Hounds Fall In Defensive Battle

Fielding two powerful defensive units, the Knox City Greyhounds and the Paducah Dragons tangled in a District 9-A battle last Friday evening at Greyhound Stadium with Paducah coming out on top by way of one lone scoring drive.

The 41 yard touchdown pass by Paducah was the only score of the evening for either team as Knox City and the Dragons both played excellent defense. While the Greyhound offense stumbled and turned the ball over to Paducah on three separate occasions, the defen-

se held strong and allowed the normally powerful Dragon offense just 157 yards during four quarters of hard hitting action.

The Dragons also knew how to stop potential scoring drives, their defense allowed Knox City only 142 yards that included just three completions out of 12 attempts.

The loss to Paducah leaves Knox City with a 5-3 season record and a 3-2 record in district 9-A. The Greyhounds face unbeaten Munday this Friday evening. Munday is state

ranked at #1 and has yet to lose a game this season. Their toughest game of the season was two weeks ago when they also faced the Paducah Dragons. In other games this season, Munday has had high scoring games but the Paducah defense held Munday to just 21 points.

With Paducah holding Munday to 21 points and Knox City holding

Paducah to just six points, the game this Friday night should be the game of the season for both Munday and Knox City. In what is probably the biggest rivalry in district 9-A, the Greyhounds and Moguls will meet each other at 7:30 p.m. in Greyhound Stadium. This will undoubtedly be the 'game of the year' so be sure and show your support for the Knox City Greyhounds.

KC Greyhound Band Is Rated 'Excellent'

BY DICK WUPPERMAN
Band Director

"That Band From Greyhound Land" went to marching contest at Wichita Falls on October 28 and proudly came home with an "Excellent" rating. The judge's comments on a whole were very complimentary. They praised the general appearance, routines, playing ability and complimented various individual players-bells, percussion section, twirlers, and drill team.

What would probably be surprising to some is that they would "pick" at such things as: one player's pants were too long, few students feet were closer together than others when standing at attention.

The Knox City band has spent many extra hours preparing for this contest. In fact, work actually starts back in the summer before school starts. At that time, much work is done getting the freshmen acquainted with different marching drills. The rest of the band review right along with the freshmen. Also, the complete band spends much time working on the music for contest and football games. These practices can be hard on a lot of students since the majority come directly from football or volleyball practices. They all

work hard and on Marching Contest day they get out there and give it their all. We are so proud of all of these students.

We were very pleased with the parents that came to Marching Contest. It really helps the students when they know they are getting a lot of support. Unlike sports you can not have a weekly write up in the paper concerning the band, but they work just as hard and sure appreciate the town's support.

We have 130 students in our high school and 74 of them are in the band. This is the only Class A band in this area that does not use Junior High students. We are very pleased with the interest and hard work shown by our band.

Next year our Greyhound Band will be working towards a I-Superior. We can do it!

We are also very proud of our two twirlers who entered the UIL Twirling Solo Contest. Kristen Perdue made a II-Excellent which is a great achievement. Angie Staggs made a very rewarding I-Superior. Angie therefore is eligible to enter the State UIL Twirling competition which is certainly a honor. You can certainly tell by these ratings that these two young ladies have spent extensive time practicing. Keep it up girls.

Harvest Day Festival Set For Tuesday

The 20th Annual Harvest Day Festival has been set for Tuesday, November 14, at ten o'clock in the First Baptist Church.

Zoanne Felts and Peggy Hughey will present the prelude with Sammie Ashcraft serving as music director. JoAnne Maddox will give the invocation and June Tankersley will extend the welcome.

The recognition of pastors' wives will be given by Margie Clonts, Zoy Risinger, Sequoyah Reynolds and Peggy Guinn.

A congregational hymn, "Jesus, We Just Want to Thank You", will be followed by a time of Praise and Thanksgiving. Sylvia King will lead the Pledges to the Flags followed by another congregational song, "God

Bless America".

Juanita Wilcox will conduct the memorial service and Heather Putnam will provide special music. Peggy McGaughey will be in charge of conducting the ministerial alliance offering.

"Joyful Sound" will be presented as special music and Juanita Harper of Corpus Christi, a former Missionary to Nigeria, will give the devotional.

