Ag survey to begin May 26

AUSTIN - What lasting effects will the drought of 1998 have on Texas agriculture? Will Texas cattle ranchers be able to rebuild herds in 1999? How many acres will be planted to cotton? How will Texas's dry spring planting conditions affect 1999 production? To gather reliable, objective information on Texas and U.S. Agriculture the National Agricultural Statistics Service (NASS) of the U.S. Department of Agriculture will begin surveying farmers and ranchers for the June Agricultural Survey on May 26.

There is always speculation about each new crop season, and farmers and ranchers are the best and most important source of the facts. "With farmers' and ranchers' help in answering the survey questions about the 1999 crop season, we can reduce uncertainty in the agricultural marketplace," says Robin Roark, Texas State Statistician.

The Texas Agricultural Statistics Service will be conducting the survey for Texas, and those farmers and ranchers selected for the survey will be contacted between May 26 and June 16. This survey is particularly vital because it will provide the first clear indications of the potential production of major commodities in 1999.

The information gathered is widely used. Producers rely on the data to reach valid production, marketing and investment decisions. Industry analysts, extension agents and farm organizations use the information in a variety of ways that benefit farmers.

"We safeguard the confidentiality of all survey responses," Roark says. "Information from individual operations is combined with other responses to provide the needed date. We work with farmers and ranchers to provide meaningful, accurate and objective statistics that help keep Texas and U.S. agriculture informed."

4-H housing project set to begin June 2

By JANE ROWAN

County Extension Agent - FCS

A 4-H Housing Project is scheduled to begin on Wednesday, June 2, at 10:00 a.m. in the Knox City Community Center. It will conclude by noon.

Through the 4-H Housing Project, participants learn to draw a room to scale, select furniture styles, develop a color scheme and develop a poster presentation about the room they select to design.

Any youth ages 9-19 who would be interested in participating are invited to attend. Adult volunteers are also needed to assist 4-H Housing, contd. on page 3

Johnny Johnson's family fulfills lifelong dream

First Baptist pastor, son ride bicycles across Oklahoma panhandle

JOHNNY & TYLER JOHNSON at OKLAHOMA STATE LINE

What started off as a dream many years ago ended with an exciting adventure for the Johnson family. It began many years ago when Nora Johnson, mother of First Baptist Church pastor Johnny Johnson, told family and friends that came to visit in their Perryton, Texas, home that you could walk across Oklahoma from their residence. The plan went from saying it could be done to 'she would do it someday.'

That day came on the weekend of May 14-16, 1999. She and her daughter, Laura Reihm, also of Perryton, took the weekend to walk across the Panhandle of Oklahoma, also known as 'No Man's Land' - 35.7 miles!

To add to the adventure the Johnson family of Knox City also participated. Johnny, along with his seven year old son Tyler, took two days to ride bikes across Oklahoma. Janet and Braden also participated by following behind in their pickup, flashers going for safety. The two also served as

JOHNNY, TYLER, BRADEN & JANET AT KANSAS LINE

encouragement to the weary twosome.

The family started out at the Oklahoma state line May 14. They spent the night at Beaver Motel in Beaver, Oklahoma.

Finishing the trip on Saturday, May 15, the family reached the Kansas state line about 5:00 p.m.

The Johnsons reported a good time and remembered several basics of life along the way:

1. God takes care of His people wherever they are.
2. Families stick together and encourage each other.
3. If you set a goal - try your best to do it.
4. It is good to be in God's world and see His creation.

The Johnsons have no plans to make the trip again, but the memory will last a lifetime.

Tiffany Jobe honored as double winner in English and Science

The United States Achievement Academy has announced that Tiffany Jobe of Knox City has been named a United States National Award Winner in both English and Science.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes fewer than 10% of all American high school students.

Tiffany, who attends Knox City High School, was nominated for this national award by Pat Risinger, English teacher; and Bob Collins, Science teacher.

Tiffany will appear in the United States Achievement Academy Official Yearbook, which is published nationally. Tiffany was also awarded the Top Student at KCHS in Algebra I, Speech and Word Processing.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winners should be congratulated and appreciated for their dedication to excellence and achievement," Dr. George Stevens, Executive Director of the United States Achievement Academy, said.

