

## AMBITIOUS WORK PROGRAM OUTLINED AT C. OF C. MEETING TUESDAY

### Aged Temple Man Fatally Injured In Accident Here Wednesday

### JOHN DUNLAP KILLED IN FALL WHEN TOWER OF WINDMILL BREAKS

Body Discovered by Nephew Five Hours After Accident Occurred

John Dunlap, 65, of Temple, Texas, was accidentally killed Wednesday afternoon when he fell from the top of a 20-foot windmill tower at the home of his brother, Jim Dunlap, eight miles southeast of Haskell.

Dunlap apparently was killed instantly, according to a local physician who assisted in an inquest conducted by Justice of the Peace Bruce Clift, County Attorney Walter Murchison and other officers.

The victim evidently had climbed the tower to shut off the windmill and fell when a part of the tower platform broke. He had been dead approximately five hours when the body was found. His skull was crushed and there were bruises on his face and body.

Jim Dunlap and his son, Gene, who is working in Haskell, had left John Dunlap at the farm for the afternoon. Returning home about 7:30 o'clock, Gene discovered his uncle's body lying at the foot of the windmill tower.

The body was prepared for burial at Holden's Funeral Home, and was sent to Temple Thursday for interment.

Dunlap, a resident of Bell county for a number of years, had been visiting his brother here for the past week.

Immediate survivors include two daughters, who reside in Temple, and two brothers, Jim Dunlap of Haskell and Joe Dunlap of Iredell, Texas.

### COTTON PRODUCERS TO BENEFIT FROM NEW AAA PROVISION

Producer Will Be Paid On Allotment Basis, Even If No Crop Grown

Notice has been received from the State AAA office by J. E. Thomson, Secretary, Haskell County A. C. A., that the 1939 conservation program has been amended by omitting the provision for computing payment where less than 80 percent of cotton or wheat was planted and failure to plant was not due to flood or drought.

As amended the producer will receive payment computed on basis of his allotment, irrespective of acreage planted for harvest in 1939 if it is determined that normal farming operations are carried out.

From this notice it is assumed that producers will be paid on their cotton and wheat acreage allotments regardless of whether any cotton or wheat is planted in 1939, provided such crop was grown in 1938.

However Mr. Thomson further pointed out that a large percent of Haskell county farmers fail to plant cotton or wheat it may seriously affect the cotton allotment given to the county and to individual farms in future years.

Even though by this ruling a farmer will receive his payment if he does not plant any of his allotment, Mr. Thomson, urges that all farmers plant at least a part of their cotton and wheat allotment.

### RMA Organization Will Be Separate Unit From C of C

The local Retail Merchants Association, maintained for the past three years in connection with the Chamber of Commerce, will be set up as a separate unit, according to plans outlined at a meeting of business men last Friday. Under the new plan, the credit organization will be expanded to include the entire county, it was explained.

R. L. Burton has been named chairman of the Retail Merchants Association, Ralph Duncan, secretary, and Wallace Cox, directors. Members of the organization will meet monthly to discuss retail credit problems and their solution.

### Amerada Wildcat Drilling Below 3,200 ft. Depth

Drilling on the Amerada No. 1 Kleiner wildcat oil well east of Haskell had progressed below 3,240 feet Thursday morning, without having encountered favorable showing for profitable oil development, it was reported. Analysis of core tests taken frequently between 2,000 and 3,000 feet, however may reveal a favorable verdict.

### Fire Destroys Baptist Church at Cottonwood

The Cottonwood Baptist Church several miles northeast of Haskell was destroyed by fire of undetermined origin last Thursday night. All seating fixtures and several other articles of furniture in the building were also lost in the flames. When first discovered the flames had already spread throughout the frame structure, and no means were available to check the blaze.

Church services scheduled for Sunday were held in the auditorium of Mattson rural high school, and will be held regularly at that place in the future, church leaders announced.

### Postponed Colored Baseball Game To Be Played Sunday

Opening baseball game of the season between the Haskell colored Braves and the Graham Black Oilers, scheduled at Fair Park in this city last Sunday, was postponed because of rain. Arrangements have been made to play the opener next Sunday afternoon, according to Isaac Gaston, captain of the local team. Play will start promptly at 3:30 o'clock.

### WOODSON DAIRY GIVEN RATING AS GRADE 'A' PLANT

Modern Plant Meets State and Federal Health Requirements

The Woodson Dairy, owned and operated by W. E. Woodson of this city, has been given the rating and license of a "Grade A" dairy, following the inspection of the modern plant and equipment this week by Wm. W. Evans, inspector from the State Health Department. Following his inspection, Mr. Evans stated that the local dairy had complied with all specifications and requirements of the state Department of Health and the United States public health service.

The Woodson Dairy is the only one in the county holding the grade "A" rating, the inspector added.

Established 30 years ago by the late W. M. Woodson, the local dairy is one of the most modernly equipped in this section. Between twenty-five and thirty Jersey cows are milked daily in supplying demands for the plant's milk and milk products. W. E. Woodson said. All dairy animals are tuberculin tested in compliance with state regulations.

Mr. Woodson invites the people of Haskell to inspect his plant and equipment at any time.

### SURVEY REVEALS HOPPERS MAKING APPEARANCE HERE

County Agent Advises Farmers To Make Plans for Insect Poisoning

According to surveys made last week by County Agent G. R. Schumann together with B. R. Reppert, State Grasshopper Control Leader and Louis Riehl from the United States Department of Agriculture, grasshoppers are now making their appearance in various parts of Haskell county.

Although the hoppers at this stage are too small to do any damage to crops, and since only a small portion of the crops are up where grasshoppers could damage them, the grasshopper situation is not serious at present, the county agent stated. However, Schumann pointed out that within two or three weeks the hoppers will be at a stage where they can damage crops, and from surveys made during the past winter and spring, the number of hoppers this year will be approximately as large as last year.

Farmers are urged to be prepared for the hopper threat, and poisoning operations should be started as soon as hoppers make their appearance in and near crops, the county agent advised.

According to Mr. Schumann, a grasshopper control campaign will again be conducted in Haskell county this year as has been done during the past two years. A large amount of bran is in storage here, together with sufficient poison and as soon as necessary a mixing station will be opened in this city. The county Commissioner's Court will cooperate with the Federal government and the County Agent by furnishing the mixing station and providing a supervisor. Operation will be along lines followed in past years, with farmers furnishing one-half of the materials used in preparing the poisoned insect bait.

### 1939 Allotment Plan for Small Farms Explained

According to information, received from the State office by J. E. Thomson, Secretary of the Haskell County A. C. A., a farmer receiving a general allotment of less than 20 acres is eligible to be considered as a "non-general allotment farm" under the 1939 Agricultural Conservation Program. By "non-general allotment farm" is meant, "A farm for which the total soil-depleting allotment established for the farm, less the cotton allotment, if any, is 20 acres or less and the persons having an interest in the general crops planted on the farm elect to have such farm considered as a non-general allotment farm for 1939." If the farm is considered as a non-general allotment farm no payment will be made with respect to general crops on the farm; however, as many as 20 acres of soil depleting crops, other than cotton, may be planted in 1939 without incurring a deduction for over-planting the total soil-depleting allotment, and a larger soil-building allowance will be available than could otherwise be established. Naturally a producer would have to earn the soil-building allowance by carrying out soil-building practices.

If a farmer wishes to have his farm considered as a non-general allotment farm, he must call at the county agent's office, not later than June 1, 1939 and make application.

### Haskell Students Listed On Texas Tech Honor Roll

Three Haskell students in Texas Technological College, Lubbock, were listed on the fall semester honor roll of the college with average grades of "B", according to announcement made Friday. They were: Mary Eleanor Diggs, daughter of Mr. and Mrs. J. M. Diggs; Ralph Johnson, son of Mr. and Mrs. W. E. Johnson; and Duffer Crawford, son of Mr. and Mrs. J. M. Crawford of Haskell.

### No Soil, but Presto! Cucumbers!

"Everyone could have a garden in his bathtub," says Miss Teddy Price of Abernathy, amateur biologist at Texas State College for Women, as she points proudly to her prize specimens in a "Water Culture" experiment. This cucumber and tomato vine are two of a whole greenhouse full of plants and vegetables which have been cultivated without soil, in clean sand and a chemical solution.

### APRIL TERM DISTRICT COURT OPENED MONDAY

Grand Jury Reports Fourteen Indictments in Three-Day Session

Regular Spring term of District Court was convened here Monday morning, to continue for a five week session, with District Judge Dennis P. Ratliff presiding. Grand Jury for the term was impaneled at 10 o'clock Monday morning. In his charge to the jurors, Judge Ratliff defined particularly the offense of driving an automobile while intoxicated, wife desertion, forgery, chicken theft, burglary, and car theft.

A. C. Teichelman was named foreman of the Grand Jury, which is composed of the following additional members: Joe Lowry, Alfred Rinn, H. C. Neimast, R. S. Edwards, W. A. Cameron, Wm. Von Gonten, W. V. Cobb, H. L. Matheny, S. N. Reed, Mart Clifton, John Baugh, W. S. Woods was appointed door bailiff and Elbert Mapes and John Brock riding bailiffs.

After being in session three days, during which time approximately sixty witnesses appeared, before the body, the Grand Jury recessed Wednesday afternoon. Thirteen felony bills and one misdemeanor indictment were reported before recessing. The Grand Jury bills were listed as follows:

L. G. Henderson, charged with forgery and passing forged instrument, four indictments. In companion cases, Henry Clovis Pool was also charged in four indictments with forgery and passing forged instruments. District attorney Ben Charlie Chapman stated that Henderson and (Continued on Page Eight)

### Petit Jurors Summoned For District Court

A panel of thirty-six Petit Jurors has been summoned for the second week of the current term of District Court. Jurors are to report Monday morning, April 24. The list includes:

Sam May, Ben F. Bruton, Claud E. Bland, Bill Taylor, C. Y. Morris, Marvin Letz, Arlis Weaver, I. M. Moore, R. N. Sheid, Matt Cooley, Ed Davis, J. F. Mims, Ollie B. Vernon, Adolph Havran, Jack Alvis, Ray Alsbrook, W. H. Spiser, Henry Knipping. J. L. Bradley, R. N. Mathison, George Moeller, O. E. Vogelsang, Jim Vasek, Marcel Bragg, R. A. Shaver, R. C. Lyles, Ed Laughlin, Earn Henry, A. Buchtein, Alvia Mitchell, Terry Robinson, Ed Hester, W. M. Grimaley, A. L. Shelley, Chas. Druessedow, S. S. Hook.

### LIONS ARE GUESTS OF HOMEMAKERS CLASS AT LUNCHEON

Attend Chapel Program When Trophies Presented for League Victories

Members of the Lions Club and five visitors were guests of the Homemakers Class of Haskell High School Tuesday at noon, and after a brief business session and luncheon, prepared and served by the class under the direction of Mrs. Myrtle Meyer. Lions enjoyed a chapel program in the school auditorium. At the program, Dr. N. S. Holland, superintendent of Breckenridge High School and Director-General of District 8, University Interscholastic League, was the principal speaker and presented League trophy cups to the members of both the boys and girls debate teams for winning first place at the district meet. He also presented Haskell High School the trophy cup for winning all-around honors as high point school in the district, which is composed of nine counties.

