See Voters Guide On Page Nine

Vote Tuesday, November 2

Fall Festival Coronation To Be Saturday Night

The Silverton School Auditorium will be the setting for the coronation of Fall Festival candidates beginning at 6:30 p.m. Each person who pays admission at the program will receive tickets to be used to vote for the candidates of their choice, and those crowned will be elected by the popular vote of those attending.

If you wish to vote, you must plan to get there between 6:00 and 6:30 p.m., because voting closes at 6:30.

Crown and scepter bearers from the kindergarten class will be Sage Brannon, Hanna James, Yance Forbes and Gid Mayfield.

The Fall Festival candidates for Princess and Prince are Kelsie Estes and Max Comer, first grade; Lori Griffin and Trace Mattheus, second grade; Bryn Mayfield and Adam Enloe, third grade; Kina Garrison and Kevin

Boy Scouts Have Begun Popcorn Sales Project

Silverton Boy Scout Troop 262 has begun selling popcorn as a money-making event.

There are six different packages to choose from, including microwave and caramel.

Please help support the Boy Scouts as they are trying to earn money for their Troop and Scout Bucks to help pay for their summer camp.

You may contact any Scout to place your order today.

Pumpkin Decorating Contest is Saturday

Silverton Boy Scout Troop 262 will be sponsoring a Pumpkin Decorating Contest Saturday night, October 30, at the Progressive Homemakers Fall Carnival at the showbarn in Silverton.

Entry fees will be 50c per pumpkin, and you may enter as many times as you wish.

Age categories are for those in first through fourth grades; fifth through eighth grades; high school and adult.

A \$10.00 cash prize, donated by Comer Gardens, will be awarded to the winner in each category.

Please have your decorated pumpkin at the showbarn by 6:00 p.m. to be judged.

Duncan, fourth grade; Catherine Reyna and Aaron Wederski, fifth grade, and Dara Johnston and Jordan Sarchet, sixth grade.

Candidates for Queen and King are Minerva Patino and Brandon Sarchet, freshmen; Kara Kingery and Bo Wilson, sophomores; Leslee Weaks and Peter Trevino, juniors, and Ashleigh Wyatt and Matt Francis, seniors.

Parents are reminded that the candidates and their decorated boxes must be at the high school auditorium by 6:00 p.m. on Saturday, October 30.

Everyone Invited To Fall Carnival

It's Fall Carnival time again!

The Progressive Homemakers' Fall Carnival will be held Saturday night, October 30, beginning at 6:30 p.m.

There will be lots of fun activities for kids and adults alike.

Some of the booths that have been reserved are Cake Walk, Fishing Pond, Pumpkin Decorating, Bingo, Pumpkin Pond, Costume Contest, Pumpkin Smashing, Pumpkin Roll, Guess-the-Weight of a Pumpkin, Basketball Toss, Putting Green, and, as always, the delicious Mexican food prepared by the women of Our Lady of Loreto Catholic Church.

The showbarn will be open from 10:00 a.m. until 12:00 noon Saturday to set up booths, and the doors will open at 6:00 p.m.

You are urged to set up your booths in the morning, so that everyone will be set up for business beginning at 6:30 p.m.

Come one, come all for a night of fun at the Fall Carnival.

Youth Hayride Planned Oct. 31

All Junior High and High School youth are invited to a hayride and trip to Tule Canyon on Sunday afternoon, October 31.

Youth are asked to be at the United Methodist Church at 4:30 p.m. to caravan to the canyon. Bring a can of vegetables to add to a hobo stew.

This event is being sponsored by Brad Enloe and Doug Cherry.

USDA Reminds Producers of the Multi-Peril Insurance Requirements

Producers with 1993 crop losses greater than 65 percent of expected production must purchase multiple-peril crop insurance for the 1994 crop to be eligible for 1993 disaster assistance benefits.

USDA's Federal Crop Insurance Corporation has extended the sales closing date to October 31 for regular and group risk plan insurance for

wheat, oats, rye and barley, according to Earlyne Hutsell, Briscoe County ASCS.

Signup for the 1993 Disaster Assistance Program continues through March 4, 1994, but if 1993 crop losses were greater than 65 percent of expected production, multi-peril insurance for the 1994 crop of wheat, oats, rye and barley must be purchased by October 31, 1993. This insurance can be cancelled if it is later determined that it is not required.

Producers should contact the Briscoe County ASCS office for further information.

Open House is Planned At Local Post Office

In conjunction with National Consumers Week, the employees of the Silverton Post Office invite everyone to attend an Open House Friday, October 29, from 8:00 a.m. until noon.

You are invited to attend and share refreshments. The postal employees welcome the opportunity to show off the facility, receive your comments, and get re-acquainted.

Silverton ISD Students Scoring Well on Tests

Silverton ISD is very proud of the first six-weeks test results, because 17.9% of the student body scored 90 or above on the tests, and only 6.4% were reported on the failing list.

Parents and grandparents of the students attending Silverton ISD can be very proud of the achievements of their sons and daughters. It is hoped this will continue throughout the school year.