The Academy selects USAA winners upon the exclusive recommendation of teachers,

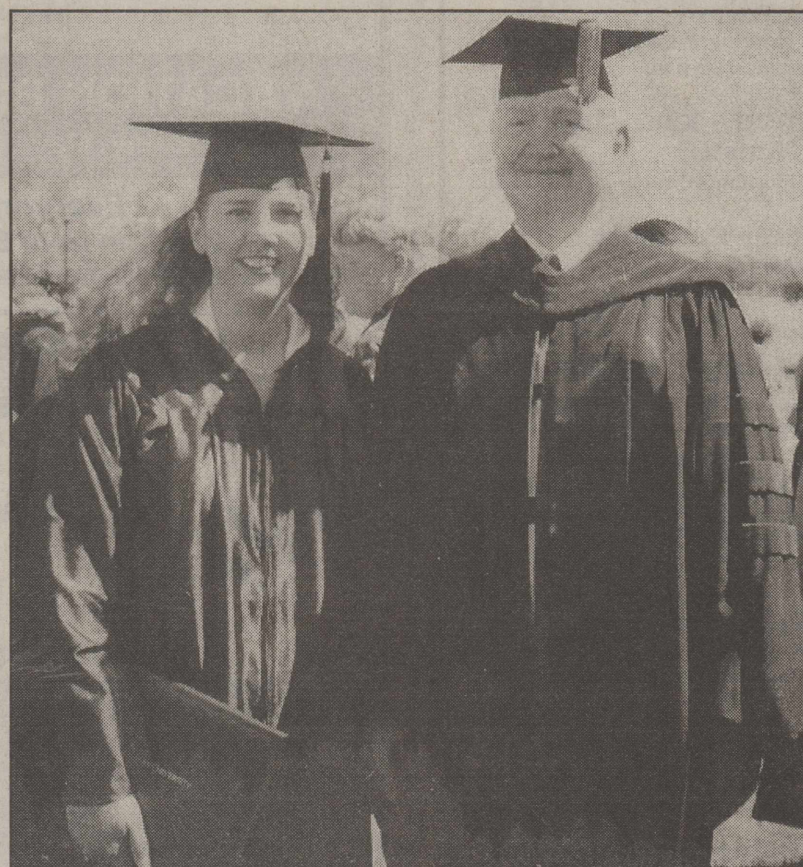

TIFFANY JOBE
National Award Winner

coaches, counselors, and other qualified sponsors and upon the Standards of Selection set forth by the Academy.

The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

Tiffany is the daughter of Jim and Tammie Dillon of Knox City. Her grandparents are Charles and Gloria Durham of Knox City and Dorman and Iva Dillon of Fort Worth.

RECEIVES MCMURRY DEGREE - Jacy Dillon graduated from McMurry University on Saturday, May 8, 1999, with a bachelor of science degree in multidisciplinary studies III. Shown with Jacy is Dr. A.C. Sharp, who retired from the McMurry Physics Department after 30 years of teaching. Jacy is the daughter of Jim and Tammie Dillon and Melanie Dillon. A.C. is the son-in-law of Aleene Waldrip of Knox City. (Courtesy Photo)

KCCC scramble results from Thursday, May 20

The team of Keith Early, Sammy B. White, Johnny Willis and Shannon Willis took first in the Thursday, May 20, scramble at the Knox City Country Club. Score on nine holes was five under par at 30.

Second place went to the team of John Gillespie, Jerry Don Garcia, Scooter Thompson and Anne Underwood, at three under par 32.

Two teams tied for third at 34, one under par, the team of Truman Dill, Gene Denton and Esther Conn; and the team of Jerry Carver, Jean Carver and Wes Powell.

O'Brien student council elects officers for 1999-2000

By Lindsey Villa, Reporter
This Tuesday, May 18, 1999, the O'Brien Mid-School Student Council of 1999 had their first meeting. See O'Brien Student, page 3

KC Elementary first in District UIL

Knox City Elementary was the big winner in the Spring UIL Literary Meet held in Spur.

Knox City finished first with 668.1 points followed by Munday with 560.8. Paducah was third with 350 and Spur was fourth with 242.

