Greyhounds Back On Track Defeat Motley County

By Dave Thompson

Traveling northwest to play for their first district game on the road, the Knox City Greyhounds rebounded from a defeat at the hands of the Spur Bulldogs last week with victory over the Motley County Matadors last Friday night.

Opening the game on defense, Knox City allowed the Matadors only one first down prior to forcing a punt back to the Greyhounds. Taking over on offense, Knox City wasted no time in establishing a ground game with solid runs by Billy Wayne Large and Alex Ledesma. With Ledesma punching the ball across the line for short gains, Large took the Matadors by surprise with a long yardage romp down the left side. Without allowing Motley County a chance to rest, Large crossed the goal line for a touchdown just two plays later. With the extra point attempt by Augie Rodriguez missing the uprights, Knox City took an early lead 6-0 over the Matadors.

Working with a stalled offense, Motley County soon punted back to Knox City on fourth down and allowed Large and company a chance to get

back to work. A fumble between center and quarterback on the first play of the series quickly turned the ball back over to Motley County deep in Greyhound territory on the 25 yard line. Richard Davenport showed how to sack a Motley County quarterback and was instrumental in forcing the Matadors to turn the ball back over to Knox City after just one short series.

With runs by Ledesma and Large and a long pass completion from Large to Boyce Tankersley, Knox City wasted no time in moving the ball back into Matador territory. A touchdown run by Large had the Knox City fans cheering, but the play was called back on a Greyhound clipping penalty. The first play of the second quarter saw Andy McCrary gain a few yards up the middle, but once again a Greyhound penalty moved the ball in a reverse direction. On 1st and 21, Large threw to McCrary, but the incomplete pass soon brought about a 2nd and 21. A long pass from Large was next, but all Greyhound receivers were covered. A short gain on a Large to Ledesma run preceded a punt back to the Matadors on fourth down. What appeared to be a

scoring drive had been stopped by Knox City mistakes and penalties.

After three plays that went nowhere, Motley County punted back to Knox City with Andy McCrary receiving the kick and running it back to the Matador 33 yard line. With quarterback duties split by Large and Andy Williams, Knox City began a slow but steady march down to the end zone. Alex Ledesma soon picked up a first down near the goal line but another Knox City penalty brought the ball back out to the 16 yard line. Large ran

Fun Festival Is Fun!

T.A.P.S. coordinator Pat Gonzales reports that the Fall Fun Festival was a grand success and those involved had a super good time Saturday.

The profit and expense sheet had not been released as of press time, so readers are reminded to watch the News next week for that report.

Mrs. Gonzales said that the beautiful weather, the lively music from the Brownie Tackitt Band, the time, money, food, and merchandise all made the day extra special for fun and fellowship.

"We cannot forget to thank all of those who donated time and money to get this project off the ground. If we can keep supporting the merchants and the good people who give freely of their time, we will be paid back twice fold. All our efforts go to the building of the storm cellars for the elementary

wings, and we hope to provide more fun and profitable events for our town and the surrounding area," Mrs. Gonzales said.

In case the concession and ticket stand looked familiar, Jobe's Fireworks made it available for the day and Terry Jobe and Shelton Boyd hauled it down.

Anthony Logsdon, Bill Groves, and Derrell Parker dished out really good hamburgers, while Sammy Rodriguez Offield and Betty Bailiff served popcorn balls, carmel apples, rice krispies, brownies, nachos, cupcakes, and sandwiches.

The many booths were swamped by the anxious children fishing, ring tossing, dart throwing, ring and football throwing, shooting the candle out and winning the Batman and Ghost Buster bean bags that were so pain-

stakingly made for the event.

The cake walk was so successful that winners were looking for the cooks so they could order cakes for Halloween.

Mrs. Gonzales expressed much appreciation to Rick Gonzales and Roland Marion for their braving the ice cold water in the dunking booth and also the kids who participated.

"And," she asked, "where could you go to get your face painted and pony ride all in the same place by a petting zoo?"

