Roby Council Discusses Additional Water Source

The members of the Roby City Commission met for their regular monthly meeting on Tuesday, Sept. 2, and discussed some methods to implement locally to help alleviate the acute water shortage in the Roby area.

The council is looking into the possibility of drilling local water wells and mixing well water with water from Sweetwater. Councilman Jimmie Laurie

is in charge of taking water samples to ascertain if the well water meets standards.

In other action the commission approved payment of \$458.00 to Fire Apparatus from revenue sharing money for the payment of boots and coats for the Roby Volunteer Fire Department.

The commission reviewed the proposed 1980-81 budget in the amount of

\$157,000. Approval of the budget is expected to come at a later meeting in September. The 1980-81 budget is down from \$173,000 spent by the City of Roby during the 1979-80 fiscal year. Some \$28,000 of the \$173,000 budget in 1979-80 was allocated for equipment for the new fire truck. This money was in a special savings account and had to be transferred to the general budget.

ACCEPTS CALL: Rev. Jerry McFather received a "Yes" vote from over 90 percent of those voting at the First Baptist Church in Rotan last Sunday morning and accepted the call as the new pastor. In his address to the congregation, after accepting the call, he said he wanted the prayers of everyone. He seems to be a very dynamic person, and I'll bet we'll hear great things from the FBC in the months to come.

LESSON LEARNED: Youngest daughter Julie experienced one of the lessons of life last Saturday while attending the West Texas Fair at Abilene. She and a friend struck out on their own, after assuring us they were "not babies" and didn't need us by their side every minute of the day. Janece and I arranged for the kids to meet us back at a pre-determined spot in about an hour. We issued all the obvious cautions--be careful, be good, don't eat too much junk food, gave her \$10.00 and said goodbye. Well, when the hour was up and we met her after her stroll down the midway, she was madder than an old wet hen. "Mother, do you know what those people did?" she asked. "They told us to play this game, it was real easy to win, so we did, and every time we lost they kept saying to play again it was real easy to win a big teddy bear. So we played again, until we didn't have any more money and they never did let us win". It seems to me that I can remember a similar incident a long time ago involving three walnut shells and a small pea, but that's another story for another day. Julie and her friend stuck pretty close to Mom and Dad the rest of the day.

WEST TEXAS FAIR WINNERS: Our purpose for visiting the Fair this year was to see the blue ribbon won by No. 2 son John. He entered his prized "Flag Picture" in the Fair and took first in the youth black and white division. We noticed that Jaye Niece Clements took several ribbons and best of show award for her cake decorating and that Jerry Wayne Stuart had a calf entered. If we've overlooked other county winners, let us know.

BIG ORANGE WAVE: The Rotan Band and Rotan Football Team will look like a big orange wave this Friday night. The band will appear for the first time in public in their new uniforms and the football team will be sporting their new orange pants and orange jerseys for home games. While we're talking football, from comments after last Friday's game against Roscoe, you'd think the Rotan Eleven lost to the Plowboys. It's true they didn't blow Roscoe up by a score of 45-0, but they did manage a two TD win, and that's the object of the game. Sometimes I think these high rankings have an adverse effect, not necessarily on the team, but on the fans. We expect more than a group of youngsters can deliver. The world won't stop rotating if the Yellowhammers lose a game or two along the way. Football is supposed to teach sportsmanship, team work, cooperation, dedication, realization of goals, build boys into men, and last but not least, winning and losing. Rotan has been fortunate to have won 14 straight regular season games in a row. Their last loss was to Roscoe in 1978, the 6th game of the season.

KNOCKS AWAY PASS: Rotan Yellowhammer defensive halfback, David Thornton, knocks down a pass intended for Rod DeLoera, senior Roscoe end. The action took place last Friday night as the Rotan Yellowhammers defeated Roscoe 20-6 in the opener for both teams.

Mr. and Mrs. Gary Dickson

Debra Stuart, Gary Dickson Recite Vows

Miss Debra Rene Stuart and Gary Dean Dickson bonded their lives together in a double ring ceremony Friday, August 1, at 7:30 p.m. at the First Baptist Church, Roby. Rev. Henry Dickson, uncle of the groom and pastor of Sardis Baptist Church, Rotan, led the couple in their vows of love.

