## CHURCH OF CHRIST REVIVAL MEETING TO BEGIN SUNDAY

**A. F. Thurman of Eastland, Former Minister Here, Will Preach**  
With A. F. Thurman of Eastland as evangelist, a Revival Meeting will begin at the Church of Christ in this city Sunday morning, May 31, with services to be held nightly in the newly-enlarged auditorium of the church building, which has recently undergone extensive repairs and remodeling.  
A former minister of the local church, and also a former Mayor of Haskell, Mr. Thurman is widely known as an able minister and evangelist and is well and favorably known by the entire citizenship for his spiritual leadership and an active leader in civic affairs. Members of the church congregation feel fortunate in being able to secure the former pastor to lead the revival meeting, and his coming will likewise be welcomed by his many friends in this section.

Opening services of the revival will be held Sunday morning at 11 o'clock, when the sermon subject will be "Magnifying Christ". Night services will begin at 8:45 o'clock, and the following subjects have been announced for the coming week:  
Sunday night, "Must Have Faith"; Monday night, "Christ Preaching Christ"; Tuesday night, "Delegated Authority"; Wednesday night, "Come Unto Me"; Thursday night, "Great Salvation"; Friday night, "Christ's Choice of Churches"; Saturday night, "How Is Your Heart?"  
The public is invited to attend each of the services.

## Presbyterian Revival Began Monday Night

The Revival at the Presbyterian Church began Monday of this week with the Reverends Anton J. Van Puffelen, native of Holland, preaching stirring, fearless messages and C. E. Dodge of Seymour, leading the singing of old time Gospel hymns. The meeting is progressing nicely. Due to the Commencement Exercises on Thursday night, there will be no services on that night, but the morning and afternoon services will continue as usual. There will be no services Saturday.  
Sunday, due to the absence of the Evangelist, the pastor will preach at the morning service, and the Singer will preach in the evening Monday, the regular schedule will be resumed.  
It is hoped that everyone in Haskell will hear some of these stirring messages.  
The public is cordially invited.

Mrs. R. P. Trice of Waco, Mr. and Mrs. Truett Trice and son of Abilene, and Mr. and Mrs. Douglas Layne of Houston were guests Saturday evening in the home of their son and brother, W. P. Trice and Mrs. Trice in this city.

## Bernard, Graduating From University of Texas, To Engage In Vital War Industry With G-E

Haskell, born Sept. 15, 1916. He graduated from Haskell High School in 1935, and was president of the Sophomore and Senior classes during his high school career.  
In April 1941, he married Miss Mary Moore of Munday, and the couple have made their home in Austin while Mr. Bernard continued his studies at the University. In 1934 Ralph attended the Bradley Polytechnic Institute at Peoria, Ill., and Hardin-Simmons University in Abilene in 1935-36-37. In 1938 he attended Texas Technological College at Lubbock, and in 1939 entered the University of Texas. Ralph is a member of American Institute of Electrical Engineers and Alpha Phi Omega Fraternity.  
Mr. Bernard will join her husband in Schnectady at an early date, and they will make their home in that city.

## Haskell To Join In 15-Minute War Bond Sale Effort

All retail establishments of Haskell will be asked to cooperate in the nation-wide observance of a 15-minute period from 12 noon until 12:15 on July 1, to be devoted to the sale of War Bonds and Stamps, it was announced this week by O. E. Patterson, Bond Sale chairman of Haskell county.  
On this date, all retail establishments throughout the nation will refrain from the sale of any merchandise or article except War Stamps and Bonds, according to a plan announced from Washington.

Clyde Roden, of Haskell, Coffee stirring, 1 recap tire 1 tube for truck.

## Local FFA Chapter Wins Second Place In Area IV Contest

Homer Neal, local FFA Chapter adviser was notified this week by A. J. Spangler, Area IV FFA adviser, that the Haskell chapter had won second place in the Area Lone Star Chapter Contest. First place in the contest was won by the Breckenridge chapter.  
This is quite an honor for the local chapter as the Area Contest is composed of more than 90 chapters in this part of the state. In order to be eligible to compete in the Area Contest at Stephenville a FFA chapter must first be declared a district winner. The Haskell chapter won this recognition several weeks ago.  
The contest is based on the complete year's work of the Vocational Agriculture Department and the F. F. A. Chapter, Mr. Neal explained.  
Mrs. Eulene Alexander and children, Jimmy and Barbara, accompanied by Tommy Tate, left Wednesday for Cross Plains where they will spend a week or ten days with relatives and friends.

## Health Officials Urge Vaccination of All Children

Taking steps to prevent the possible spread of diphtheria, smallpox and other contagious disease in the community and surrounding territory, local health officials this week urged parents of all children to have them vaccinated against both smallpox and diphtheria as a preventive measure.  
Cost of the immunization is slight, health officials pointed out. In instances where parents are unable to pay for the vaccination, the services will be provided free of charge if parents will bring their children to the offices of either of the following three physicians in Haskell—Dr. L. F. Taylor, Dr. D. L. Cummins or Dr. T. W. Williams. It was announced Thursday by Mrs. S. P. Herren, Sr.  
Mr. and Mrs. J. A. Yancy, Mrs. Paul Thomas and daughter, Joyce Yvonne spent the week end with their son and brother, Mr. and Mrs. Newton Yancey of Dallas.  
Mr. and Mrs. Richard Brieger of Bastrop were week end guests in the home of her son, Mr. and Mrs. Walter Murchison.

## CITY LIBRARY BUILDING FUND IS ESTABLISHED

**Gross Receipts Tax On Utilities Will Go Into Fund**  
Groundwork for the eventual building and maintenance of a City Library in Haskell was laid at the regular meeting of the City Council Tuesday night, when Aldermen adopted a memorandum motion setting aside the sum of \$797.57 as the nucleus for a Library building fund. This sum represents the amount received to date from the Gross Receipts levy on public utilities adopted in ordinance form last year. All future receipts from the 2 per cent Gross Receipts levy will be added to the library building fund, and when a sufficient amount has accumulated, steps then will be taken toward erection of a library building.  
Also at Tuesday night's session the Council voted to pay \$10 per month to assist in maintenance of the Municipal Library now housed in a building on the North Ward school grounds. Mrs. Hill Oates, president of the Magazine Club, appeared before the Council in connection with the movement to maintain the Library in operation.  
The Council heard a report on the recent Firemen's Training School at College Station given by Fire Marshal Rogers Gilstrap, who with Wylie Quattlebaum, secretary of the Fire Department, attended the course of instruction. Aldermen approved a motion for sending Fire Chief Lane, Fire Marshal Gilstrap, and J. M. Waggoner and Wylie Quattlebaum as delegates to the state meeting of Firemen next month.

