District Title Will Be Decided In Haskell-Stamford Game

INDIANS HAVE HALF GAME LEAD FOR 9-B CONFERENCE TITLE

Day Classic Will Played In Afternoon On Indian Field

After many years standing beside the football classic section on Thanksgiving when the Haskell Indians and Stamford Bulldogs meet on the field in a game which will determine the championship of District 9-B, the game has been postponed to 2:30 o'clock.

The Indians will be battling not for the title but to uphold an unblemished record of no defeats since 1933. The Bulldogs have won 10 games and lost 10 since 1933.

The game will be played on the Indian field at 2:30 o'clock. The game will be played on the Indian field at 2:30 o'clock.

Undisputed Leaders In District 9-B

Undisputed leaders in District 9-B are the Haskell Indians, who have rolled up a total of 262 points to their opponents 36 during the entire season for a perfect standing of 1000 per cent. The first string squad, pictured above includes: First row, from left—Jack Simmons, Short Patterson, Buster Gholson, Curtis Ballard, Wayne Laird, Second row—Quinton Bailey, Bob Cousins, J. C. Scott, Marvin Huff, Milton Whitlock, Third row—Coach Scott Whitaker, team manager Jerry Carmichael, Chester Vin, Fred Barnett, Sam Henshaw, Gene Rogers, Otis Henshaw, Zeldon Thomason and Coach Perry Mason.

INDIANS RETAIN PERFECT RECORD IN NARROW WIN

Defeat Albany Lions 2 and 0 In Fourth Conference Game of Year

Before 2,000 fans, the Haskell Indians retained their perfect standing in District 9-B here Friday night when they eked out a 2 and 0 win over the Albany Lions, who showed a surprising lack of sympathy for the dope chat.

The game was the fourth conference tilt for the Indians, who need only a tie or a win over Stamford to clinch the district title.

Haskell's only counter came early in the first quarter, when Right End Williams of Albany fumbled a pass back from center while standing in his end zone in the first quarter.

Bob Cousins, star left end for Haskell, rushed in and made the tackle for a safety that spelled victory for his team. The ball had been kicked out of bounds on the Lions' four yard line by Fullback Gene Rogers.

Both teams sported running stars. The Indians had Sam Henshaw who was a threat every time he got the ball, and Rogers.

But a little 150 pounder, Nixon by name and a side stepper by trade, from Albany stole the show with his punt returns. He kept the Lions in the ball game until the final gun with his long passes.

Appeals Court Grants New Trial for Abston

50-Year Prison Sentence is Set Aside in Ruling of Supreme Court

In an opinion rendered Wednesday by the Court of Criminal Appeals at Austin, Clarence (Puny) Abston was granted a third trial on a charge of murder of Miss Rebecca Coursey near O'Brien on May 8, 1933.

Abston, through his counsel, appealed from a 50-year sentence imposed in Kent county because confessions, he asserted were made through fear were used at former trials.

In Abston's first trial in 39th district court here the death sentence was imposed, but was reversed and the case remanded for a new trial.

In the confessions Abston had admitted that he procured C. Matura to commit the killing. Matura has been executed for it. At his first trial Abston was given a death verdict. New trial was ordered and a later confession offered as testimony. A 50 year sentence resulted.

The court of criminal appeals in reversing the death sentence case noted that it was admitted by officers that one of them suddenly placed a shirt around Abston's head and bumped him with his knee. Abston's statement was noted that he was kept standing for hours without water while officers questioned him in relays.

He finally was unable to stand the "torture" and made a written statement.

In reversing the 50-year sentence today the court noted as "significant" Abston's statement that from the time he was arrested until the statement was made nobody offered to protect him until the trial court told him if he would tell the facts "he would see that the rangers didn't get hold of me any more or something like that."

Abston is being held in the county jail here, having been transferred from the Kent county jail several months ago to await hearing on his appeal.

Unless state's attorneys ask for a rehearing before the appeals court, trial date for Abston's third arraignment on the murder charge will be set at the next term of district court in Kent county.

Belief that Haskell merchants are enjoying the patronage from an expanded trade territory through efforts that have been made to attract business to this city was expressed this week by S. Hassen, manager of Hassen Bros. Co., one of the leading dry goods stores in this city.

Mr. Hassen stated that his store last Saturday did the largest volume of business since the establishment was opened here in September, 1933—more than five years ago. He attributed a large share of the increased volume to the "Thanksgiving Sale" inaugurated last week. He stated that the steady increase in trade volume had been noted during the usual "dull" summer months.

"I want to express my belief that the pulling power of advertising has contributed to this increased volume," Mr. Hassen stated. "We have used the columns of the Free Press exclusively in recent months, backing this advertising with real bargains, and the response has been more than gratifying," he concluded.

C of C MEMBERS DRAFT PLANS FOR HOLIDAY SEASON

Special Events Planned Are Given Approval at Meet Tuesday Morning

Plans for stimulating business during the holiday season were the principal topics discussed at a morning meeting and breakfast for chamber of commerce members in the coffee shop of the Tonkawa hotel Tuesday morning.

Fifty-five members and guests attended. Dr. T. W. Williams, C-C president, presided and Ralph Duncan, secretary introduced several new business men who have located in Haskell in the fall.

A plan was approved for installation of Christmas lights throughout the business section on an elaborate scale. The lights will be placed the last week in November, under supervision of a committee composed of H. C. King, N. I. McCollum and C. E. Weaver.

The trade extension committee is planning several attractive holiday events, according to the report given from Chairman Sam Roberts. Special entertainment features will be handled by a committee which includes Marvin P. Bryan, C. E. Phelps, Roy Huckabee, J. C. Davis, M. P. Vannoy, Sam Roberts.

During the meeting an invitation was drafted asking the Northwest Texas Methodist conference to meet in Haskell next year.

Members also voted unanimously to sponsor jointly with the Haskell Lions club a banquet for the Haskell high school Indians football team soon.

Officers for 1939 were elected at the regular monthly meeting of the County Council of Home Demonstration Clubs, held Saturday afternoon at 2:30 o'clock in the office of Miss Mildred Vaughan, county H. D. agent. Mrs. S. G. Perrin, council chairman, presided. Twenty members answered roll call, representing nine of the twelve clubs in the county.

Mrs. S. G. Perrin was re-elected council chairman. Mrs. A. C. Denison vice-chairman, and Mrs. Louise Merchant was re-elected as secretary. The council reporter, parliamentarian and council committee members will be appointed at the first meeting in January. Each club in the county is requested to send in the names of club president and council member to Miss Vaughan not later than Dec. 3rd.

Chairmen of the various committees must have their reports in the agent's office by Dec. 19th.

Each club in the county will be asked to have a representative attend a School of Recreation to be held in Wichita Falls Nov. 29-30-1st.

The pantry award is to be made Saturday, Dec. 3rd, and all supplies, etc., should be turned in this week, Council members voted.

