## Straight Talk

By Dave Thompson

Hats off to Patsy Gonzales who decided that it was time to get a decent paint job on the elementary school playground equipment. Calling and rounding up a group of fellow school moms to help out, Patsy and her "Motherhood Paint Company" showed up at the playground early Monday morning to take on the job of painting the rather antique equipment. She even managed to talk the school into replacing worn out boards on the merry go round. As a result of these mothers, elementary students will have safe equipment that looks brand new to play on. Patsy and crew also want storm cellars installed at the elementary school. We here at the *News* office salute and support these efforts.

KNOX CITY-O'BRIEN ALL-STARS finished their tournament play Friday night of last week falling to Seymour in the double-elimination tournament held in Munday. The team was victorious to Seymour in a thrilling contest Tuesday night of last week and lost to them on Thursday before the final contest on Friday. Standing from left are Dale Carnes, Coach Norman Mullin, Wade Collins, Josh Newton, Scott Stephens, Dwayne Tolliver, Al Rios, Warren Stoker, Wes Grimsley and Coach Butch Stephens. Front row, from left, are Michael Ledesma, Ryan Marion, Bronco Flye, Brian Mullin, Billy Jack Curd and Michael Casillas. (News Photo)

WHEN SCHOOL BELLS CHIME to start the new year, Knox City elementary students will be greeted by a bright, newly painted playground. Parents and teachers volunteered labor for a "playground face lift". According to coordinator Pat Gonzales, no one knew when the last, all over, coat of paint had been applied; however, the need was surely there. (News Photo)

## Watermelon Festival Plans Are Being Finalized

Plans are being finalized for the First Annual Watermelon Festival, sponsored by the Knox City Chamber of Commerce and the Knox County Horticulture Committee, to be held Saturday, July 29, in the City Park.

Be sure to plan to start the day downtown for the Festival Parade. Antique cars, horses, floats and entertainment will all be a part of the fun. Kids are asked to decorate bikes and golf carts and come join the parade. Entries will be judged and ribbons awarded, so get ready!

Beginning at 11:00 a.m. in the City Park there will be "something for everyone". The melon judging will begin at 11:00 a.m. under the direction of the Knox County Horticulture Committee. Following the judging, the winning melons will be auctioned off with the proceeds to help the workings of the Committee.

At 1:00 p.m., the Little Miss and Mister Watermelon Pageant will begin with toddlers and young ones vying for the title.

Beginning at 2:00 p.m., the Retail Merchants will host an Ice Cream

Crank-Off.

From 10:00 a.m. until 5:00 p.m. the Chamber of Commerce will sponsor an Arts and Crafts Show at the Community Center, 212 South Third. Entries will be accepted in Professional and Amateur Classes in three divisions, adult, high school/mid school and Elementary and under in all classes. Six sections will be included in the show, painting and sketching, pottery, photography, stitchery, crafts and textiles.

From 11:00 a.m. until 5:00 p.m., many booths and games will be open for everyone's enjoyment. Get set to "dunk" your favorite, or not so favorite person; kids are invited to join in the Junior Olympics; shoot some baskets, have your face painted, enjoy the crafts and eat, eat, eat!

Swim free in the afternoon at the pool and enjoy free watermelon slices while musical entertainment is provided throughout the afternoon. Lots of activities will be going on in the City Park on Saturday, July 29! Bring lawn chairs and plan to have a great day.

## Little League Swim Party Set Friday

A Little League swim party has been set for Friday, July 21, from 7:00 to 8:30 p.m. at the City Pool.

All T-Ball, Little League and Senior League players are invited to attend.

Admission to the event will be the return of uniforms.

ONE OF THE FOOTBALL Camps offered by Coach Tommy Sloan this summer was held this week. Participants were on hand "bright and early" each morning for instruction. (News Photo)

## Wagons Ho!

The Wagon Train and Trail Ride, scheduled to roll out Wednesday morning, July 19, at 8:00 o'clock from Benjamin, will move to the north, stopping at Truscott Brine Lake for lunch and Charles Carroll's Ranch Headquarters Wednesday night. Thursday night will be spent at Daniel Cattle Company's Y Ranch and Friday night at the Johnson Ranch Double JJ. The 45-mile ride is to be completed Saturday in Crowell after traveling through parts of Knox,

King, Cottle, and Foard counties. A big trail ride dance is among the festivities planned at the end of the ride at Crowell.

