

FRIDAY NIGHT FOOTBALL: Greyhound defense makes the difference against 2-A Anson Tigers

This Friday's pep rally has been moved up to 2:30 p.m. to allow the football team added travel time

The Knox County News

Greyhounds thrill home crowd with 14-10 win

MAKING A SHOESTRING TACKLE on Anson's #24, Greyhound defender Justin Casillas (20) is shown here with a big stop in last week's game against the Anson Tigers. Other Greyhound defenders shown in the photo are (82) Eric Green, (63) Will Grimsley, (41) Scooter Thompson, (68) Casey Carver, (21) Kendrick Green, and (11) Shawn Speck. Knox City won the hard fought game, 14-10.

TRIPPING UP an Anson running back and preventing a big gain on an end run by the Tigers, is (11) Shawn Speck, shown on the ground in the right side of this photo. Other Greyhound defenders shown swarming to the play are (21) Kendrick Green, (25) Ryne Burkham, (33) Dominique Collier, (24) Riley Spells, (20) Justin Casillas, (64) Caleb Carver, (41) Scooter Thompson, and (63) Will Grimsley.

GREYHOUND QUARTERBACK Sedric Roberson is shown here with good protection by his offensive line as he drops back for a pass to Kendrick Green that resulted in a Greyhound touchdown.

PUNTING THE BALL for the Knox City Greyhounds, Will Grimsley is shown here as he gets off a high boomer during the game against Anson's Tigers at Greyhound Stadium last Friday night.

Last Friday night's defensive battle ends with another Knox City win

The Greyhound's defensive power proved to be stronger than the larger Anson 2-A Tigers last Friday night as Knox City advanced to 2-0 record in the new season by defeating Anson, 14-10.

Playing before a home crowd that filled the stadium to watch the hard fought defensive battle, Knox City's 2001 Greyhounds proved that they have the ability to step up to whatever challenge they face. With Anson being a 2-A school, the 1-A 'Hounds ex-

pected a larger team, but the real physical size of the Tigers could not be realized until the visitors took the field. On the line, Knox City was outweighed in some positions by as much as 50 pounds per player.

Impressed with the performance of his players, Knox City's Head Coach Wayne Hutchinson said after the game "It was a great win for us against an above average 2-A team. Our kids learned to raise our level of play. I am very proud of the character they showed

in rising to that level of play."

Player and unit recognition by the coaching staff after the game included: **Big Play:** Kendrick Green, **Big Hit:** Shawn Speck and Ryne Burkham, **Big Block:** Caleb Carver, **Special Teams:** Will Grimsley, **Scout Team Player of the Week:** T.J. Roberson, **Unit of the Week:** The defense for their goal line stand.

In football action this week, the O'Brien Bulldogs will host Perrin-Whitt on Thursday at 5:00 p.m., the KCHS JV will host Perrin-

Whitt at O'Brien at 6:30 p.m. on Thursday, and the Greyhound Varsity travels to Perrin-Whitt for an 8:00 p.m. kickoff on Friday. All KC and O'Brien fans are encouraged to attend the games and show your support.

Related Game Notes:

Weekly offensive and defensive game stats for the game against Anson are located inside this issue on page 2.

Letter To The Editor

A letter from a concerned parent is also located on page 2.

Achievement fair set in Benjamin Tuesday, Sept. 18 at Ex-Student Bldg.

The Knox County Extension Education Association will hold their annual Achievement Fair on Tuesday, September 18, at the Benjamin Ex-Student Building in Benjamin.

This annual event is patterned after an old time County Fair where participants entered their home canned fruits and vegetables, their best handwork and delicious home baked items. Members of the association bring their entries in on Tuesday morning and judging takes place in the afternoon. At 5:00 p.m. the doors will open to the public for viewing of entries. The public will also have an opportunity to cast their vote for their favorite entry at the fair.

In addition to entries by EEA members, any youth in Knox County may enter items they have made, baked or canned. Entries will be accepted at the Ex-Students Building between 9:00 a.m. and 11:00 a.m. on September 18.

