

THE KNOX COUNTY HERALD

VOLUME 61 THE KNOX COUNTY HERALD, KNOX CITY, TEXAS 79529, THURSDAY, MARCH 3, 1966 TEN CENTS PER COPY NUMBER 15

Rev. Johnny Smith accompanied us to Fort Worth last week and while we were there we went by for a short visit with our friend Judge O. H. Allred, who is head of the Securities and Exchange Commission for Texas and four other states. Johnny was just as impressed as we, and we had a most enjoyable time.

We are looking forward to our next meeting with the colorful judge, and are looking forward to having lunch with him on our next Fort Worth visit.

We were also very much impressed with an individual last week when we visited an editor in another town and during our visit a lady came in his office and said she was a candidate for the school board and asked him to help her with her formal announcement.

We couldn't help but take a few notes as she talked and although we think her a very big asset to any board we had to agree with the editor that her honest opinion and views would not get her elected.

Here are a few of her comments: "I am for school improvement in every way... I can't understand why we have so many board members who don't attend meetings regularly... Since I have planned to be a candidate, I have read and studied everything available as well as asked people in the know on such things... I am 100 per cent for controlled conduct of school—teachers as well as kids—and I think teachers should be living examples."

I am against hiring teachers without first interviewing them, and against the board not showing a regular audit."

The new candidate said this was her first attempt at public office and since she had some definite views and opinions on what her school system needed, she was afraid by modern standards, she would not be elected. She had also been warned that her views could possibly hurt her child who is attending the school she is a candidate for. "I refuse to accept this warning," she said, "for if something like this could happen in America, we might as well give up now," she told the editor.

Her determination to run was based on some of the obvious deficiencies of her present board: "There are too many issues that take place the board does not know about and sometimes when they do find out the people never do."

"The Superintendent does too many things the board does not know about; I would like to see good harmony between the board, teachers, students and parents—at the present time we do not, and a PTA is out of the question; "Although citizens make up the money to air condition the school, it has never been allowed, although the superintendent's office was refrigerated air conditioned at school expense and I discovered through WTU that it costs more to operate this unit than it would the evaporative units we wanted to buy."

"People in our district do not have any idea when the school board meets and I have tried unsuccessfully to find out on numerous occasions."

She said she thought the people should be allowed to attend meetings and that regular meetings should be observed.

"I am definitely against hiring or allowing drunken bus drivers regardless of their need for employment, for the safety and well-being of our children comes first with me," she concluded.

Wish we could think of something appropriate to say in the peoples' defense, but this is America and good or bad we have no one to blame but ourselves. Best of luck Mrs. Trustee and if you don't make it, heaven help your school!

At least one of our new candidates to the school board has expressed a desire to fill his office with the same type dignity and business-sense as the lady from out of town.

We are definitely in favor of seeing our government run and operated for and by the people—and here at home is a good place to start this king, new-fangled" you agree? If so, let for it!

WINNING SCOUTS — Winners of the essay contest are left to right Dean Bouldin, 10, son of Mr. and Mrs. Clyde Bouldin; Noel Hamilton, 8, son of Mr. and Mrs. Jack Hamilton; and Ray Hester, 9, son of Mr. and Mrs. William Hester.

Large Crowd Attends Chamber Of Commerce's First Banquet Here

To the slogan "Harness Up and Help Us in the Big Country," Knox City held its first Chamber of Commerce Banquet here last Thursday night with a crowd of approximately 200 people attending.

The banquet hall was decorated in a patriotic motif, and a beautiful arrangement of red and white carnations added beauty to the head table.

Senator Jack Highmeyer of Vernon, speaker for the occasion, stressed the importance of working with what we have in our community-rich fertile land. "We must accentuate the positive," he said. "We do not have much industry, but we do have this good land, and we will still have the same amount 100 or even more years from now."

He pointed out that there has always been the idea that we "have gone about as far as we can go," but this has always proved erroneous. He told the crowd, "If we harness up there is a great future left, and those who are content with what we have will be left behind."

Succeeding Bob Harrison as president of the Chamber of Commerce, is Joe Cartmill, manager of Perry Bros. Variety Store.

Other officers are Harrison as vice president and Mrs. Kenneth Crownover as secretary.

Also recognized were the directors, including Zane Branham, Bud Carver, Paul Clayton, Doyle Graham, Charles Lankford, Monty Penman, Hob Smith and Z. I. Smith.

