THE CUSTARD PIE QUESTION

A COOKING school demonstration wouldn't be a cooking school demonstration if some one in the audience didn't ask the perennial custard pie question, "How can I keep the crust on my custard pie from getting soggy?" Doesn't that sound familiar to you? It may be you've even asked that very question yourself sometime. At any rate you've encountered the pie in question with a soggy mass of crust in the center of the filling instead of under the filling where it belonged.

The trouble is, of course, that pastry demands a hotter oven than custard. Too much heat, in fact, is fatal to a custard—it weeps watery tears, it curdles and almost dissolves itself in its tears. And if there is anything worse than a soggy pastry in the center of the custard filling—it's a watery custard filling.

For a long time we've been consulting custard pie makers to—
1. Make the crust ahead of time and leave it in the refrigerator for several hours to dry out.
2. To brush the crust with egg white shortly before putting in the custard. The egg forms a coating over the pastry so that the liquid won't soak into it immediately.
3. To put the pie into a very hot oven to prevent its becoming soggy. The hot oven will set the crust very quickly before it has a chance to become soaked or soggy.

4. To bake the custard pie very low in the oven, so that the crust will get a flash heat from the burner at the bottom of the oven. It's advisable to bake the crust very quickly so that it will become nicely browned underneath and will expand into flaky layers. Then when the pie is eaten, there will be a well baked crust under the creamy custard.

A great number of tests proved to us that we could bake the custard filling at a high temperature, 425 to 450° F., for fifteen minutes or more without ruining it. When the crust is set, of course, the temperature must be lowered to a slow moderate heat, 325° F. for the remaining baking time.

It's highly important, however, that we do not bake the custard too long—for then it begins to weep and disintegrate. We found we should take the pie from the oven when most of the custard was set, even though the center seemed a bit soft.

If you have any specific cooking problems, send a letter requesting information to Betty Crocker in care of this newspaper. You will receive a prompt, personal reply. Please enclose 3 cent stamp to cover postage.

Mrs. Bert Welsh Hostess To Bridge Club Tuesday

Carrying out the theme of election day, Mrs. Bert Welsh was hostess to her bridge club Tuesday afternoon. Tallies and score cards with printed donkeys and elephants, and nature animals as plate favors carried out the idea of election day. Huge yellow and white chrysanthemums decorated her home. Mrs. Clay Smith won high score prize and Mrs. T. W. Williams and Mrs. Jack Mickle ran high for vases of snap-dragons. Those present were: Mmes. Walter Murchison, Ben Charlie Chapman, Clay Smith, Ralph Duncan, T. W. Williams, Jack Mickle, French Robertson and Ernest Kimbrough.

Harmony Club Meets On Wednesday Afternoon

The Harmony Club met Wednesday afternoon at three o'clock with the president, Mrs. Carl Power presiding. Since this was a church practice meeting, Mrs. Bert Welsh directed the work on the annual Christmas cantata. This year "The Festival of the Nativity" will be presented. Mmes. Carl Power, T. C. Cahill and Tommye Hawkins gave an interesting report on the First District meeting held in Mineral Wells which they attended.

Mr. and Mrs. Carl Arbuckle Entertain Supper Club

Mr. and Mrs. Carl Arbuckle entertained their supper club and guests Tuesday evening. After a three-course supper served at the drug store, the guests went to the Arbuckle home for games of bridge. Yellow and orchid chrysanthemums were used as house decorations. In games of bridge, prizes were given to Mr. and Mrs. Rogers Gilstrap and Dr. and Mrs. T. W. Williams. Guests and members present were: Messrs. and Mmes. Rogers Gilstrap, Wallace Ruff, J. E. Walling Jr., Bob Herren, Carl Power, Hut Pittman, Dr. and Mrs. T. W. Williams.