## Majority of Landowners In Territory Embraced Vote In Favor of Project

Unofficial results of the balloting last Saturday on the proposal to create the Wichita-Brazos Soil Conservation District, as received in the office of County Agent G. R. Schumann, show that the majority of land owners voting in the election favored the creation of the proposed district, which takes in all of Knox county and the north half of Haskell county. A total of 456 ballots were cast in the election.  
Official results of the election will be made known by the State Soil Conservation Board, Temple, Texas, after the results from all boxes in the proposed district are canvassed by the State board.  
Unofficial results of boxes in Haskell county were as follows:

	For	Against
Mattson	11	0
Haskell	8	15
Rule	35	1
Rochester	17	8
O'Brien	12	13
Weinert	19	8
Total	102	45
Knox County	225	84
Dist. Total	327	129

## HHS Teachers and Students Buy \$2,891 War Stamps, Bonds

Students and teachers at Haskell High School have bought defense bonds and stamps amounting to \$2,891.35 during the past fourteen weeks. Sales were conducted through the agency of the Student Council on each Friday. Many individuals bought either bonds or stamps every week, and on the thirteenth week every student and teacher participated, giving the school a 100 percent record for the day.

## Proclamation By the Mayor

To the Citizens of Haskell, Texas, Greetings:  
WHEREAS, our County is engaged in mortal combat with the murderous enemies of Democracy who seek to annihilate the freedoms symbolized by the Flag of the United States, and the citizens of Haskell, Texas in common with patriotic Americans everywhere, are determined to preserve our American way of life, and to that end are fighting, sacrificing, and laboring in distant lands and here at home, and  
WHEREAS, the period of June 8-14 has been designated as FLAG WEEK by The United States Flag Association, during which patriotic exercises will be conducted by loyal Americans throughout the land to emphasize our National Unity and determined effort in the cause of those liberties of which our Flag is the glorious and inspiring symbol,  
NOW, THEREFORE, as Mayor of Haskell, Texas, I do proclaim June 8-14 as FLAG WEEK and direct that during that period the Flag of the United States be displayed on all municipal buildings. Furthermore, I do urge the people of Haskell to display the Stars and Stripes at our homes and places of business, and to hold patriotic ceremonies as a public expression of our love of Country, unity, and allegiance to our National Emblem, the symbol of our civic faith and the beacon of hope to liberty-loving people throughout the world.  
J. E. LESLAR,  
Mayor of the City of Haskell, Texas.

## Leads Revival

Rev. Anton J. Van Puffelen of Fort Worth, a native of Holland, is evangelist for the Revival Meeting now in progress at the First Presbyterian Church in this city. The meeting began Monday night, and attendance is growing at each service.

## VOTING FAVORS WICHITA-BRAZOS SOIL DISTRICT

Majority of Landowners In Territory Embraced Vote In Favor of Project  
Unofficial results of the balloting last Saturday on the proposal to create the Wichita-Brazos Soil Conservation District, as received in the office of County Agent G. R. Schumann, show that the majority of land owners voting in the election favored the creation of the proposed district, which takes in all of Knox county and the north half of Haskell county. A total of 456 ballots were cast in the election.

## Farmers Urged To Move Scrap Iron From Farms

The Haskell County USDA War Board has estimated that 50 percent of the scrap iron on Haskell County farms has been moved, according to G. R. Schumann, County Agent. The remaining 50 percent still remains in Haskell County farms. Farmers are urged to move all available scrap iron from their farms, and put it into the channels of trade so that it can be made available to our war industries and farm machinery manufacturers.

## Curtis Pogue Will Continue In Race for County Attorney

Curtis Pogue, former city attorney who enlisted in the Army Air Corps several months ago and who is now stationed at Sheppard Field, Wichita Falls, and who early this year had announced as a candidate for County Attorney, will continue as a candidate for that office despite the fact that he is now serving in the armed service.  
This announcement was made by Mr. Pogue during a week-end visit with relatives and friends here last week.  
Chandler Alexander, instructor at the Army Air School in Lubbock, spent the week-end here with Mrs. Alexander and their two children, who are visiting her parents, Mr. and Mrs. T. A. Tate.  
Mr. and Mrs. Owen Fouts of Graham visited relatives in Haskell this week end.

## Memorial Service For War Heroes and Men In Service Will Be Held Here Sunday

### Donations of \$48 Are Reported For China Relief Fund

Additional contributions amounting to \$48.97 were acknowledged this week by the committee in charge of the China Relief Fund, according to Courtney Hunt, county chairman of the campaign. This amount, given to the fund since the last report was published, was contributed by the following persons and group:  
Mrs. A. A. Bradford \$2.50,  
W. Q. Casey 1.00, Circle No. 1 of First Christian Church \$5.00, Laura Fields Circle of First Christian Church \$5.00, Seventh Grade of North Ward school \$7.65, Methodist Church \$27.82.

### TOTAL OF \$1,782 IS SUBSCRIBED USC IN COUNTY

A total of \$1,782.44 was subscribed to the USO by the people of Haskell county in the recent county-wide campaign, a final tabulation of reports from the various town and communities in the county revealed, according to R. C. Couch, county chairman of the campaign.  
With only two exceptions, every community in the county raised or exceeded its quota, and the response in every section was generous to market extent. Mr. Couch declared in praising the workers who assisted in putting over the campaign in one week's time.  
The county's quota was fixed at 1,490, and this sum was oversubscribed almost \$300.00, the final report shows. Acknowledged this week was a contribution of \$25.00 from the Humble Oil & Refining Company, which is included in the total.  
Quota and amount oversubscribed in each town and community in the county is listed below, the original quota in the first column and total amount raised in the second column:

Sagerton	90.00	51.00
O'Brien	110.00	184.27
Paint Creek	35.00	38.25
Irby	25.00	34.50
Rule	350.00	264.44
Rochester	400.00	196.19
Weinert	130.00	150.48
Mattson	35.00	36.00
Haskell	650.00	812.31
Cobb	15.00	15.00
Total		\$1,782.44

### Wheat Growers Face Shortage of Storage Space

Do you know where you're going to store your wheat this year? That's a question which every wheat farmer in Haskell county must answer—and the answer isn't going to be too easy, according to John W. Brock, chairman of the Haskell County USDA War Board.  
The wheat storage shortage is dangerously acute, the war board chairman said, and the only out which agricultural leaders can see is the construction of more farm storage units.  
Surveys conducted by the AAA for the USDA war board indicate that total farm storage capacity on farms in the county at present will be inadequate to handle that part of the crop which must be stored on the farms. Additional farm storage units are being constructed or are planned but still more will be needed, Mr. Brock declared.  
Almost two-thirds of all warehouse, elevator, and other grain storage space of farms is already filled, and the amount of wheat stored on farms is the largest on record for this time of year, the county board has been informed.  
The Texas USDA War Board and county board are making every effort to get the materials needed for the construction of farm storage Mr. Brock said, but he pointed out that orders for lumber should be placed now. Critical lumber shortages have held up considerable construction but steps are being taken to break the bottleneck.  
Farm storage construction is considered by the war board to be essential and approval of applications for construction permits will be recommended by the local board to the WPB.

