

NYA WOODWORKING SHOP FOR THIS AREA WILL BE LOCATED IN HASKELL

Local IOOF Lodge Will Be Host for Area Meeting

Grand Master of Texas Will Make Official Visit Here Oct. 29

With several hundred out-of-town guests expected in attendance, Haskell Lodge No. 525, I. O. O. F., will be host for a meeting of all Odd Fellows lodges in Circuit 3, which embraces a wide section of West Texas, on Tuesday evening, Oct. 29.

On this occasion Grand Master T. F. Aston will make his official visit to the Haskell lodge, and Deputy Grand Master J. R. Ogle will also be present and will conduct a meeting of Circuit 3. The Grand Master will show technical motion pictures recently made at the Odd Fellow homes for children, and he will conduct a special session of Grand Lodge to confer the Past Master's degrees provided the required number of qualified candidates are present.

During the evening session, initiatory work will be carried out and degrees conferred on candidates, and the host lodge will serve refreshments to all Odd Fellows in attendance.

Program arranged for the evening includes an open session for the public during which the technical films will be shown and the general public is invited to attend this session in the lodge hall.

Lodges in Circuit 3, each of which is expected to have delegations at the meeting here, include Rule, Harrold, Seymour, Quanah, Margaret, Vernon and Chillicothe. Other area lodges expected to be represented at the meeting include Abilene, Wichita, Peacock, Stamford and Tuscola Falls.

Weinert FFA Boys Take Many Awards At the Haskell Fair

(By Chapter Reporter) The boys of the Weinert F.F.A. groomed their livestock and led them into the show ring at the Central West Texas Fair at Haskell last week, and when the judging was over they counted their awards. They found they had 49—including two grand champions and a reserve champion.

Highest among the winners was Philip Cadenhead, who showed in the money 12 times. Then he took his Hereford calf and showed him as grand champion of the Haskell County club calves and reserve champion of the show, winning a banner each time. Next in line was Clifford Thomas. Jr. He took away nine ribbons and a banner. The banner was for showing his 15 months old heifer as grand champion of the show.

Other boys and the number of times they placed were: J. D. Zahn 7, Burnad Cooley 5, Roderic Duff 3, R. C. Gordy 2, Boyd Yandel 2, Jim Perrin 2, Billy Cooley 2, J. R. Merchant 1, and Bobby Hutchinson 1.

This group of boys won first place in half the classes they showed. They entered in 28 classes and came out with 14 first, 10 seconds, 12 thirds, 7 fourths, 1 fifth and 1 seventh. Only 4 of these classes paid above fourth place.

Harlan Weinert placed first, second and third with his capons. From a chapter standpoint the above winnings were all on an individual competitive basis, but the boys demonstrated that they could work together just as well as they could work separately by putting in an educational exhibit and an eat and drink concession.

Clay Griffith, Burnad Cooley and Philip Cadenhead had charge of the educational exhibit and Harlan Weinert, Claude Harrison and Joe Gray had charge of the concession. The three boys with the concession stayed on the job from 18 to 20 hours a day during the entire fair.

In Aviation School

A recently-enrolled student in the Dallas Aviation School is Lewis Hamilton, former HHS athlete and football star who graduated from Haskell High in 1935. He is the son of the late L. M. Hamilton, prominent Haskell county farmer.

District Meeting of Scouters To Be Held In Weinert

A district meeting of adult Scouters and Scout workers, as well as others interested in the Boy Scout movement, will be held at the High School in Weinert, Monday evening, October 28, beginning at 7:30 p. m.

A. C. Pierson of this city will be in charge of the meeting as chairman. Important matters concerning the Boy Scout program and activities will be discussed and studied and all Scouters of Haskell county should attend this meeting if possible.

Carnival Will Be Staged at Weinert Hallowe'en Night

The Future Homemakers Class of Weinert High School will stage their annual Hallowe'en Carnival at the high school building in that city Thursday evening, October 31. One of the highlights of the affair will be the election and coronation of a Carnival Queen. Pennies will count as votes, and one representative from each high school class has been nominated.

They are: Junnie Gordy, Senior class; Jewell Norman, Junior class; Leona Havran, Sophomore class; Martha Jean Aycock, Freshman class.

Numerous entertainment attractions will be featured in the Carnival, including booths of all kinds presided over by witches, ghosts, masked characters and groups of every description. The building will be opened at 6 o'clock and all booths will be open until 8 o'clock, and closed until after the coronation of the Carnival Queen.

Firemen Get Two Alarms Saturday Third on Tuesday

The fire department answered two alarms Saturday and another Tuesday at noon, but in each instance the reported blazes were of small consequence and caused little damage.

First alarm Saturday came from the Norton House, where an occupant of a second floor room dropped off to sleep while smoking a cigarette, which set fire to the mattress. The mattress was removed by other roomers. Saturday afternoon firemen were called to a small residence in the extreme southwest part of town, where burning grass threatened to set fire to the small building. The blaze was quickly extinguished Tuesday's alarm resulted when burning grass threatened a small servant house at the home of Mrs. A. J. Nolan.

WIDOW OF PIONEER BAPTIST MINISTER CLAIMED BY DEATH

Mrs. J. A. Arbuckle Dies Saturday At Home of Her Son

Mrs. J. A. Arbuckle, 88, long-time resident of Haskell and widow of a pioneer Baptist minister here, died at 11 o'clock Saturday night at the home of a son, T. J. Arbuckle in this city. She had been in ill health for several months and her advanced age was a contributing factor to her death. Her husband, the late Rev. J. A. Arbuckle, died a number of years ago, and she had made her home with her son since the death of her husband.