Gracie Ramos served as chairperson for the booths, assisted in the Cake Walk by Pam Bloxham of the Circle Club, Rosa Flores with Rosa's Darts, Mario and Gracie Ramos with the Bean Bag Toss, Rick and Cindy Gon-

for another first down and Andy McCrary scored with a run up the middle on the next play. A two point conversion attempt with a run by Ledesma failed and with 5:37 showing on the scoreboard for the remainder of the first half, Knox City led by a score of 12-0.

With 2:21 left in the half, Matador finally moved across the goal line after a strong series with short yardage runs down the field. Their extra point attempt was good and brought the score to 12-7.

The next series by Knox City included another aerial attack with an incomplete pass to Tankersley, complete passes to Willie Rodriguez and Trevor Lane and an incomplete pass to Andy Williams. Another long pass to Tankersley was almost intercepted by Motley County when the ball went long. A run by Large and a long incomplete pass in the end zone to Boyce Tankersley ended the series for Knox City as Motley County took over on downs.

Just two plays into their next series, a Matador receiver dropped the ball after he was popped hard by two different Greyhounds. Knox City's Andy Williams recovered the fumble just as the buzzer sounded to end the first half.

A low kick to Greyhound Bubba Manuel started the second half action. Another fumble from center to quarterback started the next offensive series, but Large was able to recover the ball before being hit hard by several Matadors. A two yard run by Large on a botched option play and another Large run that went nowhere forced Knox City to punt to Motley County on fourth down.

A defensive stand by Knox City and several Matador penalties soon had Motley County facing a fourth and 17. The punt to Knox City was taken by Andy McCrary and returned all the way down the field to the Matador 37 yard line. A one yard run to the left side by Large was followed by a handoff to Tankersley that earned a five yard penalty. The next play saw Large scramble to the left sideline before throwing the ball to Andy McCrary for a 20 yard gain. Both Large and McCrary took solid hits as the play picked up needed yards for Knox City.

Another short option run by Large was quickly followed by a pass to Andy Williams for another Knox City touchdown. A beautiful play, Williams reached high and took the pass while covered by three Matador defenders. Williams was shaken up on the play, but had another touchdown to his credit. Another two point conversion attempt failed and the scoreboard showed Knox City 18, Motley County 7 with 3:55 remaining in the third quarter.

Utilizing the rest of the third quarter, Motley County was able to move the ball with short runs but the ball soon went back to Knox City on downs as Knox City took over on offense for the first time in the fourth quarter.

Starting from the Matador 27 yard line, Alex Ledesma immediately picked up eight yards with a run to the right side before McCrary picked up a

first down on the next run. Ledesma picked up a few more yards before a no yardage run by Large and a penalty put Knox City into a second and 14 play. A long pass completion from Large to Tankersley immediately picked up another first down and gave the Greyhounds a little breathing room. Ledesma then ran for two yards with several Matadors combining their efforts to bring him down. Ledesma again took the ball and went right up the middle for yet another first down, this time at the Matador 30 yard line. Another first down run by Ledesma placed Knox City inside the 20 yard line of Motley County. A loss of two yards by Large and a penalty set Knox City back before Ledesma ran the ball to the 11 yard line for what looked like another Greyhound scoring opportunity. That opportunity soon ended as quarterback Andy Williams threw a near goal line interception on the next play.

With 4:51 remaining in the game, Matador took over possession deep in their own territory to give the Greyhound defense a real test. Knox City defenders quickly passed the test and forced Motley County to punt on fourth down and turn the ball back over to the Greyhounds in Matador territory.

Large took the ball first and moved to the 23 with a right end run, then Ledesma ran the ball down to the 16. A handoff from Williams to Ledesma went right up the middle for a touchdown, but once again a Greyhound penalty called the touchdown back.