According to Margaret Daniel, entertainment will be provided every night and visitors are welcome to any of the nightly camps.

The Three Rivers Chamber of Commerce in Crowell is sponsoring the event.

## County Agent Explains Melon Contest Rules

Knox County will have a new activity taking place this month. This activity will be the Knox County Melon Show and will be held in conjunction with the Knox County Watermelon Festival, Saturday, July 29 in the Knox City park. Judging will begin at 11:00 a.m. The melon show is being hosted by the Knox County Horticulture Committee and sponsored by the Knox City Chamber of Commerce.

There will be three divisions which include Junior, 19 years and younger; Senior, 20 years and over and a commercial division.

Classes to be held include: seed-red watermelon, seed-yellow watermelon, seedless watermelon, cantaloupe, other melons and largest melon. Growers and immediate family may enter the aforementioned classes.

Homeowner classes for junior and senior divisions may enter one watermelon or three cantaloupe or other melons per class while commercial exhibitors will enter 3 watermelons or 1/2 bushel of cantaloupe or other melons. Exhibitors must be from Knox County or an adjoining county.

Awards will be presented to first, second and third place winners for each class and plaques for grand and reserve grand champion exhibitors.

Entries may be brought at the covered picnic areas of the park on Saturday, July 29 from 8:00 to 10:00 a.m. Entries of the show will be served to the public beginning at 1:30 p.m.

General Rules to the melon show are available at the Knox City Chamber of Commerce and Feed & Garden Supply in Knox City, Texas A&M University Vegetable Research Station in Munday and the Knox County Extension office.

## Entries Needed For Ice Cream Crank-Off

Come on, all you ice cream making experts! Now is the time to show off your expertise when Retail Merchants host their Ice Cream Crank-Off during the Watermelon Festival on July 29 in City Park.

Anyone may enter by picking up an entry form either at The Oil Patch Cafe or *The Knox County News*. Categories will include plain or fruit. Trophies will be given for first place in both categories.

More information will appear in next week's *News*.

## Motorcyclists To Dine In Knox City Saturday

On Saturday, July 22, Debbie's Restaurant in Knox City will be the dining choice for a group of motorcycle riders from the Iowa Park and Wichita Falls area. Sponsored by Red River Harley Davidson in Iowa Park, the group meets every Saturday night for a "supper run" that takes them to a different location each week.

According to Jim Gilmore, owner of Red River Harley Davidson, "The group could number anywhere from six motorcycles and twelve people to fifty people, we just never know ahead of time how many will show up each week." Gilmore went on to say that riders of all brands of motorcycles make the ride and the group will leave Iowa Park for Knox City at about 6:00

p.m.

Knox City motorcyclist Dave Thompson, who is an instructor for the Motorcycle Safety Foundation and the Texas Department of Public Safety will accompany the group to Knox City on his return trip home after spending the afternoon meeting with members of the group at the dealership in Iowa Park and promoting Motorcycle Operator Training Programs that are available through the DPS and conducted at the Region IX Education Service Center in Wichita Falls.

Local residents are encouraged to stop by and visit with the group and look at some of the finest motorcycles on the road today.

### 'Adopt-A-Grandparent' At Brazos Valley

Brazos Valley Care Home is asking individuals to help "Light up Someone's Life" by being a part of their "Adopt-A-Grandparent" program. This program brings young and old together to share experiences and love.

The "Adopt-A-Grandparent" program can energize nursing home activity programs, reinforce residents' feelings of self worth and usefulness in the community, and helps young people build a positive feeling about themselves and cultivate a kinship with older people.

Those interested in being a part of the "Adopt-A-Grandparent" program at Brazos Valley Care Home, contact Debbie Dudensing at 658-3543.

## July 31 Is Deadline For Peanut Contracts

John Rector, County Executive Director of the Knox County Agricultural Stabilization and Conservation Service, reminds peanut producers and handlers that contracts drawn up to sell 1989 crop additional peanuts for export or crushing must be filed by July 31. Additional peanuts are those grown in excess of the farm's poundage, quota or on a farm that does not have a poundage quota.

Rector said peanut producers and handlers are responsible for contract

agreements, and they should check to see that the peanut contract is in their best interest.

In the event of a contract dispute, ASCS approval of the contract does not constitute a determination of the respective rights and obligations of the handler and producer.