Mrs. Arbuckle is survived by five sons, W. M. of Austin, W. B. of El Paso, H. C. of Corpus Christi, H. P. of Philadelphia, and T. J. Arbuckle of Haskell; and a sister, Mrs. John Miller of Liberty Hill, Texas. Several grandchildren and two great-grandchildren also survive.

Miss Nannie Arnett was born August 2, 1852 in Mississippi, the daughter of Mr. and Mrs. James Arnett. She married J. A. Arbuckle February 29, 1872, and the couple made their home in Cameron, Texas, prior to coming to Haskell in 1908 where Rev. Arbuckle served as pastor of the First Baptist Church for a number of years. Mrs. Arbuckle had been a member of the Baptist church for 73 years, and she was a constant helpmate to her husband in his church work.

Funeral service for Mrs. Arbuckle was held at the First Baptist Church in this city Sunday afternoon at 4 o'clock with the Rev. W. H. Albertson, pastor of the Munday Baptist Church officiating. Interment was in Willow Cemetery with arrangements in charge of Jones, Cox funeral home.

Palbearers were Hill Oates, John P. Payne, Sam A. Roberts, Chas. Quattlebaum, Leon Pearse and Rogers Gilstrap.

NEW OFFICERS OF COUNTY RED CROSS CHAPTER ELECTED

Mrs. Ruth Nunnally Named as County Chairman for Coming Year

Officers of the Haskell county chapter of the American Red Cross for the ensuing year were elected at a meeting of the chapter Thursday morning in the Chamber of Commerce office. Tentative plans for the coming year's work of the chapter and the annual Roll Call next month were also discussed.

New chapter officers elected were: Mrs. Ruth Nunnally, County Chairman; Rev. Clifford W. Williams, Roll Call Chairman; and Mrs. Carl Power, Secretary-Treasurer.

A Field Representative of the Red Cross will be invited to visit Haskell at an early date to assist local chapter officials in mapping and initiating a schedule of activities.

Retiring officers of the Haskell county chapter who were praised at the meeting for the capable manner in which the work of the Red Cross has been carried out during the past year are: Frank Turner, County Chairman; Wallace Sanders, Roll Call Chairman; and Mrs. Hettie Williams, Secretary-Treasurer. These officials, in addition to successfully promoting a county-wide Roll Call, also sponsored a campaign for Finnish Relief in which a substantial amount of money was raised.

Russell Day of Grandfalls visited friends in Haskell this week end.

IOOF Grand Master

T. F. Aston, IOOF Grand Master, will pay an official visit to Haskell Lodge No. 525 Tuesday evening, Oct. 29, when the local lodge will be host for a meeting of all IOOF lodges in Circuit 3.

Group of Twenty-Three CCC Youths To Fort Griffin

Twenty-three Haskell county youths were enrolled in the Civilian Conservation Corps Friday of last week, making up the October quota from this county. The young men were assembled here Friday morning for transportation to Fort Griffin, nearest CCC concentration point, and from there definite assignments for the enrollees would be made, according to Mrs. Kate Perdue, enrollment officer for Haskell county. The youths were enrolled for a six-months period, she said.

In the group from Haskell county were: Connie Rae Abbott, Holbert Angley, Dan D. Flournoy, John B. Hayes, Boe Hendrix, J. L. Hendrix, James E. Hobbs, Luther W. Kelley, Delbert LeFever, Ira W. NUMBERS ASSIGNED ON CARDS OF ALL LOCAL REGISTRANTS

Names of 1701 Haskell County Registrants Are Listed

Task of numbering the cards of all Haskell county registrants for military service—men between 21 and 35—was completed by the local Draft Board early in the week, with the exception of a possible few Haskell residents who registered out of the State and whose cards are yet to be received by the local Board.

No. 1 card was that of Joseph Clifford Dunnam, 29-year-old farmer living north of Haskell. Mr. Dunnam is married and is the father of two children.

The list as it stood Thursday at noon lists 1701 names of Haskell county registrants, and the complete list was posted on a large bulletin board in the courthouse.

The Haskell county Draft Board is composed of Joe A. Jones, chairman; R. C. Montgomery, secretary; C. P. Neal, board member; all of whom serve without compensation. Clerk of the Board is Mrs. C. V. Payne, former district clerk of Haskell county.

The names and numbers are also being published in this issue of The Free Press, beginning on Page 3. Twenty additional cards of Haskell county registrants were received Thursday morning, too late to be included in the original list printed Wednesday night, and these additional names and numbers are listed below:

- 1682—Raife Lee Herrin
- 1683—Calvin Burch Wilfong
- 1684—Guy Arthur Dedmon
- 1685—John Gibson Freeman
- 1686—John Cecil Hulsey
- 1687—Jack Williams Baker
- 1688—Elgin Lincoln Tabor
- 1689—Dennis Lewis Allison
- 1690—LeRoy McClean
- 1691—James B. McCruiston
- 1692—Harvey Leo Holt
- 1693—M. B. Cobb
- 1694—Ewell Cleveland Phillips
- 1695—S. Joe Brown
- 1697—Rube Dunbar Turpen Jr.
- 1698—James Berry Marr
- 1699—James Lyles Waggoner
- 1700—Horace Payne
- 1701—Orville Lavelle Cox

Earnest E. Sanders Is Named Head of Tarrant Bar Group

Earnest E. Sanders, Ft. Worth attorney and the son of Mr. and Mrs. F. T. Sanders of this city, was recently elected president of the Fort Worth Bar Association. Membership in the association is composed of approximately 400 Tarrant county lawyers.

Sanders, a native of Haskell, graduated from the Haskell high school and later attended law school, receiving his license several years ago. He became a member of the Tarrant county bar association and has practiced his profession there since graduation from law school.

