Low-Rent Housing Project Completed On Schedule

\$400,000 low-rent housing project which construction last summer, has been completed on schedule and ready for occupancy by Curtis F. Pogue, director of the Haskell Housing Authority, was announced today.

Work on the project comprising the construction of 42 for white units, 42 for colored units, and final inspection by district engineer has been scheduled for Feb. 5th. The project is being planned by the public works department, and will be completed by the end of the month. Applications for occupancy will be accepted from Feb. 1st. The project will provide for 84 persons desiring to live in the units to be built. The project will be a family income project and will cost \$2400 per unit. The project will be a family income project and will cost \$2400 per unit. The project will be a family income project and will cost \$2400 per unit.

Meeting Scheduled In Rochester Feb. 6th To Discuss Growing Castor Beans

A meeting of Haskell County farmers to discuss the possibility of growing castor beans as a profitable cash crop in this area will be held at the Rochester High School building Wednesday, Feb. 6 at 7 p. m. County Agent F. W. Martin has announced. A representative of the Baker Castor Bean Corporation, which operates a shelling plant in Vernon, Texas, will be present at the meeting, Martin said. The representative will explain method of planting, harvesting, contracts, and other information. A film on castor bean production also will be shown. A sizeable area in Haskell County is suited to the growing of castor beans, County Agent said, and farmers might find it a profitable crop. Several months ago a group of interested farmers and landowners, accompanied by the county agent, made a tour of the Vernon area where castor beans are being commercially grown. As a result of the inspection trip several farmers indicated they would be interested in planting a trial.

Swift Gin Plant at Rochester Burns Wednesday

Fire which was discovered about 5 a. m. Wednesday destroyed the Swift Gin plant in Rochester, together with several bales of cotton on the gin yard and several tons of cottonseed stored in the seed house adjoining the gin plant. The flames spread rapidly through the iron-clad building housing the plant and Rochester firemen fought the stubborn blaze for several hours in preventing spread to nearby structures. Also destroyed in the blaze was a loaded cotton trailer belonging to Kenneth Russell, Rochester farmer, which had been left under the gin suction preparatory to being ginned off Wednesday morning. The gin, owned by Rule-Jay Cotton Oil Company, was still operating for the season but had not been running at night since the peak ginning season had passed. The plant was originally built in about 1915. Loss from the fire, based on present-day replacement costs, was estimated at \$70,000.

MRS. HENRIETTA PERRIN

Cotton Ginnings In County Reach 49,540 Bale Mark

Haskell County cotton production from the crop of 1951 will be approximately 10,000 bales under the yield from the 1950 crop, according to the January report of cotton ginnings released by Virgil A. Brown, reporting agent for the department of commerce. Total cotton ginned in Haskell County from the crop of 1951 prior to January 16, 1952, was 49,540 bales, he reported. This compared with 59,830 bales ginned to the same date last year from the crop of 1950. Some cotton still remains to be gathered and ginned, and the total figure on 1951 production is expected to reach at least 50,000 bales, Brown believes.

Final Rites Held Sunday For Mrs. Henrietta Perrin

Mrs. Henrietta Perrin, 97, resident of Haskell since 1918 and member of a pioneer Texas family, died Saturday at 12:35 p. m. in the Haskell County Hospital. Mrs. Perrin had been ill for three years. She entered the hospital in July, 1951. Funeral services were held at 3 p. m. Sunday at the First Methodist Church in this city, with the pastor, the Rev. T. G. Craft officiating. Burial was in Willow Cemetery with Holden Funeral Home in charge of arrangements. Mrs. Perrin was the last survivor of the Gose family, pioneers of Decatur, Wise County, her parents having moved there in 1859 when she was a child. She was a charter member of the Decatur Methodist Church. She was born in Sullivan County, Mo., June 12, 1854, the daughter of Mr. and Mrs. Wm. Gose. She was married in 1870 to James Perrin. They moved to Haskell from Wise County in 1918. Mr. Perrin died in 1919. Mrs. Perrin is survived by ten children; five daughters, Mrs. A. O. Gentry of Haskell, Mrs. John O. Chitwood of Dallas, Mrs. John Freeman of Haskell, Mrs. H. W. Barton of Wichita Falls, Mrs. Irene Ballard of Haskell; five sons, J. C. Perrin of Adrian, C. S. Perrin of Hereford, Clarence Perrin of Adrian, William and David Perrin of Haskell; 18 grandchildren and 32 great-grandchildren. Grandsons were pallbearers. They were: Julian, John Paul, Jim, Woodrow and Don Perrin; Labry Ballard, Henry and J. T. Barton, Qui-man, and Jewel Gentry, and Sam and James O. Chitwood.

Final Plans Completed For C. of C. Banquet Feb. 8th

Thieves Make Third Visit To Weinert Grocery Store

The Fairway Grocery in Weinert was entered by burglars Wednesday night or early Thursday morning of last week, when a quarter of beef, 10 cases of coffee, 50 pounds of bacon, and an estimated \$50 worth of cigarettes were taken. W. A. Dutton and Frank Oman, owners of the store, said possibly some candy and other small items had been taken that were not revealed in a hurried check of the loss. Entrance to the store was through the back door, which was broken through. Building occupied by the store is located on the north side of the main business street in Weinert. Last week's burglary was the third robbery of the store since it was opened about eight months ago.

