

Chevrolet Draws Instantaneous Response

DETROIT, Mich., Jan. 31.—An instantaneous public response, expressed in terms of orders for retail delivery, greeted the announcement this week that hereafter Chevrolet dealers would quote only actual delivered costs instead of the conventional "F. O. B." prices on new cars and trucks.

The "New Deal" in automobile merchandising, designed to drive into the open every item entering into the cost of a car to the purchaser, has been instrumental in enabling dealers to book 85,000 orders for retail delivery of new cars, according to reports to William E. Holler, general sales manager of the company.

The immediate result of the new policy was a flood of wires and expressions of appreciation from both dealers and the public to Mr. Holler commending his new plan for its simplicity and honesty in driving the "back" or increase, out of the difference between list, or f. o. b. prices and the actual cost of the car to the customer.

"Hereafter," he said, "we are going to quote only final delivered prices. The customer wants to know how much his automobile will cost standing in front of his home. Under our new plan, he will be spared the unpleasantness of discovering that his car eventually cost him many dollars more than he had originally planned.

"The expressions I have already received from both dealers and the public indicate that the plan won quicker and more enthusiastic general approval than we had believed possible. The public naturally has welcomed a plan which ends doubts and misunderstandings; and the dealers are equally enthusiastic about it because it facilitates their dealings with prospective customers, who often blamed the dealer for the extra amount piled on the quoted, or list price when the car was delivered.

"Many wires from dealers declared that the new plan, when made public in their localities, added measurably to the good will which the Chevrolet name enjoyed among their customers."

The plan was generally regarded in trade circles here as the most revolutionary merchandising step ever made in the automobile industry since it attained its present size.

"While the automobile industry," said Mr. Holler, "is generally regarded as the most progressive in the world, it was woefully out of date in some of its operations. One of the worst was its persistent clinging to 'f. o. b.' listings.

"We have moved boldly away from all that. We are modernizing our sales tactics. We are out to build up sales policies as honest and as modern and efficient as the car itself."

Funeral Services Held Jan. 20 for Mrs. J. Caffey

Elizabeth Susan Caddell was born July 23, 1847, near Gadsden, Alabama, and departed this life (January 20, 1934, at 1:45 a. m., at the home of her daughter, Mrs. C. W. Marion, northwest of Haskell, at the age of 86 years, 6 months and 14 days.

On January 10, 1867, she was married to J. Caffey of Gadsden, Ala. To this union was born eleven children, nine of whom preceded her in death many years ago, and she left her youngest daughter, Mrs. Ernest Cogburn) who passed away at her home in Colorado two years ago.

On December 25, 1875, she moved with her husband and four older children together with 14 families, from Alabama to Denton county, Texas, settling on a farm near Aubrey. It was there she spent the greater part of her married life, having lived there and near Slidell 45 years before moving to Weinert, Texas in 1922, where they lived until the death of her husband two years ago. Since that time she has been making her home with her children, and spent a great part of the time with Mrs. Marion.

She was converted and joined the Baptist church when a young girl and was a devoted Christian, attending services when she was able to do so. She has also lived a most useful life and was loved and respected by all she came in contact with.

A number of relatives and friends attended the funeral which was held at the Baptist Church on January 20, 1934, at 10 o'clock a. m., Bro. Hammer, pastor of the Chapel Church, near Haskell, officiating and of which she was a member.

Funeral services were read the 90th psalm, which delivered a very impressive and comforting funeral message.

Funeral arrangements were in charge of Mrs. Kinney of the Kinney home, Haskell. Surviving are three grandsons of the deceased, Ernest and Jim Marston and Eiby Cain, Evner Cogburn, and Flower daughters of the deceased.

ceased, were Julia B. Marion, Gladys Smith, Winona Cugburn and Dollie Roop.

Interment was in the Munday Cemetery beside the body of her husband.