HASKELL STORES TO REMAIN CLOSED ALL DAY THANKSGIVING

Business Houses to Observe Full Holiday; No Rural Mail Service

Thanksgiving Day will be observed as a full holiday in Haskell, with all business establishments closed for the day in keeping with the custom of past years. Haskell schools will be dismissed Wednesday afternoon for the remainder of the week, affording students and faculty members a week-end holiday.

The postoffice and banks will observe the day as a legal holiday, and there will be no rural route service on this day.

Only establishments expected to remain open during the day are drug stores, cafes, and service stations. A survey Thursday revealed, and these establishments will be asked to close during the Haskell-Stamford football game in the afternoon.

Pleasant Valley Residents Plan Cemetery Work

Residents of the Pleasant Valley community in a recent meeting approved plans for beautifying and adding permanent improvements to the community cemetery, including the erection of a durable fence surrounding the cemetery plot, and endorsed a movement to defray expenses of the project.

Plans for fencing the cemetery property as outlined and approved contemplate the erection of an ornamental fence which will cost approximately \$300.00, sponsors said. Raising of this sum was assigned to a committee composed of Price Cudde, J. W. Derr, F. J. Josselyn, I. N. Furr and C. A. Massey. Several donations have already been reported and others desiring to contribute to the fund are asked to hand or send their contribution to any member of the committee.

The beautiful burial plot has been vastly improved through community-wide efforts, and it is the belief and hope of sponsors of the present movement that the grounds can be permanently enclosed and beautified.

Funeral services were held Saturday afternoon at 3 o'clock from the Church of Christ, with the pastor, J. G. Malphurs officiating. Deceased had been a member of the Church of Christ for some twenty-five years. Burial was in Willow Cemetery, with arrangements in charge of Holden's Funeral Home.

Service Will Be Inaugurated Jan. 3. New Carrier To Be Appointed

Application for an additional rural mail route out of the Haskell postoffice has been approved by the postoffice department, and service on the new route will be inaugurated January 3, 1936. Postmaster J. M. Diggs was notified of the approval Thursday morning.

The new route will serve the extreme southern part of the county, extending into the Cobb and Rockdale communities, an area which has been without adequate rural mail service for many years. The route will be designated as No. 2, and will traverse a distance of 57 miles, serving between 50 and 60 patrons. Postmaster Diggs stated:

With the additional service three rural routes will be operated from the Haskell postoffice, in addition to the Star Route. This will give adequate service over a large part of Haskell's trade territory, the postmaster pointed out.

An additional carrier will be selected and appointed between now and January 1st, and the present carrier corps will be shifted in arranging the new route schedule. I. N. Simmons, present carrier on Route 1, will be transferred to the new Route 2, with K. D. Simmons delivering on Route 3, according to tentative plans. W. J. Adams is carrier on the Haskell-Rochester star route.

Agitation for the new mail route has been actively carried on by the local Chamber of Commerce and county officials in cooperation with Postmaster Diggs, with the movement heartily endorsed by patrons to be served.

In order to secure the route, Commissioner P. G. Kendrick of Precinct 3, has made substantial improvements during the past year on roads and highways traversed by the route.

Vesper Service Will Be Given At Christian Church

A Vesper Service will be given at the First Christian Church in this city Sunday afternoon at 5 o'clock, sponsored by the Young People's Class of the church. Mrs. A. A. Bradford, class teacher, is supervising the program which will include piano and voice selections, musical readings, and accordion numbers. Proceeds from the offering will be used for Thanksgiving charities sponsored by the lighting effects will be used during the impressive program. The public is invited to attend.

According to the report of W. P. Price, special agent for the U. S. department of commerce, bureau of the census, 26,693 bales of cotton were ginned in Haskell county from the crop of 1933 prior to Nov. 1, as compared with 28,508 bales for the crop of 1937.

Ginners in all sections of the county report a gradual decline in receipts at the gins, indicating that the peak of the cotton harvest is over. Killing frosts during the past week will enable farmers to finish gathering the remainder of the crop in short order, it is believed.

Youth Slightly Hurt When Cars Collide Tuesday

Ray Buford, HHS senior and son of Mr. and Mrs. Sam Buford of this city was slightly injured Tuesday night in a collision of automobiles just off the southeast corner of the square. Buford and another youth were driving east. Second car involved in the collision was occupied by several negroes. Young Buford received a deep cut in his scalp, and a slight injury to his left knee. After receiving treatment at the office of a local physician, the youth was able to return home. Other occupants of the two cars were uninjured.

Meat Market Is New Addition To Pogue's Grocery

A modern electric meat counter has recently been installed in Pogue's Grocery & Market, formerly Thomason Grocery, and the store now features a complete stock of fresh and cured meats in addition to their line of groceries. The department is in charge of Curtis Pogue, experienced meat market operator.

Mr. and Mrs. W. M. Brunner of Stamford were guests Wednesday evening in the home of Mr. and Mrs. R. O. Pearson.

Mr. and Mrs. Ed Stodghill are in Brandon, Texas, this week, where they are visiting Mrs. Stodghill's mother, Mrs. Rebecca Osborne.

Press Will Be Issued Early Thanksgiving

This week's issue of the Free Press will be printed one day in advance of the regular issue in order that employees may enjoy a full day's holiday on Thanksgiving.

The paper will be published Wednesday evening instead of Thursday afternoon as usual.

Cooperation in this matter will be sincerely appreciated.

Attend Funeral of Mrs. Lee In Monday

Among those from this city who attended the funeral in Monday afternoon of Mrs. J. T. Lee, pioneer Knox county resident, were: Mr. and Mrs. J. M. Diggs, Mr. and Mrs. R. J. A Modern Thanksgiving

You have heard about those wonderful Thanksgiving dinners that our grandmothers enjoyed preparing and our grandfathers enjoyed eating. You know all about the many different kinds of delicious pies and cakes they always had to top off that luscious turkey and dressing. Well, what about the 1938 Thanksgiving? Would you like to look at a modern family and see what they will probably be doing next Thursday? Let's look at the Smyth family.

It is seven o'clock in the morning and we see Mr. Smyth in the kitchen with Mrs. Smyth, some burned toast, and some horrible coffee.

Thirty minutes later we find Sally in the same kitchen. The kitchen is the same, except for the absence of the burned toast and Mr. Smyth. We hear Sally

Smyth say, "Good morning mother. Where is daddy? Where is Tommy?"

"Your father is in the living room listening to the news over the radio and your brother is still in bed," says Mrs. Smyth.

Later (at one thirty o'clock to be exact), we see the Smyth family. Mr. and Mrs. Smyth, Sally and Tommy, seated around the dinner table. What a dinner!

The market's very finest ready-made, or rather ready-baked turkey, canned cranberry sauce, canned English peas, pumpkin pie—made from the contents of a can and the bakery's very best angel food cake. That's about all of the dinner menu, but there is plenty of conversation.

"We must hurry or we will be late to the football game," says Mr. Smyth.

"My! But I'm glad we can all be together for once. We can all

go to the game together," says Mrs. Smyth.

"Oh! No! Mother, I have got to go with Bill Johnson. Don't you remember, I told you last week. He is coming for me at two o'clock. I must hurry or I'll be late," replies Sally as she rushes out of the room.