### Hubert Bledsoe Now In Meat Dept. of Barnes Food Store

Hubert Bledsoe, well-known meat market operator of this city who has been employed in Stamford for the past few months, has accepted a position with the Barnes Food Store in this city and will be in charge of the meat department in the store.  
Mr. Bledsoe states the new store features a wide assortment of fresh and cured meats, and in the very near future will add a delicatessen section to this department of the store.  
Lottie Mae Thompson and Addie Lee Hayes spent the week end in Abilene.

### Program at First Christian Church Will Begin at 5 O'Clock

With the citizenship of the entire county invited to attend, and a special invitation to all persons having relatives in the armed service of the country, a Memorial Service will be held in the First Christian Church in this city Sunday afternoon May 31 at 5 o'clock, sponsored by the American Legion in cooperation with the Girl Scouts who will have a very prominent part in the program.  
Program arranged for the afternoon will be a general Memorial Service for deceased veterans of all wars, with special recognition for those who gave their lives while in the armed service, including those who have made the supreme sacrifice in the present conflict.

### County's Quota Exceeded By Several Hundred Dollars

A total of \$1,782.44 was subscribed to the USO by the people of Haskell county in the recent county-wide campaign, a final tabulation of reports from the various town and communities in the county revealed, according to R. C. Couch, county chairman of the campaign.  
With only two exceptions, every community in the county raised or exceeded its quota, and the response in every section was generous to market extent. Mr. Couch declared in praising the workers who assisted in putting over the campaign in one week's time.

### REDUCED GAS RATE TO EFFECT SAVINGS FOR LOCAL USERS

The schedule for reduced rates for natural gas service, which became effective with meter readings of May 15th, will result in savings ranging from ten cents to \$1.00 per month to the average household consumer on net bills. It was estimated this week by City Attorney Calvin Henson. The lower rate schedule will be incorporated in an ordinance to be adopted by the City Council at an early date, the city attorney said.  
Under the new schedule, the minimum monthly bill remains at \$1.50. In excess of the minimum, savings under the reduced rate may be figured approximately as follows, with the old rate shown in the first column, reduced rate in the second, and amount of reduction in the third column.

1000 Cu. Ft.	1.50	1.40	10
2000 Cu. Ft.	2.75	2.55	20
3000 Cu. Ft.	3.50	3.20	30
4000 Cu. Ft.	4.25	3.85	40

GEMS OF THOUGHT

Therefore, come what may, hold fast to love. Though men should rend your heart, let them not embitter or harden it. —F. W. Robertson

Hitler's Biggest Gamble Imminent

Military authorities are said to believe that Hitler has the men and the equipment for one more grand offensive. If that offensive can be beaten, the reason, the Fuehrer will be on the way to eventual defeat and disaster. That is why every effort is now being given to supplying Russia with an ever-increasing stream of the implements of war. Hitler must break Russia if he is to win his global war. The Russians seem completely confident of their power to stop him if they receive adequate equipment.

Stalin has said that American and English help has reached gratifying proportions. This year the destiny of half the world may be decided in the U. S. S. R.

The Fruits of Hoarding

A news dispatch tells of a man who registered for a sugar ration book and reported that he had 15,000 pounds of sugar in his possession. When questioned, he said that he had feared a shortage two years ago and had been accumulating his gigantic stock ever since.

That is a particularly glaring example of the kind of action that, if widely followed even on a small scale, will make an extreme extension of rationing inevitable. In other words, hoarding makes scarcities—and scarcities, in turn, make iron-handed government control unavoidable. Some authorities have said that there would be no need for sugar rationing at that time had not purchases by the public increased to an abnormal level.

American merchants, including chains and independents, have been fighting hoarding. They

have been urging the public to buy normally, and to pay no attention to wild rumors which say that practically everything we need will soon be unobtainable. That advice is 100 percent worthwhile. If all of us follow it, there will be far fewer shortages, and rationing can be held to the minimum.

The American merchant, big or little, is the consumer's best protection. That's true whether the merchant deals in clothing or general merchandise or food or hardware or anything else. The merchant knows conditions. He is in a far better position than the rest of us to anticipate what the future will bring. And when he says, "Don't hoard!" he simply talks common sense.

Everybody's War

This is everybody's war—and everybody must help finance it. That is the gist of a recent statement by Secretary of the Treasury Morgenthau in which he pointed to the need for increased purchases by individuals of United States Saving Bonds.

During the next year, said the Secretary, the nation will probably have to borrow upwards of \$35,000,000,000. And then he made this pertinent observation: "If the government is compelled to go to the commercial banks for the bulk of these funds, the result will be to increase inflationary tendencies which are already serious.

"When bonds are purchased with savings out of current income, on the other hand, such savings help to reduce excess consumer income which, if spent for a limited supply of consumer goods, would tend to force prices up. It is for this reason, among others, that we are going directly to the people for as much as possible of the money needed for the war."

The banks cannot do it all—and in the interest of a sound national economy they should not do it all even if they could. It is the plain duty of everyone, out of self-interest if for no other reason to put every possible dollar into the bonds which pay for fighting our enemies.

Mr. Morgenthau recommends a wide extension of the payroll savings plan for bond purchasing. Under it, you simply allot a definite part of your salary for bonds, precisely as you budget for food, taxes and everything else. Time is short now—and it's up to all of us to buy bonds to the absolute limit of our financial abilities.

Proven Worth

The agricultural marketing cooperatives are doing many an important job for the farmers of this country. Two of those jobs deal with improving production methods, and stabilizing and expanding markets.

That kind of work is doubly important now. War has brought the farmer a long list of new and difficult problems, such as scarcity of labor, and unprecedented wages when labor is available. If the farmer is to make a go of it, he must get maximum output at minimum cost.

War has also disrupted and changed markets. The rubber shortage is making normal transportation methods impossible in many areas. The co-ops have their hands full in helping their members make the swift adjustments that are necessary.

These farm organizations have proven their worth. They have earned their place as a definite factor in present-day agriculture.

fields of oats had good heads, notwithstanding the dry season. The forage crops and corn and cotton are looking well, and it seems the cultivated crops are not suffering for moisture.

H. B. Ashburn, of the firm of Brown & Ashburn, who have the contract and are grading the Stamford & Northwestern Railroad, called at our office Monday. He reports that they have completed the grade for six miles of the road that required the moving of 10,000 yards of earth per mile and are at work on a part of the road that will require 20,000 yards of earth per mile to be moved.

We are in receipt of an invitation to attend the 19th commencement exercises of the University of Texas, June 8-11.

Mrs. Helen M. Stoddard of Fort Worth, president of the state W. C. T. U. will deliver a lecture in Haskell on June 9th.

Sheriff Dilling of Mitchell county was here this week. Mat Walker has gone to Motley county where he has secured a good position on a ranch.

Miss Docia Winn returned home Sunday from Sherman, where she has been attending school.

Several wagon loads of Major Smith's spring wool clip passed through town Wednesday going to Stamford for shipment.