Ruby Robinson will conduct the business meeting and Vonna Walls will give the benediction and blessing.

Each woman is asked to bring a salad for the luncheon and a donation for the ministerial alliance.

Families Invited To Participate In Program

Pointing to the importance of recognizing the pioneer farm and ranch families in Texas, Knox County Judge David N. Perdue has invited long-time farming families to participate in the Texas Department of Agriculture's 1990 Family Land Heritage Program.

Registration for the program, which recognizes families who have had land in agricultural production for 100 years or more, is now open and will extend through July 15, 1990, Knox County Judge David N.

Perdue said.

"To date, no properties in Knox County have qualified for the Family Land Heritage Program, and this year I hope we will be able to identify those who qualify," Judge Perdue said. Since the program was established in 1974 to honor pioneering families, 2,090 such families have been recognized.

Player Of The Week Honors Are Shared

By Dave Thompson

Picking out just one outstanding player for the Greyhound game against Paducah last week would be an impossible task for anyone to undertake, so I won't.

In weeks past the player of the week honors have generally tended to focus on the offense with brief mention of the defense. Not so this week. This time around all the honors go to the Knox City Greyhound defense. The entire unit is to be commended for their showing against Paducah.

When Paducah and state ranked Munday played the week before, a highly rated Munday defense held the Paducah offense to just seven points. One week later, a not so highly rated Knox City defense holds

the same Dragon offense to just six points! That speaks for itself; so much for state rankings!

In selecting the entire defensive unit for honors this week, it's my hope that the same young men can all pull together once again this coming Friday evening and shut down a usually explosive Munday Mogul offense. It's a difficult task at best, but after the defensive exhibition in Knox City last Friday night we know it's possible.

Munday needs a slice of humble pie at least once this season. Since this is the last regular season game, it's left to the Greyhounds to serve that slice. With our offense taking a tumble recently, once again it's up to the defense.

Interested In Scholarships?

Fall is in the air. For those who plan ahead it's time to get ready for the winter holidays. For college-bound high school seniors and their parents though, now is the time to prepare for school next fall. That is particularly true for those interested in scholarships.

This year, the Air Force offered over 70 ROTC scholarships to seniors in northern Texas and northern Louisiana. These scholarships paid for full tuition, books, most incidental fees and \$100 a month non-taxable allowance during the school year. These scholarships can be used at over 700 schools across the United States. How did those 70 lucky people receive those scholarships? Through preparation. Not only had they done well in school, they had taken the ACT or SAT tests early. For Air Force ROTC scholarships, applications must be made by December first and they must include ACT or SAT scores.

If readers would like more information on Air Force (or almost any other) scholarships, high school senior counselors usually have the necessary application forms. If not, simply contact the local Air Force recruiting office. But do it soon, because more scholarships will be awarded next spring to those who are ready now.

Streams In Desert Places

By Ozelle Stephens

Ye, who believe the word of God are established, builded on the solid rock, you are unmovable. No conflicts cause you anxiety. You are undivided, unbroken in spirit. Your faith in uprightness and purity. You can say as Job said, "...till I die I will not remove mine integrity from me." (Job 27:5). In Job's solemn protestation of his integrity he said, "Let me be weighed in an even balance, that God may know my integrity." (Job 31:6). He knew God gave justice, and he was safe in His hands, for he still trusted in God. You are safe too as long as you are trusting and you can say with David, "And as for me, thou upholdest me in mine integrity, and settest me before thy face for ever." (Ps. 34:15).

Keep your integrity as you journey on, and the grace of God will stream into your being as you go through the Desert Places of Life.

Motorists Reminded Of Winter

The Texas Department of Public Safety reminds motorists that the winter season is upon us, and it's time, once again, to get both the driver and the vehicle in the best possible condition for this most grueling driving season.

Major V.J. Cawthon, Commander of the Texas Department of Public Safety, Region 5, said, "Winter driving can be very hazardous. Drivers are faced with many dangerous obstacles: nights are longer, freezing temperatures, snow, sleet, and ice covered roads, all creating handicaps for the driver."

The most important safety tip for winter drivings is to "slow down". On ice covered roads, only drive when it is necessary and realize that it's going to take you at least twice as long to cover that same distance as when the road was dry and clear of ice. So, remember to set more time aside for driving under winter conditions.

