District courts issue four prison sentences

In four of 50th Judicial District courts

Last week saw action on the criminal docket in three of the four district courts in the 50th Judicial District including four prison sentences, according to District Attorney Bill Neal.

Tuesday in the Baylor County District Court, Earnest Minor, 43, of Seymour, plead guilty to Burglary of a Habitation and received a 10-year prison sentence from District Judge David Hajek. He was represented by Haskell attorney Andrew Ottaway.

Willie James Irvin, 66, of Wichita Falls, plead guilty to felony DWI, and pursuant to a plea bargain agreement with the State, he was sentenced to 10 days jail time, fined \$500.00, had his driver's license suspended for a year and then placed on felony probation for a three-year period. He was represented by Frances Lowenfeld of Wichita Falls.

District Attorney Neal had filed three motions to revoke probation in the Baylor District Court and all were called for a hearing. Julianne Dickson Decker, 34, of Munday, represented by Bill Heatly Jr. of Paducah, failed to appear when her case was called. Judge Hajek ordered a forfeiture of her bail bond and that a warrant for her arrest be issued.

Christina Hardamon, 31, of Vernon, who had been placed on probation for forgery, pled guilty to possession cocaine while on probation. Her probation was revoked and she was sent to prison system's state jail facility for two years.

Bobby Peoples, 20, of Seymour, on probation for Burglary, plead true to several violations of his probation. Judge Hajek revoked his probation and sentenced him to 10 years in prison,

but ordered that he first be sent to the prison's boot camp facility.

On Wednesday, in the Knox County District Court, a sentencing hearing was held for David Castillo, 44, of Austin. Castillo had previously been tried in the Knox County District Court and found guilty of conspiring to deliver cocaine and doing so while engaging in organized criminal activity. Castillo, represented by Austin attorney Neil Kucera, was the last of 10 criminal defendants who were caught up in an undercover sting operation in the Munday area in the fall of 1999 involving the North Texas Drug Enforcement Task force, the Munday Police Department and the 50th Judicial District Attorney's Office. All 10 were either convicted of drug offenses or plead guilty to drug offenses as a result of the sting operation. Two 20-year sentences, one 15-year sentence, two 10-year sentences resulted from the ensuing prosecution with the other five defendants, who had lesser roles in the drug activity, receiving various probated sentences, according to District Attorney Neal.

Castillo and Frank Masias Jr. both of whom were tried for the same drug offenses, found guilty and both sentenced to 20 years to do in prison, gave notice of appeal. Frank Masias Jr., 33, of Austin, was represented by Abilene attorney Shane Deel.

Also Wednesday in the Knox County District Court, Jamey Walley, 26, of Azle, Texas, pleas guilty to tampering with evidence and was assessed a 10-year probated sentence and fined \$500.00. Walley plead guilty to helping another defendant set fire to and thus destroy a van in an effort to

prevent officers from discovering a methamphetamine lab inside the van.

Thursday in the Cottle County District Court, James William Harrison, 36, of Paducah, plead guilty to a felony DWI indictment.

In a plead bargain agreement with the state, District Attorney Neal recommended to the court that he be sentenced to 10 days jail, fined \$500.00, have his driver's license suspended for a year and then placed on felony probation for five years.

Judge Hajek accepted the state's recommendation. Harrison as represented by Steve Bird of Childress.

Betty Ruth Polk, 36, of Paducah, the last of the Paducah drug sting operation defendants, was arraigned on three felony indictments for cocaine offenses. She pleas not guilty, and Judge Hajek set her down for trial on Tuesday, February 20, 2001, in the Cottle County District Court. Polk is represented by Haskell attorney Andrew Ottaway. The undercover sting operation was accomplished through the combined efforts of the Texas Department of Public Safety officers of Lubbock, the Federal Drug Enforcement Agency, also out of Lubbock, the Cottle County Sheriff's Department, local DPS Troopers and the 50th Judicial District Attorney's office.

Polk's prosecution had been delayed, Neal explained, while the state waited for Polk to be released from the prison system where she was serving a felony sentence for Unauthorized Use of a Motor Vehicle.

CELL TALK

 Dealer For
 Knox City

Introduction

While appearing in a column format, this article is a paid advertisement that will appear periodically to discuss topics that pertain to cell phone use and to pass on new information about service, products and accessories.

New bills!

The long awaited new CELLULARONE monthly statements have arrived and we have been receiving a lot of calls as a result.

