Homecoming Sweethearts & Beau Named, Seniors Receive Letter Jackets

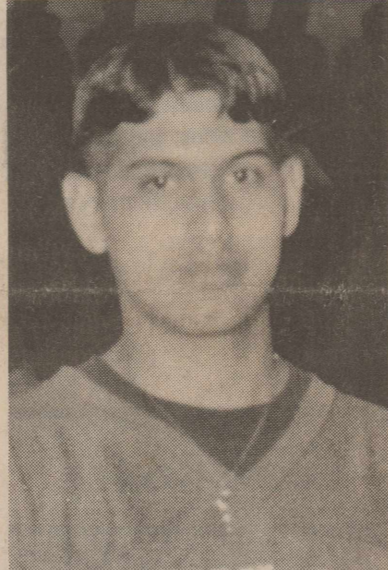

The Knox City High School Gym was a lively place last Friday afternoon with the pep rally serving as the platform to name the 1995 Football Sweetheart, Band Sweetheart and Band Beau. Moved to the gym because of the threat of rain, the Homecoming Coronation ceremony was held in conjunction with the awarding of Senior letter jackets at the scheduled Friday afternoon pep rally prior to the football game with Aspermont later that evening.

Heather Tilson was named as the Band Sweetheart for 1995, Gabriel Bernal was named as the Band Beau, and Sarah Vacek was

named as Football Sweetheart. Seniors receiving letter jackets for boys athletics were Billy Curd, Kevin Dorsey, Michael Ledesma, Ryan Marion, Eric Richardson, and Scott Stephens.

JoDee Homstad, Lila Rector, Elisha Speck, and Stephanie Williams received their jackets for UIL and band achievements.

Letter jackets for girls athletics were awarded to Felicia Collier, Traci Deering, Christie Manning, Chrystal Tankersley, Alisha Vasquez, Christina Rodriguez, Julie Williams and Heather Tilson.

BAND BEAU is Gabriel Bernal, son of Amalla & George Bernal.

Greyhounds Clobber Hornets, 35-0

By Dave Thompson

The Knox City Greyhounds flexed their muscles last Friday night by soundly defeating Aspermont in the opening game of District 9-A action before a large Homecoming crowd. With the Greyhounds controlling the Hornets 35-0, other action in District 9-A opens saw Paducah defeating Munday 15-13, and Roby defeating Crowell 46-14. Knox City will play at Crowell this Friday night, face Roby here on Friday, October 21, play at Paducah on Friday, October 28, and play at Munday on Saturday, November 5 for Munday's Homecoming game.

The Greyhounds dominated action on both offense and defense last Friday night, completely shutting down the Hornet offense and ripping huge holes through the Aspermont defense. With Knox City dominating action early in the game, Greyhound Head Coach Rob Wills was able to play quite a few Junior Varsity players during the second half. The entire JV team was suited up with the Varsity for the Homecoming game since there was not a JV game against Aspermont on Thursday evening.

Action started with Knox City receiving the opening kickoff and immediately moving the ball down the field for three quick first downs before Louis Diaz fumbled the ball to the Aspermont defenders.

Aspermont started an offensive series that was short lived, having to punt the ball to Knox City from the 7 yard line after three downs that included a fumble that Aspermont recovered. The punt was caught on the 50 yard line by Kevin Dorsey, who then provided the fans with an exciting runback

as he brought the ball back to the 11 yard line before being dragged down. A penalty on the Greyhounds for illegal blocking moved the ball back before quarterback Wes Grimsley took over and ran the ball 6 yards on first down. Lance Dever quickly picked up a first down with a run to the 14 yard line, then two plays later an 11 yard touchdown pass from Grimsley to Diaz put the first points on the scoreboard with 2:41 left in the first quarter. The extra point kick by Duane Toliver was

good and KC moved ahead 7-0.

Aspermont's kick return was stopped abruptly when the receiver was hit hard and brought down by Eric Richardson on the 19 yard line.

