HASKELL COUNTY HISTORY

Brief News Taken from Old Copies of The Free Press

29 Years Ago—March 19, 1911

Friends of R. A. Bradley, well known farmer of this section, will be glad to learn that he is recovering nicely following an operation for appendicitis last week in the Stamford Sanitarium.

Dr. Kenneth Oates of Jacksboro spent the week end with his mother, Mrs. Mary A. Oates in this city.

Mesdames J. P. Payne, Clyde Grissom, A. C. Pierson and Miss Madelin Hunt are visiting relatives and friends in Dallas this week.

Sheriff W. T. Sarrels and Deputy Olen Dotson have returned from Georgetown, where they took custody of a man wanted here under Grand Jury indictment in connection with the burglary of Walton Drug Store in Rochester some time ago.

More than a score of Haskell farmers and poultry raisers attended the Poultry School Tuesday night at the high school, conducted by H. K. Henry, Ag teacher in the Haskell schools. The series of meetings will be continued each Tuesday night until further notice.

An extensive program of improvements and addition of new fixtures has been completed at Gholson's Grocery in this city, adding much to the attractiveness of the interior of the modern store.

Mr. and Mrs. F. T. Sanders made a business trip to the Plains the first of the week.

Roy Brown, son of V. L. Brown of this city left Saturday for Kansas City, where he will be employed by the Columbia Tank Company of that city.

40 Years Ago—March 25, 1911

Congressman Smith has advised Postmaster John B. Baker that the Post Office Department has authorized a new rural mail route out of the Haskell office. It will be designated Route 4.

Dr. H. N. Robertson has announced that he has purchased a complete Drug Store and fountain in Cleburne which he plans to move to Haskell and operate. It will be located in the large brick building on the northeast corner of the square.

Rural Route Carrier George D. Foster has bought a new 1911 model Wagner motorcycle from E. E. Marvin, and will use it in carrying mail.

Lee Pierson has purchased from Sanders & Wilson their office and the vacant lot next to the Odd Fellows building. He plans to erect a new building, 40x100 feet, and to be two stories, on the site.

F. M. Morton went to South Texas this week to look after his cattle and ranch interests in that section. He will also attend the Cattlemen's Convention in San Antonio while away.

M. A. Clifton is improving his residence in East Haskell. He

has also recently added a large warehouse at his store building east of the square.

Quite a crowd of Haskell's young people went to Stamford on the 6:40 train Sunday evening, returning the same evening on the 10 o'clock train.

Sheriff W. D. Faulkner left Thursday for Meridian to get a man being held there who is charged with a felony Grand Jury indictment in this county.

W. A. Black, J. A. Bailey, and M. S. Shook left Monday for San Antonio where they will attend the Cattlemen's Convention.

Jas. A. Hankerson, the official court stenographer, is attending a term of District Court at Snyder.

50 Years Ago—March 30, 1911

A 20-inch plow point, newly repaired, was found on the Benjamin road last Saturday and has been left at The Free Press for the owner to claim.

Frank Saultfield of the Rhineland neighborhood, just over in Knox county on the Brazos, was here Thursday selling cigars of his own make to our merchants.

They are put up in boxes of 50 as neatly as any manufactured cigar and are of first rate quality.

The gin and mill at this place has been sold by Mr. Jones to Messrs. W. A. Earnest and Fred Sanders, who will make extensive improvements in the plant. They plan to put in a battery of four or five 70-saw stands at the local gin, and will also put in a good outfit at some convenient point in the northwest part of the county.

W. D. Garren added 800 acres to his ranch holdings this week.

Sam McLaughlin and wife of Stonewall were over Wednesday trading.

Mrs. Hall Morrison and children of Graham arrived Tuesday on a visit to her mother, Mrs. J. S. Rike and family.

J. F. Ross was in town Thursday, returning from a trip to Ellis county.

George Maloney returned this week from a horse trading trip to Louisiana.

J. S. Keister and wife have returned from Arkadelphia, Ark., where they have been for several weeks.

Abel Jones has his new residence about completed and is moving into it.

Will Dickenson, who has been in Colorado for the past year, has returned, and will be with his father on the farm this year.

Joe Robertson, in attempting to

stop a team which was trying to run away last Monday, was forced against a wire fence and was severely cut on the legs by the wire.

A postoffice inspector went through the Haskell office this week and, we understand, found the business OK.

G. W. Hazelwood and wife left Tuesday to visit relatives in Palo Pinto.

T. G. Carney informs us that he went to Stamford Wednesday, and while there learned that a number of cases of smallpox had developed there recently. Quarantine measures are being enforced.

Miss Laura Garren entertained a party of friends on Wednesday night at her home in the country. The guests included J. F. Jones and Miss Mollie Whitman, Walter Tandy and Miss Ada Fitzgerald, J. U. Fields and Miss Belle Rupe, John Ellis and Miss Etta James, Hugh Rogers and Miss Lillie Rike, Mr. Neathery and Miss Ninette Hale, Bert Brockman and Miss Edna Ellis, Henry Alexander and Miss Nora Collins.