Jeff Graham was master of ceremonies and the Rev. David Downing, pastor of the First Christian Church, gave the invocation.

Bruce B. Campbell Jr., introduced the speaker. Cartmill, expressed his appreciation to the citizens of the town for being "the most hospitable, aggressive and enthusiastic people" he had ever known, and urged everyone to help the community in its efforts to "pull together."

Mrs. Roger Williams served as chairman of the banquet committee. Members of the Knox City High School Band were honored last Saturday night in the school cafeteria with an informal banquet, using a western theme throughout.

Invocation was given by Pat Shannon and Mike Glenn, president of the band, acted as master of ceremonies. Entertainment was furnished by a vocal group, the "Yeomen" from Abilene.

Pat Shannon, son of Mr. and Mrs. Fuller Shannon, received the band's annual award as the most outstanding band member. Mike Glenn presented a gift of appreciation from the Band Boosters to Mrs. Tommie Richardson, who is currently serving as president of the organization.

Band Director Norman Arnett was presented a gift from the high school band members. A catering service served barbecue, french fries, beans, cole slaw, peaches, cookies and iced tea. Benediction was given by David Hoge.

Guests other than Band Director and Mrs. Arnett were Supt. and Mrs. E. A. Youngblood, Principal and Mrs. Harold Bankston, and Mr. and Mrs. Tommie Richardson.

Farmers Being Surveyed On Planting Date

Farmers in this area and district were interviewed at a meeting last week to see if a uniform planting date could be set.

There are approximately 100 farmers in this area and at least half of them attended the meeting, he Herald was informed.

Tentative date for the first day of planting has been set for May 23. This date was set by consulting weather data as well as insect control information, and was the date most applicable for the first planting date.

Naturally, there could be no limit on the length of the planting season as weather could interfere, but the first day will be May 23, if all will agree.

Members on the survey committee are John Crownover, Chas. Reese, Eddie Shaver, Herbert Bellinghausen, Lynward Wilcox, Jack Tankersley, and Sammy B. White.

This committee will contact the farmers who have not already signed up for the new program. More and full particulars will be included next week.

History Committee Makes Report

Mrs. B. B. Campbell, Sr., chairman of the Knox County History Committee asked the Herald to submit the following report to citizens concerning progress of the history book:

"To the ones who have already sent your check to the bank for your copy of the Knox County History, now being published by The Haskell Free Press, we want to give a little progress report, so that you won't become discouraged or impatient.

"At the beginning, we informed you that the work would be slow, due to the small office force. We were over at the office last Friday, and the work is progressing satisfactorily as scheduled.

"The entire manuscript has been read by the publishers, and errors marked and corrected. A section has been printed and proof read by the committee. The work will continue bit by bit. It will be completed during the summer, and your book will be delivered as soon as completed."

Band Boosters To Meet Monday Night

Mrs. Kenneth Lawson advised the Herald that the regular meeting of the Band Boosters will be held Monday night, March 7 at 7:30 p.m. in the Band Hall. All members are urged to attend.

According to City Secretary John H. Robinson, three men have signed up to run for aldermen in the City election to be held on April 5. They are Jesse James for re-election, Charles (Rastus) Pack, and Clyde Voss.

There will be three places to be filled. Terms expiring are those of Mrs. O. L. Jamison, Jesse James and Kenneth Lawson.

Services Saturday For D. T. Elmore In Rochester

Funeral services were held Saturday, Feb. 26, at 3 p.m. at the First Baptist Church of O'Brien for D. T. Elmore, 88, who died Friday, Feb. 25, in the Knox County Hospital.

Officiating were Rev. Preston Manley, pastor of the First Baptist Church of Petrolia and Elder Afton Richards of Jayton, a Primitive Baptist minister. Burial was in the Rochester Cemetery with Smith Funeral Home in charge.

Mr. Elmore was born July 23, 1877 in Hawk Point, Mo. He came to Texas in 1899 and moved to Haskell County in 1907. He had lived in O'Brien since 1917.

He married Vonnia Maud Armstrong, April 19, 1911, near Sagerton. He retired from farming several years ago. He was a member of the Primitive Baptist Church.