President J. G. Vaughter presided for the business session of the club, when members discussed plans for an amateur motion picture to be filmed here sponsored by the club. A. C. Pierson was appointed as convention chairman for the Haskell Club at the coming district convention to be held in Mineral Wells May 7-8.

At the conclusion of the luncheon, Mrs. Meyer, instructor, and members of her class were invited into the banquet hall and were given a rousing vote of thanks by the Lions for the excellent meal prepared and served.

Visitors and guests of the club were: Joe Harder of Lubbock, Dr. N. S. Holland of Breckenridge, R. L. Burton, Matt Graham and Pyatt McCollum of Haskell.

### BURGLAR STRIKES AND ROBS WOMAN EARLY WEDNESDAY

Young Haskell Nurse Victim of Unknown Assailant at Rooming House

Miss Estelle Robertson, nurse-assistant in the office of Dr. Frank Scott in this city, was the robbery victim of an unknown person who entered her room in the O. N. Harcrow residence early Wednesday morning. Miss Robertson was struck once by the burglar when she screamed after discovering his presence in her room. The man fled before Miss Robertson could switch on the lights in her room, and she was unable to give an accurate description of her assailant to officers. The young woman said that she awakened about 1:30 o'clock Wednesday morning and noticed the front door of her room open. Arising to close the door, thinking it had been unsecured, she brushed against the man in the darkened room, and screamed. The burglar struck her in the forehead with his fist, she related, and ran from the room. A purse belonging to Miss Robertson was missing. It contained a small amount of money.

Sheriff Olen Dotson and Deputy Jim Isbell were called to investigate the robbery and attack. The officers said Thursday that no arrests had been made in the case to date.

### Haskell Supply Minister Speaks At Presbytery

Clifford Williams, young ministerial student in Presbyterian Theological Seminary at Austin, who has been serving as supply minister of the First Presbyterian Church in Haskell for the past several months, delivered the principal sermon at the recent Presbytery session in Mineral Wells.

Mr. Williams is to receive his B. D. degree in May and will be ordained as a Presbyterian minister and installed as pastor of the church here immediately after graduating. The young man served as Dr. Bryan Keathley's assistant in the Mineral Wells Presbyterian Church before entering his studies at Austin.

### Wheat Producers Can Now Apply for Cash on '38 Loans

According to information received by J. E. Thomson, Secretary of the Haskell County A. C. A., a cash settlement may be requested by wheat producers who have 1938 wheat loans. By coming to the county agent's office and signing a request, a producer will have the privilege of calling the loan before the 10 day period prior to maturity as set by the Commodity Credit Corporation. However if the request is signed the maturity date of the loan will be 10 days from date of request instead of the present maturity date, Mr. Thomson explained.

### FIVE-POINT PROGRAM BASED ON NEEDS OF CIVIC IMPROVEMENT

### Irby Principal Elected Head of Mattson School

F. M. McCarty, principal of the Irby school for the past three years Saturday was elected superintendent of the Mattson Rural High School effective at the beginning of the 1939-40 school term Sept. 1st. He will succeed Elmer C. Watson, Mattson superintendent since 1936.

Election of Mr. McCarty was announced following a meeting of the board of trustees Saturday afternoon. Mr. McCarty has had a number of years experience in teaching, and before coming to Haskell county taught three years at Spur and Patton Spring in Dickens county.

Mr. McCarty is a graduate of North Texas State Teachers College, holding a Bachelor of Science Degree.

### Fireman Sponsor Benefit Night at Roller Rink Here

Members of the local fire department at the regular meeting Monday night voted to sponsor a "Firemen's Benefit Night" at the roller skating rink here on Monday night of each week. The department will receive a substantial share of receipts on their special night.

Delegates to the State Fire Convention which meets in Harlingen in June were also elected at the meeting. They were Chief J. L. Collier, Fire Marshal A. D. McClintock, Wiley Quattlebaum, driver, and R. A. Hays, veteran member of the department. Haskell will also have a team entered in the hose and reel races to be staged at the annual Convention, it was announced.

### Baptist Workers Conference to Be Held On April 15

Next regular meeting of the Workers Conference of the Haskell Baptist Association will be held at the Pinkston Baptist church west of Haskell on Tuesday April 25th, in an all day session beginning at 10 a. m. An excellent program has been arranged for the day, and plans have been made to accommodate a large attendance.

At the noon hour, an old-fashioned dinner on the ground will be served to all attending.

The program outlined for the day will include all phases of church work, and several outstanding religious leaders of this section will be heard.

### Aspermont Is Host for District Conference ME Church

District Conference of the Methodist Churches in the Stamford district was in session as Aspermont Thursday and Friday of this week. Delegates named to the Conference from the Haskell church included: B. Cox, C. B. Breedlove, O. E. Patterson, F. G. Alexander, A. J. Josselyn, R. L. Foote, Mrs. C. B. Breedlove, Mrs. Bessie Kimbrough, J. C. Davis, Jr., A. H. Wair, Mrs. R. H. Darnell, Mrs. Wallace Cox, Mrs. Guy Mays, Mrs. Matt Graham, Mrs. A. C. Haynes and Rev. Haynes.

### Haskell Debate Teams Lead In Scoring Total of 45 Points

Haskell Saturday won the district Interscholastic League all-around championship with 45 points in district finals at Breckenridge, the first time since 1922 that Breckenridge has lost that honor.

Contributing largely to the victory was the first place won by Haskell teams in both boys and girls debate. Baird was second in all-around rating, with 40 points, Cisco third with 33 and Clyde 4th with 30.

Montgomery of Moran was high point man for the day's contests. Summaries follow: Debate: Boys—Jack Watson and Paul Crawford, Haskell, first; Jack Clemmer and C. E. Bentley, Clyde, second. Girls—Louise Pierson and Elise Henson, Haskell, first; Opal Sutton and Annie Kate Blackburn, Cisco second. Declaration: High school, senior boys—Henry Hemphill, Cross Plains, first; John (Continued on Page Eight)

### Highway Construction, Better Housing, Federal Bldg. Stressed On Program

A broad foundation for work of the Haskell Chamber of Commerce during the coming year was outlined Tuesday morning at the April membership meeting and breakfast at the Tonkawa Hotel. Also highlighting the affair was the announcement of the results of a recent membership drive, which resulted in the addition of forty-five new members on the organization roster, and pledges of renewed support from twenty-three former members. Membership is now at the highest peak since the organization was formed in 1936, secretary Ralph Duncan announced.

President Sam A. Roberts presided for the business session. Courtney Hunt, State Representative, was re-nominated as Haskell director in the West Texas Chamber of Commerce for his ninth year. Plans for Haskell's participation in all phases of the annual WTCC convention were discussed briefly, and Dr. T. W. Williams was placed in charge of arrangements for a Haskell delegation for the regional event.

A five-point program of major objectives was outlined in the report made by Emory Mendice, chairman of the work committee appointed at the annual banquet last month.

In presenting his report Mendice invited suggestions from the membership for the inclusion of other projects which could be advanced for the upbuilding of this section, stressing the fact that any program of the local organization would include approval of civic leaders in all parts of the county. Major objectives for the coming year were outlined as follows: actual work on a federal building. (Continued On Page Eight)

### REVISED SCHEDULE MUNICIPAL WATER RATES IS ADOPTED

Rate Reduction Applies To Large Users In Residence Section

A revised water rate schedule, applicable to residential consumers only, was adopted by the City Council in their regular meeting held Tuesday afternoon. The new rate becomes effective on the current meter reading date.

Minimum rate of \$1.50 for the first 3,000 gallons used during one month remains unchanged in the new schedule. From 3,000 to 10,000 gallons the charge is 15c for each 1,000 gallons. Above this bracket the rate is scaled as follows: Ten to twenty thousand gallons, 12c per thousand, with a continued proportionate increase to the lowest rate, 8c per thousand which applies when 150,000 gallons or more is used during one month. Water meter deposit required of consumers in the future will be \$5.00 instead of the customary \$3.50 required in the past.

During the meeting the Council approved payment of annual dues of the local fire department in the state association, and approved a contract with the West Texas Utilities for current used in city pumping plants.

Aldermen also voted to change dates for the regular Council meetings from the first and third Tuesdays to the first and third Thursdays in each month, effective May 4th, next regular meeting date.

A resolution was adopted relative to the voluntary grading and labeling of milk and milk products, under supervision of the City Health Officer, under provisions outlined by the State Health Department.

### FAVORABLE PROSPECTS FOR SPRING RAINS DWINDLE AS ONLY LIGHT SHOWERS FALL

Prospects for much-needed Spring rains which appeared favorable during the week-end, resulted in only light rainfall in the section. Hard showers which fell early Saturday morning and again Sunday morning brought rainfall which ranged from 10 to 40 of an inch in Haskell and surrounding territory.

### Senior Girls Hear TSCW Students

Last Monday the Senior girls were told many interesting things about Texas State College for Women, at Denton, by several students who were home for the holidays.

Each of the girls told about some particular phase of life or work at this college. T. S. C. W.—the largest school of its kind in the United States—is one of the four colleges in Texas offering a degree in Home Demonstration. The Department of Home Economics, Art, Music and Physical Education are also emphasized at T. S. C. W.

The Seniors were told that a girl may live in one of the Co-operative Houses, doing one hour of work daily, for ten dollars each month. The T. S. C. W. students said that no distinction whatsoever is placed between the girls who live in the Co-operative Houses and those living in the dormitories.

The Senior girls wish to thank the girls who told them so many interesting things about T. S. C. W. They were Gayle Roberts, Marvina Post, Mary Lena Tubbs, Catherine Wair, and Marquarite Terrell, niece of Miss Ruby Fitzgerald and Mrs. Rike.

### Brief News Items From Weinert

Weinert Matrons Club Meets For Regular Program

Mrs. Henry Smith was hostess to the Study Club Thursday, April 13 in the home of Mrs. R. H. Jones. Mrs. G. C. Newsom had charge of the program and gave a very interesting history of the club, which was organized by Mrs. Walter Robertson (deceased) who was a resident of Weinert at that time, the year of 1923. There were twenty members when organized. Only four of these are still in the club. There are 24 members at present. Altogether the club has been successful and has enjoyed the advancement which it has been able to make. Its meetings take place every other Thursday in the homes of the members and four socials are given each club year.

The men are guests at these parties which are given in the Home Ec cottage. Officers for 1939-40 are: Mrs. Preston Weinert, president; Mrs. Fred Monke, first vice president; Mrs. Vern Derr, second vice president; Miss Laverne Burgess, secretary; Mrs. Payne Hattox, treasurer; Mrs. H. F. Monke, Parliamentarian; Mrs. Elmo Cure, critic; Mrs. H. Weinert, reporter; Mrs. Wesley Leslies and Mrs. H. Weinert, members of the executive board.

Delicious refreshments of congealed salad, cookies and tea were served to the following members: Misses Laverne Burgess and Beatrice Weinert, Mmes. Elmo Cure, H. T. Sullivan, Garland Davis, Payne Hattox, Sam Bird, P. F. Weinert, Fred Monke, W. L. Johnson, H. W. Johnston, Vern Derr, H. Weinert, R. H. Jones and the hostess Mrs. Henry Smith.