"Mother, I'm sorry too, but I have got to keep my promise and take Betty Jones to the football game," says Tommy.

So Mr. and Mrs. Smyth go to the football game alone.

Isn't that some Thanksgiving day?

Football

Friday Paint Creek will play her last game of the season with Peacock Paint Creek won the game which was played at Paint Creek. Can our boys go to Peacock and win?

The football season this year has been an exciting one. There are two sides to everything. In football there is the winning and the losing. The football club of Paint Creek has experienced both and have shown sportsmanship both ways. There are players and spectators. The players have made mistakes, but don't we all? There is always room for improvement. The students have shown the same enthusiasm as the game draws to

a close as at the beginning regardless of the outcome.

The pep squad really does practice what it preaches. "It takes pep to make pep." They show sportsmanship. They are a pep squad of which we should all be proud.

Paint Creek Pep Squad

The Paint Creek Pirates have behind them one of the "peppiest" pep squads in Haskell county. They have attended every game with the exception of the one played at Swenson, and that was due to the lack of transportation. Even though we lost every conference game, the enthusiasm of the pep squad remained. Not once did their spirits waver. No matter what the score, they cheered the team throughout the game. Their loyalty to the team has been shown through their unflinching efforts. So, in expressing my feelings toward the pep squad, the whole team joins me in saying "Pep Squad, We Love you."

Senior Class Has Meeting

The senior class met after the assembly program Monday morning, November 14. Officers for the annual were elected. They are as follows: Bertha Adcock, Editor-in-

Chief and Kenneth Brown, assistant editor; Durward Livengood, business manager and Pauline Witte, assistant business manager; Nannie Bell Sandifer, art editor and Frances Larned, assistant art editor; Sybil Nanny, society editor and Opal Rose, assistant society editor; Willie Lee Medford, sport editor and Walton Nanny, assistant sport editor.

The seniors decided that in the next week or two they would start work on the senior play.

The seniors have not yet decided to enter the contest sponsored by the Abilene Reporter.

Another senior meeting is set for Wednesday, November 16 to discuss further plans for the annual.

Odds and Ends

I wonder who Jerry was with Saturday night.

Edith, where does Durwood keep himself?

"Sybil should sleep more," says several people.

Bertha doesn't like for her name to be in the paper. I wonder why?

Why did Kermit and Clarence go so far from home Saturday night?

Ray Jr. seems to be very happy today. Did he see Frances?

The Pirate's Sons were left in a lurch last Thursday, but we're still betting on them.

Why is Mary and Jiggs so friendly? "Oh! Just Pals."

J. V. has to read the paper in the fourth period study hall.

Jack and Juanita have a new type of love affair.

Guess Who?

This girl is a very likeable type of girl. She has a friendly disposition and has a heart as big as a washtub. Even though her hair is red she does not have a temper. Her favorite color is green. Her favorite radio program is Betty and Bob. Her hobby is playing basketball. I wonder who she is?

This girl has blond hair and her eyes are blue. She ranks first in getting into mischief. She always takes a holiday in English class. She is the life of the party. I won't mention her favorite because she says any of them will do. Guess who?

This girl has brown hair. She is very attractive and has the best personality of any girl you ever saw. Her favorite movie actor and actress is Robert Taylor and Olivia de Havilland and her hobby is singing.

The names of the girls in the Guess Who column last week were Ruby Bunkley and Sybil Nannie.

Haskell Student Named President TSCW Dormitory

Miss Gayle Roberts was recently voted president of Brackenridge Hall, a junior dormitory at Texas State College for Women, Denton, in an election of student government officials.

She will be assisted by a house secretary and floor counselors. In addition to her presidential duties she will be a member of the Student Council.

Another Haskell girl, Miss Eunice Huckabee, represented the college home economics department at the district conference of the Homemaking Division of the State Department of Education at a meeting in Fort Worth.

Miss Roberts, the daughter of Mr. and Mrs. Sam A. Roberts is a junior student doing major work in the department of Home Demonstration, while Miss Huckabee, daughter of Mr. and Mrs. W. N. Huckabee, is doing graduate work in the field of vocational home economics.

Indians To Have Free Week-End

In the Indian village there will be a lot of training and hard work since the Indians have a breathing spell next Friday. The team as well as the student body and fans know what it will mean to the Indians to win from Stamford. It will mean the first district championship since Haskell began to play football in 1916. Although they won this half of the district in 1936, Roscoe beat them for district honors, by a score of 13-7.

Just Checking Up

Jack Hunter what were you and Bobbie Morris talking about at the game Friday night? Was it the moon or—

Dan Oates, when did you and Ross Lowe learn how to dance? Was it at Kaigler's?

Gene, who was that girl waiting in your car last Friday night? Billy Net Peters, he's our hero; don't hurt him.

Sam! What do you mean taking

Louise away from our hero? Poor Gene.

Connie, what were you walking around the square so much for last Saturday night? Were you hunting someone?

Didn't Dorothy look pretty in the picture show last Friday and Saturday night? Or did she?

Why is Joe Maples trying to make up to Miss Vick? Is it because Miss Vick's daddy is a judge?

Kickoff Song Is Traditional

Indians, fight!
 Indians, fight!
 Indians fight, Indians fight, In- dians fight!
 Indians, fight!
 Indians, fight!
 Indians, fight!
 Indians, fight!
 Indians, fight!
 Sung to the tune of "Taps" that's our starting kickoff song, and it has been our starting kickoff song so many years that we can't re- member when we didn't have it. And now—how could we start a game without it? With Mr. Mea- cham or Joe Maples (or both) to play it, and the pep squad to sing it, it isn't "Taps" to us at all, but our way of saying:

"Do your best, Indians! A steady nerve for you, and good luck to you! We're believing in you, and we're altogether for you, win or lose. Victory for you and for us all! Indians, fight!"

Our starting kickoff song is tradition now.

Indians Keep Lead In District Race

With a score of 2-0 over the Al- bany Lions, the Indians can be district champions two weeks, and if they beat the Stamford Bulldogs on Turkey Day they are the best in the district. Since the Tigers and the Bulldogs tied last Friday's game at Anson, the Indians look like the best, maybe. In the Al- bany-Haskell game the team that

had the wind had the ball in their enemy's territory the most of the time. It was in the first quarter that Bob Cousins blocked an Al- bany kick behind the goal line and covered it for 2 points. In the line Scott and Simmons show- ed nicely on offense and defense both; the rest of the line played good football too. Sam Henshaw and Gene Rogers did star playing in the backfield, with Sam's beau- tiful running and passing, by the way—and Gene's passing, driving and wonderful punting with and against the wind.

P. S. Did everyone see Sam's 9 yard completed pass? That was his first. Power to you, Sam Henshaw.

Trio Wins Third Place

THE ARMISTICE OF 1918

Signing of the Armistice 20 years ago today overjoyed the world. War-weary people of all nations believed that the "War to end all wars" had been victoriously concluded and that peace was assured for the future. Events and world affairs of the past few years seemingly point to the fact that the Armistice was in effect just that—a "truce"—with belligerent nations today threatening the peace of the world.