Peanut producers and handlers who have entered into contracts must submit the contracts to each respective contracting producer's local ASCS office before the July 31 deadline.

# McQueen elected TPA president

Roy McQueen, publisher of the *Snyder Daily News*, was elected president of the Texas Press Association during the group's annual meeting held in Arlington, June 22-24.

McQueen succeeds Fred Lowe, publisher of the *Lampasas Dispatch Record*, who becomes chairman of the board.

Founded in 1880, the Texas Press Association includes 518 newspaper members. McQueen, a member of the TPA since 1968, has served as a director of the organization twice, as well as vice president.

McQueen, 44, has been in the newspaper business for 30 years. He began his career as a sports reporter for the *Andrews County News* in 1959 when he was in the 8th grade. While in high school, he worked for the semi-weekly newspaper and filled the role of news editor his senior year when the news editor resigned to take a position with the *Midland Reporter-Telegram*.

During those years he was also editor of the high school newspaper, and worked after school at the *Andrews County News*. Still using hot type production, it was here that McQueen was introduced to hand-set headlines and page make-up.

When he graduated from high school in 1963, McQueen was awarded a journalism scholarship from the West Texas Press Association, a regional press organization of which he later became president. As a freshman, McQueen attended North Texas State University. The following year, he commuted to Odessa College and worked full-time at the *Andrews County News*.

In 1965, he transferred to Texas Tech University and went to work

Roy McQueen

for O.G. Nieman at the *Slaton Slatonite*. On the weekly newspaper, McQueen handled both news and advertising.

In 1966, McQueen joined the editorial staff of the *Lubbock Avalanche-Journal*. Most of his stint at the *Avalanche-Journal* was in sports, both as a reporter and deskman. He also served one year as managing editor of the *University Daily* and taught the reporting and editing lab for the school's journalism department.

Upon graduation from Texas Tech in 1968, McQueen became publisher of the weekly *Seminole Sentinel*. In October of that same year, he was drafted into the U.S. Army and took a leave of absence from the newspaper.

In the army, McQueen served as a public information specialist and was editor of the *Fort Bliss Monitor*. He also spent

nine months as an information specialist in Germany.

In 1970, McQueen returned to the *Seminole Sentinel*. In December of that year, the newspaper was changed to semi-weekly. While in Seminole, he was president of the Industrial Foundation and Seminole Rotary Club.

In 1976, McQueen and associates in Roberts Publishing Co. purchased the *Snyder Daily News*. During his 13 years as publisher of the 6-day daily, the company has built a new modern facility complete with 6-unit Goss Community press. McQueen also writes a daily front-page column and directs a staff of 21 employees.

In Snyder, he has been active in the chamber's economic development committee. He was active in successful efforts to secure a 1,000-bed state of Texas prison in Snyder which employs approximately 350 persons. The efforts of McQueen and the *Snyder Daily News* resulted in the newspaper being awarded the Community Service award from the TPA in 1988.

McQueen also is a member of the Snyder Lions Club, and a deacon of the 37th Street Church of Christ. He is a former member of the Snyder school board and is currently a member of the board of managers of Cogdell Memorial Hospital.

Married to Bettie Harmon, also of Andrews, the couple has one son, Marc, who is a sophomore at Texas A&M University. Bettie, a business education graduate of Texas Tech University, is dean of instruction at Western Texas College in Snyder.

McQueen also serves as a director of the *Vernon Daily Record*, *Livingston Daily Leader*, *Seminole Sentinel*, *Hereford Brand*, and North Plains Printing Co.

## HERE AND THERE

Three boys from our church went to Jr. High Camp this past week at Lueders. They were Cody Manning, J. Bob Eaton and Mario Sigala. Ruthie Acree was sponsor for her niece Marti Carlton and friend from Wind and one girl from Rochester and four from Rule were with the group also. There were 250 at camp.

Janoma Stephens, Sue, Steffani and Suzanne Stephens and I all attended Rolling Plains-3, 4-H Fashion Show in Quanah last Tuesday. The girls modeled their clothes they had made for the show. The 4-H Fashion Show is an education feature of the 4-H clothing program. 4-H members exhibit skills in buying decisions, clothing construction, fashion interpretation, good grooming and modeling. Entries are judged on becomingness and quality of construction. Cody Alderson was in the show also.