Income Tax Estimates

Have you made your tax estimate for 1911? The law requires you to make an estimate you expect to have an income in excess of \$1,000 not subject to withholding.

Also, if you employ a farm hand or domestic help, you will be required to withhold social security and withholding tax and to make quarterly reports.

We will be glad to render assistance to you with any kind of tax problem which you may have.

FORD WINS AGAIN!

V-8 TAKES FIRST PLACE IN CLASS "A" 1951 MOBILGAS ECONOMY RUN

Both Ford V-8 and SIX Deliver more than 25.9 miles per gallon

Graveling 840-mile test proves Ford Economy

Again this year . . . it's high honors for Ford! In the most important economy trial for American stock model cars . . . the famous annual Mobilgas Economy Run . . . A Ford 100-h.p. V-8 equipped with Overdrive took first place competing against all cars in its price class, making 54,587 ton-miles per gallon* and 25.994 miles per gallon. And his companion in quality, the new Ford SIX with Overdrive, was right up there with the winner. In fact, both cars averaged better than 25.9 miles per gallon.

Traditional Ford economy, for the second straight year, has been proved in open competition. Proved on the tough 840-mile grind from Los Angeles to the Grand Canyon . . . a course that included city traffic, below-sea-level desert heat and 7,000-foot mountain passes. Ford's Automatic Mileage Maker, standard equipment on all Ford V-8's and SIXES, contributed to this great achievement by squeezing the last mile out of every drop of gasoline.

Why not "Test Drive" the new Ford at your neighborhood Ford Dealer's? There's no better way to be convinced that "You can pay more but you can't buy better!"

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including load) in tons multiplied by the number of miles traveled, divided by number of gallons of gasoline consumed.

RECIPE OF THE WEEK
By Mary Lee Taylor

Apricot Sweet Rolls

1 tablespoon butter 1/4 cup water
1/4 cup brown sugar 1 cup sweetened apricots, pitted or canned
1/4 cup Pet Milk
In 8-in. round cake pan melt butter over very low heat. Remove from heat; sprinkle brown sugar over bottom of pan. Put mix into bowl. Stir in with fork a mixture of milk and water. Turn out on lightly floured board. Knead 8 to 10 times. Roll into 8-in. squares. Cover with well-drained apricots. Roll up like jelly roll. Cut into inch slices. Put on sugar in pan. Bake in moderately hot oven (400) 10 min. or until brown. Turn out while hot. Serve warm or cold. Makes 6.
You Will Need:
Pet Milk, Biscuit Mix, Brown Sugar, Canned or Dried Apricots.

Can't stop now!

The daily needs of the American people for oil are at an all-time high. When you add to these the needs of the defense program, you find that U. S. oil production is greater than ever before in history. The men who search for oil did their part in supplying this record demand 10, 20, even 30 years ago. But they can't stop now. The search for oil must be continuous, so that the U. S. will have oil for you and your neighbor and for the country's needs in the years ahead. This year's oil discoveries may be producing oil for the vehicles, the flying machines, the industries of the year 2000!

The oil companies look so far to the future because it takes about 10 years fully to develop an average oil field. Then, if production is efficiently managed in accordance with conservation practices, the field continues to produce for another thirty or forty years, or even longer. This foresight provided the vast quantities of oil required for World War II, and it has established the reserves the nation needs for the emergency of 1951. There is no time, now, to search for the oil we need today; it must be — it is — instantly available.

East Side W.M.U Meets for Royal Service Program

The East Side W. M. U. met Monday evening, March 19th for their Royal Service program with nine members present. The vice president presided in the absence of the president.

Mrs. W. T. Priddy taught a very helpful devotional on the theme, "Go Quickly and Tell" from John 9:4.

After prayer led by Mrs. Joe Oldham, the program was brought by the following women.

The Message Urgent—Mrs. J. A. Yancy.

He Yields for Co-Laborers—Mrs. Patterson.

Directed By the Lord—Mrs. Priddy.

Saved at Seventy—Mrs. Lam-

kin.

A Revival In Jail—Mrs. Joe Oldham.

Canasta Club of Weinert Meets In Newsom Home

The Canasta Club of Weinert met Thursday at 2 p. m. in the home of Mrs. G. C. Newsom.

After the games were finished, refreshments of Cokes and candy were served to the following members: Mesdames A. Bartell, R. M. Baldwin, Fred Monke, Claude Reid, F. F. Weinert, R. H. Jones, J. W. Liles, W. B. Guess, G. C. Newsom, and Mrs. J. B. King of Munday.

Mrs. Jess Josselet Hosts Meeting of Rainbow Club

Members of the Rainbow Sewing Club met in the home of Mrs. Jess Josselet for their regular meeting. Bowls of ivory decorated the living room and a small miniature tree holding candy gum drops decorated the buffet in the dining room. The colorful and artistic manner in which the hostess prepared her home for the occasion, made the meeting a very enjoyable one.

At 2:30 p. m., the president, Mrs. Winnie Copeland called the house to order and minutes of the last meeting were read. Thirteen members answered to roll call.