Rev. R. C. Farmer, who was pastor of the Baptist Church at this place several years ago but is now located in the Indian Territory arrived here this week on a visit to his daughter, Mrs. W. W. Hentz.

The only home owned in Texas by Stephen F. Austin, "Father of Texas," is restored in replica on its original site in San Felipe.

Paintings by early nomadic Indian tribes of Texas are scattered for one-half mile along a bluff near Paint Rock in Concho County.

Official U. S. Treasury War Bond Quotas for June

The above map of the country shows the War Bond Quota by states for the month of June totalling \$800,000,000. Everybody every day is expected to invest at least ten per cent of his income in War Bonds to aid in financing America's offensive against the Axis powers.

Alfred Outlines His Platform U. S. Senate

All-out support of the effort, benefits to men and "planning now" for the adjustment to come after the war were set forth in the platform James V. Alfred in filing his name on the ballot as candidate for junior United States senate this week.

Alfred's platform calls for interrupted production of materials 24 hours a day, against strikes or slow-downs either capital or labor, and able profits and control agencies.

For men in the service, Governor Alfred proposes transportation without cost, the training camp to be in town or city, laundry without cost, employment educational opportunities discharge.

He called for immediate provision for all persons of means dislocated under the economy and extension of government credit to little business thus affected; and after the program to provide employment and readjustment to an industrial and agricultural economy.

"We must write and enact peace that shall insure our children against the recurrence of war," he said.

Alfred opens his speaking campaign with a rally in his town of Wichita Falls on Tuesday afternoon.

The population of Texas recorded by the 1940 Federal census is 6,414,842.

The brick work on the new garage and filling station being erected by R. C. Couch on Depot street has been finished and workmen are busy completing the roof and interior of the building. When finished the building will be occupied by a filling station and garage on the corner, with the remainder of the building housing the Western Union office and the Watson Candy Kitchen.

The contract for graveling of Main street from the end of the pavement to the depot was awarded last week to St. Clair & McDavid, contractors of Seymour.

Mrs. R. V. Robertson had as her guest this week her mother, Mrs. Plants, of Seymour.

Prof. C. C. Muntra, superintendent of the city schools for the past three years, has accepted the position as superintendent of the Crooked county public schools, in Crooked county. Mr. Muntra will probably leave for Donna next week.

O. W. Young of Eastland has purchased the T. J. Johnson & Son Candy Kitchen and took charge the first of the week.

R. J. Paxton and Lex B. Morris of Denton returned home Sunday after a two weeks visit in this city. They were accompanied by Miss Maurine Couch, who will visit in the Paxton home.

Mr. and Mrs. O. B. Norman and daughters and Mr. and Mrs. J. M. Everheart and son spent Sunday with Mr. and Mrs. Virgil Everheart of Sagerton.

Mrs. John Qutes and Mrs. W. M. Reid attended the ball game at Stamford Saturday.

Sheriff Al Cousins left Wednesday night for Eastland, where he is a witness in a case being tried there this week.

Mrs. B. M. Whiteaker was the guest last week of her brother at Aspermont and her parents, Rev. and Mrs. Nichols at Stanton.

W. A. Duncan and wife of Byers passed through Haskell Tuesday on their way home after making a prospecting tour of West Texas.

# Natural Gas Rates **REDUCED!**

## NEW RATE TO SAVE RESIDENTIAL AND COMMERCIAL CUSTOMERS \$2,000,000 ANNUALLY

### *To Our Customers:*

Through more than three decades of operating history it has been a fixed policy of the management of Lone Star Gas System to spare no effort to accomplish and maintain a dependable gas service for its customers at rates commensurate with the cost of rendering such service. The important reason for this basic policy springs from the very roots of a definite responsibility to our customers, most of whom depend exclusively upon natural gas service for their fuel requirements. The part that gas serves in protecting the health, comfort and welfare of more than a million men, women and children in homes served by Lone Star Gas System, is an assignment that we have accepted in its full seriousness.

To meet these requirements millions of dollars have been expended for materials, equipment, proven gas reserves, pipeline transportation and distribution facilities planned with careful foresight to safeguard a continuity of dependable service over a long period of years as well as for the present. In line with this policy of providing not only adequate but dependable gas service from our interconnected facilities, a substantial part of the System's earnings as well as considerable borrowed capital has been applied to this development program. At all times the System's thousands of stockholders have evidenced their cooperation in many ways in order that the utmost might be accomplished in this program of development. During this period, a large portion of which represented the depression years, neither the normal growth of individual towns served by Lone Star Gas System nor increases in residential, commercial and industrial customers kept pace with the expansion program which we were required to maintain in the interest of continued dependable service.

As the interests in good gas service of both Lone Star Gas System and its customers are interdependent, the rate charged for gas should be fair and reasonable for the customer and at the same time sufficiently adequate for the System to meet its responsibilities. In defense of this sound principle we have, on various occasions during our period of development, become engaged in rate controversies and litigation. In these instances we have had no choice except to diligently and firmly protect the mutual interests of the System and its customers against an ultimate downfall of service due to unwarranted and untimely rate reductions.

The area served by Lone Star Gas System has now reached an all-time high in industrial, commercial and residential expansion and this has resulted in an increase in the amount of gas normally used. Because of long preparation we are prepared to meet the requirements of these increased demands now being made upon our System. We are pleased that under present circumstances we are able to consent to a rate order which will give our customers a substantial reduction in the cost of their gas service and at the same time dispose of all pending rate controversies.

In announcing this rate reduction it is our earnest hope that, as we all adjust ourselves to the war effort, sufficient new peace-time uses for gas service can be developed for the future to justify this low rate indefinitely.

**By agreement, the reduction of \$2,000,000.00 annually has become effective to customers served by Lone Star Gas System.**

### Various Activities Are Sponsored By Local Y. W. A.

The YWA in Haskell is a very active organization under the leadership of Kate Perdue and Mrs. W. A. Lyles. This group of twenty two girls organized in April meets every first and third Tuesday at 7:30 p. m. at the First Baptist Church. Membership in the group is non-denominational and the purpose is an active missionary work.

Since the organization a number of worthwhile activities have been accomplished. The group is responsible for keeping Ward 13 in the Haskell County hospital in fresh flowers, magazines and worthwhile literature. They have also supplied that room with a scrap book and have placed pictures on the walls.

Too, the girls have sponsored and financed a Cadet banquet with guests from the Flying School in Stamford. Letters to relatives of the boys have brought such replies as these: from Cherokee, Ala., a mother wrote, "I cannot express my deep appreciation for your interest in my son. Just to know that some one is interested and helps to make him happy and contented means so much to me. I feel that such entertainment helps to keep the boys on the right road." A father from Albuquerque wrote: "Your recent letter has accomplished its purpose, in that it has comforted the heart of a mother whose bereavement is the results of her son's absence from home, engaging in this grim but necessary war; and in addition it has gladdened the heart of a father as well. Like all fathers I am proud to have a son who is mentally and physically fit to be a Flying Cadet and who is anxious to join his comrades in arms at the front where victory must be ours. We extend our heartfelt thanks for the efforts you have made in making our son's training in Stamford as cheerful as possible."