Methodist Missionary Society Meets in All Day Service

The women of the Methodist Missionary Society and guests from other churches met at the church Wednesday, Nov. 9 at 10 a. m. for the regular yearly "Prayer Week" program. With Mrs. H. A. Marsh at the piano a song service was conducted. A program of prayer was directed by Mrs. Vernon Henderson, as leader. A number of interesting articles on the work which is being accomplished by several of the missions which the Northwest Texas Conference are asked to help, with the "Week of Prayer" offering.

At the noon hour, all gathered around the bountifully filled tables, which were made possible by each member bringing a covered dish. After Thanks had been given by Rev. Henderson we all enjoyed this hour of fellowship.

The program was resumed by the leader conducting the responsive readings. Several interesting articles were given for the afternoon program and with an intercessory prayer service the offering was put on table at the altar by each one present and we all felt that it had been a worthwhile service.

Those assisting the leader were Mesdames Jess Owen, H. A. Marsh, E. Griffith, Elmo Cure, P. F. Weinert, A. D. Bennett, J. W. Medley, H. Weinert and the leader Mrs. Henderson. At the noon hour we had as guests Rev. Henderson, Mr. E. Griffith, Mr. H. W. Johnson, Mrs. H. Monke and Mrs. G. C. Newsom. We will begin the Mission Study book next Monday, Nov. 21 and we would like to have more ladies hear this book given with Mrs. G. E. Davis, superintendent study director.

Mesdames Payne Hattox and Raymond Lyles are in Lubbock this week attending the State Convention of the Parent-Teacher Association which convenes there November 13-18.

Rev. Wooster, Mr. and Mrs. M. L. Raines Jr. and Mrs. J. K. Kane were in Munday Monday.

Mr. and Mrs. Hoyt Gilbreath and son Ronnie of Munday visited his parents Mr. and Mrs. Bill Gilbreath Sunday.

Mr. and Mrs. Lee Capps and Mrs. Carlton Capps of Trope, Texas are visiting relatives in Weinert.

Mr. Bailey Post was a business visitor in Weinert Monday.

Mrs. Louis Bennett and Mr. Bennett have as their guest, Mr. T. O. McCaslin of Phoenix, Ariz.

Rev. and Mrs. W. M. Culwell and Miss Imogene were visiting friends in Weinert Sunday. Rev. Culwell finished his year as pas-

tor of the Cedar Hill Methodist Church, near Dallas, and is spending a few days with his father at Avoca and with Mrs. Culwell's mother at Leuders before going on to the Northwest Texas conference which convenes at Memphis, Texas, on November 16. Rev. Culwell has been transferred to the Northwest Texas conference. He and his family were with the Methodist church at Weinert for two years coming here in 1934.

Mr. Guy Jenkins has been in Houston and Goose Creek prospecting.

Mr. Payne Hattox and his sister Mrs. Clifford Stiegler are in San Antonio this week. Mrs. Stiegler will visit relatives and Mr. Hattox will join a hunting party there.

Mrs. Garland Davis and Don spent last week in Anson visiting Mrs. Davis' mother.

Short Session of Fourth Quarterly Conference Held Sunday. Rev. E. B. Bowen and Mrs. Bowen of Stamford were in Weinert Sunday afternoon. Rev. Bowen the presiding elder of the Northwest Texas conference conducted a short business meeting in which it was found that the Weinert-Union Chapel charge, was almost paid out, and it is hoped that the remainder will be paid in before the pastor, Rev. Vernon Henderson leaves for conference Wednesday, Nov. 16, which will be held at Memphis, Texas. The people of Weinert are hoping that these good people will be returned to Weinert. They were called to Westover Friday of last week on account of the serious illness of Mrs. Martin. Mrs. Henderson's mother who at this time is much improved, Rev. Henderson returned to Weinert and Mrs. Henderson and children remained at Westover.

Mr. and Mrs. Elmo Cure attended the Homecoming at McMurry College, Abilene Friday and Saturday and pent Saturday night and Sunday with Mrs. Cure's parents. W. T. Johnson was their guest for this occasion.

Pioneer Citizens Visit Weinert. Mrs. Della Miller of Austin and her son J. D. Miller of San Antonio were visiting here last week end. Mrs. Miller, the wife of the late J. D. Miller Sr. who was the Weinert rural mail carrier for a number of years. They were among the first settlers in Weinert. Her son J. D. Miller Jr., is connected with the Texas Military Institute in San Antonio, having been there since his graduation from Austin College at Sherman.

Mr. and Mrs. Jack Rich and

little daughter of Seymour spent Armistice Day with his parents Mr. and Mrs. H. R. Rich in Weinert.

Mrs. Ernest Griffith and son Clay Griffith transacted business in Haskell Tuesday.

Mr. and Mrs. Ben Bruton were in Wichita Falls Thursday to do some shopping.

Mr. and Mrs. C. E. McCarty are visiting in Borger this week.

Mrs. Clyde Edwards and daughter Wanda of Bomarton, were guests of Mr. and Mrs. H. W. Johnston for the week end.

Mrs. D. M. Baird who has been quite sick at her home here left yesterday with her daughter Mrs. H. A. Winters and Mr. Winters of Hermeigh. She will go to the Roscoe Hospital while there for treatment. We hope for a speedy recovery for Mrs. Baird.

Mrs. Annie Mae Medley had as her guests Sunday her daughter, Mrs. Arnold Warren and Mr. Warren and children, Miss Lois Warren and Louis Warren of Munday.

Mr. Jerry Kane and Mr. Winston Blackstock of Munday spent Sunday in the home of Mr. and Mrs. J. K. Kane.

Mrs. Gladys Pace and Mr. Frank Draper of Haskell were guests of Mr. and Mrs. Guy Jenkins Saturday.

Missionary Society Meets. The Methodist Missionary Society met Monday, Nov. 14 at the church for the regular business session which was conducted by Mrs. Guy Jenkins. The nominating committee was appointed. They are: Mesdames Ernest Griffith, Annie Mae Medley and Pres-

ton Weinert. Those present were: Mesdames Georgia Bell, Jess Owens, H. A. March, A. D. Bennett, Everett Medley, Ernest Griffith, Guy Jenkins, Annie Mae Medley, Preston Weinert, Jack Bettis, Edgar Davis and H. Weinert.

Mesdames Georgia Bell, Sam Bird and little daughter Janice Bell were at the picture show in Haskell Tuesday.

Mr. and Mrs. Rals Loe were shopping in Haskell Saturday. Mr. and Mrs. Ben Bruton were in Munday Saturday shopping.

Mrs. Annie Mae Medley and daughters Misses Inez and Elizabeth were shopping in Munday Monday.

Red Cross Drive Successful in Weinert. The annual Red Cross drive has been a success in Weinert again this year. Mrs. Henry Monke, chairman and Miss Beatrice Weinert assistant, have about finished the drive and hope to go over the top. Weinert's quota is \$60.00.

Miss Beatrice Weinert left for Tahoka Wednesday for a visit to her sister Mrs. Myrtle Fox.

