### Straight Talk

By Dave Thompson

This was in last week's issue of The Lynn County News in a front page column by Dalton entitled Woodwork. It's about an alleged newspaper advertisement that was passed on to Dalton. "WANTED: A good woman who can clean and cook fish, dig worms, sew, and who owns a boat and motor. Please send photo of boat and motor." That story reminds me of some fishermen I've known, the kind whose fish grow bigger and bigger the further the fishermen gets from the lake!

## **School Bells** To Ring Here On August 28

It won't be long now until school bells in the Knox City-O'Brien CISD will ring. Classes for students this year will begin Monday, August 28, and teachers will report for in-service on Monday,

Two-a-day workouts for this year's Knox City Houndettes will begin on August 14. Seniors and juniors are to report to the KC gym from 8:00 to 10:00 a.m. with sophomores and freshmen to practice from 6:00 to 8:00 p.m. First scrimmage for the Houndettes will be Monday, August 21, at Colorado City where the girls will meet both Colorado City and Plains. Plains is the defending state champion in Class A girls' volleyball. Freshman girls should report for their physicals at Dr. Newton Neufeld's clinic on August 9 and 11 at 3:30 p.m. according to Coach Linda Haragan.

Greyhound football team members will report for their workouts on August 14 beginning at 8:00 a.m. at the practice field on the Knox City campus. Players are asked to report to the KC fieldhouse on August 9 at 9:00 a.m for the purpose of issuing two-a-day equipment. All necessary paperwork needs to be turned in at this meeting, Coach Pat Risinger said.

B and practice will begin Thursday, August 10, from 9:00 a.m. to 12:00 noon and from 6:30 until 8:30 p.m. No practice will be held the week of August 14 through 18 but will resume on Monday,

A new faculty member, Robert Brandon of Friona, has been employed by the school as a junior high and high school assistant coach. His wife, Vicki, has been employed as a teacher's aide and they have a son, Jason, who will be a sixth grader

# Johnson Farms Featured In Sunday Abilene Paper

Highlighting the first annual Knox County Watermelon Festival sponsored by the Knox City Chamber of Commerce and the Knox County Horticulture Committee was Johnson Farms taking grand champion and reserve champion honors with seedless watermelon and All-Sweet watermelon entries, respectively.

J.T. Smith, farm editor of The Abilene Reporter News, featured Donald Johnson in the Sunday edition with a double spread news article and pictures in color.

Donald began his commercial melon growing as a small operation when a Hispanic man wanted to buy a small amount of melons and encouraged him to grow more.

According to Smith's article, everything changed about seven years ago when the father of seedless watermelons visited the Munday and Knox City area. Dr. O.J. Eigsti was visiting with Herb Partridge, a Munday farmer who brought seedless melon production to Knox County in 1964. Dr. Eigsti needed to increase production to meet the rapidly growing demand for his seedless melons throughout the world, and the many years of top production by Partridge had thoroughly convinced Dr. Eigsti that with irrigation, the sandy loam soil and climate of the Rolling Plains was the most ideal place in the nation to produce his seedless melon.

### Fire Dept. **Purchases Rural Truck**

Fire Chief Roland Marion has advised the News office that a used fire truck for fighting rural fires has been purchased. The four-wheel, two-ton Ford was purchased from a Seymour company for \$10,000.00. A \$5500.00 grant is also scheduled to be received toward the truck.

With approximately \$2000.00 being received in donations, a total of \$5500.00 is still needed to take care of the "extras" including the pump, tank

and fittings for the truck. Chief Marion said county officials have been asked to help with funding and rural residents should contact their county commissioners, Billy Gene Johnston or Bobby Roberson, asking them for assistance. He stressed that the responsibility of funds is that of the rural residents; however, anyone is asked to make a donation. These may be given to any member of the fire department or may be left at City Hall, Marion said.