The group joined in singing several songs, after which new officers were nominated and elected for the next six months as follows:

- President—Della Corzine.
- Vice President—Mrs. Leonard Florence.
- Secretary Treasurer— Mrs. Zeda Smith.
- Recreation Chairman— Mrs. Flossie Rogers.
- Song Leader— Mrs. Jeff Adams.
- Reporter—Mrs. Sallie Patterson.
- Parliamentarian— Mrs. Essie Bland.
- Needlecraft Reporter— Mrs. Eva Chapman.

Officers will be installed at the next meeting.

A report on the new historical book of the Club was given by Mrs. Velma Tooley. The book will contain the history of the Club from its beginning up to the present time, with more to be added from time to time in the future. Others on the committee to work on this book are Mrs. W. E. Johnson, the "Club Mother", and Mrs. Flossie Rogers, who organized the Club.

Mrs. Sallie Patterson had charge of the program. Mesdames Leonard Florence, Ethel Edwards, and Essie Bland, took part in the interesting program which included a trio by Stella Josselet, Sallie Patterson and Flossie Rogers, followed by a short skit. A song written by Mrs. Ethel Edwards and the "Wash Day Song" was sung by the group.

A delicious refreshment plate was served to Mesdames Jeff Adams, Essie Bland, Della Corzine, Sallie Patterson, Ethel Edwards, Eva Chapman, Velma Tooley, Flossie Rogers, Zeda Smith, Leonard Florence, Winnie Copeland, Thelma Adams, and the hostess, Mrs. Josselet.

Mrs. Florence will be hostess at her home for the next meeting of the Club on the first Tuesday afternoon in April.

MISS VELMA FRIERSON

Mr. and Mrs. Felix Frierson of this city are announcing the engagement and approaching marriage of their daughter, Velma, to Mr. S. E. (Gene) Campbell, son of M. E. Campbell of Graham, Texas.

The wedding is to take place in the First Presbyterian Church in this city.

Dr. Wm. O. Beazley Speaker at Study Club Meeting

Dr. William O. Beazley delivered the fifth of a series of six lectures to the Progressive Study Club at the regular meeting on March 15. Continuing the discussion of "The Psychology of Child Behavior," Dr. Beazley chose as the topic of this lecture "Hopeless Rivals". Interesting facts and helpful suggestions were brought out concerning the jealousy that may and usually does exist among children. Following the lecture, club members participated in a round table discussion of children with problems.

During the business meeting Mrs. Ben Clifton and Mrs. Raymond Davis were voted into the club as active members.

Mrs. W. O. Holden was elected

club delegate to go with the president, Mrs. R. W. Herren, to the district convention in Mineral Wells, March 19, 20, and 21.

In order to raise money with which to carry on the club's welfare program, the members voted to sell subscriptions to Holland's Magazine during the month of April.

At the close of the meeting Mrs. Bill Nellums and Mrs. James E. Ferguson served refreshments carrying out the St. Patrick's Day theme to Mesdames Royce Adkins, Jim Byrd, R. W. Herren, V. O. Holde, Bill Holter, Brooks Middleton, Gladstone McLennan, Lee Roy O'Neal, Joe Thomson, Ell Woodson, John Banks, Jane Holt, Lucille Watson, members and Mrs. S. H. Vaughter, guest.

We have so much left over grub at our house that the food gets blessed four or five times.

Mrs. D. L. Scifres Complimented With Gift Shower

A gift shower complimenting Mrs. D. L. Scifres was given in the home of Mrs. O. E. Linton Saturday afternoon, March 17th, with Mesdames Robert Drinnon, Bill Reeves, J. H. Reding, Ray Lancaster and Lewis Thomas as joint hostesses.

Guests were welcomed by Mrs. Herbert Rueffer and Mrs. Linton, and Mrs. Lewis Thomas registered guests in the bride's book.

Misses Geneva Jo Brown, Sue Couch and Leta B. Card served refreshments of punch, cake squares with pink and green icing, and open face sandwiches from a table laid with blue taffeta overlaid with white crocheted cloth. The crystal punch service and silver appointments was centered with a crystal punch bowl on a mirror reflector circled with rose orrars and rosebuds.

Those present and sending gifts were: Mesdames G. R. Couch, Jr., J. D. Scifres, Brown, E. J. Couch, Nancy Painter, Ocie Garrett, Lewis Thomas, J. H. Reding, Herbert Rueffer, Lavoid Robertson, C. A. Willie Mae Baitz, Leon Stegemoeller Rites at Sagerton Sunday

Willie Mae Baitz, daughter of Emma Baitz of Old Sagerton, was the bride of Leon Stegemoeller, son of Mr. and Mrs. H. E. Driessner, at the altar of the First Baptist Church in Sagerton, Sunday afternoon.

The double ring ceremony was officiated by Rev. H. E. Driessner, pastor of the church.

Gifts of the bride, were worn by her attendants.

Patsy Clark, daughter of Mr. and Mrs. Joe Clark, and Janice Hertel, daughter of Mr. and Mrs. Carl Hertel, were flower girls. The tiny little girls wore dresses of pink taffeta fashioned after the bride's and their flowers were pink carnations.