### Smitty Sez:

When inflating a tire, especially an old one, it is well to keep the face as far away as possible from the shoe so that you will be safe in the event of a blowout.

When needing a new tire it is well to keep in mind that Smitty sells better tires for less money. We handle tires from first grade deluxe to the cheapest to be had anywhere. "Save with Smitty".

With all of the modern electrical gadgets one has on his car today it is good business to buy a good battery when the old one needs to be replaced. Nothing is more of a nuisance than an unreliable battery that is frequently letting you down.

Smitty sells batteries priced from 2.89 exchange to 19.95 and they are all guaranteed—a guarantee here means something. "Save with Smitty".

Most of the cars today have adjustable front seats, and motorists on long drives should take advantage of this device to relax cramped muscles. After driving a hundred miles or so change the position of the seat and notice the difference.

If you have been buying auto supplies just anywhere, try Smitty's and notice the difference. "Save with Smitty".

It has been proved that dust or dirt on the windshield can cut down visibility as much as 50 per cent. With so many courteous filling stations attendant there is no excuse today for a dirty windshield. Nearly every filling station will be glad to wipe off the glass even though you make no purchase.

Cracked or broken windshields and door safes also are a hazard to safe driving. Don't install a piece of cardboard—get a factory cut, b-velveted, clear polished glass at Smitty's. Priced from 38c up. "Save with Smitty".

There are a few places throughout the world where motor cars are not permitted. Most of the restrictions are confined to isolated areas. Among them are Bermuda, Fire Island, N. Y.; Lord Howe Island in the Pacific Ocean, Mackinac Island, Mich., and Sark Island in the English Channel.

There are lots of places where a dollar won't go as far as at Smitty's. Whether you are in Haskell, Stamford, Munday or Throckmorton you will find standard brand auto parts at deep cut prices at a Smitty Auto Store. "Save with Smitty".

More than 48,000 communities or about one-third of the total in the United States, are dependent solely upon motor vehicles for transportation.

In this particular section of Texas Smitty's Auto Supply is wholly dependent upon auto and tractor owners for business—that is one of the reasons that you always get more and better merchandise for your money at Smitty's. "Save with Smitty".

Motors sometimes become overheated because of an excessive accumulation of oil and dust on the surface. Many of the more modern filling stations now have machines for removing this coating.

According to one of our local citizens cold patch will stick much better if the Holland cloth is removed from the patch before being applied to the tube. "Save with Smitty".

One of the reasons why your visibility suddenly becomes less sharp at night, according to science is the lack of vitamin A in the system. Absence of this vital element causes momentary blindness when bright lights hit the eye. Eating carrots will help this condition.

One of the reasons that your dollar will go further is that Smitty sells standard brand auto parts for less. For example: Chevrolet 29-32, Ford "A" fan belts at 23c each and up. Another is grease guns from 1.95 and up. 25 short rifle cartridges at two boxes for 25c. "Save with Smitty".

### Debate Teams Go To Regional Seniors To Give Class Play

The debate teams broke records for Haskell High last Friday by winning both the boys' and girls' divisions of the district meet. It was the first time that the boys' team has won the district and the first time in many years that Haskell has had possession of the girls' cup.

Paul Crawford and Jack Watson on the boys team defeated Ranger, Truscott and Clyde to win their division. And incidentally Clyde is the home town of our debate coach, Mr. McCallum.

Louise Pierson and Elise Henson on the girls team defeated Breckenridge, Putnam and Cisco to earn their honors.

Both teams will compete at Abilene Friday for regional honors and a trip to the State Meet at Austin.

### Senior Girls Hear TSCW Representative

Thursday morning the members of the Senior class were privileged to hear Mrs. Agnes Hughes Massie, special representative from Texas Wesleyan College, Fort Worth.

Mrs. Massie urges students to attend T. W. C. after graduation because of the splendid opportunities offered there to develop an all-around personality. She said that although T. W. C. is a small college, having an enrollment of 900 students, it is recognized by both the Association of American Colleges and the Association of Texas Colleges. Mrs. Massie stated that although T. W. C. is a Methodist College, students of all denominations may, and do, attend it. She told many interesting things about the college, illustrating her talk with a large number of pictures.

The Seniors regret that Mrs. Massie could not stay longer, and appreciate very much the time she spent in telling them about T. W. C.

### WHY I'M PROUD I GO TO MATTSOON

In the Mattson auditorium may be seen the only American Eagle in Haskell county. Also one may see a deer head with sixteen points a rare number for this section of Texas. Both the Eagle and deer were brought in by patrons of Mattson community.

To improve the scenic conditions of Mattson school, ground trees and shrubs have been set out. Another important event in Mattson is the laying of a rock wall two feet high around the school campus. The materials for the building of the wall and walks have been contributed by patrons of Mattson district.

All of this adds very much to the attraction of our school, and I am proud of it.

### WE LIKE THE FRESHMAN CLASS BECAUSE:

We are the largest class in high school. This is our first year in high school. We have a good sponsor. We are all good mathematicians. We all take part in sports. We have the only set of twins in high school. We have cheerful boys and girls in our class. Most of the freshman boys make up the junior boys' baseball team. We have fun in the study hall. We have new boys in the freshman class. Everyone of the freshmen take a joke cheerfully.

### MUSTANG CORRAL

Our boys attended the district track meet at Breckenridge, Texas on Friday April 15. The boys ran the following races:

100 yd. dash—Elmer C. Watson, 3th place.  
 220 yd. dash—Elmer C. Watson, 5th place.  
 Pole Vault—L. D. Holcomb, third place, ten feet, nine inches.  
 440 dash—L. D. Holcomb, no place.  
 880 Run—Leon Mayes, no place.

All the events that we could not enter, we hope we can enter next year. We are very proud of our track team this year. We hope to do better next year.

The boys are planning to go to the state track meet. We hope that they will be able to win some of the Medals that will be given away.

### FRESHMAN EDITION

This week's edition of the Round-Up was planned and constructed by the Freshman class. The following weeks editions will be planned by the Sophomore, Junior and Senior classes in order of their classification.

**Freshman Staff**  
 Francis Moore—Editor.  
 Fern Cobb—Assistant Editor.  
 Louis Chamberlain and Jewel R. Overman—Make Up Editors.  
 Charlie Mapes—Sport Editor.

### IDEAL FRESHMAN GIRL

Pleasing Personality—Viola Darden.  
 Athletic Ability—Lucille Ennis.  
 Figure—Loudell Webb.  
 Hands—Fern Cobb.  
 Complexion—Eva Lee.  
 Eyes—Imogene Turnbow.  
 Hair—Leora Stewert.  
 Nose—Janette Viney.  
 Teeth—Jewell Overman.  
 Smile—Lora Bell.

### IDEAL FRESHMAN BOY

High Altitude smile.  
 Odell's pretty eyes.  
 Lora's physique.  
 Odell's athletic ability.  
 Odell's charming ways.  
 Aivie's pretty hair.  
 Carl's attitude toward his studies.  
 James' manners.  
 Durwood's pleasant attitude.

### Fire Destroys Farm House

A tenant house belonging to Mr. John Pace of Haskell, and occupied by Mr. and Mrs. Roy Herrick was burned to the ground Monday afternoon. The house carried insurance but the household goods were a total loss.

### Operetta A Success

The operetta which was given at the High School auditorium on April 14 was one of the best entertainments of the kind that has been produced at Weinert. This cast was composed of sixty-nine children and was carried out without a single mistake. It was beautiful and those who were responsible for this program deserve a great deal of praise and the children should have their share also for it took patience and perseverance on the part of each one to make it such a wonderful success. These children were selected from the primary grades of the school.

### Social Enjoyed By Methodist Missionary Society

The second social of the year was held April 17 at 2:30 p. m. in the home of Mrs. H. Weinert with Mmes. G. L. Walker, Paul Josselot and J. W. Medley assisting in entertaining. This is a quarterly feature of this organization which is enjoyed by the members and guests.

With the vice president presiding the meeting was opened with the hymn, "I Need Thee Every Hour" sung by the assembly. Mrs. J. W. Medley gave the devotional reading the 6th chapter of Matthew, 5-15 verses. She gave a very interesting talk on this subject which is "Prayer."

After a prayer by Mrs. J. A. English she gave her report on the annual missionary meeting which met at Pampa April 11-13. The report was very complete and inspirational.

During the social hour refreshments of coffee and decorated cake squares were served to: Mmes. John A. English, Elmo Cure, Ernest Griffith, A. D. Bennett, Louis Bennett, P. F. Weinert, Horace Marsh, Frank West and the hostesses, Mmes. G. L. Walker, Paul Josselot, M. Cooley, J. W. Medley and H. Weinert.

The diversion consisted of hymning kitchen towels which were presented to the pastor's wife, Mrs. English. The study book will have the first lesson on April 24 and will be taught by Mrs. H. Smith.

### COTTONWOOD CHURCH BURNS

We are very sorry to report that the Cottonwood Baptist Church was destroyed by fire last Thursday night, April 13.

Undaunted by the loss, the members met at Mattson auditorium Sunday morning with a large attendance and enjoyed good services. Bro. Barber preached good sermons both Sunday morning and night.

They will continue to meet each Sunday at Mattson for Sunday School at 10:00 o'clock. There will be preaching next Sunday. Everyone is invited to attend the services, regardless of your denomination.

### JOKES

Mrs. Coody (trying on hat)—Do you like this turned down, dear?  
 Mr. Coody—How much is it?  
 Mrs. Coody—Eleven dollars.  
 Mr. Coody—Yes, turn it down.

Doctor—Have you been keeping to that diet I prescribed for you?  
 Miss Grindstaff—Oh, yes, doctor, but it's hard to get through my regular meals as well.

### SPRING PROGRAM OF SPEECH PUPILS

Friday night, April 14, Miss Couch, presented her Speech pupils in her spring program. Some readings were given by some of the smaller grades. There were several numbers and then the Umbrella Song was illustrated. Then the one act play, that was presented at the County Meet and took second place was staged. The name of the play was "Who Gets The Car Tonight?"

The program was enjoyed by everyone.

### OUR NEW BUS DRIVER

We have an awfully nice bus driver now. He has black hair, blue eyes, and keeps a big chew of tobacco in his mouth practically all the time. The girls are crazy about him. I'll just tell you for sure.

We wish to introduce to you, Mr. Bob Couch.

"CRAZY TO REDUCE"

Mattson Parent-Teachers Association will present Friday night April 21, 1939, the play, "Crazy to Reduce". Don't miss it, because it is the laugh of the season. It will be staged in the Mattson auditorium and the admission is to be 5c and 10c.

### Football Players Try Out At Tech

While Mr. Mason was in Lubbock during spring vacation he interviewed the Tech freshman coach and learned that he would be interested in trying out some of our players. For this reason Eugene Rogers, Sam Henshaw and J. C. Scott have gone out there this week to work out with the freshman players and to stand inspection by the freshman coach. If they find favor with him, it is to be hoped that the school will offer them some encouragement for next year.

### Senior Girls Hear TSCW Representative

Thursday morning the members of the Senior class were privileged to hear Mrs. Agnes Hughes Massie, special representative from Texas Wesleyan College, Fort Worth.