Realizing it would take more than Partridge alone to meet the world demand, Dr. Eigsti approached Donald, asking if he would grow seedless melons for

When Dr. Eigsti decided to retire recently, after 50 years' work with seedless melons, he put his company, the American Seedless Watermelon Seed Corp., up for sale.

Johnson along with an Oklahoma farmer, Arizona grower, and one of Dr. Eigsti's sons, a New York lawyer, bought the company and reorganized it in 1987 as "American Seedless Corporation." That company does the marketing, and Johnson's company at Knox City, "American Sunmelon" produces the melons and the need for seedless production.

Johnson finds top farmers to produce the triploid seed for seedless watermelons. There are six seedless growers in Knox and Haskell counties, including Johnson. Johnson has more than 600 acres of melons around Haskell and Knox counties-most of it his own acreage. He uses wheel, pivot, and flood irrigation, and he has more than 250 bee hives that he gets from a honey farm outside of Anson to pollinate the seedless melon vines.

All seed, no matter where grown, are sent to American Sunmelon headquarters four miles east of Knox City. They are packed in bright, shiny sacks that are labeled and well-sealed, and shipped all over the world. This includes sending the seed to various seed distributors in Texas.

A few of the countries where the seeds are shipped from Knox City include Israel, Spain, South Africa, Central and South America, New Zealand, Australia, and Mexico.

Johnson said, "We export more seed to Israel for them to grow seedless melons than we grow in the U.S. That's hard to believe since Israel is not very

Within the U.S., the seed is shipped from Knox City to seedless growers in California, Arizona, Texas, Oklahoma, North Carolina, South Carolina, Georgia, Florida, Maryland, Indiana, and Kentucky.

To help with the seed supply year around, Johnson has established seedless operations in Chile, El Salvador and Mexico for seedless melon and seed production in the winter for his American Summelon Com-

Donald and his wife, Fay, said that among their extensive travels, they were most impressed with Chile, describing how clean the country is, how friendly and courteous its people are, and how interested its children are in learning about the U S.

Brazos Electric Power Cooperative, Inc., P.O. Box 2585, Waco, Texas 76702-2585, is applying to the Public Utility Commission of Texas to amend its Certificate of Convenience and Necessity within King, Haskell and Stonewall counties

The proposed project consists of constructing approximately 20 miles (32.19 km) of 138 KV (initially operating at 69 KV) wood H-frame transmission line on a 100-foot (30.48 m) right-of-way, and the 138/69 KV, 9,375 KVA Katz substation to serve a new oil field load and to provide loop service to existing substations in the area now being served radially.

The proposed route originates at the existing Brazos Electric Cooperative Knox substation located approximately 2.33 miles (3.75 km) west of O'Brien (in Haskell County). The route heads westerly for approximately 8.0 miles (12.87 km), crossing the Brazos River in Stonewall County, and connects the new Brazos Electric Cooperative Katz substation located just south of the King County line. From the Katz substation the route will head northwesterly for approximately 12.0 miles (19.31 km), terminating in the existing Brazos Electric Cooperative King substation located approximately 11.5 miles (18.51 km) southeast of Guthrie (in King County).

The estimated cost of the project is

ON HAND FOR FILMING the feature story on Clay's and Scooter's Sno-Cone Factory by television station WFAA of Dallas were, from left, Traci and Amy Deering, Scooter Thompson (running), Stephanie Williams, Reed Underwood, and A.J. Cooke. WFAA reporter and cameraman John Pronk is shown in the left center of photograph. Before leaving Knox City, Pronk told Buddy Angle, "The kids of Knox City who were at the Sno-Cone Factory are the nicest looking and the most well-mannered I have ever worked with." The story aired on the 6:00 p.m. news on WFAA last Friday, July 28. (News Photo)

### Ex-Sheriff Promoted At Baylor

Baylor University Department of Public Safety Officer Morris E. Nix, a former resident and longtime law enforcement officer in Knox County, has been appointed to the position of Operations Lieutenant at Baylor, according to Police Chief Jim Doak, Director of the Baylor DPS. The promotion becomes effective August 1,

Lt. Nix became associated with Baylor University in July, 1988 as a Patrol Officer and was promoted to Sergeant and Patrol Supervisor in October. He was chosen for the newly created Operations Lieutenant post from a field of over 20 applicants whose resumes and personal interviews were reviewed by a panel consisting of the DPS Director, various Baylor administrators and other McLennan County Peace Officers.