Marvin Stegemoeller, brother of the groom served as best man. Clarence Erdman and Kenneth Stegemoeller served as ushers.

The bride's mother chose a suit of black and white checked wool with black accessories and a corsage of white gladioli. The groom's mother wore a dress of navy with navy and white accessories and her corsage was of pink carnations.

Immediately following the wedding, a reception was held in the home of the bride's mother. The beautiful three-tiered wedding cake was white with blue flowers. Mrs. Hilda Nueman laded punch from a crystal punch bowl which was placed on the dining table covered with an imported Irish linen cloth. Mrs. Jack Anderson and Mrs. Allen Davis, the bride's aunts, also assisted in the serving. Approximately 100 guests were present.

For her going-away costume, the bride chose a navy faille suit with a pink nylon blouse. She wore a pink straw hat and navy accessories.

After a short wedding trip, the young couple will live near Sagerton on a farm. The bride is a graduate of Old Glory High School and the groom is a 1949 graduate of Sagerton High School.

Out-of-town guests for the occasion included: Harvey Stegemoeller, St. Louis, Missouri; Mr. and Mrs. Lonnie Nienast and son and Mrs. W. P. Nienast and son, Littlefield, Roland Stegemoeller and Mrs. M. L. Stegemoeller of Slaton, Morris Siegler of Lubbock, Mr. and Mrs. Bernhardt Ernst and Carol of Tahoka, and Mr. and Mrs. Bill Raphael of Stephenville, and Dorothy Knipping of Seguin.

May Draft Quota For Texas Set At 3,112 Men

Texas' May draft quota is 3,112. The state's share of the national call for 60,000 men was announced by state selective service headquarters at Austin. The figure is 1,038 less than the April call when 80,000 men were ordered nationally, State Selective Service Deputy Director Morris S. Schwartz said. Meanwhile, 7,726 draft registrants have been ordered to take pre-induction examinations in April in anticipation of the June draft call, he said. The May quota brings Texas, total number of men ordered since the beginning of the Korean conflict to 30,174.

ESTIMATED TELEPHONE TRAFFIC 1950
 75,000,000 CALLS

75 BILLION is a lot of telephone calls!

What does it mean to make about 75 billion telephone calls in a year? Just this: By spreading the total equally over the nation's 40 million telephones, an average of over 120 calls per month will be made on each telephone!

This expected all-time high telephone traffic load is further evidence of the indispensable usefulness of the telephone to the American people. That's why we are working round-the-clock to give you fine service.

Take a look at the only trucks with Fluid Drive!

NEW DODGE "Job-Rated" TRUCKS

The trucks that do the most for you!

Makes driving extra easy! You get smooth-as-silk performance with gyrol Fluid Drive—a Dodge exclusive available on 1/2, 3/4, and 1-ton models. This proved fluid coupling between engine and clutch eliminates jerky starts, helps prevent stalling. Loaf along in high, slow down in traffic, speed up again—all without touching the gearshift or clutch!

New safety on slippery roads! With Fluid Drive, there's less wheel-spinning, less tendency to skid on wet or icy pavements. You can start in higher gear, apply power gradually and get away smoothly and safely. Traction is applied more efficiently. With less wheel-spinning, tires last longer, too—another money-saving advantage of Fluid Drive!

Better load protection! Fluid Drive assures extra-smooth starts... protects your load. There's less chance for cargo to shift—less chance of breakage or other damage.

WHAT "JOB-RATED" MEANS TO YOU
A Dodge "Job-Rated" truck is engineered at the factory to fit a particular job... save you money... last longer.
Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load over the roads you travel and at the speeds you require.
Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires and body—is engineered right to provide the strength and capacity needed.
Every unit that MOVES the load—engine, clutch, transmission, propeller shaft and rear axle—is engineered right to meet a particular operating condition.

More convenience on hills! Fluid Drive lets you stop on an upgrade and hold your Dodge "Job-Rated" truck in gear, simply by slightly speeding up the engine. And on a downgrade, Fluid Drive gives you effective engine braking. Under all driving conditions, Fluid Drive is easier on both driver and truck.

Lengthens truck life! The "cushioned" power of Fluid Drive saves wear and tear on over 80 vital parts—including clutch, transmission, rear axle. This insures longer truck life—lowers your upkeep costs. And trade-in value stays high! Ask us for interesting booklet on gyrol Fluid Drive.

COME IN AND BE CONVINCED! TRY A NEW DODGE "Job-Rated" TRUCK WITH FLUID DRIVE!

HHS Indians Take Top Honors At Invitation Track Meet

With teams from twelve area schools competing, Haskell High School athletes won top honors in the annual Invitation Track and Field Meet held here Saturday under HHS sponsorship.

The Indians piled up 47 1-2 points to gain top rating. Hamlin was runner-up with 34. Albany finished third with 22, and Stamford fourth with 14.

Other schools competing were Cisco, Colorado City, Munday, Roby, Rotan, Rule, Snyder, Throckmorton and Winters.

Edward Ammons, Haskell High senior, personally accounted for 18 1-2 points of the Indian's points, winning first place in high and low hurdles and pole vault, placing in the high jump and discus throw, and running with a relay team. Haskell took four first places, with Billy Davis winning the broad jump.

