received, according to Mr. C. B. Bredlove, Superintendent of Schools in Haskell.

Bids will be opened November 20th and construction will start soon after.

David S. Cagle Company of Abilene are architects for the one story stone structure and will be in charge of the erection of the building.

The wage scale on this WPA project calls for the highest wage scale set by the Federal Government and the Foremen and Timekeepers will be selected from those applicants that were interviewed by WPA officials who were in Haskell several weeks ago for the purpose of selecting these men.

Bids are being advertised in this week's issue of the Free Press and several contractors have asked for blueprints and plans.

Approximately 100 men will be given employment on this job.

The proposed negro school has also been approved as a WPA project but the school board has not decided on their plans for this project as yet.

Also the tearing down of the old North Ward building, another WPA project, has not been definitely set by the school board.

However news of these two works will be announced soon.

County Judge Charlie Conner has received notice from Washington of some \$35,000 worth of WPA road building work that has received approval but the exact roads and the nature of the improvement could not be determined, inasmuch as there are several of these projects that have been submitted and it is known that all of them will not be approved.

FUTURE FARMERS MADE MONEY FROM FAIR

The Haskell Future Farmers stepped in and took a very active part in the Central West Texas Fair held at Haskell. They exhibited their wares, took tickets at shows, sold tickets, sold soda pop and rented and operated a parking lot.

Perhaps the most important feature of the activities, aside from making some money for the chapter and for the individuals, was the organization under which they worked.

DISMISSED GRAND JURY FOR TERM WEDNESDAY

Sets Record for Felony Indictments in Haskell

The Grand Jury was dismissed for the term by Judge Dennis P. Ratliff last Wednesday.

They reported that they had examined 165 witnesses, returned 54 felony indictments and three misdemeanors.

The jail and other county buildings were inspected and given an enthusiastic approval by the men. They also voiced an opinion that gambling devices, unless permitted to operate every day by the citizens should not be allowed protection during special occasions.

According to Sheriff Giles Kemp, the 54 felony indictments set a new record for any Grand Jury in Haskell County. There have been more indictments returned on one occasion 7 years ago, but the majority of these were misdemeanors and could not be classed as major crimes against the state.

Sheriff Kemp prepared his evidence in the cases in such a manner that the Grand Jury was not in doubt under any case and was able to return the indictments without delay and were not called on for extra work.

Funeral services for Doris Janet Pope, age one year, daughter of Mr. and Mrs. Edwin Pope of Haskell, were held at the parents home last Sunday, October 26th. Rev. H. M. Gilmore of the First Christian Church conducted the services.

The baby is survived by the father and mother, a sister, Geneva Florence Pope, the grandparents, Mr. and Mrs. W. G. Pope and an aunt, Mrs. Evelyn Nollner.

Death was caused by Bright's disease after a week's illness, and while she was in the Knox City Hospital where she had been taken for treatment.

Palbearers were Virdie Oates, Charlie Childress, Walter Holt and Paul Keunster.

Ladies assisting with flowers were: Mrs. Ora Childress, Mrs. Nierva Oates, Mrs. Lottie Cook, Mrs. Fannie Meeker, Mrs. Mildred Banks and Mrs. Paul Woodson.

J. H. Kinney of the Kinny funeral home was in charge of the burial, which was at 3:30 p. m.

CUPID IMPROVING HIS MARKSMANSHIP MONTH BY MONTH

May Be in 1934 Form If He Can Stand The Pace

Cupid is in a slump but is battling better than last month, according to Jason W. Smith, County Clerk.

Only one couple requested that their names be withheld from publication and thereby hangs a tale . . . which we hope to break next month.

October of last year had 27 licenses issued and September of this year had 14. There were 21 issued in October of 1935.

Those obtaining permits were Lloyd Gilland and Inez Earls, N. A. Grace and Marie Adams, Oris Gibson and Julia Marion, George Hil-dreth and Mrs. Ruby Lee Thompson, Marvin Bruce and Inep Elliott, Leo Hardin and Ava Ferrell, Frank Campbell and Francis Rogers, Carl

SHOPLIFTERS GIVEN JAIL SENTENCE HERE

Bob Eubanks, Adrian England and Aaron England of Garland were arrested by Deputies under the direction of Sheriff Giles Kemp, last Wednesday and were convicted of shop lifting in County Judge Charlie Conner's Court.

There were three charges against them and each was remanded to jail on the three counts when unable to pay fines.

No one knows anyone who would be likely to know one but that is that. . . Reiley's stuck with the purse and the story is stuck to Reiley.

Federal investigators are expected daily to help out on the case.

 The next meeting is choral rehearsal. All choral members are urged to be present.

Celebrate Twenty-Fifth Wedding Anniversary

Twenty-five years may seem like a long time to some folks but not so to Mr. and Mrs. A. J. Josselet who celebrated their 25th wedding anniversary Wednesday, October 25th. Mrs. Josselet invited a few close friends to have dinner, in commemoration of the event, at twelve o'clock. Mr. Josselet presented his wife with a lovely set of silverware, and some of the guests remembered them with odd pieces to match. Those present were Mr. and Mrs. A. J. Josselet and children, Misses Ruth, Dorothy, Mrs. Estelle Gilliland and Mr. Gilliland and son Jack, Mrs. A. J. Lewis and daughter Jean, and son Jeff Jr., Mr. and Mrs. W. H. Morris and children Jack and Dorothy, Mrs. M. E. Bates, and Mrs. Frank Williams. After lunch the guests expressed their wishes for many happy returns of the day for the couple.

Hallowe'en Entertainment Given Tuesday Night

Miss Geraldine Conner entertained members of the Junior Y. W. A. girls and their boy friends in her home Tuesday night with a hallowe'en party. The rooms were decorated with a black and yellow scheme in keeping with the hallowe'en motif. Games were played until all were exhausted and refreshments were served.