Left to mourn her passing are two sons, B. C. Caffey of Texico, N. M., and A. Caffey of Slidell, Texas; four daughters, Mrs. C. W. Marion of

Haskell, Texas; Mrs. C. P. Roop of Amarillo, Texas; Mrs. A. E. Cain of Walters, Oklahoma, and Mrs. J. S. Smith of Claremore, Oklahoma; a son-in-law, Ernest Cogburn of Walsh, Colorado, all of whom were present for the funeral except one son, A. Caffey, who was present at her bedside but was unable to be present at the funeral. One brother, Mr. L.

G. Caddell of Aubrey, Texas and a large number of grandchildren and great-grandchildren, 86 in number, also survive.

It is said that one-half the world doesn't know how the other half lives. But the gossip mongers try their best to remedy that situation.

Cottonwood H. D. Club.

The Cottonwood Club was supposed to meet with Mrs. Elsie Mitchell Jan. 25th, but due to sickness there were no officers present, so after several games were played the hostess served coffee and cake to three members, Mrs. Ben Bra ton, Mrs. Slover Bledsoe and the hostess, and visitors Meslames

Kurns, Smith, Pauline Derr of Pleasant Valley and Mrs. Argin Carigan of Haskell. We want all our club women to attend.

Next club day will be February 8th at Mrs. W. H. Merchant's. We also invite visitors.

Stand on your feet, and you will not get down in the mouth.

Free Action for all 4 wheels

plus the *safety* of a front axle and *comfort* of Cantilever Springs

A great deal of thought is being given today to springs. Various experiments are being tried in an effort to get independent action for an automobile's front wheels.
All of which is simply another tribute to the soundness of Ford engineering and the Ford V-8 for 1934. When you drive this car you get free action not only for the front wheels—but for all 4 wheels.
Ford transverse cantilever springs provide individual suspension for both front and rear axles. In the new Ford these springs have been made more flexible. This type of construction is not experimental and has the advantage of

comfort plus the proved safety of a front axle.
This new Ford combines V-8 power with gasoline economy—20 miles to the gallon at a speed of 45 miles per hour, in exhaustive road runs. It will do 80 miles an hour without difficulty. At 50 or 60 miles per hour it is actually running at ease!
This reserve power means acceleration unequalled by practically any other make of American automobile, regardless of cost. Before you buy any car at any price, drive the new Ford V-8 for 1934.

HUNT'S STORE OFFERS YOU AN OPPORTUNITY TO REALIZE

Tremendous Savings

We want to again urge that you buy your merchandise NOW, at the prices we have listed throughout our store, because they cannot be replaced at such figures on wholesale markets. Even though you may not experience any severe winter weather now, it will pay you to purchase necessary items. Prices will not be lower later. We will have to pay more, because corn, cotton and wheat, not to mention the other farm products, will be maintained at higher figures. As in the past, Hunt's Store is still pursuing a policy of offering all customers the opportunity to buy at the lowest possible figures. Figure out your needs and BUY NOW. Stretch those remaining dollars of yours to the greatest possible length. We want to help you get the most for your money.

WILL ROGERS GETS JOLT—SEEING EIGHT DAUGHTERS

Will Rogers, famous comedian and humorist, visited the stage at Fox Movietone City where B. G. De Sylva musical picture, "My Weakness," starring Lillian Harvey and Lew Ayres, was in production.

Incidentally, Will's only daughter Marvyn, is making her debut as a screen actress in this picture. "Gosh," remarked Will after eyeing the eight beautiful young ladies rehearsing a scene with Ayres, "it looks like I've got eight daughters instead of one."

All of the girls were chewing gum at the express speed hitherto approached only by Will himself.

"My Weakness" plays at the Texas Theatre Saturday at 11 p. m., and Sunday matinee.

"SHOULD LADIES BEHAVE" IS A HILARIOUS RIOT

Place a much divorced philanthress, a young impressionable girl looking for "experience," a silly, simpering, giddy wife, a suave continental lover and a suspicious husband together under one roof for a hectic week-end and you have an idea of the hilarious and sophisticated situations which make up the plot of "Should Ladies Behave," to be shown at the Texas Theatre on Thursday and Friday of next week, Feb. 8 and 9.

