JOHNNY AND JANET JOHNSON with sons Braden and Tyler

## Johnson accepts call to First Baptist, Knox City

Johnny Johnson has accepted the call to pastor at First Baptist Church in Knox City, beginning his duties on Sunday, October 19.

Coming from Red Oak Baptist Church, Kaufman, Johnson and his wife the former Janet McKee, are the parents of two sons, Tyler Scott and Braden Alan.

Bro. Johnny was licensed to the ministry by the First Baptist Church in Perryton in 1985 and ordained to the ministry by Calvary Baptist Church in Brownfield in 1994. He received his bachelor of arts in business administration and Bible from Wayland Baptist University in Plainview in 1988. He also received his master of divinity at Southwestern Baptist Theological Seminary in Fort Worth in 1994.

His prior service in the ministry has been summer youth minister at First Baptist Church in Follett, 1986; youth / music minister at Key Heights Baptist Church in Perryton, 1987-1988; associate pastor, youth / education, Calvary Baptist Church, Brownfield, 1988-1993; summer youth minister, Stadium Drive Baptist Church in Fort Worth, 1994; and pastor, Red Oak Baptist Church, Kaufman, from 1995 until present.

In his youth ministry, he has

been involved in leading discipleship training and Bible study, achieving growth through evangelism, directing youth camp recreation, planning annual evangelistic lock-ins, leading youth ASSIST team, and directing middle school Fellowship of Christian Athletes. His hobbies include snow skiing, racquetball and basketball.

Janet received her bachelor of science degree in elementary education from Lubbock Christian University in 1990.

In Bro. Johnny's personal statement, he said, "I experienced God's call to full-time Christian ministry during a Disciple Now weekend my junior year of college. I knew my call was first to be a youth minister and then to be a pastor. During my years as a youth minister, I was privileged to serve in churches which allowed me to explore and develop my gifts for ministry. I believe that a loving, discipleship oriented church will reach out evangelistically to their community. Loving one another as Christ does open doors for evangelism. God has given me a love for people and the gift of evangelism. My desire is to share Christ's love as a pastor because of His call and continued leadership in my life."

## Greyhounds fight hard with Rotan

Yellowhammers pull ahead to defeat Greyhounds 36-12

In one of Knox City's best efforts of the 1997 football season, the Greyhounds challenged a tough team from Rotan and played a very physical game right up until the final buzzer.

Even though Rotan pulled ahead on the scoreboard to the game ending numbers of 36-12, the Greyhounds from Knox City never gave up.

Knox City's two touchdowns were provided on a 12 yard pass reception by Aaron Large from Brandon Gutierrez, and a 19 yard run by Michael Baez. On both touchdowns, the point after attempts failed.

Knox City had 11 first downs to Rotan's 13, 68 yards passing to Rotan's 70, and the pass completion/interception was 6-12-2 to Rotan's 5-11-1. The game winner factor for Rotan was the ground rushing statistics with the Yellowhammers picking up 412 yards on 43 carries while the Greyhounds only picked up 195 yards on 35 carries.

Knox City will host the Crowell Wildcats this Friday night for Homecoming, kickoff is 7:30 pm.

## O'Brien Baptist to host Harvest Day Tuesday

The O'Brien Baptist Church will host the 27th Harvest Day Festival on Tuesday, November 11.

Registration will be from 10:00 until 10:30 a.m. All women and pastors in Knox City and the surrounding area are invited to attend. A Christian time of sharing and fellowship for everyone will be experienced. All ladies are asked to bring a salad for the luncheon.

A nursery will be provided and each lady is asked to bring a canned food for Christmas gifts.