Winning for Knox City were : Creative Writing 2 - Brockett-1st place - Jordan Carter, 3rd place - Samantha Esquivel;

Ready Writing 3 - Kight - 1st place - Laura Harrington, 5th place - Jessy Schur;

Art 4 - McGaughey - Tiffany Wilde, Katelyn Railsback,

Bridgett Billington, Emily Lewis,

Ebony Thompson, Cody Wain-scott, first place team - Knox City;

Number Sense 4 - Delgado - 1st - Bridgett Billington, 2nd - Brandon Grimsley, 4th - Tiffany Wilde, first place team - Knox City;

Spelling 3 - Collins - 4th place - Orrin Myers, 5th place - Laura Harrington, 6th place - Candace Carver, second place team - Knox City;

Spelling 4 - Collins - 4th place - Bridgett Billington, 5th place - Tiffany Wilde; second place team - Knox City.

O'Brien Mid-School first in District UIL

O'Brien Mid-School tallied 648.3 points at the Spring UIL Literary Meet in Spur. Paducah was second with 560.3 points. Munday finished third with 304 points and Spur had 90.3.

Eighth grade enjoys lesson on 'manners', lunch

By Kayla DelValle

The eighth grade class of 1999 recently had a luncheon at the Knox City Community Center. At the beginning of the year, we learned about table manners. Mrs. Burnett and a lot of our parents put together a brisket lunch as that we could practice what we learned.

The tables were decorated with white paper with red and blue metallic streamers down the center. Each table had red place cards, plates and cups. In the center of each table was a vase of white daisies. The meal included: brisket, beans and baked potatoes. Dessert was German chocolate cake.

Mothers helping serve and set up included: Sharla Carver, Sherry Turner, Marla Hawkins, Laurie Johnson and Dorthy Harrison. Those who helped with food preparation were: Ed DelValle,

EIGHTH GRADE members of Judy Burnett's class recently had a luncheon at the Knox City Community Center to complete their lesson on table manners. Students had a chance to 'practice' what they learned besides enjoying a delicious meal. (Courtesy Photo)

Diane Stewart, Dorthy Harrison, Melissa Stanfield and LaUna Hester.

The eighth grade class would

like to give a big THANK YOU for all your time, effort and support. Without you, it couldn't have been done.

Benjamin news

By Gladene Green, Benjamin Correspondent

Beginning the last full week of May finds things pretty busy over here at the "county seat". Baccalaureate for the seniors was Sunday night at 7 at the First United Methodist Church. The program was as follows: processional - Judy Ichtertz, Invocation - Misty Ham, Introduction of Speaker - Gina Bolanos, Address - Father Kevin Fagan, pastor - Santa Rosa Catholic Church, Knox City and St. Joseph's Catholic Church in Rhineland; Benediction - Hardy Coffman and Recessional - Judy Ichtertz. A reception followed in the fellowship hall of the church.

Kim Miller Graduates - Kim Cash Miller of Levelland graduated Friday, May 14, from South Plains College with an associate degree in nursing. Kim received an award for being the top student in medical surgical out of a class of twenty students. She is currently employed by University Medical Center in Lubbock in the Level 1 trauma center.

Kim is a 1988 graduate of Benjamin High School and is the daughter of Freddie and LaNay Cash, who now reside at Gilliland. Her grandparents are LaMoyn and Christine Patterson of Benjamin and Jim and Edith Cash of Crowell.

News of our ill varies this week. Bill and Pearl Ryder still don't feel like getting out. He's had several pretty good days but Pearl is still in quite a lot of pain after her recent fall. She's going to a specialist as soon as she can get an appointment for further testing, and hopefully find out why she is so uncomfortable. Tests and x-rays so far show no broken bones but they feel there must be a fracture somewhere. We surely hope she can get back to feeling better soon.

I talked to Debra Moorhouse Tuesday. She was feeling pretty well at the time we were talking and said she feels pretty well at times and not so well at times. Will have one more chemo treatment before she goes back to Houston in a couple of weeks. Of course, we wish Debra well with her trip to Houston.

Bonita Pyatt returned to her home in Plainview Saturday after several days stay and surgery in Houston. She will undergo two weeks therapy

in Amarillo and maybe after that, she will feel back to normal. If you want to send Bonita a card, mail it to her home address: Bonita Pyatt, 2614 W. 18th, Plainview, TX 79072.