Wayne and Corine McKinney and grandsons Brad Miles and Matt Verhalen are in Glorieta, New Mexico this week attending a Baptist Encampment at camp there.

Ernie Bryant went home with her daughter Connie Mims and children for a visit. Connie lives near Lake View. They left Sunday.

Spending several days last week with Evelyn Underwood were Bobbie Lanham, Amarillo, Nazoma Adams, Peum Valley California and Carolyn Crane of Rough and Ready California.

L.A. and Eva Covey visited Rev. W.A. Park and Judy and family in Roma for a few days last week. W.A. was pastor at the O'Brien Baptist Church several years ago and they're now in Mission work.

Randy and Ann Egenbacher and children of Lubbock visited Sue, Butch, Scott, Steffani and Suzanne Stephens over the weekend.

Mark, Linda and Amanda Reed of Anton and Eric Grandner of Clovis, New Mexico spent the weekend with Irby and Johnnie Carlisle.

Pretricia Kinzer of Grandfield spent Saturday night with her mother Vivian Hendrix and returned her children and niece to their home Sunday.

Ruth Johnson and Clara Hanson were in Wichita Falls Monday for Ruth to see her eye specialist.

Winnie Johnston has a new great-granddaughter born to Kenny and Sundee Crim of Weatherford. They named her Jessica Renee and she's the granddaughter of Jerry and Janice

## Family Get-Together

## Truscott-Gilliland News

By Clara Brown

July 17, 1989

If the weather around here got any more summerlike, we would all have to move to the Sahara Desert to cool off. Maybe we are suffering through the greenhouse effect being written so much about these days, but it feels just like an average hot, dry Texas summer. A line has been drawn off to the east of here and no moisture is allowed to escape to the west. We are almost ready for another nine inch rain along China Creek and out at Antelope Flat. (Except that the Flat only got two inches when China Creek got that nine incher.)

Jack and Clara Brown left for Colorado on Thursday and got back on Wednesday. That same old rock in South Fork is doing fine. Ray and Ruth McGee are in South Fork and doing well and now have four grandchildren. That news is for the friends of the McGees who have turned out to be spotted over north Texas. Jack went glider flying in Durango. On the way back to Texas they visited his cousin, Benny, and her husband, Dick Pitchford in Albuquerque.

Visiting Mildred Cook from July 6-10 was her brother, Raymond Black of Halstead, Kansas. Raymond's wife passed away in June. While here, he also visited with Ruth and Shirley Moore and with his aunt and her husband, Exa Faye and Monty Penman of Knox City.

Several from Truscott attended the bridal shower for Kim Cash Miller at Benjamin Sunday afternoon. Kim and Donald Lee got many lovely and useful gifts. They are living in Vernon.

Carrie and Harold Barry attended the Seymour rodeo this past Saturday night.

Corinne New recently had surgery in Andrews. A duct connecting the gallbladder and pancreas had to be un-stopped. She was in intensive care for awhile but on Monday was said to be expected to get out of ICU.

Jo Heard says she doesn't have any news except that she is gardening and canning, and that the family met Saturday at the home of her mother, Mrs. Lois Chilcoat in Olney, to celebrate the fourth birthday of the Heard's granddaughter, Amanda.

Sybil Simmons was vacationing in Ruidoso last week with her sister, Bobbie Kinnibrugh of Floydada and two of Bobbie's friends, Mamie Wood and Ruby Higginbotham of Floydada.

Lois and L.D. Welch has as guests Saturday night her sister and brother-in-law, Louise and Louis Clark of Olton.

Lois also reported that a family reunion was held Sunday for the family

of the late E.S. and Lorella Allen. Marek and Matthew Bullion have been visiting their grandparents, Paul and Ila Mae Bullion and having fun with their cousin, Crystal Dishman.

Bill Brown left Saturday for a trip to Glacier National Park.

Norma Lee of Vernon and her daughter, Sonseeahray Cline of Lubbock visited Vernon and Edgar Jones and Clara Brown on Sunday afternoon.

The women of Truscott will be serving lunches to the wagon train and trail ride Wednesday, Thursday and Friday of this week. The Wednesday meal will be at the Truscott Community Center and open to the public. Those who do not wish to eat might like to stop and visit with the people and look at the wagons.

## METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies the Cooperative should be notified as soon as possible so that the meter can be resealed.

## Mrs. Clayton Promoted At Hardin-Simmons

Denise Clayton, daughter-in-law of Sue Smith Clayton of Knox City, has been promoted to assistant director of admissions at Hardin-Simmons University. She had been assistant director of financial aid at H-SU.

A graduate of El Paso's Irvin High School and H-SU, Denise is a five-year veteran of the financial aid office. She is scheduled to receive her master of education degree in counseling from H-SU in August.

Her husband, Cyle, is supervisor of the Crisis Intervention Team and Admissions at Abilene Mental Health/Mental Retardation Center.

## Streams In Desert Places

By Ozelle Stephens

"Behold, I am with thee, and will keep thee in all places whither thou goest." Gen. 28:18.

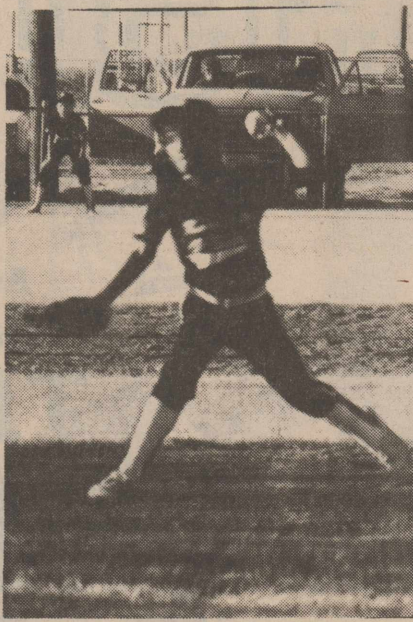

In the pilgrimage of life, you have one who walks along beside you. Enoch walked with God and one day went home with Him. What a blessed thought, that we have the all-powerful one walking with us and one day we will abide in His presence forever. Noah lived in a time of great sin, as did Enoch, but still he walked with God. You can walk with Him in all circumstances. There is no power that can separate you from the Holy divine presence of God that is so powerful.

The nearness of God is made plain in the scriptures. David said, "I have set the Lord always before me; because He is at my right hand, I shall not be moved." He also said, "It is good for me to draw near God." In Jer. 23:23, we find that God is a God at hand and not afar off.

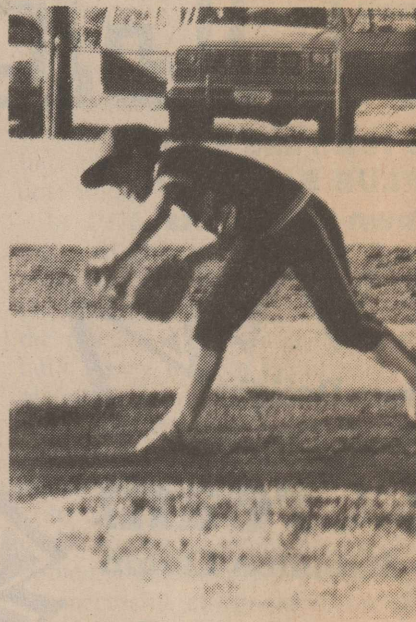

If you have drawn near to God, He abides with you. If you are doing His commands and His words abide in you, then you can ask anything in His name and it will be done. You also have the promise of His presence abiding with you and that He will give you rest. A divine rest which brings a peace and understanding. You will have a courage to fight life's battles through and lead you on to victory. Your trials will seem so small when you can see and feel this divine one so near and know He is abiding within. Yes, you can drink of this spiritual Rock who is Christ Jesus and have power to overcome all trials and abide in His presence. You will have confidence when He shall appear and not be ashamed before Him at His coming.

## Benjamin News

By GLADENE GREEN

Hard to believe it's already half way through July. The summer is almost gone and school will begin again before we know it. Of course, that will mean cooler days (we hope) and football season. That is something we can look forward to. I'm ready for it!

### UNDERGOES EYE SURGERY

Bea Parks had cataract surgery last Thursday at Bethania Hospital in Wichita Falls. She's home now and is doing well.

Dutch Young was dismissed from the Wichita General Hospital Monday following his recent back surgery. He is at home and though still in lots of pain, his progress is coming along nicely.

Vernon Smith is home after several days in the Haskell Hospital. He also consulted a lung specialist in Wichita Falls last Tuesday and he told me he got a good report. It's always so good to hear encouraging things about our friends.

