## CSD Reappraisal Notices Mailed

by Carlye Fleming  
 Chief Appraiser

Every taxpayer whose property values increased or decreased over \$10.00, owners of new property, and those who rendered less value than was assessed, have received reappraisal notices within the last few days. Notices were not mailed if your property value remained the same. A total of 1,786 notices were mailed.

Tax rates shown on the notices were the 1992 rates and included the County Education District because it was unknown at the time of mailing exactly what kind of school financing system would be adopted by the current legislature.

Several adjustments were made to the district's schedules to reflect market trends. Some residential properties increased in values but the majority of homes decreased in value or remained the same. The ag-use schedule, which is based on five-year production schedules, did not change for 1993. Total property values for each taxing unit decreased as follows:

Briscoe County	down 2.8%
Silverton ISD	down 1.9%
City of Silverton	down 4.5%
City of Quitaque	down 3.4%
Mackenzie Authority	down 4.5%

The value losses are due mainly to changes in residential, commercial and utilities.

Most vehicle owners dislike paying

taxes on their vehicles; however, personal vehicles total more than \$5,000,000 to the county with lesser amounts to the other entities.

The values discussed above are preliminary values. Every property owner has the opportunity to meet with the Briscoe Appraisal Review Board to protest the values set by the Appraisal District. The ARB is composed of three citizens who have the responsibility to make any changes they find necessary. The deadline for filing a Notice of Protest is July 6.

Many problems can be settled by the district staff before the ARB meeting which will be held July 21. If you have any question about your values notices, please call 823-2161 or come by the office in the basement of the county courthouse in Silverton.

Contact us if you feel there is a problem on your vehicle notices, so we can make any corrections necessary as soon as possible. Please fulfill your responsibilities; apply for exemptions, etc. before the deadlines, and provide us with the correct name, address and property description.

### Experiencing State 4-H Roundup

State 4-H Roundup is an experience everyone should have at least once in their lifetime. It is an opportunity to see over 2,500 youth from across Texas who have worked hard and made many sacrifices to be where they are.

This will be my tenth time to attend State 4-H Roundup. I have attended four times as a Gaines County 4-H'er, once as a Texas Tech Collegiate 4-H'er

and five times as a County Extension Agent. It is definitely an experience that I look forward to each year. This year I am fortunate enough to be attending State 4-H Roundup with fourteen Briscoe County 4-H'ers. This is the largest group I have ever been to Roundup with and probably the largest group in the history of Briscoe County 4-H.

The 4-H'ers who will be having this wonderful experience are George Pigg, Jeremy Hughes, Krisse Pigg, Tracy Guest, Will Sperry, Briana Sperry, Christi McWaters, Kevin Womack, Ashleigh Wyatt, Julie Wilson, Bo Wilson, Jeremiah Brooks, Cecilia Castillo and Carrie Baird. Gail Wyatt, Mary Pigg and Janinne Brooks also will have an experience chaperoning this group while at Roundup.

Don't think though that we are all on vacation, because we won't be. We will leave on June 7 and return on June 11. Our days will begin early, end late and be filled with many events, activities and contests. I am sure though, that we will manage to have lots of fun while we are gone. Many of these 4-H'ers put in lots of hours of hard work trying to raise enough money to pay for their trip. They definitely deserve to have lots of fun.

Any youth age 14 to 19 may attend State 4-H Roundup, by placing first or second at a District 4-H Roundup event or by placing first in the District 4-H Food Show or Fashion Show. All it takes is a little hard work and effort, but the benefits and experiences are well worth it!

### Mrs. Lindley Wins Memorial Scholarship

Southwestern Oklahoma State University's School of Pharmacy recently held its annual honors and awards convocation on the Weatherford campus. Kayla Hunt Lindley of Lakeview was selected by the faculty as recipient of the Jerry Dee McWilliams Memorial Scholarship of \$600.00.

This scholarship was exceptionally outstanding for Mrs. Lindley due to the fact that Jerry Dee McWilliams was a cousin of hers. He was well known at Weatherford, and was very successful in his profession as a pharmacist.

Mrs. Lindley will use the scholarship to help defray costs of tuition, books and other necessary expenses during her senior year at Weatherford. She will graduate in May of 1994.

Mrs. Lindley also has been named to the President's Honor Roll for the spring semester. This honor is given an undergraduate student who earns all A's in 15 or more hours during a semester.

Mrs. Lindley is the daughter of Gary and Nena Hunt of Clarendon, and is the granddaughter of Ashel and Mildred McDaniel and Wilma Hunt, all of Silverton.

## Miss Nance Earns Degree at College Station

Diplomas were awarded to more than 3,600 Texas A&M University graduates during May commencement ceremonies at College Station.

Degrees were presented at three separate ceremonies. Featured speakers at the ceremonies were Vanessa D. Gilmore, an attorney in Houston who is currently serving as chairperson of the Texas Department of Commerce; C. Peter Magrath, president of the National Association of State Universities and Land-Grant Colleges; and Richard J. Stegemeier, chairman and chief executive officer of Unocal Corporation.

Among the graduates is Tara Val Nance, daughter of Wayne and Tina Nance of Silverton, who received the bachelor of science degree in geology. She is staying in College Station to work toward her masters degree.

The University also has named its honor students for the 1993 spring semester, recognizing several thousand students for outstanding academic performance.

Students are designated as "Distinguished Students" when they earn a 3.25 to 3.74 Grade Point Ratio out of a possible 4.0 during the grading period. Miss Nance has been named a Distinguished Student.

**FREEDOM WILL PREVAIL  
 AS LONG AS OUR FLAG  
 CAN FLY**

When looking upward to the sky  
 We still can see our banner fly,  
 And fill us all with confidence,  
 Because of what it represents:  
 The freedom which we have enjoyed,  
 That no aggressor has destroyed.  
 It signifies our sacrifice  
 And willingness to pay the price,  
 That all throughout our history  
 Combined to keep our nation free.  
 Since laws of God have set the tone  
 Of those adapted for our own,  
 Through faith our flag has come to be  
 The symbol of our liberty;  
 So let's resolve to take a stand,  
 And keep it waving in our land.

I want to say thank you for all the things you did while I was in the hospital and since I have been home. To Brad Enloe and Loyd Riddlespurger, thanks for being with my family during the surgery. For the prayers, visits, flowers, cards, food and calls, thanks too.

Anyone would get better knowing that the town is holding them up in prayer. Thank God I live in a little town that cares.

God bless you,  
LaNelle Hill

Words cannot begin to express our gratitude to all of you who have gone out of your way to do so much for us during this time in our lives. The prayers sent up to God on our behalf mean more to us than you will ever know. We thank God that there are so many supportive and encouraging people filled with His love in our community.

All of the food and words expressed out of concern for us will never be forgotten. We've learned through all of this that it truly is more blessed to give than to receive. We pray that we can be as gracious and sincere with our giving as everyone has been toward us.

Thanks again from the bottom of our hearts and please continue to keep us in your prayers.

May God continue to bless you all!  
Love,  
Jim and Donna

We want to thank everyone for their prayers, visits, phone calls, food and flowers while I was in the hospital in Plainview and while Bill was in the hospital in Lubbock and since we've been home. A special thanks to the ones that stayed with me during Bill's operation. I couldn't have made it without them.

In Christian love,  
Bill and Lucy

I would like to thank the ambulance service for your caring assistance. I would also like to thank everyone for your calls and prayers after the wreck.

May God bless each of you,