Mrs. Louise Merchant was transacting business in Weinert Monday.

Mr. and Mrs. C. F. Omen and Mr. and Mrs. Frank Omen and family visited a brother of C. F. Omen in Henrietta, Texas Sunday.

Cooperation in The School

Cooperation in the school is almost unheard of now. Many pupils are so forgetful thoughtless or selfish that they shirk duties given them in a group or even in the helping of a teacher.

When duties are assigned to a group two or three usually have to shoulder the burdens, while the entire group reaps the praise due to the two or three faithful workers.

Pupils forget to study a lesson come to school and say, "Oh, Mary, do you have those sentences in English? You know I'd be ever so grateful to you if you'd let me see them a few minutes." So poor Mary has to give up to lazy Jane the work that she so diligently prepared. This is not fair to Jane, Mary or the teacher, for Mary worked hard on her sentences and prepared them for individual use, Jane learned nothing by copying them, and the teacher does not know who copied.

Come on pupils, don't shirk your duties for in the end it will not benefit you to do so.

Last Game of Football To Be Played Friday

The last game of football is to be played Friday afternoon here with Swenson. Our boys have been playing good but only one or two boys are getting all of the praise, so come on everybody and praise the others once in a while. If the line men did not open up a place the carrier of the ball would not get anywhere and did you know something? I will tell you a secret. I have heard that the reason we have not won the games lately was because one man was getting all the praise and the other boys are getting tired of working and letting one man have the praise. Don't you think that the other ten boys would like to have a little praise and talk up once in a while? Yes, man!

Pep Squad Keeps Up School Spirit

What would dear old W. H. S. do without her pep squad? It's generally said that the pep squad keeps things moving around here. I suppose to see the group, any very intellectual person would be shocked, but they really mean no harm, just trying to keep the true school spirit.

Home Economics Club Meets

The Home Ec. girls met last Wednesday for their program. Due to the absence of the president Elizabeth Medley, Joannah Gordy presided. The program was in charge of Wanda Dakan, but due to absences of her charges, Juanita Duff was the only one who gave a talk. Joannah was requested by Mrs. Foote to review the trip to Spur for the meeting of Area 2. The next program will be in charge of Joannah Gordy.

Amateur Program Is Given

The Weinert Boy Scouts sponsored an amateur program given in the high school auditorium on Monday evening. Mr. Hawkins the scoutmaster, was in charge. Two piano solos were given by grade school children and Aletha Liles played two pieces. The Boy Scouts of Munday and those of Rochester put on some humorous skits. The Weinert High School quartet and the Sunshine quartet were enjoyed. Philip Cadenhead

gave a beautiful cornet number, and did some rope stunts. The tris from Munday and Haskell added interest to the program. Red Melton could not be kept off the program, so he finally got to show his ability by telling about his modern home. The Gorse Clock-hoppers furnished enjoyable music for the program. The Sunshine quartet won first prize of \$2.00, Philip Cadenhead won second prize of \$1.50 and the trio from Haskell won third prize of \$1.00.

F. A. and Home Ec. Classes Have Picnic

The Future Farmers of America gave the Home Economics girls a picnic Friday night. Weiners, pickles, marshmallows and sandwiches were delicious. There were not so many present but those who were not there missed a pleasant social hour.

Philip Cadenhead To Go With Band On Trip

One of our freshman youngsters Philip Cadenhead, has been honored by having been invited to accompany the H-S. U. Cowboy Band to Los Angeles, Calif. His classmates in English I made a number of requests of him for special reports when he comes back. He has promised to take notes so that he can give the English class a detailed account of his trip.

This is the second long trip for Philip this year, and we are proud that a member of the freshman class is getting the opportunities of such extensive travel.

Did You Know?

Mr. Perrin was going "dear" hunting Thanksgiving. (I bet that he goes to Iowa Park, don't you?) Estella stayed at home Saturday night. Where were you, Rayphord? Dorene and Ernestine like to hitehkkie.

Raymond goes to Knox City quite a bit now.

Vernon likes to chase rabbits. "You're the Only Star in My Blue Heaven" is Eula's and Carl's favorite song.

Some girls here like Knox City, too.

Clay thinks Haskell has one very cute drum major.

Hymen is invading the Weinert High School now. (If you don't know who Hymen is, ask any Senior).

Aletha had a lot of fun Friday night.

W. T. seemed to take a lot of interest in some of the out-of-town girls that were in the amateur contest.

Marriage License Issued 22 Couples During Past Month

Twenty-two marriage license were issued from the County Clerk's office during the month of October. This was the largest number to be issued during any single month this year, and more than double the average for the first ten months of 1934, during which time a total of 127 wedding permits were issued. Couples securing wedding license during the past month, with one exception in which names of contracting parties were requested withheld from publication, were as follows: W. C. Pearson and Miss Lorene Burleson. Lloyd Griffith and Miss Wilma Dean Muston. Levi Kidwell and Miss Alene Hall. C. L. McCann and Miss Anna

WEEKLY PROGRAM

The first assembly of the week will be held at 7:30 o'clock. The program was enjoyed by all. The announcements were read and the pupils went back to school.

5TH GRADES

The room entertained a Monday afternoon assembly. The name of the show was "The Little Pig." It was enjoyed by everyone.

MATTSON'S CORRAL

As if the Mustangs were a change, the Mustangs defeated Munday by a score of 13-7. Here is the game at a glance:

6TH AND 7TH GRADES

For the past four weeks the sixth and seventh grades have been practicing manuscript. As a culminating activity, each pupil is preparing a poster. Some of those already completed show gratifying progress.

Get Ahead of Old Man Winter

Your plumbing and heating equipment check-up to correct any defects which might cause inconvenience in the first severe cold spell. Modern equipment, properly installed to function in all kinds of weather, is a requisite in the up-to-date home.

We suggest that you inspect your bathroom, kitchen and hot water systems now, against possible trouble. If you desire a competent workman from our staff will assist you without charge to furnish information regarding needed repairs or new installations. We carry a complete line of modern plumbing and heating fixtures, and have a well-trained staff of men that guarantee to give you satisfaction on every repair or installation job.

Jones & Son
 "The Place for Everything"

Hunter, Charlotte Harris, Frances Free, and Imogene. Guess. A Christmas poster has been completed by Verna Lee Matthews. Dr. Collins, head of the Education Department of Hardin-Simmons, honored the class by asking that he might have samples from the group of posters to show his classes. As soon as all posters are in, the best one shall be selected for this purpose.

Whooping cough seems to be a very popular thing around Mattson now. Genetha Wheatley and Giles Lancaster are absent from our room, reported at home entertaining (or being entertained by) that malady.

EAVESDROPPIN' SUE

We wonder what girls around Mattson liked the boys in "green" Sunday? (Could it be some of our ex-seniors?)

Why is the song "Arkansas Traveler" becoming so popular? Which one of our football boys noticed the Munday pep squad leaders more than they did the game?

Some of our Freshmen seem to have caught them a "fellow" Friday, to hear them talk.

Edd, how did you like assembly Wednesday. Henrietta, do you like to sit by a certain boy on the bus?