### HERE 'N THERE

Dub and Jo Cartwright and Tracy, Susan, Ashley and Matthew Cartwright spent last week in Branson, Missouri and Eureka Springs, Arkansas. They said they attended Box Car Willie, Freddie Fender and Mel Tillis variety shows in Branson and saw the "Passion Play" in Eureka Springs. Dub said everything was pretty and green up that way, but he was glad to get home.

George and Corrine Parrish of

Franklin were weekend guests of the Bobby Robersons and Corrine's mom, Lona Feemster in the Care Home.

Bea Parks and Kenneth and Jessie Roberts accompanied by the ladies' brother and his wife of Hereford joined other family members recently for a "cousins" reunion at Terral.

Harold and Beth Welch and Oleta Welch left recently for Gorman where they will make their future home. Harold and Beth had lived here five or six years moving here from Seagraves. Oleta had been here many years. Had lived in her home when she moved from for 38 years. So I imagine she's having some adjusting to do. I wish them well in their new home.

David and Val Milson of Cedar Hill visited here briefly on Wednesday. They were enroute to the mountains for a few days of rest and relaxation.

Recent guests of his mom, Leola Isbell and his sis and family, the Don Hertels were Mr. and Mrs. Kenneth Isbell and family of Enid, Oklahoma.

Mr. and Mrs. Troy Golden and family of Abilene visited his mother, Lois Golden and other relatives and friends during the weekend.

Gary and JoAnn Hamilton and Jeremy attended an assembly of

Jehovah's Witnesses in Fort Worth last weekend.

Craig Hertel who has been teaching at Northside the past few years is visiting his parents, Don and Louise Hertel a few days. He has been going to school in Austin the past few weeks and has accepted a position with the Lindsey school system where he will be moving shortly.

Pam and Dennis Duke and family vacationed in Colorado recently.

My Munday kids, Rick and Diane and I were in Fort Worth for the weekend. I visited a sister and they just enjoyed getting away for a couple of days.

Cathy Tomlinson and girls of Valley View is spending this week with her family, the Leroy Wests and the Bud Clowers and other relatives and friends.

We continue to get donations for the cemetery. We are still a long ways from where we'd like to be financially but every check we get is very much appreciated. Latest donations received have been from Louise Burnett, Jamie Hall, Reba Nix, Mabel Moorhouse, Charles Nall, Willie Nall, Barbara McGaughey, W.T. Ward, Lucille McCanlies, Lucille Marlow Nye Glenn (in last week's paper Mrs. Glenn's first name was omitted).

### VISITING GRANDPARENTS

Ruthie Ann Christ, daughter of Mr. and Mrs. Jonathan Christ of Midland, is here visiting grandparents, Mr. and Mrs. Tom Christ this week.

### Bob Wille Returns Home From Minnesota

Bob Wille, minister of the Knox City Church of Christ, returned last Tuesday from a two week trip to his home state of Minnesota.

Mr. Wille travelled to Minnesota to be with his mother during the final hours of his stepfather's bout with extensive cancer. While there, he conducted funeral services for the 82 year old man and helped care for his mother who had injured herself in a fall. He also preached Sunday morning for the Rochester Church of Christ where Mr. Wille began preaching in 1956.

Funeral services for longtime Rochester resident Daniel Lee Kinney were held Sunday afternoon, July 16, at three o'clock in the First Baptist Church in Rochester. Officiating were the Rev. Truett Kuenstler, church pastor, and the Rev. W.M. Hodge. Burial was in the Rochester Cemetery with Smith Funeral Home in charge of arrangements.

Born December 28, 1898, in Menard, he married Myrtle Lewelling, March 17, 1920, in Henrietta. Mr. Kinney moved to Rochester 57 years ago from Lubbock. He was a retired farmer and a member of the Church of God in Rochester.

Survivors include his wife, Myrtle of Rochester; three sons, Elvin of Rule, Roy of Fort Lauderdale, Florida, and Lynn of Lamesa; three daughters, Pauline Lewis of Rochester, Margaret Dalton of Rule and Wanda Heath of Littlefield; 12 grandchildren including Darlene Carter, Lou De Young, and Mischelle Oliver, all of Knox City; and former Knox City resident Tanya Lewis of Littlefield; 12 great-grandchildren and two great-great-grandchildren.