C of C Speaker

DR. GEORGE S. BENSON

Meeting Scheduled Feb. 21 to Discuss Guard Unit Here

Cap. Landon Hill, administrative assistant, 131st Field Artillery Battalion of the National Guard, was in Haskell Wednesday conferring with civic leaders, Legion and VFW officials and other interested persons concerning the organization of a Field Artillery unit of the National Guard in Haskell. A meeting has been scheduled for Thursday evening, February 21, at the American Legion Building, at which time all persons interested in enlisting in the local unit are urged to attend. The meeting will begin at 8 p. m., and National Guard officers will be present to discuss and explain all phases of the proposed organization of a Haskell unit. Enlistment in the National Guard is open to all men between the age of 17 and 35 years. All men in this age bracket and who are interested are reminded to keep the date in mind and attend the meeting here Feb. 21.

With the auditorium of the Haskell Elementary School as the meeting place, final plans were being reached this week for the sixteenth annual banquet of the Haskell Chamber of Commerce, to be held Friday evening February 8th. Advance interest in the annual event has been greater than in several years and practically all tickets for the banquet have been sold, with attendance to be limited only by the capacity of the large auditorium. Out-of-town demand for reservations has been greater than in previous years, reports John A. Couch and J. M. Crawford, in charge of ticket sales. Requests for reservations have been received from Wichita Falls, Abilene, Lubbock and other cities in addition to neighboring towns and communities, they reported. Program for the evening will present one of the nation's outstanding speakers and exponents of the free enterprise system of economy, Dr. George S. Benson, president of Harding College, Searcy, Ark. The noted lecturer and educator is in wide demand as a speaker, and his appearance here will be his first address in a city of Haskell's size. Entertainment features on the evening's program will include the Cowboy Quartet from H-SU, Abilene. New officers and directors of the Chamber of Commerce will be introduced at the banquet, to begin their duties with the organization.

March of Dimes Quota Topped at Paint Creek

Residents of the Paint Creek community oversubscribed their quota for the March of Dimes, raising a total of \$400.00 against a quota which had been set at \$250. Supt. Dan McRae, community chairman of the drive reported. Of the total amount raised, \$94.95 was contributed by students in the Paint Creek school. The sixth grade students were 100 per cent participants. However, accurate information on other grades in the school was not available, and other classes may have equalled that record, it was explained. The drive was completed and the money turned in on Jan. 24. In addition to Supt. McRae, other workers assisting in the drive included Bill Lane, Jess Miekler, A. J. Josselet, George Free, John R. Watson, Jr., Rev. V. D. Walters, George Weaver.

Foursquare Church In Stamford To Host Singing

A program of singing will be held at the Foursquare Church in Stamford Sunday afternoon, beginning at 2 p. m., Sam White, well known song leader of that city, has announced. All singers and music lovers of Haskell and vicinity are invited to attend.

H-SU Faculty Member Will Be Speaker At Senior Class Banquet Thursday

John Caylor, Jr., of the Hardin-Simmons University speech faculty, will be speaker Thursday evening at the annual banquet for the Senior Class of Haskell high school, to be held at the First Baptist Church and sponsored by First Baptist W. M. U. Director of forensic activities at H-SU, Caylor went to the Abilene school from Texas Christian University, where he taught one year. He directs debates and the religious dramas. Caylor received his bachelor of arts degree from Louisiana College, his bachelor of divinity from Berkeley Baptist Divinity School and his master of arts from Texas Christian University. Also appearing on the Thursday banquet program will be Bill Cole and Loretta Guilette, Hardin-Simmons music students, who will present several vocal selections. Accompanist will be Mrs. Dub Wooten, Abilene. Cole, a senior from Arlington, is president of the H-SU cappella choir. Miss Guilette, also a senior, serves as secretary of the organization. She is from Joplin, Mo. The banquet is an annual affair honoring Haskell high school seniors, sponsored each year by the First Baptist Church. Program for the evening, with Mrs. Robert Wheatley, W.M.S. program and literature chairman, presiding, has been arranged as follows: Invocation—Supt. S. H. Vaughtner. Welcome—Mrs. James L. Winter, Sr., president W.M.S. Response—Sid Woodson, president of Senior Class. Introduction of program guests—Rev. M. D. Rexrode. Speaker—John Caylor, Jr. Duet—Bill Cole, Loretta Guilette; Mrs. Dub Wooten, accompanist. Benediction—Gerald Pinkston. The banquet will be served in the church annex. Theme of the banquet will be "Jewels." Principal course on the menu will be chicken spaghetti, and the theme of the banquet will be highlighted in the form of a jewel box decorated with pink icing and dragees of silver color. The box will contain cubes of ice cream in assortment of colors representing jewels. Committees in charge of arrangements for the banquet include the following: Food Committee—Mrs. J. M. Waggoner and Mrs. Elyson White. Serving Committee—Mrs. R. C. Couch, Jr., chairman. Kitchens Committee—Mrs. Mary Harris, chairman. Mrs. Raymond Davis is assisting Mrs. Robert Wheatley in planning the program.