The bride is the daughter of Mr. and Mrs. Tommie Jack Stuart of Roby, and parents of the bridegroom are Mr. and Mrs. Lawrence Dickson of Rotan.

The altar where the couple became as one was lit by tapering candelabras holding pink candles, entwined with greenery with pink bows. The center of the altar was highlighted with the unity candle encircled with a ring of pink silk rosebuds upon a lace covered table.

Given in marriage by her father, the bride wore a floor length gown of chiffon edged with Venise lace. The sweetheart neckline set off the fitted bodice with cap sleeves, all covered with Venise lace and seed pearls. The cathedral capped veil of chapel length, edged with scalloping and Venise lace, flowed behind the bride as she walked the aisle. The bouquet she carried was of pink sweetheart roses, pale pink carnations and baby's breath with pink satin ribbon streamers.

After both mothers were ushered to their seats, they preceded forward to the altar and each lit a candle on sides of the unity candle. Both mothers wore pink dresses. Sue Hall of Roby was maid of honor. Sharon Stuart, sister of the bride, was bridesmaid. They wore floor length pale pink gowns and carried single long stemmed pink silk roses.

Heather McCord, cousin of the bride, of Sweetwater was flower girl. She wore a white lace dress detailed with pink satin bows. Her hairpiece was of pink satin bows and streamers and she carried a white basket filled with pink crepe myrtle blossoms.

Terry and Walter Cleveland, cousins of the bride, of Roby were ringbearers. They each carried a wedding band on a pink satin and white lace heart-shaped pillow.

Best man was Kevin Stevens of Rotan. Randy Sparks of Rotan was groomsmen. They were dressed in black tuxedos with pink shirts. The groom wore a black tuxedo with a white shirt.

Guests were seated by Ray Nichols and Loyd Green, both of Rotan.

Linda Dickson, sister of the groom, of Rotan presided at the guest registry. The table was laid with a pink cloth topped with a lace coverlet. A bud vase with pink silk roses centered the table.

Tammy Stephens, of Roby, pianist, played "Longer", "The Wedding March" and "Nautlis Theme".

Following the ceremony a reception was held in Fellowship Hall. The bride's table was laid with a white satin cloth, centered with a flower piece of pink silk roses and baby's breath, set off by three pink candles in an antique candelabra. The three-tiered white cake with pink roses, held a miniature bride and groom on top. Raspberry punch was served from a crystal punch bowl.

The groom's table was laid with a white cloth. Coffee was served from a silver coffee service. German Chocolate cake was served from the table.

Attending the bride's table were Belynda Rains, sister of the bride, of Rotan, Pat Cleveland, cousin of the bride of Roby, and Mary Barrington of Roby. Serving at the groom's table were Angie Barrera and Shelly Stevens, both of Rotan.

The groom's parents hosted the rehearsal dinner at the Silver Spur Cafe.

As the couple departed on a trip to San Angelo, the bride was dressed in a pink chenille dress. The couple will make their home in Rotan where the groom is employed by National Gypsum Co.

School ACT Testing Dated Named

The 1980-81 school year is just beginning, but juniors and seniors at McCaulley, Roby, and Rotan and other high schools across the country are already facing some big decisions.

One of those decisions is what to do after graduation—whether to go on to school, get a job, or try to do both.

Playing an important role in the students' postsecondary education and career planning will be guidance counselors, parents, friends and a

national service called the ACT Assessment Program. Designed to provide guidance information for education and career planning, the widely used program is recommended for use by student applicants at more than 2,700 colleges and universities.

McCaulley, Roby and Rotan students will have five opportunities during the 1980-81 school year to make use of the national program, which consists of four tests and a two-part questionnaire. Students complete the question-

naire at home as part of the registration process, and then take the battery of tests at area test centers on any of five weekend national test dates, explained Mrs. Patsy Hamric, Counselor.