Soviets Breed Germs

MOSCOW, (UP)—A new weapon in Soviet Russia's war on typhus and smallpox has been forged in the laboratories of the Moscow Institute. As a result of long studies, scientists there have successfully bred the bacilli of these two diseases, making it possible to study them under laboratory conditions and experiment with methods of killing them. For 35 years efforts to do this had been in vain.

It takes a lot of will power for a man to match his wife's won't power.

"FOOTLIGHT PARADE" THE GREATEST EVER

"Footlight Parade" attraction at the Texas Theatre Sunday night and Monday, is said to be entertainment that has never been equalled on either stage or screen. For sheer magnitude, stunning, sensational production, spectacular scenes, divine dance ensembles, peppy music, strong drama, tender romance and sparkling comedy "Footlight Parade" stands in a class by itself. We thought that "42nd Street" and "Gold Diggers of 1933" were superb pictures. We didn't believe they would be topped in a long, long time. But the unbelievable has come true in "Footlight Parade."

A BOY SCOUT NATIONAL GOOD TURN

Boy Scout Week February 8-15 will be marked by a National request on the part of the President of the United States for Boy Scout aid to the nation.

To participate in this nation-wide mobilization of Boy Scouts who will convene in Boy Scout week on Saturday February 10th to receive by radio assignment to National Service from President Roosevelt in Washington, the Boy Scouts of Haskell will be called together with their leaders at 11 A. M., the place to be announced next week. What service the President will request of the Boy Scouts still remains a mystery and will be a secret until his voice is heard on the air.

That the country needs the service that the Boy Scouts of America are trained and ready to render is evidenced by the National request on the part of the President of the United States. President Roosevelt, recognizing the value of the kind of service that Scouts can render will issue this call to service. It is of such a nature that the entire strength of the movement should be mobilized to take part in it.

President Roosevelt's Boy Scout call to service will be broadcast to

GIRLS GALORE IN "FOOTLIGHT PARADE"

A bevy of beautiful girls, and an all-star cast, headed by Jimmy Cagney, Ruby Keeler, Dick Powell, and Joan Blondell, make "Footlight Parade" a picture always to be remembered. Here are some glimpses of the splendors awaiting you in this latest Warner Bros. masterpiece coming Sunday at 8:30 p. m. and Monday to the Texas Theatre Haskell.

the nation over two of the great national coast to coast networks, that of the Columbia Broadcasting System and the Red (NBC-WEAF) network of the National Broadcasting Company.

The plans for the local mobilization in Haskell are in charge of local leaders. The Chisholm Trail Council office is directly assisting all scout units in the Council. The participation of Haskell Boy Scouts is part of the greatest gathering of boyhood brought together at one time and for one cause that has ever been known in this country. Last year more than 1,300,000 men and boys were members of the Boy Scouts of America making it the greatest youth organization in the world.

The President has let his advisors know that the great National Project which he will ask the boys to perform will be in the nature of a service to relief, but the exact nature of what it is to be is solely within his keeping. He has asked Federal Relief Director Harry L. Hopkins to suggest several lines of activity among the many things which yet need to be done.

Boy Scout Week, Feb. 8-14 in which President Roosevelt will broadcast, celebrates the 24th Anniversary of the founding of this great Movement in America. On Feb. 8, 1910 the Boy Scouts of America was formally launched through incorporation in Washington, D. C. Later it was chartered by Congress being one of only four organizations so honored.

President Roosevelt is participating in the Anniversary of an organization of which he has been an active member of for more than a decade and in which he still retains

his active participation as President of the Boy Scout Foundation of Greater New York.

Following the twenty-fourth anniversary of Scouting in America will come a "Year of Preparation" for the great Silver Jubilee of Scouting in America. President Roosevelt in his broadcast will have something to say about that too, and will assure an invitation to the Boy Scouts of America for a National participation in the Silver Jubilee celebration, plans for which are being made on a large scale.