A meal and awards program will be held at 6:00 p.m. At this time "Best of Show" winners, "Sweepstakes" winner and the "Viewer's Choice" award will be announced. Highlight of the days activities will be announcement of the Extension Education Association's "Rookie of the Year" and "Woman of the Year".

The public is invited to attend and see the many entries. For more information contact Jane Rowan, County Extension Agent/FCS at 940-454-2651.

Ainsworth planning hunter safety course

A Hunter Safety Course is set for two weekends, October 6 and 7 and October 13 and 14, at the Knox County Courthouse in Benjamin.

The course will be from 1:00 to 4:00 p.m. each day. A fee of \$10.00 will be charged to cover class materials, according to Ronnie Ainsworth, local game warden, who will be the class instructor.

Anyone born on or after September 2, 1971, or required to take the course and no one can be certified until 12 years of age.

To sign up by September 21, call 658-3359.

Letter to the editor

September 11, 2001

Dear Dave and Stacy,
 The poem "He is Only a Boy" is certainly appropriate for some of the dads/fans in our stands. Each one of the kids on the field or the court has a parent/friend somewhere; and is very proud of that child. It is so sad and embarrassing to hear all the negative comments towards the kids, coaches, and even the refs from these certain fans. Granted, we do not always agree with the refs calls; but some of our fans run it into the ground (like the JV game at Anson on September 6). I am so ashamed of such childish behavior from adults who are supposed to be role models for these kids. Our kids, coaches, refs, and our town do not deserve this kind of behavior. They can hear you out there on the field/court, and it is very discouraging for them. Many times I have heard that Knox City has the reputation of being the most rude and crude in the stands. I am beginning to agree, as I have listened to it going on four years now. This does not speak well for those who are to be supporting our kids in athletics.

There has also been negative comments heard (even by a school faculty) about the High School Band. These kids are working hard, and practice with time will prove this. Everyone needs to remember, a lot of these kids are in more than one school activity, including athletics, band, UIL events, etc. Some of the band members are football players. They have to work very hard to accomplish participation in all of these, and still keep their grades up. When a child has football practice from 3:30 p.m. to 6:30 p.m., band practice from 7p to 9p, home work in all classes, and 2 tests the next day (all in one night), I believe they deserve a lot more credit and support than some of you fans are giving them. If it was not for our kids participating in something at sometime, we would have not football, volleyball, basketball, baseball, golf, tennis, band, UIL, etc. to attend and support.

Our coaches, band director, and teachers are doing an excellent job working with our kids, encouraging them to believe in themselves, and succeed in reaching their goals. The entire community needs to do the same.

So as far as I am concerned, if you certain fans cannot encourage our kids instead of discourage, then STAY AT HOME!

/s/ Debbie Wilde

Aging center lunch menus

Austin, Wilde, Moorhead are Labor Day golf winners

The Knox City Country Club hosted a Labor Day Playday on Monday, September 3. First place went to the team of Todd Austin, Craig Wilde and Pat Moorhead with a 64. Second place was Tommy Mangis, Charlie Starnes and Betty Starnes, 66.; and third place was the team of Homer Rolston, Carla Marquis and Eddie Offield, 66.

Around town

Activities of proactive citizens for the benefit of everyone

By MIKE BURKHAM
 City Manager

Congratulations go out from everyone at the City of Knox City to our student athletes and their accomplishments. It seems that the success that you are enjoying is also carrying over into every aspect of this community. Keep up the good work and we will try to keep up with you. School is well underway and with it comes the increased traffic of everyone trying to get the students transported to their respective campuses. It would do well for all of us to remember to take special care in watching out for these students who are walking or driving to school. Many of them or their parents may be in such a hurry to get where they are going that they may not be paying attention to the surrounding traffic. Now this is no excuse for the way some others may drive, but all of us need to remember to drive defensively because we never know what the others on the road may have on their mind.

It may seem that work has slowed down across town, but maintenance employees are con-

stantly finding areas that need attention. Much of their day is filled with repairing water lines, mowing city owned lots, and the general maintenance of the equipment that they use daily. Much of the work that is going on these days is often overlooked by us as citizens, which is good, because if we are doing our jobs then you will not notice anything that is out of the ordinary.