My sister, Maxine Nelson, who lives in Fort Worth finishes her chemo treatments in a couple of weeks and then will begin a series of radiation treatments. Five weeks - one a day - until completed. We are hoping and praying for a good report after the treatments are done.

Senior Supper - On Wednesday evening, the Baptist Church honored our graduating seniors with a supper and short devotional following. The menu was lasagna, salad, tea and lemon custard cake. Six of the eight graduates attended as did Supt. Ben Grill. Attending were Clint Horne, Tyler Carroll, Hardy Coffman, Misty Ham, Jacy Collins and Jesse Grimaldo. Absent were Gina Bolanos and Lacy Mayo.

PTO Picnic - The annual PTO family picnic was held Monday night at the school. Each family brought food and the pot luck meal was enjoyed by many parents, students, teachers and friends. Grade school athletic and UIL awards were presented by various teachers. The officers for the coming year are President - Connie Shaw, Vice-President - Stacia Propps and Secretary - Treasurer - Laura McCanlies. The PTO voted to install four ceiling fans above the bleachers in the gym. Hopefully, before school starts - That's good news as it does get hot and stuffy in there during volleyball and basketball games and other activities that take place in the gym.

Jr. High cheerleaders for the next year are Ashley Bufkin, head cheerleader; and Jessica Zavalas, Jessica Moorhouse and Maria Acevedo.

Awards Banquet - The high school awards banquet was held Tuesday night at the Memorial Building. Various UIL presentations were made to high school students. The Ricky Carver Fighting Mustang Award was presented to Jacy Collins and Tyler Carroll. The 'Lady Stang' Award also will be shared. It went to Elizabeth Hostas and Mica Larned. Also FFA and FHA awards were given.

The high school cheerleaders for

the coming year were also announced. They are Carmen and Sandra Acevedo, Elizabeth Moorhouse and Elizabeth Hostas. Jessica Shaw will be the mascot.

Here 'N There - Jane Gideon spent several days last week with her daughter and family, Sue, Dave and Summer Terry in Dallas.

Reba Morrill of Humble visited her mom and sister, Odessa and Linda Cox and her father-in-law, Don Morrill, several days last week. Randolph and Betty Barnett of Alvin were here a few days last week to visit his aunt, Imotene Barnett. They have purchased some lots here - the ones south of me, previously owned by Bobby Brannan) and will be putting a house on them. They will retire in about a year and are looking forward to moving here and we certainly are anxious for them to get here.

Diahandra Grill is home for the summer, a break in her "studies" at the University of Texas.

Betty and Roger Bohannon spent the weekend with her parents in Dumas.

Lewis and Betty Lyles were in Oklahoma City the first of the week for him to see a doctor. He has a lot of trouble with his hip but no surgery is planned. Think it's due a lot to arthritis. Lewis and Betty visited their daughter Judy Robinson and family in Sherman Friday and Saturday.

Jimmy and Michele Barrientez of Lubbock visited homefolks during the weekend.

Brenda Larned was in Childress several days last week as her father was a patient in the hospital there. He was supposed to be released on Friday and was feeling much better. He lives in Wellington. I was in Childress Tuesday for the first birthday party of my great-granddaughter, Baylee Taylor. Deann Lamb went with me and attended the party, also.

The "workday" at the Cemetery found several of us out there doing "odds and ends". Got quite a lot done but still have a little more to do. May have to wait 'til fall as it got pretty warm before we quit.

Remember to send your donations to Jo Cartwright - treasurer of the association.

Benjamin 5th, 6th grade news

Benjamin 5th Grade News by Zachary Shaw

Benjamin's 1999 5th grade class this year was Tomas Acevedo, Cassandra Lyles, Kevin Porter, Shaylee Propps, Zachary Shaw, Margaret Siemens and Christina Zavala. This year we did very well in UIL. In Dictionary Skills our team got 2nd place, Kevin - 1st, Zach - 6th, Maps, Graphs and Charts: Team - 3rd, Kevin - 2nd, Oral Reading: Tomas - 6th, Shaylee - 3rd.

Our fall festival play this year was about the 70's. We wore bell bottoms and other 70's clothes. Our play was very entertaining and a lot of people came to watch it.

We worked very hard this year on TAAS and it really paid off. We all did well. Three of us received Academic Recognition. Miss Chambers was very proud of our hard work this year.