Lt. Robert C. Cobb Named To MQ Post In Japan

SENDA, Japan, Jan. 25.—First Lt. Robert C. Cobb, 608 N. 8th St., Haskell, has been appointed Motor Transportation Officer for the 40th Division's 115th Medical Battalion, it was announced today by Maj. Gen. Daniel H. Hudelson, division commander. Lieutenant Cobb was recalled to active duty from the reserves last July. In civilian life, he was employed by the Production Credit Corporation at Haskell. A veteran of World War II, Lt. Cobb saw service during five campaigns in the European Theater of Operations, until in 1949, he received a direct commission in the Medical Administration Corps. His wife, Annie B., and two children, Cecile, 5, and Don, 3 live in Haskell, as do his parents, Mr. and Mrs. W. V. Cobb.

Allen Duval Adams Completes Officers Training Course

Allen Duval Adams, son of Mrs. Thelma Adams of this city, has completed a course at an Army Officers Training School at Fort Riley, Kans., and will receive a commission as Second Lieutenant at graduation exercises to be held Feb. 6th. The young officer is a graduate of Haskell High School, and attended Hardin-Simmons University before entering the service. He is a grandson of Mr. and Mrs. C. W. Bledsoe of this city.

March of Dimes Campaign Still Far Short of Goal

The annual March of Dimes fund campaign in the Haskell trade territory is progressing very nicely, reports R. C. Couch Sr., county March of Dimes chairman. There are 20 committees working in Haskell and vicinity, seven of them in the country and thirteen of them in town. "Most every committee has been working but a few have finished," the county chairman reported. "We are still far short of the goal of approximately \$5,000." Chairman Couch cited as the outstanding accomplishment in the drive to date, the attainment of Precinct 3 with Paint Creek as the center. With a quota of only \$250 they readily exceeded that and went on to raise a little over \$400. The county chairman also praised the novel cooperative plan for conducting the drive suggested by Wm. H. Wilson of Bill Wilson Motor Company. It was suggested that as a new method of canvassing the town that each company or corporation should handle its own 'working household' since they could do so in 30 minutes or an hour, while an outside committee would either not tackle the job at all or would use a whole day and make several trips in doing so. When canvassers called at the motor firm an envelope of \$82 was waiting, contributions of the employees in the sum of \$31 having been matched in a similar amount by the motor agency owner. "Everyone who acknowledges these movements as community responsibilities should give some time and effort to aiding the various committees who are out on these thankless jobs," Chairman Couch said. In Weinert, generous support of the drive was indicated. The drive was launched there Tuesday morning and within a short time \$540.00 was collected. Mrs. Claud Reid, Weinert chairman, reported today. Workers conducting the Weinert drive, in addition to Mrs. Reid, were Fred Monke, W. B. Guess, R. M. Walker, Joe Hix, J. C. Dunnam, M. W. Phemister, Eddie Sanders, Buck Turnbow, C. G. Hammer, Coyt Hix, R. L. Edwards and V. R. Anderson. "As of this hour we are short of the goal about \$1,500 to \$2,000," Chairman Couch pointed out. "May we urge each committee to search your territory closely as it will be needed to fully qualify with our proper amount."

Second Candidate Enters Prec. 2 Race; Poll Tax Payments Hit 3,500

Entry of the second candidate for Commissioner in Precinct 2, and a final rush of last minute poll taxpayers highlighted the political picture in Haskell County this week. Announcing as a candidate for the office of Prec. 2 Commissioner was Leon Newton, well known young farmer of the Mattson community and World War II veteran. Commissioner W. A. (Drew) Leonard, incumbent, announced his candidacy for re-election several weeks ago. Payment of current poll tax soared above the 3,500 mark today, Assessor-Collector R. A. Coburn reported, with midnight tonight the final deadline for payment. At 10 o'clock this morning Coburn's office had issued 3,498 poll tax receipts and 63 exemptions. This compares with 3,442 poll tax and exemptions in 1950, the last election year, and 3,800 in 1948.

10c Coffee Friday Will Be March of Dimes Benefit

The price of a cup of coffee will go to 10c in Haskell Friday. But keep your hat on the hike in price is for a good cause. In fact, every establishment serving coffee will be losing money even at a dime. The dime you pay for a cup of coffee on Friday will go to the March of Dimes, John H. Banks, chairman of the Haskell County Polio Chapter said today after making a canvass of local cafes and drug stores serving coffee. "Drug stores and cafes co-operating include Texas Cafe, Oates Drug, Home Drug, Haskell Pharmacy, Tulsa Club Cafe, The Westerner's."

Work Started On Hospital Project

Preliminary work was started this week on a \$200,000 enlargement and improvement project for the Haskell County Hospital, which when completed will make the institution one of the most modern and best equipped hospitals in this section. Work of clearing site for building additions and extensions and erection of temporary contractor's office and equipment building was started Monday by M. E. McGuire, Abilene contractor who holds the general building contract on the project. Cost of this phase of the project was placed at \$93,978 in the contract awarded the Abilene builder. Equipment is being placed on the ground and actual construction work is expected to get underway next week, County Judge Turnbow said today. The county officials also said that local labor would be used on the project insofar as possible, in both skilled and unskilled categories. First construction work will be the southeast wing or addition to the present building, and this unit will be completed before work on additional wings on the west and west center sections of the building is started in order to minimize any of the inconvenience in operation of the hospital. It is expected that between eight and ten months will be required for completion of the building project, Judge Turnbow said. When finished, capacity of the hospital will be increased from 26 to 36 beds, and all equipment will be completely modernized.