Albany took three firsts, James Allman turned in a double victory, winning the 100-yard dash in 10.4 and the 220 yard-dash in 24.4. W. S. Scott contributed Albany's other first place finish, running the mile in 5 minutes, 7 seconds.

The Hamlin Pied Pipers took two firsts and tied with Colorado City for another.

Hamlin's 440-yard relay team outdistanced the field in 47.1; its mile relay quartet finished in front with a time of 3:52 and

Asa Goodgame of the Pied Pipers tied with Don Williams of Colorado City in the high jump at 5 feet and 7 inches.

Stamford's Bulldogs captured two firsts—both in the weights. Don Garth put the shot 42 feet 4 1-2 inches and Robert Bashford hurled the discus 127 feet 4 inches.

Roby and Rotan gained the

other two first places.

Don Pyburn of Roby won the quarter mile run in 54.8 and Mickey Martin of Rotan came out ahead in the half mile run with a time of 2:12.3.

Royce Smith, newly appointed head coach at Haskell, directed the meet and announced that it would be an annual affair.

Summary of events, times and distances, follow:

120-yard high hurdles: Edward Ammons, Haskell, first; Royce Mullins, Haskell, second; Asa Goodgame, Hamlin, third; Eldon

 Shield Expert Here
 H. M. SHEVNER, widely known expert of Chicago, will personally be at the Wootin Hotel, Abilene Sunday and Monday only April 8 and 9, from 9 a. m. to 4 p. m. Mr. Shevner says: The Zoetie Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatment. Mr. Shevner will be glad to demonstrate without charge. 666 N. Artesian Ave., Chicago 45. Large incisional hernia or rupture following surgical operation especially solicited. 13p

Importance of the Resurrection

As a basis for his argument Paul takes the Biblical doctrine of man, which in contradiction to the pagan doctrine, declares that the body is sanctifiable (I Cor. 6:13-20), redeemable, and included in man's salvation. In the beginning God created man both spirit and body, and when spirit and body came together as a living unit, man became a "living soul."

The Risen Christ

(Rev. Ellis S. Ryherd, Pastor, Foursquare Gospel Church) At Easter time we commemorate the death, burial, resurrection of our Lord and Savior, Jesus Christ. His death was tragic to those who were closest to Him but by His death on the cross, He brought life and light to mankind.

Rexrode Hymn, "Christ Arose" Prayer Rev. F. C. Nickerson Anthem, "Upon the First Day" Sermon Rev. S. M. Malone Hymn, "He Lives" Benediction Rev. T. G. Craft Postlude

Easter is the Christian's defiance to all forces that would destroy man. It is the Christian's affirmation that he will in the long run and by the grace of God fight down and utterly defeat the darkness.

The Resurrection of Jesus Christ From the Dead

(Rev. R. K. McCall, D. D.) The resurrection of Jesus Christ from the dead is one of the foundation stones of the Christian's most holy faith. The apostle says in the Roman letter (4:25), "Who was delivered for our offenses, and was raised for our justification."

King James, Acts 12:4 R. V. Passover

Established on the Day of Pentecost, which was the Lord's Day or Sunday, Acts 2:1-4. About 3000 souls were baptized and the Lord added them to His Church on this day, Acts 2:41,47.

The Easter Victory

(By O. K. Oelke, Pastor, Trinity Lutheran Church) During the forty days of Lent we go to dark Gethsemane, follow to the judgment hall, climb Calvary's mournful mountain.

Area-Wide Easter Sunrise Service

You are invited to join those who will gather at sunrise this Easter Day, in a beautiful outdoor setting near Wichita Falls, to engage in an area-wide service of worship.

The Resurrection Morning

(Easter Day Message by Rev. C. Jones, Pastor, Fundamental Baptist Church) "Why seek ye the living among the dead? He is not here, but is risen!" Luke-24:5-6.

The Resurrection

(Francis Nickerson, Minister Christian Church) THE FACT OF history—THE RESURRECTION OF JESUS CHRIST FROM THE DEAD! ALL previous history moved toward it, while subsequent history finds its meaning in it.

"I Give Unto You Eternal Life"

(T. G. Craft, Minister First Methodist Church) Men are asking the question yet: "If a man die does he live again?" People still want a definite answer. Where is the answer found? We by-pass the Arts and Sciences; neither has the answer. We must turn to God and His Holy Word to find the answer.

We realize the laudable part our churches play in community life — their contribution in both a spiritual and material sense toward community welfare and common good. These churches, their teachings and their membership exert a tremendous influence that touches every home and every business. This function they have in common with our schools, civic bodies and other organizations, all of whom through various methods perform services for the good and benefit of all. In recognition of the splendid ideals and achievements of the Haskell churches, we urge everyone to attend an Easter church service.

Robot Stops Cars in Test

Improvement in Chevrolet brakes is illustrated by this picture showing the difference in stopping distances between a 1950 and a 1951 car using exactly the same brake pressure. To eliminate the human element, engineers used a mechanical pedal pressure applicator (inset) on both cars. When the foot lever (1) is tripped the piston exerts a constant pressure on the brake (2).