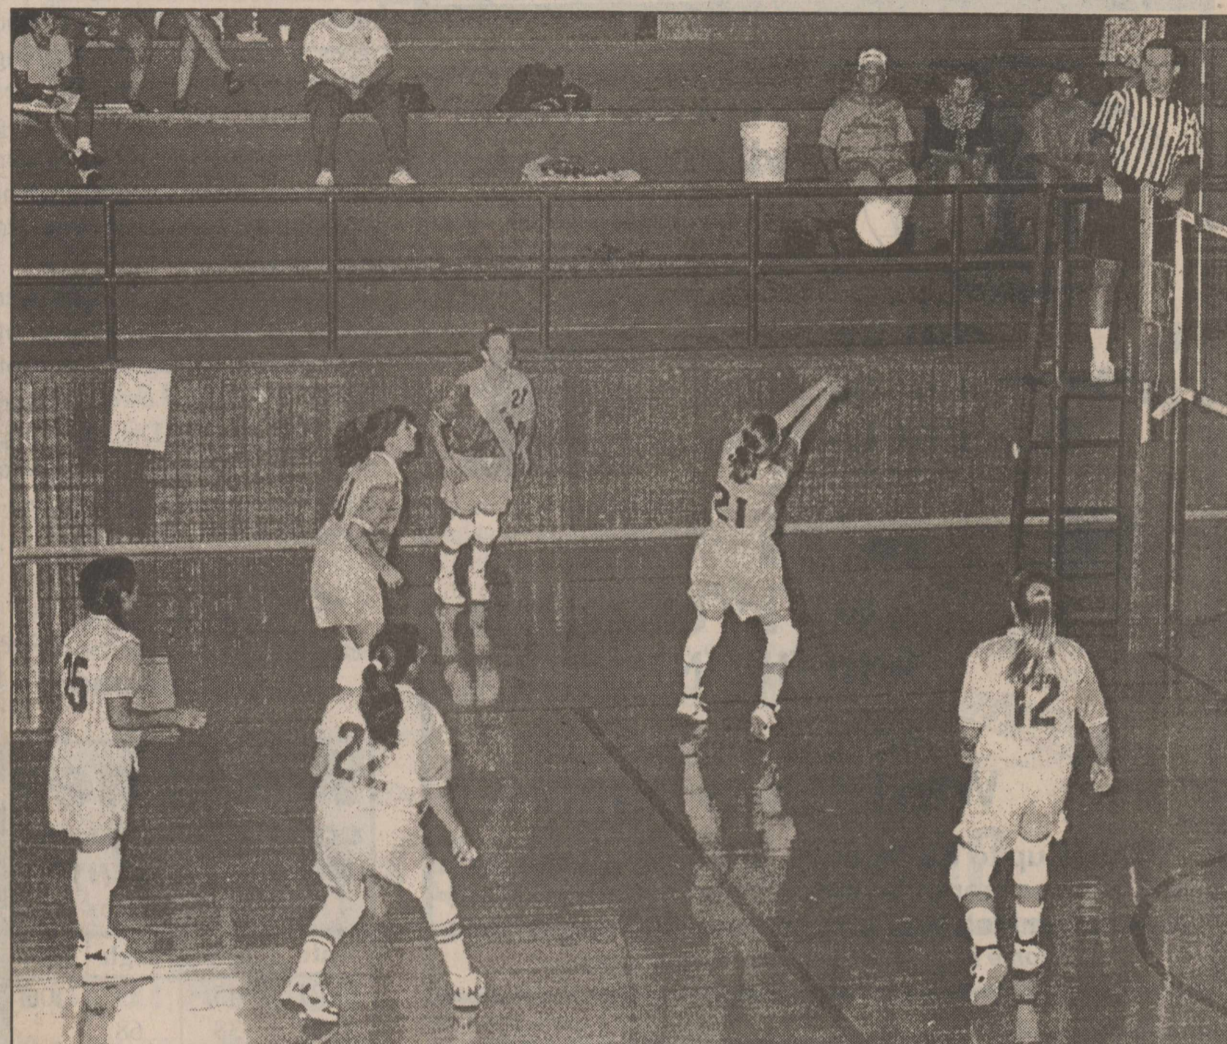

Names of those ladies who have died since the last Harvest Day Festival will be included in the memorial service. They are Elizabeth Wilson, Bernice Chambers, Edna Large, Lillian Verhalen, Serena Johnston, Bonnie Hackney, Ruth Chamberlin, Dora Josephine Larmore, Valta Lusk, Myrtie Barnard, Dollie B. Feemster and Mary Margaret Campbell.