We wonder if Miss Crume will receive a radio for Christmas? Our pep squad girls are really learning how to truck.

Thelma, how was Rule? (Was it the boys or Rule you were most interested in?)

Thomas do you really like tomato juice? Burl is becoming quite a "football hero".

GLIMPSSES OF OUR BUS DRIVERS

- Name—Lawrence Mapes.

P. T. A. MEETS

The Mattson Parent-Teachers Association met Monday, November 14, with twenty-four members present. Quite a lot of business was attended to, and several reports were made. The following program was presented under the direction of Mrs. Martin Ruffner: Scripture Reading; Director; Song "Higher Ground"; Puppet Play, 4th and 5th grades; Address, "The American School", Dr. Richardson of Hardin-Simmons University.

SOPHOMORE TID-BITS

Betty wanted a certain boy to know about the party.—Wanda wants to know what a certain boy made in English.—Margaret can wink rather well.—Gerry was lonesome this week end. (Wonder why)—Dana certainly is popular with a certain boy lately.—Leon likes to be an escort at times.—Raymond Stewart is a good football player with the right audience.—Rebus certainly is a bother. (I mean to his sister)—Boyce just doesn't like for people to read to him.—Ben likes Haskell. (We

understand).—Virgil can see people when they aren't there.—Chesler can hardly do without playing football.—Faye has pretty hair lately.—Leona likes to be called "Pinkey"—G. W. is bashful and can't help it.—Milbert certainly is popular. (Well, naturally he would be).

DOTTY AND DAFFY

Mama Phyllis's family increases from one set of twins to another set to the consternation of the servants in the Traversers family, so you will see at the Senior play on the evening of December 2.

Honest, folks, we aren't kidding. You will miss the treat of the school year if you fail to see this side-splitting farce. Every character is interesting and each Senior just suits the part he is to play. You'll sit on the edge of the seat if you are in the auditorium Friday night, December 2!

DRAMATIC CLUB MEETS

The Dramatic Club met at 8:45 Monday morning November 7. The president called the meeting to order and the minutes were read. The president called for the report of the Executive Committee and the report was given.

The president then asked for name suggestions of our club and told the members to give their suggestions to the secretary before Thursday.

The meeting was adjourned at 9 o'clock.

PEP RALLY

Thursday night, Nov. 10, the students and a number of teachers and patrons met at the school house for a pep rally.

Mr. Watson talked to us, and then Mr. Cooey told us how football was beneficial to the boys. Then all of the men present talked to us about the Munday game.

The pep squad gave some yells, and at the end of the rally they put the field stunt on in the gymnasium that they did at Munday Friday.

CARD OF THANKS

We take this opportunity of expressing our appreciation to each one of our friends, neighbors and relatives who were so kind and thoughtful of us to come and help in rebuilding our barn and sheds which were destroyed by the storm. If misfortune should ever come your way may you be over-taken with such kindness. May the dear Lord bless each one who lent a helping hand.—Mr. and Mrs. Paul Jossett and family.

Miss Marjorie Whitaker of Big Springs spent the week end with her parents, Mr. and Mrs. B. M. Whiteker.

SHERIFF'S SALE

THE STATE OF TEXAS
 County of Haskell.

NOTICE IS HEREBY GIVEN That by virtue of a certain Execution issued out of the Honorable District Court of Lubbock County, on the 2nd day of November 1938, by U. Brown, Clerk of said Court for the sum of \$2227.50, with interest thereon from the 5th day of October, 1936 at 10 per cent per annum, and the further sum of \$222.75 with interest thereon from the 5th day of October, 1936, at 6 per cent per annum and costs of suit, under a Judgment, in favor of S. W. Hughes in a certain cause in said Court, No. 5877 and styled E. C. Brand, Banking Commissioner of Texas, vs. W. B. Tayman, placed in my hands for service, I, Giles Kemp as Sheriff of Haskell County, Texas, did, on the 5th day of November 1938, levy on certain Real Estate situated in Haskell County, Texas, described as follows, to-wit:

300 acres of land out of and part of Archibald Richie Survey No. 119 abstract No. 353 patented Archibald Richie Sept. 25, 1857, by Pat. No. 791, Vol. 12, situated about 3 miles north of the City of Haskell and most generally known as the W. B. Tayman Farm, and being same land fully described in a deed from O. Albright to O. P. Harlan and W. B. Tayman recorded in Vol. 105, pg. 445, of the deed of Records of Haskell County Texas, which deed and record thereof are here referred to and made part hereof for further description of said land.

And levied upon as the property of W. B. Tayman and that on the first Tuesday in December 1938, the same being the 6th day of said month, at the Court House door of Haskell County, in the City of Haskell, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said Execution I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said W. B. Tayman.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Haskell Free Press, a newspaper published in Haskell County.

Witness my hand, this 5th day of November 1938.

Texas Colleges to Get Improvements With PWA Grant

Thirteen PWA projects with an estimated cost of \$2,372,961 will be built by ten Texas colleges and universities under the new 1938 Public Works Administration program, George M. Bull, Regional Director, said today.

The Texas college projects are included in a list of more than 180 such projects which will be built with PWA financial aid under the new program at 95 institutions of higher learning in 35 states, Hawaii and Alaska.

The total estimated cost of the more than 245 buildings which will comprise the PWA's college program is approximately \$68,000,000. PWA's share in the cost of these projects, according to Administrator Harold L. Ickes, will be more than \$30,000,000 in grants and \$7,000,000 in loans.

In line with President Roosevelt's effort to increase America's school facilities to afford greater opportunities for education, approximately 44 percent of all approved 1938 non-federal PWA projects have been for educational buildings. They range from small, consolidated district schools replacing "the little red school house" to large college and university buildings. The latter represent about one-seventh of the PWA school construction program.

Actual construction is underway on many of the college and university projects and a substantial majority of the buildings will be completed in time for the beginning of classroom work for thousands of college students a year from now.

The college program calls for every type of building—dormitories, classrooms and halls for studies in engineering, chemistry, home economics, science, the arts, and physical education. In addition number of libraries, student union and faculty buildings, hospital, heating plants and other facilities will be constructed.

The release of nearly \$68,000,000 worth of college and university construction to industry and the building trades will have its share in putting men and machines back to work. Equally as important is the expansion made possible for schools of higher learning from the largest institutions to small colleges in rural and suburban areas in that heretofore have been financially unable to match the growth in student population with necessary classroom space and equipment.

The PWA college construction program this year has been a continuation of that of former PWA programs from 1933 to 1937. During this time PWA allotments

were made for 385 projects at 233 colleges and universities, calling for the construction of 493 buildings at a cost of \$103,940,410. Thus to date the cost of 735 college buildings is more than \$170,000,000.

In the Fifth PWA Region, which includes the states of Arkansas, Colorado, Louisiana, Kansas, New Mexico, Oklahoma, and Texas, 49 college projects will be built under the new PWA program. The estimated cost of these buildings is \$19,142,959, more than a fourth of the amount which will be spent in this year's PWA college program in the United States.