Mr. and Mrs. Roy Ratliff and children made a business trip to Austin this week.

Drawing To Determine Order In Which Registrants Will Be Called

The national draft lottery to determine the order in which registrants between the ages of 21-35 will be called for military service, will be held in the national capitol at Washington on Tuesday, Oct. 29 beginning at 12 o'clock noon.

The lottery in which 17,000,000 men throughout the nation hold "tickets" good for a year's service in the U. S. Army, will be launched by a radio address by President Roosevelt. After Mr. Roosevelt's address Secretary of War Stimson will draw the first number, and succeeding numbers will be drawn until places are determined for every registrant in the nation. The drawing is expected to require from 12 to 15 hours. About 10,000 numbers will be drawn, it was estimated, this figure representing the largest number of registrants in any of the nation's 6,500 draft districts.

Working of the lottery in detail was explained by a Washington draft official as follows:

"Let us suppose the first number drawn is 110. That would mean that registrant No. 110 at each of the 6,500 draft boards throughout the country is drafted. Say the second number is 4,356—all the men who have that number are drafted. And so on until the order in which all 17,000,000 men who registered will be called into service is established.

"Some boards are handling as many as 10,000 registration cards, other boards a much smaller number. For that reason, 10,000 numbers must be placed in the draw. Drawing of a high number, such as 9,782 might affect only a few men, as there aren't many boards with that many registrants. "Naturally, the drawing of a man's number near the top does not mean he will be placed in military service immediately. He will, though, be among the first to receive questionnaires. Whether he actually serves, or not—and when—will depend on the information he furnishes in the questionnaire regarding dependent, occupational indispensability etc."

LIONS CLUBS OF AREA HOLD ZONE MEETING TUESDAY

Haskell Club Is Host At Banquet For Visiting Lions, Guests

The Haskell Lions Club was host for a Zone Meeting of area clubs in this city Tuesday evening which was attended by approximately fifty visiting Lions and guests from Wichita Falls, Olney, Knox City, Munday and Weinert. President C. B. Breedlove of the Haskell Club was toastmaster at a banquet which preceded the evening's business session. During the banquet an entertainment program was presented, including a sing-song, songs and trick rope act by Phillip Cadenhead of Weinert, and tap dance numbers by Miss Josephine Parish. Mrs. Leo Duncan furnished piano accompaniment for the entertainment numbers.

Bernard Lunn, Olney, zone chairman was in charge of a business session following the banquet, and District Governor Frank Crippiver of Wichita Falls was the principal speaker. Concluding features of the meeting was the report of activities from each club and committee reports.

Attending from Olney were Lions Pruitt, Bridges, Nord, Lunn, Hallman, Masters, Straley, Baggett, Earheart, Hart, Sarraz, Hennig, Cox, Bullock. From Knox City—Lions Ashcraft, Casey, Covey, Jamison, Cogswell. From Munday—Lions Carr, Harrell, Haynes. Guests at the affair were: Supt. I. J. Duff and Phillip Cadenhead of Weinert, George Thompson and Frank Crippiver of Wichita Falls, Guy Collins, Mrs. Leo Duncan and Josephine Parish, Haskell.

Mrs. A. R. Couch and daughter Ethel Reba of Abilene visited home folks in Haskell Sunday.

JURORS DISMISSED WHEN DAMAGE SUIT SETTLEMENT MADE

Current Week of District Court Term Has Light Docket

Petit Jurors summoned for the fifth week of the current 39th district court term were dismissed Monday by Judge Dennis P. Ratliff after a settlement had been announced in the damage suit of French M. Robertson, et al. vs. the West Texas Utilities Company, principal court action scheduled at the beginning of the week. When the case was called, attorneys for the plaintiff and defendant announced the settlement out of court. Amount involved in settlement of the suit was not disclosed at the time.

No cases were scheduled for Tuesday and Wednesday, and Thursday was devoted to a number of Tax Suits on the docket. Set for final hearing Friday was the petition for a mandamus of R. O. Gibson et al. vs. the Haskell County School Board, in connection with the proposal to group five common school districts with the Sargent School District.

Set for trial Monday, Oct. 28th, is the case of The State vs. Dan Kirkpatrick, charged with assault with intent to murder in connection with a shooting on the night of August 24 when Clarence Lewellen, Haskell laborer, was seriously wounded. Fifty-two State and ten defense witnesses have been summoned in the case.

The following persons have been summoned to appear at 10 o'clock Monday morning, to serve as Petit Jurors during the coming week.

Walter Patton, Monter Penman, Mack Perdue, Lewis Hester, F. B. Reynolds, J. A. Rose, H. P. Pointer, O. Cole, Lee Sandel, Taylor, Sego, T. K. Kevill, W. J. Bullock, Barney Swenson, C. A. Savage, E. M. Server, R. A. Shaver Jr., W. P. Russell, W. P. Ruff.

Shop Is Expected To Be In Operation By November Fifteenth

Announcement was made this week by Orman L. Kimbrough, local NYA Area Director, that Haskell has been chosen as site for a National Youth Administration Woodworking Shop for this area, which includes Haskell, Knox and Throckmorton counties. The project to be set up on a permanent basis, is expected to be in operation by Nov. 15.

Location of the project in Haskell was made possible through cooperation with the National Youth Administration of city and county officials, schools and civic organizations in Haskell and other towns and communities in the county. The list of sponsoring agencies includes Haskell County, Weinert and Weinert public schools, Rochester and Rochester public schools, Rule and Rule public schools, Mattson and Irby school districts, City of Haskell, Haskell Independent School District, and the Haskell Chamber of Commerce. Other schools and communities of the county are yet to be contacted as sponsoring agencies. Mr. Kimbrough said.