When temperatures drop below the freezing point, drivers must guard against reduced visibility caused by frosted windows and windshields. Allow your car's engine to warm up and for the defroster to become effective before driving. Be sure your windows and headlights are clear and free of any obstructions, like mud or snow. Do all this in advance, before you hit the road.

Major Cawthon stated, "During adverse weather conditions, allow yourself plenty of travel time and try not to make your vehicle a wristwatch and the highway a magic time machine by trying to make up lost time on the streets and highways."

The Texas Department of Public Safety reminds you that the hazards of winter driving can be reduced. It's in your hands, the defensive driver, to make for a safer winter.

DPS Seeking Applicants For Recruiting School

Major V.J. Cawthon, Regional Commander of the Texas Department of Public Safety in Lubbock, has announced that the DPS is seeking applicants for a recruit training school scheduled to begin March 27, 1990. He stated, "We are seeking qualified men and women who are interested in becoming DPS Troopers."

Applicants will be accepted through January 19, 1990 at the Lubbock, Amarillo and Wichita Falls offices. Entrance examinations will be given beginning at 8:00 a.m. each Tuesday and Thursday at the Lubbock office. Tests will take all day to complete.

Approximately 140 men and women will be selected to begin training in the exciting career of law enforcement. Beginning monthly salary is \$1,622.00 while attending the 22 week academy, \$1,865.00 a month upon graduation and \$2,362.50 a month after completion of twelve months probation.

Applicants must be 20 to 35 years old, of good moral character, in excellent physical condition and a U.S.

citizen. Sixty semester hours of college or equivalent military or police experience are required.

Graduates of the DPS Academy will be assigned either to the Highway Patrol or Drivers License Service. After two years of service, DPS Troopers are afforded the opportunity to advance in the Criminal Law Enforcement division, which includes Narcotics Service, Criminal Intelligence Service and Motor Vehicle Theft Service. After four years of service, they can compete for the position of Sergeant in the Traffic Law Enforcement division.

Benjamin News

By Gladene Green

Once again our small community has been saddened by the loss of one of our own. Aliene Groves passed away this morning (Sunday) at the Wichita General Hospital. Certainly our sympathy is extended to her sons Leon and Kenneth and their families and to Stacy who still resides at home and to the rest of her family. She was a good friend and we'll all miss her. Funeral is tentatively set for Tuesday.

Henry Rogers was in Big Spring one day last week to see his doctor for a check up. He is waiting to get results of tests and consultations.

Dorothy Hibdon and Lois Golden were in Colorado City last Tuesday to be with their sister and daughter, Linda Kearnes who underwent emergency surgery that day. She is back home now at her home in Sweetwater and is doing well. The Kearnes' son Matthew spent last week with the Hibbons.

And Lori Bufkin is in the Haskell Hospital. She had a baby boy shortly before 10:00 a.m. today (Monday). Details will be forth coming next week. We do congratulate Mike, Lori, Ashley and Josh.

The firemen reported pretty good proceeds from their Halloween spook house. It was very good. The men had spent many hours working on it and the finished product was indeed an indication of the time spent on it. If you didn't go through

it, you should have. The \$2.00 it cost was money well spent.

SOROSIS CLUB NEWS

The Benjamin Sorosis Club met November in the home of Jessie Roberts. Roll call was answered with each member showing something that he had inherited. Each member present participated in the program by reading or telling an interesting tidbit of Texas history. Refreshments of cake, ice cream and hot punch were served by the hostesses Jessie Roberts and Ruth Ressel to Eunice Friday, Bea Parks, Lucille Moorhouse, Pearl Ryder, LuElla Tolson and Louise Hertel.

We have two cemetery donations to report this week. One was made a few weeks ago and I failed to acknowledge it. It was from Ray and Shirley Jordan and I do apologize for my oversight. Then this week we received a generous check from Judge Temple Driver and Mrs. Driver. And as always, we appreciate it so much.

HERE 'N THERE

Recent guests of Juanita Burnett were Mr. and Mrs. Mike Graham and Bryan of Odessa and Tib and Georgeann Burnett of Austin. Also visiting Juanita a few days this week has been her sister, Betty Mancille of San Antonio, who has also been visiting her Benjamin friends.