Lt. Nix will be responsible for directing the Department's criminal investigation unit as well as overseeing the operation of the 14 commissioned officers who make up the Department's patrol force. His job duties will also include evaluating the performance of Patrol Supervisors, coordinating special events on campus, assisting in the development of new programs and training of employees.

Baylor University, the largest Baptist Church-affiliated institution of higher learning in the world, is located in Waco, Texas and has a student population of approximately 12,000. The DPS employs some 30 personnel, including 20 commissioned law enforcement officers.

### ATTEND ALL-STAR GAME

Byron, Anna and Greta Waldrip were in Stephenville July 22 to attend the All-Star Six Man Coaches Conference and Basketball game.

One of Greta's former players, Gina Harris of Goree, participated in the first ever girls game. Gina's team won in an exciting contest with the final score being 61-60.

# County Youth To Display Interior Design Skills

4-H Club members from Knox County will exhibit their skills in interior design and selection of home furnishings at the Rolling Plains District 4-H Home Designer Event in Archer City, Tuesday, August 8.

Taking part in the event will be Kandis and Andrea Longan of Munday and Rhonda Whitten of Benjamin.

The project helps 4-H'ers acquire knowledge of interior design and develop skills in selecting home furnishings. They must prepare a poster showing a room arrangement and exhibit a coordinating home accessory

as part of the contest. A special division in energy efficiency will be sponsored by West Texas Utilities Company.

In Archer City, youths will display their poster and accessory and be interviewed by judges about interior design and furnishings. Judging will begin at 10:00 a.m. in the Activity Building at Archer City, with awards presented at a public ceremony at 11:30 a.m.

# TV Taping Airs July 27

KNOX CITY again received recognition when John Pronk of WFAA-TV in Dallas taped a TV segment on Clay's and Scooter's Sno-Cone Factory. The taping aired from Dallas last Friday on the 6:00 p.m. newscast.

Pronk called Buddy Angle after seeing a newspaper article on the sno-cone stand that was published in *The Wichita Falls Timeb/Record News* in May 1986, asking if he still sold frozen pickles and also if he could come out and get an interview.

Angle was pleased that his grandsons' business was novel enough to attract that sort of coverage both for the boys and for the town. He also was pleased when former resident Lyndol Cypert of Richardson called him immediately after the newscast asking if he could have a pickle juice sno-cone!

KTAB-TV in Abilene taped an interview the same day and aired it on Monday, July 24. The Abilene segment played up the family legacy wherein Buddy explained that the grandsons, Clay Hewitt of Lubbock and Scooter Thompson of Knox City, share in the profits of their business for their college savings, and that he is also teaching them how to work. The Dallas taping dealt with the novelty of the frozen pickles and the pickle juice snocones.

Clay, who has spent most of the summer here, was on vacation in Houston and did not make it back in time to be a part of the TV taping.

By GLADENE GREEN

Another weekend has come and gone and as is always the case at this time of the year, there was much going on all weekend. Seems everyone in town had somewhere to go, something to or someone to come and visit. The weather was hot but not unbearable. Typical July and though the several days of cool breezes and lower temperatures sort of spoiled us, we have to remember that we are still in the summer months and many hot days probably lie ahead of us. Wouldn't a rain be nice?? Our crops and thirsty lawns, trees, shrubs and flowers would sure benefit from some Heaven-sent moisture.