Mrs. John Couch Is Hostess For Magazine Club Meeting

The Magazine Club met Friday afternoon, Nov. 4 in its regular meeting. The hostess for the day, Mrs. John Couch had the club room comfortable and attractive. Methodist Missionary Society Meets In All Day Service

On Monday, Nov. 7 at 10 a. m. the women of the W. M. S. met for our annual "Day of Prayer." Despite the very inclement weather, eighteen women were present.

The rendering of a program of organ music by Mrs. Patterson opened the service. A prayer recitation by Mrs. Persons followed the music. Mrs. Nina Cook favored the group by singing a solo. Mrs. Huckabee, director, next gave a scripture reading. This was followed by a silent prayer, concluded by the director.

Identification of a Japanese Christian (Kagawa) with the sufferers of China was read by Mrs. Mays.

"Our Attitude Towards Japan" was given by Mrs. Hudson Pittman. Song, "Oh! Zion Haste" was sung by all. "Our Status in China" was Mrs. Martin's subject. A program of prayer was directed by Mrs. F. T. Sanders. All bowed in silent prayer, concluded with prayer by Mrs. Gose.

"Sharing Pain With Another" was given by Mrs. Hugh Smith. The communion was next administered by the pastor Rev. Huckabee. This was a most impressive service, the women kneeling at the altar, where their offering was left.

Rev. Huckabee used as a solo number the song "Challenge." All joined in singing the chorus. Adjournment was called at 12 when all assembled in the dining room, when after Thanks had been spoken by Mrs. Gose all partook of a bountiful luncheon of sandwiches, salad, pie and coffee. The table was beautiful being centered the entire length with great clusters of white and yellow chrysanthemums in handsome silver bowls and vases. At 1 p. m. all again assembled in the auditorium for the afternoon session which was opened with another program of organ music by Mrs. Patterson. This was followed by all joining in the singing of "All Hail The Power of Jesus Name".

A responsive reading led by Mrs. Huckabee was next on the program. The subject of the afternoon program was "Enlarge Thy Tent." For the scripture lesson the director read Isaiah 54-2. The Missionary Society was compared to a tent, which must be held firmly by ropes of faithfulness, love, loyalty and charity. "The Kingdom Is Coming" was next sung. A description of the McDonnell French Mission located at Houma,

La. was given by Mrs. A. H. Wair.

Mrs. C. L. Lewis was next on the program with a dramatic reading. The title of this reading is "The Hem of His Garment", the author is Margaret Sangster. This reading as given by Mrs. Lewis was perfect in every detail and all felt indebted to the reader and appreciated her kindness in consenting to give this beautiful and inspiring number. Following this reading all assembled at the altar where a prayer of dismissal was given by Mrs. Huckabee.

The society felt honored at the presence of Mrs. Gose, one of our beloved past presidents.

The following ladies were present for this memorable occasion: Mesdames Huckabee, Patterson, F. T. Sanders, Mays, Persons, Martin, Montgomery, Darnell, B. Cox, Gose, Pittman, Wallace Cox, Graham, Breedlove, Hugh Smith, Harrison, Lewis and Wair.

Rev. Huckabee was a belated luncheon guest.

We meet on next Monday afternoon at 3 p. m. Be sure to be on hand.

Haskell Cemetery Association Meets In Jones, Cox Funeral Home

The Haskell Cemetery Association met November 8 in Jones, Cox Funeral Home. The date of our meeting has been changed to 3 o'clock every second Tuesday in each month. Every one interested notice the date and please meet with us. We need you to help carry on the work.

Again we want to thank every one who helped in any way, to

make our booth during the fair a success. We made \$130.20, expenses \$24.60, leaving \$105.60 clear. This sum will be used to help lay a new and larger water-pipeline to the cemetery, so that there will be plenty of water for all who wish to water either grass or flowers on their lots.

However, this will not be a sufficient amount to do the work. If anyone would like to donate any sum to help, we will greatly appreciate it and know you are interested as well as we are.

We give a great deal of time to this work because we love the work and want to keep respectable and to beautify the last resting place of our departed loved ones.