## Activities planned for Friday night pre-game, bonfire is Thursday

Pre-game activities, including the crowning of school royalty and introduction of players, will begin Friday night at 7:00 at Greyhound Stadium. This will precede the 7:30 kickoff of the Greyhounds and the Crowell Wildcats.

Football sweetheart and football hero, as well as band sweetheart and beau, will be named.

A homecoming bonfire is planned, but as of press deadline, the final location had yet to be determined. Miss Firefighter will be named and introduced at the Friday pre-game.

POUNING THE BALL BACK ACROSS THE NET, Houndette Jennifer Vacek (21) is shown here as teammates Gloria Nevarez (25), Sara Dillon (20), Jessica Garcia (22), Roni Morrow (23), and Kim Grimsley (12), stand ready to assist.

## Houndettes are on a roll

The Knox City Houndettes have improved their overall record to 10-9, while they are 3-2 in district. Knox City hosted Newcastle on October 11 and defeated the Lady Cats in two games, 15-4, 15-13. "I was extremely proud of the effort the girls displayed. Newcastle has a very strong team, but they just couldn't return our hits or serves," stated Coach Young.

The gym was packed on Octo-

ber 14, as the Houndettes hosted district opponent Rochester. The Houndettes won the first game 15-9, but fell short the second game 11-15. The Houndettes came from behind during the third game and defeated the Lady Steers 15-6. "This was a huge win for us," stated Coach Young. "The girls gave it everything they had and played with intensity the entire game."

Beating Goree last Tuesday

gave the Houndettes their third win in district and also ties them with Benjamin and Goree for first place. The Houndettes won in two games, 15-6, 15-7.

With only one district game remaining, the Houndettes are focused on beating the Benjamin Lady Stangs.

"This win would assure us a playoff position, and that is a goal we've been working toward since August," said Coach Young.

LADY STANGS ADVANCING to regional cross county competition are back row, from left, Juli Larned, Mica Larned, Jessica Shaw, Misty Ham, Blaine Conner, Cathy Rainwater and Coach Kent Josselet. Front row, from left are Carmen Acevedo, Lynne Moorhouse, Gina Bolanos, Lacy Carver and Toby Rainwater.

## Benjamin cross country advances to regional

Saturday, November 8, in Lubbock

Benjamin cross country teams traveled to Munday for the district meet Wednesday, October 22. The Benjamin boys team placed second behind Throckmorton with 69 points. Both the girls' and boys' teams will advance to regional competition which will be held November 8 at Mae Simmons Park in Lubbock.

Coach Kent Josselet said, "We had been preparing for several

weeks for this day and we felt that we had a good opportunity to advance if mother nature would give us a good day and if we ran with mental toughness. The kids did an outstanding job on all levels at the meet. We had several kids step up and meet the challenge that faced them."

Here and There - Visitors in the home of Billie Walker over the weekend were Julie and Dale Sanders of Amarillo, Bobbie and Cliff Banner of Hawley and Billie Ruth and Lane Petterson of Aspermont.

Renda Carlton came from El Paso to visit the Trices Tuesday and they met John Mark at Anson and they had lunch together. Renda also went to Stephenville to help her daughter, Marti, who goes to Tarleton with wedding plans. Her son, Casey, also goes to Tarleton. She will be visiting with Marti's fiance, James Gresham, also a Tarleton student and his parents and sister who live at Bluff Dale.

Visiting Bernice Rowan over the weekend were Jerry Rowan of Henrietta and daughter Julie of Texas Tech and Lowell Rowan and wife Sue of Denton. They were all in Abilene Friday night to attend a musical and really enjoyed it.

Marilyn Talbot was in Seymour Saturday with her daughter Cathy and husband Gary and son Derrick to attend a lamb show which their grandson had several lambs in the show.

Keith and Kiel Rowan were in Oklahoma for a hog show over the weekend. They enjoyed the trip but came home very tired.