We are continuing to accept applications from people who wish to have the City mow their lots. With the rains that have come over the past month everyone has had to step up their mowing efforts just to stay up with the growth. Our police officers are also surveying the town and attempting to contact the owners of lots that are out of compliance with the 12 inch growth ordinance passed by the City Council. We understand that this may place some hardships on property owners, but it is the feeling of the City leaders that we must all do everything in our power to make Knox City a more appealing place.

Our new patching machine is proving to be a real asset to the

maintenance department. It has been used in a number of places across town and will be used on more as the availability of manpower allows. We have a little bit of a "learning curve" to go through before this will be a truly efficient means of maintaining our streets, but once the maintenance employees get the needed experience in its operation we believe that eventually all of the residential streets can be fully restored.

Plans to begin the construction on the cemetery fence have been delayed with the weather, but our plan is to resume this work within the week. Post construction and the assembly of the iron fence should go relatively quickly once the weather cooperates. Finally, all of use working for the City wish to thank each of you for your help and support in our efforts on your behalf. Much of the work that has been accomplished would not have been as easy or even possible without your support. There continues to be much to do, but as long as we have your patience and cooperation, we will do our best to provide you with the best city services that we possibly can.

O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"A thug and his girlfriend were strolling down the street late at night, holding hands and gazing into shop windows. Passing a jewelry store, the girlfriend spotted a shiny ring. "Oh!" she exclaimed. "I'd just love to have that."

The thug looked around, and without a word threw a brick through the window, reached in and grabbed the ring. "There you go, baby," he said.

The girl was impressed. They walked on until she spotted a leather jacket in another window. "Wow," she said. "It sure is beautiful."

"Hold on," said the thug. He

threw another brick through the window and handed her the coat.

A few blocks later she spotted an attractive pair of boots. "Oh - " she began, but the thug interrupted.

"C'mon, baby," he said. "You think I'm made of bricks?"

Here and There - Visiting Eddie and Claudia Bryant over the weekend were their granddaughters, Cecylee and Hadlee Hicks of Hawley.

Kevin Urbanczyk of Goree visited his grandparents, Ranzy and Adelle Herring on Sunday.

Beatrice Ellis was in Ozona over the weekend to help her daughter, Sandra Childress, cel-

brate her birthday and to visit her grandchildren also.

Paul Gothard of Blackwell spent Saturday with his father, Dwight Gothard. He carried him for a good meal and did his yard for him.

Veeta Reid is spending a few days in Fort Worth with her daughter Angelia and husband and son Sam.

Spending the weekend with Bro. Kyle and wife Leah were Kyle's grandmother Mary Gossett and Jackie Wadsworth of Mesquite. Sunday night our church had a great singing program. There were lots of singers and there were some from Weinert, Knox City and Haskell. Bro. Kyle and Leah had all the people to come by the parsonage and were served lots of goodies.

Dana Sherman and children Ariel and Tucker of Panhandle visited in Billie Walker's home with Billie, Joe and her husband Nathan. They worked to clean their "soon to be" home.

Julie and Dale Sanders of Amarillo were in O'Brien to visit Billie, Joe and Nathan before trav-

eling on to Denton to see their children, Billie Anne, John and wife Joey.

Loretta Hewitt spent the weekend in Wichita Falls with her daughter Toni and husband Tony and three little girls. They always have fun together.

Tommy and Jean Chapman were in Floydada over the weekend to attend a LaFrance family reunion. They had a good time visiting and eating.

JENNIFER YATES and ADAM CARVER

Couple to wed December 1 in Rhineland

Macky and Janet Yates announce the engagement of their daughter, Jennifer Michelle to Adam Cyle Carver, son of Linda Hudson of Lubbock and the late Cyle Carver Jr.

The couple will be married on December 1, 2001, at St. Joseph's Catholic Church in Rhineland.

FRIDAY'S PEP RALLY

will be moved to 2:30 p.m. to allow travel to Perrin-Whitt

The Family of Christine Patterson

would like to thank everyone for their many kindnesses during our recent loss.