Tuesday evening, the group was fortunate in having Anton J. Van Puffelen, a native of Holland now residing in Fort Worth as their guest speaker.

Beatrice Mobley was program chairman for the meeting which was opened with the singing of Living For Jesus. Margaret Breedlove gave the devotional. Remember the creator in the days of thy youth. Evaluating Essentials—Survey was next in which the group gave the highest vote to religious freedom, second to homes, third to friends, fourth to education, fifth to health, sixth to recreation, and seventh to modern conveniences.

The Rev. Clifford Williams, pastor of the First Presbyterian Church introduced the speaker, who presented a challenging message on Being Missionary in Action rather than in Name.

Following adjournment most of the following girls present attended the revival services at the Presbyterian Church: Beatrice Mobley, Era Cass, Doris Hammer, Margaret Breedlove, Vera Cass, Amelia Beth Hammer, Ruby Sue Persons, Ruby Davis, LaVerne Guess, Juanita Mapes, Rev. Williams, Rev. Van Puffelen, Mrs. Lyles and Mrs. Perdue, counselors.

The group voted to meet next Tuesday afternoon to perfect the organization for a summer recreational program. This is to be their next undertaking and all girls of the town are invited to attend.

### W. M. U. of First Baptist Church Has All Day Meeting

The W. M. U. of the First Baptist Church met Monday at the church in an all day meeting. About thirty five ladies were present for the very inspirational home Mission Study. The subject for the day's student was The History of the American Negro.

The book was reviewed during the day with the following ladies giving most excellent parts: Mrs. Bill Woodson, Mrs. Virgil Brown, Mrs. Jim Crawford, Mrs. George Herren and Mrs. J. T. Ellis.

To further emphasize the program, several members of the colored group of this city were present. They asked the ladies for assistance in a few of their problems relative to the missionary field. This brought the lesson directly home to the group.

The covered dish luncheon was served at the noon hour. Interest and enthusiasm in the meeting was experience throughout the day. With one of the largest attendances of the year, the ladies are eagerly looking forward to more meetings of such informational and inspirational nature.

There was a business meeting in the afternoon with reports from various officers showing progress in their fields.

### Harmony Club Enjoys Breakfast Wednesday Morning

Members of the Harmony Club observed the close of the year's work with an annual breakfast in the Tonkawa Coffee Shop on Wednesday morning at nine o'clock. Members of the entertainment committee: Mesdames Hill, Squires and Cahill had made the tables beautiful with bowls of Shasta daisies, sweet peas and roses. Attractive place cards marked the plate of each member and guest. Rev. Clifford Williams offered the invocation. Mrs. B. M. Whiteker presided saying words of welcome, then giving a short talk on "Why Be Patriotic?" The theme of the morning program. Mention was made of the many blessings and privileges we enjoy among them being good music. Reference was made to a recent visit to the Southern Baptist Convention in San Antonio, where a congregation of eight thousand sang the old hymn of faith; a men's choir of fifty or more sang choruses and late in the evening a negro choir sang spirituals to an immense crowd on the banks of the river. Mention was also made of the blessings Texans enjoy in the way of beautiful scenery and places of natural charm. The talk closed with the giving of a nature poem.

Mrs. R. L. Harrison gave a toast to the officers who have served the past year in which she spoke appreciatively of the efforts of each. Mrs. Tommie Hawkins toasted the in-coming officers saying that we turned the affairs of the club to them in all confidence. An encouraging note was sounded in each talk to go forward despite difficulties.

Rev. Kenneth Copeland sang Behind The Cloud The Sun is Shining and After Sunset, linking the songs with the patriotic theme in his introductory remarks.

Members of the High School orchestra with their director, Mr. Elbert Fagan gave the following numbers: Black Prince March, Deep in the Heart of Texas, The White Cliffs of Dover, Dark Town Strutters Ball, Bugle Call Rag, Jersey Bounce, Any Bonds Today, All joined in singing the Star Spangled Banner directed by Rev. Copeland and accompanied by the orchestra. Thanks are due Mrs. Calvin Henson for the program arrangement. Members of the orchestra are Mr. Fagan, J. Riley Pace, Douglas Smith, Eugene Risley, Cecil Gholson, Robert McCurry, V. A. Brown Jr., J. W. Holland, Norman Peavy.

dictorian address and Effie Alice Rowan gave the class poem, and Doris Tidwell the salutatorian address. Presentation of the diplomas was by Arthur Adams, principal Supt. E. L. Tabor presented the awards to the grammar school students. Class song was by the graduates and two songs were given by the grade school chorus directed by Miss Crawford. Altogether the school has been one of the most successful in the history of the Sagerton school. To the studious and patient worker comes success, to the slothful and indifference—failure. Both teachers and pupils should feel gratified, as well as the school board and patrons that harmony prevailed throughout and the work has been especially gratifying. Everyone concerned deserves congratulations. The faculty includes: E. L. Tabor, superintendent, Arthur Adams principal, Miss Irene Stewart, Mrs. Lloyd Hamilton, Mrs. Preston Manley, Miss Lillian Yates, Miss Kathleen Crawford, Mrs. E. L. Tabor and Miss Frankie Palmer.

Bobby Jean Cornelius is visiting in Hobbs, New Mexico. Recently appointed Community Victory Leaders who will serve on the County Agricultural Victory Council are Mr. B. Kupatt and Mrs. J. A. Clark. Martha Schmalenbeck Elected Secretary of Women's Organization The Women's Independent Campus Association, one of the largest organizations on the campus at the University of Texas elected Miss Martha Schmalenbeck as secretary for the next year.

Last Assembly Program Held The last assembly program for this year was given Wednesday May 20th with Supt. E. L. Tabor in charge. The Seniors presented the program with Martin Ramm as master of ceremonies. Louise Jeter gave the Class History. Miss Frances Kupatt read the class will. The class poem was read by Pearl Lehmann. Pauline Neinstad read the class prophecy. At the close of the program little Jean Diers led the audience in the pledge of allegiance to our United States flag.

The speaking date in Sagerton for all conditions is June 26, so everyone should remember this date. Rev. and Mrs. Lloyd Hamilton left this week for Wilson, where they will visit relatives. Mr. O. E. Bowman, a former teacher here visited friends here last week. Mrs. John L. Tabor attended a postal meeting in Haskell Monday night.

Personal Glimpses of the Seniors of 1941-42 Martin Ramm, most popular boy, dignified, sober and objecting to everything suggested. Good at tricks and alibis. A favorite, a good mixer and a general all around good sport. Forget the fact that he is slow, hard to convince and on rainy days is afflicted with a chronic grouch. Martin is a good worker for the school and in every respect he keeps the old S. H. S. spirits floating high in the air. Louise Jeter, Haaloween car-

nival queen, wears a smile that "won't rub off". She has a very keen imagination and if we are to praise her we would say that she has a broad knowledge of everything. One good trait is her preparedness for all emergencies; for instance an ever ready excuse for her frequent absence from class. She does have a vivid imagination and all in all she is a loveable character.