Gary, JoAnn and Jeremy

Hamilton visited relatives in Denton and Fort Worth last weekend.

Kent Hertel who is attending pharmacy school in Weatherford, Oklahoma spent the weekend with his parents, Don and Louise. Kent will complete his schooling in December.

Dutch and Image Young spent the weekend at Buffalo Gap. They were met there by Butch and Letha Young of Arlington.

Kate Grill accompanied her uncle and family, the Bobby D. Burnetts of Munday to Wichita Falls Saturday to attend the Regional Band Marching Contest.

I was in Crowell Saturday night for the wedding of Jeff Christopher and Karen McGreger. Also attending from Benjamin were Karen's aunt and uncle, Fred and Nancy McGreger.

James Klutts was in Lubbock last week for several days schooling having to do with his job as "water man" for the city of Benjamin. Said he learned a lot and found the school to be very worthwhile.

I had a letter from Shirley Snailum Jordan last week. She wanted me to let everyone know how much Grace enjoyed being home last weekend. I didn't realize it, but it has been 17 months since Grace had been here. She attended the Halloween Carnival on Saturday night and attended church at the First Christian Church on Sunday morning before returning to San Antonio.

Grace also expressed sincere appreciation for all the cards, prayers and letters she receives. (Grace also visited her good friend, Audrey Nolan in the Care Home at Knox City which they both thoroughly enjoyed).

We have a new resident in Benjamin. Vicki Clower had come here to live with her dad and family, the Bud Clowers. Vicki is a sophomore at BHS and got started today (Monday). All the kids are glad she's here and we hope she will enjoy living in "our town". Also visiting the Clowers and the Leroy Wests during the weekend was Bud's other daughter Christi, who is a student at Texas Tech.

Visiting J.D. and Annie Brown during the weekend were Curtis and Edith Brown of Wichita Falls.

Visiting Joe and Pat Barton and their other Moorhouse relatives during the weekend was Joe's mom, Zoe Barton and his sister and her husband, Danny and Ann Allen, all of Amarillo. Also visiting were the Tim Allens', who live in the Dallas area.

Truscott-Gilliland News

By Clara Brown

Cool, clear, crisp fall days have been the weather story for the past week. Those with wood stoves and fireplaces are using them every evening. Many trees are turning yellow and losing their leaves, but the mesquite leaves are still green and still hanging on for the most part.

Quail season started Saturday, but most hunters bagged nothing more than a day in the country. Even those who brought down birds said they saw very few quail during the day.

Hog hunters are reporting seeing large numbers at various places. The hogs started rooting in the wheat fields almost as soon as the seed was planted.

Ila Mae Bullion, Gail Whitley and Crystal Dishman were in Vernon Saturday for the district food show. Lee and Gail Whitley and Crystal Dishman and Ila Mae Bullion were in Lubbock Sunday. They visited the Sam Bullions and Lee visited his sister and her family at Shallowater, Pam and Charlie Key and son Christopher.

Ila Mae, as Lubbock president, helped hostess a Colonial Dames tea.

The Kerenhappuch Norman Chapter of the Colonial Dames of the Seventeenth Century of Lubbock honored the state president Elizabeth Fogarty with a tea Sunday afternoon at the home of Mrs. Mary McClurg. Presidents of several other area genealogical societies were also in attendance. Mrs. Fogarty spoke to the gathering on the history of the Colonial Dames, which will celebrate its diamond jubilee year in 1990, and goals for the state organization in that year.

Calls have been received from Abilene, Fort Worth, and Houston asking for details on the November 12 Grandma's Sunday Dinner. The listings in the Texas Events Calendar have attracted a lot of attention to this little bump between the Wichitas.

The Truscott Extension Homemakers will meet Monday, November 13, at the Truscott Community Center with agent Jane Rowan giving the program.

The election will be over with before you see this column, but next week we will try to provide a run-down on how the Divide voted on the amendments.

A few have already started bringing in items to the storage guilding for the Saturday, Nov. 18 community center garage sale. Remember, your trash may or may not be someone else's treasure, but at least it won't be your problem anymore.

Visiting Elmo and Billie Shaw for the weekend were their daughter and her children from Lillian, Chris, Cody, Shane and Line Shook.

The Mike Shaw family was honored with a welcome party at the Community Center Saturday night.