For the food, flowers, prayers, cards, visits, memorials and each and every kindness, we are grateful.

May God bless each of you.

Obituaries

Georgia Stubbs Armstrong

Funeral services for Georgia Stubbs Armstrong of Andrews, 81, sister of Jack Stubbs of Knox City, were held Sunday, September 9, 2001, at 2:00 p.m. in McNett Funeral Home Chapel in Andrews. Rev. Glenda Massey of Midland officiated. Burial was in the Andrews Old Cemetery. Mrs. Armstrong died Thursday, September 6, at her residence in Andrews.

Born August 15, 1920, in Knox City, she married H.C. (Jake) Armstrong on September 20, 1941, in Lubbock. They lived in Fieldton from 1941-1984 in Brownwood from 1984-1994 and moved to Andrews in 1994. She was a member of the Andrews Presbyterian Church. Her son, Jerry Armstrong, preceded her in death in 1986.

Survivors include her husband, H.C. (Jake) of Andrews; a daughter, Roxy Baber of Andrews; two brothers, Jack Stubbs of Knox City and Vern Stubbs of Lawn; three grandchildren and eight great-grandchildren.

Applicants Denied 1998 Crop Loss Disaster Assistance May Now Be Eligible

By John Rector

If you did not previously qualify for multi-year benefits under the 1998 Crop Loss Disaster Assistance Program (CLDAP), you may be eligible due to revised legislation.

Originally, in order to qualify for multi-year benefits, you had to have the required crop loss under the same social security number in at least three of the five years from 1994 - 1998. The revised eligibility requirements provide that producers who otherwise would have been eligible for the 1998 CLDAP multi-year benefit, in the absence of restructuring their farming operation, or that may have operated under multiple entities in the years 1994-1998, may now qualify for program benefits.

Eligible producers include those that either previously filed an application and did not meet eligibility requirements; or producers who received a payment for single-year losses, but did not initially qualify for multi-year benefits. Additionally, producers who restructured their business or changed their farming operations from an individual to an entity, changed identification (ID) numbers, or have crop losses, but operated under different ID numbers in the years 1994-1998, and did not meet the minimum crop loss history requirement necessary to receive a multi-year benefit might qualify for CLDAP benefits as well.

Applicants will be required to provide proof of crop insurance indemnities received for each farming operation identified in the qualification process. The applicant must also provide evidence of ad hoc disaster payments and Noninsured Disaster Assistance Program (NAP) benefits received during the 1994-1998 timeframe. Payments issued under the 1998 CLDAP are not to exceed \$80,000 per "person" and are subject to a national payment factor of .849.

The deadline for applicants to submit a completed CCC-540MY, Crop Loss Disaster Assistance Program Application form for multi-year benefits is **September 14, 2001**. No applications for benefits will be accepted after this date. Completed forms should be submitted to: USDA/Farm Service Agency, Room 3643-S, Stop 0517, 1400 Independence Avenue, SW Washington, DC 20250-0517. Envelopes with application enclosed should have "Multi-year Revised Eligibility Determination Request," legibly and boldly marked on the front. As the program deadline nears, applications can be faxed to (202) 720-4941 and must have "Multi-year Revised Eligibility Determination Request," written on the fax cover sheet.

Applications will be accepted from individual producers only. Joint Operations or entities are not eligible. Also, if you received multi-year payments during the original sign-up - you are not eligible to reapply.

We will help you get the necessary date gathered up, but you must mail or fax your own application and related documents to the above listed address in Washington, D.C. by September 14. **They must have it in Washington by September 14.** Therefore, it is of major importance that if you suspect that you might qualify for this program, come see us and get started on the paperwork.

For more information regarding Crop Loss Disaster Assistance Program eligibility, contact the Knox County office at (940) 658-3537 or visit FSA on the World Wide Web at <http://www.fsa.usda.gov>.