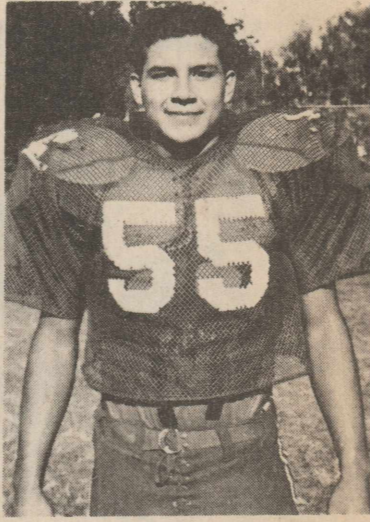

The play still picked up a first down and Knox City started a drive to the goal once again. Runs by Large, Ledesma and Williams soon moved the ball back to the 15 yard line. A third down screen pass picked up a couple of yards but the Greyhounds found themselves in a 4th and 8 situation before they called a time out to confer with coaches on the sideline. The next play saw Large back in as quarterback and he immediately threw a long pass for another Knox City touchdown. The point after kick was good as Knox City jumped ahead 25 to 7 with :49 seconds left in the game.

As expected, the last series by Motley County opened with a long pass but the receiver was not a Matador. Billy Wayne Large thrilled the crowd as he intercepted the ball and ran it back to the 29 yard line. A penalty against Knox City set the Greyhounds back 15 yards, but Knox City took over for the remaining two plays of the ball game. When the final buzzer sounded, the scoreboard read 25 to 7 in favor of the visiting Greyhounds.

Player Of The Week

ALEX LEDESMA

By Dave Thompson

The choice for Player of the Week was not an easy one this week. It was actually a three way tie between Alex Ledesma, Andy McCrary, and Billy Wayne Large prior to the fourth quarter of action.

The action at the end of the game saw good runs and an interception by Large, but the name that was called over and over for hard earned yardage and good field position was Alex Ledesma. His efforts on play after play showed the kind of athlete this young man is.

In past years, the Greyhounds have had nicknames for one another. A good nickname for Alex Ledesma would be "second effort Alex." He earned that distinction last Friday night by showing all that second effort is what the game of football is all about. Congratulations, Alex.

Local Women Visit Nashville, Branson

Polly Marion, Judy Anderson, Grace Welch, and Elizabeth Hines have returned from a trip to Nashville, Tennessee; Branson, Missouri; and Eureka Springs, Arkansas.

While in Nashville, they took a cruise on the General Jackson down the Cumberland River, saw the Grand Ole Opry, attended "Music, Music, Music" with Brenda Lee, went on a tour of Nashville and saw the stars' homes; and attended "Nashville Now".

In Branson, they saw two country western shows and in Eureka Springs, they attended a country western revue.

A special bonus on the trip was the beautiful scenery as the trees were all changing into autumn tones of colors, the women reported.

Hey everybody up in the stands! Everybody, let's make some noise, clap your hands. Fire up! Fire up! Get on up off your seat! Cause KCG has got the beat! B-E-A-T, aaaahhhh...Get up and Spirit Dance! The bon fire last Thursday was a blazing good time. A big "Thank You" to Justin Emerson and John Casillas for putting in their time and effort to make the bon fire possible. You did a great job! Friday has been declared Backwards Day in Greyhound Land. So everyone dress and be as backwards as possible!
Go Hounds! Get a Wildcat!

SOPHOMORE NEWS

By Will Vacek
Well, we survived the week of our six-weeks test. Most of the class went out of the week with smiles. The sophomores suited up with the varsity Friday night against Motley County. The J.V. girls will be playing Aspermont at Aspermont this week. The J.V. football team will play Crowell Thursday night at Crowell.
We are still collecting bugs and leaves for Biology. The speech people have their first tournament this Saturday at Vernon. Hopefully this week we will all go out of the week with smiles again.

FIFTH GRADE NEWS

By Marsha Flye
Mrs. Underwood's Fifth Grade Class elected officers for the school year. We have had three meetings. In the meetings, we have been thinking of things to do to make money. We have been making friendship bracelets. We have made \$22.00 in September. We want to go to the zoo in Abilene at the end of the year.

SENIOR CLASS NEWS

By Leah Rauch
The Seniors are happy to say that six weeks tests have come and gone. Good riddance!
The Hounds won dominantly over the Matadors Friday night. Good job. The Houndettes also came out the victor over Newcastle in district play.
The Current Events match was cancelled due to a cloudburst in the classroom, otherwise known as averaging grades!