Those present were: Misses Geraldine Norris, Helen Ballard, Gladys Fouts, Anita Jo Simmons, Francis Fouts, Elsie Gholson, Ruby Sue Persons, Melba Cullum, Lorens Thomas, Wilma Whatley, Kathryn Kinney, Martha Head, Helen Mable Baldwin, Gale Roberts, Marjorie Ratliff, Wilma Keunster, Mary Ellen Diggs and the hostess, Messrs. Prayer—Mrs. R. C. Couch.

The Devotional was led by Mrs. Whitaker. Subject: "Youth in the Presence of Christ".

Duet, "That Sweet Story of Old"—Mrs. D. Scott and Mrs. Whitaker.

Prayer—Mrs. Whatley.

Mrs. R. J. Reynolds gave a very interesting talk on the subject, "A Modern Youth Responding to Christ".

A business meeting followed.

Mrs. O. M. Guest and daughter, Miss Geraldine Hunt were Abilene visitors Saturday.

Haskell High School P. T. A. In Meeting Thursday, October 24

On Thursday, October 24th, the Haskell High School P. T. A. met in regular monthly meeting, with the president, Mrs. J. B. Post, in the chair. Miss Vick handed out year books to the members as they came into the auditorium. Reports of the standing committees were heard and approved first; minutes of past meetings were read by the secretary, Miss Donna Davis. The director of the meeting, Mrs. George Wimbish, then took charge and presented Mrs. I. N. Simmons, who gave the devotional.

Juanita Foil then rendered a piano solo; a student number from the English department, under the direction of Miss Donna Davis was given by Frances Fouts; a paper, "The P. T. A. and its Opportunity For Service In The High School" round table discussion led by the director, "How May We Interest Uninformed Patrons?" A social hour was tendered the P. T. A. by members of The Gypsy Ramblers, who in costume served sandwiches and tea to members present.

Mrs. Sam T. Chapman Hostess To Rochester Club Members

Mrs. Sam T. Chapman entertained members of the "Knitting Club" of Rochester of which she is a member last Thursday at her home here. Members brought a covered dish, and when combined a delightful lunch was enjoyed. In the afternoon some knitted, while others crocheted or pieced on quilt tops. Those present were, Messdames L. M. Key, V. Alvis, Ino, Mansell, Chas. Key, Dick Mullins, Tom Murphy, Marion Hicks, Jess Bragg all from Rochester and Mrs. R. C. Montgomery, and Mrs. R. J. Paxton of Haskell.

Helen Bagby Circle

Our Church is a Missionary Baptist and we have members, 700 or more. Rev. H. R. Whatley is our good pastor.

Being with us eight years or more. Our mission work is composed of Circles three.

With Christian ladies devout and true, And the many hearts we make happy.

We could never, never tell you.

Each Monday at three, we always go And worship with prayer and song, Bible lesson, Royal Service and all.

We are working for our Master, the whole year long.

We all love the work so very much Nothing else can take us away From this great, great mission work Where you will always find us that day.

Soon, our week of prayer will come, And a Lottie Moon offering we take To help the Missions in foreign lands, Please do sacrifice for their sake.

Save your offering from now until December second.

And let us really try to do more. If you will help this wonderful work, Christmas will seem happier than ever before.

I have spent much time in the W. M. S. And love it better each year. And so happy because I am "leader" Of this Circle I love so dear.

—Mrs. L. F. Taylor.

Simmons-Robinson

Issac P. Simmons and Miss Rebecca Robinson were united in marriage October 25th, with Rev. H. R. Whatley pastor of the Baptist church reading the wedding vows at the parsonage.

Mr. and Mrs. J. P. Davis are the proud parents of a fine baby girl, arrived October 21, which they have named Mary Alice.

Mrs. C. M. Kaigler Will Present Junior Class In Recital

Mrs. C. M. Kaigler will present her Junior Class in Expression at the Haskell High School next Monday night, November 4th, at eight o'clock. The public is invited to be present. There will be no charges. The Methodist Missionary Society

The "Peace" program directed by Mrs. Carter, on October 28 was one of the very best of the year. A program of organ melodies, rendered by Mrs. Paterson, opened the worship service. At the conclusion of this program all joined in singing "Jesus Shall Reign".

Extracts from the November Missionary Bulletin, were read by Superintendent of Publicity, Mrs. Wilson.

A trio composed by Messdames Lewis, Cahill and Shriver delighted the group of the singing of "God Will Take Care of You." All joined in the reading, responsively, of the 46th Psalm.

As the Scripture lesson Mrs. Jim Isbell read Verses from the Books of Jeremiah, Timothy and John.

A "Prayer Poem" was read, most effectively by Mrs. A. J. Josselet.

Mrs. Carter next spoke on the subject so near all our hearts, "Peace." She quoted many passages from the great "Peace" article, recently published by Nicholas Murray Butler, President of Columbia University.

Mrs. T. R. O'dell next told of Jane Adams' work for Peace. Miss Adams who passed on last spring was, truly one of the world's foremost advocates of Peace, being at the time of her death, president of the "World's Women's Peace" party. She was also a tireless worker for National Prohibition. Her books especially "War and Bread" have been widely read, having been translated into many foreign languages.

At the conclusion of this interesting article, all joined in singing "Sweet Peace, the Gift of God's Love," after which the Leader offered the prayer dismissal.

We meet on next Monday in the observance of our annual "Day of Prayer". For this day's worship we meet at 10:00 a. m. Lunch will be served in the church dining room at noon. After an hour's intermission we will again assemble in the auditorium for the afternoon worship.

Mrs. Dave Persons, who has entire charge, reports that a splendid program has been arranged.

The president urges all to be on hand, promptly, at 10:00 a. m.

J. W. Boles and Delbert Foy, of Anson, spent the week-end here with relatives.

August Buchstein, well-known Rule farmer and stockman, transacted business in Haskell Saturday. August expressed the belief that his section had received ample moisture for the present and said that he was ready to welcome a "spell" of fair weather.