AGAIN NEW CAR

They're with us again—those shining new ones of the automotive engineer's ability to improve an already fine car. Each year, it seems, the mobile industry outdoes itself with increased speed, economy, efficiency; and the new 1939 models are no exception to the rule. We recommend the cars to your attention!

We also recommend that you shift the care of your new car to Humble's shoulders. Humble motor oils and lubricants are as modern as the engines; Humble technicians have already foresaw and provided for 1939's innovations.

So drive your new car to the Humble sign service. You'll find a station completely equipped and salesmen carefully trained to keep your running right and looking good. You'll find a friendly, Texas welcome waiting for you, a genuine interest in giving you service with a capital S.

OFFICERS OF HOME EC CLUB VISIT IN SPUR

Five officers of the Home Economics Club went to Spur Saturday to a meeting of the officers of Area 2.
When the girls arrived they registered and went in to be entertained with readings, talks etc. until about 11:00. Then officers were elected for this area. Some went to the park to a barbecued lunch and others went to town to eat. At 1:00 o'clock the teachers met, and the girls were left free to entertain themselves any way they wished.
At 2:00 o'clock they all met to continue their business meeting. After this, open house was held in the Home Economics cottage, but all did not attend this because they had come a long way and were eager to start home again.

Those attending this meeting were: president, Wanda Mapes; vice-president, Doris Robertson; treasurer, Betty Miles; secretary, Margaret Oldham; reporter, Verna Mildred Mapes, and Miss Grindstaff, our home economics teacher.

MUSTANG'S CORRAL

What about Matton Mustangs in the Class C conference? It seems the Mustangs are luckless

in the last three games. The boys have been unable to gain much headway but as the old saying, goes, "Where there's smoke there is fire" so we hope to do better in our next three games. The team has been handicapped by injuries in the early part of the season, but all of the squad is getting into pretty good shape.

On Friday evening, Nov. 11, the Mustangs go to Munday to play the Munday Moguls, which have not won a game this season, so Munday will be fighting for a win and the Mustangs will also be fighting for a victory. The Moguls are class B, while the Mustangs are class C, but that does not make any difference with the Mustangs. So we are asking all of our fans to go to Munday Friday afternoon and to boost the Mustangs on to victory.

On Thursday of last week Matton's second string football players went to Haskell to play the well known Papozes of Haskell High School.

The game was very thrilling all the way through. In the first quarter there was not much gain made by either team, but in the last minutes of the second, quarterback Chamberlain of Matton dropped a long pass into the waiting arms of left-end Massie who ran 30 yards for Matton's lone touchdown of the game. The game ended at the half Matton 6, Haskell 0.

In the third and final quarter not many attacks could be made by either team; but with only one minute left in the game Matton threw a long pass, but one of Haskell's players popped up from nowhere to intercept the pass and run about 45 yards for a touchdown. Trial for extra point failed. Only a few plays were made until the game ended Haskell 6, Matton 6.

Chevrolet Takes Big Strides Ahead for 1939

New Aero-stream styled bodies combine with major mechanical improvements to provide new beauty, safety, comfort and operating ease, in the 1939 Chevrolets, presented October 22, and featured at the big auto shows this month. The new models are offered on two chassis, the Master De Luxe and the Master 85, both of which are powered with Chevrolet's famous six-cylinder valve-in-head engine.

A new vacuum gear shift mechanism with steering column control, optional on all models at small extra cost, does 90 per cent of the work of shifting gears. The Master De Luxe series features a new riding system, in which a brand new Chevrolet Knee-Action mechanism is scientifically co-ordinated with new ride stabilizer and double-acting hydraulic shock absorbers to furnish a smooth, soft ride.

Central picture is the new Master De Luxe Sport Sedan. Upper right: front end view of the 1939 car; Upper left: Master De Luxe front suspension unit, complete; Lower left: accessibility and finger-tip ease of operation are two major features of Chevrolet's vacuum gear shift with steering column control; Lower right: As the handbrake on all models is re-located under the cowl, front compartment floor is cleared in cars with vacuum gear shift.