This six weeks in Accelerated Reader our reading goals are pretty high, but I think we can get them if we try hard. Our class goal is 220 points for the last six weeks.

Last week we went on a field trip to have some fun outside of school. Benjamin 6th Grade News by Maria Acevedo

The Benjamin 6th grade class of 1999 consists of Maria Acevedo, Matthew Cartwright, Seth Kuehler, Jessica Moorhouse, Chance Propps and Nancy Siemens. We have improved a lot this year. This year we have been getting awards called Grand Slams. These are passes you may turn in for work. You have to get 3 100s in a row to earn one. Altogether, we have 61 for the year.

This year was have also had an Accelerated Reading program that we have all done really well on. So far our class has earned 1620 points this year! Jessica has the most points from our class. She earned 732 this year! After reading a book we can take a test on the computer, which earns us points. The points we get from our tests are then converted into fake "Book Bucks". After getting our money, we get to go to our AR store which the teachers have so nicely provided for us.

In UIL this year we did really well. In Dictionary Skills our team got 1st place and Jessica-1st, Chance-2nd and Maria-4th; Listening Skills our team got 1st place and Jessica-1st, Maria-2nd; Maps, Graphs & Charts, our team got 1st place, Jessica-1st, Chance 3rd and Maria-4th; Number Sense team got 3rd place, Nancy-4th, and Chance-6th; Poetry-Jessica got 3rd and Change got 4th and Seth did really well. Our Spelling team also got 1st place, Jessica-1st, and Chance-4th; Ready Writing, Jessica-1st and Matthew, 4th.

In TAAS this year 6th grade had 100% pass. We also had 5 students master all objectives on both the reading and math portions of the test. This year we had an excellent teacher to prepare us for the TAAS test. If it weren't for her we don't know what we would have done. She was a big help and we are very thankful that we have had her as a teacher. We have been with Miss Chambers for two years now and we will miss her a lot. We are going to miss 6th grade but we'll always remember it was the Bomb !!

A 'bulldog' Thank You
The O'Brien Middle School 8th grade graduating class of 1999 would like to express our thanks to all the parents who worked so hard to make the graduation, reception, and dance last Friday night such a success. We would also like to thank everyone who donated prizes, and those parents who collected all the prizes, they were great !!

We have the pipe, fittings, plumbing supplies, PLUS professional advice, for "do-it-yourselfers," when you make your purchases, here. Guinn Sheel Metal & Plumbing 658-3341 911 East Main Knox City, Tx

The Solomon Company is marketing brakes for skis. It advertises, "Without control, there can be no freedom." That's true with us. Lawlessness doesn't lead to freedom, but to fetters. Man was meant to be free. He enjoys his greatest freedom when he serves God. Mastered by God, he's the master of himself. Not mastered by God, man's a slave to his sins - held by the habits which were begun in the search for freedom. That's why George Matheson wrote, "Make me a captive, Lord; and then I shall be free. Force me to give up my sword, and I shall conqueror be."

County 4-H'ers are second at district contest

Knox County 4-H members traveled to Possum Kingdom Lake near Graham on Saturday, May 8, to participate in the 4-H Range and Pasture Grass Identification contest. The four member team of junior 4-H members came away with second place honors in the 25 county Rolling Plains District.

Team members were J.C. Chappell, Knox City; Jordan Lowe, Munday; Kiel Rowan, Knox City; and Vanessa Solis, Knox City. Kiel was also fourth high point individual in the contest.

The Range and Pasture Grass Identification contest involves identifying and classifying 40 mounted grass specimens according to their life span, season of growth, origin and grazing value for livestock and wildlife.

Coaching this team was Rudy Esquivel, Assistant Manager of the USDA Plant Materials Center at Knox City. Others from Knox County who attended were Judy Lowe, Samantha Esquivel and Jane Rowan, County Extension Agent for Family & Consumer Sciences.

4-H is the youth development

WINNING SECOND PLACE, out of the 25 county district, at the 4-H Range and Pasture Grass Identification contest held May 8 at Possum Kingdom Lake were front row, from left, Vanessa Solis, J.C. Chappell and Kiel Rowan, all of Knox City; and back row, from left, Rudy Esquivel, assistant manager of the USDA Plant Materials Center in Knox City, who served as coach; and Jordan Lowe of Munday. (4-H digital photo)

and leadership program of the Texas Agricultural Extension Service, a part of the Texas A&M University System.