He is survived by his wife; eight sons: Mason of El Paso, J. B. of Carlsbad, N. M., Truman of Johnson, Ark., Woodrow of Black Canyon, Ariz., Ray of Rule, Otis of Abilene, and Burton and Bill both of O'Brien; three daughters: Mrs. Preston Manley of Petrolia, Mrs. Lawson Self of Wichita Falls, and Mrs. Ken Williams of Fort Worth; 23 grandchildren and 7 great-grandchildren.

Guest Speakers At Foursquare Church March 8

Rev. and Mrs. Brad Keller of Mars Hill, Maine, singing evangelists and former missionaries to the Bahama Islands, will be guest speakers at the Foursquare Church, Tuesday night March 8, at 7 p.m.

Rev. Floyd V. Bailey, pastor of the local church, advised the Herald that the engagement was for only one night, and the public was invited.

Correction For Lodge Meeting---

Knox City Lodge No. 905 will have a meeting tonight instead of Monday, as advertised elsewhere in this week's Herald.

There will be work to do and all members are urged to attend.

Rochester To Have Game Night March 4

The Community Club of Rochester is sponsoring a Game Night on Friday, March 4, at 7 p.m. in the Rochester Grade School Gym.

Games of Rook, 42, and bridge will be played. General admission will be 25 cents.

Sandwiches, brownies and drinks will be available. "Everyone is invited to come and join in the fun," the spokesman said.

Girl Scout Cookie Sale To Begin

Mrs. Tommy Kent, 1966 Cookie Sale Chairman for the annual Girl Scout Cookie Sale, is shown with her two scout daughters, Brownie Scout Kary and Junior Scout Kathi. They are displaying cookies that went on sale February 28th. The sale will continue through March 19.

Four kinds of cookies are offered for sale. They are mint, butter-flavored sugar and spices and assorted sandwich. The cookies are fifty cents a box. The Junior Scouts and Cadettes will be making door-to-door calls Saturday, March 5th, as the Brownies are not eligible to participate in the sales.

Blue And Gold Banquet Held Recently For Cub Pack 161 And Their Families

Knox City Cub Pack 161 and their families were honored at an annual Blue and Gold banquet, Tuesday evening, Feb. 22, in the Fellowship Hall of the First Methodist Church. Banquet tables were decorated in a patriotic theme, using Abraham Lincoln silhouettes on place mats with nut cups. Centerpieces were log cabins, candles, figurines of Lincoln, and small American flags. All decorations were made by the cub scouts in their weekly den meetings.

Following the invocation by Rev. Lee Roy Baker, a chicken dinner was served. Dessert was a beautiful birthday cake designed and baked by Mrs. Clyde Bouldin in keeping with the birth month of scouting in America.

Jeff Graham made the introductions. Presented were Rev. Lee Roy Baker, pastor of the sponsoring organization and the adult leaders of the Pack. The members of the cub scout committee were:

Chairman, Jack Hamilton; In-sty-tional Representative, Allen McGaughy; Achievement Chairman, Jerry Ray; Finance Chairman, E. G. Ivie; Cubmaster, Clyde Bouldin; Assistant Cubmaster, Jack Land; members, Don Railsback and Joe Warren.

Den mothers presented were Den I: Mrs. Verlin Cypert and Mrs. Allen McGaughy; Den II: Mrs. Arnold Davis; Den III: Mrs. Guy Robinson, Mrs. John Egenbacher; Den IV: Mrs. Clyde Bouldin, Mrs. Roy Hester; Den V: Mrs. Hershell Tankersley, Mrs. Harley Poteet and Mrs. Tommy Reynolds.

Cub Master Clyde Bouldin led the cub scout promise and presented four new members with Bobcat pins. They were Johnnie Arnett, Jerry Eaton, Johnnie Bradford and Randy Lewis.

Jerry Ray presented gold and silver arrows to Art Crownover, Cliff Ray and Toni Land.

Winners of an essay contest on "Why I Like America" were announced. Mrs. Jack Hamilton was called to the podium to read the winning essay of the eight-year-old class, written by her son, Noel. Mrs. Roy Hester read the nine-year-old winner, written by her son, Jerry. Mrs. Clyde Bouldin read the ten-year-old class, written by her son, Dean.

These three essay winners will be honored as Scouts-of-the-Month.