The community get-together for food, fun and fellowship Friday night proved to be very well received. Lots of good food including homemade ice cream was enjoyed by those in attendance. Games of 42, 84, dominoes and cards plus a bunch of visiting followed. Everyone is already wondering when are we gonna do this again? And we hope it won't be long.

Bertha Driver returned home Tuesday after a stay and surgery at Wichita General. Her daughter, Carol Judiscak of Farmington, New Mexico, is here to see that she takes it easy for awhile. Carol told me today that her mom is doing better and appreciates all her cards, calls and other acts of kindness shown her while she's "out of commission.

Dorthy Hibdon returned home Thursday also, after surgery. She's doing good too and like Bertha and our other friends who have been ill is very appreciative of the concern show her and her family.

Hes Hall underwent heart surgery last Tuesday in Lubbock. He made it fine. Was released on Friday and was able to go to a family reunion of Louise's folks at Pecos during the weekend. They were accompanied to Pecos by their daughter, Jan Hunt and children of Vernon.

Dora Patterson of Vera and now a resident of the Munday Nursing Home is in Bethania Hospital in Wichita Falls for therapy. She is the mother of Benjamin resident, Rex Patterson.

James and Jimmie Klutts received word of the death of James' cousin in Midland. This was also a cousin of Henry Rogers. They plan to attend the funeral tomorrow (Tuesday) in

Henry Rogers is in Dallas today (Monday) for results of tests he underwent a couple of weeks ago. Depending on the outcome of these tests it will be determined whether or not he

will have to undergo heart surgery. Audrey Nolan, in the Care Home in Knox City, is not feeling too well. She's developed a terrible cold and feels rather puny these days. Philomae Roberson's mom, Lona Feemster also is having some difficult times. These two people are very special and I ask you to remember them and their families in your prayers. And remember all who are undergoing troubles and heartaches during this time. HERTEL-JUNGMAN REUNION

On Sunday, the decendants of the Hertel and Jungman families met for a family reunion. The all day get together was held at the Benjamin Memorial Building. Lots of good food and plenty of visiting was enjoyed by over 100 folks in attendance.

Those attending were: Charles Hertel and Frances Rogers of Midland, Rose Ellen and Daniel Albus, Judy and Larry Hertel and children and Andrea and Jayson Haynie of Lubbock, Valevia Pickerall of Littlefield, Frank and Ida Simmacher, Anna Belle Walker and Lydia Green, Johnny and Katherine and Kirby and Ratha Hertel of Coleman, Oklahoma, James and Carol Duke of Throckmorton, Sherri and Andrew Morrison and children, Tim Hertel and Lawrence and Shirley (Herring) Holub of Wichita Falls, Dan and Sonva Hamilton of Fillmore,

Oklahoma, Herbert and Velma Lou Lamnert and Mike and Cheryl Hertel of Rule, Tammy Brothers of Stamford. Joe and Janice Cannon and children of Abilene, Rick, DeeAnn and Kristin Arnett of Denton, Dwayne and Margaret Herring and Megan of Amarillo, Mary and C.H. Herring Jr. of Breckenridge, Kenneth and Eloise Hertel of Hamlin, Bill and Margie Hertel of Sagerton, Johnny and Gail Baitz and children of Old Glory, Craig Hertel of Gainsville, Kent Hertel of Weatherford, Oklahoma, Bill and Glenda Hertel, Alvin and Glenna Jungman, George and Dorthy Marak of Seymour, Mary Hertel, U.J. and Rosemary Bellinghausen, Charlette Brown and children, Peggy and Walter Hertel, Robert and Valera Hertel, David Hertel, Clara and C.H. Herring Sr. and Rickie and Diane Herring all of Munday, Johnny Paul Hertel of Coleman, Oklahoma, James and Janice Albus of Knox City and Dennis and Pam Duke and family, Nora Duke, Nora Hertel, Don and Louise Hertel, Rex and Maretha Patterson and Odessa Cox all of Benjamin. I hope I haven't missed