In their next series, Aspermont was able to pick up a first down with the help of a facemask pen-

alty by Scott Stephens and despite a fumble that was ruled dead after the whistle. Brutal tackles by Ryan Marion and David Dudsing quickly brought up a 4th and 5, Aspermont went for it with a pass that was incomplete. Taking over on downs, Knox City quickly picked up a first down with two runs by Lance Dever. Three more runs by Diaz, Grimsley and Diaz moved the ball to the 8 yard line, with Lance Dever Taking the ball in for an-

other KC touchdown. The extra point kick by Toliver was good, putting Knox City ahead 14-0 with 7:54 left in the second quarter.

Aspermont's next series was held to just one first down as Logsdon, Dever, and Stephens spurred the KC defense with some extremely hard tackles. The Hornets punted back to KC on 4th and 12, the ball was whistled dead on the 29 yard line.

A 15 yard pass from Grimsley to Diaz picked up another first down that was quickly followed by another after runs by both Diaz and Dever. On the next play, Kevin Dorsey ran the ball from the 49 yard marker down to the 36, breaking at least 6 Hornet tackles on the way for another KC first down. An incomplete pass from Grimsley to Diaz was followed by runs from Dorsey and Dever, gaining KC another first down. Grimsley passed on 1st and 10, firing the ball off to Ryan Marion and a 31 yard touchdown play. The extra point kick by Toliver moved the score to KC 21, Aspermont 0, with :47 seconds left in the first half.

Aspermont recovered the kick on their own 5 yard line, moving the ball out to the 12 yard line before being stopped by Dorsey. Three plays later the first half ended.

The second half of action did not see the Hornets improving any, their first series after receiving the ball was a punt. See Greyhounds, Page 6

Former Resident Wins First In Twirling Festival

Robbyn Tribbey, six year old daughter of former Knox City residents Lynette and Robert Tribbey of Haskell, participated in the West Texas Twirling Festival at the South Plains Fair in Lubbock on September 25.

The Festival is the longest running contest in Texas and attracts twirlers from all over the State. Events ranging from modeling to baton routines. Twirlers are judged on difficulty, poise, grace, appearance and diversity of routines.

Robbyn earned a first place gold medal in her novice solo and a third place bronze medal in her beginners basic strut. This was her first twirling contest.

She performed a dance routine in the Spring Twirling Recital in May and has been a student of Debbie Richardson of Haskell for about a year.

Robbyn's big brother, Derrick, was at the festival helping to cheer

MR. AND MRS. STEVEN TRENT MABRY
... the former Nikki Bea Fortenberry

Trent Mabry, Bride Wed In Levelland Ceremony

The Cactus Drive Church of Christ in Levelland was the setting for the Saturday, July 30, wedding of Steven Trent Mabry and Nikki Bea Fortenberry. Minister Dewey Medlin, grandfather of the bridegroom, performed the double ring ceremony with a background of a floral decorated archway. Vows were exchanged at two-thirty in the afternoon.

Parents of the bridegroom are June and Tim Moss of Knox City and Steve Mabry of Union, Mississippi. The bride's parents are Susie Fortenberry of Riverside, California; and Mack Fortenberry of Denver, Colorado.

The bride is the granddaughter of Bea and Jake Fortenberry of Adrian and Martha and Jim Romer of Fruita, Colorado. Dot and Dewey Medlin of Cleveland, Alabama; Willie Mae and Maurice Pierce of Union, Mississippi; Helen and Earl James of Laurel, Mississippi; and Ruth and Buddy Moss of Bay St. Louis, Mississippi, are the grandparents of the bridegroom.

Acapella music sung by the Image Singers was under the direction of technician Jerry Gilmer. Soloist Wendy Allison sang "The Wedding Prayer" prior to the ceremony.

Given in marriage by her father, the bride wore a formal length

gown of white bridal satin by Alfred Angelo, the Dream Maker. The gown was accented with delicate beading and lace. The gown's bodice was high neck with a lace V-neck front. Elongated pearl and bead dangles accented the neckline. The back was opened with three strings of pearls laced across. Puffed shoulders were attached to satin sleeves with tiny satin covered buttons at the wrist. A satin bow formed a slight bustle effect. The chapel length bridal train had lace cutouts. The bride wore delicate bridal flowers accented with seed pearls forming a crown attached to a medium length veil. She carried a pink splotched Rubrum lily bouquet accented with white stephanotis.

