of days after the season started. In his first game in a Cub uniform the Dizzy one twirled an easy victory over the Cincinnati Reds, and was relieved after six innings when the Cubs had the game in the bag.

Bob Feller, youthful pitcher of the Cleveland Indians, whose arm was bad during a part of last season, won his first start by shutting out the St. Louis Browns, allowing but one scratch hit.

Then there was Young Jim Bagby of the Boston Red Sox, pitching his first major league game, who fanned five of the champ on New York Yankees before he was taken out for a pinch hitter after hurling six innings. He was credited as the winning pitcher, the score being 8 to 4.

Perhaps the greatest hero of the opening games was Rip Collins, first baseman of the Cubs, who suffered a broken leg last August which it was feared might imperil his playing future. In a game with the Reds, Collins batted out a home run, a double and two singles, scoring three runs himself and driving in two others.

If there's any other refrigerator that operates as cheaply as Superfex, we never heard of it. The burners do 24 hours' work in about two hours and go out automatically. There's no continuous flame, and the cost for kerosene for a whole year is about \$10—less than \$1.00 a month. Here's how we look at it-"Made by Perfection Stove Company", ten years of use in American farm homes, and the satisfaction these refrigerators are giving even on the equator, in Africa and the East Indies, is proof enough for anybody that they give dependable, trouble-

free service. They have no moving parts to wear or get out of order, and no connections. You can use them, and move them anywhere, any time.

Saves Labor, Food, Money Think of the thousands of tiresome steps this refrigerator will save in your home, the fewer trips to markets, the greater variety of foods you can keep fresh, ice cubes for refreshing drinks, dainty frozen desserts, dairy products and other foods

kept cold, fresh and marketable. Let us demonstrate Superfex, in your kitchen. Just mail a card or telephone us. No obligation.