Bro. Bill Trice, Bernice Rowan, Vivian Hendrix and I were in Rule last Monday night to attend the annual association meeting at Rule Baptist Church. There was a good crowd attending and we enjoyed some business meetings and preaching and a real good meal was enjoyed by all. On Wednesday night at the KC school auditorium, several from our church attended the program for young people and it was a wonderful meeting. There were several young people saved for which everyone was very happy to see. Some of these from our church were Donnie, Diane and Angelia

Roberts, Bro. Bill Trice and Bernice and I. The couple that gave the program has really been through a lot down through the years and are trying to warn lost people to live a good life.

Several of our sick have returned home and seem to be doing good. Ranzy Herring returned from Munday care home, Edrie Barnard from Hendrick in Abilene and Grady Holmes from Hendrick. They need our prayers.

Eddie and Claudia Bryant spent the weekend in Levelland with their daughter Jennifer and husband and son Jon. Claudia celebrated her birthday while there.

Troy and Clara Hanson, Vivian Hendrix and I attended the musical in Old Glory Saturday night. There was a lot of people and singers and instrument players.

I'm sorry I haven't added Mr. and Mrs. Frank Griffith to our O'Brien citizens but kept forgetting to do it. But we're proud to have you.

## Sunset homecoming holds memories, renews friends

What did 130 individuals who descended on Munday High School on Saturday, October 18, have in common? They were all graduates or former students or friends of Sunset Rural Consolidated High School and community. The day was spent in sharing memories and renewing friendships.

The group gathered for a memorial service honoring the deceased, at which time Dorman Followell, Class of '47, gave the invocation; Barbara Ratliff, Class of '46, led the group in singing, "How Great Thou Art" and Weldon Walling, also Class of '46, gave the devotional. As each remembered those not there, the group was led in singing, "Amazing Grace".

Lunch was served by the ladies of the Munday High cafeteria staff and a business session followed. Each class was introduced and a spokesperson for that class shared

an event that was special to that year. Winters Matthews introduced two of the three remaining members of the Class of 1931-1932, Christine Clowdis Barnes, and Lola Mae Lawrence McGregor, and presented each with a corsage.

The next homecoming will be held in October 1999 which will be the 50th anniversary of Sunset's consolidating with the Munday Schools. The nominating committee of Glenn Myers, Buster Lowrey and Weldon Walling submitted the names of the present officers to be re-elected by acclamation. A group song, "Blest Be the Tie" was sung, and benediction was given by Barbara Ratliff.

Officers of the homecoming committee were President - Barbara Jane Almanrode Ratliff, Vice-President - Winters Groves Matthews and Secretary-Treasurer - Tommy Joe and Lois Reddell Richardson.

**Study Club meets October 16**

The Knox City Study Club met in the Community Center, October 16, 1997, for a regular meeting. The meeting was called to order by the president, Winifred White. The invocation was given by Olien Elmore. The Pledge of Allegiance to the American and Texas Flags was led by Wretha Fitzgerald. The Federation report was given by Janoma Stephens. The new 1997-1998 yearbooks were distributed, explained and discussed. The program on Home Life - Health division, entitled "Color Me Healthy", was presented by Winifred White and Janoma Stephens. Despite the growing interest in women's health and the increasing number of women who have taken responsibility for their own health, a staggering number of women simply do not have access to the information and services they need to prevent disease and to enhance their health. Of particular concern to women are cardiovascular disease, cancer and osteoporosis, three leading causes of illness, disability and death in women. Reaching women at risk for these diseases is a critical goal. Programs that reach out to these at-risk women are especially important because cancer, cardiovascular disease and osteoporosis can be prevented on their progress slowed with proper medical care and healthy lifestyle choices. To close the program, Winifred read a poem entitled "What Cancer Cannot Do". The Collect was read. Hostesses were Dickie Lloyd and Janoma Stephens.

Walter Murphee tied down his plane at an air strip in Columbus and started to run an engine check. Suddenly, as he stood outside his plane, the throttle opened and it took off - without him! Murphee grabbed a wing and forced the plane to taxi in circles. After a wrestling match it broke away and hit a pole. It was badly damaged. Have you, like that plane, tried to lift off without your Pilot? It's been destructive, hasn't it? No matter how you've wrecked your life, there's help in the Lord. Let Him be at the controls of your life. Then He'll bring you safely to your heavenly home.