This shop will provide facilities for instruction in the fundamentals of woodworking for forty young men between the ages of 17 and 25 who are interested in learning the woodworking trade. In this connection it was pointed out that young men interested in such employment should contact Orman L. Kimbrough, local Area Director, whose office is in the courthouse.

This phase of the National Youth Administration has been designed to help young men of Texas to qualify for jobs in private industry and is in line with the National Defense Program.

For the Haskell project the National Youth Administration has ordered between \$6,000 and \$10,000 worth of equipment which is expected to be received in the next few days. A supervisor, or instructor in the shop here will be named at an early date by H. A. Zeigler of Fort Worth, district NYA representative.

Mr. Kimbrough, local NYA area director, explained that the primary purpose of the Woodworking Shop is to give young men employment and work experience, yet at the same time, sponsors and political sub-divisions can have furniture constructed and re-conditioned when the material is furnished.

After the project is placed in operation, there is a possibility of other units being added, such as radio and mechanics, the area director said.

Miss Perrin Is Named HD Agent Dickens County

Sanders & Crawford Gin Modern

The Sanders & Crawford Gin in Haskell is one of the most modern equipped Gins in this section. Originally established in 1901, this gin gives to Haskell County Farmers High Quality, Fast and Efficient Ginning Service.

The astonishing rapidity with which time and labor saving devices have been invented and quickly drafted into use in all lines of industry in the past 50 years has brought about a startling transformation in the industrial world but probably no industry has shown a more phenomenal development in methods and equipment used than the farm industry.

The invention of the cotton gin by Eli Whitney in the latter part of the 18th century, for example, was a speech making event but even he could not have foreseen the progress which cotton—already the South's greatest industry—was to make as a world industry in the years which have passed since that time.

There are thousands of cotton gins in the cotton belt today, but only a relatively small percentage of them are equipped with modern ginning machinery, such as the Sanders & Crawford Gin offers its patrons. In late years improvements in ginning machinery and methods have followed each

other so rapidly that only the gins which have been equipped with recently invented machinery can hope to render what we know is first class ginning service. The difference lies in the amount of cotton lint which is taken from the seed and the newer equipped gins such as the Sanders & Crawford Gin save their patrons substantial amounts of money by cleaning and saving the highest possible amount.

This gin was established in 1901 and was the first modern gin built in Haskell county, by Mr. Sanders, who since that time has built and equipped four other gins in the county. Mr. Crawford joined the organization in 1925. This gin consists of two gins under the same roof, equipped with the most modern ginning machinery on the market in which they can gin two bales at one time. Their gin is completely equipped with the most modern ginning machinery on the market and their location at Haskell gives to farmers in this section fast and convenient service. Throughout the many years which this firm has served farmers in this trade territory their business policy has been to serve farmers in such a way as to make a lasting friend of you. They take this medium of expressing appreciation for your part of business and solicit your continued patronage.

Many Brands At Brazzelton Lumber Co.

Quality in Materials, Economy in Cost and Completeness in Stock and Service Are Features Which Make The Brazzelton Lumber Co. A Most Complete Building Supply Store.

The Brazzelton Lumber Co. might well be called a "Department Store of Building Materials", for here you will find everything you could possibly use for building purposes, assembled in one place for your convenience.

Their paint and hardware department is stocked with a complete line of excellent but economical paint and building hardware, which are products of nationally known manufacturers. In their lumber department you receive the benefit of many years of buying experience for here you will find only the best type of lumber, properly seasoned and in A-1 condition. These items, together with a stock of wallboard, shingles, roofing, and other materials of various kinds, many of which are hardly known to the average person, are all offered

at most attractive prices. The above are all important features of this firm's service to the public but perhaps the greatest single value they offer is one that costs their patrons nothing—namely, their 30 years and more of merchandising and home building experience. These years have taught the Brazzelton Lumber Co. the true meaning of economy; that cheap materials are never economical, especially in building a home; that certain kinds of materials deteriorate sooner than others, and that some expensive materials are not better than some that are less expensive. All this experience they gladly pass on to their customers and through it they are often saved, not only the inconvenience of sad mistakes, but many dollars as well.

The Brazzelton Lumber Company invites you to visit them when shopping for building material of any kind, to consult them about FHA loans and allow them to show you the savings, convenience and satisfaction which they make available.

Haskell Elevator Co. Reduce Feed Cost

The Haskell Elevator Co. does all kinds of custom grinding for economical prices, carries a complete line of ingredients necessary in mixing with grain and forage crops and mix dairy or poultry feed to order.

With five years of depression and low prices the problem of feed and feed costs has become one of consequence to the farm industry. In our more prosperous days little or no attention was paid to the possibilities of utilizing forage crops as a means of reducing feed costs or of having farm grains custom ground and made into feed. However, in the past few years the successful farmer has found it necessary to save on feed costs in every way possible if he is to operate at a profit.

In this respect the Haskell Elevator Co. has done much to help solve this problem by making available a feed grinding service whereby the farmer can bring his grain and forage crops to their mill and have them ground into feed which is by far more palatable and result-giving than when fed in its original form.

In past years they have ground hundreds of tons of grain and forage crops and mixed them for local farmers and thereby enabled them to utilize such crops and at the same time save substantial amounts on feed costs.

They have available the ingredients necessary to make a balanced feed for any purpose. On order they supply feeds, which are scientifically mixed, balanced feeds and for prices which do not include freight costs necessary on all feed shipped from other points.

This firm invites the farmers in this section to consult with them on their feeding problems and to allow them to help you plan an intelligent and profitable feeding program. They take this medium of expressing appreciation for business extended them in the past and invite your continued patronage.