Mrs. Albert Curry and children, of Dallas, spent the week-end with her parents, Mr. and Mrs. M. B. Watson. Mr. Curry joined them for a week-end visit.

Mr. and Mrs. J. J. Tucker, proprietors of the Style Shoppe, were in Abilene Sunday where they inspected advance showings of winter merchandise displayed there by several large wholesale houses of the North and East. Mr. and Mrs. Tucker state that their purchases of latest style trends will shortly be on display in the Style Shop.

Ford V-8 Streamlining Steps Ahead

THE IMPROVED streamlining of the front end of the Ford V-8 for 1936 is well illustrated by this camera shot. Note the horn set into the fender apron behind a chromium grille and the way the graceful contour of the fender is carried to the edge of the new radiator grille. A glimpse of the new hood louvers is caught behind the headlamp. The V-8 insignia on the prow of the car is of new design.

"Lord Commanded" Killing

Plint, Mich.—Shouting, "The Lord commanded me to kill," Andrew Goodrich, 49, beat Mrs. J. Odram, 69, to death on a street here while horrified spectators looked helplessly on.

Murle Ivy spent Wednesday night with S. G. Cobb of Cobb Community.

Mr. T. N. Gillespie went to Abilene last Monday and had an operation on one of his eyes, to remove a growth. He returned to Abilene Wednesday and the doctor said his eye was doing nicely.

Edith Fox and Lucille and Myrtle Newcomb spent Saturday night and Sunday with Mr. and Mrs. Leo McKeever of Berryhill Community.

John M. Ivy spent Sunday night in Luaders guest of his aunt and uncle Mr. and Mrs. Monroe Higgs.

Miss Delous Rushing returned to school at Stamford after being absent a week, due to having her tonsils removed.

WEINERT SCHOOL IS RE-OPENED FOR TERM

The Weinert public schools re-opened Monday of this week for the remainder of the 1935-36 term after being closed for the past month in order that pupils attending the school might assist in harvesting the cotton crop.

With a full nine-months term scheduled, the Weinert schools opened early this year, in order that pupils might attend the first full semester before cotton-gathering began. This plan was worked out by Supt. I. J. Duff and school trustees together with patrons, in order that students might avail themselves of an accredited nine-months school term.

Enrollment in Weinert high school, as well as grammar grades, is the largest yet recorded. Supt. Duff, a Haskell visitor Saturday stated in high school 86 students have been enrolled, compared with 60 as the largest in previous years. The Weinert district has a total of 276 scholastics for the current term, a considerable increase over former years.

Supt. Duff expressed himself as highly pleased over the prospects for additional school buildings for his city provided by a recent WPA grant and bond issue approved by Weinert patrons which provides for construction of a new school building costing \$27,000. V. W. Cassie of Abilene has been employed as architect for the proposed structure, and plans are being forwarded this week to government headquarters for approval, the Weinert mentor said. Weinert property owners approved the proposed bond issue and application for Government aid in construction, in a recent election, and necessary approval from Washington, which is readily expected, will assure Weinert complete school facilities for years to come.

At present both high school and grammar school students are being cared for in the 8-room building originally built in 1908, with an leased frame building. Crowded conditions prevailing during recent years compell additional room being provided, trustees and teachers alike agree. Heavy increase in scholastics this year have made imperative immediate action in providing additional facilities, trustees and patrons alike have pointed out.

Faculty of the Weinert schools for the 1935-36 term include: I. J. Duff, superintendent; W. J. Carter, principal; J. G. James, history and English; Mrs. J. G. James, English and Spanish.

Grammar School: J. W. Bell, principal; Mrs. C. T. Jones, sixth and seventh grades; V. W. Jackson, fifth grade; Miss Jew Williams, third and fourth grades; Miss Thelma Therwanger, second and third grades; Mrs. Iva Palmer, primary.

PEARL LEE IS HONORED AT CAMERON COLLEGE

Miss Pearl Lee of Haskell, is among the fourteen students of the Cameron college at Lawton, Okla., to become a member of the Phi Theta Kappa society. This is quite a distinction as this society is a national honor society and is probably the most prominent society on the campus. Its aim is to promote scholarship. The fraternity is very strict and only first class students can be admitted and they have to be voted into the club. We are all ways glad to hear of Haskell students being recognized in this manner.

Students Hear Noted Speaker

At our chapel hour Wednesday, 23, the students and teachers of Haskell High School were honored by the presence of Dr. Johnson of New York City. Dr. Johnson is now staying in Rule at the home of his sister, Mrs. M. W. Rogers. He is an old friend and acquaintance of Superintendent Breedlove and Mr. Breedlove was very glad to introduce him to the student body.

Dr. Johnson has been preaching in the cities and towns of the East for some forty years. He has preached in New York City, Boston, cities of Virginia, and other cities of New York state. Along with his preaching he has made it his rule to talk in the different schools wherever he could do so. He is the pastor of the Baptist church at Rule although he is supposed to be resting.

Dr. Johnson began his talk by praising the superintendent, principle, coaches and teachers of our school, which he did in complete justice to them. He also remarked that the men mentioned above were trying to help the students in every way that they possibly could, and that he could read on the faces of some of the students that they were trying to grow into what God intended them to be. He brought out one of the best thoughts possible, when he said that our lives on earth are too short for anything but the best. In comparison to time our span of life here on earth is very short and we should make the best of it. Schools should not be primarily for education in books but should teach us to become followers of Jesus Christ, our Lord.

The guiding principal of John D. Rockefeller Sr. is to benefit mankind, and he has certainly followed his principle. He has given at one time or another in his life almost a half billion dollars to the use of mankind. We are not all rich like Mr. Rockefeller, but we can benefit mankind in some way if we will only do so. In one chapter of the Bible the Lord says that he will bless us until we are a giver of happiness and he will do so if we will only let Him.