USDA Offers Quality Loss Aid Package For Farmers

Sign up for the Quality Loss Program (QLP) which began August 13, 2001 continues, John Rector, County Executive Director of Knox County FSA, has announced. Signup is also ongoing for a separate quality loss program (QLP-AP) that will provide up to \$38 million for apple and potato-growers. Both programs compensate farmers who suffered at least a 20 percent loss in the quality of their crop.

The new programs help farmers who have suffered eligible losses due to weather-related disasters that caused loss of crop quality. Some specialty crops are not eligible, such as ornamental nursery, Christmas trees, aquaculture, honey, turf grass sod, maple sap and ginseng.

To qualify for a QLP payment, farmers must provide USDA documented proof that a loss in quality occurred on their harvested crop. Examples of acceptable documentation including grading receipts, sales receipts, or university lab tests showing quality losses.

Apple and potato farmers can file for a quality loss payment for both 1999 and 2000 crops.

For more information on the payment calculation and other facts regarding the Quality Loss Program eligibility, contact the Knox County office at (940) 658-3537.

Hospital Auxiliary to meet Monday at 5:00

The Knox County Hospital Auxiliary will meet Monday, September 17, at 5:00 p.m. in the downtown thrift shop.

Members are urged to attend as several items of business will be discussed.

Any erroneous reflection upon the character, standing, or reputation of any person, firm, or corporation which may appear in the columns of this paper, will gladly be corrected upon notice of the same being brought to the attention of the publisher personally at the office.

NOTICES, ETC.
Notice of entertainments where a charge of admission is made, resolutions of respect, in memorial poetry, proclamations, letters expressing political opinions, weddings, engagements, anniversaries, extended obituaries or obituaries with photographs, legal notices, legal documents, and all other matters not of general news will be charged for at regular advertising rates.

LETTERS TO THE EDITOR
Letters to the Editor are encouraged. They must be signed by the author and include the telephone number for verification purposes. Only the writer's name will appear in print. Letters should be kept to a reasonable length, are subject to be edited for clarity, and for the purpose of only conveying a single point. Every attempt will be made not to change the meaning of letters. All letters are run "space available". Each letter is accepted on that basis.

PHOTOGRAPHS
Unsolicited photographs will be considered at a charge that will be determined after the picture is viewed.

ERRORS
This newspaper is not responsible for errors in more than one edition. Claims will not be considered unless made within 72 hours of publication. No allowance will be made when the error does not materially affect the value of the advertisement.

NEWS DEADLINE
All items intended for each week's edition must be received in the NEWS office no later than 5:00 P.M. on Monday evening. Items submitted after the deadline may be held over for the following week. All items submitted are subject to holdover for future editions, depending on size, content, and available space.
NO GUARANTEES OR ASSURANCES ARE MADE AS TO WHEN ARTICLES OR PHOTOGRAPHS WILL APPEAR IN PRINT

Monday thru Thursday,
9:00 a.m. to 5:00 p.m.
Closed most Fridays.

Note: Since we are a small business, these times may vary as we cover news & sports stories, take pictures, conduct business or handle family matters. Thanks in advance for your understanding and cooperation.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED
CONSTITUTIONAL AMENDMENTS
Special Election
NOVEMBER 6, 2001

PROPOSITION 1
(HJR 52)

Proposition 1 would amend the constitution to relinquish the state's claim to certain disputed land in Bastrop County. The amendment would confirm legal title to that land, excluding any mineral interests, to the individuals who hold a disputed title to the land. The amendment would prevent a loss of title by people who bought and paid for property that was never transferred by the state because of faulty surveys.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the clearing of land titles by the release of a state claim of its interest to the owners of certain land in Bastrop County."

PROPOSITION 2
(SJR 37)

Proposition 2 would amend the constitution to establish the process for issuing up to \$175 million of state general obligation bonds and notes to provide aid to counties for access road projects to serve border colonies. Generally, a colonia is an economically distressed geographic area with inadequate public services (such as water supplies, sewer services, or paved roads) in a county without adequate resources to provide such services. These projects could include the construction of access roads, the acquisition of materials used in maintaining those roads, and projects related to the construction of those roads, such as road drainage. The Texas Transportation Commission, in consultation with the Governor, would be authorized to determine what constitutes a border colonia for purposes of selecting the counties and projects that would receive assistance.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of state general obligation bonds and notes to provide financial assistance to counties for roadway projects to serve border colonies."