New registration cards were presented: Timmy Taylor, David McGaughy, Rodney Johnson, Doak Graham, David Ivie, Dean Bouldin, Bruce Railsback, Gary Carver, Lanny Cypert, Joe Youngblood, Ricky Warren, Paul Davis, Randy Lewis, Ricky Tankersley, Ray Thompson, Johnnie McCown, Roland Marion, Rob Harrison, Randy Egenbacher, Art Crownover, Wade Arledge, Don Ray, Cliff Ray, Ray Hester, Toni Land, Randy Harrison, Noel Hamilton, Glenn Dodd, Jerry Eaton, Johnnie Bradford and Mike Poteet.

Service Award From Pan Am Received By Billie Anderson

A 20-year service award was presented recently to Billie R. Anderson at the monthly employees' safety meeting. Mr. Anderson started with Pan American at Brownfield in February, 1946, transferring to Farmington, N. M., in December, '52.

He transferred from Farmington to Knox City in March, 1954, where he is presently employed and resides with his wife, Judy and children, Mary Beth and David.

Another son, Mark, is a student at Sul Ross State College in Alpine.

HUTCHINSONS RETURN MOVES TO LUBBOCK

Mr. and Mrs. C. C. Hutchinson returned home this week after visiting the past week with their son and family, Mr. and Mrs. Wayne Hutchinson and getting acquainted with their new grandson, Wayne Eugene Hutchinson.

Visitors in the home of Mrs. Bertha Trimmer the past week were her nephew and wife, Mr. and Mrs. John Trimmer Jr., of Hale Center. Others who have been recent visitors of Mrs. Trimmer include Mr. and Mrs. V. S. Cassel of Littlefield, and Mrs. Blanch Hodges of Plainview.

Judy Lynn Smith Elected Delegate

Miss Judy Lynn Smith, senior student at NTSU, Denton, has been elected delegate from the North Texas Branch of the Student Education Association and will attend the State meet at Corpus Christi March 3rd thru March 6th.

Junior High Students Chosen For Region Band

Miss Gwen Angle was selected as first chair oboist of the All-Region Band last Saturday at Jacksboro. Gwen, who is a seventh grader, was successful in try-out competition with junior high oboists from all of Region 11 which consists of approximately 27 counties and includes the Wichita Falls and Ft. Worth area.

Also placing in the All-Region Band was Kenny Lawson, eighth grader, who placed fourth chair, trumpet.

Others making the trip with Band Director Norman Arnett were Brenda Vassar, Johnny Helms, and Betsy Ross. Each of these students placed second chair, second band in saxophone, clarinet, and flute, respectively.

The KENNEL

Senior Class

By BECKY HOWELL

The Seniors have been very busy with play practice and six weeks tests.

The play is coming along very well. We are anticipating a large crowd and hope each of you will attend. See Butter on the Bacon on Tuesday night, March 8, at 7:30! The admission will be 50 cents and \$1.00.

There are rumors that report cards will be presented to the student body his week. Who

knows? Maybe it's only gossip! The Senior band members attended their last band banquet last Saturday night. We are very proud of our classmate, Patrick Shannon, who received the award as outstanding band member.

Junior Class

By MIKE GLENN

Well, another six weeks has gone by, and that leaves us with only 12 more weeks of school. It is hard for us to realize that an-

other year of our school lives is almost gone.

Three of our Junior girls are going to Stephenville on Friday to attend the Area Future Homemakers Meeting. Carolyn Crowover and Karen White will participate in a talent show, and Susan Reese will be a candidate for a State Office.

The High School Band was feated with a western style banquet last Saturday night. Entertainment was provided by the "Yeomen" from Abilene, Texas. All members of the band thoroughly enjoyed the banquet.

Report cards come out this week, so it looks like some of us Juniors had better be prepared to stay at home for awhile.

Sophomore Class

By PAM WALDRIP

As most of the Sophomores remember, last week was six-weeks test. Now the only thing facing us is the returning of report cards, which most of us dread very much.

The "A" team basketball girls had a very pleasant experience last Friday when we traveled to Plainview, Texas, to see the Flying Queens and Nashville Business College play. Four of the girls were from the Sophomore class who went: Gail Cornett, Diane Thomas, Cathy Richardson, and Pam Waldrip.

Also these same four girls will be traveling to Stephenville this Friday to attend the FHA area meeting. We will be participating in the talent show with four other girls from the Junior class.