In the U. S. alone there are 30,000,000 students enrolled in the school and in New York City, alone, there are 1,170,000 in the public schools. A committee was sent to investigate the schools of New York and they reported that 47 percent of the students were suffering from lack of sleep. By suffering we mean that they were not doing as well in school as they should. It is also noticed in many schools that the teachers, as well as the pupils are not accomplishing what they should, because of social activities, which are taking their time. Too much social life is a growing peril to the average boy and girl all over the United States and it should be cut down some to allow them more time for the more advantageous things of life.

The crowning element of life is purity—purity of mind and body, clean in mind and pure in heart. These are the virtues which we should strive to acquire above all other things. The standard of purity is the rarest thing in education. God wants everything that's good to become a part of us, and everything that's bad to be ignored by us.

Dr. Johnson kept record of 83 men and the ones most brilliant turned out to be the most dismal failures simply because they would not study and work. Such things are happening every day, because the temptations of life are stronger than the faith in God.

A true education teaches us the right life to live and how to live it.

High School Honor Roll

The following students made an average of 90 or above in the first six weeks' work.

Seniors: Ralph Johnson, Tom Clifton, Mattie Pistole.

Juniors: Ruth Woodson, Annie Barnett, Geraldine Conner.

Sophomores: Billy Pogue, Ruby Sue Persons, Frances Pouts, John Guest, Majorie Ratliff, Olive Sloan, Martelle Clifton, Frankie Dorris Bledsoe.

Freshmen: Madge Leon, Louise Pierson, Jim Bob Webb, Billie Doris Murphy, Mary Louise Curry, Amelia Beth Hammer.

Billy Pogue had an average of 96.34, the highest average in high school. Ruby Sue Persons was second with a 96 average and Ruth Woodson was third with 95.34.

If several students had worked just a tiny bit harder they would have been on the honor roll too. They are Melba Cullum, Winnie Darnell, Blanche Davis, Beverly Gilbert and Jean Kendall. They made averages of 89.

In the entire school there were 92 students with averages between 80-90, 126 students with averages between 70-79 and 28 who had averages below 70.

Miss Riley—"What's all this?"
Geraldine—"These are my Mae West problems."
Miss Riley—"Mae West?"
Geraldine—"Yeah, I done 'em wrong."

This Week's Warwhoop "Chief"

We are presenting for this week's Warwhoop "Chief" Mr. Joe Meacham who has been the leader and director of the Haskell High School and Municipal Bands for the past eight years.

Mr. Meacham was born in Clarinda, Iowa and moved with his family to Oklahoma, where he lived until after he graduated from high school. He finished his musical education in Chicago, graduating from the Quinton School of Music. After a post graduate course in band music he joined the Ringling Brothers Circus band and remained with them two years. During the World War he enlisted in a military band and while in Europe he visited ten countries of the old world. He has played with musical organization in every state in the union, Canada and old Mexico. He has been a member of the Chicago Symphony Orchestra, A Scotch Orchestra in Montreal, Canada, and many other nationally known orchestras.

After making Chicago, his headquarters for a number of years, Mr. Meacham moved to Dallas where he remained for a short time before coming to Haskell. In addition to his band work here he has had a

JOE MEACHAM
large class in music and is making an outstanding success in his chosen profession. Mr. Meacham is a citizen whom we are proud to name as this week's Warwhoop "Chief."

Former Student Wins Distinction at Tech

Cecil Reeves, of the class of '34, and a freshman this year at Texas Tech, has become a regular member of the Matador Band, a player of the tuba. Considering the large number in the student body, we count it no small honor for Cecil to gain this place while yet a freshman and we are pleased to learn that as a member of this band he made the trip last week to the Tech-Loyola University game at Los Angeles, California.

WELL REPRESENTED

Some families send representatives to high school in trios. There are four such families for Haskell High, as follows: Carrie Bell, Anita and J. A. Brooks; Annie, Albert and Naomi Barnett; Pauline, Irene, and Leo Jenkins; Earnest, Lloyd and Lon McMillan.

Birthdays

"Happy Birthday and many more" is our toast to the following students having birthdays this week:

Lea Jenkins, 28th.
Janice Viney, 28th.
Wallace Stark, 28th.
Lottie Mae Thompson, 30th.
Hazel Foote, 31st.
Della Pearl Blackwell, 1st.
R. P. Harrison, 1st.
U. B. Harrison, 1st.
Verna Moody, 2nd.
Maggie Pliand, 3rd.
Geneva Thompson, 3rd.

Former Student Now A County Agent

William Kimbrough visited in Haskell Saturday, enroute to Jayton where he will assume the duties of County Agent of Kent County. Bill is a Haskell High School graduate of the class of 1931, and a recent graduate of Texas A. & M.

We watch our "exes" with pride, and congratulate them in their advancement. Our best wishes go with Bill.

EDUCATION IS THE BASIS

—of American Progress. The Republic itself was founded upon the ideals of the Little Red Schoolhouse.

No Democracy can succeed, and no nation can compete under modern conditions, without an intelligent and educated citizenry. Intelligent buying of groceries at our store will insure quality goods at a big saving.

GHOLSON GROCERY

Sewing Machine Added to Home Ec. Laboratory

Last Monday the Home Economics department added a new Singer sewing machine to their laboratory. An old New Home was traded for this new machine. This is one thing we have needed for a long time. We owe our thanks to the school and want everyone to know that we are very proud to have it.

Indians Rest Over Week-End

Due to continued rain the Indians did not meet the Anson Tigers in football last Friday, but will play next Friday night, November 1, at Haskell. As a result of the Roscoe-Rotan game last Friday Roscoe still is the top team in the other end of the district, so now it is beginning to shape up for a showdown between Haskell and Roscoe in the end.