Guests in the Mike Shaw home over the weekend were his mother, Jane Shaw of Eldorado, Texas and his cousin and his family from Lillian, Dan and Cynthia Shaw and Kimberly and Pamela.

The Mike Shaw house if filled with

royalty these days. Perry was a prince at the Halloween Carnival at Crowell and Jennifer was the freshman representative at the Crowell homecoming queen's court.

Michael Carroll escorted the Crowell homecoming queen at the game Friday night.

Freddie, LaNay and Tim Cash attended the ball game at Guthrie Friday night to watch Clint Miller play in the game in which Guthrie beat Northside. Clint is a brother-in-law to Kim Cash Miller.

Aliene Groves died early Sunday morning at a Wichita Falls hospital.

Mrs. Emma Davis of Henrietta was buried at Gilliland Friday, November 3.

Jackie Miller and sons of Slaton visited Jackie's parents, O.R. and Florence Miller Friday evening to Sunday. Royce Miller of Vera also visited during the weekend.

The rain promised for the weekend finally made its way to the Wichita Divide Sunday night along with a big show of thunder and lightning. The rain, about an inch, was a "lifesaver" for the wheat so it deserved a sound and light show.

A.L. and Frances Cook were in Wichita Falls last Thursday. They visited Doyle and Loretta Davis and Otis Cook.

Sybil Simmons was in Odessa recently visiting her sister, Faye Smith, who is in the hospital with pneumonia.

Betty and Harry Taylor of Flint, Michigan, arrived in Truscott last Wednesday to visit her daughter, Chris Dushan and her family. They plan to return home on Tuesday.

Most people at Gilliland have their cotton strippers ready to go, but John Kinnibrugh is the only one said to have been in the cotton field yet.

Everyone is urged to start collecting items to give to the community garage sale set for Saturday.

November 18.

Gilliland won the high point award as a club at the recent Knox County Achievement Day. Lula Baty placed third high individual in points, although only about two points separated third place from first. The competition was very close. All the Gilliland members who entered the show brought home at least one blue ribbon.

Jodie Miller won a blue ribbon and a best of show in the division for her canned peaches. She also won blue ribbons for her Round the World bedspread and sampler quilt. She got a red ribbon on cucumber relish and a white ribbon on green beans.

Florence Miller won a blue ribbon in crochet, a blue for a bonnet, red for a pecan pie and white for her cookies.

Frances Cook won a blue for a mini quilt, a red for a quilt she pieced, and a white for a Seminole sampler wall hanging.

Sybil Simmons won a blue for a quilt, a red for a fresh flower arrangement, a white in horticulture for pimientos, and a white for candy.

Lois Welch collected a bouquet of blue ribbons with a blue in accessories for a crocheted purse, a blue for canned tomatoes and a blue for sweet cucumber pickles. She also won a white in horticulture for her shelled pecans.

Mustang News

By Christi Whitten

The Benjamin teachers and students have suffered a great loss. Mrs. Aliene Groves, who was the school secretary at Benjamin for 20 years, passed away Sunday. We will all miss the spunky lady that always seemed to keep us all in line. Everyone at Benjamin ISD would like to send our deepest sympathy to Mrs. Groves' family.

The 1989-90 PTO Halloween carnival was a huge success including everything from a dunking booth to a face painting booth. There was a large attendance to see the program and the coronation. The Halloween royalty for 1989-90 is Casey Conner and Ashley Cartwright, Duke and Duchess; Zeke Duke and Tracy Condron, Prince and Princess; and Fred Redder and Christi Whitten, King and Queen.

The Lady Mustangs opened their basketball season with a home scrimmage against the Guthrie Lady Jaguars on Tuesday. More details about the game next week.

The FFA Sr. Skills team has been busy preparing for the district contest that will be held in Throckmorton in November. Making up the

Senior Skills team this year are Ernest Neal, Jennifer Rolston, Dan Westmoreland and Christi Whitten. Mr. Dickson is the FFA advisor and also "coach" of the Senior Skills team.

The Seniors recently attended a college fair which was sponsored by Haskell High School. All reported that they had a good time and that they learned about some valuable information from the college recruiters.

The annual staff sold annual ads last Thursday in Benjamin, Knox City, Munday, Seymour, Haskell and Rochester.