The Administration appreciates your help and cooperation.

Senior Citizens To Have Party Tuesday

Silverton Senior Citizens will have their monthly birthday party at the center beginning at 6:00 p.m. on Tuesday, November 2.

Those who have November birthdays will be guests of honor. The party will be hosted by those who had their birthdays celebrated in October.

Commodities to Be Given Here October 28

Commodities will be given to all those who are qualified to receive them at 9:00 a.m. Thursday, October 28, at the Showbarn.

If you want someone to pick up your commodities for you, you must call the County Judge's office first.

WEDNESDAY

Evening 8:00 p.m.

Cemetery in Houston with Rev. Terry Thompson of St. Paul's United Methodist Church officiating.

Mrs. May, 90, died Monday, October 28 in Austin.

She was born November 28, 1902 in Silverton to Ples and Catherine Willhoite Skeen, pioneer settlers of Briscoe County who helped build the First Methodist Church in Silverton.

She received a teaching certificate from East Texas State Teacher's College in Commerce, and taught in Borger prior to her marriage. She resided in Houston for 41 years and relocated to Austin in 1986. She was a member of St. Paul's United Methodist Church in Houston and Bethany United Methodist Church in Austin. She was a resident of Heartland Health Care Center at the time of her death.

She was preceded in death by an infant son, Thomas Roy May, and her husband of nearly 60 years, James Alton May.

Mrs. May is survived by her daughter and son-in-law, Norma and Rocky Walston of Austin; a son and daughter-in-law, Gene and Barbara May of Houston; a sister, Juanita Fondy of Denver, Colorado, and a number of nieces and nephews.

In lieu of flowers, the family suggested memorials be made to Bethany United Methodist Church, 10010 Anderson Mill Road, Austin, TX 78750, or a charity of your choice.

Arrangements were made by Cook Walden Chapel of the Hills, 9700 Anderson Mill Road, Austin, TX 78750.

EVELYN JONI DURHAM

Funeral services for Evelyn Joni Durham, 78, were conducted at the Westside Church of Christ in Cleburne at 2:00 p.m. Sunday, October 24. Officiating ministers were David Berryman and Pat Stephenson.

Private graveside services were conducted Monday, October 25, in Rose Hill Cemetery at Cleburne.

Mrs. Durham died at Colonial Manor Nursing Home in Cleburne on October 21.

She was born in Silverton February 2,

1915 and was a daughter of William Henry and Elizabeth Hefley Crowe. She was married to Aulton Noble Durham in Clovis, New Mexico on May 27, 1933.

Mrs. Durham was a retired educator, having taught thirty-three years, the last twenty-seven of which were in Cleburne. She was graduated from Silverton High School and earned her bachelor's degree at West Texas State in Canyon. She received her master's degree at Texas Christian University and took graduate courses at Columbia University. She was a member of Retired Teachers Association, and had taught Bible classes at the Church of Christ of which she was a member.

She is survived by her husband; a son, Judge Joe Durham of Cleburne; a daughter, Cheryl Kay Durham of Irvington, New Jersey; a daughter-in-law, Nancy Durham of Cleburne; two grandchildren, Aulton Boyd Durham of Glynco, Georgia and D'Ann Durham of Huntsville.

Pallbearers were Westside Church of Christ Elders, Turner Key, Kent Williams and Don Turner.

Crosier-Pearson-Mayfield Funeral Home of Cleburne was in charge of arrangements.

Immunizations To Be Offered At Clinic Here

An immunization clinic offering vaccines that give protection against several childhood diseases is scheduled for November 19, from 9:00 until 11:30 a.m. and from 1:00 until 4:00 p.m. at the Silverton School.

Protection is against polio, diphtheria, lock jaw (tetanus), whooping cough (pertussis), measles, rubella, mumps and HIB (Haemophilus Influenzae Type B).

The Texas Department of Health is charging money to help with the cost of keeping the clinic open. The amount of money charged will be based on family income and size, and the ability to pay.

Owls Take Third District Win In Hard-Fought Game Friday

Silverton's varsity Owls earned a 3-0 district record by defeating the Three Way Eagles last Friday night, and now are readying themselves for the two top contenders.

The two playoff spots in District 3-A will be decided over the next two weeks when Silverton faces Lazbuddie and Amherst in what should be two great six-man battles. Amherst is coached by Jack Shely, a former Silverton coach, and his team has been rated in the top ten teams in the state the past several weeks.

The Owls could wrap up a playoff spot with a win at Lazbuddie this week, then play for the league title at home against Amherst on November 5.

Against Three Way, Coach Clyde Parham said the Owls "were not prepared—from the coaches on down. Three Way was a lot better than we expected."

"Against Lazbuddie this week we're going to have to play above and beyond our potential. They had about four people injured when they lost to Amherst, but they have most everybody back and healthy now..."

The Owls need a large contingent of fans to follow them to Lazbuddie for the 7:30 p.m. kickoff Friday. Pep rally is at 3:00 p.m. Try to be at both!