While the new format is much easier to read and understand, there were some minor problems that have caused some local concern. Some of the bills have calls to Ft. Myers, Florida, when they were local calls made within this area. If you have any calls on your bill that are to Ft. Myers, Florida, look at the number itself. It will probably be a local number, but the area code will show 941 instead of our area code, 940. This was some type of a computer glitch and a customer service advisory has been issued to the people who work in customer service and answer your calls. If you have any of these calls showing up on your statement, just call the toll free number on your statement and let the representative know in order to have the credit issued.

Another item of concern to customers lately is the timing of the bills. Yes, they are very late, but you will not be charged a late fee if you send the payment in as soon as possible after you receive your statement. The delay is part of the new computer changeover that happened nationwide during the last week of December and the first week of January. While CELLULARONE was trying to work out all the kinks in the new computer system, the bills were delayed. The bills you have received in the past few days are for the December 15 - January 15 billing period. You should receive the statement for the January 15 to February 15 billing cycle in a more timely fashion, probably during the third week of this month.

I hope this explains some of the confusion. If you need any further information, please do not hesitate to call us at 940-658-3142.

New Plans

Here is a little advance notice for our customers: On February 20, there will be two new rate plans released that are ideal for those customers who travel a lot. Both plans feature no long distance charges and no roaming charges anywhere in the continental United States. That means you can use your phone anywhere in the country and you will not pay long distance or roaming charges. Alaska and Hawaii are not included. These new plans require the use of a dual mode phone that will accept either analog service (like we have here) or digital service (used in other areas of the country). We have several models of those phones available right now and keep a good selection in stock. So, if you travel..... COME SEE US !!

O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"As a resident physician in radiology. I was speaking with a man whose wife was about to receive a CAT scan of the chest.

While the nurse was placing the intravenous line, I asked the husband if his wife had undergone any other tests. The man named several procedures involving various body parts, but he couldn't remember one particular test.

Thinking out loud, he said, "What is that thing women have that men don't?"

His wife was quick to answer, "A brain, dear."

Here and There - Jerry Rowan and wife of Denton came by and visited with Jerry's mom Bernice Rowan on their way to Lubbock

to visit their daughter, a student at Texas Tech, over the weekend.

We've had a number of people in and out of hospitals this week. Bro. Trice spent one night in hospital at Knox City, Adelle Herring two nights at KC and Clara Hanson was dismissed on Saturday.

Charlene Brothers had shoulder surgery at Hendrick and returned home Sunday doing good.

Claudale and Jean Barnard were in Lubbock last week for Claudale's doctor's appointment.

Kevin Urbanczyk of Goree and Claudia Reid of Rochester visited Adelle Herring Sunday.

Spending a few days with Bro. Bill and Evelyn Trice was their daughter Trenda of Weatherford. They enjoyed a visit.

Billie Walker was in Amarillo to help celebrate her daughter, Julie Sanders, birthday. While there she visited daughter, Laura Wade and husband David and Annie Sanders.

Spending the day with Dwight Gothard Saturday were his son Paul and grandson Courtney of Blackwell. They did some tree cutting while here.

Visiting Beatrice Ellis for a few days were her daughter Sammie and husband Grady Murry of Plainview and daughter Sandra Childress of Ozona and son David of San Angelo.

Donnie and Diane Roberts and daughter Angelia enjoyed a week-end visit with their grandson, Tyler of Haskell.

Attention Subscribers:

In an effort to help us alleviate unnecessary expenses, we would like to remind our subscribers to please notify us immediately when your address changes. While the post office will forward your newspapers for a while, they will eventually cease to do so, at which point they send them back to us. When that happens we have to pay the postal service 60 cents per copy for each newspaper returned to us. In many cases this may be the only notification we get with the subscriber's new address, and, at this point, you will have already missed several issues, and we are out the extra expense of mailing the paper initially plus the expense of having it returned to us.

Please make sure we have the complete and correct address for all subscriptions including your subscriptions purchased for friends. When they are returned for an insufficient address we are required to pay 60 cents per copy for each returned newspaper.

We appreciate your business, and we try to do our best to keep all subscription information updated as accurately as possible. Your help will help us serve you better. Thank you.

Benjamin news

By Gladene Green, Benjamin Correspondent

It's cloudy this Monday morning and another chance of rain. We're just now drying out from the last "spell" but looks like we could be in for more. We'll see.