F. F. A. FLASH

The Central West Texas Fair at Haskell was attended by Future Farmers of America from towns other than Haskell. These boys took all of the prize money, by entering Hereford calves. The owners and livestock came from Throckmorton, and Rule.

The Haskell Future Farmers of America also entered livestock and many other home-raised products. We are glad because it shows the people what the Vocational boys can do, and will do. Also if they do not win, they will learn to show their products and what may be used to produce a living at home.

Some of those that won are as follows: (1) James R. Akins won first prize on his poultry and Individual Farm Exhibit; (2) Robert Barnett took the ribbons on his poultry, turkeys, Individual Farm Exhibit and Hampshire sow; (3) Leo Jenkins was satisfied with first prize money on his Individual Farm Exhibit; (4) Woodrow Perrin struck his stuff by showing his bantams. They were prize winners; (5) Jack Simmons was at his best when he put in his two sheep. Jack took all honors and he is going to the limit next year.

We do not wish to forget the ones who entered and received Honorable Mention. They were: (1) Biggie Meadors, who entered a pure bred registered Hereford Bull, but the Throckmorton boys beat him out; (2) Lynn Pace had a Hereford bull, but the Rule "Baby Bull" showed him up; (3) Bush Wilking entered Shorthorn Livestock but lost to better stock.

We know these boys have learned something from this year's fair and will try to take all honors next year.

Snoopin' With The Snooper

Things are coming to a "pretty pass" don't you think, when two life-long chums quarrel over who will ask T. L. C. to a party.

Discovered Recently—Helen Ballard never goes anywhere on Saturday night. (3)

R. C. C. hasn't decided whether he'll sing for the Anson Pep Squad are not yet. (Mr. Meacham gave him permission at the Abilene game)

Why does Ouida go to certain meetings out of town every month? Does she enjoy the meetings or is it?

R. J. told Saboles that last night was the first night she had spent entirely at home in nearly a month. Trust it to the snooper to find out why.

Gypsy Ramblers Hostesses to PTA

Last Thursday afternoon the Gypsy Rambler Club acted as hostesses to the High School Parent-Teachers Association in a short social hour.

Following the adjournment of the regular meeting which was held in the auditorium, the members were escorted by Gypsy Ramblers in official uniform to the Home Economics room where they were served refreshments of hot tea, sandwiches and mints. The Gypsy Rambler's colors of red, white and blue were carried out in the room decoration and in the stars used as plate favors.

John Kimbrough withdrew from school last week and is now enrolled in Abilene High School.

INVITATION PARTY

Monday September 28 the "Lillian Peek Home Economics Club" invited the new members into the club. To start the invitation services off, new officers were welcomed by the old officers and the "Spirit of Home Economics" Marjorie Ratliff played the part.

Later, in their various garbs, the new members were made to parade on the stage before the old members. As this was a very solemn occasion, those new members who laughed were run through the gauntlet.

Fifty members attended the social Refreshments were served by new members in the Home Economics laboratory. Washing and drying dishes were other amusements provided for the new members.

New members were: La Verne Bynum, Juanita Pail, Mary Jo Free, Evelyn Gibson, Eula Fae Glass, Rosa Nell Hollar, Irene and Pauline Jenkins, Alta Fae Lachey, Christine Lowe, Mary Beth Menefee, Louise Pierson, Wynona Frances Post, Eva Jo Ratliff, Mickie Les Tidwell, Mozelle Turpen, Frances Meyer, Frances Pearl Edwards, Neva Mae Gay, Joyce Nell Hambleton, Amelia Beth Hammer, Dorothy Jessel, Jean Kendall, Madge Leon, Frances Lucille Stevens, Estelene Templeton, Kenzie Tucker, Dorothy D. Walsh, Lois Holmesley.

Campus Flashlight

If Katherine K. can't go with anyone else, she will go with H. J.

It seems that Doyle H. is making quite a hit with Mary Lena. Or vice-versa.

We found out that Marjorie R. is crazy about Elmer Jr., but—Elmer doesn't live here anymore.

Lloyd Mc. has been courtin' again, but with a brunette like Geraldine C.

Artie will carry on a conversation with Jerry N. only when Francis is not looking.

Squab, the water boy, was found sitting on the front porch of his girl's house.

We wonder what is the motto with Beverly's personality, this year; we haven't seen her stepping out with anyone here lately.

The Man Who Wins

I would like to call your attention to an incident that happened in our school lately which might be termed a lesson from everyday life. It seems that a certain salesman came to our school along about the beginning of this term, to see the seniors on the subject of their class rings. Mr. Breedlove told him they were not quite ready at the present to think of that, but that he would inform him, as well as other sales-

men, as to when they wished to decide on a class ring. Later Mr. Breedlove wrote letters to the salesmen specifying the date and hour which was set for an examination of the rings. The first salesman was there some time before the set hour, and had arranged a special sample for our school. The second was late but arrived in time to have his samples presented to the class. The third didn't come until the decision had already been made, and said he knew nothing of the hour the decision was to have taken place. It happened that the seniors selected the ring of the finest salesman.

Do you see the moral or lesson this illustration brings out? I think just this: Promptness and determination are always rewarded. If we have a task to do, why put it off until another day if you can do it to-day? Just apply this moral to your very do a thing, don't you usually do it? Isn't it always the "go-getter" that own life. If you are determined to get somewhere in this world of ours today? We can't just sit back and let everyone else be just one step ahead of us. We must get up and do things, with the determination to win. The former may seem the easier but, however, hard it may seem, let's try to be the top in anything we undertake.

The man who wins is the man who works, who neither labor or trouble shirks; who uses his hands, his head, his eyes; The man who wins is the man who tries.

George Decker, who was painfully injured in a car wreck last Thursday night, is reported to be making favorable progress toward recovery.

Geraldine Norris spent the weekend in Knox City.

Ruby Strickland has been absent from school for the past two weeks, ill with diphtheria. We are glad that she is recovering.