Mrs. Massie urges students to attend T. W. C. after graduation because of the splendid opportunities offered there to develop an all-around personality. She said that although T. W. C. is a small college, having an enrollment of 900 students, it is recognized by both the Association of American Colleges and the Association of Texas Colleges. Mrs. Massie stated that although T. W. C. is a Methodist College, students of all denominations may, and do, attend it. She told many interesting things about the college, illustrating her talk with a large number of pictures.

The Seniors regret that Mrs. Massie could not stay longer, and appreciate very much the time she spent in telling them about T. W. C.

### WHY I'M PROUD I GO TO MATTSOON

In the Mattson auditorium may be seen the only American Eagle in Haskell county. Also one may see a deer head with sixteen points a rare number for this section of Texas. Both the Eagle and deer were brought in by patrons of Mattson community.

To improve the scenic conditions of Mattson school, ground trees and shrubs have been set out. Another important event in Mattson is the laying of a rock wall two feet high around the school campus. The materials for the building of the wall and walks have been contributed by patrons of Mattson district.

All of this adds very much to the attraction of our school, and I am proud of it.

### WE LIKE THE FRESHMAN CLASS BECAUSE:

We are the largest class in high school. This is our first year in high school. We have a good sponsor. We are all good mathematicians. We all take part in sports. We have the only set of twins in high school. We have cheerful boys and girls in our class. Most of the freshman boys make up the junior boys' baseball team. We have fun in the study hall. We have new boys in the freshman class. Everyone of the freshmen take a joke cheerfully.

### Open Your Eyes to Real Savings!

If you're trying to economize on your food purchases by watching for "Specials" we suggest that you bring your next shopping list here—where everyday prices are at a level with week-end "bargain specials".

### Haskell Wins District Meet

With points rapidly piling up in the winning of two debates, a second place in declamation, and a fourth place in ready writing, Haskell High School won in the District Meet at Breckenridge last Friday. This is the first time in a number of years, if ever, that we have had this distinction. Nine counties were represented in the District Meet, so we are particularly proud of our rating. A loving cup will be presented to our school as the winner of the meet, in addition to two cups won by the two debating teams.

Several visitors were present on last Tuesday, including some of the Lions Club members who were banqueted at the noon hour by the Home Economics Department.

### Be Prepared... For The Planting Season. See Us For Planting Seeds NOW

We can supply your needs in field and garden seeds. We have bright resistant Red Maize, Red Top Cane, Peterita, Sudan Grass, Hegari, Kaffir Corn, and Various Field Seed and Cow Peas.

(Continued from Page Two)

**Methodist Sunday School Class Has Charge of Services**  
Mrs. Frank West's Sunday School class gave the opening services for the morning Sunday. A song was sung by the class and the devotional was given by James Yandell. There was a fair attendance although the weather was very cold and threatening.

**A Correction**  
The dates for the Summer Project Work and Adult class is May 29 to June 23 instead of the dates given in last week's paper.

Miss Catherine Coggins of Brownwood spent Sunday with relatives in Weinert.  
Mr. Henry Edwards and son, Jim, former residents of Haskell county visited relatives here Sunday.

Mr. and Mrs. Edd Hester of O'Brien were shopping in Weinert Saturday and visiting relatives. They were planning to spend Sunday in Santa Anna where Mr. Hester's mother of Haskell is, who underwent a serious operation last week.

Mr. and Mrs. Ernest Ingram are rejoicing over the arrival of a little daughter who was born at the Knox City hospital on April 13 and whose name is Sarah Ann.

Mr. and Mrs. Millard Baker of Peacock spent the week end with Mr. and Mrs. A. D. Bennett and Mr. and Mrs. Louis Bennett.

Rev. Charles Sargeant and Rev. Foster of the Plains were in Weinert Saturday and spent Saturday night and Sunday with relatives and friends in the Union Chapel community.

Mrs. Howard Bell of Coleman was a guest of Mr. and Mrs. S. L. Coggins last week.

Mrs. Elmo Hoosier who has been sick for some time in her home in Seymour is recuperating at her mother's, Mrs. H. F. Monke.

Mr. Jerry Kane of Munday was in Weinert Friday night and attended the operetta at the school auditorium.

Mr. and Mrs. H. W. Johnston had as their guests Sunday Mr. and Mrs. T. D. McKinney and sons Tom and Billie of Goree, Mr. Jerry Kane of Munday, Mr. and Mrs. J. K. Kane and Gloria June Kane for a 12 o'clock dinner honoring Mr. Johnston's birthday.

Mrs. H. R. Rich visited Mr. and Mrs. Jack Rich in Seymour Thursday.

Mr. Mavis Womack of Bovena, Texas is visiting his relatives, Mr. and Mrs. Raymond Runnels of Lake Creek.

Mr. and Mrs. Bailey Guess and children, Mr. and Mrs. M. L. Raynes and children, Mr. and Mrs. Frank West and children, Mr. and Mrs. C. Winchester, Mr. and Mrs. Ralls Lee and daughter June, Mrs. Pearl Brown and Miss Katherine McGuire attended the singing convention at Mattson Sunday.

The funeral services of the little 7 year old child of Mrs. Beason and granddaughter of Mr. and Mrs. Tom Brown of the Bettis farm, who underwent an appendicitis operation at the Knox City hospital and passed away Thursday was held at the Methodist Church Friday at 2:30 p. m. Rev. English conducted the services.

The Rochester undertaker had charge of the funeral arrangements, Rochester school teachers and friends of the family had charge of the flowers. The child's father was accidentally killed in Oklahoma several years ago. Since that time Mrs. Beason and her two little girls have made their home with her parents, Mr. and Mrs. Tom Brown.

**SOCIETY and Club**

**Senior-Junior Magazine Club Meets Thursday Night**

For the Senior-Junior Magazine Club meeting Thursday night, Mrs. Madge Arbuckle had the Magazine Club room decorated with sprays and carnations. Mrs. Elizabeth Gilstrap introduced Mrs. Helen Pearson who gave a review of the Peterson's Magazine for the year of 1938. She had original copies for the entire year which the club enjoyed inspecting after the review.

A review of the short stories, of the novels and of the book length stories was given. Noted authors of the day included Charles Dickens, William M. Thackeray, Phoebe Cary. Noted poets were: Elizabeth Brown, Alfred Lord Tennyson. Noted people of the day were: Sam Houston, Horace Greely, Florence Nightingale, Queen Victoria, Empress Eugenie and Jefferson Davis. The most important event of the time was The Crimean War.

Receipts of the day called for pounds of butter and dozens of eggs with a two day period for making. There were many home remedies since at that time there were few doctors. For example, a cure for asthma suggested with a cup of black coffee several times a day and one for corns was to heat a clove of garlic and tie to the corn. Advertisements were evidence that there were no Pure Food and Drug Acts at that time. Hooped skirts were just coming into style and required from fifteen to twenty yards of material with dozens of yards of lace and ribbon. Six petticoats were worn in summer and twelve in the winter. In the household department the chief product made was beaded baskets or other knick knacks.

**Reunion of McClintock Family Held Sunday at Sweetwater**

Mr. and Mrs. A. D. McClintock and children spent Sunday in Sweetwater, where they attended a reunion of the McClintock family held at the Sweetwater Country Club. Five brothers and their families were present for the reunion and outing. Those attending were: Mr. and Mrs. A. M. McClintock and their children, Gerald, Buddy, Wayne and Bill of Midland, Texas; Mr. and Mrs. O. K. McClintock and daughter Anna Marie of Midland; Mr. and Mrs. J. D. McClintock from Jal, N. M.; Mr. and Mrs. A. T. McClintock and daughters Ila Ruth and Gerry from Abilene; and Mr. and Mrs. A. D. McClintock and children, Margaret, Roy, Dan, Jack, Don and Bonnie Dell of Haskell.

**Midway H. D. Club Meets Friday Afternoon**

Mrs. S. P. Herren was guest speaker at a meeting of the Midway Home Demonstration Club on Friday afternoon in the club house. Taking as her subject, "Health Conditions in Haskell County," Mrs. Herren made a very impressive talk on the different phases of work carried on through the United Charities Clinic in Haskell. Club members expressed their desire to cooperate in any way possible with Mrs. Herren in carrying out this work. Mrs. Tom Baker and Mrs. Virgil Bailey who were hostesses for the afternoon served a delicious refreshment plate of ice cream and cake to: Mesdames Willie Lees, Jesse Smith, Ed Henshaw, A. J. Sego, C. G. Burson, C. F. Graham, Dora Graham, Tom Chatwell, C. V. Oates, S. P. Herren Jr., S. P. Herren Sr., Tom Baker and Virgil Bailey.

**South Ward P. T. A. Sends Delegates To District Meeting**

South Ward Parent-Teacher Association sent a full quota of delegates to the Thirteenth District of Parent-Teacher Associations at Electra, Texas. Those attending the two-day session from this unit were the following: Mrs. Irene Ballard, Mrs. John Crawford, Mrs. T. P. Morgan, Mrs. Carl McGregor, Mrs. J. A. Blake.

**Introducing A New Romantic Team**

In "Broadway Serenade" song-studded attraction opening at the Texas Theatre Wednesday and Thursday, April 26-27, Jeanette MacDonald has a new leading man in the person of Lew Ayres who plays her

composer - husband in a modern drama laid against the background of the stage. Frank Morgan, Ian Hunter and Rita Johnson also have important roles in the production in which Miss MacDonald plays her first solo starring role.

## April Program of North Ward P-T-A. Given Thursday Afternoon

The April program number of the North Ward Parent-Teachers Association was presented Thursday afternoon by the first grade pupils under the direction of Miss Ruby Fitzgerald and Mrs. Myrtle Crow, assisted by Mrs. Madeline Hunt. An operetta "Peter Rabbit" was given with the following characters:

Peter Rabbit—Bobby Don Smith, Mother—Rabbit—Anna Mae Kirkpatrick.

Cotton-tail—Kenneth Holmes, Mopsy—Betty Louise Johnston, Flopsy—Betty Oates.

Farmer—McGuire—Kenneth Collins.

Carrots, Nubela Hassen, Pansy Ruth Moore, Anna Myrl McClaire, Juanell Hart, Betty Jo Bird, Billie Jane Oliphant, Betty Ann Fuson, Patsy Ann Childress, Geneva Pope, Dorothy Tatum, Mathilda Ejem, Frieda Bell Frierson, Stella Mae Cox.

Letucce, Mary Elizabeth Arbuckle, Dolores Bryan, Opal Dedson, Mary Tyler, Wanda Stocks, Laverne Irvin, Venita Henington, Gloria Oneal, Ruby Mae Rosseau, Shirley Ann Morris, Mabel McDaniel, Chan Kigg, Marie Mulling, June Brock.

Peas: Bobby Neal Smith, David Ratliff, Charles King, Donald Tidwell, Charles King, Jimmy Bledsoe, Bobby Kirkpatrick.

Beans: Billy Laird, Sterlin Holmes, John Crow, Wayne Melton, Kirby White, Billy Frank Kimbrough, Howard Adams, Frank Dodson, Dennis Zahn, James Darnell, Abe Mulkey Turner, Glenn Power, Brian Burson, Jack McClintock, James Miller, J. A. Terrell.