Concerning our ill friends, Lucy Mings continues to make progress since her recent stroke. She's in the Seymour Hospital but will be coming to Munday to the nursing home the last of this week for continued care and physical therapy.

Jacob Siemens spent a couple of days this week in the Knox County Hospital with pneumonia. He's home now and feeling pretty well, tho still a little weak.

Clint Jones has been on crutches a few days, the result of his horse falling with him and he got a broke ankle out of the deal. He's been pretty close to home for several days and I bet is anxious to get back to his regular routine. Best wishes to him and everyone with problems of any kind.

My sister, Maxine Nelson, is once again in Harris Hospital in Fort Worth. She has so many problems and it seems when one gets better another worsens. She had a very bad day Saturday but had improved some on Sunday.

Betty Lyles was able to be in church Sunday. She has been "housed in" except for going to the doctor for tests, etc. but is feeling better and hopefully on the way to more pleasant days.

Pancake Supper Planned - The Benjamin Volunteer Fire Depart-

ment will have a free pancake supper next Monday night, February 19 at 5:30 p.m. at the Memorial Building. This is an appreciation meal for all the support given the department over the years. Again there's no charge - so plan to be there for supper and visiting, Monday, February 19, 5:30 til everyone's had their fill of pancakes and all that goes with them.

Ball News - We're all very pleased over here with our basketball teams season and now it's playoff time. The boys captured the district title last Tuesday night by defeating Rochester and with Rule's loss to Paint Creek. The next game will be Tuesday, February 20, in Merkel against Throckmorton at 6:30 p.m.

The girls are second in district and will play in Merkel tomorrow (Tuesday) night. They will be playing Throckmorton at 6:30 p.m. Best wishes to both these teams.

Here 'N There - Sarah Blackstock and Joseph of Mesquite spent the weekend with her parents, Larry and Gaye Neal.

Joy Yancy of Lakeside City and Frieda Bricky of Weatherford visited Jane Gideon and other relatives during the weekend.

Lynn Moorhouse of San Angelo State College visited family and friends during the weekend.

I attended the burial services for Bobbie Kinnibrugh of South

Plains (near Floydada) at Truscott Saturday afternoon. Bobbie was a sister of Sybil Simmons of Gilliland. She passed away Thursday in Methodist Hospital in Lubbock after about a week's illness. My sympathy to Bobbie's family.

Sean and Mary Widmer and Hannah of Argyle were weekend guests of Mary's parents, Raul and Reyes Barrientez. They were here to honor Raul on his birthday Saturday with a lunch in the Barrientez home. Others on hand for the food and fun were Jr. and Virginia Barrientez and children of Stamford. Also Virginia's sister and her children whose names escape me), Lupe Palacios and family of Crowell and Jimmy, Michele and Caleb Barrientez and Jesse and Gracia Zavalas of Benjamin.

Recent guests in the home of Bobby and Philomae Roberson were Mr. and Mrs. Jerry Timberlake of Brownwood.

Corrine Parrish spent several days last week visiting friends in the Houston area.

Sharon Johnson and Maretha Patterson attended burial services for Susie Norman Thurman at Johnson Cemetery at Munday on Monday afternoon. Ms. Thurman was a distant relative of the Pattersons and was the aunt of our postmaster, Melba Parham, the last of Melba's father's siblings who were reared at Vera. Ms. Thurman lived in Garland at the time of her death.

SEEDS FROM THE SOWER
Michael A. Guido
Metter, Georgia

Driving through snow for the first time, I slipped into the ditch. A truck stopped, and the driver yelled, "Hey, you, let me tell you how to drive on slippery roads."
"Forget it," said his partner. "He doesn't need advice, he needs help."

That's how our Lord feels. He doesn't denounce, He delivers. From what?

Lostness. Without the Lord, you're like a person on the wrong road, the road that leads to death. The Lord will put you on the right road, but He does more than that.

He delivers from loose living. The Bible says, "He is able to keep you from slipping." To trust in the Savior is to travel in safety. I'm trusting. Are you?

A study in the Archives of Internal Medicine maintains that living wills can save about \$60,000 per patient in medical costs. Researchers studied 474 patients who died in a hospital during 1990-92. Bills for those without living wills were three times as high.

Currently only one medical school in the entire country, out of 126, has a full-fledged department of geriatrics: Mt. Sinai School of Medicine in New York.
