The team threw T-shirts to the fans as they were announced and the family members were recognized after the game.

Blood Drive to be Held on Campus

When you donate blood you give someone the gift of life, period. Whether they are a hospital patient here in Snyder or in the areas hit by Hurricane Katrina, and Tropical Storm Rita, you are giving them the gift of life.

Now that the fall is almost upon

us, United Blood Services urges area residents to make time to save lives and suggest that those who did not donate blood this summer make an appointment to do so.

Western Texas College is hosting a blood drive in the Student Center on Wednesday, October 19

from 10 am to 3 pm. We are counting on you to donate blood.

Those who are eligible to donate blood are encouraged to give now and then once again between Thanksgiving and New Year's, as the holidays are typically a slow time for blood donations.

WTC Prepares for United Way Fall Fest

Faculty and staff at WTC have formed teams for the United Way contribution contest. Each member of a team will need to buy a United Way button, make a cash donation, bake a cake for the cake walk, and work during the Fall Fest, which is held annually on the WTC campus. The team with the most participation will be treated to a pizza party.

This year's Fall Fest will be held Thursday, October 27, from 6 to 8:30 pm in the WTC gymnasium.

A variety of booths will be set up with games for children of all ages, with candy and prizes at each booth. The community is encouraged to attend and support the United Way while enjoying an evening of family fun.

Some of the booths will be: Wall of Doors, Football Throw, Nerf Gun Shoot, Feed the Elephant, and the Cake Walk, to name a few. Faculty, staff, WTC students, WTC Lion's Club, and Snyder High School students will be operating

the booths and concession stand and selling tickets. All candy and prizes are donated by WTC faculty and staff.

Tickets for the booths will be four for a dollar, and the community is encouraged to wear their favorite costume.

Last year the college surpassed its \$7,000 United Way goal with funds made at the Fall Fest and contributions from faculty and staff. The college hopes to do as well this year.