Mary Eleanor Diggs who is attending school at Texas Tech in Lubbock visited her parents, Mr. and Mrs. J. M. Diggs this week end.

Mr. and Mrs. Vernon Hannas of Rails spent the week end with her parents, Mr. and Mrs. E. E. Welsh and with other relatives in Haskell. Billy Mae and Ima Joe Welsh accompanied them home for a visit.

Magazine Club Has Regular Meeting Friday

The Magazine Club met in regular session Friday October 18 at three o'clock with twenty-six members present.

Mrs. W. Q. Casey, the hostess for the afternoon arranged lovely bowls of crepe myrtle, roses and bachelor buttons to decorate the club room.

Mrs. Clay Smith directed a program on The American Way calling particular attention to the quotation "Patriotism consists not in waving a flag, but in striving that our country shall be righteous as well as strong".

Mrs. J. E. Coody presented her subject Patriotism in a most unique way. She gave a cross section of opinions on patriotism by representatives of every type of citizen—college students, business men, ministers, colored people, soldiers, housewives and others. These papers were most interesting and informational.

Mrs. Clay Smith discusses Our American Heritage especially stressing the following characteristics that have given the social life of the American nation its distinction: First, it provides an opportunity for personal advancement according to each person's own character; second, the American system provides educational opportunity; third, the American civilization is known everywhere for the emphasis it places on the equality of the sexes; finally, our civilization has gone forward because it has placed strong emphasis upon science, invention and organization.

Harmony Club Meets On Wednesday Afternoon

The Harmony Club met in the First Baptist Church on Wednesday afternoon for a business meeting and choral rehearsal. The Federation Collect was read in unison. Then all joined in singing "Texas Our Texas".

Reports were given by officers and committee chairmen and plans were made for attending the district convention in Vernon the 1st and 2nd of November. Mrs. F. M. Squyres was elected delegate and Mrs. Frank Scott alternate.

A special vote of thanks was given the Haskell National Bank for their generosity in not only paying the club for decorating their float for the Fair parade, but also turning to us the amount won as first prize. Mr. Henson was given a vote of thanks for building the frame for the float and assisting in a number of ways.

Chorus practice followed the business meeting with the following members taking part: Mesdames Bert Welsh, Marvin Post, Calvin Henson, W. P. Ratliff, John Willoughby, Tommy Hawkins, J. M. Littlefield, F. M. Squyres, T. C. Cahill, Frank Scott, W. A. Kimbrough, Jno. Ellis, Ray Christian, R. L. Harrison, B. M. Whitaker, M. V. Willson, Ira Hester, F. E. Cook, Covell Adkins, Jason Smith, Miss Ola Bell Kennedy, Miss Jessie Vick and Dr. Robinson.

A group of Harmony Club members attended a Reciprocity program given by the Stamford Music Club in the Presbyterian Church there on Wednesday. Representative groups were also present from the Schubert Club of Hamlin and from the Music Lovers Club of Anson. A covered dish luncheon was served in the basement of the church at 12:30 where the Halloween theme was suggested in table appointments.

The program included choruses, a solo, sextette, piano number and a talk on club plans by each of the four presidents. Mrs. O. E. Patterson represented the Haskell club by playing the Blue Danube Waltz by Straus.

Other members attending were: Mesdames Calvin Henson, F. M. Squyres, T. C. Cahill, Tommy Hawkins, John Willoughby, Carl Power, W. A. Kimbrough, B. M. Whitaker, R. L. Harrison, F. E. Cook and Miss Ola Bell Kennedy.

Mrs. L. F. Taylor Hostess For Helen Bagby Circle

The Helen Bagby Circle of the First Baptist Church met in the home of Mrs. L. F. Taylor Monday evening October 21 for a Bible study with Mrs. Yantis, teacher. We were happy to have Mrs. Cates back with us again, and she had charge of the business session.

We first sang "What A Friend We Have In Jesus" followed with prayer by Mrs. Simmons. Mrs. Yantis then gave our Bible lesson from the book of Judges with all present taking part in the discussion which proved a very interesting lesson and we were happy to have Mrs. Ada Stuart with us again after quite an absence.

This being Mrs. Yantis' 78th birthday we then sang Happy Birthday To You and presented her with love gifts from each one present. Mrs. Stuart gave the closing prayer which dismissed the thirteen ladies.

Those present were: Mesdames Cates, Yantis, Paxton, Lamkin, Merchant, Bailey, Crawford, Ellis, Stuart, DeBard, Simmons, Taylor, and Miss Crawford.

On last Monday October 14th we met in the home of Mrs. R. J. Paxton for a mission study from Royal Service. Meeting opened by singing "Rescue The Perishing", followed with prayer by Mrs. DeBard. Mrs. Taylor conducted the business session and Miss Crawford was program director for our Mission study and told about the Unchanging Stewardship. Mrs. Yantis gave the devotional and Mesdames Taylor, Paxton and Ellis gave parts on the program and we then sang from the program All Learn How To Tith and nine ladies were dismissed with prayer by Mrs. Everitt.

Jossett Home Demonstration Club Meets At Club House Tuesday

CHURCHES

CHURCH OF CHRIST

J. G. Malphurs, Minister

Great things are happening in our day. Since the history of man began not many things have happened thus far to influence his destiny, his religion, his home, his society more than what is actually taking place before our very eyes. Putting the most optimistic view possible on current events we can be sure that the world is in for a great upheaval never to be again like it once was. Much of its politics, social regulations, and but little of its religion will be able to survive the shake-up. Christianity—the genuine kind, not the veneer—will stand the shake-up.