Silverton kicked off to Three Way to open last Friday night's game and gave up a first down on the Three Way 38. On the next play, Jeremiah Brooks intercepted an Eagle pass on the Silverton 33. The Owls were totally denied on their first series, with the

quarterback and running back being tripped before they could get going, and on fourth down Zeb Holt punted deep.

Brooks broke up and almost intercepted an Eagle pass, and on the next play, Lance Holt knocked the pass receiver out of bounds. Three Way made a first down on their own 30, stopped there by Anthony Gamble, with the team missing a lot of tackles. The Eagles picked up a first down on the Silverton 27 and another on the 13, and scored from nine yards out. They kicked their PAT, and held an early 8-0 lead over the stunned Owls.

Three Way kicked off to the Owls, and Lance Holt took it deep and went all the way for a touchdown with 5:14 remaining on the first-quarter clock. There was no PAT, and suddenly the Owls had narrowed Three Way's lead to 8-6.

The Owls kicked off and stopped the runback at the Three Way 30. On the Eagles' first play, Lance Holt intercepted a pass and went all the way for a touchdown, covering 32 yards. There was no PAT, and with 4:55 still on the first-quarter clock, the Owls moved into a 12-8 lead.

The Owls kicked into the endzone and saw it brought out to the 20 where the Eagles set up for business. After an incomplete pass, the Three Way quarterback was whistled for intentionally grounding the ball in the endzone, and the Owls got safety points out of the deal to make the score 14-8.

Three Way kicked to the Owls, the ball was fumbled and Three Way

recovered at midfield. They made a first down on a pass at the Silverton 16, then saw the ball go over on downs to the Owls after Lance Holt broke up a fourth-down pass near the goal. With 1:32 remaining in the first period, the Owls were being stymied on offense. They punted short on fourth down, and the Eagles took over again. Three Way passed complete for a touchdown with 7:30 remaining before halftime, but a penalty was stepped off against them and their next series of plays failed to gain enough yardage for a first down.

The Owls came back with Lance Holt doing the rushing and absorbing a lot of hard hits on every play. A first down was gained on the 30, after which Braden Towe passed to Lance Holt for a first down on the Three Way 19 with 3:19 remaining in the quarter. Phil Patino picked up nine yards and Lance Holt carried a touchdown with 2:38 on the clock to make the score 20-8.

This time the Owls kicked off and held the Eagles at their own 14. After two incomplete passes, they passed complete for a touchdown which was defended by Arnold Garza with 1:59 remaining on the clock. There was no PAT, and the score was narrowed to 20-14.

Three Way kicked off deep and the Owls started on their 20. Lance Holt ran for a first down on the Eagle 31, after which Three Way was penalized for unsportsmanlike conduct to give the Owls a first down on the 15. The defense had been very tough but the Owls blocked well on fourth down and Lance Holt went into the endzone almost untouched. There was no PAT, and with a second remaining in the period, the Owls extended their lead to 26-14.

Time expired in the first half as the Owls kicked off.

Three Way kicked off to open the third quarter, and Lance Holt brought it out to the Silverton 30. Towe completed a pass to Matt Francis on fourth down, but this play resulted in a small loss and the ball went over to the Eagles. They got a first down on a penalty against the Owls and alternated in running plays from the spread and a very tight formation. On third down, they fumbled and Zane Henderson recovered at midfield for the Owls. Unable to move the ball on this series, Zeb Holt punted to the Three Way 14.

Three Way, back in the spread again, made a first down on their 30 and then made a long run which was called back for a penalty. They made a first down by inches after which they scored with 1:04 still to be played in the third quarter. The Owls blocked the PAT kick, and the score remained 26-20, giving the fans a deluxe case of nerves.

As the fourth quarter began, the Owls were on offense and picked up a first down at midfield. Lance Holt passed complete to Francis for another first down on the Three Way 30, after which the Owls saw the ball go over on downs to the Eagles.

On their first play, the Eagles ran a touchdown which was whistled by the officials. The Owls played hard and forced the ball to come back to them on downs, and Silverton had another chance for points. On fourth down, Lance Holt completed a pass to Francis, but it wasn't enough and the Eagles got the ball back.

On the third play, Towe intercepted a Three Way pass—probably one of his most important interceptions this season. There were 41 seconds remaining to be played, and the Owls killed the clock to end the extremely hard-fought game with a 26-20 win.

Follow the Owls to Lazbuddie Friday night!

Junior High Owls Defeat Eagles

The Junior High Owls kicked off to the Three Way Eagles to open their game Thursday afternoon, and played such good defense that they were forced to give the ball up on downs after just four plays. The Owls picked up a first down on the Three Way 22, after which Trey Ziegler made a first down on the three. Andy Bullock scored with seven seconds remaining in the quarter, the PAT was missed, and the Owls held a 6-0 lead.

When the Owls kicked off, Three Way brought it back to the 35, and on first down the Eagles fumbled and Jackie Cherry recovered for the Owls on the 30. Three plays later, Ziegler carried a touchdown. There was no PAT, and with 4:43 remaining in the first half, the Owls held a 12-0 lead.