Frances Kupatt, dear old smiling, golden headed Frances. She has a gift of a million friends in that smile. She is congenial and always good-natured. Frances is planning to attend John Tarleton and we know she will be a big success. Lucky is the man who wins Frances "for better or for worse" for we know it will be better, first, last and always.

Cleo Pilley who was elected to reign as football queen this year is a brunette, brown eyed and has a flare for poetry. Cleo has always been an honor student in her studies. Her aim in her high school work has been to study hard and to appreciate the finer things in life. Her pleasant personality picks up friends like a magnet. Her friendly manner, along with her stately appearance merited the title of football queen of Sagerton high school. She expects to make Cohnnie a good wife. Her home is in Cross Plains.

Wayne Laughlin, a real ornament to the school, is a very industrious student, also upright-dark and (somebody whispers) handsome. A friend earnest and sober, and unless we brag on him we'll add that "he's awfully conceited and vain."

Pauline Neinstad, most popular girl reports on all troubles, love affairs, heartaches, failures and successes. Pauline is editor in chief of The Eagle. We feel that we have a very capable hand at the wheel. She always has a friendly word for everyone, and her good disposition has won for her many friends. Here's wishing you lots of luck, Pauline.

Pearl Lehmann, always on the job, ready and willing and what's more she's always prepared. Pearl has a quiet, congenial manner and she plans to continue her education.

Geardean Mathis, captain of the volleyball team this year has a very keen sense of humor. She enjoys outdoor sports especially tennis, having helped to win county doubles for our school this year. Geardean was chosen Gold Star girl for our county this year and she was also valedictorian of her class.

Mr. and Mrs. M. Y. Benton, Dorothy Lee, Yater Jr., Mr. and Mrs. J. A. Clark, Charles and Joe and Mrs. Leslie Cobb and Miss Eva Hitt visited Mr. and Mrs. Eldon Cook of Abilene Sunday.

Eugene Geroff of Old Glory visited Douglas Wayne Wienke Saturday and Sunday. Mr. and Mrs. Frank Bilberry visited in Jayton over the week end. Mr. Bilberry's nephew, Charles Arthur returned home with them.

Shower Honors Mrs. Eldon Cook Mrs. J. A. Clark, Mrs. Leslie Cobb, Mrs. Frank Bilberry and Miss Dorothy Johnson were co-hostesses to a gift shower for Mrs. Eldon Cook Thursday of last week in the home of Mrs. Clark. Mrs. Cook was before her marriage, Armittee Benton. Mrs. Cook received many nice and useful gifts. The honoree's chosen colors, green and white were emphasized throughout the rooms with white larkspurs and green foliage. The mirrored centerpiece for the dining room was a cleverly arranged bowl of white larkspurs surrounded by green tapers.

Mr. and Mrs. Ralph Duncan Are Hosts For Bridge Tuesday Evening Mrs. Jack Mickle and daughter Elsa Lou left Thursday for Waco where they will their future home. Mr. Mickle who has been in Chicago for the past three weeks will be connected with Baur and Black Drug Company stationed in that city.

Mr. and Mrs. O. B. Norman and daughter Helen of Lamesa, former residents of this city, spent Sunday night in the home of Mr. and Mrs. Sam A. Roberts.

Mr. and Mrs. John Clark, Mrs. Benton, the bride's mother, Dorothy Lee Benton, the bride's sister, and Mrs. Cook the honoree, formed the receiving line. Mrs. Leslie Cobb took the guests names in a beautiful satin bride's book. Invited guests were from Rule, Sagerton, Knox City and Aspermont. Mr. and Mrs. Arthur Adams and sons left Monday for Comanche where they will spend the summer. Arra Mae Fulbright spent the week with Mr. and Mrs. Johnny Patterson east of Haskell.

Mr. and Mrs. J. A. J. Bradford, Mrs. Forest Grace and daughter Sue of Sweetwater visited Mr. and Mrs. A. A. Bradford and daughter Jane last Thursday.

F. F. A. Members and Guests Enjoy Party Tuesday Evening On Tuesday evening more than 40 members and guests of the Dave Persons chapter of Future Farmers of America met in the city park for an outing and picnic lunch.

After having a fine meal the members played several games. The highlight of the evening was the presentation of a lovely Shaeffer desk fountain pen set to the F. F. A. advisor, Homer Neal, by the Future Farmers sweet-heart, Caroline Williams, from all the members of the chapter. The presentation of the gift took Mr. Neal completely by surprise. He expressed his appreciation for the lovely gift and thanked everyone for their cooperation in making the work successful. He expressed his appreciation especially to the officers for their work.

## Numerous Seniors Begin and Finish Together

The Invincible Twelve that started to school in North Ward are Billy Clifton, Florence Hammer, Beverly King, Omella Moore, Dan Oates, Bud Pace, Josephine Parish, David Patterson, Charles Reeves, Sam Smith, A. H. Wair, and Freida Wheatley. They have weathered the storm together all through grade school, and are now finishing high school.

The Lucky Five that started together at South Ward are graduates are Hess Hartsfield, J. W. Holland, Jean Menefee, Eunice Ratliff and Janette Viney.

The four brilliant ones that caught us—but couldn't pass us—(not this outstanding class of '42) are Dale Bartlett, Ross Lowe, Sue Pate, and Mary Helen Crandall.

## Future Plans of Seniors

The following seniors have definite plans for the near future.

Roy Clay Brock and Sam Hugh Smith both selected the same school, North Texas Agricultural College at Arlington; these boys are such pals that they just could not separate. Sam begins classes the thirtieth of this month in a general course, Military Science and General Agriculture are Roy Clay's subjects, and he will start his course in July.

Many of the seniors plan to enroll in college this fall. Mary Helen Crandall and Josephine Parish chose Texas State College for Women in Denton.

Ross Lowe will attend North Texas State Teachers College in Denton where he will major in Business Administration.

Dan Oates is going to study Petroleum Engineering in the University of Tulsa in September.

Betty Jo Hester and Frances Chapman plan to attend North Texas State Teachers College. Betty Jo will enroll this summer, but Frances is going to wait until fall.

Doris Minick will attend three young people's assemblies—McMurry, S. M. U., and Mount Squeoach at Fayetteville, Ark. In the fall, she will enroll in some college.

In September, Vera Schwartz will enroll in Abilene's branch of Draughon's Business College.

Charles Reeves will enter the Naval Air Corps as soon as school closes.