Ship Drive In Saddle Tramp Club Gets Off To Good Start

Enthusiastic meeting of the Saddle Tramp Riding Club was held last evening, Jan. 23, to get the ship drive started. The annual membership drive for men and women was held. Mrs. J. U. Fields, president of the club, expressed interest in the club's activities. It has of interest in livestock and also for the publicity angles. Thirty-five members were present at the meeting. Plans for a gigantic western street parade in downtown Haskell are being made for the early Spring and later editions of The Haskell Free Press will carry in detail the outline of the day's celebration. Trustee Cobb, acting in the absence of President Buford Cox called the next meeting of the Club to be held on the evening of Feb. 11. All members and interested persons are especially urged to be present as shirt colors are to be selected on this night.

It's Your Fight, Give To The "Mother's March on Polio"

Have you ever stopped to think just how many millions of times a day you take a step, raise your arm or even take a full deep breath? Of course you have not, because we all take things like that for granted. But, how would you feel if suddenly all these things were taken away from you? How would you like to walk only with the help of cruel steel braces, only breathe with the help of an iron lung? Not pleasant to think about is it? Polio is never pleasant. We all have seen the pathetic pictures of the kids in polio wards. We always shake our heads, say "How awful!" and then think that will never happen to my child. Just suppose that one morning your family doctor broke the terrible news to you that your Johnny or Susie had polio. What would you think about it? You would think, "They must have the best treatment, they must have the advantage of the latest research."

And all this would be available to your child, as is it to every victim of polio, no matter their financial status, race, creed or color. The National Foundation for Infantile Paralysis, through your local March of Dimes Chapter, is ready at every moment to step in and provide your child with expert care. If you want to be sure that your child would have the best possible care in the event of polio, join the 1952 March of Dimes but don't make it a March of Dollars. Only dollars will pay for the iron lung, rocking beds and care that can bring your child back to his normal physical condition. Only your dollars can help children resume their activities without the aid of braces or crutches. Take a few steps across your room, think how good it feels to walk without help, then dig deep and make this 1952 March of Dimes a March of Dollars.

HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

20 Years Ago—Feb. 4, 1912
Beatrice Thomason and Vada Thomas, who are attending Texas State Teachers College at Denton, spent last week end with their parents, Mr. and Mrs. Y. L. Thomason and Mr. and Mrs. O. N. Harrow.

Mr. and Mrs. George Henshaw are the proud parents of a new son who arrived Feb. 3rd. Fire which was discovered about 5:30 Thursday morning completely destroyed the L. N. Hamilton home and contents in the southwest part of town. It is believed the blaze started from an overheated oil stove.

Dennis P. Raliff of Haskell announced his candidacy this week for re-election as State Representative.

The plant of the Rochester Gin Company in that city burned to the ground last Thursday night, with loss estimated at \$25,000. Stockholders of the gin have announced the plant would be rebuilt during the spring and summer.

Mr. and Mrs. Roy Weaver and Mrs. W. E. Welsh left Sunday for Temple to be at the bedside of a niece, who is ill in a hospital in that city.

Gene Hunter was in Dallas the first of the week buying spring merchandise for the Courtney Hunt & Company store.

Mr. and Mrs. Glynn Boley and little daughter Glynese of Oklahoma City are visiting in the home of Mrs. Boley's parents, Mr. and Mrs. Claud Warren.

Mr. and Mrs. Elmore Smith, Mrs. Roy Killingsworth, Mrs. Hill Oates and Miss Nettie McCollum were among those who attended the musical comedy "The Crazy Quilt" at Wichita Falls last Friday night.

A total of 38,694 bales of cotton had been ginned in Haskell County prior to Jan. 16, 1932 compared with 29,159 bales ginned to the same date in 1931.

40 Years Ago—Feb. 3, 1912
On last Saturday morning Will Dunwoody, who has been with The Free Press as foreman during the past year, got his hand in the frame of the large newspaper press while it was in operation, and suffered a very painful and serious injury. Mr. and Mrs. Dunwoody left Saturday night for Anson to spend some time with his parents while he recovers from his injury.

Dudley Boone spent several days in town this week with his parents, Mr. and Mrs. J. S. Boone.

Mrs. Roy Browning of Megarale and Miss Kate Glasgow are visiting their sister, Mrs. J. A. Couch.

Jud Robertson of Jud was in Haskell Wednesday. He is one of the pioneers of this section.

T. C. Cahill is having a concrete sidewalk put down in front

of his office. Let the slogan be "on to the depot."
John D. Hughes of Georgetown was up here last week. Mr. Hughes has a large ranch on Paint Creek, and as the oil men are trying to lease all the land they can, we suspect he was up arranging with the oil men for a well on his ranch.

P. P. Doss has let a contract for the construction of a two story brick building on the lot adjoining McNeill & Smith hardware store to the Wichita Construction Company. We are informed that the contractors will begin work on the building at once.

