VOLUME 86

NUMBER 29

Physician's Assistant is Considering Silverton

Lee Hegarty, a physician's assistant who is currently practicing in Minnesota, was in Silverton a few weeks ago and spent a few hours looking over the local situation. He will be returning July 29-30-31 to learn more about the community before deciding whether he wants to move here.

Silverton Chamber of Commerce will

host a hamburger supper at Lake Mackenzie on Friday, July 29, at 7:00 p.m. at the group shelter. Everyone is encouraged to attend, meet Hegarty, and enjoy supper in the great out-of-doors. There will be no charge for the meal.

A similar event is being planned for Saturday evening at Quitaque.

Immunization Clinic To Be Held Here July 27

A special clinic to administer immunizations to anyone will be conducted Wednesday, July 27, 1994 from 9:00 a.m. until 12:00 noon in the Silverton School Nurse's office. Please call for an appointment.

Walk-ins may sign in at the door and will be seen on a first-come, first-served basis.

Immunizations offered include Polio, DPT, Td, MMR, HIB for appropriate ages, and Hepatitis B for infants and high-risk adolescents.

A small fee will be charged based on family income.

For further information, call Texas Department of Health, 995-3638, or School Nurse Margie Pinkerton, 823-2476.

Chamber Has Its Regular Meeting

The board of directors of the Silverton Chamber of Commerce met for its regular monthly session Tuesday, July 12, at 7:00 a.m. in the community room at City Hall.

Business items discussed included the filing of franchise reports and IRS status reports. It was decided to hire a private individual to take care of these reports. A bid was accepted to remove the roofing material to the decking on the soon-to-be Chamber of Commerce office.

Have you noticed the new Silverton signs? These signs have been a project of the Silverton Promotion Committee. The signs may not be up yet, but the work on them is in progress. Three signs will be placed along the highways leading into Silverton.

Plans for assisting with the promotion of the county celebration were discussed. Caprock Jamboree musicians and others will be providing music under the Courthouse Shelter from 1:00-3:00 p.m. during the Saturday of the celebration. The Chamber of Commerce will be helping by encouraging clubs, individuals and organizations to set up booths for your afternoon enjoyment and entertainment.

All clubs, organizations and individuals are being asked to set up booths on the Courthouse Square. Booths may range from craft or food items to games and activities for the kids. There will be no charge to set up a booth. Booths may be set up any time Saturday morning; however, everything should be in place by 12:30 p.m. Booth space will be on a first-come basis. No electrical outlets will be available and you must provide your own tables and chairs. For more

information on setting up a booth or to designate a specific booth type, please call 823-2131, Ext. 12.

The next scheduled meeting of the Silverton Chamber of Commerce board of directors will be Tuesday, August 12, at 7:00 a.m.

Celebrate Jesus At Church Party

Come to the Party! CELEBRATE JESUS at the Methodist Church July 25-29 from 6:00 until 8:00 p.m.

All children ages five through completion of the sixth grade are invited to join us for Vacation Bible School.

Sandwiches and cookies will be served, and transportation will be available if you call the church, 823-2140, between 5:30 and 6:00 each evening.

4-H Youth Back From Annual Electricity Camp

Five Briscoe County residents recently participated in an electricity camp sponsored by Southwestern Public Service Company. More than 115 4-H'ers from throughout the Texas Panhandle attended the camp June 20-24 at Camp Scott Able, near Cloudcroft, New Mexico.

The Briscoe County participants were Carrie Baird, Kimmie Blazier, Will Hester, Michael Reagan and County Agent Scott Strawn.

Students had opportunities to build their own "hands-on" projects. They also participated in demonstrations and lectures on basic electricity, safety, wiring and electrical terminology.

County Agents and SPS employees served as advisors and instructors.

**All Around
 The Town**
 BY MARY ANN SARCHET

Since so many are traveling through Silverton on vacation and since a physician's assistant is coming soon to make a decision about moving here, it seems to be a good time for a general clean-up, fix-up, paint-up, face lift for our town. Weeds need to be cut, grass needs to be mowed, trees need to be pruned.

Help us put a happy face on Silverton so we can have a chance to reap the long-term benefits of having medical service here again, and at the same time we will be getting ready for our annual county birthday celebration and the school homecoming. These events are just around the corner, and we certainly do want things to be in order for them.

Let's hop to all those things we have been putting off!

The Great "I Will"

Our God is not only the great "I am," Who is, Who knows, Who cares, but He is also the great "I will" as shown in the following passages of scripture. And what a wealth of comfort they contain.