George Stoneman was absent on account of illness the early part of last week.

Frances Fouts and Juanita Foil appeared on the regular program of the high school P. T. A. last Thursday. Frances gave a discussion of new view points in the study of literature, representing the English department, and Juanita played a piano number. Juanita is a student of Miss Wheeler.

Mary Eleanor Diggs and Geraldine Conner shopped in Abilene Saturday.

Ruby Sue Persons, Louise Pierson, and Jack Kimbrough attended the Hardin-Simmons-S. M. U. football game Saturday evening.

Helen Ballard has been absent from school due to illness.

Sermon—7:15 p. m.

Bible Study—Wednesday, 7:15 p. m.

Mr. Gillmore will preach morning and evening. Morning subject, "The Lord's Supper". Evening subject, "The Earth Full of God's Glory". In accordance with a precedent set by the early Church, Christian Churches the world over, observe the Lord's Supper each week. If you are interested in the position of the Christian Churches or Churches of Christ with reference to the Lord's Supper, come and hear Mr. Gillmore Sunday morning. You are cordially invited to all services. Plain Gospel sermons and good congregational singing of the songs you enjoy.

"Father's Day" will be observed the third Sunday in November. A

special program for the fathers is being arranged. Further announcement will be made.

INTERMEDIATE B. Y. P. U.

The following program will be given by the Intermediate B. Y. P. U. Sunday evening at 6:30.

CENTER POINT BAPTIST CHURCH

The recently organized Baptist Church at Center Point will observe regular preaching services on Sunday Nov. 3rd, at which time an urgent invitation is extended to every one, whether of this denomination or not, to attend. Rev. Wood, Baptist minister, will have a soul-important message for all Christians, you are assured.

Briefly stated, the Center Point Baptist Church, organized only a

few weeks ago, now has 35 members, with many more evidencing their interest, and we hope to record larger gains.

Rev. McMillan, Methodist minister from Sagerton, will preach twice monthly in Center Point. Let us urge that all Christians of our community join in worship on His holy day, regardless of creed.

GENE HUNTER "Modern Cleaners"

A COLD caused this!

"Colds" are dangerous! Leading doctors tell us that fifty per cent of all disabling diseases START with a "common cold." Thus the cold germ becomes America's Public Health Enemy Number One.

Any sudden change in temperature as you go from a warm room into a cold one disturbs the heat-regulating apparatus of the body and makes it susceptible to cold germ attacks. Even the brief time that it takes to answer the telephone in an unheated hall is sufficient. Fight against "colds." They create a condition of depressed physical vitality which is favorable to infection and aid the progress of serious organic diseases that frequently result in death.

If your home is inadequately heated . . . if you "huddle" in one room during winter, sudden temperature changes are unavoidable. Your family goes from an over-heated room where the temperature has climbed as much as ten degrees past the point necessary for comfort, into a cold hall or adjoining room; then shivering and chilled, they return to the heated room. This happens many times a day. Each time it happens they have made themselves susceptible to highly communicable winter diseases.

Fight colds this winter with proper ventilation and adequate heat in every room in the home.

With Harley Sadler's Circus

Jack Hoxie, well-known movie star, and his horse, "Scout" who will appear here with Harley Sadler's Circus Nov. 6th.

Harley Sadler, no stranger to Haskell folks as Texas' outstanding showman, addresses the following statement to people of this section regarding his Circus which will exhibit in Haskell soon:

To My Friends in This Section: For seventeen years I have been trying to be of service to the amusement loving public of Texas. I have endeavored to merit the good will of the substantial citizenship in the territory in which we played by presenting a clean, wholesome, family entertainment at popular prices.

Recently, I had the opportunity to acquire the entire equipment of the Bailey Brothers' Big Three Ring Circus, which bears an enviable reputation in the circus world, and is known to circus fans in Texas as presenting a high class, wholesome worthwhile circus performance.

Believing there was an opportunity and a need for such an entertainment in this section, I have added many features and will bring you, I believe, the biggest and best entertainment of its kind ever offered at popular prices.

One of the oldest and most cherished traditions of the circus world was the old-time street parade that every man, woman and child looked forward to seeing, how they would pack the sidewalks, anxiously waiting to hear the blare of the trumpets, the martial music of its bands and the highly colored parade wagons, animal cages, beautiful horses, funny clowns, and a thousand and one thrills that the old-time circus parade offered.

The first thing I did upon purchasing the Bailey Brothers' Big Three Ring Circus equipment was to augment its rolling stock, buying parade wagons, miniature animal cages, drawn by Shetland ponies, and many other features in an earnest endeavor to revive the old-time circus parade.

This beautiful parade will be given each day at noon, preceding the afternoon performance. Don't miss the old-time circus parade.

Hoping that you will bring your family and enjoy an afternoon or an evening at Bailey Brother's Big Three Ring Circus, and remember, I promise you we will endeavor to make it the biggest attraction of its kind ever offered at these prices. Thanking you for your past support, and hoping that we may continue to have your good will.

Yours for a good entertainment.
Harley Sadler.

HASKELL MAN MAKES FIRST ENTRY AT EXPOSITION

CHICAGO—First entry from Texas for the 1935 International Grain and Hay Show, world's largest annual competitive farm crops exhibit, was made by Paul Zahn, Sr., of Haskell.

He will exhibit samples of kafir and milo in the Chicago crops show which is being held this year for the 17th time in connection with the International Live Stock Exposition, November 30th to December 7th.

Among the first entries received for the crops show this year were those of seven wheat growers of New South Wales who have entered samples of that crop that they exhibited last spring in Australian shows. Their samples are now in Washington undergoing inspection by the United States Department of Agriculture after which they will be forwarded to Chicago.

The Exposition management announces that entries for the Grain and Hay Show will be accepted until November 10th. There is no charge for making an entry and all samples will be returned to exhibitors if requested. The show will provide 91 different classes for corn, small grains, seeds, and hay. Cash premiums will be given on all prize winning samples.