In the book of Revelation Christ has told his church of the most important events that would occur in the history of the world from the time of the Apostle John to the end of the world. Especially is that true where the church must suffer in such shake-ups. Christ seals his saints by preparing them for the test. That will be our subject next Sunday night at 7:45. "The Sealing of The Saints", taken from the seventh chapter of Revelation. You are urged to study this sermon with us.

The subject for the eleven o'clock sermon will be "The Crucifixion of Christ", the world's greatest tragedy. If you wish your soul to be uplifted, hear this sermon.

The study of Revelation on Wednesday nights continue to attract splendid attendance. Come, and study the wonderful book with us.

Fire Prevention Week Observed

Freshman and Sophomore English classes under Miss Couch recently observed fire prevention week. They did this by making posters and writing themes on fire safety. The posters showed some of the ways fires are started and how they should be prevented. The best posters according to Miss Couch were made by Nannie Mae Pace, Wylene Quattlebaum, Vaughn Ray Stuart, Mary Jean Sellers and Bobby Dulaney.

Miss Couch is teaching for the first time in Haskell High School; previously she taught in Munday, Texas for eight years. She graduated from Haskell High School and then entered Baylor University where she received her Bachelor of Arts degree. While a student at Baylor she was a member of Alpha Omega and Beta Xi Theta organizations. Also she has done graduate study in the University of Texas.

During her senior year in Haskell High School, Miss Couch was president of the class and upon returning as a teacher in our high school she is sponsor of the Senior class and also of the Gypsy Rambler Club.

Home Makers Take Part In Fair

The Homemaking Club of Haskell High School won a premium for their impressive booth decorated in the state Home Makers of seven dollars and fifty cents at the Fair. This was their reward Club colors: blue and silver. The booth exhibited a table cover for one, surrounded by posters demonstrating correct table manners. The posters were drawn by a talented member of the club.

Indians Lose To Baird

The Haskell Indians met the Baird Bears on the Indian Field last Friday night. A large crowd witnessed the game. The Indians held the Bears in the first quarter to a score of 0-0. At the end of the second quarter the score was 8-0 in favor of the Bears. The Indians' lone counter, scored by Holcomb, came in the fourth quarter. At the end of the last half the score was 27-6 for the Bears.

Spectacular field stunts were presented at the half. The Baird band and pep squad were outstanding in red and white, and their field stunt was patriotic in nature. The Haskell pep squad improved to a great extent. Comments were heard that "all the girls in the Haskell pep squad were in step with the drum beats."

The band gave good support from the grandstand, but because their uniforms burned, they are unable to march on the football field. Sam Smith was unable to play Friday night because of an attack of asthma.

Something of interest to Juniors: Nine of the seventeen principal football players are members of the Junior class. Power to the Juniors.

Shall We Feed Europe?

Americans have the biggest hearts in all the world. Any nation of Europe that has ever endured suffering of any kind from war or famine, knows that to be a fact.

And that's why the problem America faces today is one of the toughest it ever had to decide: Shall Americans help feed European victims of Nazi aggression this winter?

Haskell County History

As Revealed by the Files of the Free Press 20, 30 and 40 years ago.

20 Years Ago—Oct. 23, 1920

The tailor shop of E. S. Kelley on the east side of the square was destroyed by fire last Thursday night. The Farmers Cafe which was in the south side of the same building was damaged to some extent by water and smoke.

Mrs. W. C. Ballard of Dickens, Texas, is visiting her son and daughter, T. E. Ballard and Mrs. H. S. Post here this week.

The Stonewall county Grand Jury which was in session at Aspermont last week ordered the purported grave of a former resident of that city opened, as there was some doubt as to the authenticity of the man's death. He was supposed to have died about March 10, 1919, and his wife is said to have collected several thousand dollars in insurance money. When the grave was opened there was no corpse found, and the casket was missing. It is said that the man alleged to have died and been buried, was wanted in New Mexico on a murder charge and was to have appeared for trial just a few days before his purported death. It is reported here that an arrest had been made in connection with the case.

30 Years Ago—Oct. 22, 1910

Hon. Bruce W. Bryant, our brilliant young County Attorney, delivered the welcome address at the Farmers Congress Monday. The response was by Homer D. Wade, secretary of the Stamford Board of Trade.

Miss Eddie Hamilton left Wednesday for Groveton, Trinity county, where she has a position as stenographer.

James A. Greer and family and F. M. Greer of Stamford, spent Sunday with Mr. and Mrs. W. S. Hicks of this city.

Good Health With Chiropractic

Dr. Gertrude Robinson With Office In The Cahill Insurance Building, Has For 13 Years, 6 1/2 Years Which Has Been Spent In Haskell, has offered a scientific Health Service Which Has Helped Many People To Better Health.

Ill health is usually the result of a violation of nature's laws or of a failure of the individual to keep the body in perfect condition. The nervous system of the human body is designed to carry life force to every part of it and in so doing to keep it in perfect health. However, when bodily resistance is below normal, ill health often results.

Many of our physical illnesses can be quickly relieved if nature is assisted by way of seeing that the nerves serving that part of the body are functioning normally and are not impinged in any way. Much ill health is caused by nerve interference and if this condition is relieved the ailment naturally disappears.

For this reason chiropractic adjustments have reached and corrected many acute diseases which other health methods have failed

When the Dry Farming Congress assembled at Haskell Wednesday, delegates found this city enjoying one of those steady downpours of rain that was needed for the wheat farms. Several large farms have been sown in wheat and this rain will bring it up to a good stand.

Farmers State Bank Community Asset

Since Its Establishment In 1918, The Farmers State Bank In Rule Has Played An Envious Role In The Development Of This Trade Territory.