For something old, Nikki wore the garter worn by Trent's mother; something new was her dress; something borrowed was Trent's aunt's pearl bracelet; and some-

thing blue was a tiny rosebud and blue ribbon on her garter.

Maid of honor was Susan Pope of Lovington, New Mexico; and bridal attendants were Stacy Costello of Lovington, New Mexico; Tami Alexander of Riverside, California; and Amy Deering of Knox City.

Best man was Keith Bowles of Knox City. The bridegroom's other attendants were Augie Rodriguez and Cody Manning, both of Knox City; and Steven Miller of Plainview.

Flower girl was Nikki Moss, sister of the bridegroom; and junior groomsman and candlelighter was Zeke Fortenberry, brother of the bride.

Feminine attendants wore tea length gowns of mauve and ivory floral print. The flower girl wore a pink wrist corsage and a floral print dress of the same material as the female attendants.

The bridegroom wore white Wranglers with a white tuxedo jacket with tails. His attendants wore black tuxedos with tails and black Wranglers.

The lace garter was caught by Keith Bowles and Tami Alexander caught the bridal bouquet.

Rochelle Hall of Lubbock presided at the guest registry.

Ushers were Richard McDaniels of Springlake; Jake Fortenberry of Fort Bragg, North Carolina, brother of the bride; and Cody Cox of Hale Center, cousin of the bride.

The reception followed in the church annex. Serving were Doreen Seeger of Oklahoma City, Oklahoma; Stacy Seeger of Riverside, California; Mandy Hall of Lubbock, cousin of the bride; and Connie Moss of Laurel, Mississippi, stepsister of the bridegroom. Kayla Moss, stepsister of the bridegroom, distributed tiny bags of birdseed.

Following a wedding trip to Branson, Missouri, the couple has made their home in Meridian, Mississippi, where both are continuing their educations.

O'Brien Happenings

By Audle Johnston

"Assisting the teacher in my son's second grade classroom, I was reviewing papers handed in by the children. The form contained a listing of sentences that the boys and girls were to complete about their likes and dislikes. One of the sentences was: "I like to read about..." Several students wrote responses such as sharks, baseball and UFOs. When I got to my son's paper. He had written: "I like to read about *one page*."

As she read the one about "Anne, a generously endowed senior," she paused to ask, "You do know what that means, don't you?" Our freshman daughter was quick to reply, "Of course, Mom - it's when you have lots of boyfriends."

Special Thanks

The old adage: "Two-is-better-than-one" is not true when it comes to breaking hips -- so beware! But the best place to be when it happens is in Knox City where the most loving and thoughtful people live. I want to thank all my friends and relatives for their morse and prayerful support during these long, dreary days and nights. Your cards, visits, calls, flowers and so many "good eats" have been the bright spots in my long, dreary days and nights. I can never express my love and good wishes enough for all you have done to help me face each day. May God richly bless you in a special way in my prayer.

Benjamin News

By Gladene Green

I start this week's column on a sad note. Bobby Frank Feemster passed away Saturday at his home in San Angelo after a hard fought battle with cancer. He was the youngest brother of Benjamin resident Philomae Roberson and an uncle of Judy Conner and Kathie Waldron. I extend sincere sympathy to the family of Bobby Frank. His funeral will be Tuesday morning in Brownwood.

Also, I send sympathy to the family of Billy Jack Stewart of Munday. Jack passed away Saturday night in a Dallas hospital after a brief illness. His funeral is Tuesday afternoon in Munday.

Reports on the sick in the community are encouraging. Betty Bohannon is still making progress back to good health.

Buster Tolson spent a few days in the hospital recently and after being dismissed has been moved to the Munday nursing home. He seems to be doing well in his new surroundings. And that's good news.

And Mrs. Odessa Cox is still doing good. Her recent surgery was very successful and she is feeling quite well. Walking a few blocks every day and slowly regaining her strength.