Pallbearers were Roy Kinney Jr., Dewight Kinney, Ronnie Oliver, Ed De Young, Troy Lewis and Gilbert Colmenous.

Honorary pallbearers were Ronald Kinney and Terry Carter.

## City Council Minutes

JULY 11, 1989

The following is an unofficial and unapproved report of the City Council Meeting of the City of Knox City, as presented by City Administrator, Lynward Wilcox.

The City Council met in regular session July 11, 1989 with Mayor Pro-Tem Larry Staggs presiding. Councilmembers Barbara Barnard, Joe Barnard, and Marq Brockett were in attendance. Mayor Derrell Marion was not present when the meeting opened, although he did enter the meeting and preside over the business later in the meeting.

Mayor Pro-Tem Larry Staggs called the meeting to order.

The Invocation was given by Councilmember Rob Harrison.

Public Comments consisted of Mr. Lane Davis meeting with the Mayor Pro-Tem and the City Council to discuss the Retail Merchants' plans for installing a chain link fence at the City Park. This item had been discussed before, and Mr. Davis requested that the project be reactivated. The Mayor Pro-Tem and City Council were in full agreement that the project should be reactivated and that the City would offer full cooperation on the project.

The Minutes of the regular meeting of June 13, 1989, were reviewed. Rob Harrison stated that the Minutes need to be amended to say that Gerald Saffel would be reimbursed the amount of his current personal insurance policy, not to exceed the amount of \$134.00. If TML changes insurance carriers, and if the new insurance carrier will accept Gerald for coverage, then the City of Knox City will cease the reimbursement of Gerald's personal insurance policy. With this amendment, Joe Barnard made a motion, seconded by Marq Brockett to accept the Minutes of the regular meeting of June 13, 1989, and to accept the Minutes of the Special Called Meeting of June 27, 1989, as presented. All voted in favor.

Jamie Early met with the Mayor Pro-Tem and the City Council to request the City's assistance with her Community Project, regarding ridding the City of Knox City of abandoned refrigerators and freezers. The Mayor Pro-Tem and the City Council were in agreement that the City should assist Jamie with this project and that she and Policechief Gil Gillilan could work together on legal aspects of the project.

The Mayor Pro-Tem and City Council discussed to approve to annex into the City of Knox City a certain area of land located east of the Knox City, City limits at Avenue L and Highway 222, as has been requested by Pacific Enterprises Oil Company (USA). Joe Barnard made a motion, seconded by Rob Harrison to annex this area of land into the City of Knox City, and additional land in this area, if possible. All voted in favor.

Councilmember Rob Harrison presented to the Mayor Pro-Tem and

City Council the status of the Red River Authority's development of the Landfill Plan Survey. Rob attended a recent meeting pertaining to this matter and gave the Mayor Pro-Tem and City Council a very informative update.

The following was received and filed: The Time Management Logs that each employee has been requested to keep since the June 27, 1989 Special Called Meeting. After a review of the Logs, the Mayor Pro-Tem and City Council were in agreement that each Department head would need to continue to keep a Time Management Log until the next Regular Council Meeting.

The following were received and filed: The City Judge Monthly Report, the Outside Maintenance Monthly Report, the Fire Department Monthly Report, the EMS Ambulance Service Monthly Report, the Police Department Monthly Report and the City Administrator Monthly Report.

The Monthly Accounting for the month of June, 1989 was reviewed. A motion was made by Rob Harrison and seconded by Marq Brockett to approve the Monthly Accounting. All voted in favor.

Mayor Pro-Tem Larry Staggs requested a motion be made to go into Executive Session to review the Police Department. A motion was made by Rob Harrison and seconded by Marq Brockett to enter into Executive Session. All voted in favor. Police Chief Gil Gillilan, Sgt. Dean Homstad and Patrolman Gerald Saffel entered into Executive Session for review with the Mayor Pro-Tem and City Council. At this time, Mayor Derrell Marion took over as the presiding authority of the meeting.

A motion was made by Larry Staggs and seconded by Barbara Barnard to come out of Executive Session and resume into open meeting. All voted in favor.

No action was taken at this time.

A motion was made by Joe Barnard and seconded by Marq Brockett to adjourn. All voted in favor.