This about sums it up this week. See ya' soon.

Freshman Class

By MARGARET HOWELL

This week, unfortunately, turned out to be six weeks test week. Everyone is now awaiting results.

Thursday, as Steve Barker and several boys were returning from the Ag farm, they had a wreck.

The boys had to go take science test the next period. I don't know which shook them up worse—the wreck or the science test.

Friday, Sharon Ellegde, Pinkie Woodward, and Mary Reese were among the group that went to Plainview to see the Queen Bees play.

Saturday night the band students were honored with a banquet, western style. The Yeomen from Abilene entertained the group.

That's about it for this week. Cheerio for now.

Eighth Grade

By LINDA MARTINEZ

Now since basketball season is over, both boys and girls are working hard toward a good volleyball season.

Test week is over so all junior high is quiet again. Lori Grogan missed her tests because she moved to Big Spring this past Tuesday. We will certainly miss Lori because she had such a great personality.

Junior High Students got to sign their autographs for the yearbook.

That's all for this week.

Letter to Editor: --

Dear Mr. Hill:

Always happy to send my check for the Herald. This is about the only way I can keep up with what's happening in Knox City.

Glad to see that you are up and around again. I missed your "Just Talk" column a lot.

You'll be getting a change of address notice from us in June. The Army is sending me back to "Yankee Land," but I guess this is better than Viet Nam.

I'm being assigned to the Office of the Surgeon General in Washington as soon as I receive my Masters Degree from the University of Texas. It should prove to be interesting to be right in the middle of the Washington muddle.

It's a pity that more K.C.H.S. graduates don't come to the university. It's a big school, almost 27,000 students this year, but a VERY good school. It's one of the few schools in the South and Southwest that is rated on a par with the Eastern schools.

Sincerely,
Tom Edwards.

Mrs. Atterbudy Entertains Bridge Club Tuesday

Mrs. John Atterbury entertained her Tuesday Afternoon Bridge Club at her home March 1.

Members attending were Mmes. Earle Benedict, Russell Boyd, Alma Culwell, L. M. Williams, and Tom Van Winkle.

Mrs. Adrian Ford of Athens, Mrs. E. R. Carpenter, and Mrs. Eddie Carr were guests. Mrs. Ford won high score and Mrs. Ford won bingo.

Truscott HD Club Has Meeting

The Truscott Home Demonstration Club met Thursday, February 24, at the Community House with the vice president, Mrs. E. J. Jones, presiding.

Following the THDA prayer, roll call was answered with a Bible verse containing the word "thanks." Minutes of the last meeting were read and approved. Members were reminded of the District III THDA meeting March 29, at Breckenridge.

Miss S. C. Kinsey brought the program on "Sewing Problems" and demonstrated the two ways to put in zippers and several other sewing problems.

Refreshments were served to four members and two guests by Mrs. Bill Dodd and Mrs. Jack W. Brown.

Out Of Town Banquet Guests

Out of town guests registered for the first annual Chamber of Commerce banquet last Thursday night were as follows:

Norman Fisher, Louis Sabine, Carroll Forrester, Garnet Gracy, J. M. Carrigan, Burneal Watts, R. T. Wilson, Abilene; R. M. Jeanes, David Mulder, Mr. and Mrs. Jack Shelley, and Mr. and Mrs. H. A. Dodd, Seymour;

Mr. and Mrs. Bill Ratliff, Haskell; Sen. and Mrs. Jack Hightower, Vernon; Mr. and Mrs. Kenneth Roberts, Mr. and Mrs. Sam Leaverton, Mr. and Mrs. Joe De'v, and Mr. and Mrs. Jack Idol, Benjamin; Mr. and Mrs. Earl Alvis, Rochester; Mrs. Don Combs, Mr. and Mrs. Kenneth Baker, Mr. and Mrs. Paul Pendleton, and Mr. and Mrs. Jesse G. Smith, Munday; Mrs. Vesta Hawkins, Gladewater; Mr. and Mrs. George Works, Jr., Ben Teague, and Don Moser, Wichita Falls.

ATLANTIC CITY EXPRESSWAY

How would you like to drive that car of yours at 70 miles an hour and not worry about getting a traffic ticket?

You can, thanks to modern methods of road construction on New Jersey's newest high-speed toll highway the Atlantic City Expressway. It has been designed to bring motorists safely and quickly into South Jersey shore points.