Miss Mattie A. Thorp of Throckmorton took the train here Thursday night on her way to Dallas where she will purchase a stock of millinery for her store in that city.

The following candidates have announced for office: R. B. Huhphreys for State Representative; A. J. Smith for re-election as County Judge; Gaylord Kling for County Attorney; John L. Robertson for County Clerk; R. H. Sprawl for Tax Assessor; C. H. Russell for Public Weigher; J. B. Davis for Commissioner Prec. 3.

50 Years Ago—Feb. 1, 1902
Dr. T. W. Wood has bought and moved into the D. R. Couch residence.

The meeting being held by Elder Graves at Wildhorse schoolhouse closed last Sunday with ten additions to the Christian Church.

Miss Edith Sowell returned Thursday evening from a visit with relatives in Jones County.

S. E. Carothers is preparing to plant a lot of shade trees around his residence.

F. G. Alexander of this place and S. B. Street of Graham left this week for their semi-annual buying trip to St. Louis to select spring and summer stocks for their two stores.

Bert Brockman, who has served as deputy sheriff for almost two years has announced for sheriff and tax collector of Has-

Auto Inspection Law Not Answer To Problem of Highway Safety, Moffett Declares; Predicts Changes In Law

The Free Press has received the following statement from Senator George Moffett, concerning the auto inspection law. His statement follows:

"When the auto inspection bill came before the Senate at Austin, I recalled the old headlight inspection law which we had in this state about fifteen years ago. It proved to be unsatisfactory and was repealed. In some respects this auto inspection law follows the same pattern of the old headlight law; and I am not surprised at the objections which have been made to it. It has nothing to do with speed, yet accident records indicate that speed causes about 90% of the

accidents."
"While I sincerely favor safety upon our highways, I do not consider that the present auto inspection law is the answer to the problem, and therefore, voted against it. A few others members of the Senate did likewise; however the bill passed by a big majority in both branches of the legislature. My belief is that it will be modified or repealed when the Texas Legislature meets again."

Weinert Student In Cast of McMurry Theatre Play

ABILENE—When the McMurry College Theatre presents "Hansel and Gretel" in one of the most spectacular settings in the history of the drama department of the school, a Weinert student will be one of the reasons behind its success.

Luther Walker, junior at McMurry from Weinert, is among the group of technical producers of the play which is to be presented amidst the "most spectacular and elaborate setting in the history of the McMurry Theatre," according to Bill Adams director.

Sponsored by the Abilene Junior Service League, the play will be presented 15 times before a total approximate audience of 10,000 beginning Feb. 23 and continuing through March 2nd.

Walker, the son of Mr. and Mrs. R. M. Walker, was one of the designers and planners of the set and when actual construction begins, he will also assist with that. He is a speech major and at McMurry holds membership in Alpha Psi Omega, McMurry Theatre, Romanus Senatus, and the Totem staff.

If we'd pay the same attention to the weeds as we do the flowers perhaps they would die like the rest of the plants.

"Out of thin air" comes the HIGHEST HORSEPOWER in Buick history

NOTE FROM YOUR BUICK DEALER:
Presented here is the story of a great new engine development, as told by the men who did the job. We reprint the story here in its entirety—as we couldn't beat it if we tried.

No, we didn't have to build a new engine to do it.

We took Buick's valve-in-head Fireball Engine—which makes the most of high compression. We drew on 12 patient years of Buick carburetion research.

And we came up with more might, more miles, from gas—right out of thin air, in more ways than one.

When you talk about "miles per gallon" you think of fuel. That's what you buy. But air's free—and for every gallon of gasoline, a busy engine can gulp more than 8,000 gallons of air.

The problem is to deliver air in the right proportions, throughout the full range of speeds at which you drive.

A carburetor—big enough to supply the air needed at full throttle—can be wasteful in stop-and-go driving.

A carburetor sized for thrift in city traffic literally smothers your engine when you really give it the gun.

So Buick engineers came up with the Airpower carburetor—a four-barrel automatic—and here's how it works.

Loading along, two barrels are working, two stay closed. And you get a low-speed thrift and smoothness that's out of this world.

As you pick up speed, the "stand-bys" smoothly come into play—feeding not just more gas, but more air too—which means that you keep on getting maximum power from each drop of fuel.

You have 170 effortless horsepower when you need it—a tremendous reserve ready to go into instant action at the nudge of your toe.

You have the satisfaction of knowing that you get this power at a frugal use

of gas. At 40 you use less gas than formerly used at 30.

That's the story of Airpower carburetion in factory facts and figures.

But statistics can't tell you the breaking joy of heading for new horizons in a great-powered new ROADMASTER.

Better come in soon. Lots of other Buicks are flocking into our showroom these days to see the greatest array of Buicks we've had in years.

Equipment, accessories, trim and models are subject to change without notice.

Sure is true for '32

When better automobiles are built

BUICK

Three New Lines of Ford Passenger Cars for '52 Go On Display Friday

Ford Division of Ford Motor Company today announced three completely new lines of Ford passenger cars for 1952. Featuring Coachcraft bodies and more powerful engines, the new models are scheduled to go on display in Ford dealerships throughout the nation Friday, Feb. 1.