SPORTS NEWS

The Abilene Christian School Panthers overcame an 8-6 halftime score to win against Benjamin Friday night 38-22. This was a well played ballgame by both ballclubs. Hats off to both teams. Benjamin's scores came on two runs by Zeke Duke and a TD pass from Jim Bob Conner to Chad Rainwater.

Coach Josselet's commentary was "We are continuing to improve each week as a team. Our confidence is steadily increasing in our ability to play the game. I was extremely proud of our effort on both sides of the ball. Our blocking is improving each week and our passing game has really come on as of late. Our goal for each week is to 'Press toward the upward way, new heights to gain every day.'"

JUNIOR HIGH FOOTBALL

The Benjamin Junior High Colts hosted the Harrold Junior High Hornets on Thursday night. The Hornets jumped out to an early lead and took

control of the game. The score at halftime was Harrold 27, Benjamin 0 and due to a defensive standoff in the second half, the final score remained 27-0. The Colts were never able to get on track during the game but continued to play despite the difficulties.

Halftime activities included the coronation of football royalty. Carmen Acevedo was crowned the team's sweetheart. She is a cheerleader, a seventh grader and the daughter of Pancho and Amelia Acevedo.

This year's Junior High Hero is Tyler Carroll. Tyler is in the eighth grade. His parents are Kenneth Carroll and Kathy Carroll. Congratulations to both these young folks.

The Colts go to Northside Thursday and fans are encouraged to make the trip with them and to support them as they gain experience and strive to improve. The game Thursday is 5:30.

VOLLEYBALL NEWS

On Tuesday, the Benjamin volleyball team traveled to Rochester to take on the Steers. The Junior High girls played first and came out short 15-6 and 15-9. These young girls have shown improvement throughout the year. Blaine Conner and Lacy Carver really power served well.

The varsity squad played a good serving Rochester club on Tuesday. Benjamin was really tight early in the match and lacked the enthusiasm needed to be competitive in the first game. Rochester took the first game 15-8. The Lady Stangs seemed a bit more relaxed the second game but just couldn't get things to click their way. Rochester's serving really "flustered" the team. They took the second game, 15-10. Coach Josselet said "We need to continue working on the little things to enhance our level of play."

ST. JUDE BIKE-A-THON

Twenty-three "bikers" participated in the St. Jude Children's Research Hospital Bike-A-Thon Sunday. The "ride" was held behind the school from 3:00 until 4:00 with Nancy McGreger serving as coordinator. Students taking part in the event were Anthony Lamb, Ashley and Matthew Cartwright, Toby Rainwater, Jessica

and Elizabeth Moorhouse, Adam Welch, Enrique, Tomas, Sandra and Maria Acevedo, Ashley Bufkin, Trey Propps, Chance Propps, Lindsey and Jane Ann Penman, Mitchell, Adam and Zachary Eddy, Byron and Kayla Corley, Seth Kuehler and Bubba Benson.

Toby Rainwater and Mitchell Eddy each received a \$5.00 check from the Spring Chickens Extension Club. Toby for raising the most money, \$130.00; and Mitchell for riding the farthest, nine miles.

Nancy expressed much appreciation for all who helped out with this event in anyway. Those helping were Susan Cartwright and Debbie Moorhouse who helped count the money, Dee Ann Lamb who ran the refreshment stand and Dennis Welch and Jake Propps who were at the check point station to make sure everyone turned around at the right spot. Sounds like they all really enjoyed it and many parents were on hand just to watch and visit. Approximately \$600.00 was raised.

There will be an awards ceremony later for the presentation of the T-shirts won in the event.

HERE 'N THERE

Harry Cox of near Waco was a recent guest of his mom, Odessa Cox. Joleen and Victoria Yeager visited relatives near Canton recently. This past weekend Joleen's brother and family, Kevin, Stephanie, Christian, Daniel and Kaleyn Diebert of Canton were guests of the Yeagers.

Recent guests of Betty and Roger Bohannon and girls were her parents, Mr. and Mrs. James Mosteller of Dumas. Also Mr. and Mrs. Cecil Stroud of Ector, Marcell Stroud of Bonham and Debbie Stephenson and sons of Clyde.