When completed the Atlantic City Expressway will extend 44 miles from Turnersville, N. J. to Atlantic City, the world famous resort city.

Thirty-eight miles were opened to traffic July, 1964. Since then, over 1,750,000 vehicles have used the road. The final six-mile stretch is scheduled to take traffic into the heart of Atlantic City on July 30, 1965.

And in just 10 months of operation, the Expressway has compiled an impressive safety record. In fact, Elwood F. Kirkman chairman of the New Jersey Expressway Authority which operates the road said, it was one of 21 toll roads to report no fatalities over the past Memorial weekend. Some 50,000 vehicles traveled the Expressway that weekend with

just one minor accident reported.

A four-laned highway, its medial strip measures 40 feet on some stretches to 160 feet on others. The Authority has also ordered the planting of 32,000 Colorado blue spruce trees, which ultimately will help cut headlight glare and serve as snow fences in the wintertime.

In keeping with its safety approach, the Expressway Authority has published a map indicating ramp exits and service areas. It also gives details on roads that connect at the interchanges and the areas served by these roads.

A "Send Help" sign lettered in red on a white background and measuring 18 by 3 1/2 inches, occupies the entire first fold of the map. The Expressway is patrolled around the clock and agreements have been made with well equipped garages to provide emergency service at reasonable costs. Charges are also explained on the map.

Free maps of the Atlantic City Expressway can be obtained by writing to the New Jersey Expressway Authority, Union Station Building, Atlantic City, N. J.

Three Cub Scouts Write Essays On "Why I Like America" For Project

WHY I LIKE AMERICA—
By DEAN BOULDIN
(Age 10)

I like America because it is a free country. People have a chance to choose the people we want to govern our country. We can worship in the church of our choice. We can say what we want to about anything. We can choose our school we want to be in. Many people have fought to make our country free.

Many men died because they thought people should be free and not be told what church or school to go to and what to do. Many people still stand up for what they believe. Many countries do not have the many opportunities that people have in America.

(Age 9)

I like America because I can play all the games I want to. I want to go on camping trips. I like America because we can go anywhere we wish. I like America because we can go to worship God. I like America because I can go to visit sick people in the hospital.

I like America because I can go to visit all the friends I can. Where you can help people.

CARD OF THANKS

Words could never fully express our gratitude for the many things each of you did during the illness and death of our loved one, but we extend to you our heartfelt thanks as best we can.

We are deeply grateful for the prayers that were offered in our behalf, the love offerings, food and flower arrangements, the cards and expressions of sympathy, and, especially, for the long hours of work that so many of you spent in our home and on the farm.

Our sincere gratitude also goes to the doctors, nurses, ministers, and friends who gave their time and services to help ease the pain of our loved one.

May God bless each of you.

JOE W. DOBY
COUNTY AGRICULTURAL AGENT

All farmers, fertilizer dealers and loan agency representatives in an eight county area are invited to attend the Soil Fertility Shortcourse at Knox City, March 8, 9, 10. The meetings will begin each night at 7:30 in the American Legion Hall. These meetings are being held in Knox City, Paducah and Vernon on the same nights.

There are six speakers in all with two at each meeting and rotating each night.

Tuesday, March 8, will find John Box, Extension Agronomist talking about "Nitrogen and Crop Production." Glenn Black, with the Nitrogen Division of Allied Chemical Corporation will talk on "A Sound Fertility and Soil Management Program for the Rolling Plains."

The program Wednesday night will be Dr. Yates Smith, Field Representative Tennessee Valley Authority, talking on "Potash, Secondary and Micronutrients and New Fertilizer Developments." Dr. C. D. Welch, Extension Soil Chemist College Station, will speak on "Soil Test and Fertilizer Recommendations for the Rolling Plains."

The program on Thursday night will be Dr. John Chapin, Agronomist with NIPAK, Inc., talking on "Phosphorus and Crop Production." Norman Brints Extension Farm Management Specialist, Vernon, will talk about "Economics of Fertilizer Use."

There will be no registration fee for the course. Each person attending will receive a booklet with all the material presented at the shortcourse plus some.

This program is being brought to this area by the Extension Service and the Texas Plant Food Educational Society. Refreshments will be served courtesy of the Kerr-McGee Farm Center in Knox City.