## Ninth Sign-Up Period For CRP Is Underway

The U.S. Department of Agriculture opened a ninth sign-up period July 17 which will continue through August 4 for the Conservation Reserve Program (CRP).

To enroll in the program, farmers must submit bids indicating the per acre rental payment they would accept to keep their land out of crop production and into conserving uses for ten years, according to County Executive Directors of the Knox and Haskell County Agricultural Stabilization and Conservation Service offices. Applicants also must provide a cropping history for 1981 through 1985.

In addition to highly erodible cropland, farmers may bid to enter filter strips, cropped wetlands, certain water bank program acres and cropland subject to scour erosion into

the CRP, according to county directors.

The CRP allows each farmer to receive up to \$50,000 per year, based on the bid per acre and the number of acres under the 10-year contract. Rental payments are made annually to producers with approved contracts, and cost share payments are made after the conservation practice is completed.

Nationally more than 30 million acres have been enrolled in the CRP under contracts entered into during the first eight signups. The goal is to bring 40-45 million acres into the program by the end of 1990. The CRP is designed to help farmers prevent or control critical soil erosion and help adjust the production of surplus agricultural commodities.

## Emergency Farm Loan Applications Being Accepted

Applications for emergency farm loans for losses caused by flooding, hail, and severe storms are being accepted at the Farmers Home Administration (FmHA) office located in Knox City, FmHA County Supervisor Bobby G. Cude said today.

Knox County is one of 29 in Texas recently named by Secretary of Agriculture Richard E. Lyng as eligible for loans.

Cude said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or \$500,000 whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest rate is 4.5 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FmHA emergency loan," Cude said.

Farmers participating in the PIK or Federal Crop Insurance programs will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until February 15, 1990 but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly over into the new farming season," Cude said.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

## R·E·C·I·P·E·S

American Heart Association  
Crispy Baked Chicken

Summertime means picnic fun. Fill the basket with this low-fat, low-cholesterol, finger-licking chicken. Add biscuits and coleslaw and have a day you'll remember.

- 1 frying chicken (2 1/2 to 3 pounds), cut into serving pieces
- 1 cup skim milk
- 1 cup cornflake crumbs
- 1 tsp. rosemary
- freshly ground black pepper

Remove all skin from the chicken; rinse and dry the pieces thoroughly. Dip in milk, mix cornflake crumbs with rosemary and pepper, and roll in the seasoned crumbs. Let stand briefly so coating will adhere.

Place chicken in an oiled baking pan. (Line pan with foil for easy clean-up.) Do not crowd; pieces should not touch. Bake at 400° F. for 45 minutes or more. Crumbs will form a crisp "skin."

Yield: 4 Servings

**Picnic Tip:** Make your picnic a heart-healthy one. Substitute carrot, cucumber and celery sticks for chips; fruit for cookies; and juices for soft drinks.

## Representatives Approve Disaster-Relief Legislation

WASHINGTON - The U.S. House of Representatives on Tuesday (June 27) approved disaster-relief legislation to help farmers offset the effects of weather-related crop damage.

U.S. Rep. Bill Sarpalius, a primary sponsor of the legislation, H.R. 2467, said the move may prove a life-saver for the economy of the 13th Congressional District.

"If we don't get this legislation signed into law, we're going to have real trouble in the district," said Sarpalius, D-Amarillo. "I'm very pleased the House chose to act quickly on this legislation. It gives us a real chance to contain the disaster."

Sarpalius said statistics indicate Texas 1989 winter wheat crop will drop to 55.8 million bushels, a 42-percent decrease from 1988 levels. Without disaster relief, he said, such a loss will have a ripple effect throughout the state economy.

"We heard testimony during our recent (House Agriculture Committee) hearing in Amarillo where bankers told us that 25 percent of their

customers were agriculture producers," Sarpalius said. "These bankers told us that—without disaster relief—none of those customers could escape financial hardship and that at least 10 percent of the customers would go out of business."

"If that isn't an example of adverse economic impact, then I don't know what is," he said.

Instead of letting the economy absorb such catastrophic losses, H.R. 2467 guarantees disaster-relief payments to farmers who lose at least 35 percent of their crop to inclement weather. Payments to individual farmers will be based on the exact amount of crop damage incurred and participation in government acreage reduction programs.

"These payments will guarantee some type of income is coming to the producers of our district, and that should keep problems from getting too bad," Sarpalius said.