Mrs. Cretia Brooks, program director for the afternoon, introduced Mrs. Wallace Cox who talked on "Youth in Training for Economic Future."

A business meeting followed with the president, Mrs. H. K. Thornton in charge. Miss Fitzgerald's room won the pot plant for having the most mothers present.

Thursday Night Supper Club Entertained by Mr. and Mrs. Robert Segro

The Thursday Night Supper Club was entertained by Mr. and Mrs. Robert Segro this week. After a meal served in town, the members went to the Segro home for games of bridge. Mr. and Mrs. Carl Arbuckle won high score prize for the evening and Mr. and Mrs. J. E. Walling won low. Other members present were: Mr. and Mrs. Rogers Gilstrap, Mr. and Mrs. Pittman, Mr. and Mrs. Ed Henshaw, Mr. and Mrs. Bob Herren, Mr. and Mrs. Leon Pearsy, Mr. and Mrs. Carl Power, Mr. and Mrs. Wallace Ruff.

## "Home Ownership" Subject For Magazine Club Meeting

"Home Ownership" was the subject for the program of the Magazine Club Friday afternoon. Mrs. H. M. Smith as hostess arranged the room for the program and used a lily and yellow rosebuds for decorations.

Mrs. Guy Mays introduced the following program numbers: "Income Levels Within Which Home Ownership is At Present Possible," Mrs. F. R. Wilson; Piano Numbers: "Home Sweet Home" and "I Love A Little Cottage," Mrs. O. E. Patterson; "Remodeling The Old Home—Modern Construction Materials," Mrs. Server Leon.

Mrs. J. U. Fields reported on her trip to the First District Federated Club meeting in Weatherford this past week. This was her twenty-sixth consecutive district meeting. She told of the gracious way in which Weatherford entertained the visitors. Many famous people who were natives of that city were presented on various programs. Places of interest were visited in the tour of the city. Speakers on the programs were outstanding and gave discussions of much interest.

Mrs. Fields especially complimented the program number presented by the Future Homemakers class of Haskell High School and directed by Mrs. Myrtle Meyer. Too, the program number, "What the Youth Thinks of America" was splendidly given by young people of that city. The response to this number was given by a Federal Bureau of Investigation agent.

It was decided at the club to have a Club Institute involving four counties, Throckmorton, Jones and Shackelford and Haskell at Haskell Friday, May 5.

Rainbow Sewing Club Meets In Home of Mrs. Richard Massey

The Rainbow Sewing Club met in the home of Mrs. Richard Massey Tuesday afternoon April 18. The election of officers was held. The following officers were elected: President, Mrs. J. E. Robison; First Vice President, Mrs. Tom Stewart; Secretary and Treasurer, Mrs. W. E. Adkins; Recreation Leader, Mrs. Willie Foll; News Reporter, Mrs. Doyle Andrews; Song Leader, Mrs. Walter Rogers.

A birthday shower was given to Mrs. J. E. Robison and a lovely picture was given to Mrs. Jesse Joeslet for rendering her service as president.

Refreshments were served to Mesdames Lester Fore, J. E. Robison, Tom Stewart, J. T. Jackson, Harold Kirkpatrick, Doyle Andrews, Jess Joeslet, W. E. Adkins, John McMillin, Taylor Alvis, Willie Foll, Walter Rogers, visitor Mrs. Tom Jenkins and the hostess.

## Mrs. R. J. Paxton Hostess For Helen Bagby Circle

The Helen Bagby Circle of the Baptist Church met in the hospitable home of Mrs. Paxton's Monday afternoon April 17th for a Bible study. Although the weather was very inclement and a cold norther blowing twelve ladies attended the meeting all walking except two and two being 68 years and one 84 years of age and what encouragement it was to the leader and the younger ladies to see how true they were to their Bible study and Mission work at all times.

The meeting opened by singing "Higher Ground" with Mrs. Littlefield as leader and Mrs. Paxton gave the opening prayer. Mrs. Taylor gave the devotional reading a Psalm and told us about May Belle finishing her school work last month and was now located in Northern Brazil at Recife (Caxia 178) teaching with Miss Mildred Cox in a school for girls. Mrs. Gilstrap, our efficient teacher for many years taught our Bible lesson from the book of Philippians which was very interesting and instructive and in the 4th chapter and 13th verse there was a little verse we all love so well and should think about each day when we feel that we cannot do all the things we want to. "I can do all things through Christ which strengthens me," also chapter 3 and verse 14.

I press toward the mark for the prize of the high calling of God in Christ Jesus and if we can place one little brick in the pavement of the Lord's pathway I will place it there. That coming generations may walk thereon to the Heavenly City. Every noble life leaves the fibre of it interwoven forever in the work of the world.

We were dismissed with prayer by Mrs. Diggs and the following ladies were present: Mesdames Gilstrap, Crawford, Littlefield, Yanis Couch, Simmons, Ellis, Diggs, Stuart, Paxton, Taylor and Miss Ida Crawford.

Joeslet H. D. Club Meets Tuesday April 11th

A well organized pantry makes meal planning easy and suggests the daily food needs of the family. Miss Mildred Vaughan, Home Demonstration Agent, when she met with the Joeslet Club members at the club house, April 11.

"For the non-productive months of the year a variety of food for the family should be stored away or canned," continued Miss Vaughan in her demonstration.

We had two new members: Mesdames Cliff Ammons and Frank Spencer and three visitors, Mesdames Leon Gilliam, Scott Green Sr. and Kenneth Strickland.

Refreshments were served to the following members: Mesdames E. B. Caloway, J. L. Toliver, L. M. Bass, J. P. Perrin, O. T. Shurdy, L. B. Taylor, Jesse Joeslet, J. P. Grindstaff, C. A. Thomas, Gene Lancaster, Fred Monke, S. G. Perrin, Charlie King, Louise Merchant, Misses Muri Lancaster, Margaret Toliver and Mildred Vaughan.

## Methodist Missionary Society Has Regular Meeting Monday

After a short business meeting with the president in the chair, the song "Help Somebody Today" was sung by the group.

Mrs. Lewis who directed the program began by reading the words of the hymns "Where Cross The Crowded Ways" and "Lift Up Your Hearts." Mrs. Harrison gave the first part on the program entitled "Meeting Community Needs Cooperatively."

"Community Standards and Community Minds" was given by Mrs. Kimbrough substituting for Mrs. Darnell.

"The Directed Prayer" by Mrs. Warren was concluded with the Lord's Prayer.

Mrs. Guy Mays gave a report of the Missionary Conference in Pampa which she attended last week. Her report was so vivid that it made us feel that we had really heard the informative, interesting and inspirational talk and devotionals given there.

The meeting was concluded with a prayer by Mrs. P. D. Sanders. We want to urge a good attendance at next Monday's program which is to be a book review by Mrs. Wallace Cox. The title of the book is "The Art of Living" and we promise that it will be very interesting to all who attend.

Gift Shower Is Given In Smith Chapel Community Saturday Night

Friends and neighbors of Ed Freedy, a resident of Smith Chapel community surprised him with a gift-shower Saturday night. Games of forty-two were enjoyed throughout the evening. Refreshments of sandwiches and punch were served. Those present were: Mr. and Mrs. Pete Williams, Mr. and Mrs. Henry Teaff and son, Lloyd, Mr. and Mrs. Earl Livengood and son, Bill Aycock, Mr. and Mrs. Z. A. Branton, Mr. and Mrs. Robert Hutchinson and children, Mr. and Mrs. Lee Turnbow and children, Miss Juanita Turnbow, Mr. and Mrs. Howard Thrackerson and daughter, Mr. and Mrs. Robert Young and sons, Mr. and Mrs. Richard Freedy, Clarence Freedy. Those sending gifts were: Mr. and Mrs. McKinster and daughter of Bryan, Mr. and Mrs. George E. Chulburger and sons of Miami, Fla., Mr. and Mrs. Clarence Freedy and daughters Marysville, Kan., Mr. and Mrs. Fred Ford of Weichert.

Miss Katherine Lovelady Is Bride of Carl C. Maples Jr. Saturday

Miss Katherine Lovelady and Carl C. Maples Jr. were married Saturday afternoon in the home of Mr. and Mrs. J. G. Malphurs. Mr. Malphurs performed the ceremony in the presence of members of the family.

For her wedding dress, the bride chose a lapis lazuli crepe with accessories of pink crushed kid. Her shoulder corsage was of pink carnations.

Mrs. Maples is the daughter of Mr. and Mrs. E. C. Lovelady of Bowie. A graduate of Bowie High School, she has attended Abilene Christian College and Business College at Wichita Falls. For the past year and a half she has been employed as stenographer for F. L. Daugherty.

Carl Maples is the son of Mr. and Mrs. Carl Maples of Wichita Falls. He graduated from Haskell High School with the class of 1935. Since that time he has been employed in Haskell and at the present time is with the Panhandle Company in Stamford.

After a brief wedding trip to Wichita Falls, the young couple will return to Stamford for their future home.

May Bell Circle Meets In Home of Mrs. Jack Johnson

On Monday April 17th the May Bell Circle met in the home of Mrs. Jack Johnson for the regular business and social meeting. Mrs. Whatley presided. Reports of officers were called for. Those present gave splendid reports. Mrs. Tyler had prepared a most splendid devotional for her scripture. Mrs. Tyler chose verses from the 10th chapter of Romans. Mrs. Quattlebaum offered a prayer. One committee was appointed. Mrs. Quattlebaum, Mission Study Chairman.

Those taking the Royal Service, Mrs. Johnson, Mrs. Quattlebaum, Mrs. Crawford, Prayer by Mrs. McMillin. The meeting was turned over to Mrs. D. A. Jones and the rest of the evening was spent in a recreation program.

Refreshments were served to the following: Mesdames Chas. Quattlebaum, Jimmie Crawford, H. R. Whatley, Jack Johnson, Vick Kuenstler, J. Tyler, Jno. McMillin, Jno. E. Robison, J. S. Cullum, Jordan, C. E. Weaver, D. A. Jones.

Announcement of Marriage of Former Haskell Boy Received

Announcements have been received in Haskell of the recent marriage of Ralph Huff formerly of this city to Miss Pauline Kitchens of Lamesa. The wedding took place at Port Chicago, California in the home of Mr. and Mrs. Ralph Johnson, relatives of the bride. Following the ceremony, read by Mr. Otto Licht, a reception was held for the couple.

The bride is the daughter of Mr. and Mrs. J. L. Kitchen of Lamesa. The groom is the son of Mr. and Mrs. T. P. Huff of Haskell. He is employed by the Tidewater Associated Oil Company at Avon.

## Family Reunion Held In Home of Mr. and Mrs. Tom Jenkins

On Easter Sunday, April 9, a family reunion was held in the home of Mr. and Mrs. Tom Jenkins of this city. All the children and grandchildren were present for the first time since 1934.

After an enjoyable lunch hour, the evening was spent hunting Easter eggs and taking pictures.