Now is the time to cut and store pecan wood for building and grafting later in the spring. It must be done before the buds start to swell.

Select good parent trees of known and desired variety, free of insect and disease damage. Cut vigorous, smooth, one year wood, the wood that grew last year. Two year wood can be used but is harder to force the buds to grow. The best wood is found in the top portion of the tree.

The graftwood sticks should be one-half to one-fourth inches in diameter straight and smooth. Sticks should be 12-18 inches long for two to three grafts. Individual grafts should have approximately three buds.

The bud wood limbs should be three-eighths to three-fourths in diameter with three or four plump buds at each side.

Label all propagation wood at least one per bundle by cutting one end of the bud stick and writing the name with a lead pencil. An error here will last for many years.

Tie the wood in bundles, securely enough that the sticks cannot move as movement will injure the buds. Dip the ends of ticks in wax or melted paraffin.

Pack the wood in moist material—sphagnum moss or sawdust and shavings. It should not be so wet that water can be squeezed out of the material. Polyethylene plastic bags are excellent for storing the material. Cans with tight lids are also good.

The wood must stay cool and moist, from 30 to 38 degrees F. is about ideal. An ice house or home refrigerator are both good storage places.

The graftwood is taken directly from storage and used immediately, still dormant. The budwood must be removed from storage but left in the moist material.

Leave it at room temperature for four to five days until the bark will slip. Use immediately or place in storage.

The Extension Service is offering a new tool to the state's Cotton Farmers — electronic computer programming. Because of the many alternatives under the current programs, it would take a man with pencil and paper many days to come up with a solution. The computer can do the job in a few seconds.

A fee of \$30 will cover each ASCS contract. The farmer will supply the figures on the kind and amount of land, cotton allotments, production costs and returns for each of the row patterns he wants considered. A form has been developed for the farmer to use in supplying the

STATE CAPITAL Highlights AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN — Texans who failed to pay their poll tax have another chance to register for a vote in the 1966 elections. This time it's "fer free!"

Registration period extends from March 3 through March 17. Any citizen eligible to vote can sign up with his county tax assessor-collector and his name will be placed on the poll list at no charge.

So reads the "emergency" provision in the new voter registration act just passed by the Legislature and signed into law by Gov. John Connally.

Hereafter, free registration will take place from October through January each year.

There is one possible hitch: Attorney Gen. Waggoner Carr fears that names of those who sign up during March won't be available for local elections already slated on bond issues, local option liquor questions, etc. He asked the three federal judges who banned the poll tax to put off their order until March 26.

Estimates of the number of Texans who will take advantage of the free right to vote vary widely — from 50,000 to 1 million. Any figure approaching the latter could make a substantial difference in the outcome of many local and some statewide elections. Indications are that the number of new voters will be nowhere near that high, however.

All who paid poll taxes by January 31, will be entitled to vote as usual, without re-registering.

PECOS SULPHUR BOOM — Land Commissioner Jerry Sadler compares reaction to the recent Pecos County sulphur discovery with California's Gold Rush days of 1849.

He said "operators are moving in both day and night attempting to locate and file claims on state-owned land... to mine sulphur."

Sadler declined to accept 50 cents an acre per year for sulphur leases when, he stated, leading sulphur operators paid up to \$2,000 an acre bonus for five year leases in a recent federal sale off the coast of Texas.

State School Board rejected a rash of filings under an 1895 claim law. Board set a sulphur lease sale, along with oil and gas bidding, for May 3.

WATER DEBATE RE-HEARD — Supreme Court of Texas has taken under advisement a long-standing dispute between city of San Antonio and cities in the Guadalupe River basin.

San Antonio is appealing a '57 Texas Water Commission decision. Ruling denied the Alamo City's application for 100,000-acre feet of water a year from Canyon Dam near New Braunfels and awarded 50,000-acre ft. from the reservoir to Guadalupe Blanco River authority for municipal use downstream.

Attorneys for San Antonio claimed the city must import by 1980. Meanwhile, Guadalupe 138,000 acre feet for its needs basin will have a surplus over necessities of 180,000-acre feet.

GBRA attorney denied any surplus is in sight. He said some cities, including Seguin and Port Lavaca, already have suffered from serious shortages.

Major legal point involved is whether the Commission can delegate to GBRA rights to release water to unspecified municipal users, while denying San Antonio's application to pipeline water from another basin for high priority city and domestic needs.