CAN WINDBREAK TREES BE USEFUL TO YOU

Windbreaks provide protection for people, animals, buildings, crops, and natural resources. They reduce soil erosion by wind and contribute to the control of runoff from agricultural lands. Trees and shrubs planted as windbreaks provide wind erosion control, improve crop yields and enhance the quality of many wind sensitive crops. Farmstead windbreaks protect the home site and reduce energy consumption. Windbreaks can reduce stress on livestock, improve weight gain, and reduce mortality of young animals. Finally, windbreaks add beauty to the landscape and increase the value of the land.

A few weeks ago we were reminded how harsh the wind can be in Knox County. Windbreaks can reduce damage caused by strong winds.

Windbreak trees may be purchased now until February 9, 1995 thru the Wichita-Brazos Soil and Water Conservation District. Trees will be delivered February 16, 1995. Several species of evergreens and hardwoods are available along with wildlife packets to promote deer, quail and pheasant, turkey or squirrel. Potted evergreen trees will sell for \$32.00 for 20 trees. Evergreens will only be sold in lots of 20 trees. Hardwood trees will sell for \$15.00 for 25 trees. Wildlife Packets will sell for \$40.00 a packet. Each packet contains 4 species and 25 seedlings of each species. (100 seedlings total).

For more information contact the Soil Conservation Service in Knox City, (817) 658-3526.

ing the kickoff was stopped cold with tackles by Stephens and Michael Ledesma, followed with a quarterback sack by Brian Rosencranz. Punting to Knox City on a 4th and 17, Aspermont got lucky when the ball hit a KC player, then recovered by a Hornet. Aspermont was given a first down on the 35 yard line. Their first play was stopped by Dever, the second was stopped with a pass interception by David Dudensing, allowing Knox City to regain possession on the Aspermont 45 yard line.

picked up good yardage. Freshman Anthony Ainsworth came in as quarterback, showing the fans what KC can expect in the next few years.

On an Aspermont 3rd and 18, David Dudensing intercepted a long pass for his second interception of the night. Sophomore Adrian Serrano also showed the future potential of the Greyhounds as he ran several plays and picked up a sack of the Aspermont quarterback on defense.

The Greyhounds travel to Crowell this Friday night.

Following runs by Diaz and Dorsey that picked up another first down, Dorsey took off on an electrifying 31 yard run, breaking 5 tackles before crossing the goal line and adding another six points for the Greyhounds. The extra point kick by Toliver was good, putting Knox City ahead of Aspermont 28-0.

Aspermont returned the kick from the 10 yard line to the 26, with Diaz and Rosencranz making the tackle. The 'Hound defense dominated the next series as Logsdon, Marion and Stephens made tackles that threw the Hornets back, causing them to punt on 4th and 14.

When Knox City took over on the 48, Dorsey picked up 3 yards, then Dever took off on a 15 yard run and another first down. Dever picked up 5 yards, then ran 24 yards into the end zone for another KC touchdown. The extra point kick by Toliver was good, putting the Greyhounds ahead by 35-0 with 2:04 left in the third quarter.

With no further scoring in the game, fourth quarter action saw a lot of JV players brought into the game. Freshman Raymond Lawcock thrilled the Homecoming crowd with several runs that

Hospital's PA Glad To Be In Small Town

When Karl M. Holmes, PA moved to Munday from Aberdeen, South Dakota last April, he was looking for a professional and personal change. "I had been working as a PA to an orthopedic surgeon, and I found that somewhat limiting," he said. "I wanted to practice with a physician who sees all types of patients." Holmes was also looking for a better climate, and a job where he could spend more time with his wife Lynn and their 15-month-old daughter Ashley. "We were tired of the long cold winters in South Dakota. And I never had time to spend with my family," he said. "The pace here is much more relaxed. The people are wonderful, and I'm looking forward to the milder winters."

Holmes, who lives in Munday, practices in Knox City two days a week, and Munday three days a week. "I always wanted to be in a rural area, and I wanted to go someplace where I would feel needed by the people."

Holmes brings a wide variety of medical experience to his job as a physician assistant. He worked as a cardiac rehab technician while he was going to school, and he also became certified as an Emergency Medical Technician 1 while he was going to school.