Those enjoying this occasion were Mr. and Mrs. Tom Jenkins and daughters Irene and Pauline; Mr. and Mrs. Bill McDaniel and children; Mr. and Mrs. Richard Massey and Mrs. Leo Jenkins all of Haskell; Mr. and Mrs. Curtis Jenkins and children of Los Angeles; Calif. Miss Ethel Jenkins of Kerrville and Mr. La Rue Morse of Waco.

Appear on Program At Electra P. T. A. Meet

Mrs. Myrtle Meyer and the following members of the Florence Fields Chapter of Future Homemakers in Haskell went to Electra Wednesday to appear on the program of the District Parent-Teacher's meeting held in that city: Connie Jo Norton, Billie Jo Ivey, Bobbie Morris, Marcia Bledsoe, Mary Lou Johnson, Jean Conner, Annie Bess Gilliam, Sue Pate, Margery Busby, Maxine Perdue, Sue Quattlebaum, Dale Bartlett, Beunis Faye Ratliff, Josephine Parrish and Beverly King.

South Ward P-T-A. To Meet Thursday April 20th

The South Ward P-T. A. will meet Thursday April 20 at 3:30 at the South Ward building.

We urge all members to be present at this meeting. Our delegates from the district meeting will have many interesting things to report.

Make your plans now and be present.

## Mrs. W. A. Duncan Entertains Merry Dames Club Tuesday

Mrs. W. A. Duncan entertained members of the Merry Dames Club and guests Tuesday afternoon. Pink roses and verbenas were used in the entertaining rooms. After games of eighty-four refreshments were served to the following: Mesdames Sam A. Roberts, Ada Rike, Paul Frierson, J. R. Cooper, Sam Chapman, C. L. Lewis, Mary Welch, R. C. Montgomery, George Herren, D. H. Persons, Ollie Freeman, R. J. Paxton, Elizabeth Martin, W. A. Kimbrough, J. W. Martin and J. M. Glass.

Sew-and-Sew Club Meets With Mrs. Bob Herren Tuesday

The Sew-and-Sew Club met in the home of Mrs. Bob Herren on Tuesday afternoon. For house decorations, Mrs. Herren used a lily with snapdragons and verbenas. Mrs. Jack Peace was invited to be a member of the club at this meeting. Refreshments were served to Mesdames R. E. Skipworth, P. D. Warren, J. E. Thomson, G. R. Schumann, Henry Morris, T. J. Lemmon, Austin Coburn, Hut Pittman, Hayden McDonald and Bill Woodson.

## Mrs. William Ratliff Hostess For Tuesday Bridge Club

Mrs. William Ratliff was hostess to the Tuesday Bridge Club and guests this week. She used pink roses and verbenas for house decorations. Refreshments were served to: Mesdames French Robertson, Walter Murchison, A. E. McMillen, Bert Chapman, C. L. Lewis, Mary Welch, T. W. Williams, Jack Oates, R. C. Montgomery, George Mickle, Buford Cox, Ben Charlie Chapman, Ralph Duncan, John A. Willoughby, Arnold Chaucey and Ernest Kimbrough.

IN APPRECIATION

We wish to express our appreciation to our neighbors and friends for their generous and material assistance extended in our behalf following the loss of our barn and livestock in the recent fire. We shall always remain thankful for your neighborliness.—Mr. and Mrs. John Oldham.

Mrs. Clifford Williamson of the Smith Chapel community is home from the hospital.

Alvy Couch of Big Spring visited his parents Mr. and Mrs. A. R. Couch the past week end.

# CHURCHES

## FIRST METHODIST CHURCH

You would not live in a city without Churches. The stronger the Churches, the better the city. Attend Church! A cordial welcome awaits You at this Church. Come worship God with us.

9:45 A. M. Church School. Do your duty bring the family to the Church School. There is a class for each member of the family. Every member of the Church should attend the Church School.

11:00 A. M. Morning Worship. We can not really live without God! We must have God. Hear this sermon: "Knowing God."

7:00 P. M. Leagues. Boys, girls, young people attend one of the Leagues.

8:00 P. M. Evening Worship. Close Sunday by attending the Evening Worship. A quartet of young ladies from the Matison community will sing several selections. There are various kinds of vipers in this world! Be sure and hear this sermon: "The Vipers of Sin."

Monday, 3:00 P. M. The Woman's Missionary Society. Mrs. Guy Mays will be the director of the program. Mrs. Wallace Cox will give a book review "The Art of Living" by Norman Vincent Peale. Monday is guest day in the Society. Every woman of the Church is cordially invited to be present. Bring a friend.

Wednesday, 7:00 P. M. Church Night. Bring the family to this service.

Wednesday, 7:30 P. M. Choir Practice. Join the Choir and use your voice for God and Your Church.

"The deposit of which God is the trustee is always secure, and it yields an unending return of peace and joy."

A. C. Haynes, Minister.

## CHURCH OF CHRIST

J. G. Malphurs, Minister

We as a congregation of Christians refuse to have for a guide any creed or confession of faith written by man. Christ himself is the creed of the church, each individual having been conformed to that Creed when he said in his confession, "I believe that Jesus Christ is the son of God." (Acts 8:37). All efforts to pick from the Scriptures certain passages to formulate them into a confession of faith for a group of God's children to be governed by are, if rightly considered, express of dissatisfaction with the way God has left message to man. Creeds of men make and promote strife and division between the followers of Christ. One man, or

one group of men, has as much right to formulate a set of doctrines as another, and thus there is no end to creed making when it is once begun. On the creeds and doctrines of men Christians will never unite, but on the Bible they will not only unite but they are commanded to do so. The Bible is sufficient as a written creed. If it seems not to work at times, the trouble is not with the Bible, nor what the Bible says, but the trouble is with man. Divisions among Christians are not what the Bible says, but over what it does not say.

The subject for the eleven o'clock sermon will be "Handling Aright the Word of Truth"; for the evening, eight o'clock, "The Great Commission". All other services at usual hours.

"Come thou with us, and we will do thee good."

## PRESBYTERIAN CHURCH

Sunday, April 23

Sunday School—9:45 a. m. At the close of this service, installation of Sunday School teachers for the coming year will be observed.

Morning Worship—11 a. m. Sermon subject: "To The Hills".

Evening Worship—7:30 p. m. Sermon subject: "The Chief End of Man".

A sincere welcome awaits all who attend these services.

## FUNDAMENTAL BAPTIST CHURCH

C. Jones, Pastor

10 a. m.—Bible Sunday School. Study, John 1:15-34.

11 a. m.—Sermon by Pastor.

7:45 p. m.—Song Service.

8 p. m.—Sermon. Baptizing and close of service.

Come to our services. A great welcome awaits you.

Mr. and Mrs. C. J. Jenkins and children of Los Angeles, Calif. and Miss Ethel Jenkins of Kerrville, Texas, have returned to their homes after spending the past two weeks in the home of their parents, Mr. and Mrs. Tom Jenkins of this city.

Miss Marjorie Whitaker of Waco accompanied her mother, Mrs. B. M. Whitaker home for the week end. A niece of Mrs. Whitaker's, Mrs. Paul Clark Wilson and sons, Paul Clark Jr. and Allen also visited in the Whitaker home this week end.

S. A. Hughes left Wednesday for a visit in the home of his son, Mr. and Mrs. A. M. Hughes in Bartlettville, Okla. Mr. A. M. Hughes is vice president of the Phillips Petroleum Co.

# Oil Belt Safety Conference to be Held In Abilene

Three divisions are being added to the Oil Belt Safety Conference, scheduled on May 4 and 5 in Abilene which now appear likely to make it the biggest convention of its kind in the Southwest, according to S. M. Shelton, Abilene, chairman for the meeting.

In addition to the industrial conference, meetings of school officials, Boy Scouts, and for those interested in traffic safety will be held.

"It is the only regional safety conference scheduled in this part of the nation during 1939," says Mr. Shelton. "Preparations are being made to entertain thousands of visitors and to make the entire district safety-conscious. Purpose of the conference, of course, is to awaken the public generally to the importance of safety, to demonstrate the many new methods of first-aid and how to prevent accidents on the highway and in the home and while at work or play."

It will be the fifth annual meeting of the Oil Belt Safety Conference of which L. H. Taylor, of Ranger, is president, J. C. Watson, official of the West-Central Texas Oil & Gas Association with headquarters in Abilene, is secretary.

L. E. Dudley, superintendent of Abilene public schools, is chairman of the schools division. He has invited school officials, board members, teachers and members of Parent-Teacher Associations to attend a conference of this division on the morning of May 5. A speaker of nation-wide fame in safety work in schools is expected to make the main address. A committee including prominent educators in each of the 19 counties in the Oil Belt Safety Conference will be announced soon.

The Boy Scout division will be in charge of Dr. Hubert Seale, of Abilene. First-aid contests among teams of Scouts from each county will be a feature of the entire conference.

Chester Rogers of Ranger, is chairman of the industrial division. Approximately 50 seven-man teams are expected to represent

that many industrial firms and businesses from throughout the Southwest in the two-day series of safety contests.

Biggest event of the conference however, will be the gigantic parade staged late in the afternoon of the opening day. Ray Roe, Abilene's youthful fire chief, is parade chairman. He anticipates the longest parade in the history of West Texas, including bands, floats, commercial trucks and cars, in addition to Boy Scouts and school delegations.

"Prizes will be given in each class of entries," Roe announced. "All counties are urged to plan some sort of entry. The only restriction is that safety be the main theme, carried out either by a painted sign on the side of car truck or float, or that it be a demonstration of first-aid or safety-first in illustrated form."

Industrial firms, he said, may enter trucks or cars. As many floats as possible are urged with school and civic organizations eligible to enter.

Still another division will be the highway and traffic conference headed by Captain Harry Hutchison of the State Department of public Safety. Several hundred enforcement officers, county and city—are expected to attend and enter the parade on motorcycles and in patrol cars.

"All organizations interested in safety work are invited to get in touch with me," Mr. Shelton said. "We are anxious to have every city and county well represented in the meeting, which looms as this year's outstanding event in West Texas and should be of inestimable value in reducing the losses and suffering due to accidents."

# Water Facilities For Ranches Will Be AAA Provision

Ranchmen hard put to supply range livestock with plenty of drinking water will be able to drill wells this year with financial aid of the AAA, according to a recent announcement.

The drilling or digging of wells as a conservation measure has been put back into the AAA's range program, George Slaughter, chairman of the Texas Agricultural Conservation Committee, has assured. It had been announced earlier that this practice, which was included in the range program of the Southwest last year for the first time, would be left out in 1939.

This brings to four the number of water-development practices of the program, which provides payment also for construction of earthen tanks or reservoirs, concrete or rubble masonry dams, and for development of natural watering places such as seeps and springs.

Payment for drilling or digging wells is \$2 a linear foot where the casing is not less than 4 inches in diameter, and \$1 where it is less than 4 inches, provided a windmill or power pump is installed and the water is conveyed to a tank or storage reservoir. An artesian well with casing less than 4 inches in diameter will qualify for payment if adequate stock water is made available during the grazing season and the water is conveyed to a tank or trough.

Payment will not be made for a well developed at any ranch headquarters, the regulations state.