By T. C. RICHARDSON, Secretary Breeder-Feeder Association
Awhile back Walter Peterson of Justin, Texas, was asked by the local vocational teacher to tell the local F. F. A. class something about his experience. "Pete" has regularly topped the Christmas beef market in Fort Worth for a good many years, which is "going to town" in a big way. He and his brother raise Shorthorns and feed them out on their own oats, corn, sorghums, etc. and cottonseed meal for which they "swap" their own cottonseed.
These figures are quoted from memory and may not be exact, but are accurate enough for practical purposes. "Pete" read from his records without any oratorical frills, about as follows: For ten years he has fattened an average of seven-and-a-half calves per year, they weighed an average of 900 pounds, and sold for an average of ten cents, or \$90 a head. Prices in that ten years ranged from as low as six to as high as fourteen cents.
Several valuable points are implied if not expressed. First, Walter and his brother kept good cattle, raised good calves, and fattened some every year regardless of price. Second, fat cattle could always be sold for some price, carrying a great deal of grass and feed that either could not have been sold at all or would have sold cheaply at harvest time.

IN SYMPATHY

The student body and faculty wishes to express its deepest sorrows to the bereaved loved ones of our dear deceased friend Grand-mother Tanner.
Mrs. Tanner has been in our mid t a number of years and was loved by everyone.
School was closed Friday during the funeral and three bus loads of students attended it.

EAVESDROPPIN' SUE

It seems that Freida is proud of who she gets to play opposite in the Senior play.
Gerry, do you like to trade last compliments with a certain teacher?
It seems that quite a few of the high school girls can play T. Rah Rolley.
We wonder who Doris' letters are to?
We know that Ruth will do good as an old lady. (How about it, Ruth!).
We wonder if Louise and Jessie Kate will make good maids? (We are sure that Kate will, with the boy she plays opposite).
We see nearly all of the Seniors are really proud of the part each one plays in their Senior play.
We know that Loudell can read "Charleston."

Armistice Day

November 11th

November 11th, 1918. The Marne, Ypres, Loos, Arras, Somme, Chateau Thierry, Verdun, Argonne, Belleau Wood . . . all those famous, bloody battles were history, and the men who fought them, living and dead, became an immortal memory. The monstrous armies were slowly sent home to begin the fight of peace. Let's honor those men who fought for a cause and, at the same time, use the memory of those terrible years as an object lesson of the blessings of peace.

Special Armistice Service Sunday at Methodist Church

An Armistice service is to be held next Sunday at 7 p. m. at the Methodist church. This is to be a Christian patriotic meeting. All ex-servicemen and their families are invited to be guests of honor. Four Stamford High School students, some of them football players, are to be on the program. Cecil Gray and Truett Smith are to play some patriotic airs on the accordion and flute. Howard Ashmore and O. G. Gainer are to sing "My Buddy". A "sing song" of war time songs will be led by a men's choir. Stanley Smith is to give a patriotic reading he used very effectively in declamation contests last spring. To hear the above attractive features you will have to be at the church by seven o'clock.

The Menefee class is to furnish flowers and flag decorations. The publicity and invitation committee consists of John Willoughby, Kenneth Thornton and Matt Graham. The men's choir committee is A. M. Williamson, A. M. Turner, Dave Persons and J. C. Davis.

This is to be the last Sunday of the conference year. Children are to be christened at 11:00 a. m. and members received at the close of the service. The pastor hopes to have good attendance at all services on this last Sunday.

Mr. and Mrs. Carl Power Entertain Bridge Club

Using autumn leaves in bright colors and chrysanthemums for house decorations, Mr. and Mrs. Carl Power entertained their bridge club and guests Wednesday night. Guest list for the occasion included: Messrs. and Mmes. Bob Herren, Carl Arbuckle, Leon Pearson, Wallace Ruff, Hut Pitman, W. N. Herndon, Virgil Hudson, Rogers Gilstrap, Mrs. T. C. Cahill and Bill Holden. At the conclusion of the games of bridge, Mrs. Herndon and Carl Arbuckle were winners of high score prizes.