Secretary-manager B. H. Heide, of the International Livestock Exposition, predicts a record-breaking entry of both livestock and crops this year. Preparations are being made, he says, to house more than 13,000 animals in the new two million dollar amphitheatre constructed last year as a permanent home for the Exposition at the Chicago Stock Yards.

Haskell County History

As Revealed by the Files of the Free Press 20, 30 and 40 years ago.

20 YEARS AGO TODAY

Arrangements have been made for the street lights of Haskell to be turned on again, this time on a more magnificent scale than before.

The following permits to wed have been issued from the county clerk's office since last report: Frank Boyd and Miss Lula Thornberry; Henry Craddock and Miss Nora McClain; Oswald Cole and Miss Alma Earnest; R. D. Chambers and Miss Daliah Norman.

Hunt's store was offering to pay \$4000 per ton for cotton seed.

T. C. Cahill and daughter, Miss Exia, left for a trip to the Dallas fair.

J. T. Ferguson has purchased of Mr. Rector, of Paint Creek, the famous trotter Johnny K.

We are informed that Mr. Bennett has purchased of Mr. W. L. Cason 100 acres of fine prairie land about six miles from town and will improve it at once.

A. H. Tandy and J. W. Bell have returned from the Indian Territory. Dr. Neathery is on the bachelor list again. Mrs. Neathery and children having departed for a visit with relatives in Farmersville.

30 YEARS AGO TODAY

Born to Mr. and Mrs. T. E. Ballard on the 19th Inst. a daughter.

J. U. Fields was in Aspermont the early part of the week where he attended court.

Messrs. D. R. Livengood, J. D. Stodghill, Robert Lee and D. S. Ketron substantial citizens of Paint Creek, were in town Wednesday.

We understand the Haskell Railroad Committee have made arrangements with Col. Morgan Jones, president of the Wichita Valley R. R. Company, on terms of a contract for the extension of his road by way of Haskell to a connection with the central at Stamford except to some minor details on regard to the depot station, which it is believed will be adjusted without difficulty.

HEADS RELIEF SCHOOL

ECONOMIST HOLDS RELIEF WORKERS SCHOOL

Local Office Sends Two to Institute

Dr. Jack Johnson, head of the Economics Department of the North Texas State Teacher's College at Denton, has been granted a leave of absence until June 1, 1936, in order that he may assume the post of administrative consultant to the Federal Administration of Texas.

Dr. Johnson will be located in Dallas where he will aid in conducting a six weeks training school for relief administrators and social service workers.

Two Haskell people are attending this school. They are A. Elmer Scott and Miss Marjorie Whitaker.

Mr. Scott and Miss Whitaker, accompanied by Miss Johnson of the Childress office, left Haskell last Saturday, October 26, for Dallas to attend the school which opened Monday, October 28, and unless transferred to other districts after the school is over, will return to Haskell to resume their duties.

The local relief offices expect to have their staff augmented by additional workers during the absence of these two officials but as yet there has been no announcement from relief headquarters as to who will be sent to Haskell.

DISPLAY OF OLD COINS AT W. M. REID'S

W. M. Reid has an interesting display of old coins and moneys in a case on the cigar counter of his drug store. The display is well worth the time of anyone who likes old and rare items.

There is a Confederate \$5.00 note, and a \$10.00 note. There is a Bill from the Free State of Louisiana engraved in the old building illustrated on the note and as this is the building that was torn down by Huey P. Long this makes the picture almost as valuable as the bill. This was one of the most historical spots in the entire state of Louisiana.

There is a penny dated 1858 that is approximately as large and as heavy as our present 5c piece. A Canadian one cent piece is larger than our half dollar.

A nice contrast is the new currency that we now use and a \$2.00 bill that went out of style in 1929. We can all remember the old bills and we wonder how we managed to use that old bulky stuff.

There are \$1.00 and \$2.00 gold pieces and several other coins that go to make up this collectors items.

CO. SUPT. ATTENDS OIL BELT MEET AT CISCO

Diversified Industrial Course Trials Discussed

County Superintendent Matt Graham attended the Oil Belt Teacher's Association meeting in Cisco last Tuesday, Oct. 29th.

Mr. Graham was accompanied by Supt. Ligon, of the Rochester schools. The men remained for the banquet Tuesday night before returning to their homes.

The main after dinner speaker was Judge Lindsay B. Hawkins who addressed the educators on "Safeguarding Democracy".

The meeting was well attended, according to Mr. Graham and the chief topic of discussion was the "diversified industrial course" which is being tried out in about 12 high schools in Texas.

This course is sponsored by some civic organization in the town and provides employment as an apprentice for those boys and girls who wish to learn some trade. Their course of study is shaped toward that goal and at the end of their high school career, the student is a competent dress maker, radio technician or whatever he has chosen to study and learn.

PLAINVIEW MEN VISIT HERE

C. N. Kennon and M. F. McKnight, Plainview and G. W. McDonald, President of Wayland College Plainview, were in Haskell last Friday.

These men were called as character witnesses for H. H. Hitt and H. P. Hartley, charged with burglarizing the local express office.

TAX EXEMPTION BLANKS AT AGENT'S OFFICE

Application forms for 110 pounds of tax free lint cotton for domestic use are now in the County Agent's office, according to B. W. Chesser, Haskell County Agent.

This lint cotton is for the growers personal use and the application must be made in order to keep from paying the tax.

WOMAN AND SON INJURED AS CARS COLLIDE THURSDAY

Car Is Wrecked When It Strikes Unlighted Parked Vehicle

Mrs. Lula Decker of Haskell received serious injuries about the head and face when the car in which she and her son, George, 15, were returning from Abilene, collided with a car parked without lights on Highway 90, four miles south of Haskell early Thursday night. Mrs. Decker and son had spent the day in Abilene.