There are a total of 18 models in the three new lines—eight in the Mainline series, seven in the Customline series, and three in the Crestline series.

"Ford Mainline cars are for buyers chiefly interested in lowest-cost, dependable transportation," explained L. D. Cruseo, vice president of Ford Motor Company and general manager of Ford Division. "The Customline models incorporate many special refinements and conveniences, and the Crestline series features three luxurious body styles.

"The Fords for 1952—in every respect—are the finest cars we ever have built, and their advanced styling, engineering and quality features establish them as the leaders in the high-volume field," Mr. Cruseo said.

The new models are the result of Ford's far-reaching forward planning program, according to Mr. Cruseo.

"We are fortunate that our facilities, design and tooling programs were far advanced before the Korean crisis developed and that we could bring these new models to completion without interference with the defense program. In the meantime, we have eagerly sought defense contracts and have taken on all the work the government has requested."

Ford's styling identity is preserved in the low-wide lines of the hood and front end of the new cars, centering around a triple-spinner, air scoop grille arrangement. The new cars have curved one-piece windshields and rear windows, and their body lines sweep backward from extended headlights along the hood and higher fender line to the jet tube taillight sections.

L. W. Smead, general sales manager, said that "Ford again leads its field in offering the widest variety and choice of power combinations, safety features and fashion color selections. Fords are the only completely new cars in their field for 1952, thanks to Ford's long range planning program.

"Only Ford in the high volume class offers both six-cylinder and V-8 engines, three transmissions, foam rubber padding on all passenger car seats, center-fill gasoline fueling, suspended-type power pivot clutch and brake pedals and a dash-mounted master brake cylinder," Mr. Smead said.

"A greatly increased use of safety glass makes our cars much safer to drive, and all four-door models have rear door safety locks as standard equipment."

Mr. Smead said the 1952 Fords are more maneuverable and have a more comfortable ride because of new "tailored-to-model" springs, a longer wheelbase, wider front tread, a more rigid frame and new steering linkage with a higher turning ratio. The front tread is 58 inches and the wheelbase is 115 inches.

"Ford is the world's largest builder of V-8 engines and has built more than 12,000,000—more than four times as many as all other manufacturers combined. The Ford Strato-Star V-8 engine—proved over billions of miles of rugged service—is more powerful than ever, with an increase from 100 to 110 horsepower this year," Mr. Smead said.

"In addition, we are introducing the new 101-horsepower Ford Mileage Maker Six, a high compression low-friction engine produced after 4 years of intensive research and testing."

Both Ford engines are designed to operate on regular gasolines and embody many features found only in more costly cars, such as aluminum auto-thermic pistons, full-pressure lubrication, free-turning valves and weather-tight ignition.

Pioneer Stonewall County Woman Dies Sunday

Funeral services were held Monday afternoon at the Aspermont Methodist Church for Mrs. Cora Patton Gardner, 84, member of a pioneer Stonewall County family and grandmother of Mrs. A. J. Lafoon of this city.

Mrs. Gardner died at 2:30 a. m. Sunday in Jayton, Texas.

A native of Texas, she was born June 16, 1867 at Crockett in Houston County. She married Sam M. Gardner in Mills County August 14, 1886. They moved with their family to Stonewall County in 1906 and established a farm east of Swenson, one of the first in that section. Mr. Gardner preceded his wife in death in January, 1948. Mrs. Gardner had been a member of the Methodist Church since childhood, and was an active member of the Swenson Methodist Church for years.

She is survived by six children, a daughter, Mrs. Betty Kenner of Corpus Christi; five sons, Will and Barney Gardner of Jayton, Tom Gardner of Plainview, Paul and Roy Gardner of Aspermont. Also surviving are 22 grandchildren and 28 great-grandchildren.

T. A. Coleman, 78, County Resident 50 Years Dies

Thomas Alfred Coleman, 78, resident of Haskell County for the past 50 years, died Monday at 10 a. m. at the family residence in the Plainview community southwest of Haskell.

He had been a prominent farmer and stockman in that community for many years.

Funeral service for Mr. Coleman was held at 2 p. m. Tuesday at St. John's Methodist Church in Stamford, of which he was a member. The Rev. H. G. Hammer, pastor of the Plainview Baptist Church, was assisted by the Rev. Charles E. Fike, pastor at St. John's, and the Rev. Temple Lewis, Baptist pastor at Weinert, in the rites.

Burial was in Highland Cemetery under direction of Kinney Funeral Home.

Mr. Coleman was born in Salem, Ark., Feb. 15, 1873. He married Mattie Johnson in Sulphur Springs, Feb. 21, 1894. They moved from Hopkins County to this area in 1901. Mr. Coleman came to Texas with his parents when he was 10 years of age. Mr. Coleman is survived by his wife; three sons, E. A. Coleman, Ira Coleman, and J. C. Coleman all of Stamford; four daughters Mrs. Pearl Spoon of Stamford, Mrs. Jack Robbins of Aspermont, Mrs. C. E. Bland of Sagerton and Mrs. W. B. Childress of Tulsa; 20 grandchildren and 13 great-grandchildren.