PROPOSITION 3
(SJR 47)

Proposition 3 would amend the constitution to authorize the legislature to exempt green coffee and raw cocoa held in Harris County from property taxes in order to qualify Harris County as an exchange port for coffee by the New York Board of Trade. The authorization of exemption would not apply to any other county.

PROPOSITION 4
(HJR 1)

Proposition 4 would amend the constitution by setting the term of the fire fighters' pension commissioner at four years. The constitution currently provides that the duration of all offices not otherwise fixed by the constitution may not exceed two years.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for a four-year term of office for the fire fighters' pension commissioner."

PROPOSITION 5
(SJR 32)

Proposition 5 would amend the constitution to allow a municipality to donate outdated or surplus equipment, supplies, or other materials used in fighting fires to an underdeveloped county. Current state law does not allow anything of value belonging to the state or its political subdivisions to be donated to another nation.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing municipalities to donate outdated or surplus firefighting equipment or supplies to underdeveloped counties."

PROPOSITION 6
(HJR 45)

Proposition 6 would amend the constitution to require the governor to call a special session of the legislature so that the legislature can appoint presidential electors when the governor determines that it is reasonably likely that the outcome of the election for a presidential candidate's electors will not be clearly determined in time for the appropriate electors to meet before the federal deadline to cast their votes. Under current law, when the people vote for a particular candidate for president, in reality they are voting for that candidate's electors who will meet to cast their votes for president. If the electors are not determined by the certification date, no electoral votes may be cast for the state. The proposed amendment ensures that the state's electoral votes will be cast.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment requiring the governor to call a special session for the appointment of presidential electors under certain circumstances."

PROPOSITION 7
(HJR 82)

Proposition 7 would amend the constitution to authorize the Veterans' Land Board to issue and sell up to \$500 million of additional general obligation bonds to finance additional home mortgage loans to veterans. Additionally, the proposed amendment would authorize the Veterans' Land Board to use assets from the land and housing assistance funds to create, operate, and improve veterans' cemeteries.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the Veterans' Land Board to issue up to \$500 million in general obligation bonds payable from the general revenues of the state for veterans' housing assistance and to use assets in certain veterans' land and veterans' housing assistance funds to provide for veterans cemeteries."

PROPOSITION 8
(HJR 97)

Proposition 8 would amend the constitution to allow the legislature to authorize the Texas Public Finance Authority to issue and sell up to \$850 million of general obligation bonds. The proceeds of the sale of the bonds would pay for construction and repair projects or for the purchase of needed equipment by the General Services Commission, the Texas Youth Commission, the Texas Department of Criminal Justice, the

Fall TAAS exit test set for October 23, 24 & 25

The summer administration of the exit level TAAS and test will be conducted at 8:00 a.m. in the Benjamin and Knox City high schools on the following dates:

October 23 -- Writing

October 24 -- Mathematics

October 25 -- Reading

Students currently enrolled in the 11th or 12th grades are eligible to take any section of the exit level test that they have not yet mastered.

In addition, individuals who are out of school may test at the fall administration.

Individuals who are no longer enrolled in a Texas public school and who wish to register to retake the TAAS test may pick up a registration packet.

These packets are available at the high school principal's office in the Benjamin or Knox City high school.

The test registration form must be completed and returned in the pre-addressed envelope and must be received in Austin, Texas, no later than 5:00 p.m., September 21, 2001. A student can register for the TAAS test online by accessing the Texas Education Agency Student Assessment Division web site at <http://k12testing.tx.ncspearson.com/ooos> or by completing a registration form.

The Texas Education Agency and NCS Pearson will not be re-

sponsible for registration form that are delayed or lost in the mail.

To ensure that individuals are registered, forms should be sent by either registered mail or certified mail.

Questions concerning the summer exit level test should be directed to the Texas Education Agency, Student Assessment Division, or students may call (512) 463-9536.

constitution to improve the clarity, organization, and consistency of the constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to eliminate obsolete, archaic, redundant, and unnecessary provisions and to clarify, update, and harmonize certain provisions of the Texas Constitution."