I will bless thee . . . Genesis 12:2 . . . I will not fail thee . . . Joshua 1:5 . . . I will heal thee . . . II Kings 20:5 . . . I will guide thee . . . Psalms 32:8 . . . I will help thee . . . Isa. 41:10 . . . I will deliver

thee . . . Psalms 50:15 . . . I will give thee a new heart . . . Ezekiel 36:26 . . . I will hold thy hand . . . Isa. 42:6 . . . I will not forget thee . . . Isa. 49:15 . . . I will forgive thee . . . Jeremiah 31:34 . . . I will comfort thee . . . Isa. 66:13 . . . I will restore thee . . . Jeremiah 30:17.

A few Proverbs: Anticipation and hope bring stability and motivation to our lives . . . Those who can see God's hand in everything can best leave everything in God's hand . . . Better reconsider if you are "burned out" on religion: there is another place that is not "burned out" and where the fire is not quenched (Mark 9:43-48) . . . "The only way to prepare to meet God" is to live with God so that to meet Him shall be nothing strange . . . As God is perfect, His judgment will be perfect in that great and final day. All will be amazed by the wisdom of it, and none will find occasion to find fault with it . . .

The lake must be calm if the heavens are to be reflected on its surface.

Death can be a beautiful thing when it closes the last chapter of a beautiful life, one that has been Godly and lived for Christ . . . A Christian must keep "the faith" but not to himself . . . Now be kind for kindness begets kindness (each kind after its kind) . . . To have a friend be a friend.

The six sweetest phrases in the American language seem to be "I love you" . . . "Dinner is served" . . . "All is forgiven" . . . "Sleep until noon" . . . "Keep the change" . . . "Here's the five I owe you" . . .

The art of saying appropriate words in a kindly way is one that never goes out of fashion, never ceases to please and is within the reach of the humblest . . . Language is like linen—it looks best when it is clean . . . (a reprint) . . . A lad in Boston, rather small for his age, worked in an office as an errand boy. One day the employers were chaffing him about being so small and said, "You will never amount to much; you are too small." The lad looked at them and said, "Well I can do something that none of you four can do." "What is it?" they asked. "I don't know that I should tell you," he replied. They were eager to know and urged him to tell them what he could do that they could not do. "I can keep from swearing," said the little fellow. That ended the conversation.

It is the short trips at low speed that lead to the greatest number of crashes. About 75 percent of all crashes occur within 25 miles of home. In addition, about 75 percent of all crashes occur where posted speed limits are 45 mph or less. Low speed crashes or even a panic stop can cause serious injuries. Over 19,000 Jobs Created, Saved in Rural Areas This Year

More than 19,000 jobs will be created or saved in rural areas this fiscal year through the U. S. Department of Agriculture's Rural Development Administration (RDA) Business and

Industry Program, according to RDA Acting Administrator Wilbur T. Peer.

"The RDA Business and Industry program is helping to provide new jobs in rural areas by working with banks to make financing available to new or expanding businesses," Peer said. "Thousands of jobs also are being saved by helping companies that would have to go out of business without additional financing."

"The Administration is emphasizing the Business and Industry Program as part of its commitment to participate with the private sector to help create jobs and improve the rural economy," Peer said.

Nationally, RDA has invested \$114,942,250 for 81 loans this fiscal year, which began last October first. Nearly \$135 million remains available for the rest of the fiscal year which ends September 30, 1994.

STATEMENT OF NONDISCRIMINATION

Swisher Electric Cooperative, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975, as amended; and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, sex, national origin, age or handicap be excluded from participation in, admission or access to, be denied the benefits of, or be otherwise subjected to discrimination under any of this organization's programs or activities.

The person responsible for coordinating this organization's nondiscrimination compliance efforts is Mike Ferguson, Member Services Advisor.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary, U. S. Department of Agriculture, Washington, D. C. 20250, or the Administrator, Rural Electrification Administration, Washington, D. C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complaints will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.

OBITUARIES

MARY MILLER

Funeral services for Mary Miller, 74, were conducted at 2:30 p.m. Friday at the First Baptist Church in Silverton with the pastor, Rev. Bryan Donahoo, and Ted Kingery, minister of the Silverton Church of Christ, officiating.

Burial was in the Silverton Cemetery, and arrangements were made by Myers-Long Funeral Directors.

Mrs. Miller died at a nursing home in Garland on Tuesday, July 12.

She was born August 12, 1919, in Kinerville, Oklahoma and married Larke Miller on February 24, 1940. The couple moved to Silverton in 1948. Mr. Miller died in 1976. She was a member of the Assembly of God Church and was active in Silverton Senior Citizens.