The Owls kicked off once again, and gave up first downs on their 35 and three, after which Three Way fumbled and Cherry grabbed the ball again.

This time the Owls moved to the two before being thrown for a loss, and on Three Way's first play they scored. They passed complete for the PAT, and the score became 12-7.

Three Way kicked off and the Owls returned it to their 25. On the first play, Cherry carried a touchdown. There was no PAT, and the Owls held an 18-7 advantage.

As the third quarter opened, Ziegler carried another touchdown to make the score 24-7 with 5:12 still on the third-quarter clock.

The Owls kicked off again, and gave up a first down at midfield. On fourth down the ball went over to the Owls on the Silverton 35, and the Owls gained to the Three Way 15 before giving up the ball. As the fourth quarter began, Bullock intercepted a Three Way pass and returned it to the Eagle 15. Ziegler scored two plays later, Bullock kicked the PAT, and gave the Owls a 32-7 lead. With 5:28 left to play, the Owls kicked off and stopped the return at the Three Way 11. The Eagles made a first down on the 32 before bogging down and seeing the ball go back to the Owls on the Three Way 38. The game ended with the Junior High Owls recording yet another victory. They haven't lost a game this season, but have a tie with Lazbuddie to mar their record.

The Junior Owls are hosting their second game with Lazbuddie this afternoon, with kickoff at 5:00. Better go watch this exciting group play!

District SWCD Directors Meet

Alton Riddell and Walter Henson, directors of Caprock Soil and Water Conservation District, were in Lubbock October 18-20, to attend the fifty-third annual State Meeting of Texas Soil and Water Conservation District Directors. The meeting was held at the Lubbock Memorial Civic Center.

Also attending from the Caprock Soil and Water Conservation District was Matt Kast.

Approximately 1,000 attended the meeting, the purpose of which was to review developments affecting state and national soil and water conservation programs. Various workshops focused on an array of issues.

"A panel of Legislative leaders discussed recently-enacted legislation having an impact on soil and water conservation programs in Texas," said Clyde Gottschalk, Texas State Soil and Water Conservation Board (TSSWCB) Director of Information/Education.

"The National Historic Preservation Act and how the USDA Soil Conservation Service must comply with its provisions when cultural resources are found on private land was addressed in the Public Information-Education workshop," he added.

In the environmental issues forum the Texas Clean Rivers Program including an overview of the State Water Quality Assessments Program was addressed.

"Considerations involving the coordination of this program with soil and water conservation districts (SWCDs) and the TSSWCB was addressed in the workshop," said James Moore, assistant executive director of Conservation Programs.

"In addition, the effectuation of Senate Bill 503 which establishes a site specific water quality management plan development and implementation program through the TSSWCB and SWCDs was discussed in the forum," he added.

The issue of USDA reorganization and its impact on the Soil Conservation Service and SWCDs was discussed in

the Resource Conservation Issues workshop.

"The reauthorization of the Clean Water Act, including key elements of pending legislation as well as a report on the status of Texas' effort to obtain federal approval of the Coastal Zone Management Program, was another focus of the workshop," said Beade Northcut, TSSWCB Engineer and Workshop Coordinator.

A training session for conservation district directors and district employees examined items relating to day-to-day operations of a soil and water conservation district in the District Operations Workshop.

Key speakers on Tuesday morning were Gerald Digerness, president, National Association of Conservation Districts; Donald Swann, president, Association of Texas Soil and Water Conservation Districts, and Robert Buckley, executive director, Texas State Soil and Water Conservation Board.

State Senator John Montford welcomed the conservation district directors to Lubbock.

Key addresses on Wednesday morning were given by Dr. James Bruseth, deputy state preservation officer, Department of Antiquities Protection, and Wes Oneth, state conservationist, USDA Soil

Conservation Service.

Regular elections for Association of Texas Soil and Water Conservation District Directors for State Areas One, Three and Five were held on Tuesday afternoon in the area sessions.

Arts Festival Winners Are Announced Here

The fourth annual Texas Caprock Arts Festival, sponsored by the Briscoe County Activities Association, was enjoyed by many area residents. Best of Show was won by J. Christopher White of Silverton for "Of Dust and Dreams," his large wood sculpture of a cutting horse. Peoples Choice, which was selected by those who attended the show, was won by Phyllis Harrill Shaw of Colorado Springs, Colorado, with a drawing titled "Best Friends."

In the drawing/pastel division, M. A. Stelzer of Post won first with her drawing "Equus-The Nonsuch Lure," Lavern Nelson of Canyon won second with "State Images" and Candace Keller of Plainview placed third with "Valadezes Remembered."

The oil/acrylic division was won by Laura Fields of Claude for her painting, "Summer Pickets," with second going to "T-38 Over Lubbock International" by

Carlos Jordon of Lubbock and third to J. B. Reimund of Amarillo for "After the Storm."