Also surviving are three brothers, Sam and Albert Coleman of Lubbock, and Jesse Coleman of Ackerly; and two sisters, Mrs. Bertie Kennison of Lubbock and Mrs. Myrtle Pennington of San Bruno, Calif.

HASKELL VISITORS

Cherry Cream Pie
Broadcast February 2, 1952

1 pkg. vanilla pudding powder
1/2 cup sugar
2 slightly beaten egg yolks
1/4 cup Fat Milk

1/2 cup water
1 1/2 teaspoons vanilla
No. 2 can sour pitted cherries
2 egg whites

Put pudding powder and 1/4 cup sugar into saucepan. Stir in mixture of egg yolks, milk and water. Heat to boiling over low heat, stirring all the time. Cook and stir 30 seconds. Stir in vanilla. Cover and cool thoroughly. Drain cherries, then place on paper towels while custard cools. Put half of custard in bottom of 9-inch cold baked pastry shell made with pie crust mix. Cover with drained cherries. Top with rest of custard. Beat egg whites until stiff. Then beat in 4 tablespoons sugar slowly. Put on custard, spreading to edge of crust to seal in filling. Bake in slow oven (325) 15 min., or until light brown. Cool thoroughly before cutting with wet knife.

You Will Need:
Fat Milk, Vanilla Pudding Powder, Sour Pitted Cherries, Pie Crust Mix.

UP TO 17% GREATER WINDOW AREA
NEW "JET-SCOOP" HOOD
NEW WIDER RANGE OF MODELS
NEW "MONOPANE" WINDSHIELD
NEW SUPER-SAFE BOX-RAIL FRAME
BIG POWERFUL BRAKES WITH "FLOOR-FREE" PEDAL
CHOICE OF 3 GREAT TRANSMISSIONS
NEW CENTRALIZED "HIDE-AWAY" GAS CAP
NEW EASE-AIR VENTILATION

the New 1952
MERCURY with MERC-O-MATIC Drive*

CHALLENGING NEW 125 HP HIGH-COMPRESSION V-8

Here's the new stepped-up successor to the engine which for two straight years won top class honors in officially sponsored economy tests. This year—even more efficiency, greater horsepower, and better power-to-weight ratio. It's high-compression, V-8 power at its best—by the company which has built more V-type engines than all others combined.

3 GREAT TRANSMISSIONS—Mercury offers you a choice of three dependable performance-proved drives: silent-estate standard transmission; thrifty Touch-O-Matic Overdrive; and Merc-O-Matic*, greatest of all automatic drives.

*Optional at extra cost.

FEAST your eyes on this, America. Mercury has done it—brought you a really new 1952 car that's far, far ahead... that stands as an even greater challenge to the motoring world than last year's Mercury, one of the most popular cars that ever came down the American Road.

Your first look begins to tell you why. For here's something entirely new in car design... swift, clean lines that sweep from the new "Jet-scoop" hood (inspired by the smartest European cars) to a strikingly new rear deck design. Here's styling made possible for the first time in automotive history by revolutionary new techniques in metal engineering.

But wait till you feel the stepped-up pace, the steady balance of this beauty. There's more power—125-horsepower high-compression V-8—greater pickup, and even better efficiency. And that's saying plenty when you think of the prize-winning Mercury performance of recent years.

So hurry on down to our showroom. Be one of the first to see, drive, and own the car with the "future features" today... the challenging new 1952 Mercury.

Standard equipment, accessories, and trim illustrated are subject to change without notice. White side wall tires when available at extra cost.

CHALLENGING NEW FUTURE FEATURES

No other car on the road offers so many advanced features for your comfort and convenience. Features like the up-front, "quick-sight" Interceptor instrument panel, matchless Merc-O-Matic Drive, suspension-mounted "Floor-Free" brake pedal, and the centralized "Hide-Away" gas cap, for easy fueling from either the right or left. It's your look today at the cars of tomorrow.

Funeral Rites For J. R. (Bob) Barnett Held Here Monday

Funeral services were held at the First Baptist Church in this city Monday at 3 p. m. for J. R. (Bob) Barnett, 63, well-known Haskell farmer and long-time resident here.

Rites for Mr. Barnett, who died Jan. 22 after an illness of several months, were delayed until the arrival of a son, Chaplain Robert Barnett, who was with U. S. Army occupation forces in Germany and returned to the States by plane after being advised of his father's death.

Officiating for the services were the Rev. M. D. Rexrode, First Baptist pastor, the Rev. Gerald Pinkston, assistant pastor, and the Rev. Jack Wester, pastor of the Pinkerton Baptist Church.

Burial was in Willow Cemetery with Holden Funeral Home in charge of arrangements.

Survivors include the wife, three sons, Chaplain Robert Barnett home from occupation duty in Germany, J. C. Barnett of Amarillo and Cpl. Tom P. Barnett of Camp Rucker, Ala.; one daughter, Mrs. Mary Spiller of Abilene; three brothers, Albert Barnett of Haskell, H. G. Barnett of Selma, Calif., and W. M. Barnett of Fresno, Calif.; two sisters, Mrs. A. T. Robertson of Cleburne and Mrs. Annie Cunningham of Dallas.

pallbearers were Alfred Turnbow, B. T. Gordon, Drew Leonard, Weldon Turnbow, Joe Thomson, Clinton Herren, Bill Reeves, Royce Adkins.