# Benjamin News

By Gladene Green, Benjamin Correspondent

This Week's News - Brrr ! Cold, wintry weather has been the order of the weekend. Sure change from those balmy days of only a few days ago but sort of felt good anyway. The first freeze came this a.m. with some unofficial readings as low as 25 degrees (that being in the Gilliland area). Think some reported as low as 22 degrees here. That too very unofficial!

Sympathy goes to the family of Ozelle Kilgore today. Ozelle passed away Saturday in San Angelo after several months illness. Her funeral was today (Monday).

Also to the family of Hazel Kendrick Nesbitt who passed away last Monday in Weatherford. She was well known in Benjamin having lived here in her younger days and visiting on numerous occasions. Leroy and Gloria West and Bud Conner attended the service on Thursday.

I also extend my sympathy to the family of Wallace Moorhouse of Munday who passed away on Saturday and whose funeral was also today in Munday with burial here at Benjamin.

Sports - The Junior High teams competed this past week with the volleyball girls playing an exciting match on Tuesday and coming out on top in three games against a tough Rochester group. The football team traveled to Guthrie and fell short to the Jaguars, 41-21.

The Lady Stangs took on the Lady Steers of Rochester Tuesday night and did outstanding. The ladies served well and were able to convert free balls into points as the Lady Stangs won the match in two games, 15-13 and 15-7. By the time this is read, the regular season will be over as the girls will have played Knox City on Tuesday night.

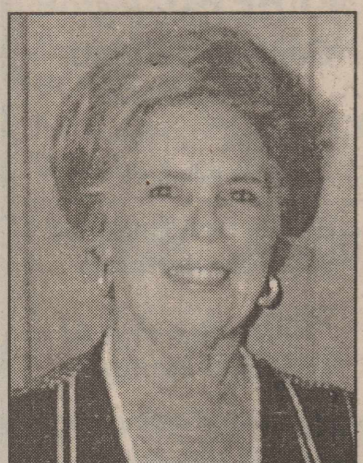

## MRS. CHAPPELL'S FIFTH GRADE NEWS

At our class meeting held October 10, 1997, we walked about what was going on this month. The sales at our store and the tickets for the drawing are going great! We are planning to spend our money on a learning experience at the Abilene Zoo. We are going to the zoo because in science we are learning about animals. President Dustin Johnson made a work schedule for the store and for selling tickets for the drawing.

Halloween is coming. Mrs. Chappell said we can dress up for Halloween at O'Brien. Whoever dresses up the best gets money for a prize. We will observe the custom of Halloween by trick or treating. We will trick or treat only Mrs. Chappell's and Mrs. Hedgecoke's rooms. Mrs. Chappell had an idea to bob for apples, while we celebrate the true meaning of Halloween.

I also want to include that we have started reading about arthropods. Mrs. Chappell assigned us to look for insects and stick them on cardboard or styrofoam. She only told us to find 10 bugs because it might be hard to find more. That is what we discussed in our class meeting.

The Mustangs took on Guthrie Friday night in gridiron action here at home. The Mustangs played a hard fought battle but just couldn't take advantage of scoring opportunities as the Jaguars posted a 38-6 victory. This week, Jr. High plays here on Thursday night and high school travels to Patton Springs Friday night.

Fall Festival Scheduled - The annual fall fest (Halloween Carnival) will be Saturday night in the gym. It will begin at 5:30 p.m. with booths, cake walk, etc. for everyone's enjoyment. Harvestroyalty, duke and duchess, prince and princess and king and queen will be crowned at 7:30 and then a Halloween program will be at 8:30.