Photography division was won by Venessa Gunn of Midland for "Big Bend, Trail to Window." Second went to "Abandoned" by Lance W. Smith of College Station. "Cool Fringe" by Dick Shackelford of Tulia placed third.

"Thundering Fury," a bronze by Dale D. Gibson of Booker took first place in sculpture. J. Christopher White's "Cast Thy Burdens" won second and Dale D. Gibson won third with his "Finger of God."

Water media first place went to "Hollyhocks" by Candace Keller of Plainview. "Whitetail Buck" by Jo Westbrook of Canadian placed second, and third went to "Caprock Fall" by Jo Goen of Floydada.

Honorable mention was given to works by Brenda Dyson of Pampa,

LaRue Garvin of Silverton, Dale D. Gibson, Jo Goen, Betty Graham of Clifton, Venessa Gunn, Angela Heath of Lubbock, Carlos Jordon, Bill Mueller of Post, Lavern Nelson, Phyllis Harrill Shaw, M. A. Stelzer and Jo Westbrook.

Youth division honors went to pen and ink drawings "Falconing" by Robert Leal of Silverton, first; "Bunny Fun" by Lindsey Jennings of Silverton, second, and "Penned Pony" by Diana Araujo, third. Honorable mentions were given to Trent Smith for a pen and ink drawing and Wynter Smith for two photography entries.

Guest artist and judge for the juried show was Paul Milosevich of Lubbock.

Saturday evening, prior to the show, about 80 people enjoyed an elegant buffet dinner prepared by a BCAA committee chaired by Betty Tiffin and Sandi Tomlin. Piano dinner music was played by Manda Hays of Claytonville.

Montague-Cagle Vows Pledged Here Last Friday

H. A. Cagle and Mrs. Pauline Bryan Montague, both of Silverton, were married at the First United Methodist Church in Silverton on Friday, October 22.

The Rev. Brad Enloe, pastor, performed the ceremony. Mrs. Holly Enloe witnessed the ceremony.

The couple left the church driving a classic 1969 Ford Ranchero pickup.

Mr. and Mrs. Cagle will make their home south of Silverton.

Happy Anniversary to . . .

October 28—Mr. and Mrs. Stan Couch

October 30—Mr. and Mrs. Cris Gill
November 2—Mr. and Mrs. Ed Hutsell, Mr. and Mrs. Charlie Parker

awards were presented to David Reagan for his work with the Shooting Sports project and Jackie Sperry for her work with the Valley 4-H Club. Lighthouse Electric Cooperative of Floydada and Swisher Electric Cooperative of Tulia sponsor the Silver Spur awards.

The Briscoe County 4-H program would like to extend a special thanks to everyone for their assistance and support of the 1993 4-H Achievement Banquet.

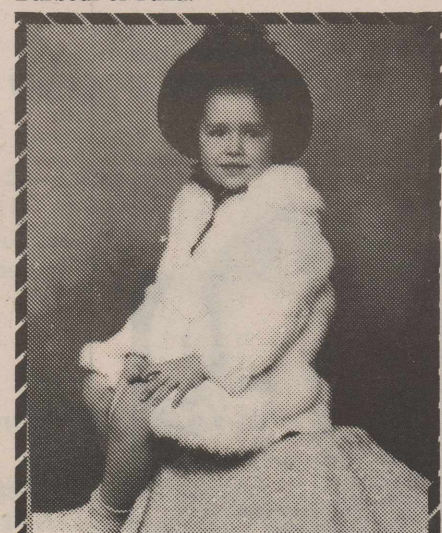

New Arrival

Jim and Donna Estes are the proud parents of a son, Braden Dewey, born at 6:08 a.m. Thursday, October 21, at Lockney. He weighed seven pounds and one ounce, and was 19½ inches long.

He has two sisters to welcome him into the family, Amanda, who is nine, and Kelsie, who is six years old.

Grandparents are Bill and Della Boling and Dewey and Jimmie Estes, all of Silverton.

Great-grandparents are Mr. and Mrs. Jack Estes of Silverton and Erlene Barbour of Tulia.

**HAPPY BIRTHDAY
To Our Favorite Witch**

With Love,
Your Goblins

4-H Achievement Banquet Held Sunday Evening

The Winds of Change was the theme for the annual Briscoe County 4-H Achievement Banquet which was held on Sunday, October 17, in the Silverton School cafeteria. The banquet is held every year to honor the past year's achievements of 4-H'ers and adult leaders involved in the Briscoe County 4-H program.

4-H'ers participating in various 4-H projects were recognized by Silverton 4-H Club Manager Deb Burson and Valley 4-H Assistant Club Manager Joanie Pigg and were awarded project certificates. Silverton 4-H Assistant Club Manager Juannah Jennings presented year pins to 4-H'ers who had turned in completed project record forms.

Receiving first-year pins were Rolf Sherman, Kevin Womack, Kurby Garvin and Brandi Rice; second-year pins were awarded to Katy Hester, Julie Weaver, Jamie Pigg, Sara Kirchoffner, Taylor Griffin, Brooke Garvin, Kendra Rhoderick, Catherine Reyna, Vanessa Reyna and Junior Castillo. Third-year pins were awarded to Daniel Reagan, Ryan Minyard and Dara Johnston.