FRESHMAN CLASS NEWS

By Lezlee Hearn
Last week was very hectic since everyone was in a frenzy over six weeks tests. Some say last week went by fast because of all the tests, while others say this was the longest week ever because of those dreaded exams.
The bonfire last week was another new experience for us as high schoolers. Let me say that it is a lot more fun being in on the action, although it did get a little hot!
Monday morning came and with it came a lot of sleepy-eyed people. Mr. Collins' 2nd period science class finally livened up when they started experimenting in the lab. Alesha was disappointed when that wonderful smell of rotten eggs and firecrackers didn't clear up her sinuses. She must have had a very bad case!
Well, that is all the news for now. Until next time, smile and don't point a loaded test tube at anyone!

JUNIOR CLASS NEWS

By Stephanie Pepper
Tests, Tests, Tests! We are through with tests, but tests aren't through with us! We are taking Teams tests, EXIT test and getting ready for a Pre SAT test!
The Hounds did a great job against Motley Co. They will be playing Crowell at the Hound stadium Friday. The Houndettes also had a winning week. They beat Newcastle last Tuesday in two straight games. The Houndettes played Lueders-Avoca and Chillicothe Tuesday. Next week they go to Woodson for their last District game.

FFA NEWS

By Nicki Ivie
The FFA joined the FHA in a hayride. While Nicki Ivie was telling everyone about the infamous wollybugger, Matt Maurer was mezzeringing others with his "Joker" laugh.
The members enjoyed hot dogs, chips and cokes. They also learned the difficult task of making Smores. Music was provided by New Kids on the Block and Kristen's stereo.
We want to thank Mr. Burkham, Mr. Dillon, and Mrs. Newton for helping organize the hayride. We would also like to send a big thanks to Mr. Albus for letting us use his place.

FHA NEWS

By Kristen Perdue
Well magazine sales are now over. Everyone did a great job especially Reagan Boice. She had a total of 32 sales. She received a talking alarm clock for having the highest half-way sales of 29 and a giant teddy bear for having the highest sales over all. Donese Fritsche received twenty dollars for having the second highest number of sales with 27.
On Saturday, September 23, the FHA and FFA had a hayride. There were a total of 34 people. The teachers that attended were: Mrs. Newton, Mr. Burkham and Mr. Dillon. We started from the high school bus barn and headed down the road toward the Albus farm. We roasted hotdogs and marshmallows and spied on a wild pig. By the time we got home, everyone's body was covered in dirt.
Monday was the day of the FHA Workshop in Munday. The towns that attended were: Knox City, Munday, Rochester and Haskell. From Knox City were: Mrs. Newton, Kristen Perdue, Starla Whitaker, Shelly Balis, Amber Mahan, Monica DeYoung, Missy Friske, Nicki Ivie, Alesha Rutherford, Amy Deering, and Reagan Boice. Two workshops were led by Jeff Gleason and Gini Franklin.

SOROSIS CLUB NEWS

The Sorosis Club had their first meeting of the year in the home of Lucille Moorhouse on September 7. An international lunch was served by the hostesses, Jessie Roberts and Lucille with each club member bringing a foreign dish. The speaker for the program was Marie Ward of Aspermont, who gave a very interesting report on her travels to Russia. Nine members and three guests were present.

The October meeting was held in the home of Jo Cartwright. After a short business meeting, Jo showed the group her fabulous collection of over 300 dolls. She gave a very interesting presentation, giving a brief history of each doll displayed. Refreshments were then served to ten members, Jessie Roberts, Pearl Ryder, Leola Isbell, Eunice Friday, Bea Parks, LuElla Tolson, Ruth Ressel, Lucille Moorhouse, Jo Cartwright and Louise Hertel and two guests, Nell Hudson and Reyes Barrientez.

Aliene Groves returned home Thursday after several days stay in the Seymour Hospital. She says she feels pretty good but has to go back in a couple of weeks for further tests.

Louise Hertel and Jan Rolston were each back in Wichita Falls last week to see their Drs. since their recent surgeries. They each got good reports and are feeling fine.

HERE 'N THERE

Recent guests of Bobby and Philomae Roberson were Corrine Parrish of Franklin, Tres Pierce and Amy Crawford of Megargel and Jeff Conner, student at Vernon Regional Junior College. They all also visited with Judy Conner and the Jack Waldrons.