The woman, most seriously injured, sustained a fractured jaw and head injuries, while her son received severe lacerations about the head and face. The injured couple were brought to Haskell by a passing motorist where first aid was administered. Mrs. Decker by Dr. T. W. Williams, after which she was carried to the Stamford hospital in an ambulance from the Kinney Funeral Home. Young Decker, who sustained numerous cuts about the face, was removed to his home after being given surgical attention by Dr. Williams. Despite his injuries, the youth gave a coherent account of the collision while his wounds were being dressed.

Local officers summoned to the scene found no trace of the automobile with which the Haskell car collided and surmised that the second car involved, probably undamaged, was driven away immediately after the wreck. The car occupied by Mrs. Decker and son, belonging to a relative, was damaged considerably.

Mrs. Decker is the daughter of J. A. McKee, pioneer Haskell resident.

Haskell Masons Attend Grand Council Meeting

Masons from the Haskell Lodge attended the district meeting of the Grand Council at Knox City last Tuesday night, October 29th.

W. J. Chesney, Most Exalted Grand Master of the Grand Council of Texas was in charge of the work which conferred the Royal and Select Master's degree on the candidates.

The meeting was attended by candidates and degree teams from Monday, Seymour, Benjamin and Haskell.

Those attending from Haskell were: W. E. Sherill, O. E. Patterson, T. W. Fleniken, Virgil Brown, R. J. Paxton, J. F. Kennedy, R. C. Couch, Ray Overton, J. D. Montgomery, F. L. Daugherty.

THE MAGAZINE CLUB

The Magazine Club met Friday, October 25, with Mrs. Wallace Cox as hostess, and Mrs. C. V. Payne, program director.

The program topic was Lloyd C. Douglass whose recent works were discussed.

Mrs. Roy Sanders gave a sketch of the author's life and Mrs. Matt Graham reviewed his book "Forgive Us Our Trespasses."

Center Point

Health is good at this writing. Mrs. Wilton Kennedy of Haskell, spent the week-end with her parents Mr. and Mrs. W. T. Morgan and family.

Little Jimmy Donald arrived Oct. 15, to make his home with Mr. and Mrs. A. B. Corzine.

Mr. and Mrs. Tim Patterson and Mrs. W. T. Morgan made a business trip to Stamford Tuesday.

Rev. McMillan and family took dinner with R. E. McLennan and family Sunday.

Mrs. Les Lewis and children, Ray and Evelyn, and Mrs. T. M. Patterson made a flying trip to Abilene Tuesday last week.

Mrs. R. E. McLennan was called to the bedside of her mother Mrs. Benton, of Wichita Falls, Monday. On her return she reported her improved.

School started again Monday morning with a good attendance.

Mr. F. A. Patterson and family of Rose visited A. J. Jeter and sons Saturday night.

This community was visited last week by a continued soaking rain leaving our roads in a terrible condition.

Misses Oneta and Mearl McLennan and Hazel Patterson visited in the Yate Benton home Sunday afternoon.

Several from this community attended the carnival at Guant Monday night. They all reported a nice time.

W. J. Jeter visited friends in Abilene Monday night and Tuesday.

Mr. and Mrs. B. W. Gregory and family visited their daughter and family, Henry Darden of North of Haskell.

N. F. Harwell Jr. accompanied his mother-in-law, Mrs. Myrtle Bland to Austin Tuesday.

SUIT AND COAT FOR LESS THAN COST OF DRESS

"Get Job Done" Is Slogan of Circus Advance Agents

Suppose the car in which you are travelling down the highway suddenly decided to play leap-frog, what about it? Should such a minor behavior interfere with the driver and occupants performing their scheduled duties?

Evidently not, in the case of the three-member crew which has in charge the advance billing for the Harley Sadler Circus which exhibits here Wednesday, Nov. 6th. The trio, R. F. Hayes, H. M. Harrell and A. M. Jackson, were confronted with this self-same problem while en route to Haskell Monday afternoon, but despite the mishap billing of the town was completed on schedule, Tuesday morning.

On their way to Haskell from Olney, the light truck in which the three men make their advance routes over-turned three times just north of Seymour about mid-afternoon Monday when a rear tire decided to "blow out." Hayes and Harrell were slightly injured, the former sustaining minor leg injuries and the latter a wrenched shoulder, while Jackson, the driver, was uninjured. Needless to say, the original appearance of the advance car was not enhanced.

Personals

Mr. and Mrs. Lee Pierson of San Diego, California are here on business. Mr. Pierson is an extensive property owner in Haskell County and lived here for many years before moving to California. They will probably be in Haskell for the next thirty days.

FUTURE FARMERS

(Continued from First Page) the boys, of course, could not hold this important position because of lack of time.

The above activities enabled the boys to pay their F. F. A. dues and pay for their project record books with their own money. Their labor amounted to almost \$50.00.

They were also successful with their first undertaking to raise chapter funds. A short time before the fair a committee under Mr. Dave Persons rented a parking lot near the fair grounds. After paying for the lot and the other necessary expenses, the chapter had \$19.40 to deposit to their credit.

With this much to start with the chapter should be pretty well equipped by the end of the year. They intend to use this money to frame some of the equipment that they already have and to buy more.

SCOUTS

(Continued from First Page) trol are: Jack Morris, Jack Allen, Dave Breedlove and Raymon Stewart. The members of the fifth patrol are: Henry Post, Ben Clifton, Theodore Pace and Billy Kemp.

We hope to have around ten boys coming up for the Tenderfoot rank next Monday night.

QUILT AND BED SPREAD COMBINATION IN H. D. CLUB

A hand made quilt that can be used for a bed spread was made by Mrs. Ruby Fourqurean, cooperater in the Bunker Hill Home Demonstration Club. The quilt has a cream colored back ground with a tulip design applied on it. The applique work is in pastel colors of green and pink. Good workmanship is shown on this quilt.