Since its establishment, nearly six million boys have been Boy Scouts. Every city in the Chisholm Trail Council will be expected to mobilize its Scout power, all Scouts and Scouters and friends, at 11 A. M. at a central point where arrangements will be made for the broadcasting of the President's message. Scouts should be in uniform if possible, however, everyone should attend regardless of uniforms or not.

All units under the jurisdiction of the Chisholm Trail Council will follow the instruction of Council officers. A radio of sufficient power should be available to permit the hearing of the President's voice by every Scout and Scouter.

The program should include distinguished guests such as the Mayor of the city, government representatives, school teachers, preachers, and every parent and interested citizen.

This mobilization plan is an activity of great significance. Every unit should make an extraordinary effort to turn out every Scout and Scouter.

Jossett H. D. Club.

An outline of H. D. Club work for the year 1934 was discussed by a program committee composed of Mrs. Cody West, Mrs. E. L. Lancaster and Mrs. C. A. Thomas and places of meetings were named at a meeting of Jossett H. D. Club Tuesday in the home of Mrs. Allen Adams.

According to this committee, Home Demonstration Agent Miss Johnnie Reed will discuss sub-irri-

gation in the home of Mrs. J. L. Norton Tuesday February 13th. A community meeting sponsored by the club will be held in the home of Mr. and Mrs. E. L. Lancaster March 13th and County Agent R. H. Maxwell will lay tile for Sub-Irrigation. A demonstration on making hooked rugs and mats will also be given in that month. Clothing programs

will be had in May and members are to cut foundation patterns. In June club members will display foundation patterns and sport dresses in a clothing contest.

July's meetings will center on principles of canning vegetables and plans for the annual women's encampment to be held in Knox county. Representatives will be

sent to A and M Short Course and their report given in August. A poultry dressing demonstration will be given in September. In October women will send standard containers of canard products to Haskell County Fair. November will mark achievement day and a County Tour. In December a Christmas party for the community will be arranged. Miss Maurine Norton was elected as a new member. Mrs. Verne Ivey, Mrs. Morrison and Miss Christine Parr were visitors. Others present were Mesdames W. C. Norton, Cody West, J. L. Toliver, H. Eastland, C. W. Bledsoe, Alton Adams, E. L. Lancaster, John Thomas, Miss Mae Cothron, C. A. Thomas, Jesse Jossett, Fred Monke and G. Perrin.

In the Army for Better Lights at Low Cost and Buy the Mazda Lamps at Perry's and fill every Empty Socket

Everybody would remember that the only reason they buy Lamps is to get light, only to give ALL the light possible at the lowest cost would be used. Many people fail to realize the true cost of light is the cost of the lamp PLUS the cost of current. If you pay for current wasted, instead of being turned into light, you are using the most expensive lamp made, and how little you pay for it.

Because the only SURE WAY of getting all the light you pay for is by purchasing a lamp from a reputable manufacturer, that's why we sell nothing but General Electric Mazda Lamps. Buy an extra carton today and buy them here.

Why Hospitals Use a Liquid Laxative

Hospitals and doctors have always used liquid laxatives. And the public is fast returning to laxatives in liquid form. Do you know the reasons?

The dose of a liquid laxative can be measured. The action can be controlled. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The right liquid laxative brings a perfect movement, and there is no discomfort at the time, or after.

The wrong cathartic may keep you constipated as long as you keep on using it! And the habitual use of irritating salts, or of powerful drugs in the highly concentrated form of pills and tablets may prove injurious.

A weak with a properly prepared liquid laxative like Dr. Caldwell's Syrup Pepsin will tell you a lot. A few weeks' time, and your bowels can be "as regular as clockwork."

Dr. Caldwell's Syrup Pepsin is an approved liquid laxative which all druggists keep ready for use. It makes an ideal family laxative; effective for all ages, and may be given to the youngest child. Member N. R. A.