For more information about the 4-H program, contact the Knox County Extension office at 454-2561.

Educational programs of the Texas Agricultural Extension Ser-

vice are open to all citizens without regard to race, color, sex, disability, religion, age or national origin. Individuals with disabilities who require an auxiliary aid, service or accommodation in order to participate in a meeting or program are encouraged to contact the Knox County Extension office at 940-454-2651.

O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"A Certain Age - On my birthday my wife asked me, "Honey, do you feel 42?"

"No," I said, "I don't even feel like I should be in my 30s."

"Well," my wife replied, "I guess you're as old as you feel."

At this, our 12-year-old son, who had been listening intently, interrupted "I feel 16," he said. "Can I borrow the car?"

Here and There - The Senior Citizens from O'Brien Baptist Church who attended SENior Day at Lueders Encampment late Tuesday were Bro. Bill and Evelyn, Orval and Helen Manning, Delbert and Norma Hayes, Demp and Hazel Emerson, Marilyn Talbot, Bernice Rowan and I. We all enjoyed a good day of fellowship, preaching, laughing and good food.

Delbert and Norma Hayes were in Old Glory Saturday night at

tending the Fourth Saturday Night musical. There were lots of people, lots of good music, and enjoyed by all attending.

Shawn Hughes and a friend of Lubbock came by and visited with me a while Saturday afternoon.

Marvalene Lancaster and Jean Gibson of Springtown visited their day Marvin Manning in the care home and J.O. and Charlene Brothers over the weekend.

Guests of Eddie and Claudia Bryant last week were Winfred and Nina Arp, Josh Arp, and Suezanna Wade, all of Levelland; Amy Arp and friend Whitney of Abilene and Cecylee Camille Hicks, granddaughter of Hawley.

Juanita Powers, Belle and Carol Lee Duncan of Aspermont all visited Billie Walker last week and they went out and enjoyed a good meal and lots of visiting.

Demp Emerson was in

Mulshoe today (Monday) to attend the funeral for his sister, Mattie, who was in her 90's and had lived a good life.

Visiting with Edrie Barnard last week were Rebecca Deck, Doug and Tracy Farr of Odessa, Melissa Barnard and Payton and Christy Tankersley of Knox City.

O'Brien Baptist Church will be having VBS beginning Monday, May 31. All children sixth grade and under are invited to attend. It will be from 6-8 in the evening.

Visiting Beatrice Ellis the past week were Vondel Reynolds, sister, from San Pedro, California; her daughter, Gay Mayes from Arlington; and Vondell's granddaughter, Mandy Mayes of Arlington; and Sammie Murry, Beatrice's daughter, from Plainview.

"God is the silent partner in all great enterprises." - Rich Palma

Keeping an eye on Texas

Texans remember veterans

Memorial Day, May 31, is more than a long weekend. It is a reminder of the tens of thousands of Texans who gave their lives in America's wars this century.

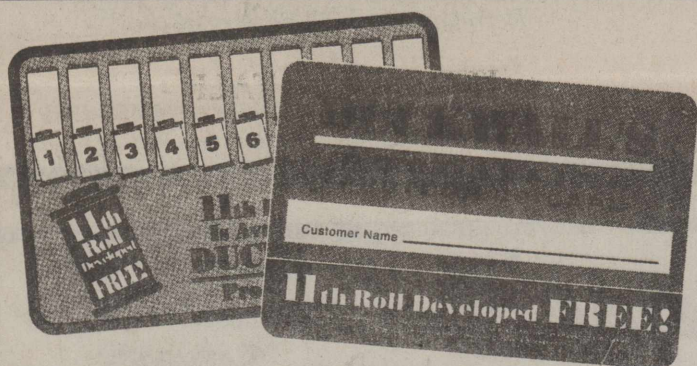

Texas war casualties

World War I	1,729
World War II	14,248
Korea	1,718
Vietnam	2,769
Persean Gulf	16
TOTAL	20,470

A Golden Time

Brazos Valley Care Home
658-3543

605 Avenue F, Knox City

TB is becoming an increasing problem. TB infections has been increasing at a rate of about 20% in the U.S. since 1985. A National Institute of Health report says, among some segments of the population, the TB rate is higher than among the world's poorest nations.