 "The Store That Keeps Quality Up and Prices Down"

4 Points to Consider When Buying a Range

1. Cooking-Baking Ability
2. Operating Cost
3. Convenience
4. Dependability

1. COOKING AND BAKING ABILITY—No other range, regardless of the fuel used, will beat today's Perfection with the fast, clean High-Power burners, so far as quick, intense cooking heat and instant control for any degree of heat are concerned.

For satisfactory baking results there must be a vented oven and a great volume of moving heated air. That's why most Perfection users are famous for their fine bakery. It's the "Live-Heat" principle of the Perfection oven that does it.

2. OPERATING COST—Kerosene is the low-cost modern fuel. Cooking and baking with a modern Perfection oil stove is economical. Ask people who have learned from experience. And be sure to get the facts about today's High-Power burners.

3. CONVENIENCE—Kerosene is the easy-to-get low-cost fuel. There's no installation problem, and a Perfection is easily moved wherever you wish to use it. A convenience feature of the beautiful porcelain enameled Perfection Range shown above, highly appreciated by homemakers who really USE their ranges, is the elbow-high oven, eliminating stooping and heavy lifting.

4. DEPENDABILITY—Need we say anything about the dependability of Perfection stoves? We think not. Just ask friends who have used theirs for a quarter of a century or longer.

Come in and see the latest Perfections, stoves with one to five burners and several styles of complete ranges. Easy terms, and liberal trade-in allowance for your old stove.

Birth of the Red Cross

This month the annual roll call of the Red Cross is taking place, and the public is again reminded of the untiring zeal and effectiveness of this indispensable organization in the service of humanity.

In contemplating the devotion of this now world-wide agency of mercy, it is not amiss to give a thought to that kindly soul who was its founder, Henri Dunant, a Franco-Swiss business man, born in Geneva in 1828.

Witnessing the sufferings of the wounded after the battle of Solferino, Italy, in 1859, he organized a volunteer nursing service for their relief. For three years thereafter he lectured and wrote of the horrors he had witnessed, traveling about Europe making his plea for an organization to meet such emergencies. Officials of influence were interested and an international conference was called at Geneva in 1863, with 36 delegates representing 14 nations and six charitable organizations present. Thus the Red Cross was born.

Henri Dunant lived to the age of 82, by which time he had seen the great organization of which he was the father spread to every civilized nation. Perhaps no man who ever lived contributed more to the cause of humanity than he, and millions yet unborn will be beneficiaries of the noble movement of which his great, sympathetic heart was the inspiration.

New Paper Industry

Continued efforts to develop the paper-making industry in the United States are going forward with excellent prospects of success, according to recent reports from Savannah, Ga., where the late Dr. Charles H. Herty made his epochal and successful experiments with Southern wood pulp.

It is well known that most of the newsprint paper used by newspapers of the United States is either manufactured in Canada, or from wood pulp imported from that country. Besides these enormous imports, about 1,500,000 tons of pulp for other paper products are imported annually.

Now it is proposed to provide for the safe investment of \$100,000,000 of capital for 20 or 30 new paper mills, to employ about 10,000 persons, and use around 2,000,000 cords of Southern woods, such as black gum, sweet gum and slash pine, which prior to Dr. Herty's researches were considered practically valueless.

Already the paper-making industry in the

South has assumed considerable importance, which it is expected will be greatly extended through the ambitious program just proposed. If it can be carried to a successful conclusion, this program will be immensely beneficial, not only to the South, but to the entire nation.

Hints For Hunters

Each hunting season takes its toll of human deaths and injuries, most of which could be prevented by observing a few simple, common sense rules, among which may be mentioned the following:

1. Do not load your gun until you reach your hunting grounds.
2. Always unload before climbing a fence and never lean a loaded gun against anything.
3. Never carry your gun with the safety catch off.
4. Never put your hand on the muzzle of your gun.
5. Never rest the muzzle on the ground.
6. Never jump a ditch with a loaded gun.
7. Do not load your gun in the house.
8. Do not carry a loaded gun in an automobile or on a horse.
9. Unload your gun before entering a boat and never load in a moving boat.
10. Never point a gun at anybody.
11. Never point your gun at any object unless you intend to shoot.
12. Never shoot at a question mark—it might be a man or woman.

The reasons for these precautions are so obvious that it is strange that anyone should disregard them. Yet many do, often with disastrous results.

Jefferson, Inventor

Thomas Jefferson is known to fame as the author of the Declaration of Independence, as the third President of the United States, and for many other activities and accomplishments, but it is less known that he displayed considerable talent as an inventor.

He designed his home, Monticello, now a national shrine and in its construction introduced several innovations, including beds which were contained in recesses in the walls and suspended from the ceiling at night in lieu of bedsteads. Into the outer wall of the east portico he built a great clock with two faces, and two sets of hands, one face being seen from the outside and the other from inside the reception hall.

One of the inventions now in universal use in offices was the swivel chair, which his political opponents called "Jefferson's whirlingig," saying it was devised so he could look in all directions at once.

Other inventions included a copying press, a pedometer, and a walking stick described as "composed of three sticks, which being spread out made a tolerable seat," also an improved plow for which he received many premiums, including a gold medal when it was exhibited in France in 1790.

Jefferson spent considerable time in his workshop, where he found relaxation from the cares of public life, experimenting on all manner of gadgets suggested by his active mind.

Several boy students in a Cicero, Ill. high school have asked permission to take the home economics course, giving various reasons for their sudden interest in things culinary. School authorities suspect the principal reason is the unusual attractiveness of Miss Vega Norby, the home economics teacher.

1938 RED CROSS POSTER

The appealing figure of the Red Cross nurse presents a plea for your annual membership in the Red Cross during the annual Roll

Call, which began on Armistice Day and will end Thanksgiving Day. This is the official 1938 poster of the Red Cross, and appears in the form of a window card.

Haskell County History

As Revealed by the Files of the Free Press 20, 30 and 40 years ago.

20 Years Ago—Nov. 16, 1918
Mr. and Mrs. W. E. Welsh, who live about three miles northwest of town, have received word that their eldest son, Hugh C. Welsh, has been promoted to the rank of second lieutenant.

C. B. Long of this city has entered the officers training camp at Camp McArthur.

The Haskell High School football team defeated the Merkel team last Friday, by a score of 13 to 7. Clinton Johnson, one of our sailor boys who is stationed at

Plymouth, Mass., is at home on a furlough this week. His wife, who is teaching in the Crowell public schools, is here on a visit.

The government cotton report issued Oct. 15 shows that 215 bales of cotton had been ginned in Haskell county to that date, compared with 6,536 bales to the same date in 1917.

H. D. Rich of Weinert left Monday with a car of cattle for the Fort Worth market.

Rev. Ed. R. Wallace and wife left Wednesday morning for Quanah where he will serve the Methodist congregation as pastor.

A labor enrolling board has been appointed for Haskell county consisting of Emory Menefee, chairman, W. H. Littlefield, Jas. E. Lindsey, W. B. Lee, T. E. Robbins, Alvy R. Couch.