Fourth-year pins were presented to Michael Reagan, Lindsey Weaks, Lindsey Jennings and Donny Burson. Receiving fifth-year pins were Will Hester, Wynter Smith, Molly Brooks, Trey Wyatt, Lacy Brunson, Shauna Kingery and Kenzie Burson. Jarrett Pigg received a sixth-year pin. Seventh-

year pins were awarded to Jeremiah Brooks, Will Sperry, Shannon Weaver and Christina Stephens. Nine-year pins were presented to Ashleigh Wyatt and Leslee Weaks.

Briana Sperry and Krisse Pigg presented project pins to 4-H'ers who turned in record books: Daniel Reagan, Shooting Sports; Katy Hester, Food and Nutrition; Jamie Pigg, Beef; Rolf Sherman, Shooting Sports; Michael Reagan, Public Speaking; Will Hester, Shooting Sports; Wynter Smith, Photography; Molly Brooks, Home Economics Achievement; Jarrett Pigg, Beef; Trey Wyatt, Achievement; Lindsey Weaks, Santa Fe; Lindsey Jennings, Fashion Revue; Shannon Weaver, Swine; Christina Stephens, Swine; Jeremiah Brooks, Agriculture; Will Sperry, Agriculture Achievement; Ashleigh Wyatt, Clothing, and Leslee Weaks, Fashion Revue.

State awards were presented by Jarrett Pigg and Christina Stephens to Julie Wilson, Bo Wilson, Kevin Womack, Jeremiah Brooks, Will Sperry, George Pigg, Jeremy Hughes, Tracy Guest, Krisse Pigg, Carrie Baird, Cecilia Castillo, Briana Sperry, Christi McWaters and Ashleigh Wyatt.

The "I Dare You" awards were presented to Kevin Womack and Briana Sperry by John Wyatt. The Valley Farm Store was recognized as the "Friend of 4-H" award recipient by George Pigg and Leslee Weaks. Deb Burson and Janinne Brooks presented Gold Star awards to Will Sperry and Leslee Weaks.

A quarterly meeting of Lubbock-based Plains Cotton Growers board of directors was held Wednesday, October 13, at the site of the first annual Texas Farmer-Stockman Show. The Farm Show, held on Lubbock's City Farm one and one-half miles east of Loop 289 on 50th Street, is being called the biggest farm and ranch exposition ever held in

the state of Texas.

PCG board members discussed a number of issues including the North American Free Trade Agreement, the Plant Variety Protection Act, Federal Crop Insurance, recommendations for the 1994 Farm Program and the reorganization of the United States Department of Agriculture. Also discussed was the progress of the 1993 PCG Boll Weevil Control Program.

PCG board members were given an opportunity to view some of Dr. John Gannaway's new cotton breeding lines developed through the PCG Plains Cotton Improvement Program (PCIP).

They also had an opportunity to see some of the new commercial varieties being developed from PCIP lines by High Plains seed companies.

Roger Haldenby, PCG Boll Weevil Program Coordinator, briefed the board on the progress of the 1993 control program. He noted that a total of nine aircraft are being used in the program, maintaining a six-day a week flying schedule. Haldenby added that the third application got underway Tuesday, October 19.

The PCG board meeting was held at the site of the Texas Farmer-Stockman Show and the board commended the

Farmer-Stockman organization for the tremendous job done to plan and execute the exposition.

HARVESTING PICKING UP

Harvesting activities have been picking up steam across the High Plains with producers treating fields in preparation for harvest. It is expected that the next two weeks will bring a rapid increase in the number of acres harvested. Many area gins are now running 24 hours a day.

As more of the crop comes in, yield estimates are beginning to change based on actual production.