**GEMS OF THOUGHT**  
We can better help another by fanning a glimmer of goodness than by censuring his faults.  
—Elizabeth Gibson

## Baseball Centenary

This year baseball celebrates its 100 years of existence, for it was in the spring of 1839 that Abner Doubleday, a West Point cadet, laid out the first baseball diamond at his home town of Cooperstown, N. Y., and established new rules to supersede the old game of "town ball" in vogue before that time.

Among the changes made in the old game was that of limiting the number of players on a side to 11, making put-outs as present, instead of "soaking" the player with the ball as he ran; and regulating the length of games. At first, the opposing teams agreed on how many runs must be made to win, and the club first reaching that number was the victor—no matter how many innings it took.

The game made headway slowly, and it was several years before grown men took much interest in it. Empires were unknown until about 1858. Before that time the batters themselves called "the balls and strikes, and it may be imagined that pitchers had a tough time. Some of the early umpires wore silk hats and frock coats on the field.

The catcher's mask dates from 1877, the first being made by a tinsmith for James Tyng of Harvard, and the light catcher's glove shortly followed. The first big mitt was used by Buck Ewing of the New York Giants in 1890. Basemen and fielders played with bare hands until about the same time, when light gloves were gradually introduced, followed in time by heavy mitts.

Many interesting stories of the game will be told by sports writers during this centennial year, and motion pictures showing its development will be available.

## An Odd Composer

One of the most popular French composers of opera in the nineteenth century was Daniel Francais Esprit Auber, who would not listen to his own music after he had written it, although he would attend performances of other composers' works.

It is related of him that on one occasion he went to hear Rossini's "Barber of Seville," but when the orchestra began he was shocked to find that his own "Mossaniello" almost drove the opera manager to distraction. Two days before the first performance was scheduled, Auber had the score ready except the overture. His librettist, Augustin Scribe, frantically begged him to get busy, but the composer told him to be patient.

On the morning of the premiere, Scribe found Auber asleep in his room with his clothes on, but the finished overture reposed on his table. This overture is still popular, especially with military bands.

Auber wrote some forty operas, the last of which he composed when he was 87 years of age. Perhaps his kindest is one of his lighter works, "Fra Diavolo," the overture to which has often been played as a concert number. Auber died in 1871, at the age of 89.

## Haskell County History

As revealed by the Files of the Free Press 20, 30 and 40 years ago.

40 Years Ago—April 22, 1899  
Miss Minnie Jones' school at Brushy closed last Friday with a concert at night.

We understand that Mr. George Messer has sold his place and stock in the eastern part of the county to Mr. M. Smith.

Messrs. Johnson & Son have a leached a regular grist mill for making corn meal to their windmill, and propose to grind for the public.

We learned that Mr. S. S. Cummings made a sale a few days ago here this week looking for a ranch of 300 head of cows to a Mr. McIntosh of Higgins at \$27.50 per head, throwing in this Spring's calves.

Capt. J. S. Williams is having some substantial improvements made on and about his place.

Mr. Joe Ferguson returned this week from a trip to Oklahoma.

## Texas Highway Department

Ten years ago there were 18,034 miles of State Highways being maintained by the State. Today there are 21,870 miles, and, in maintenance, our highways are second to none. A high standard of maintenance is demanded by the traveling public and furnished by the State Highway Department.

Where formerly maintenance consisted of keeping drainage ditches open and a satisfactory riding surface, now many kinds of traffic service are furnished.

There are over 130,000 signs and markers on State Highways, and, of these, 65,000 show the US and State Route number; 32,810 are yellow caution signs of various types, and the balance is made up of signs indicating the distance to cities and towns; city limit markers; county line markers; speed limit signs, and others. Many signs have been reflectorized for night driving, and soon 75 per cent of all the caution signs will have been reflectorized.

In the past 8 months 6,608 miles of highways have been center striped, and 875 miles of shoulders were stabilized in 1932. The money available for construction will not permit replacement of narrow bridges all at one time, so reflector buttons have been installed in the end posts of all bridges having less than 4 feet greater width than the paved approach. Steel plate guard fence or a row of guard posts have been installed at these bridge ends to help channel traffic.

A recently adopted practice is to install reflector buttons in the guard posts around the outside of sharp curves, and at night these buttons show up like a row of lights, indicating the curve.

One of the most noticeable improvements was the providing by the Department of standard type rural mail box supports, replacing the thousand and one old, ragged looking supports; and the graveling of shoulders at mailbox locations. The cost of this work has been more than offset by reduction in maintenance work since the supports are now easily movable and shoulder maintenance at these points has been reduced to a minimum.

Charging extreme cruelty, Joseph C. Manning, 94, obtained a divorce from his wife Jessie, in a five-minute hearing at Las Vegas, Nev., after nine years of married life. He celebrated his freedom by dancing until a late hour at a Townsend pension club party.

The Wisconsin legislature passed a bill withdrawing state support from the Wisconsin Development Authority, a quasi-public power project set up by the La-Follette regime, for which a state appropriation of \$60,000 a year had been provided.

Periscope spectacles, fitted with a series of small mirrors, whereby a person on his back and looking straight up may read a book lying flat on his stomach, have been furnished for the use of 65 school pupils in a Chicago hospital. Most of the patients are infantile paralysis cases.

After 56 years of wedded life, Mrs. Annie Ludwig filed suit for divorce against Henry Ludwig in St. Louis. Each is 78 years old.

Mrs. Eliza Murphy, 100, of Peckslip, N. Y., asked by inquisitive reporters for her recipe for longevity, replied: "I mind my own business."

Colorado police, on an anti-gambling crusade, toured Phillips County in a truck, confiscating slot machines. Unloading their haul later, they discovered among the spoils a well-filled cash register.

In a campaign to check the spread of tuberculosis, the Ministry of Welfare in Latvia ordered: "Do not let yourself be kissed."

Louis Meitus, Chicago lumberman, recently purchased a number of elephants, ponies, lions and most of the equipment from a bankrupt circus, and now stages free circuses for children of the city.

Presbytery at Abilene this week as a representative from the Haskell church.

County Judge H. R. Jones has appointed Dr. E. E. Gilbert as county health physician.

Mr. M. Smith, one of the county's largest sheep raisers, says the lamb crop of this section will be about 50 per cent of the normal crop.

30 Years Ago—April 17, 1909  
Mr. F. Baker who has been assistant in the Haskell postoffice the past year, has resigned his position and returned to his home at Lockney, Texas.

Homer D. Wade, Judge W. T. Andrews, Tom Penick and T. J. Pannell of Stamford were transacting business in Haskell this week.

W. T. McDaniel, the ginner, says that cotton burrs make good stove fuel, and offers the burrs free to all who will haul them from his plant.

The Methodist Church has purchased three lots west of Mr. D. M. Winn's residence and are having the architect prepare plans and specifications for their new church building.

An election will be held May 15 to determine whether or not Haskell voters favor issuing \$10,000 in school bonds for the purpose of erecting a modern stone and concrete school building.

Geo. W. Manning and Miss Churchwell of Rule were married at the residence of Rev. J. A. Arbuckle Sunday morning.

The citizens of Haskell were made to rejoice this week when the committee that was sent to Sweetwater to submit a bid for the West Texas Baptist Sanitarium made its report. Only three bids were submitted as follows: Abilene \$46,000, Stamford \$56,000, and Haskell \$60,500. The locating committee of the institution will visit the towns bidding for the hospital in May, and inspect the sites offered.

E. A. Chamber and W. M. Stephens were elected Aldermen in the City Election held this week.

Mrs. Will Whitman was hostess for the Magazine Club Saturday afternoon. After the business hour the lesson on Robert Burns was directed by Mrs. S. R. Rike, program director. A character sketch of "Highland Mary" was told in

By William LaVarre

## Only Monument to a Bird!

THE Mormons, when they trekked across the prairies and settled in Utah, had no sooner planted their first crops in the rich new soil on the banks of the Great Salt Lake than catastrophe threatened them. A plague of crickets and locusts began marching over their fields, like a great scythe eating everything in their path. Nothing the Mormons could do had any effect on them. Then, as if in answer to their prayers, sea gulls began coming over the Rocky mountains, in bigger and bigger clouds from the coast of California. The gulls swarmed down upon the insects and ate the fields clean again. Now, in Salt Lake City, stands America's only memorial to a bird, the Mormon monument to the gulls.

## Gilliam News

(Last Week's Letter)  
Mr. and Mrs. H. B. Hataway of Center Point community visited Mr. and Mrs. Buck Shelley.

An Easter egg hunt was enjoyed by the Foursquare Sunday School. Mr. and Mrs. Paul Zahn Jr. visited Mr. and Mrs. Eldon Strickland Sunday.

Mr. and Mrs. Roy Jetton are the proud parents of a fine baby boy, born Easter Sunday. The baby has been named Freddie Gene and weighed 6 1-2 pounds. This is the grandfather's 23 grandchild.

Gilliam has two new neighbors. They are Mr. and Mrs. Walter Strickland and Mr. and Mrs. Arliss Mann and families. Mr. and Mrs. Paul Zahn Jr. visited Rev. and Mrs. J. H. Suddeth Sunday evening.

Mr. and Mrs. Willie Strickland and family of Rochester attended church here Sunday night. Buck and Taylor Shelley are shearing sheep this week.

Mr. and Mrs. Paul Zahn Jr. and son Jud made a trip to Albuquerque, New Mexico last week to visit Mrs. Zahn's brother, Mr. Powell Nelley who was very sick. Mr. and Mrs. Kenneth Terrell and Mr. and Mrs. Roy Merchant and J. D. Zahn spent Sunday at the creek.

Mr. and Mrs. J. L. Grindstaff visited Mr. Grindstaff's sister Easter Sunday at Haskell.

## Bunker Hill

(Last Week's Letter)  
Mr. and Mrs. T. K. Price and daughter Sherie Ann of Abilene, spent Sunday with Mr. and Mrs. Milburn Thompson.

Mr. and Mrs. W. W. Newton, Mrs. Iola Green and daughter, Mildred, J. E. Newton and children spent Sunday with Mr. and Mrs. Melvin Morgan of Sagerton.

Mr. and Mrs. Fred Knipling attended the picnic at the bunk house at Stamford Monday.

L. A. Wendeborn and Geneva Wendeborn attended the dance at the Bunk House at Stamford Monday night.

Mr. and Mrs. Milburn Thompson visited Mr. and Mrs. W. W. Newton Tuesday afternoon.

Mr. Willis Boedeker returned to Howard Payne College, Brownwood, Monday after spending the week end with his parents Mr. and Mrs. E. J. Boedeker.

Several from here attended the Junior play at Sagerton Monday night.

W. W. Newton made a business trip to Haskell Tuesday.

Mr. Dee Thompson of Stamford visited Mr. and Mrs. Milburn Thompson Monday.

Theron Cahill and Joe Meacham attended "Cithello," a performance of Metropolitan Grand Opera at Dallas last week.

Mrs. Frank Junell and daughter, Janis of El Paso are visiting her parents, Mr. and Mrs. I. N. Simmons.

## CONTRACTORS NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 9,940 miles of Reconditioning Flexible Base and Double Asphalt Surface Treatment from the Throckmorton County Line to 5 miles East of Haskell on Highway No. 120, covered by Control 360-4-4, in Haskell County, will be received at the State Highway Department, Austin, until 9:00 A. M., April 25, 1933, and then publicly opened and read. The prevailing wage rates listed below shall apply as minimum wage rates on this project.