More than 10,000 AARP members responded to a poll on age discrimination in the workplace. More than 2/3 said they had left work under duress due to age.

Legal Notice

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT
 Hunt Oil Company, Fountain Place, 1445 Ross at Field, Dallas, Texas 75202-2785 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas. The applicant proposes to inject fluid into the Canyon Sand, Twin Peaks, Strawn Lower, and Strawn 5400' formations in the S.B. Burnet Estate Lease Well No. N-26. The proposed injection well is located 17 miles southeast of Guthrie, Texas in the Anne Tandy (Strawn 5400) Field, King County, Texas. Fluid will be injected into strata in the subsurface depth interval from 3860' to 5342'.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, P.O. Box 12967, Capitol Station, Austin, Texas 78711-2967 (Telephone 512/463-6792). 5-27 ttc 198

To all the teachers and staff at O'Brien Middle School

The O'Brien Middle School 8th grade graduating class of 1999 would like to express our thanks to everyone who works at O'Brien Middle School.

From all of our teachers and administration staff to the maintenance men and cafeteria ladies, each of you have played an important role in making this year one that we will always remember.

From each member of the O'Brien graduating class of 1999, our sincere thanks to everyone who helped us through our four years at O'Brien Middle School.

From the 8th grade class at O'Brien Middle School

Fund started for local woman's brother

A fund has been established for Jimmy Ray Stinnett, brother of Doris Ward of Knox City, who underwent a heart transplant Tuesday morning at Baylor Hospital in Dallas.

According to Pat Young, who is the organizer for the fund, his wife has had to quit her employment for the time; and the couple have two small children.

Donations may be made to the Jimmy Ray Stinnett transplant fund at Citizens Bank or they may contact Pat Young.

Stephanie Conner Brannan receives TTU nursing degree

Stephanie Conner Brannan, a Benjamin High School graduate, received her bachelor of science degree in nursing from Texas Tech University Health Sciences Center Friday, May 21, at the Lubbock Memorial Civic Center.

Stephanie is the wife of Bobby Brannan, the daughter of Keith and Pam Conner of Big Spring and the sister of Casey Conner.

She is the granddaughter of Bud Conner of Benjamin, the late Von Conner, and Jack and Charlotte Coker of Rule.

Stephanie is the great-granddaughter of Hazel Stockton of Benjamin, Mr. and Mrs. Charles Flippo of San Angelo and Mr. and Mrs. G.W. Shultz of Mosca, Colorado.

A host of relatives and friends enjoyed both lunch and dinner in the Brannan home.

Attending from Benjamin were Hazel Stockton, Bud Conner and Katrine King.

Controlling Broadleaf Weeds in Soybeans

This time of year many soybean growers in our area will begin experiencing problems with a variety of broadleaf weeds, especially morningglory, pigweed and cocklebur. Finding an easy-to-use postemergence herbicide that eliminates weeds fast can help take the

hassle out of weed control, as well as reduce competition for valuable nutrients. Also, a good postemergence herbicide can effectively control weeds without harming soybeans, which helps increase yield potential. The right herbicide for the job should:

- offer effective broad-spectrum weed control
- be gentle on soybeans
- be easy to use.

REFLEX® is a selective, non-ALS post herbicide that fits these criteria. The herbicide controls or suppresses 50 tough broadleaf weeds in only one application, which saves valuable time. Because Reflex is a non-ALS herbicide, there are no weed resistance problems. The herbicide works well on most species of morningglory. And for grass control, Reflex easily tank mixes with FUSION® or FUSILADE® DX® herbicides. Although tough on weeds, Reflex is gentle on soybeans. Research indicates Reflex has one of the lowest phytotoxicity levels among broadleaf herbicides. This means there is less leaf burn and stunting, which could improve yield potential.

Plus, Reflex is easy to use and works quickly. The herbicide works equally well in conservation or conventional tillage situations and narrow or wide rows. Best of all, Reflex is absorbed on contact and its effects can be seen in one to three days.

For excellent weed control without harming your crop, rely on Reflex herbicide.

Contact your local ag chem dealer for more information about Reflex.