The five 1980-81 national test dates and the corresponding registration deadlines are:

Test, Oct. 18, 1980, Register Deadline, Sept. 19; Test Dec. 13 at Rotan High School, Register Nov. 14; Test Feb. 14, 1981, Register Jan. 16; Test March 28, at Rotan High School, Register Feb. 27; Test June 13, Register May 15.

The basic student fee for using the ACT Assessment is \$8.50.

It takes students about three hours to complete the ACT Assessment's four exams, which cover

four subject areas: English, math, social studies and natural sciences. On two of the test dates, most local students will take the tests at Rotan High School.

Mrs. Hamric said the test scores provide an assessment of general educational development, while the questionnaire information focuses on academic and nonacademic accomplishments and interests, as well as career and educational plans.

In addition to being used by students and their high school counselors, information provided by the ACT Assessment is also used by colleges for academic advising, admissions counseling, course sectioning and placement, student services, and institutional research. Students' ACT Assessment

reports are sent to only those colleges specifically designated by the respective students.

One of several educational services provided by the American College

Testing Program (ACT), the ACT Assessment Program is used each year by more than 900,000 students as part of their education and career planning.

We can't miss them — these signs along the intersections of our streets. They protect our school children from physical harm. We see the sign . . . and slow down.

Most of us are deeply concerned about the safety of our youngsters . . . and these signs can be a reminder of a further obligation our society has to its youth. There are dangers in life for which only religious training and faith can prepare us.

Boys and girls approaching maturity deserve the spiritual protection which Christian education provides.

Whenever you approach a school crossing, slow down! But, just don't think safety — think CHRISTIANITY.

Roby Class Of 1960 Holds Reunion

For a short time on the afternoon of August 31, 1980, the hands of time were turned back to the golden days of yesterday as the Roby High School Class of 1960 and its former members held their 20-year reunion. Many old friendships were renewed, "remember when" stories filled the air and laughter rang out again and again. It was a time of sharing the recollections of childhood fun and the sharing of everyone's news of the past 20 years. New links in the chain of friendships were added in the form of

wives, husbands, and children of the former classmates. The cares of the daily lives were put aside to enjoy the hugs and handshakes of special friends who have been made even dearer with the passing of time.

After the guests were registered, the welcome address was given by Judy Webb and the Invocation was worded by her husband, Leonard.

During the program, the roll was called by Joyce Etheredge and was answered by each person telling where they live, their occupation and some facts about their families. Information concerning those not attending was given by other members who knew about them. Also included on the program was the reading of the Class History by Linton Batteas, Class Prophecy by Becky Hataway and the Class Will by Frank Barina.

Decorated ribbons were presented to Marie Moss for traveling the farthest distance, to Linton Batteas for the most children, five, to Frank Barina for being least changed and to Shannon Young for being most changed.

A buffet of refreshments was served to some 38 persons during the afternoon in the Community Room of the Midwest Electric Cooperative building in Roby. The buffet table was centered with an

arrangement of red silk carnations and black satin bows to carry out the theme of the school colors of red and black. An arrangement of red silk carnations and red candles in a black wrought iron candlebra was used on registry table and the table where yearbooks and other memorabilia were displayed was decorated with an arrangement of red candles and tiny red silk roses with black satin bows in a silvertone candelabra.

Most will agree that we did not look as good as we thought we would. This is due to the fact that Roscoe has a good football team and should not be taken lightly by anyone. I knew they would give us a good game and in the back of my mind I even thought it would be closer than it was. Roscoe's offensive line is as good as anyone we will face this year. They do a good job of blocking, especially one on one.

We looked better on film than we did last Friday night, especially in our defense. Our offense sputtered a little and that was probably due to the fact that we never had good field position. We weren't consistent on our offense and that was due to my part on calling the plays, we tried too many different things instead of running right at them.

We did not sustain any major injuries, only a little pride in the job we did. I hope we have the type players that will benefit from their mistakes and forget Roscoe and look forward to playing Coleman.

Coleman, a 3AAA member, is usually a good football team. According to scout reports and articles they are very young and play a lot of sophomores. they beat Early 18-6 last week and will probably be up to playing us. they are very aggressive and should be very hard to beat.