Sunday guests of Leroy and Gloria West were Roger, Betty and Sabra Parker of Aspermont.

Faye Dickey of Duman spent the weekend with J.D. and Annie Brown.

Virginia Griffith and I attended the Fall-Fest and Bazaar at the Methodist Church in Munday on Saturday. Saw lots of pretty hand-made items and lots of "good looking" baked goods plus enjoyed a delicious brisket lunch at the church.

Visiting Christine and LaMoyné Patterson during the weekend was her sister, Juanita Oliver of Littlefield. They all attended the Westover Community reunion on Saturday held in the Portwood Pavillion. Christine said she was a 1937 graduate of the Westover school and her sister graduated there in 1935. She said they all had a very good time.

Visiting James and Jimmie Klutts during the weekend were Jimmy and Vicki Belknap and children of Frisco.

Weekend guests of Collins Moorhouse were Mr. and Mrs. Roy Finis McGuire Sr. of Levelland and Mr. and Mrs. Roy Finis McGuire Jr. of Quitman.

Pat Benson recently returned home from an extended visit with relatives in Arlington. Pat, her sister Billie Faye Cummings, Nela Swanner of Tyler and Claudia Rentrop of Nacogdoches enjoyed a tour of East Texas and points of interest in Louisiana.

Rex and Maretha Patterson attended the funeral of Lewis Richards in Dickens on Thursday. On Sunday, they visited Jimmy and Helen Green in Guthrie.

Leon and Jerri Groves of Mineral Wells were here Monday visiting his mom, Aliene Groves.

JUDGES ATTEND SEMINAR - Ninety-seven justices of the peace from Region 10 attended a 20-hour seminar Sept. 5-8 in Amarillo conducted by the Texas Justice Court Training Center headquartered at Southwest Texas State University in San Marcos. The seminars are held in compliance with Supreme Court Rule and Statute (Art. 27.005) Texas Government Code. Topics covered include a review of new laws recently passed by the 71st Legislature, civil procedure, code of judicial conduct, landlord/tenant law, bonds, appeals, auditing procedures, administrative hearings and distress warrants. Attending were, left to right, Ruth Gobin, Precinct 1, Wilbarger County; Imagean Young, Precinct 2, Knox County; and Loyd Robertson, Precinct 1, Baylor County.

The Young brothers and sisters met at the home of Butch and Letha Young in Iowa Park over the weekend for a get together. All were present. They include Durward and Dorothy Nell West of Arlington; Bill and Billie Faye Cummings of Henderson; Mary and Jack Young of Lubbock; Pat Benson and Dutch and Imagean Young of Benjamin; and Butch and Letha. Reports are that they had a super time.

NOTICE! Jimmie Klutts asked me to put a note in this column that someone has left a lid to their ice cream freezer at the Memorial Building. Says it has been there quite some time and if anyone is missing one, it probably is yours. Go by there and I bet she'll let you have it. After all an ice cream freezer is not worth much without a lid!!

NEW ARRIVAL

Debra Kay and Hassan Ebrahaim are proud to announce the arrival of a baby daughter, Nathiesia Katrine who

arrived Monday morning, October 1 right after mid-night in a Killen Hospital. She weighed 7 lb. 20 oz and from all reports is the prettiest thing there ever was! Her maternal grandparents are Tom Brooke Hudson and Katrine Hudson. The paternal grandparents live in Egypt. Reports are that the entire family is doing fine!

We had 3 very generous donations made to the Cemetery Association last week. They came from Mr. and Mrs. Jim Harris, Mrs. W.T. Labit and Mrs. John McStay. As always, very appreciated.

And last but not least, the Moguls had another easy victory Friday night. Here on it may not be all fun and games and though I'm an optimist and think they will finish the season in good standing I do feel the rest of the year they will have to work for their victories. But boys, I have faith in you and I think you can continue your winning ways!