Shell Pipe Line Wins National Safety Award

Shell Pipe Line Corporation has won first place in the National Safety Council's 1950 Petroleum Contest, Pipe Line Division, R. G. Benson, Staff Representative of the National Safety Council, has announced.

This award marks the third time in four contest years that Shell Pipe Line has placed first in Group A, Oil and Gas Pipe Line Department, Petroleum Section Safety Contest. Second place was won in the fourth contest. For 1950, Shell Pipe Line had an accident frequency rate of 1.03 disabling injuries per million man hours worked, the finest record in the history of the Pipe Line Division of the National Safety Council.

"All Shell Pipe Liners are intensely interested in their safety program," H. H. Anderson, Vice President and General Manager, said in Houston. "This 1950 record and the award from the National Safety Council is a testimonial to their spirit of cooperation. Management's greatest satisfaction in winning this award comes from the knowledge that each accident avoided means less personal suffering and loss to the employees. The goal of all of us is to win again in 1951."

Many Persons Are Eligible for Benefits Under Revised Social Security Program

"Don't delay filing your application" is the advice issued today to persons who may be eligible for benefits under the revised social security program by R. M. T. Fisher, manager of the Abilene office of the Social Security Administration. Several new-type benefits are payable under the amended law because of reduced eligibility requirements and other technical changes, Fisher said.

Since these benefits may be retroactive for six months, March 31st is the deadline for obtaining all payments due, if the insured person retired or died before September 1950. Those who may qualify are:

All workers who are now 65 and who have worked at least a year and a half in employment covered by the law since January 1937. A number of women who worked during World War II may now be eligible for old-age insurance benefits.

Employed workers who are now 75 years of age may receive an old-age insurance check every month even though they are still working full-time.

Widows with children under

18 in their care and whose husbands were killed in service or who died after discharge may be entitled to monthly payments. The deceased father, however, must have been in the armed forces at least a year and a half between September 1940 and July 1947; in some cases the required period of service is longer.

Children under the age of 18 of a woman worker who died after 1939 may be eligible for survivors insurance benefits, provided their mother had worked at least a year and a half in the three years immediately preceding her death. In such cases, it is im-

material if the children were living with and supported by their father.

The wife of a retired worker is eligible for benefits regardless of her own age if she has his children under the age of 18 in her care.

An aged dependent husband of a retired woman wage earner may also be eligible. In some instances the former divorced wife who was dependent on her deceased husband may receive payments if she has his young children in her care.

It is important for any person who may be eligible for any of the benefits listed above to get in touch with the Social Security Administration before the end of March. The Abilene office is located at 308 Post Office Building, Abilene, Texas.

MOVIES IN COLOR!

RITA THEATRE, HASKELL

March 28, 2:30 p. m.

AVENS OF PEACE

This film is a picturesque tour of several small nations of Europe that have enjoyed a long history of peace. Visited are such small centers of peace as Andorra on the border of France and Spain, San Marino in Italy, Vatican City, Oberammergau, Switzerland, and the state of Liechtenstein in the upper Rhine valley.

THE SOIL IS GOOD

This film points out what the soil contributes to the economy and general welfare of the nation, what is happening to it in some parts of the country, what must be done to conserve it, and how modern farm equipment is helping the farmer get the most out of his soil.

Castles, Cows, and Contentment

A short colorful travelogue of nations in Europe that are noted for their castles and cows, and are content to live on their traditions of long standing.

A Grand Time For All

We are arranging a program that we know you and your friends will enjoy. Nothing will be spared to make this an occasion you will long remember with pleasure.

There isn't room here to list most of the features on the program we are arranging, but certainly you will not want to miss the movies we will show. These films will not only take you on a tour of many interesting places in Europe but will provide you with a wealth of information of considerable importance to farming.

All we ask is that you, your family, and your friends plan to be with us on this occasion, and we will do our best to provide a grand time for all.

Bluebonnet Seed Man Is Haskell Visitor Tuesday

Alfred H. Lang, known as Texas Bob all over the western part of Texas, was a Haskell visitor Tuesday, and as a result of his day's stop bluebonnets will be growing in numerous yards and gardens in Haskell next spring.
Lang is engaged in a most unusual occupation—probably the only one in the whole United States. He sells bluebonnet seed.
"Texas Bob" as he prefers to be known, used to be a cowhand in the Mason country, but he lost a leg in an accident, and so he had to turn to some other occupation for a livelihood. He decided to give the state flower a boost by selling the seed.
For the last three years he has been operating out of San Angelo. He secures his seed from Mason and travels all over the western part of Texas selling it at 50c per package or three for a dollar. Though he does not expect to develop into "big business" Lang does realize a profitable livelihood and has the satisfaction of knowing that he is helping to promote the spread of the State flower.