Survivors include three sons, Jerry and Steve Miller, both of Silverton, and Jay Miller of Garland; five daughters, Joan Crawford of Garland, Darlene Warford of Midland, Carla Forsen of Ulysses, Kansas, Judith Poteet of Thackerville, Oklahoma and Nora Misner of Tulia; four sisters, Arie Wisdom of Bromide, Oklahoma, May Row of Memphis, Ellen Loper of Portland, Indiana and Florence Timmons of Durant, Oklahoma; three brothers, James Ellis of Lockney, Nathan Ellis of Memphis and Preston Ellis of Amarillo; 16 grandchildren and 22 great-grandchildren.

Pallbearers were Jack Strange, Leon Lavy, Wayne Nance, Rickey Hester, Bailey Hill and Riley Ziegler.

The family suggested memorials be made to the Alzheimers Foundation, the American Cancer Society or to the American Heart Association.

Veterans of Battle of The Bulge Plan 50th Anniversary Event

December 16, 1994 marks the 50th anniversary of the commencement of America's greatest land battle—the Battle of the Bulge. This battle took place from December 16, 1944 through January 25, 1945, in the bitter cold and snow of the heavily-forested Ardennes Forest of Belgium and Luxembourg.

More than one million young men took part in this bloody World War II battle—600,000 of them Americans. There were 81,000 American casualties, including 19,000 killed.

Those who fought and survived the Battle of the Bulge will never forget. Those who sacrificed their lives will be remembered by the survivors and

others December 16, 1994, with memorial services and the dedication of a plaque at the Soldiers' Memorial Military Museum in St. Louis, Missouri. The USA World War II Commemoration Committee has designated St. Louis as the site for the national commemoration of the 50th Anniversary of the Battle of the Bulge.

Many other activities are being planned in connection with the 50th Anniversary Commemoration to be held December 15-18, 1994, in St. Louis. Complete information regarding these ceremonies is available from the Veterans of the Battle of the Bulge, Inc. (VBOB). VBOB is an international, non-profit organization founded in 1981 to perpetuate the memory of the sacrifices involved in this battle and has enrolled over 12,000 members during its existence.

For further information, you may write to: VBOB, P. O. Box 11129-P, Arlington, Virginia 22210-2129.

1994 Wheat Trials Confirm Yields Down From Previous Year

Texas Agricultural Experiment Station scientists are confirming what many producers were expecting—grain yields are lower this year compared to records set in 1993.

Variety trials conducted in the Texas panhandle by TAES wheat breeders, Drs. Mark Lazar at Bushland and David Worrall in Vernon, show yields dropping 38 percent in dryland wheat and 20 percent in fully-irrigated crops.

While yields are down this year, producers should keep in mind that 1993 was an exceptional year, with higher-than-usual yields, especially for dryland, says Dr. Brent Bean, agronomist with the Texas Agricultural Extension Service at Amarillo.

"There are several reasons this year's crop came in below average," Bean said. Wheat yield potential was first hurt by an early, hard freeze in late October causing the wheat to turn dormant earlier which stopped the plant from producing tillers.

Many parts of the Panhandle were unusually dry throughout the winter resulting in poor soil moisture going into spring. This was followed by three, late-season freezes after the wheat began jointing which resulted in fewer viable wheat heads at harvest, Bean continued.

Details about this year's variety trials have been released recently and are available through Dr. Brent Bean at (806) 359-5401 or local county agents.

**BEAT THE HEAT AT YOUR
 HOUSE OF WORSHIP; IT'S COOL**

During the oppressive heat and humidity of summer, remember that your House of Worship is always open, all the year 'round, and always ready to revive your spirits. You'll find it cool inside, and you will leave there feeling refreshed in more ways than one. You will learn that God made this world you're living in, and established the four seasons, including summer, so that we could grow our food and enjoy the beauties of nature that unfold along with the calendar. Remember even in the heat of summer that He made the water that you may have a chance to swim in, the cool grass on which you might enjoy a picnic, and the balmy star-studded nights. So don't forget to attend your House of Worship regularly this summer; it's the "cool" thing to do.

CARDS OF THANKS

Once again we thank the people of our community who showed their concern in so many ways.

We thank the ambulance crew, Dale McWaters, Connie Smith and Emilio Cruz, for their quick response and aid in taking Ewing to the hospital; for the prayers and prayer letters sent us from the churches, phone calls, cards and visits; to Pat and LaRue for getting our mail to us; to Dwain Henderson for getting us down a muddy road to get supplies; to Lottie Owens for a cake; to both our children and their children for help in sitting up at the hospital; to our daughter and her husband for keeping us so long to be near doctors; to our son and his son for fixing things handy for us at home.

For all this we are so grateful.