PROPOSITION 13
(SJR 2)

Proposition 13 would amend the constitution to allow the legislature to authorize a board of trustees of an independent school district to donate real property and improvements formerly used as a school campus in order to preserve that property. The board may make the donation if the board determines that the property has historical significance, that the donation will help to preserve the property, and that the school district no longer needs the property for educational purposes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to authorize the board of trustees of an independent school district to donate certain surplus district property of historical significance in order to preserve the property."

PROPOSITION 14
(HJR 44)

Proposition 14 would amend the constitution to allow the legislature to authorize a taxing unit, other than a school district, to exempt travel trailers from property taxation as long as the travel trailers are lawfully registered with the state and are not held or used for the production of income.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the legislature to authorize taxing units other than school districts to exempt from ad valorem taxation travel trailers that are not held or used for the production of income."

PROPOSITION 15
(SJR 16)

Proposition 15 would amend the constitution to create the Texas Mobility Fund, which would be administered by the Texas Transportation Commission. The Fund would finance the construction, acquisition, and expansion of state highways and would pay a portion of the costs of public toll roads and other public transportation projects. The legislature may reserve specific sources of state revenue for the Fund and may authorize the Commission to guarantee the payment of any obligations or credit agreements with the full faith and credit of the state. The attorney general shall determine the legality of any such obligations or credit agreements.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment creating the Texas Mobility Fund and authorizing grants and loans of money and issuance of obligations for financing the construction, reconstruction, acquisition, operation, and expansion of state highways, turnpikes, toll roads, toll bridges, and other mobility projects."

PROPOSITION 16
(HJR 5)

Proposition 16 would amend the constitution to reduce the waiting period required for a valid home improvement lien on a homestead from 12 days to 5 days. Currently, a lien may not attach to a homestead for a home improvement loan if the homeowner executed a contract for the improvements less than 12 days after applying for the loan. In addition, the proposed amendment would

authorize the conversion and refinancing of a personal property lien secured by a manufactured home to a lien on a homestead.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment prescribing requirements for imposing a lien for work and material used in the construction, repair, or renovation of improvements on residential homestead property and including the conversion and refinancing of a personal property lien secured by a manufactured home to a lien on real property as a debt on homestead property protected from a forced sale."

PROPOSITION 17
(HJR 53)

Proposition 17 would amend the constitution to allow the state to relinquish claim to certain state land and to clear title defects for persons who claim title to those lands. The proposed amendment would apply to land whose owners have disputed title to the land, but for which no patent from the state, giving clear title to the land, was ever issued. Among other requirements, all of the taxes due on the land must have been paid. Under current law, there is no procedure allowing the state to settle title disputes without a constitutional amendment for each piece of land in dispute.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to settle land title disputes between the state and a private party."

PROPOSITION 18
(SJR 49)

Proposition 18 would amend the constitution to authorize the legislature to create a program to consolidate and standardize the collection, deposit, reporting, and payment of criminal and civil court fees. If the legislature creates such a program, any new fees imposed by the legislature may not take effect before January 1 of the following year, unless an earlier effective date is approved by a vote of two-thirds of the members of each house of the legislature.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to promote uniformity in the collection, deposit, reporting, and remitting of civil and criminal fees."

PROPOSITION 19
(HJR 81)

Proposition 19 would amend the constitution to allow the Texas Water Development Board to issue up to \$2 billion of additional general obligation bonds. The Board issues bonds to pay for water supply projects, water quality enhancement projects, flood control projects, state participation in water and wastewater facilities, and projects for economically distressed areas. Current law limits the amount of bonds that the Board can issue.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the issuance of additional general obligation bonds by the Texas Water Development Board in an amount not to exceed \$2 billion."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el 6 de noviembre de 2001. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llama al 1/800/252/8683 or por escribir al Secretario de Estado, P.O. Box 12060, Austin, TX 78711.