## Library Receives Additional Books

Recent additions have been made to the slowly accumulating collection of books which we call our library. Several books of varied kind were donated by Goldie Smith a few weeks ago, and more recently a nine-volume History of the United States was given by Mrs. R. C. Couch. Four new books were purchased last week with a small fund left over from the students' Reader's Digest fund. Two of fiction and two of biography, they include: "The Oregon Trail" by Frances Parkman, "The Grizzly King" by James Oliver Curwood, "Daniel Boone, Wilderness Scout" by Stewart Edward White, and "The Man Nobody Knows" by Bruce Barton.

## Softball to be Played This Summer

Plans are being made for the football boys to play softball this summer. Much interest has been taken in this and several games are to be played. The first game will be played Tuesday when the Indians meet members of the Lions Club in an interesting encounter.

## Band and Orchestra Give Performances

The high school band gave a concert on the court house lawn last Saturday night. The music was of popular and march pieces, and a number of people gathered to hear the concert.

The school orchestra which Mr. Fagan organized some weeks ago has nine members, including Mr. Fagan himself who plays the piano accompaniment. The orchestra has played for numerous affairs. They entertained the audience before the Senior play, and were scheduled for a program this week. Members of this organization are Bud Pace, Herman McCurry, Cecil Gholson, Douglas Smith, Norman Peavy, V. A. Brown, J. W. Holland, Eugene Risley and Mr. Fagan.

## Junior Commencement Committee Is Named

Each year some of the Juniors serve as hosts at the commencement ceremonies. The girls make the badges for reserved seats and hand out programs; the boys place extra chairs and serve as ushers. They also lead the processional at both services and the recessional at the baccalaureate service. Class officers usually serve in this latter capacity. Leading the processional this year was Jerry Cahill, the class president, accompanied by Shirley White, J. W. Casey, the vice president, led the recessional, and he was accompanied by Betty Jage Isbell.

Program girls for the baccalaureate service were Marie Adams, Patsy Peasey, Velma Alice Ballard, and Lela Ruth Brock. The boys who served as ushers were Roy Everett, Albert Holcomb, Dan McClintock and Gordon Johnston. Filling the same places at the commencement program were Kathleen Davis, Marcell Whiteker, Bruce Gardner, and Mary Frances Perdue; Norman Peavy, Jesse Fagan, Jerry Crawford, and Tommy Davis.

Mrs. John A. Willoughby and Mrs. Pyeatt McCollum of Stamford visited in Haskell Monday afternoon.

## Through the Looking Glass

This is the last copy that will be published of "Through the Looking Glass." Oh, well! All good things must come to an end (ahem). Seriously, readers, the writing of this column has been fun, and I only hope you enjoyed reading it, half as much as I enjoyed writing it.

I wonder if any of these teachers could be bribed by apples or candy, or flattery? After the finals are over, something must be done to help those poor, staggering grades. To put it in common language, quote bright little Wallace Cox, "United we pass, divided I fail."

I have never heard so much fuss as the Seniors are making about their caps and gowns. Goldie's cap is too big; Brock's is "kinda" tight; and all the girls are having "connotations" because their gowns are so long they hide their dainty ankles. But if you ask me (now, don't say you didn't ask me) it's just nervousness working off. After all, this is the first time they've graduated in these "Death-gray" caps and gowns.

The most over-worked phrase in a Senior's language is "What did you get for graduation?" Everywhere one turns, this phrase is heard. Some of the Seniors, especially Bud Pace are getting worried. Their gifts are not coming in very fast. So to the receivers of invitations—please let these students know something about what you intend to do. By the way, please don't think they are cold-blooded or mercenary, 'cause they are not (Oh, yeah??)

Haskell High did it again! Once more the entire student body and teachers were one hundred percent in their purchases of defense stamps. As usual, the Texas History Class had to carry off the show. Honestly, something should be done about them. But to tell you how they carried off the show they had a grand total of \$150.65 as their purchases for May 22, 1942. P. S. In case you don't know it by now, the instructor is Coach Horton.

## Sports Prospects Are Good for '42-'43

Sports for H. H. S. in '42-'43 look excellent. At least that's the way Mr. Horton sees it and he's our authority, isn't he?

With reference to football, our most emphasized sport, Coach Horton stated that to him it "looks better than at any time in eleven years' experience". And from the teams he's turned out elsewhere, this should be enough to turn everybody's interest to football, even at this early date.

We find that the schedule for next year contains many of our strongest rivals. First we play Spur on our home field, and if you remember that in the last three years we have won twice, and they once, it will be easy to understand that they will really be out to win next season. Then there's Seymour, which is the newest addition to our district. It just happens that their coach has resolved to win district "or else" this next season. So when we meet them we know what we're going to be up against. Of course, the schedule includes all members of the district last year: Rule, Albany, Anson, Hamlin, Throckmorton AND Stamford. They have a new coach and are determined that never again will Haskell win a ball game from them. With Coach Horton saying we've got an

exceptional team after taking all of this into consideration, it sounds like we've really got something!

As you may or may not know, the basketball squad has been holding spring training for the past two weeks. Of basketball the coach states that right now the basketball squad is better than at any time during last season! And the track prospects also look very good, he says.

What more can we want?—Excellent football, basketball and track prospects! Really, students, if you don't take interest in sports next year and let our teams know you're cheering them in every football, basketball and track encounter—well, you just shouldn't call yourself a true Indian. Let's back our teams 100 percent next year.

## War Stamp Sales Highest of Year

This week's war stamp sales closed the year by being the largest single week's sales of the year. The total was \$228.35. Every class except one was 100 percent, and the Texas History class distinguished itself by selling more than all other classes combined—a total of \$150.65, which included four bonds bought by Mr. Horton. This class, by the way is one of the smallest in high school.

Haskell High can feel their part in war stamp buying "well done." Let's hope that all students will continue to buy stamps through the summer and not neglect this even if they aren't asked every Friday.

## 'Drip the Mysterious' Is Revealed

When word went around that there would be an assembly on Wednesday of last week, everybody wanted to know what they were going to have. And then it became known that Drip's identity was to be revealed. What an expectant audience was assembled! At last all would know what courageous soul had been giving us the "Doins of Dopes".

Dale Bartlett had charge of the procedure, and announced first that she would call to the front all those who had been suspected of being Drip. There were quite a number in this group, including two teachers, Miss Vick and Miss Couch. Stating that none of these were the real Drip, she then announced that this mysterious writer was a combination of Beverly King, Ross Lowe, and herself. So some of the I know who Drip is people found out that they had been partly right, after all.

Following the announcement she then called on Ross Lowe to read the final edition of "Doins of Dopes", which was the masterpiece of them all in gossip, low-down and tomfoolery. It even ended with a so-called poem written by this multiple personality. And thus was brought to a close the exciting newspaper career of Drip.

During the remaining part of the period the student body participated in a sing song, which was led by Mr. Ramsey, with Mrs. Cox accompanying. As this was to be the last regular assembly of the year, the period of singing was brought to a close with the familiar and well-loved strains of "Dear Haskell High".

