SENIOR NEWS

The Senior class is very thrilled and sleepy this morning, as we have just returned home from our trip. The trip was very nice, but a long one.

We left Thursday after lunch and drove to Carlsbad, N. M., where we spent the night in some courts that we had reserved. The next morning we drove to White City, and on to the cavern. The cavern was undescriable, as you have to see it to appreciate it.

We left Carlsbad soon after 3 o'clock and drove to El Paso, arriving there in the rain. Some of us had the pleasure of riding a street car for the first time. We also saw a good show, but had more fun hunting our way back

to our cabins. short trip into Juarez, Mexico, did some sight-seeing and quite a bit of shopping, then started on the homeward stretch. We made it to Pecos by night and will remember it as a cold and wet trip although it did not dampen our spirits. We can thank Bill for fixing the truck and keeping the rain out. That night we played read funny books, went to the show and so forth.

Sunday was a beautiful day, so many pictures were taken. We enjoyed a picnic lunch near Big Spring. We arrived home near seven than afternoon.

The Seniors making the trip were Johnnie Davis, Geraldine Pierce, Betty Jo Tolliver, Wanda Jean Lankford, Wilda Medford, Duayne Medford, Jack Medford, Burnell Gilliland, Bill Perry, Edwin Lee Terrell and our sponsor, Mrs. Underwood. Our guests were Frances Free, Mary Lou Webb, Dorothy Thane and our driver, Albert Thane.

Christians are the people of one book-the Bible. They read and use other books, but the book is God's Word, and everything else must be in accord with its teaching.

In this blessed Book they find the only revelation of God's saving grace. Other attributes of God may be found in the book of nature. There we find that God is powerful, orderly, wise, etc., but nowhere in nature is it written that God can save a man from his sin. We find

Kingdom (vv. 10-13). The kingdom of God refers to His reign over all things and beings, but with special reference to those who are willingly subject to Him and eager to live for His glory.

Everything in God's creation is to be lifted up in praise of that kingdom. All His works shall praise Him. They reveal Him in part, but even that limited revelation is glorious. The man who cannot see God in nature is indeed a dull clod. The heavens declare His glory and the earth shows forth His handiwork (Ps. 19:1).

Greater and more precious God's sight is the praise of His saints. Dumb adoration is acceptable only from a dumb creation. We, His saints, are to speak His praise, to "bless" Him (v. 10). We are to spread abroad among all men (v. goodness.

"His kingdom is an everlasting kingdom," and thus it at once takes its place as so superior to what men call kingdoms as hardly to be mentioned in the same breath. There is no limit to God's kingdom either in its extent or its duration.

How stupid then that some, yes many, foolish men and women set themselves up in rebellion against God. That is the height of all folly and leads only to disaster. How wise are those who yield their lives to His control that their little span of life may find rich meaning in the One who endures forever. II. The Abundant Provision

Consider the food for the body. God open His bountiful hand and with the food necessary for its sustenance. How this is accomplished is a mystery and a marvel to us, but God is able to do it. Centuries ago men were fearful

However, life is not just material. There must be a satisfying of man's spiritual nature. He needs someone to save him from his own sinful weakness, to deliver him from his sorrow and affliction. Who can do this but God? And He does it (see

Only a just and holy God can deal with sin, and yet only a merciful God would provide redemption; but in our God mercy and truth meet (Ps. 115: 1; Ps. 103). He is both "just and the justifier of him that believeth in Jesus" (Rom. 3:26).

He it is who is near to all that "call upon him in truth" (v. 18). and surely it is such a calling on the Lord which is in mind in Romans 10:13, where we read that "whosoever shall call upon the name of the Lord shall be saved." He saves us my should I apply? by His grace when we call on Him

It is a violation of law to damage any public road of Haskell County by plowing in either the road bed or ditches thereof, or by dragging clods of dirt or trash into said roads or ditches by using public roads and ditches for turnrows instead of turning on their own turn-rows.

Some roads in the county are being damaged in this way and complaints are being made, and unless such practices are discontinued legal action will have to be taken.

It is also a violation of law to dump trash, tin cans, or any other refuse, or dead fowls or animals in water ditches along side of road.