Put the finishing touch on your Spring cleaning

LIGHT UP WITH RIGHT SIZE AND TYPE OF ELECTRIC LAMP BULBS!
Why slave to get your house spic and span for spring if it is not going to look its best when you are through? Empty light sockets, undersized bulbs, and outmoded lamps can leave your rooms still looking dingy and unattractive after all of your work. Make your house sparkle and shine as it has never done before! For only a few pennies a day you can light your whole house with the newest and most efficient light bulbs—beautifully lit at a minimum cost with modern, efficiently engineered lamps.

CLEAN UP... TO GET ALL THE LIGHT YOU PAY FOR!

Beauty Your Home with Modern Lamps and Enjoy Better Sight with Better Light!

A representative of our Home Lighting Service will be glad to assist without cost or obligation to you in solving your home lighting problems. Just contact our nearest office.

It is not only our job to supply low-cost electric service, but to also help you make the most of that service. Dust and dirt on lamp bulbs or reflectors can cut light 50%. With a damp cloth you can wipe them clean in seconds. (Of course, you never touch a hot globe with a damp cloth.) Grimy lamp shades steal light too—they should be kept dusted or dry cleaned if necessary.
And here's a tip: when you are buying new shades, make sure they have light colored linings. Light colors reflect light, dark ones absorb it. Visit your local electric lamp dealer or our office, and see how modern lamps not only beautify your home, but help you enjoy better sight with better light.

Specialists List Best Varieties of Sorghum For Panhandle Hard Lands

Sorghum varieties adapted to dryland grain production on the hard lands of the Texas Panhandle include Early Hegari, Double Dwarf White Sooner Milo, Martin, Midland, Combine 7078, Redbine 60 and Combine Kafir 60, according to Kenneth B. Porter and Charles J. Whitfield of the Amarillo Conservation Experiment Station.
Plainsman, Caprock, Westland, and Redbine 66 mature too late for best results under usual dryland farming conditions but they may produce higher yields under irrigation, or in favorable years on dryland.
These varieties are recommended as the result of tests conducted at the Amarillo station since 1939 on Pullman clay loam, a heavy soil which is the predominant type in Texas High Plains.
Porter and Whitfield report that Early Hegari and Martin have been the most consistent producers in the tests.
Combine 7078 is a red-seeded variety which blooms in about 65 days. It is more likely to lodge than other varieties, and it does not have a dry head. It has generally produced favorable results for farmers in this area.
Both Redbine 60 and Redbine 66 have head stems and can be combined before frost, if desired. They are similar to Martin but have a brighter, reddish-yellow seed.
Combine Kafir 60 blooms a few days earlier than Martin. It has juicy stalks which stand up well in the field. The seed are white with black specks and the seed stems have a tendency to dry out. Heads of Combine Kafir 60 are borne on long stems, well above the leaves.
Earlier maturing forage sorghum varieties produce higher grain yields, but the later varieties produce more forage. When selecting a variety for bundle feed or silage, the farmer should consider the relative importance of grain and forage, point out Porter and Whitfield.
Texas Blackhull Kafir and Sumac 108 produce good yields of both grain and forage, but they produce much less forage than the later maturing varieties.
Sumac 108 is an early-maturing variety which has been grown at the Amarillo station since 1944. Hi-Hegari is a new, tall variety of Hegari which was bred and developed for silage purposes. It has been tested only one year at the Amarillo station. Like normal Hegari, it blooms a few days to a week later than Early Higeri.

Mahon Seeks Change In Labor Law To Ease Restrictions On Cotton Workers

Congressman George Mahon reports from Washington that on Monday of this week, he introduced a bill which would permit Mexican families and their children to assist in the cotton harvest this fall. The 81st Congress, through an amendment to a labor bill, added in the Senate, had approved legislation prohibiting labor by children under 16 years of age in agriculture during school hours.

According to Mahon, the provision on child labor has proved unworkable; it has disrupted the work of many of the schools, slowed down the cotton harvest and diminished the chance of the children of Mexican families to go to school by denying them the income they normally secure from the cotton harvest. Moreover, it is argued that the matter of child labor in agriculture and the question of school attendance are problems that can best be handled by the states and not the federal government.

Mahon's bill provides that re-

strictions as to child labor shall not apply to the harvesting of basic crops. The bill has been referred by the Speaker to the House Committee on Labor for consideration. In introducing the bill, Mahon said, "We are being called upon by the government to produce 16 million bales of cotton this year in the interest of national defense. There is no use to try to produce a big crop unless we can harvest it."

In a further effort to improve the chances for securing labor for the cotton harvest, Mahon has appeared before the House Committee on Agriculture and urged passage of the Poage Bill, which is designed to greatly increase the availability of labor from the Republic of Mexico.

Farmers are deeply concerned over the threat of a labor shortage for the harvest of the cotton crop. Members of Congress who are aware of the situation are seeking to be of all possible assistance. In addition to the bill by Mahon, bills of somewhat similar nature have been introduced by Congressmen Fisher and Rogers of Texas. The problem is to devise a measure that can win the support of a majority of the Members of the House and Senate.

Cotton Shortage May Result From Short Crop

Prospects of another short cotton crop this year are causing a widespread fear of a damaging cotton shortage. Dr. A. B. Cox, University of Texas cotton marketing professor, declares.

