## Knox City-O'Brien receives TIF grant in amount of \$50,000 for KCHS campus

AUSTIN - High-tech, dot com, world wide web and surging the net are just a few phrases that can be associated with the technology revolution and have become staples in the daily lives of many Texans.

With the assistance of the Telecommunications Infrastructure Fund (TIF) Board, a state agency that provides funding for Texas public schools, new opportunities to participate in the every-progressing technology of today are now possible.

Students across the state are able to reap the benefits of technology in education. Using TIF grants, schools are introducing students to modern technology including high-speed Internet access and distance learning.

Knox City-O'Brien received a grant award of \$50,000 for the high school campus. This funding will be used to develop new, and expand current, technology infrastructure to provide students with the technology they need to pre-

pare for the digital era.

The TIF Non-Competitive Grant for Texas Public Schools was designed to fund up to date hardware and connectivity equipment, high-speed workstations, Internet access, and / or distance learning equipment so that students may take classes from another school district and / or an institution of higher education.

Additionally, grant funds will be used for technology staff development, including hardware and software training, network training, methodology training, and base level technology training. These grant projects officially begin May 15, 2001.

In an effort to provide equitable funding for Texas public schools, TIF collaborated with the Texas Education Agency (TEA) by coordinating the release of PS9 grant award announcement with the Technology Integration in Education (TIES5) announcement.

Prior to this release, staff mem-

bers from both TIF and TEA met to discuss the functionality and purpose of each grant program. As a result, Texas public school districts will be able to leverage funds from both funding sources thus allowing schools to expand and increase technology capacity.

Since its creation by the 74th Legislature in 1995, TIF has awarded approximately \$592 million in grants to its four constituent groups - public schools, libraries, institutions of higher education, and public, not-for-profit healthcare facilities.

The agency receives approximately \$150 million per year in revenues from telecommunications assessments to disburse over a ten-year period.

For more information, contact TIF at (512) 344-4300 or 888-533-(TIFB) 8432.

Additional information, including the lists of grantees and future grant opportunities, is available at <http://www.tifb.state.tx.us>.

#### Dewhurst announces opening of Alzheimer's wing at both Temple and Floresville State Veterans Homes

AUSTIN-Texas Land Commissioner David Dewhurst today announced the opening of a new 32 bed wing for the care of veterans with Alzheimer's Disease, at both the William R. Courtney Texas State Veterans Home in Temple, and the Frank M. Tejada Texas State Veterans Home in Floresville. Dewhurst said the facilities serve Texas veterans, their spouses, surviving spouses and Gold Star parents.

"I'm so pleased that in addition to around-the-clock nursing care, we can now offer quality care for Texas veterans with Alzheimer's, as well as peace of mind for their loved ones," Dewhurst said. "If you know a Texas veteran who is diagnosed with this illness, please give us a call, and we'll offer to help."

Dewhurst said the newly opened wings are tailor-made for those suffering from Alzheimer's and boast numerous safety features. For example, Dewhurst said, a registered nurse is always on hand, and measures are taken to prevent residents from wandering off and becoming lost. A code must be entered on a push button lock to enter or leave the wings, and devices worn by residents trigger an alert if they leave secure areas.

"We want our residents to receive dignified, state-of-the-art care, and we want them to be safe," Dewhurst said. "There's great demand for homes specializing in Alzheimer's care, and we're delighted to be of service."

Dewhurst said the Alzheimer's wings have their own secure courtyards with eight-foot fences. In case of fire, the wings' main entrances and courtyard gates open automatically. In addition, Dewhurst said, the wings have their own dining and activities areas, and kitchenettes where residents can keep drinks and snacks.

"Texas veterans have given so much to America," Dewhurst said. "They made sacrifices and protected us while they served, and we should protect them when they can no longer care for themselves."

Dewhurst said the Temple and Floresville homes, along with a similar home in Big Spring, and one that will open soon in Bonham, house 160 veterans in spacious private and semiprivate rooms. Dewhurst said each Texas State Veterans Home has an Alzheimer's wing, and residents have access to a broad spectrum of health care services, a comprehensive rehabilitation program, special diets, recreational activities, social services, a library and gift shop.

The Temple home, located midway between Austin and Waco, serves Central and East Texas. The Floresville home, located 30 miles from San Antonio, serves Central and South Texas. The Big Spring home, approximately equidistant from Abilene, Lubbock, Midland, Odessa and San Angelo, serves West Texas and the Panhandle. The Bonham home, which will open late this spring, is located north of Dallas near the Red River, and will serve North and East Texas.