## Freshmen Have Party

The Freshmen had their last party last Thursday at 8:30 in the Activity Building. As the boys and girls came in, they were given green and white paper fish to wear. After some games were played Dorothy Minick and Wallace Cox sang "Don't Sit Under The Apple Tree." Ruby Grace McKelvain tapped a number to a record played on a victrola. Some "quiz kids" were chosen to answer some questions, but the audience answered most of them. Hubert Lee Mayes and Billy Lewis Lusk then appear dressed as girls and had the floor for a while. The class prophecy was read by Earline Pearsey. After refreshments were served, the party broke up. This is the last time the "fish" will be together as "fish" and it seemed everyone enjoyed the party.

Those present were: Charles Adams, Sarah Beth Arbuckle, Deen Bartlett, Maxie Burson, Betty Maud Cowley, Horace Crawford, Wallace Cox, Jimmie Lou Free, Tommie Rae Foster, Wallace Henshaw, Ruby Grace McKelvain, Dorothy Minick, Sue Ratliff, Era Mae Roberts, Mary Frances Rousseau, Truett Reeves, Bobbie Jean Reynolds, Biddy Ruth Smith, Jack Thornton, Collins Welch, Mary Lou Webb, Lucille Zellako, Hartsell Johnson, Earline Pearsey, Elna Griffin, James Fore, Lloyd Kennedy, Bobbie Joe Adkins, Dick Bischoffhausen, Allene Coffield, Mattie Merle Carrouth, Lucille Covey, Joseph Hammer, Annie Claud Hall, Billy Lewis Lusk, Hubert Lee Mayes, Margaret Parks, Jason Smith, Joe Ray Smith, Jack Sellers, Betty Verne Slaughter, Laverne Williams, Esmond Wheeler, Alfred Carroll Pierson, and Bradford Smallwood. Mrs. Cox, our sponsor since Mr. Kilgore left, was present with Mr. Cox. Mr. Ramsey was also there.

Alice Hall of Dallas is visiting relatives and friends in Haskell this week.

## Class Will

# EDUCATION

...the Safest Anchor

Our school, in common with many others, is stream-lining courses in order to assist young people to prepare quickly for employment. Please understand that this does not mean that we have abandoned our offering of thoroughly good courses, specifically set up to provide the education the individual should have if he is to be successful in the long run.

In other words, we can give you a course that will prepare you in a short time for a position, but we cannot guarantee that this "quick" preparation will be, by any means, the best for you in the years to come. Sometimes it is to remember that a dime held close to the eye may easily hide from view dollars that are just ahead.

We'll give you a short course if you want it, but certainly you should the best course you can possibly finance.

To high school and college graduates who are looking ahead to a while place in America's future our training offers the following advantages: **Future Security.** Your training here will give you the ability to secure a position and to win advancement, even when the National Defense is ended. The work is fascinating, the surroundings pleasant.

**Streamlined Courses.** The courses here are limited to practical business subjects. Each student is advanced as rapidly as definite assignments are completed. Classroom teaching is supplemented by individual instruction. Thus, the student can get ready for a position in minimum time, while opportunities are at peak.

**Save Money.** Because of the shorter time required for training, students prepare for positions at surprisingly low cost, compared to other types of colleges and universities.

**Effective Placement Service.** Graduates are assisted in securing desirable positions. An active Employment Department keeps in close touch with business offices. This year, we are receiving far more calls for graduates than we fill.

**Bulletin Free on Request**

Write, phone, or call at our office for bulletin describing courses offered, time required, and placement of graduates—without obligation.

## Today More than ever . . . A SERVICE INSTITUTION

**THE** red, white and blue Humble oval has always been the symbol of alert, interested service to the motorist. Today, Humble, like every other American organization, is devoting its resources and its abilities first of all to the nation's war effort.

And here at home, Humble products and Humble service men stand ready to do their part, too—by helping you care for your car—for your country. Accurate tire inflation may mean as much as 25% extra wear from your tires . . . an oil leak, caught at once, may save a costly repair bill . . . Weekly hydrometer tests help keep your battery in top-shape. And those are some of the reasons why thousands of Texas motorists look for the Humble sign when they need service.

**Womens Clothing Prices Fixed At Level of Fall '41**

The Office of Price Administration in Washington ruled Monday that 1942 fall styles of women's and children's coats, suits, dresses and blouses and many other outerwear garments could not be sold by retailers, wholesalers or manufacturers at prices higher than those charged last season.

A special price order also forbade any seller of such merchandise from adding any lines of garments selling at higher prices than the highest price line he handled last fall.

This provision, an innovation in price regulations, in effect freezes the lines a merchant may handle, except that he may add lower-cost lines without hindrance.

The price order fixes as the maximum for each seller the highest price charged by him for a garment of "substantially equal workmanship and quality" during the period July 1-Sept. 30, 1941.

Savings in cloth affected by recent War Production Board orders will help manufacturers absorb increased costs of labor and materials and "still supply the consumer with a fully comparable garment at last year's price," Price Administrator Leon Henderson said.

Such savings are estimated at 5 to 15 per cent of the cloth going into each garment.

In stipulating that the manufacturer must put equal quality into the garment, Henderson emphasized that this did not mean that a manufacturer would be complying merely by putting an equivalent dollar cost of labor, materials and trimmings into the garment.

"If the manufacturers were permitted to sell fall garments on this basis, it is obvious that deterioration of quality and workmanship to the consumer would result, and the purpose of the general maximum price regulations would be defeated," Henderson said.

Edgar Stoval of Amarillo arrived Saturday for a several days visit with relatives and friends here.

Mr. T. R. Odell who has been teaching school at Medicine Mound has returned home for summer vacation.

**BOYS 18 TO 19 MUST REGISTER ON JUNE 30TH**

Call Includes Those Who Have Become 20 Since First of Year

President Roosevelt has summoned about 3,000,000 American's young men to register June 30 and complete the survey of man power available for fighting or making the weapons for combat.

The final batch of registrants under the selective service act will be youths of 18 and 19, plus those who have become 20 since the first of the year.

Four previous registrations took care of men of 20 through 64 years of age, nearly 40,000,000 of them.

Those 18 and 19 cannot be drafted for military service under existing law, but some of them might be mobilized with older men for service in war plans.

The Bureau of Research and Statistics of the Federal Security Agency estimated that as of April 1 there were 2,483,000 men in that age bracket, while probably 500,000 who have turned 20 also will register June 30.

The Army and Navy have been urging voluntary enlistments of youths of 18 and 19, and those who have joined the armed forces will not have to register.

The presidential proclamation fixing June 30 as registration day also made provision for registration before or after that date in exceptional cases.

From the pool of nearly 43,000,000 men who will have signed up with local selective service boards by July 1, 22,500,000 will be withdrawn for military duty or "for work in war factories."

Paul V. McNutt, commissioner of war manpower, said Monday that an additional 10,500,000 war workers would be needed this year and 7,500,000 by the end of 1943.

He said in an address to the National Industrial Conference Board in New York that the armed forces would require another 2,000,000 men in 1942, and 2,500,000 next year.