A VOTER'S GUIDE TO THE CONSTITUTIONAL AMENDMENTS TO BE CONSIDERED ON NOVEMBER 2, 1993

Prepared by Free Market Foundation • P.O. Box 741777 • Dallas, Texas 75374-1777

NUMBER	SUMMARY	ARGUMENTS FOR:	ARGUMENTS AGAINST:
1	Authorizes state to issue \$50 million in general obligation bonds to finance costs for the start-up of historically underutilized businesses and establish the Texas Historically Underutilized business (HUB) Capital Growth and Start-Up Fund. HUB is a minority owned business corporation, which is owned by one or more persons who are socially disadvantaged because of their identification as members of certain groups.	Would provide an opportunity to compete with other long-established businesses and fosters economic diversification throughout the state.	Would foster business growth for only one segment of the business community at the expense of all taxpayers and could increase debt service by \$4.5 million from the general revenue fund.
2	Authorizes the Legislature to exempt certain real and personal property acquired after January 1, 1994, from tax on goods if the property is used in reducing pollution.	Would comply that environmental law is one of the leading costs of doing business and this amendment will aid business in complying with the law. Controlling business costs and pollution output would preserve jobs in Texas. Because 32 states offer similar tax incentives, Texas would compete for new and expanding businesses with this tax incentive. This in turn would increase revenues to the General Revenue Fund.	Would enforce the principle that laws are created to protect the public interest. The Clean Air Act is a federal law and should be fully enforced. Tax incentives should not be offered to businesses in order to bring about compliance with the law.
3	Would clear land titles to the Shelby, Frizier & McCormick League in Ft. Bend & Austin Counties. The state would relinquish both mineral & surface rights to this land.	Would protect over 146 families whose ancestors purchased the land in good faith decades ago from having to repurchase the land in order to gain clear title. The amendment could prevent costly lawsuit.	Would cost tax payers \$60,000 each time an election is needed to settle one land title dispute. It is believed other means should be used to settle these disputes.
4	Would require voter approval of any law enacted by the Legislature that would impose a personal income tax. Voters must approve the tax rate, personal exemptions & standard deductions. Revenue from the income tax would be dedicated to public education & to property tax relief.	Would maintain Texas is an attractive state in which to do business and would encourage Texas business & personal economic growth. The dedicated revenues could help solve the inequities in the school finance system.	Would tie the personal income tax to public education & reduced property taxes which would make the legislator's more likely to pass a personal income tax. Although the measure implies a ban on income tax, it may actually hasten its implementation.
5	Would allow the Legislature to prescribe the qualifications for sheriffs.	Would require sheriffs to meet the same licensing & qualification standards that deputies & constables must currently meet. This could ensure better competency.	Would retain voter's right to decide the qualifications necessary for their county sheriff, thereby lessening state intervention in local affairs.
6	Would abolish the office of the Jackson County surveyor, whose duties would be transferred to an official designated by the County Commissioners Court.	Would abolish an office that has become expensive and unnecessary. Although county surveyors once were an important office, large tracts of land are no longer sold by government.	Would retain voter's right to elect county officials. County surveyors act as an impartial judge to resolve disputes among other surveyors or boundary disputes between counties.
7	Would repeal certain restrictions for corporations to raise capital with respect to the issuance of stock.	Would allow Texas corporations to raise capital through new methods, thus creating a more favorable growth climate.	Would maintain a safeguard protecting consumers from fraud.
8	Would abolish the position of the McLennan County surveyor, whose duties would be transferred to an official designated by the County Commissioners Court.	This position is expensive & no longer necessary.	Would retain voter's right to elect county officials.
9	Would reduce from 2 years to 6 months the time in which all real property seized through tax foreclosure could be eligible for redemption. This would not apply to residence homesteads or land designated for agricultural use.	Governments could sell foreclosed property within a shorter time frame. Buyers are hesitant to foreclose property because the current law gives the former owner 2 years to redeem to property. Holding the property for 2 years causes loss of tax revenues.	Would maintain current policy which gives wide latitude and protection to the property owner to redeem their property.
10	Authorizes state to issue \$750 million in general obligation bonds. Proceeds would be used by Veterans' Land Board to purchase land for resale & make home mortgage loans to veterans. Would also allow the board to issue revenue bonds payable from Veterans Land Fund & Veterans Housing Assistance Fund.	Would continue one of a limited number of state benefits available to veterans by offering them low-interest rates to purchase land and homes.	Would obligate the state to use general revenues to pay the debt service if the program fails regardless of its claim and past history of being self-supporting.
11	Would require the trustees of local public retirement systems to establish operational procedures for the pension system which benefit the system's members and beneficiaries.	Would protect local public pension systems by defining the responsibilities of the trustees.	Would inappropriately involve the state in operations of local pension systems when there is inadequate evidence of a need for such involvement.
12	Would create a fourth instance in which a judge could deny bail to someone accused of committing certain offenses while under supervision of a criminal justice agency for a prior felony.	Would allow courts and judges to keep dangerous criminals in jail while waiting trial.	Would violate the principle of "innocent until proven guilty." Could further escalate prison overcrowding problem.
13	Would add Texas State Technical College (TSTC) to a list of institutions which receive funds from the Higher Education Assistance Fund.	Would give funds to TSTC as the only public institution of higher education that does not receive assistance from dedicated funds. The funds would assist in TSTC's capital expenses.	TSTC is not a 4-year institution & does not have same needs as those receiving assistance.
14	Would authorize issuance up to \$1 billion in general obligation bonds for construction and renovation of prisons.	Would give non-violent offenders a greater chance for rehabilitation & keep violent offenders in state penal institutions longer. State jails are less expensive to build & run, so more beds could be built with the money, the measure would assist in the court-ordered fines paid to counties for housing state inmates.	Would create added state debt and would cost the state \$90.8 million in debt service. Building more beds is not the answer. Officials should get at the root cause of crime.
15	Would permit voters of a county to decide, at an election called by the commissioners court, whether to abolish the office of county surveyor in a county. Surveyor's duties would be transferred to an official designated by County Commissioners Court.	Would keep a position that is expensive and no longer necessary in many counties. This proposition would allow counties to vote to eliminate the county surveyor job without having to pass a Constitutional Amendment each time.	Would retain voter's right to elect county officials.
16	Would authorize Texas Agricultural Fund to issue general obligation notes & bonds and would increase the amount of bonds issued from \$25 million to \$100 million.	Would increase availability of loans to farmers & ranchers, thereby allowing the agricultural industry to continue to grow.	Would obligate the state to use general revenues to pay the debt service if the program fails.