Offensively, we graded 67 percent against Roscoe. Our grading system is such that we believe we have to score 67 percent or better to win and we graded exactly 67 percent. We have to grade much higher or we could lose in grading that low. Our top 5 grades were Byron Weathersbee 91 percent, Kip Pease 91 percent, Greg Hayes 89 percent, Dale Cox 79 percent and Mike Morrow 75 percent. From then it ran down to 33 percent. Six players graded 64 percent or lower and we can't have this when we start district play.

Defensively, we weren't bad but could be a lot better. We don't have gang tackling which is needed to stop big backs, but hope this will come starting this week.

Willie Hayes led the defense with a score of 57, followed by Mike Morrow 43, Kip Pease 39, Jeff Posey 35 and Alva West 35. We had three turn overs, Cecil Turner inter-

cepted a pass and Willie and Kip each recovered a fumble. Our biggest disappointment was letting Roscoe score, we had set one of our goals as not letting anyone score. But on the bright side, Roscoe camped in our end of the field all night and could only come up with one score.

Kieth Mullins is still out with a shoulder injury but is recovering very fast and should be back by the time we open district against Winters. We will find out how Winters stacks up because Roscoe plays them this week.

Our Booster Club meets each Tuesday at the school cafeteria and we need a lot more to attend the meetings.

Aspermont Hornets Sting Roby Lions 32-0

LONG GAINER: Kenny Martin, No. 44, halfback for the Roby Lions, hands the ball to the referee after making an 8 yard gain in the Aspermont game last Friday night.

The opening night for Roby's new headcoach Edward McDaniel, assistant coaches Micky McCarty and Jerry Hahn, and the entire Roby football squad was indeed a long one.

The Roby Lions were never able to generate the power to be able to score. Out of 13 possessions of the football, only twice were the Lions able to get as close as the 2 yard line.

The Aspermont Hornets had possession of the football on 13 occasions. Scoring on 5 of those occasions, twice in the first quarter of play, once with the extra point attempt not successful, going wide to the left, with the second extra point attempt being a pass play for 2 points going astray. Making the score at the end of the first quarter, Aspermont 12-Roby 0. The Hornets scored twice again in the

second quarter, with the first extra point pass being completed, with the second extra point pass going astray. Making the score at halftime, Aspermont 26-Roby 0. The Hornets scored for the final time in the third quarter, with the extra point attempt failing. Making the final score, Aspermont 32-Roby 0.

The Roby Lions really showed some definite strength even though they were not able to score. The backfield, with sophomore quarterback Robby King, senior tailback Mark Pope, senior tailback Kenny Martin, and senior fullback Mike McGinis, the season looks promising.

Statistics: Rushing Yardage, Aspermont 286, Roby 133; Passing Yardage, Aspermont 90, Roby 73; First Downs, Aspermont

14, Roby 12; Penalties, Aspermont 9 for 115 yds., Roby 4 for 40 yds.; Fumbles, Aspermont 4, Roby 2; Fumble Recovery, Aspermont 1, Roby 5.

Roby Coach Comments On Aspermont Game

At halftime the statistics were not that lopsided. First downs, Aspermont 7, Roby 6; Rushing Yardage, Aspermont 120, Roby 81; Passing Yardage, Aspermont 83, Roby 19. The score at halftime, however, was 26-0.

Take away the two touchdowns that our mental mistakes handed to them, and it would have been a different ballgame. The snap on our first punting attempt and the pass interception were "gimmies". Aspermont earned the other two. We had two excellent opportunities to score. We drove the length of the field and on fourth and two, from the three yard line, we missed a blocking assignment on the perimeter. Offensively, we failed to score due to mistakes that are correctable.

Anyway you look at it, Aspermont has a fine football team, but they could have been behind at half 14-12 if we had

executed. We will get better.

The effort from our kids was there and we need to correct and work on several things offensively and defensively. We were pleased overall with our offensive line and pass protection.

Jayton will also have a good, strong football team. They are a powerhouse. They are very physical and big with the ability to throw the ball.