Symphony Club has been busy preparing the program for the Liberty Sing which will be held at the Methodist Church on Thanksgiving Day at 4 o'clock in the afternoon.

The oil well north of Munday on the McGraw place is down something like 1,000 feet, and excitement over the test is growing as lease prices advance. Operators drilling the well express confidence that oil will be found.

30 Years Ago—Nov. 14, 1908
A large party of Throckmorton county farmers sold to Alexander Mercantile Company last Tuesday, 34 bales of cotton. Haskell merchants are getting a good trade from Throckmorton, and local cotton buyers are furnishing a market for that county's farm products.

A trainload of 40 cars containing farm implements and equipment passed through Haskell this week consigned to Penick-Hughes Co. at Stamford, shipped from Canton, O.

T. N. Young, L. L. Harris and S. C. Hawes, trustees of Lone Star school district, were in that city Thursday looking after the matter of issuing bonds to build a schoolhouse. They issued bonds for \$1,000 but think it will take only \$900 to build the house.

McNeill & Smith Hardware Co. received two carloads of farm implements this week.

Virgil Hudson shipped three cars of cattle to Fort Worth the early part of the week.

A party of young people enjoyed a possum hunt on Mule Creek Monday night.

J. A. Price of the northeast side was in town Wednesday and stated that his gin turned out about 200 bales of cotton and would be able to do all the ginning in that community this season.

The cotton crop is short over most of Haskell county. In some places the frost checked the growth in September and in October it killed the cotton and very little of it will open.

Mr. Will Lowry is making some

very extensive improvements on his property one mile northwest of the courthouse. He has some very valuable property and when the improvements are finished, will have one of the most beautiful homes in the city.

40 Years Ago—Nov. 19, 1898
T. G. Carney is adding some substantial improvements to his residence.

Mr. and Mrs. A. H. Tandy left Thursday, Mrs. Tandy going to visit in Fort Worth and Mr. Tandy to his ranch in the Indian Territory.

Messrs. R. B. Fields and W. T. McDaniel left this week with a lot of mules which they intend taking into Louisiana for sale.

Capt. B. H. Dodson left Wednesday for the eastern portion of the state and Arkansas.

Mrs. S. L. Robertson and Misses Laura Garren and Robt. Lindsey, accompanied by Mrs. Emmett Robertson, went to Abilene Thursday for a visit of a few days.

Judge Hammer failed to go to Throckmorton county this week to hold the regular term of district court and the local bar elected B. F. Reynolds, Esq., as special judge.

S. L. Roberson is receiving a full line of dry goods this week, including a nice line of ladies dress goods and trimmings, flannels, outtings, percales, waterproofs, etc.

All the county officers have given bond and qualified, but Mr. Collins can not take charge of his office until notified of the approval of his collector's bond by the state comptroller.

SHERIFF'S SALE

THE STATE OF TEXAS, County of Haskell.

NOTICE IS HEREBY GIVEN That by virtue of a certain Execution issued out of the Honorable Justice Court of Precinct No. 1 of Haskell County, on the 20th day of October 1938, by E. T. Clift, Judge of said Court for the sum of Two Hundred Seven and 90-100 Dollars and costs of suit, under a Judgment, in favor of Bradford Finance Co., A. A. Bradford, owner vs. Fay Anders, placed in my hands for service, I, Giles Kemp as Sheriff of Haskell County, Texas, did, on the 22nd day of October, 1938, levy on certain Real Estate, situated in Haskell County, Texas, described as follows, to-wit:

Lots 1, 2, 3, 4, 6, 8, 9, 10, 11, 12 of the Highland Addition to the City of Haskell, County of Haskell, State of Texas.

And levied upon as the property of Fay Anders and that on the first Tuesday in December 1938, the same being the 6th day of said month, at the Court House door of Haskell County, in the City of Haskell, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said execution I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Fay Anders.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Haskell Free Press, a newspaper published in Haskell County.

Witness my hand, this 27th day of October 1938.

GILES KEMP, Sheriff Haskell County, Texas. By Mrs. Pauline Kieke, Deputy. 3tc

Rex Felker of Abilene spent the week end with relatives in Haskell.

Still Coughing?
No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germladen phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

Football

(Continued From Page One)

In the line for Haskell J. C. Scott, left guard and Jack Simmons right guard, played beautiful games on defense and offense. Fred Barnett, husky 180 pound tackle, also looked good, particularly on the defense.

Left End Roberts of the Lions kept Haskell fans jittery by his pass snatching.

In the fourth quarter Nixon hurled a 24 yard pass to Harmond who stampered down the sideline 21 yards more for what seemed a touchdown but officials ruled he stepped out of bounds.

Haskell drove to the 16 and 11 yard lines in the fourth. Two field goals were tried by Rogers from these points but neither paid off.

Lineups: Haskell—Bob Cousins and Q. Bailey, ends, Milton Wilfong and Fred Barnett, tackles, J. C. Scott and J. Simmons, guards, C. Ballard, center, O. Henshaw, quarter; Sam Henshaw and Wayne Laird, halves and Gene Rogers full.

Albany—Williams and Roberts, ends, Palmer and Stewart, tackles,

Gregory and Captain Taylor, guards, Day and Fade, halves and Hammonds full.

Substitutes: Haskell — Marvin Huff, end, Z. Thomason, back, Chester Via, tackle, Albany — Whartley, back, Davis, tackle, Dilward, back, Freeman, back, Stewart, tackle, Ellick, back, Lewis tackle, Tackett, guard.

Summary—First downs, Haskell 6, Albany 9; Yards gained rushing, Haskell 101, Albany 94; Penalties, Haskell 11 for 105 yards; Albany 6 for 55 yards; Passes completed, Haskell 2 for 12 yards, Albany 4 for 81 yards. Incomplete-ed passes, Haskell 4, Albany 12; Punt average Haskell 36 yards, Albany 37 yards.

Officials—Forrester (ACC) umpire; Christian (A&M) referee; Pratt (McM) head linesman.

Henry Atkelson returned Tuesday from New Mexico where he had been deer hunting.

Col. S. P. Freyren and John P. Payne attended the First Officer's Annual Reunion held in Dallas this past week end.

Woodrow Perrin and Jack Harris, students in Tech at Lubbock, spent the week end in Haskell.

"SAW-TOOTH" TREAD
The tread of the new Seiberling Safety Tire has thousands of "Saw-Tooth" claws which grab the pavement from every angle when you apply your brakes... stop you right now and straight in your tracks!

HEAT VENTED
All tires generate heat, but which is the cause of most blowouts. The new Seiberling Safety Tire gets rid of this dangerous heat through a series of patented "Vents" which reach down through the shoulder to the vulnerable "hot spot" of the tire. Equal air dispersion heat... keeps the tire cool... prevents over-heating. The other tire in the world has this Safety feature.

"SAP-FLEX" CORD
The "Heat Proof" body of the new Seiberling Safety Tire is made of the newly developed "Sap-Flex" cord... the identical cord as that used in Seiberling Tread Tires. This cord is 30% stronger than cords previously used and makes the tire with added tortile-punctum and the best of high speed driving. A Safety feature of great importance.