Everyone is invited to attend this fun evening in Benjamin. Candidates for the royalty honors are as follows: K-Dillon Benson and Jessica Vanderpool, 1st - Colton Porter and Leah Vanderpool, 2nd - Jackie Zavala and Joe Bufkin, 3rd - Kerri Beck and Edgar Mote, 4th - Shaylee Propps and Zachary Shaw, 5th - Jessica Moorhouse and Chance Propps, 6th - Maggie Seidenberger and John Shaw, 7th - Monica Zavala and Trapper Meinzer, 8th - Elizabeth Moorhouse and Clayton Conner, 9th - Juli Larned and Aaron Kuehler, 10th - Micah Larned and Justin Waldron, 11th - Angela Santisteven and Hardy Coffman, 12th - Kathy Rainwater and Bobby Condron. Voting will again be by marking a ballot when you arrive at the carnival please don't fail to vote for your "pick of the bunch".

Christmas Program Practice To Begin - Getting ready for the annual Christmas program has begun and the practice will begin this Wednesday, October 29 at 3:30 p.m. at the Methodist Church. Kids are urged to go on over to the church at 3:15 when school's out for refreshments before the 3:30 practice begins. All grades from 1st and up are invited and urged to participate. Practice will be over at 4:30 p.m.

Here 'N There - Bud and Debbie Clower returned home Friday night from Houston where he had been for a checkup. He was tired, as always, after the trip but otherwise doing pretty well.

Blaine Conner spent the weekend with Alicia Pettit in Guthrie.

Billy Jay Jennings of near Uvalde was here on Monday and attended the funeral of Ozelle Kilgore.

Louise Hertel and I visited Nora Hertel in Leisure Lodge in Munday Wednesday. She was feeling fine, in good spirits and anxious to hear all the news about her Benjamin friends.

Julie Weber of Azle visited her uncle, aunt and cousin, Don, Marilyn and Amanda Ervin, last week.

Karson and Leon Bivens of Tatum, New Mexico, visited Maretha Patterson and Sharon Johnson during the weekend.

Mr. and Mrs. Jim Mosteller of Dumas and Lonnie Bohannon of Abilene visited Roger and Betty Bohannon and family the last of the week and during the weekend.

Charles and Joy Jones were in Bridgeport during the weekend to chauffeur their granddaughters around while their son, David, was in Dallas with the Promise Keepers. David went with the group from the First Baptist Church in Decatur.

Audra Neal of Hardin-Simmons and Sarah Blackstock and family of Waco visited their parents, Larry and Gaye Neal and sister, Laura, during the weekend.

Neighbors and friends of Mabel Moorhouse honored her late Monday night with a birthday party in the home of Jack and Mary Young. It was Mabel's 90th, so I think a little party was in order. Those attending were Bobby Hudson, Jonnie Williams, Lucille Moorhouse, Dutch and Imagean Young, Anthony Lamb, Debra and Nafeesa Ebraheim, Ann Allen of Amarillo, Mabel and the host and hostess, Jack and Mary Young.

Last Week's News - Thanks to you all who have said you missed my column the last couple of weeks. Sometimes it's just almost impossible to get your mind in gear and write anything, but here I go again and hopefully, you will learn a little from it.

News regarding our ill friends is somewhat encouraging today. Bud Clower is going back to Houston about mid-week for a checkup. He's in a study of some new medicine for rejection and so will be making trips every two weeks for six trips to see what progress he is making.

Ruth Ressel continues to improve since her return home. She suffered a stroke six weeks ago and since her release from the hospital she stayed three weeks at Leisure Lodge in Munday undergoing therapy. She has been back home now a couple of weeks and is making good progress every day.

Please remember all these friends in your prayers.

Benjamin Sports - The Jr. High Colts played Rochester Thursday but fell short 57-12. The week before the Mustangs defeated the Jayton Jaybirds 36-20. The Jr. High volleyball teams did not play last week.

The high school volleyball girls played the Lady Cats from Goree in district action Tuesday night. The girls did a nice job of playing as a team against a tough, scrappy Goree club. The girls were able to win the

match in two games, 15-13, 15-7. The Lady Stangs will play Rochester in a key district game this week.

The Mustangs traveled to Rochester to take on the Steers last Friday and fell short to the leading Steers 70-12. The kids were being a lot more aggressive on defense but still gave up the big play at crucial times in a drive.