If you are a regular reader of the Benjamin News, you know that the writer, is a LOYAL Munday Mogul fan. (She even has the Mogul footprints in front of her house!) However, some of us Benjamin folks will be cheering on the Knox City Greyhounds instead of the Class A's top ranked team, the Munday Mogul. So good luck, Hounds!

VOLLEYBALL NEWS

By Linda Haragan
The 1989 volleyball season was a rebuilding year for the Knox City Houndettes. They lost two all-state players, and a third that could have been an all-state player when Kim, Stacy, and Trina graduated.
Leah Rauch and Kristi Risinger were the only starters returning from last year's regional finalist team. The remaining twelve players had limited varsity experience.
It was a very difficult task putting together the starters. Once it was done they needed a lot of game experience.

District play started the second week of school which hurt the Houndettes. They needed playing time before district competition and wasn't allowed that time.

Each week the girls worked to get better and the work paid off. No, they did not win the district championship nor even second place. But a third place finish in this year's tough district was not bad.

Megargel defeated the Houndettes in the semi-finals of the district tournament 15-10, 15-12. But they had to work to do it, the Houndettes gave them a good match.

A team does not have to make the playoffs to be proud of their accomplishments. Losing is not easy, especially when you are used to winning. But when you've accomplished what these girls did, they are winners.

FRESHMAN NEWS

By Lezlee Hearn
Last week was full of long band practices. We even had the chance to practice in the rain. All of our extra rehearsals paid off. We got a 2 at the marching contest, which we were happy about. That was a long day for us. We had to meet at the band hall at 5:30 that morning. For the freshmen it was a very long day because we were too nervous to sleep on the bus.
Thursday night was game night for the J.V. They played Crowell and won 28-6.
In Science we have been learning chemical equations. Some of us got it down fast, while others are still trying to figure out what H₂O is. (In case you don't know, that's water!)

FFA NEWS

By Nicki Ivie
The FFA had a busy week this week. The General Ag. Mechanics class is working on the extension of the show barn, and most students have their animals on feed. The Wildlife Management class would like to thank Steve Pepper, Joe Clonts, and Ronnie Ainsworth for their presentation on bow hunting, fire arms, and game laws. They enjoyed it and learned a lot. Plans are underway for the annual fruits and sausage sale. That's all for now. See ya next week!

FFA GREENHAND NEWS

By Brian Tankersley
The freshman greenhand class has two traditions to live up to: one being having to learn the FFA Creed. The other being having to set up the ag farm. We have accomplished both. Although we have not all gotten our show animals, the ag farm is set up for those who do have their show animal. We are also learning parliamentary procedure but doing pretty good although we do have an occasional flaw with it. We have ordered FFA jackets and should be getting them in before the end of the month.

FRESHMAN CLASS NEWS

By Lezlee Hearn
Last week came and went pretty fast.
The J.V. game was cancelled so our boys had a break. That means they had plenty of time to do schoolwork. Right guys?
Well everyone came to school sporting Halloween masks this year. This is nothing unusual. We never take our masks off!

County Extension Agent-Ag.
As our first hard freeze has been received in the area, pecan harvest will begin if it has not already.

As the pecans are being gathered, homeowners are encouraged to save pecans for entries in the 1989 Knox County Pecan Show which will be held on Saturday, December 2, at the Knox County Aging Service Center in Knox City. The show is being hosted by the Knox County Horticulture Committee and being sponsored by the Brazos Valley Young Farmers.

In preparing samples, homeowners should select at least 40 pecans of one variety, place them in a sack with name and address and the variety of pecans if known. Homeowners may enter each variety category only once, however

family members entries are a separate entry. Samples must be grown in 1989. Samples of pecans may be brought to any of the following locations: County Extension Office in Benjamin; Oscar & Leta Mangis, Paint and Whittle Shop in Knox City; Texas A&M University Vegetable Research Center in Munday; Mike Birkenfeld Exxon Station in Rhineland.

Processing of pecans will be conducted on December 1 at the Knox City Ag Building. Processing includes sorting of varieties, weighing and shelling 10 pecans and weighing and classing the pecan meat by quality.

Judging will begin at 10:00 a.m. on Saturday, December 2. Emory Boring of Vernon will serve as this year's judge.