He earned his Physician Assistant certification in a 27-month program in the Physician Assistant Program School of Allied Health Professions at St. Louis University. During his training he served rotations in internal medicine, general surgery, pediatrics, primary care, emergency medicine, orthopedics, OB/Gyn, and psychiatry. He is ACLS (Advanced Cardiac Life Support) certified. He completed a Bachelor of Science degree in Psychology

KARL M. HOLMES

and Pre-Med at South Dakota State University in Bookings, South Dakota.

The Physician Assistant is licensed to perform a wide range of primary medical care, such as taking medical histories, performing physical examinations, ordering diagnostic tests, assisting in surgery, managing medical emergencies, and developing and implementing a treatment plan for patients.

"Most of the community's health care needs can be met here in Knox County. Injuries, farm accidents, and major traumas must be stabilized before the patient can be airlifted, and we can do that effectively here," he said.

Holmes works under the supervision of Dr. Shirley Barretto and Dr. Krishna Prasanna Kumar. The PA helps alleviate some of the time crunch for the physician, giving both the physician and the assistant more time to spend with the patient answering questions or explaining procedures. "The people that I work with here are excellent. They are talented, honest and very likeable," he said.

Knox County Hospital Introduces New Logo

Knox County Hospital District has introduced a new logo and a new slogan as part of the hospital's new vision for health care in the area, Stephen Kuehler, administrator, said. "The logo is a graphic statement that symbolizes the new direction our hospital is taking," he said.

The phrase "Quality Care from People You Know" summarizes the mission of the hospital, Kuehler said. "Our objective is to provide the highest quality care we can in the warm, secure, hometown atmosphere our patients have come to appreciate," he said.

The first annual Knox County Hospital Health Fair in September was another indicator of the changing goals of the hospital. "The health fair was an attempt to bring all kinds of health care information and screenings to the people of our area," Kuehler said. "This is just the start of our greater involvement in community activities and interaction."

Board president W.R. Baker said that the Board and hospital

personnel are beginning the process of developing a strategic plan of the hospital. "This will be a definitive document that will help us define our future role within the community, and delineate the best ways we can continue to serve our community," Baker said. "The strategic plan will take us in many new directions, and help us use our resources most effectively."

The logo will be seen on hospital signage, stationery, and other official documents of the hospital, Kuehler said.

Card of Thanks

Thank you, Dr. Barretto, and the whole staff at the Knox County Hospital for taking such good care of me. And a Special Thank You to all of my friends, teachers and family at Benjamin for thinking about me when I was sick. We appreciate all the kindness we received. God Bless You.

Handy Tricks, Treats To Be Discussed

The Knox County Family and Community Education Clubs will be sponsoring a program, "Handy Tricks and Treats For Your Health" on October 15 as part of their FCE week activities. The free program is open to the public and will feature many helpful ideas and tips for ingredient substitutions that will help you become more "healthful" in the kitchen. Ann Callaway of Lubbock will be presenting the program in which participants will receive a cookbook and samples of recipes contained in the cookbook.

The program will be held on Saturday, October 15, at 11:00 a.m. at the Benjamin Memorial Building.

The building will open at 10:00 a.m. for viewing of entries in the FCE Achievement Fair. The public is also invited to share in this.

For more information, contact the Knox County Extension Office, 454-2651.

WTU Supports Red Ribbon Drug Week

October is Drug Awareness Month and the week of October 22nd-30th is Red Ribbon Week. West Texas Utilities Company employees will be observing this week by wearing red ribbons.

"We encourage everyone to join us with their support. The red ribbon is symbolic of individual and community efforts for drug prevention education and the elimination of alcohol and drug abuse," said Kit Horne.

The Red Ribbon Campaign started in 1986 in memory of Emrique Camaraena, an agent for the Drug Enforcement Administration who was killed by drug traffickers. The program has now expanded nationwide.

In addition to the observance of Red Ribbon Week, WTU is providing Drug Awareness Activity Books to all fifth grade students in its service territory. Other, business, civic organizations, church groups and individuals are uniting to encourage communities to win the "war on drugs".