In cross country action, all teams ran at Munday last Wednesday for a pre-district meet. It was good experience for everyone to run the course prior to district. The girls fared well as they placed second in the meet.

The district meet will be Wednesday at Munday starting at 4:00 p.m.

Here 'N There - Jeff, Stacy and Cheyenne Conner and Jim Bob Conner, all of Lubbock, spent the weekend with the boys' mom, Judy Conner.

Dickie Lloyd spent the weekend before last in Winters, then went to Brownwood with a friend from Winters to the fall fest.

Briceton Pierce of Seymour spent last week with his grandparents and great-grandparents, Jack and Kathy Waldron and Bobby and Philomae Roberson.

George and Corrine Parrish have purchased the Homer T. Melton home and have finally gotten moved. They have been living in both Houston and Benjamin for several months but now are pretty well located here. We're glad to have the Parrishes in our community.

Audra Neal of HSU in Abilene was a weekend guest of her parents, Larry and Gaye.

Tiffany DeLosSantos of Vernon spent the weekend with her grandparents, Charles and Joy Jones.

Daniel and Rose Ellen Albus of Lubbock were weekend visitors here and at Munday with her mom, Nora Hertel, who is a resident of Leisure Lodge.

Randy and Faith Ann Auburg and family of Midland and Dawn Heaton of Atlanta, Georgia, were recent Benjamin visitors and visited the girls' grandmother, Nora Hertel in Munday.

Kim Moore and girls of Spur, Stephanie and Bobby Brannan and Michelle Conner of Lubbock were weekend visitors of Hazel Stockton and Bud Conner. Stephanie and Bob also visited his mom, Gertrude Brannan.

Kayla and Courtney Hacker of Knox City spent Saturday night with their grandmother and great-grandmother, Mary Bohannon and Jonnie Williams.

Rachel Duke of Midwestern University in Wichita Falls spent the weekend with her parents, Dennis and Pam Duke.

I spent the weekend with my girls and their families in Childress.

Joy and Charles Jones and I attended the Haskell-Knox Baptist Associational meeting at First Baptist Church in Rule Monday night.

## Houndette Of The Week

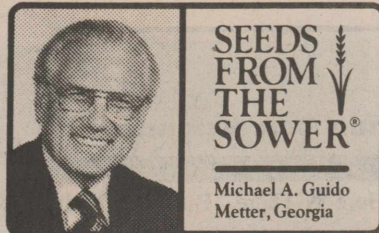

The Houndette of the week award goes to the entire Varsity volleyball team. Members include: Seniors Sara Dillon, Jessica Garcia, and Kim Grimsley; Juniors Tamara McGaughey, Gloria Nevarez, and Vallerie Rodriguez; Sophomore Roni Morrow; Freshmen Tandy Roberts and Jennifer Vacek.

"The entire team has played well the last three games against Newcastle, Rochester and Goree," stated Coach Young. "Everyone played a role in these victories and they all realize they are going to have to continue to play well in order for us to accomplish our goal ..... making the playoffs!"

The last scheduled game for the Knox City Houndette Volleyball Team was an important District game against the Lady Stangs' from Benjamin. That game was played in the Knox City High School Gym on Tuesday, October 28. Because the NEWS sets final copy on Tuesday for Wednesday morning printing, the results of that important game are not in this issue.

Houndette Of The Week honors go to the entire Varsity Team !!

SEEDS FROM THE SOWER

Michael A. Guido  
Metter, Georgia

A happy believer's lunch was stolen, and a skeptic asked, "What does your Christianity do for you now?"

"It makes me thank the Lord that I still have an appetite," he said.

A person who's grateful, not gripey, has a new point. He turns his eyes from self to the Savior, from his straits to his Source.

He has a new prospective. Faith turns his obstacles into opportunities, his problems into the Lord's purposes.

And he has a new prospect. He goes from anxiety to assurance, knowing that the Lord will never leave him in a lurch.

So "always be joyful. Always keep on praying. No matter what happens, always be thankful."

### METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies, the Cooperative should be notified as soon as possible so that the meter can be resealed.