Cities and prosperous communities do not happen—they are built. It is only through the united efforts of public spirited men and institutions that our American communities come into existence. In a like manner they grow and prosper under the guidance of these men and institutions or falter and disappear for lack of such guidance.

The Farmers State Bank in Rule is such an institution—one that has played a prominent role in the development and progress of this section in the years it has

Haskell National Serves Half Century

Originally Established In 1890 The Haskell National Bank Has For Years Provided Adequate Banking Service For The Use Of This Section.

In the 50 years of its existence the Haskell National Bank has played an important role in the development and progress of this trade territory. Through all of the booms, depressions, droughts, good times and bad, this institution has continually provided adequate banking facilities for the merchants to buy their goods and the business men to conduct their business. Many of the bank's present day customers started with nothing in the early days bank's existence, and have since become substantial and prosperous citizens while Haskell has grown in to a thriving and progressive little city.

It has been the constant endeavor of the Haskell National Bank to progress as the community progressed and to provide new banking services as the need arose for them. Capable management is combined with modern equipment

and a full line of banking services. The loan department handles all kinds of sound commercial bank loans; the transit department provides quick and efficient collection of out-of-town checks and the bookkeeping department provides the convenience of checking accounts with regular statements.

Safety for the depositors' funds has always been the first consideration of the Haskell National Bank. It is a member of the Federal Reserve System and of the Federal Deposit Insurance Corporation which insure individuals deposits up to and including \$5,000.

Service to the community is another important consideration and while the Haskell National Bank scrupulously safeguards the interests of its patrons, yet the general welfare of the community at large is considered in any important step it takes.

Its officers invite you to discuss your banking problems with them and assure you that your business will receive the same prompt, courteous consideration, whether your needs be great or small.

Gauntt Funeral Service Complete

The Painstaking Care and Attention Which The F. E. Gauntt Funeral Home of Rule Emphasizes In Leaving No Detail Of Minute Significance Uncared For Has Given It An Envious Reputation.

The inescapable necessity of a funeral is bound to come to all. When it does come to the minds of relatives are distressed and many things which should be considered calmly are given hurried judgment or entirely overlooked.

In this respect there is so much that an experienced and capable funeral director can do to relieve you and so many responsibilities he can remove from your shoulders that it is highly desirable to make the acquaintance of a dependable firm before the need arises.

The F. E. Gauntt Funeral Home is such an institution, one which from the first call will assume full responsibility for every detail if desired.

The desire to avoid any trace of stinting, or obvious economy when funds are limited is an important reason for choosing a well equipped funeral director. Only the well equipped institution can give to the inexpensive service, the comfort, beauty and dignity so earnestly desired on this occasion. The F. T. Gauntt Funeral Home has a total seating capacity of 100, is arranged so that every detail of a service can be cared

for in a quiet and dignified way and their least expensive funerals are given the advantages of this setting.

This firm is anxious to give each family the kind of funeral best fitted to financial circumstances, and they give the same careful attention to every detail regardless of the amount expended. Their personnel have all had years of experience, their rolling equipment, which includes ambulance service, is modern, and they operate a 24-hour county-wide service on a moment's notice. With this complete automotive equipment, they can serve remote districts as well as those near at hand, with perfect efficiency and satisfaction.

F. & M. Bank Has Enviably Record

Originally Established in 1904 As a Private Bank, Nationalized in 1913, and Taking Out Their State Charter in 1913, the Farmers & Merchants State Bank in Haskell Offers a Modern System of Finance Meeting Every Requirement of Up To Date Banking Service.

The service offered by the modern banking institute is a far cry from banking service which was available even as recently as 50 years ago. At one time banks served only as depositories or storehouses for money and were paid for storing as we pay for storing merchandise in this age. Years later, they slowly adopted the practice of making loans but only in the past 50 years have they enlarged their service and importance to their community in its present status.

Today, however, there is no other kind of business which is so essential to, and at the same time so voluntarily solicitous of, the general welfare of the community in which it is established.

All of the assets, efforts and loyalty of the Farmers & Merchants State Bank, for example are primarily devoted to the welfare and advancement of this section.

For over 36 years the Farmers & Merchants State Bank has endeavored to provide a complete and progressive banking service for this community—one providing safety for the depositor and service for the worthy borrower. Whether its patron is a large corporation or an humble individual it extends the same care and attention to any problem which is offered to it for solution.

It is a member of the Federal Deposit Insurance Corporation, which insures individual deposits up to \$5,000.

The officers and directors of the Farmers and Merchants State Bank are men of long experience in banking and they invite the public to confer with them on financial problems as you would with any friend or adviser.

They take this occasion to extend thanks for your patronage in the past year and to invite your continued patronage.

DESMOND IVEY and JACK GREENE

Chambers Grocery Leader In Rule

Quality In Foods, Economy In Cost, Sanitation In Methods and Completeness In Service and Stock Combine To Make The Chambers Grocery & Market In Rule a "Complete Food Store." They Will Have New, Modern Cold Storage Lockers Available About Nov. 1.

A comparison of the present day modern food supply store, such as Chambers Grocery & Market with the grocery store of a century ago, discloses many interesting facts, chief of which are improved sanitary methods and the ever increasing number of items found in the store of today. The grocer of 1800 and even to the turn of the next century, was a pioneer in a pioneering country and stores which carried as many as 16 imported articles and 30 local commodities were classed as elaborate. Most dry groceries were sold out of open barrels and boxes which attracted flies, rodents and vermin and were unsanitary and unappetizing in general. In the past decade, however, according to the National Association of Retail Grocers, "more progress has been made towards making grocery stores appetizing to jaded customers than during the entire period of the world's history."