"We still have openings in all our veterans homes, but now is the time to apply for admission, because they're going to fill up fast," Dewhurst said. "I urge my fellow Texas veterans or their family members to call our toll free number at 1-800-252-VETS, or visit our Web site at [www.glo.state.tx.us/vlb](http://www.glo.state.tx.us/vlb)."

**O'Brien happenings**

By Audie Johnston, O'Brien Correspondent

"We had our ten-year-old daughter late in life, long after our two boys were born. She is the joy of my husband's life, but he is self-conscious about being an older father. He likes to jokingly tell people that by the time she graduates from high school, he'll

be in a nursing home. One day she asked, "Mom, you know how Dad always says he'll be in a home when I graduate?" I nodded, expecting some sad question about mortality. "Can I have the car then?"

Here and There - Attending the Saturday breakfast at Methodist Church were Jimmy Johnston, Mutt Ivie, Donnie Roberts, Junior Reeves, Dan Talbot and Bro. Bill Trice.

Visiting John Lippard last week were daughter Nancy and son Mark of Oklahoma.

Marilyn Talbot was in Shallowater last Friday to see her grandson, Derrick, play ball but games were canceled due to rain.

Seems like the ailments around have slacked off, but we need to pray for the Ivie son and daughter, J.J. and Josh. They were on their way to school last Friday but a car rammed them and totaled their car, but they're doing OK.

Beatrice Ellis was in Plainview

to visit one of her late husband Grady's aunts, who isn't doing really well.

Visiting Keith, Jane, Kate and Kiel Rowan and Ivan Rowan and Delma were Ivan's daughter, Gail and husband of Lubbock.

Royce Manning of Abilene spent Saturday with parents Orval and Helen. They visited and talked about the grandchildren.

Bro. Kyle was in Dallas a few days to pick up more of his belongings for his home (the parsonage) in O'Brien.

Kevin Urbanczyk of Goree visited his grandparents, Ranzy and Adelle Herring, last week.

Cliff Banner spent some time with his mother, Billie Walker. Billie's granddaughter, Billie Anne Sanders, also shared a few hours of time in O'Brien, as she traveled from a visit with her parents in Amarillo back to Denton.

Jean and Eugene Jones of Wichita Falls visited with Billie, Cliff and Demp Emerson.

## Texans flying to Australia for mission

A team of Texans are flying to Australia June 29 to assist in a mission project.

The seven member team is led by Dr. H.B. Graves, who lives in Munday. Other members of the team are Lynn Tackitt of Wichita Falls, Jodie Berry of Arlington, Debbie Pankhurst of Munday, Tori Hicks and her daughter, Leslie, now of Houston and Jo Maddox of Knox City.

The goal of the team is to share the Word of God, win lost people to the saving knowledge of Christ, to show that after salvation a person needs to allow Jesus to be Lord of life. They hope to show that there is joy in serving the Lord. Mrs. Maddox said, "we want to see the glory of God burst forth in the church so that people will come and worship, we want to assist rather than lead in the ongoing of the work already going on there."

The team will go to Haberfield Baptist Church in Sydney, Australia, July 1 through 8. She continued by saying there is freedom there to teach Bible in the school system and this team is scheduled to be in three elementary schools, one junior high and one senior high school for programs. They will also travel to a girls private school for chapel and to a boys club for a program. The team will be assisting in all church services, Sunday School, Bible studies, both at the church and in homes.

The team has been promised some sight-seeing especially kangaroo and koalas.

Dr. Graves will be preaching in all of the services and do some Bible services. Lynn, Jodie, Tori,

Leslie and Debbie will be teaching, singing and giving testimonies. Jo Maddox will sing and do chalk talks in each of the schools, Sunday School, older women Bible studies and the girls chapel.

Dr. Graves has a lifelong goal of preaching on every continent. After Australia, he will lack going only to Africa and he plans to go there in two years.

Mrs. Maddox asks for prayer for this team as they go and for those who feel led to help with expenses.

## Local students win '3 on 3' tournament

A group of Knox City youth participated in a '3 on 3' basketball tournament at Crowell on Saturday and won first place in the high school division.

The four youth, Brad Johnson, Kendrick Green, Erik Rocha and Caleb Carver, beat three Crowell teams, one from Quanah, Benjamin and Oklahoma to win the tourney.

Studies in the Am. Journal of the Am. Medical Assn. found that the Alzheimer's Disease drug tacrine does indeed foster cognitive improvements in many patients. However, about 28% of patients taking the drug suffer serious but reversible liver toxicity.

A 1992 study found that seven percent of workers are also caring for an elderly family member at home. Of these, 56% are women and 44% are men.