AG RULES — Attorney General Carr has ruled that Texas Highway Department may grant the owner and operator of overnight mobile equipment, which transports frac oil in oil well servicing, a permit for the movement of the equipment.

In other actions he ruled that a county attorney isn't authorized to bring ouster proceedings against a city attorney.

The farmer will receive from the analysis the income available from each level of participation and the row pattern or combination selected.

He then can decide the one best suited to his farm. Farmers should remember that what comes out of the computer is no better than the figures that go into it.

The forms are available from my office along with instructions for filling them out. The analysis should be back within a week after it is received at College Station.

of a city incorporated under the general laws of Texas.

A chain referral selling plan to promote sales, containing a prize awarded under the element of chance, is a lottery in Texas.

A county clerk may use one or more volumes, properly labeled and indexed, to constitute "a well-bound book" to meet the requirements of recording deeds, leases and declarations.

Vehicles owned by an individual must be registered by law in the county where he lives.

Fraternal or Veterans Clubs may legally sell alcoholic beverages to members on the premises without a special license.

New act calling for deposit of justice of peace court fines and fees in officers' salary funds of counties is constitutional.

Funds appropriated to National Guard Armory Board can be legally spent for addition to the building at Camp Mabry in Austin subject to necessary agency approval.

Harrison County juvenile board or commissioners court has no authority to hire a secretary for the county juvenile officer, but can hire a child service worker with added duty of secretary.

State Board of Control still has supervision of the Battle-ship Texas Commission.

11 TEST FOR BRUCELLOSIS — Eleven counties — Atascosa, Brooks, Coryell, Falls, Hamilton, Hood, Jack, Limestone, McLennan, Milam and Roberts — are testing for initial brucellosis eradication certificate.

Borden county has qualified for recertification.

During January, 16,331 back-tagged cattle originating in Texas were tested at slaughter. A total of 18,202 cattle were tested at Texas livestock markets for

return to the county, and 284 reactors were disclosed.

According to a U. S. Department of Agriculture report, the screwworm eradication program in Texas has been successful. Only 75 cases were confirmed in January, as compared to 237 cases for the same period last year.

VISITORS INCREASE — Attendance at 22 Texas vacationland attractions increased 13 per cent last year, with total admissions of 30,403,000.

Six flags over Texas rated as top tourist stop with 1,713,000 visitors, outdrawing by 446,000 San Antonio's Alamo, according to Tourist Development Agency.

Biggest percentage gain was marked by Bishop's Palace on Galveston Island. Big Bend National Park reported another big increase, as did the Aquarena at San Marcos, Old Stone Fort of Nacogdoches, Fort Davis National Historic Site and Padre Island.

BUILDING SALES DROP — Texas building and retail sales dropped during January. However both December and January still were above the first month of 1965.

Mrs. Kuykendall Is Honored on Birthday

Mrs. Myrtle Kuykendall was the honoree for a birthday dinner Sunday in her home. She celebrated her 81st birthday Monday, Feb. 28th.

Those attending the dinner were Myrtle Swaner, Mrs. Raymond Humphrey, Lillian Moon, "Grandma" Bearden, and her two daughters, Mrs. Juanita Purdom and Mrs. Cora Belle Gardner.

search reported total retail sales in January off 28 per cent from a record December — due largely to the "greater-than-seasonal rise" during the Christmas month. Nevertheless, retail stores generally posted gains of two per cent over January a year ago.

Building permits for the first month of 1966 dropped a whopping 22 per cent below December and four per cent below the 1965 average. But the \$133,200,000 total was 18 per cent over January, 1965.

Streams In Desert Places

In Exodus we find God giving Moses instructions to teach the people who He was leading into the Promised Land, or we might say into Prosperity.

For it was a land that flowed with milk and honey. God knew people could not be happy and successful by possession of things. The way man lives is more important than what they have. So God gave Moses ten rules to teach the people that they must live by if they would find happiness.

But if these rules are broken they would be severely penalized. We find these are rules of living for all peoples of all times.

They will never grow out of date or be replaced or changed. They are the bases of conduct, both moral and spiritual. They are the bases of peace and prosperity for individuals and for the world. No one can violate them and get by with it, he only breaks himself. Know them for they are rules for eternal life, the Commandments.