Z.I. Smiths Return From Wisconsin Tour

Z.I. and Mary Beth Smith have returned from a bus trip to the Wisconsin Dells. The Smiths left Fort Worth on a motor coach and before returning home, had traveled on every type of transportation. The couple rode behind horses on Mackinac Island, rode a ferry to and from the Island, took a boat ride through the Soo Locks, a train trip from Sault Saint Marie, Ontario, Canada, up into the canyon. They reported the leaves were at their peak in turning and were quite a beautiful sight. They flew home from Little Rock, Arkansas.

The Smiths went up in the Arch at St. Louis in a small five person elevator. While in St. Louis, they stayed at the Hyatt Regency, which is a part of the old Union Station for railroads. They reported it as being the most elaborate railroad station they had ever seen and

were quite impressed with it.

Their stay in Madison, Wisconsin, was just across the street from the State Capitol. They reported being fortunate enough to have two representatives from that state conduct a tour for them.

After leaving the tour in Little Rock, some of Z.I.'s relatives came after them and they visited in Hot Springs for several days. The Smiths also visited enroute home with their children in Hurst and Bedford.

RETURN FROM OREGON

Mr. and Mrs. Frank Woodall have returned from a two week visit in Staton, Oregon, with their daughter, Nancy Peterson; her husband, John and family.

Johnson Descendants Have Reunion

Descendants of the late Andrew and Willie Johnson met this past weekend at the homes of Lola Hudson and Mona Cook.

Attending were Mary Johnson, Latreace Lane, Karen and Chelsea Patton, Alice Reneau, Charles and children of Munday; LaRue Patton of Weinert, Wanna Hunter, Mr. and Mrs. Tim Hunter and children of Iowa Park; Burl Johnson of Ranger, Ellis Johnson and Kitty Williams of Hamlin, Mr. and Mrs. Wayne Iley, Mr. and Mrs. Richard Iley and children of Dublin, Mr. and Mrs. Delbert Beauchamp of Ripley, Mississippi, Mr. and Mrs. Al Rogers of King, Wisconsin; Mr. and Mrs. Dan Auringer of Lewisville, and Mr. and Mrs. Sidney Page of Odessa.

Other guests included Stacy and Scooter Thompson, Buddy Angle, Mrs. Mat Verhalen, Mr. and Mrs. Johnny Michaels, and Leroy Davis.

IN ABILENE

Betty Skiles and son Bruce were in Abilene last Friday and Saturday to watch Betty's grandchildren participate in various school activities.

On Friday night they attended the Cooper-San Angelo football game at Shotwell Stadium and watched 15-year-old Kandi Zeissel perform with the Cooper Band. The band has been invited to appear in the Rosebowl, Betty says.

On Saturday they attended the Pop Warner Pee Wee football game and watched seven-year-old Amanda Ward perform with the cheerleaders. Amanda is the daughter of Pam and Tommy Ward.

Also, on Saturday, they attended a Big Country soccer game where four-year-old Cole Ward played with the Redbird team.

OMISSION

In the recent article of the 15th birthday celebration of Christy Rios, the name of Tracy Rios failed to be included in the list of girl attendants.

Remember safety first when installing antennas.

- Stay clear of all electric lines, assume all wires are uninsulated.
- Be sure there's enough distance in every direction so that if your antenna should fall, it won't hit a power line.
- If an antenna does start to fall, let it go and stay clear. Never touch it until you're sure it's not in contact with any wires.
- Work only in dry weather and never on a windy day. Most antennas are top-heavy and difficult to control in the wind.
- Guy wires should be secured so they won't whip around and come in contact with power lines.
- Make sure antennas are grounded properly.

Streams In Desert Places

By Ozelle Stephens

When thou passeth through the waters, I will be with thee; and through the rivers, they shall not be burned; neither shall the flames kindle upon thee. For I am the Lord Thy God' (Isa. 43:2-3a).

Our faith in the Lord Jesus Christ is our anchor, in Him do we trust for strength, comfort, and courage, for He has promised to go all the way. Our God is our refuge, and underneath are the everlasting arms. He will deliver us out of all our troubles give strength

for our task, and blessed peace and hope for life.

The Lord giveth and the Lord taketh away, blessed be the Name of our Lord.

We pray for great courage so He can strengthen our hearts with hope until we all occupy the mansions in our Father's House with those who have gone before. Thank you for your prayers.