"One Thing Accomplished This Year Subject at Mattson H. D. Club Meeting

"Learning to grease only the bottom of cake pans has been one of the things I have accomplished in this year's club work," Mrs. E. C. Watson told the women of the Mattson Home Demonstration club at their meeting in the Home Economics cottage Thursday, Oct. 27th.

Many ideas were presented during the discussion on "One Thing Accomplished This Year", as refraining from beating cake after flour has been added, correct oven temperature for different types of baking, cake and icing combinations, while others named various phases of the fair as their most accomplished work.

Plans were completed for Achievement Day November 10th. It will be in the form of a covered dish luncheon in the home of our home food supply demonstrator, Mrs. O. M. Matthews and Miss Vaughan will meet with us. For the social hour appropriate games for Halloween were conducted by our recreation leader, Mrs. Jim Stanford, ably assisted by Mrs. E. C. Watson.

Those present were: Mesdames

Mrs. John Couch Hostess to Helen Bagby Circle

Mrs. John Couch was hostess to the Helen Bagby Circle of the Baptist W. M. U. Monday afternoon at 4 o'clock in a Bible study. With Mrs. Reynolds at the piano we sang "Have Thine Own Way Dear Lord". Mrs. Taylor gave the devotional from Psalms 37th chapter, verses 7-16-25 and 34, followed with prayer by Mrs. Paxton.

A short business session followed, Mrs. Simmons giving a good report on our last meeting. Mrs. Littlefield gave a beautiful solo, "When They Ring Those Golden Bells for You and Me."

Mrs. Reynolds in her sweet and impressive way gave our Bible lesson from Luke 12th chapter, 13, 19, and 20th verses. This was a very beautiful lesson indeed on Christ's preaching to his disciples to beware of covetousness and of worldly carefulness. God said unto them, "Thou fool, this might thy soul is required of thee. Then whose shall those things be, which thou hast provided? So is he that layeth up treasures for himself, and is not rich towards God."

After this beautiful and impressive lesson we sang "Must Jesus Bear The Cross Alone" and eleven members were dismissed with prayer by Mrs. Walton. Mrs. Couch invited us to stay for a social hour and served hot chocolate and spice cake to the following ladies: Mesdames Reynolds, Littlefield, Sides, Diggs, Paxton, Simmons, Bailey, Ellis, Walton, Couch and Taylor.

4 Points to Consider When Buying a Range

- 1. Cooking-Baking Ability**
- 2. Operating Cost**
- 3. Convenience**
- 4. Dependability**

SAVE WITH KEROSENE
ECONOMICAL MODERN

1. COOKING AND BAKING ABILITY—No other range, regardless of the fuel used, will beat today's Perfection with the fast, clean High-Power burners, so far as quick, intense cooking heat and instant control for any degree of heat are concerned.
For satisfactory baking results there must be a vented oven and a great volume of moving heated air. That's why most Perfection users are famous for their fine bakery. It's the "Live-Heat" principle of the Perfection oven that does it.

2. OPERATING COST—Kerosene is the low-cost modern fuel. Cooking and baking with a modern Perfection oil stove is economical. Ask people who have learned from experience. And be sure to get the facts about today's High-Power burners.

3. CONVENIENCE—Kerosene is easy-to-get low-cost fuel. There's installation problem, and a Perfect is easily moved wherever you to use it. A convenience feature the beautiful porcelain enamel Perfection Range shown above, highly appreciated by homemakers really USE their ranges, is the built high oven, eliminating stooping heavy lifting.

4. DEPENDABILITY—Need you anything about the dependability Perfection stoves? We think not. Ask friends who have used theirs a quarter of a century or longer. Come in and see the latest Perfect moves with one to five burners, special styles of complete ranges, ovens, and liberal trade-in allowance for your old stove.