A Golden Time

Brazos Valley Care Home
658-3543
605 Avenue F, Knox City

Researchers at Harvard have known for some time that Down Syndrome patients who survive past 30 tend to develop brain lesions and dementia like Alzheimer's Disease suffers. Downs patients are extremely sensitive to the pupil dilating drug tropicamide, use by ophthalmologists to look inside a patient's eyes. Using the drug on the eyes of Alzheimer's patients found that the eyes of those people dilated 13% vs only 4% for a control group of non Alzheimer's people.

District Opener - JV and Varsity, 6:30 P.M.

Saturday, Sept. 22, Albany, Here

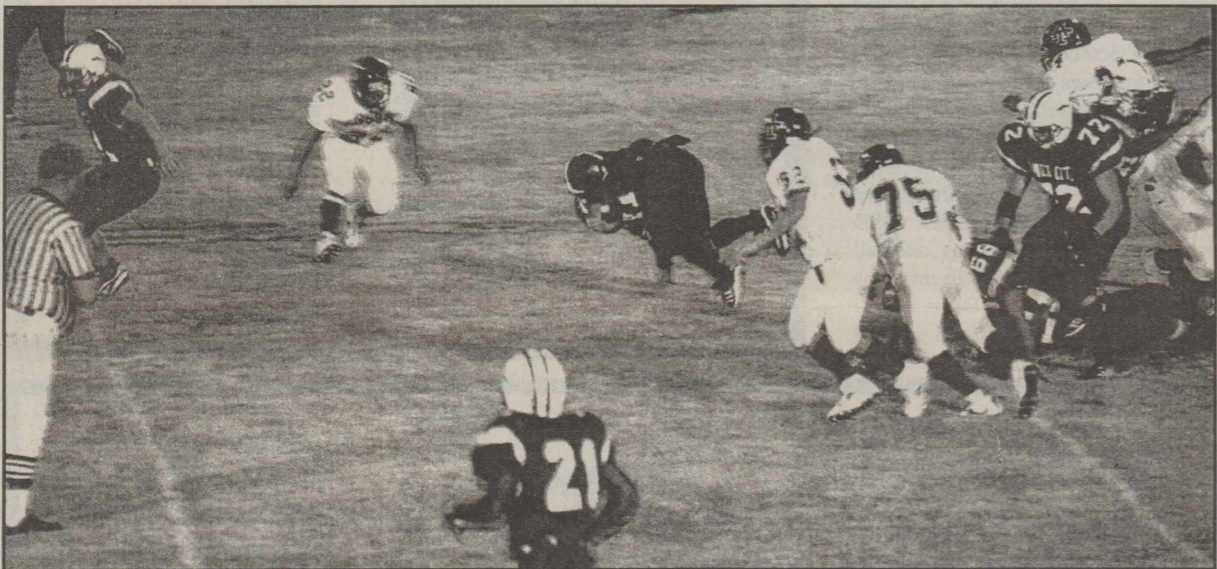

11:00 A.M.

THE GREYHOUND DEFENSE received the Unit Of The Week award from their coaches after performing so well against the much larger 2-A Anson Tiger team last Friday night here in Knox City. The Greyhounds travel to Perrin-Whitt this Friday night for their third game of the new season.

STOPPING THE ANSON FULLBACK (44) was a big job all night long. In the photo above, Greyhound defender Fleipe Sanchez (65 on ground) hits the fullback low while Will Grimsley (63) hits him high. Other 'Hounds visible are Justin Casillas (20), Scooter Thompson (41), and Shawn Speck (11).

BREAKING THROUGH A BIG HOLE opened by the offensive linemen, Greyhound fullback Scooter Thompson is shown here about to hit the ground after being tripped up on a run that gained 8 yards and a first down. Gary Manley (72) and Kendric Green (21), and Casey Carver (68) are also shown.

PULLING THE TEAM OFF THE FIELD for a breather and fresh instructions, Head Coach Wayne Hutchinson is shown in the middle talking with his players. Jersey numbers visible are (10) Carlos Ruiz, (82) Eric Green, (75) James Lynch, (68) Casey Carver, (12) Brad Johnson and (52) Russell Bishop.