The Free Market Foundation provides this non-partisan voter's guide in an attempt to help citizens cast a more informed vote. It is not an attempt to pass or defeat any of the proposed amendments. FMF expresses appreciation to the Texas Conservative Coalition for background information.

CHS Class of 2000 Has Memories in Tow

A plaque, a picture and an autograph board honoring the Canyon High School Class of 2000 have graduated to Canyon Junior High.

The plaque originally was presented to fifth graders at Oscar Hinger Intermediate School by CHS. The fifth graders at the time autographed a framed sheet to accompany the plaque. A picture of young children, drawn by Marsha Clements, whose daughter is now a sophomore, was included.

Those fifth graders now have changed schools, and school officials felt it was only fitting that the Class of 2000 mementoes follow the students.

Former Silverton student Richie Hill was one of the members of the CHS Class of 2000 who had his picture in the Canyon News along with the story about this event.

Richie is the grandson of Opal and T. V. McClure and Laverne and Loyd Stephens, all of Silverton.

EXTENSION TOPICS FOR TODAY

by Ronda Alexander
Briscoe County Extension Agent
Home Economics

55/Alive Driving Program

The Briscoe County Extension Home Economics Committee will be sponsoring the 55/Alive driving program which will be held on November 11-12 from 4:00 until 8:00 p.m. on both days. The program will be held in the Pioneer Room at First State Bank in Silverton.

The program was developed by the American Association of Retired Persons to improve driving safety for all senior drivers. Anyone age 50 and over is eligible to attend the program. The instructor is a specially-trained AARP volunteer. Participants attending all portions of the program will receive a certificate for a 10% discount of most of your auto insurance (check with your local insurance agent for specific details).

To attend, please pre-register by November 9 at the Briscoe County Extension Office. The cost for the program is \$8.00, which covers all workbook materials. For more information about the program, please call the Briscoe County Extension Office, 823-2131, Ext. 12.

Airline Offering Free Tickets to Senior Citizens

Southwest Airlines will reunite hundreds of senior citizens, 65 years of age or older, who demonstrate a strong economic need for assistance, with family and friends this holiday season by awarding complimentary tickets

through its 14th annual "Home for the Holidays" program which kicks off this week.

Applications are available to area seniors who are 65 years of age or older and who cannot afford to travel home. They can be picked up at senior centers or by calling the Area Agency on Aging of the Panhandle in Amarillo at 372-3381 or toll free outside of Amarillo at 1-800-642-6008. The Area Agency has joined forces with Southwest Airlines to administer the program. Completed applications must be received at the

Area Agency on Aging by November 10, 1993 for consideration.

A limited number of applications per city from each of 34 cities served by Southwest will be selected to receive a complimentary round-trip ticket based on their need for economic assistance and reason for travel. Past recipients may apply and only one application per person will be considered. If both husband and wife wish to apply to be recipients, both must fill out separate applications. Past recipients may apply and only one application per person will

be considered. Ground transportation is not provided. Ground transportation to or from an airport served by Southwest Airlines also is not provided.

Each year, Southwest Airlines works in conjunction with local community organizations systemwide to distribute applications and select senior recipients.

City of Silvertown

CARD OF THANKS

I want to thank everyone for their prayers when I had my heart tests and Bryan Donahoo for his visit. I thank him and the church ladies for bringing me the tapes of the church sermons.

I want to thank my two children who were with me and the other children for their phone calls when they were unable to be with me.

Thanks to everyone for the phone calls, cards, flowers and my little daughter for staying with me for the last six weeks. Thanks to the ladies who have brought food since I've been home.

May God bless and keep you. I love you all and thank everyone who helped in any way.

Thank you,
Dora Perkins

I would like to thank all my friends for the cards, telephone calls and visits since my accident. I was able to return to our home at 2121 Tank Lane, Amarillo, TX 79103 on Saturday, October 22.

Tone Brooks

I want to thank everyone for the beautiful cards, letters and telephone calls while I was in the hospital and sine I have been home. Also for the food that came to our home and all the prayers and gifts.

I want to thank my wonderful family for helping me through the surgery and the long hospital stay.

With love,
Mildred

A special thanks to Anthony Kingery, Lynn Frizzell, Connie Smith, James Dunn and Janice Hill for the speed and efficient care they gave me. Silvertown is very fortunate to have the well-trained EMS volunteers we have. Janice went the extra mile despite a previous commitment to drive Doyle to the hospital and stay with him.

Thanks to Erma and Eloy Reyna and family for all they have done for me.

The prayers of several faiths, cards, flowers, food and calls have all meant a lot.

Merlene Stephens