U. S. cotton production for the 1950-51 season was estimated by the federal government at 9,884,000 running bales—only 62 per cent of a comparable period in 1949-50. Yet consumption registered an impressive gain this season and exports were stable, Dr. Cox reports.

Kenneth Tooley Is Elected Officer In U-T Press Club

Elwyn Kenneth Tooley, University of Texas student from Haskell, has been elected vice-president of the Grass Roots Press Club, organization for students interested in small town newspapers.

A junior majoring in journalism, he is a member of Theta Xi social fraternity. His parents are Mr. and Mrs. O. W. Tooley, 609 North Ninth.

HERE, packed in 3,615 nimble pounds and 204.8 inches of over-all length, is the car marvel of '51. In the few short weeks since it started to roll off the assembly lines, it has written a bright new page in automotive history for the low-priced field.

What Buick engineers have done is come up with a brand-

new high-style body—new in every contour and dimension.

They've designed a brand-new, weight-saving frame, exclusively for this SPECIAL.

Then they've added the power-packed F-263 Fireball engine—which was new in the 1950 SUPER—and just wait till you see

what that does for this nimble performer.

There's a power-to-weight ratio that spells thrill and thrift in operation—at a first cost that's just a breath away from the lowest price level.

We'd like you to see and drive this newest Buick marvel—find out for yourself what a honey it is to handle, and what a cinch it is to buy. Why not drop in and see us the very first chance you get?

Tri-County Area Of Boy Scouts Is Organized

Organization of Haskell, Shackelford and Jones counties as the tri-county area of the Chisholm Trails Council, Boy Scouts of America, was completed at a recent meeting of Scout executives and leaders. Purpose of the tri-county grouping is to streamline the organization and direction of Scouting activities in the three counties, it was explained.

Dr. R. K. McCall, Presbyterian minister of this city, has been named area chairman of the tri-county district. Other executives are R. L. Burton of Haskell, finance chairman; Hubert Watson, Stamford attorney, chairman of organization with W. O. Holden of Haskell and Gene Thomas of Albany as vice chairman; D. S. Gothard of O'Brien, chairman of camping and activities; E. M. Connel, Anson, chairman of leadership and training; Paul Summers, Stamford, chairman of Scout advancement; L. H. McBride, Hamlin, organization and extension; Dr. George F. How, Stamford, chairman of health and safety.

First meeting of the tri-county executive group was held Tuesday night in Albany when Scouting activities were discussed and plans made for an Area Camporee which will be held May 5.

Attending the meeting from Haskell were Dr. McCall, and W. O. Holden, and D. S. Gothard of O'Brien, R. M. Walker and Joe Hix of Weinert.

were not expecting as they considered it an "idle tale" at first (Luke 24:11). They did not believe it until facts compelled them to.

ONLY IN A SWOON?

Could Jesus have been buried alive and that He came to again? In that case, weak, wounded, and exhausted, how could He have removed the heavy stone door which was sealed and guarded by a squad of Roman soldiers there to prevent such an "eventuality"? The record states that He had new powers not manifested before—appear and disappear through locked doors.

THE RECORDS TAMPERED?

Could the account be a later addition, invented years later to glorify a dead hero? Historical records outside Scripture state that the sect known as Christians came into existence during Tiberius' reign, and that the thing that brought them into existence was their belief that Jesus had risen from the dead. The resurrection was not a later addition to the Christian faith, but the very cause and start of it. They rested their faith, not on records, but on what they had seen with their own eyes. The records were the result of their faith, not the cause of it. Had there been no resurrection, there would have been no New Testament, and no Church.

What an impact this simple belief has had upon human life. Our hope of Eternal Life is based upon an historic fact, not on a philosophic guess.

The Resurrection of Jesus Christ from the Dead

chre with fear and great joy; and did run to bring His disciples word. And as they went to tell His disciples, behold, Jesus met them, saying, All hail. And they came and held Him by the feet and worshipped Him. Then said Jesus unto them, Be not afraid; go tell my brethren that they go into Galilee, and there shall they see Me." (Matthew 28:1-10)

With Robert Lowry in his beautiful Easter hymn, "Christ Arose", all the Christian world sings,

Low in the grave He lay—Jesus my Savior!

Waiting the coming day—Jesus my Lord!

Up from the grave He arose, With a mighty triumph o'er His foes;

He arose a Victor from the dark domain.

And He lives forever with His saints to reign.

He arose, He arose! Hallelujah! Christ arose!

The Importance of the Resurrection

strike a blow at the reality of salvation and the hope of immortality. He develops his argument as follows: If there is no resurrection of the body, then Christ, who took a human body, did not rise from the dead. If Christ did not rise from the dead then Paul's preaching is empty talk; worse, it is false and misleading. And if the preaching is vain, so also is the faith and hope of those who accept it. If Christ did not actually rise from the dead, then there is no salvation for sin; for how do we know that His death was an atoning one—different from ordinary death—unless He rose from the dead? And if the body of the Master did not rise, what hope is there for those who trust in Him? And if all this be true, then sacrifice, self-denial, and suffering for the sake of Christ have been in vain. Verses 19, 30-32.