Locals' Granddaughter Is Gold Star Winner

Haskell County's 1989 4-H Gold Star recipient is Jennifer Shaver, 17 year-old daughter of Mr. and Mrs. R.A. Shaver III of Rochester and granddaughter of Mr. and Mrs. Joe Reeder Jr. of Knox City and Mr. and Mrs. R.A. Shaver Jr. of Rochester.

To be considered for the Gold Star award, which is the county's highest 4-H club award, a 4-H'er must possess excellent leadership and citizenship abilities, must have responsibilities outside 4-H work in church and community activities.

In recognition of her selection, Jen-

nifer received a Gold Star pin, compliments of the State 4-H office, and a U.S. Savings Bond and 4-H jacket, courtesy of the Home State Bank in Rochester.

In addition, she and her parents will be special guests at the District 4-H Gold Star banquet in Vernon November 16 and also at the Haskell County Extension Homemakers Information Event November 15.

Jennifer has been a member of her local 4-H club for eight years. During this time she has carried four 4-H projects, including beef, clothing, foods and nutrition, and teen etiquette.

She has participated in local, county and district 4-H contests, as well as local, county, district and state livestock shows. She has served in several leadership positions in her local club and is now serving on the County 4-H Council and as a delegate to the District 4-H Council.

Jennifer is a senior at Rochester High School where she serves as class treasurer. She is head cheerleader and participates in volleyball, golf, track, FFA and FHA. She is on the "A" honor roll and participates in UIL events.

She is an active member of the First Methodist Church in Rochester where she is active on the Church Council and helps teach Bible School.

Fort Worth Stock Show Mails Exhibitor Books

The Southwestern Exposition and Livestock Show mailed over 5,000 Premium List books this week to potential exhibitors for the 1990 show, scheduled Jan. 19 through Feb. 4 at the Will Rogers Memorial Center in Fort Worth.

Detailing rules and regulations as well as prizes available, the Premium List outlines over \$600,00 in record premiums and purse money for the livestock show and accompanying 28 performances of the World's Original Indoor Rodeo.

Over 17,000 head of livestock are expected for this 94th edition of the Stock Show, reported W.R. Watt Jr., show president/manager. "We have planned an exciting event this year that includes several national shows, a record 19 livestock sales, educational and commercial exhibits, plus expanded judging events," he said.

Highlights of the exposition will be the 67th National Polled Hereford Show, National Hereford Show, Chiangus/Chianina Classic, National Red Angus Show, National Meet of the Texas Association of Exhibition Poultry Clubs, as well as shows for other varieties of livestock in both open and junior divisions.

Watt asked exhibitors to read the Premium List carefully. "There are a number of new rules, but more especially some traditional entry closing dates have been changed to better facilitate breed show schedules," he said.

Entries for commercial Hereford females and graded range bulls will close November 1; the National Polled Hereford Show, December 1; all other cattle, sheep, goats, swine, llamas, horses, mules and donkeys, December 10; Southwestern commercial females, January 1; and poultry, pigeons and rabbits, January 10. Per-

sons who will be exhibiting for the first time may request a Premium List at the show office by calling (817) 877-2400.

Mail orders for rodeo tickets are being accepted at the Stock Show office, P.O. Box 150, Fort Worth, TX 76101.

Letter From Our Readers

October 1, 1989

Dear Billye Bess,

I must say that Elva and I enjoyed our visit to Knox City so much-in fact, as we do each time we visit.

While there, we appreciated so very much the privilege to be a part of the Aging Center for lunch. To any who do not take advantage of this opportunity, may I encourage you become a part. It is blessed fellowship in addition to a good lunch-just ask Otto.

I can think of nothing but praise the Lord for the running track around the football field and the invitation to all who will walk and/or jog to come use it. That is tremendous for those with high cholesterol, such as I, to lower it to an acceptable level. I walked 2 1/2 miles daily and enjoyed every step.

Thank you Lord, for the nursing home and its administration. Our visits there were pleasant. I hope many will take the opportunity to visit the people there, they need your love and concern.

We love all of you in Knox City, Elva and Doil Hammons