News From Sagerton

"Buying Kitchen Equipment Wisely" was the topic discussed by Haskell County Demonstration Agent Miss Thelma Wirtgen at the Sagerton Home Demonstration Club meeting Jan. 22 in the home of Mrs. J. C. Kainer. While she talked, she displayed clever recipe cards on which were the directions for buying a deep freezer, dish washer, range, refrigerator and garbage disposal unit.

During the business meeting plans were discussed for the special activities during 1935 and plans were made for the bake sale which the club sponsored at the Sagerton School to raise money for the polo fund.

Cheese sandwiches, potato chips, olives and coconut cake were served to Mmes. A. L. Gibson, Cliff Gholsen, Will Stegemoller, A. C. Knippling, O. K. Oelke, Glyn Quade, C. E. Stegemoller, F. A. Stegemoller, and Delbert LeFevre and to the following guests: Mrs. L. Stegemoller of Stamford, Mrs. Roland Green of Sagerton, Miss Wirtgen of Haskell and Miss Reinke of Iowa.

The next meeting will be in the home of Mrs. A. C. Knippling Feb. 12.

The Zion Lutheran Men's Club met in the parish hall last Thursday evening for a social and business meeting. After the business meeting a topic discussion was held. Refreshments were served by the Rev. Virgil Meyer, pastor, and Mrs. Carl Hertel.

Rev. and Mrs. R. L. Kirk were dinner guests in the J. J. Thames home Sunday. The beautiful art windows which were purchased by several

members of the church were installed this week in St. Paul's Lutheran Church by a representative of a company in San Antonio with the help of some members of the congregation. They were designed especially for the church.

Pastor Meyer, Ervin Diers, Mrs. Emma Baitz, Mr. and Mrs. Leon Stegemoller and Kenneth Stegemoller attended a teachers institute for the Zion Lutheran Church in Abilene Sunday.

A. C. Knippling observed his birthday Monday night Jan. 21 in his home when friends and relatives dropped in. Games were enjoyed and refreshments were served to the honoree, Mr. and Mrs. Otto Lehmann and children, Mr. and Mrs. Anton Tichelman and daughters, Mr. and Mrs. Dan Rinn and family of Stamford, Mrs. F. A. Stegemoller and son, Mr. and Mrs. Frank Boedeker, Mr. and Mrs. C. E. Stegemoller, Mrs. J. F. Schaake and Erna of Stamford, Rev. Oelke and Luther and Mrs. Knippling and daughters, Lois and Dahlia.

Mr. and Mrs. J. A. Hertel celebrated their 20th wedding anniversary Wednesday night of last week in their home. Games were enjoyed by the guests.

Mrs. Leo Monse celebrated her 43rd birthday in her home Jan. 23. Games were enjoyed by the following guests: Mr. and Mrs. Adolph Helm, Lois and Jeanette, Mr. and Mrs. August Stremmel, Mr. and Mrs. Albert Stremmel, Hilda and Emil, Mr. and Mrs. Tom Thane and Leland of Stamford, Mr. and Mrs. August Angerman, Mr. and Mrs. Otto Lehmann and children, Mr. and Mrs. Alvin Holle, Mr. and Mrs. Bruno Kupatt and Patricia, Mr. and Mrs. Adolph Ender, Mr. and Mrs. George Monse and children of Stamford, Mr. and Mrs. Norvell Lehmann, Miss Margie Lehmann, Mr. and Mrs. Clancy Lehmann and Gail, the honoree and Mr. Monse and their daughter Geneva, and Mrs. Fred Monse. Sandwiches, cake, pie coffee and pop were served.

The Stitch and Chatter Club met in the home of Mrs. R. O. Gibson Sr. Wednesday afternoon, Jan. 23. Refreshments of date pie, coffee or Cokes were served to the following members: Mesdames Ben Hess, Geo. Leach, Cliff LeFevre, R. N. Sheid, Chas. Clark, M. Y. Benton, John Clark, Anna Hankins, Pete Lusk and the hostess and Mrs. Spurlock, a guest.

Mr. and Mrs. Cliff LeFevre visited Mr. and Mrs. Van Laughlin in Rule Sunday.

Rev. O. K. Oelke, pastor of St. Paul's Lutheran Church announced that the church had a guest book for the names and address of all visitors to the church services. The following ladies of the congregation were appointed to meet the guests and see that they register: Mmes. B. K. Kupatt, Walter Quade, Norbert Boedeker, C. C. Brethauer and Wallace Dudensing.

New clothbound hymnals have been purchased by the WSCS and the members of the Sagerton Methodist Church and will be used at the next service.

Mr. and Mrs. G. A. Lambert visited with Mr. and Mrs. Frank Pilley and Mrs. Humphreys in Abilene Monday of last week. Later in the week, they went to Idalou to spend several days with their son, Rueben, and his family.

The infant son of Mr. and Mrs. Melvin Lehmann of Denton was baptized Sunday morning in the St. Paul's Lutheran Church by Rev. Oelke during the morning service. He was named Larry Dale. His grandparents are Mr. and Mrs. Otto Lehmann of Sagerton and Mr. and Mrs. Louis Spitzer of Old Glory.