The Chambers Grocery and Market is a typical example of the modern food store. In contrast with the old-time grocery store, the stocks at the Chambers Grocery and Market are conveniently arranged, attractively displayed and kept fresh with modern refrigeration methods. Moving items at a store of this type vary in number from 5,000 to 15,000. They are installing cold storage refrigeration equipment and lockers at the present time which will be ready for use about November 1. These cold storage lockers, which will number 240 in all, will be the most modern in West Texas. This service will be a valuable one to this section, as it will give you positive assurance of the safekeeping of your

meats and other commodities, and all lockers will be on a rental basis to the public. Service and dependability are also featured and these factors combined with the above mentioned ones, make the Chambers Grocery and Market an ideal store in which you can buy all of your food supplies under the same roof.

Haskell Student Enters Aviation School In Dallas

Keeping the motors of military training planes ticking will be dependent upon such skilled hands as those of Lewis Hamilton of Haskell in the event of war. Hamilton is training for such an eventuality at the Dallas Aviation School where he is taking a master mechanic's course.

While attending Haskell high school, from which he was graduated in 1935, Hamilton played football, baseball and was a member of the track team and FFA club. Following his graduation from high school, he attended Chillicothe, Mo. business college for two years and since that time has been employed as a bookkeeper with the Southern Properties Inc. in Dallas.

In addition to its commercial branch, where 200 students are enrolled, the Dallas school also gives primary flight instruction to students under the supervision of the Civil Aeronautics board, 150 Army Air Corps aircraft mechanics reported to the Dallas school recently for 24 weeks of instruction.

Hospital Notes

The following persons were listed as patients in the Haskell county hospital Thursday at noon.

Mrs. Jim Almond of Haskell for medical treatment; Tom Clark of Haskell for treatment of fracture; Infant Jerry Sue Phemister of Haskell; Infant Jane Holt of Haskell; Mrs. Adkins of Haskell for medical treatment; Don Garza of San Benito for medical treatment.

Patients dismissed during the week included: Mrs. R. V. Bullock and infant daughter of Rule; Mrs. Holloway, Mrs. Henry Atkinson and infant daughter, W. E. Fowler, L. L. Chamberlain.

Dr. Geo. W. French, pastor of the First Methodist Church will leave this week-end for Greenville, where he will visit the session of the Northwest Texas Conference.

Home Lumber Co., Building Values

The Home Lumber Co. in Rule Offers Building Materials For Every Need To Residents of The Section.

At no time in history has the standard of convenience and comfort in home life made so great an advancement as in the past 50 years. A half century ago materials available for building a home could be counted on the fingers of one's hands. Today, however, there are hundreds of items available and necessary in building or remodeling a home, many of which are hardly known to the average person, but which can be used in increasing the comfort and convenience of a home without adding materially to its original cost. At the Home Lumber Company for example, you will find in addition to seasoned lumber a complete stock of paints, wall board insulation, roofing, shingles, builders hardware and many other materials which are often small in cost yet they loom large in the degree of comfort and convenience to add to a home.

In the years of its existence, the Home Lumber Company has carefully gathered and made available to its patrons information which saves them money. This information includes plans and specifications for most any kind of building, as well as a complete knowledge of building material values, and since the average man builds a home but once in his lifetime, and cannot know the many details necessary to its economic construction this is a valuable service.

In this respect there has never in the past quarter century been a more advantageous time to build, alter or repair your home than the present due to the convenient financing or terms in which to pay which are now available through the Federal Housing Administration.

The Home Lumber Company takes this medium of expressing appreciation for years past business and invites your continued patronage.

Bible Class Will Be Continued In HHS During 40-41

In keeping with the custom of numerous other high schools of the state, Haskell High School this year is again offering a course in Bible. This course of study is non-denominational in nature, and is open to students of every class. Those taking the course are given one-half local credit and gain a general knowledge of the Bible.

The class meets every Tuesday and Thursday morning at 9:45. During the first six-weeks period it is under the supervision of J. G. Malphur, minister of the Church of Christ, Ministers from the other churches in Haskell will conduct this class in turn for a six-weeks period.

Ten high school students are taking this course. They are Leta Mae Curry, James Breedlove, Mettie Hix, Maudene Barnes, Hazel Sellers, Yvonne Bryun, Marie Adams, Dale Bertlett, Thomas Booth, and Robert Curry.

Methodists To Have Guest Preacher Sunday

The First Methodist Church is to have a guest preacher at the 11 o'clock hour Sunday morning, Rev. W. M. Murrell of Abilene. Rev. Murrell is an excellent speaker and is one of the leading preachers in the Northwest Texas Conference. The pastor urges all Methodists to hear Rev. Murrell and the public is cordially invited.

Hospital Service Policies Will Be Delivered Oct. 29

Residents of Haskell and surrounding territory who have recently made application for Group Hospital Service, and whose policies have not yet been delivered, were advised this week by M. E. Reichert of Wichita Falls, area manager that the policies will be delivered Tuesday, Oct. 29th.

Mr. Reichert explained that due to the demand for Group Hospital Service it has been impossible to get the policies out sooner, but he stated definitely that the policies would be delivered to local applicants on the above date.

Facts Concerning 1941 Wheat Crop Outlined For Growers

Letters outlining facts concerning the 1941 wheat crop program were sent out from the Haskell County A. C. A. office this week to all wheat growers in the county, and J. E. Thomson, secretary of the A. C. A., urges farmers to study the information in the letter, in order that they may comply with eligibility provisions of the wheat loan program. The closing date for making requests for reconstitution of wheat-allotment farms is Nov. 1, 1940. Mr. Thomson also announced.