Construction Finished On Rotan Module Feeder

Construction was completed last week on the new module cotton feeder at the Rotan Gin, according to gin manager Dick Edwards.

The new equipment has the distinction of being the first fully automated cotton module feeder in the world, according to Ed Ragan, electrician with Rhyne Industrial of Lubbock. Three units have been sold by Continental Conveyor of Sherman and Rotan's was the first in operation. The other two units were at the "Super Gin" in Snyder and at a gin in China Springs.

The new module feeder has a large movable head that breaks down the packed module and transfers the cotton onto a conveyor belt that feeds to the suction then into the gin. The head on the new machinery moves to the cotton modules. A total of three units can be stacked on the concrete slab at a time. The fully automatic machine, once started, automatically breaks down each module then returns to the start position.

Edwards indicated that the next closest unit, not fully automatic, is located in Slaton.

Electrical installation of the new feeder was

completed in less than a week, despite the over 5,000 feet of wire connecting timers, switches and electric eyes.

The unit, estimated to

cost in excess of \$100,000 was selected by members of the Rotan Gin board because it was one of the best built machines available.

Seven Rotan Brazos Drivers Named To Million Mile Club

Two Rotan residents were among a group of 7 Brazos Transport employees that were honored last weekend with membership to the elite "Mack Million Mile Club", according to Ron Alexander, manager of Rotan's Brazos Transport terminal.

Curtis McQueen and Phillip Joplin were two of the 7 Brazos drivers that received "Million Mile"

plaques and belt buckles. McQueen has been a Brazos driver for the past 10 years and Joplin has been with the organization for 13 years.

Membership into the Million Mile Club is reserved for drivers that are employed on a full time basis. Mack Truck Corporation, headquartered in Allentown, Pennsylvania, estimated that a driver will

log in excess of 125,000 miles a year.

The presentation took place last Saturday morning at a breakfast at the Rotan Hatahoe Restaurant.

Other drivers employed at the Rotan terminal receiving the award included: Anthony Wolf of Hamlin, Floyd Wolf of Hamlin, Dale Pilson of Anson, Delbert Alexander

of Abilene and Weldon Stanford of Stamford. In addition to receiving the Million Mile plaque and belt buckle, Pilson of Abilene accepted a gold watch from Mack for logging over a million

miles accident free. A total of 17 employees within the Brazos chain accepted awards. Others were at Medicine Lodge, Kansas, DeQueen, Arkansas, Ft. Dodge, Iowa and Port Arthur, Texas.

Sweetwater Theatre Group Stages Thriller

Off Broadway, a Sweetwater-based community theater group, will present Ayn Rand's "Night of

January 16" as its first production. The courtroom murder mystery will run Thursday, Friday and

Saturday nights on the weekends of September 11, 12, and 13, and Sept. 18, 19, 20. All performances will start at 7:30 p.m. at the Lamppost Restaurant and Club, 206 Pecan in Sweetwater, one block west of the square. Admission is \$3.00 with tickets available in ad-

vance from the Sweetwater Sports Center, the Chamber of Commerce, or Vivian Littleton at 235-5391. Remaining tickets will also be sold at the door. The play's outcome is actually decided by a jury chosen from the audience each night, explained

director Paul Davidson. The defendant, Karen Andre is played by Brenda Richey of Roscoe. Andre is accused of murdering her lover and boss, financial swindler Bjor Faulkner, after his marriage to socialite Nancy Whitfield, played by Cathy Waltz, District Attorney Flint,

played by Jim Wortham, and defender Stevens, played by Sweetwater attorney Mike Ratliff, battle out the case. The script is complete with surprise witnesses, including gangster "Gus" Regan, portrayed by Todd Smiley, who present startling new evidence.

"When all is said and done", admitted director Davidson, "The evidence is almost perfectly balanced. It's completely up to the audience: Who do they believe? I expect the verdict to change almost nightly." Off Broadway president, Tom Henderson noted,

"Innocent or guilty--that's the question. We're asking people to come and see for themselves. They may be asked to decide." People in the Rotan-Roby area desiring tickets can call Bertha Warren 776-2658 for information and arrangements for picking up tickets.