They all said they sure had a good

BROWN-McMINN REUNION

On Saturday also at the Benjamin Memorial, the Browns and McMinns got together for a reunion. I'm told there was about 60 on hand for that. Some came from as far away as California and Arizona. The event was marred by an accident suffered by a niece of Era's who broke her leg after getting to Era's house Friday night. She was taken to the Knox County Hospital Friday night and transported on to Abilene Saturday and was to undergo surgery in Abilene

The lady's name is Opal Fortenberry and she is a resident of Brownwood. Other than that the rest of the weekend went fine and my informant, Stanton Brown, said they all had a good time. HERE 'N THERE

Jan and Homer Rolston were in San Angelo for the weekend. Their daughter, Jennifer, returned home with them after spending several days with her sister, Lorrie.

Jan Carver, accompanied her brother and sister-in-law, Dennis and Evelyn Anderson of Miami, on vacation in Northern New Mexico last week. She said it was so cool and nice up there, she hated to come home. Said one day they went up on top of Elk Mountain (14 miles) on four wheelers. Said the clouds were right on top of the mountain and it sure was pretty.

Grace Snailum called Nora Duke Sunday. She said Grace is feeling good but homesick. She sends her best to all

Local folks attending the 5th Sunday meeting at Gilliland Church of Christ on Sunday were Jim and Barbara Pratt, Virginia Griffith, Dub and Jo Cartwright Susan Tracy Ashley and Matthew Cartwright, Ruth Ressell and Bobby Brannan.

Kenneth and Jessie Roberts accompanied by their grandchildren, Zeke and Rachel Duke visited their son and uncle Bill and Sue Roberts in Woodbridge, VA recently. They did some sight-seeing on the way and also on the way back. Sue returned home with them and will visit here a couple of days, then visit her folks in Windthorst

before returning home.

And now for the latest cemetery donors. They are Ozelle and Galen Kilgors, J.D. and Annie Brown, Georgeanne Burnett, Bob and Kathy Burnett Bowen, Mr. and Mrs. Franklin Alexanser, Hazel Stockton, Imagean and Dutch Young, Butch and Letha Young, Billie Faye and Bill Cummings, Pat Benson, the Barnard family and Buster and Louella Tolson. We appreciate all we get.

Penny Hedy and Kendra Eaton of Mobile, Alabama, visited her parents, Bill and Dorthy Spikes a few days last week. Also visiting their parents were Ty, Cindy and Christopher Spikes of Johnson, Kansas, and Guy and Donna Spikes and Matthew and Sara of Haskell. While Penny was here she and Dorthy visited Bill's mom Lois Spikes in Wichita Falls and with Rusty Spikes and family in Amarillo. Penny and the girls left Thursday enroute home. They planned to stop in Iredel to visit her grandmother, Veta Campbell

### Streams In Desert Places By Ozelle Stephens

God's promises are for you if you have become partakers of the divine nature. You have nothing to fear. You can rest assured that He is your all in all. He is your strength, your protection and supplieth your every need. His presence will overshadow you every day. "Teaching them to observe all things whatsoever I have commanded you; and lo I am with you always, even unto the end of the world. Amen."

He will guide you for He promised in Ps. 32:8, "I will instruct thee and teach thee in the way which thou shalt go; I will guide thee with my eye." He promised to make the Intercession for us. "Who is he that condemneth; It is Christ that dies, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us.

His grace shall ever flow upon you from that living foundation that will sustain you all your life, for His promises are, "And God is able to make all grace abound toward you, that you always having suffiency in all things, may abound to every good work." II Cor. 9:8.

He will also give you victory over temptation. "There hath no temptation taken you but such as is common to may; but God is faithful who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it." I Cor. 10:13.

NOTICE

Dr. Terry L. Springer

has announced

that he will continue

his Knox City practice

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated

that over 37,000 women die each year as a result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. (The cost is only \$60.00)

A mammogram can detect a cancer this small, even before it can be felt.