## Benjamin news

By Gladene Green, Benjamin Correspondent

It was getting pretty day (after having as much rain as we did earlier in the year) when moisture began to fall again! Had nearly 2 inches the last of last week and it's showering again today (Monday). So maybe we'll have a new chance of green vegetation staying around a while longer. If it just won't storm!!

In Hospital - Bobby Trainham is a patient in Covenant Hospital in Lubbock going in on Friday a.m. He is having some pretty serious heart problems and is probably going to have some surgery to repair a valve one day this week. He also has some blockage and right now, it is not known just what treatment will be used. Or if bypass surgery will be performed. His sisters, Joy Jones and her husband Charles of Benjamin and Peggy and Walter Hertel of Munday are in Lubbock with him as well as his twin brother, Billy, who lives there. Bobby does need our prayers as he is in pretty serious condition.

Omitene Barnett remains in the Seymour Hospital but I believe she's feeling better. She hopes to be able to come home in a few days, maybe one day this week. Her niece, Annette Elliott of Dallas, visited her during the weekend.

Bea Parks entered the Munday Nursing Center earlier last week for a short stay while she recovers from a blood clot in her leg. Doctors thought it better to do that than to come home and take a chance of being alone and falling. She lives just behind her sister and brother-in-law, Kenneth and Jessie Roberts, but would still have a certain amount of time by herself. This way, some one will

always be around should she get into trouble.

Bobby Roberson is feeling a little better He's a victim of the shingles and tho I've never had them, I know lots of folks who have and they say that is miserable company. Bobby has been on medication and was to go back to see his doctor today to see what progress he has made. Main thing is he does feel better and that's good news.

Then there's those of us who have sniffles, allergies, arthritis and various other common ailments that make us feel horrible. Let's just pray for each other that we may all get to feeling better!

Methodists Honor Seniors - The Methodist Church honored the 2001 graduating seniors with a Mexican supper last Wednesday night. All the good Mexican food, salad, dessert and drinks were enjoyed by the class and their sponsor and his wife, Dick and Carol Dickson. Also to the pastor of the church, Wes and Anna Holland. As is tradition, the church presented each graduate a Bible. Four of the five graduates attended. They were Christi Phillips, Jessica Shaw, Garrett Favor and Hunter Meinzer. Juli Larned was unable to attend.

High school graduation will be Friday night, May 25 at the Community Center. Jr. High will be Thursday night, May 24, also at the Community Center. Both start at 8 p.m. This Saturday night, May 12, everyone will dress up for the Jr. - Sr. Prom. So you see it's a busy next two or three weeks.

Oh yes - almost forgot - high school baccalaureate will be Sunday, May 20, 8 p.m., Methodist Church in Benjamin.

Here and There - Corrine Parrish spent a few days recently with friends at Franklin as well as other places in that part of Texas. She returned home Wednesday. She attended the funeral of Ernest Beck in Vera Sunday afternoon.

Steve Conner of Colorado City spent Sunday with homefolks.

Carson Bivens of Tatum, NM, spent the weekend with Sharon Johnson and Maretha Patterson.

Jim and Barbara Harris of Sugarland have been visiting her sister, Clodell Duke, a few days.

Lori Bufkin reports that her dad, Freddie Reithmeyer of Crowell, was able to go home Friday after quadruple bypass last Monday in Wichita Falls. He is feeling pretty good and glad to be home and that's good news.

Bud Conner spent Saturday night with his daughter, Kim Moore and daughters in Spur.

Jessie Roberts and Pam Duke were in Lubbock during the weekend for a bridal shower honoring Amanda Terpening, bride-elect of Zeke Duke.

Lucille Moorhouse honored Mike and Debbie Moorhouse Saturday night with a dinner in her home. Besides the honorees and the hostess, those attending were John and Carolyn Moorhouse of Seymour, Tom and Becky Moorhouse, Julie and Tommy Thomas, Gladene Green and Cindy Layton. And also Will Moorhouse.

Don Hertel says that his son, Craig's one act play, placed third at state during the weekend meet. Craig teaches in Lindsey and he has made lots of trips to the higher level competition for several years. We congratulate Craig on his accomplishments.

Thanks to everyone for the tremendous support shown to the band program during Sunday's annual lunch and concert.

To everyone, students and adults alike, thank you for your preparation, serving, cleaning up and your overall effort to make this project the success it was.

A special thanks to Scott Edmonds for auctioning the pies and cakes during the concert. We sincerely appreciate what you did for us!

Without your help this year, success would not have been possible!

Thanks again,  
Mark Tucker