Title of "Laborer" or "Mechanic"	Prevailing Daily Wage Working (8) Hour	Minimum Per Day (Based on Eight) Hour Working
Carpenter	8.00	8.00

 Feature Editor ..... J. C. Hawes  
 Sports Editor ..... Herman Joesselet  
 Humorist ..... Eula Florence Newsom  
 Faculty Sponsor ..... Mrs. Iva Palmer

### CHEATING AND CHEATERS

Occasionally you hear some student say, "Well, did I put something by my teacher? I copied all during that exam and didn't get caught." If that student only knew how much he was cheating himself he would never copy on an exam. If you are a cheater, you may think you are rather smart at times, but in the long run, you will be hurting yourself more than anyone else.

You have all heard the old saying "Cheaters never win." This is very true. You can not gain anything by cheating, and really you are cheating yourself. When your school days are over you will wish you had studied instead of cheated your way through school.

If you are in this terrible habit of cheating think it over seriously and be fair from now on. If you are fair you will get along better in life.

### EX-STUDENT WINS SHORT STORY CONTEST

Alice Palmer, an ex-student of Wehnert High School and daughter of Mrs. Iva Palmer, teacher in W. H. S. won a short story contest sponsored by a literary society at Texas Technological College at Lubbock. Miss Palmer won first place and received first prize which was ten dollars. We are very proud of her and hope that she will win many more honors. Miss Palmer is a senior at Texas Tech and will graduate in August of this year.

### OPERETTA IS A SUCCESS

The ward school teachers worked hard on their entertaining feature of the year, but with the hearty cooperation of the patrons they were able to present sixtynine primary children in costumes in "The Wedding of The Flowers" in a successful manner to a large audience.

### SENIORS TO TAKE TRIP TO ABILENE

The Seniors of W. H. S. have been invited to go to Abilene Saturday April 22nd and be the guests of McMurry College. During their stay in Abilene they will be given tickets to Shakespearean plays, miniature golf courses, a skating rink and various other places of amusement. McMurry College is furnishing all of the entertainment. The Seniors have accepted this invitation and will go to Abilene early Saturday morning. They are really planning to have a very nice time.

### SCHOOL NEWS

Friday afternoon, April 21, there will be a football game at dear old Wehnert High. The team is divided into two different teams, namely: The Blues and The Whites. The game is to be free for all who attend. This is to be the first game of the next year's Bulldogs will play, to come out one and all and see the great game. Time is three thirty.

Boxing is the newest sport to hit the Wehnert school. Everyone is boxing. The main bout so far is the one between "Red" Melton and Eulice Booe. We expect to have many more as good before school is out, however.

The indoor baseball teams are now in practice for the county tournament. Wehnert hopes to walk off with more than one first place when the tournament is over. We hope so anyway.

Mr. Cure, our coach has built a croquet ground in his yard for the benefit of the business men. However it looks to me like the students have appropriated it for their use.

### SENIORS TO PUT ON PLAY FRIDAY NIGHT

The Senior play will be presented Friday night April 21st in the high school auditorium. The admission will be ten and fifteen cents. The name of the play is "Simple Simon Simple." If you want to see a good play, don't miss this one.

The characters are: Simon Simple, Junior Cadenhead, Sophie Simple, Joannah Gordy; Stella Simple, Inez Medley; Sammie Simple, J. C. Hawes; Hazel Hawkins, Eula Newsom; Minerva Webb, Alpha Mary Monke; Sally Ann, Fern Lowery; Dorothea Duckworth; Margie Smith; Elwood Eikins; Hazel Sanderson and Thankful Barlow, J. B. Sossbee.

Be sure and see the Senior play Friday night.

### CONTESTANTS GO TO BRECKENRIDGE

Elizabeth, Alatha and Eula really went to Breckenridge in a big way Saturday. Elizabeth and Alatha went in typing. They did not win anything, but they did good work under the circumstances. Eula failed to win also. But we are proud of these girls and wish them more luck next time.

### JOKES

**Recipe For Flunks**  
 Take eighteen weeks of bluff, stir in several absences, combine with plenty of inattentions, flavor well with moonlight auto rides, add plenty of dates. Bake with a teacher's hot temper, and serve cold with disappointment at the end of the semester.

Mr. Hawkins—I take great pleasure in giving you 81 in math.  
 Edward B.—Aw, make it a 100 and enjoy yourself.

Mr. Cure—You have bought the \$10 hat when I liked the \$5 one better.  
 Mrs. Cure—Yes, dear, but just to please you I bought the \$5 one as well.

**MEN WANTED** for Rawleigh Routes of 800 families in Knox, Stonewall Counties. Reliable hustler should make good earnings at start and increase rapidly. Sales way up this year. Write today. Rawleigh's, Dept. TXD-340-SG, Memphis, Tenn., or see R. A. Greenwade, Rochester, Texas. 4tp

**WOOD FOR SALE**—\$1.65 per cord. See John Hamilton, one mile southeast of Foster school. G. F. Mullino. 4tp

**FOR SALE**—Plenty of good heavy see Oats and Barley. Free of Johnson grass. See Paul Frierson or Byron Frierson. 4tc

**FOR SALE**—Registered Duroc and Hampshire Gilts and Boars. A. B. Kempton, Rt., Rochester, Texas. 2tp

**DON'T SCRATCH!**  
 Our Paracide Ointment is guaranteed to relieve itching associated with all form of itch, eczema, ringworm and other itching skin irritations or money refunded. Large jar only 60c at Oates Drug Store. 13tc

## Older Farmers Remain Tenants Only In South

Most young farmers are tenants, in all parts of the United States, but only in the Southern states do the majority of the farmers remain tenants after they reach 45 years of age, according to a survey of the Farm Security Administration reported by W. L. Johnson, FSA's acting county supervisor.

The supervisor is urging use of a "flexible farm lease" which will encourage tenants to improve the land and remain upon it for a longer time, thereby not only making more for their landlord but also accumulating property of their own which eventually will aid in moving them into the owner class.

"The tenancy system as usually practiced in this area fails to offer security to the tenant or incentive to improve or maintain land or buildings," the supervisor said. "The shifting, irresponsible tenant who can never hope to graduate into ownership is holding back his community as well as his landlord and himself."

More than 40 per cent of tenants in Texas and Oklahoma move to new farms each year, and less than 5 per cent have been upon the same farm as much as 15 years.

The improved leasing system includes compensation to the tenant for improvements in case he is forced to move before getting full benefit, while minor ones require only that the landlord be given notice. The supervisor pointed out, how, however, that the flexible lease form leaves these points optional.

Copies with the lease with an annual cropping supplement and livestock lease may be obtained at the supervisor's office in Haskell, Texas.

In addition to promoting ownership through gradual improvement of the tenant's status, FSA is also selecting a limited number of the more able tenants for 40-year loans to buy farms immediately, without a down payment. Less than 400 such loans were available in Texas, and less than 200 in Oklahoma this year, under Federal allocations from the \$25,000,000 made available by the Bankhead-Jones Farm Tenant Act.

Mrs. M. S. Shack returned to Houston with her daughter, Mr. and Mrs. Troy Post for a visit.

### WINS HONORS IN DECLAMATION

Laverne Livingood, age thirteen and in the seventh grade is the Paint Creek junior declaimer of 1938 and 1939. She won in the county and went to district. There she was very much surprised to win a pretty blue ribbon.

Laverne is a very nice little girl, and we wish her luck the next time she speaks. "Good luck Laverne," says all of the Paint Creek students and parents.

### SENIORS SELL ADS FOR ANNUAL

The Senior class sold ads at Haskell and Stamford Monday, April 10. The money from these ads will be for the purpose of financing an annual. The Seniors were very pleased with the reaction of the merchants of both towns.

The Senior class discussed in their class meeting the possibility of presenting another play for the purpose of financing a gift to be left to the school from the first Senior class of Paint Creek.

### AGRICULTURE BOYS GO TO A. & M.

The Agriculture boys left Sunday morning at 7:30 o'clock on a trip to College Station where they entered various contests. There were thirteen talented boys who made the trip. They were accompanied by their sponsor and teacher, Mr. W. B. Cowan.

### ASSEMBLY PROGRAM IS HELD

The student body of Paint Creek school gathered in the auditorium for assembly at the regular assembly hour. Miss Koonce had charge of the program. Several of Miss Koonce's students did tap dance. The following piano solos were given: Rainbows, Chime by Marie Kuenstler; Tumbleweed by Marie Antyene Brown; Minuet in G, by Laverne Livingood and Hungarian Dance by Louise Kalgler. The program was enjoyed very much.

Contributions of: Elnora Du Ross, Willie Lee Medford, Sybil Nanny, Wilmer Bunkley, June Cox, Jerry Gipson, Billie Mae Welsh, Jack Landess, Dorothy Faye Prewitt, Juanita Cox, Frances Larned.

## Getting Up Nights Backache

LEG PAINS - LOSS OF ENERGY - TIRED LISTLESS - LAZY FEELING - BURNING PASSAGE - DIZZINESS - SWOLLEN ANKLES NERVOUSNESS

May be caused by functional KIDNEY WEAKNESS

From inorganic causes

Many times kidneys become sluggish and need aid to filter and pass off acids and poisonous wastes. KIDANS is a long-popular formula indicated as a stimulant diuretic for the kidneys and bladder. Thousands of sufferers from sluggish kidneys have used KIDANS. Reports of pleasing results reach us regularly. If your kidneys need help to carry on their normal eliminative functions, write for KIDANS today. Test KIDANS on our guarantee of results or no cost. Two regular, full size boxes, only \$1.00.

Send No Money Results or Money Back

Write today for two boxes KIDANS. Send no money with order. On arrival deposit only \$1.00, plus postage with postman. Take one box according to easy, simple directions. Then if you don't agree results are really wonderful, return the second, unused KIDANS and we will refund your full \$1.00. The risk is ours so don't wait but order today. If remittance comes with order we pay all postage. THE KIDANS COMPANY, Dept. 21, Atlanta, Georgia.

## The Safety Sensation of 1939 Firestone CHAMPION

The Only Tire Made With The New Safety-Lock Cord Body and The New Gear-Grip Tread!

Never before in our experience has a tire met with such instant approval. Our customers have started a word-of-mouth campaign that is making this the biggest selling tire we have ever had. Look at these advantages.

**Stronger Cord Body**  
 The new Safety-Lock Cords are locked together by the new and improved Firestone process of Gum-Dipping. This means amazingly greater strength and greater strength means greater safety.

**More Non-Skid Mileage**  
 The sensational new Gear-Grip tread with more than 3,000 sharp-edged angles grips the road with a sure-footed hold to protect against skidding. Now is the time to buy — get this safety protection on your car!

Equip your car now with Firestone Tires and be assured of carefree driving during spring and summer.

Listen to The Voice of Firestone with Richard Crooks, Margaret Sparks and Alfred Wallenstein, Monday evenings over National R. B. C. Radio Network. Listen to The Firestone Voice of The Farm—Evers Mitchell interviews Champion Drivers each week during the same hours. See local paper for station and time.
