50 Years Ago—June 18, 1900
 Cupid the winsome littleascal, finds employment in Haskell as well as in more densely populated centers. One of his schemes culminated Wednesday night in the elopement of John Couch and Miss Zoodie Johnson. The young lady left home in a buggy with Mr. Bowron ostensibly to go on a moonlight picnic at Mr. Pierson's ranch, but taking a circuitous route they drew up at the residence of Rev. D. James in the western part of town, where Mr. Couch awaited them with a marriage license and the parson proceeded to bind them in the bonds of matrimony. The ceremony over, they drove out to L. W. Roberts' ranch, and from there visited relatives of Mr. Couch in Knox county a day or two, returning to town Friday evening where they were given a supper and reception by Mr. and Mrs. T. N. Carney, who invited a crowd of their friends and relatives to meet them. The Haskell Brass Band was on hand also and made the occasion an uproariously musical one—at times at least.

20 Years Ago—June 19, 1920
 Misses Lena Kemp and Janie Lyle Martin attended the Epworth League Assembly at Canyon last week, and were awarded Christian Culture Certificates for their proficiency in the work of the League.

 Miss Matilda Gunn of Austin, former Demonstration Agent here, is visiting in the home of Mr. and Mrs. Hill Oates.

OFFICIAL HOARDING
 The extent of which surplus inventories of stock are built up by some Federal Agencies was recently pointed out to the House Appropriations Committee by Jess Larson, General Services Administrator. He said one agency had a supply of tracing cloth which would last them 9 years, enough fluorescent light tubes to last 93 years, sufficient rule filler paper to last 168 years and a stock of loose leaf binders which would last them 247 years.

Mrs. Hill Oates.
 Mrs. J. U. Fields left last week for Montreal, Canada, from where she will sail for Europe to spend the summer.
 Miss Hazel Wilson has returned from a vacation trip to Hubbard City and Dallas.
 Preliminary reports from the 1930 census show that there are 326 unemployed persons in the county. This total takes into account only those persons usually engaged in a gainful occupation.

LAWYER TO SEE YOU
 IT's not a pleasant experience to face a lawsuit for accidental injuries to others on your property, and it's costly. Why not have the protection of Comprehensive Personal Liability Insurance, as many property owners do? Costs very little.

Everybody's from Missouri.
 ... WHEN THEY'RE LOOKING FOR **STEERING SERVICE**

So-o-o, we've installed a brand new **VISUALINER**. Now you can SEE FOR YOURSELF why you're ruining your tires and why your car steers hard.

The John Bean **VISUALINER** shows YOU whether your car needs steering service and helps US do a faster, more accurate job of correcting the trouble.

It only takes a few minutes to check your wheel alignment on the VISUALINER...

Drive in Today!

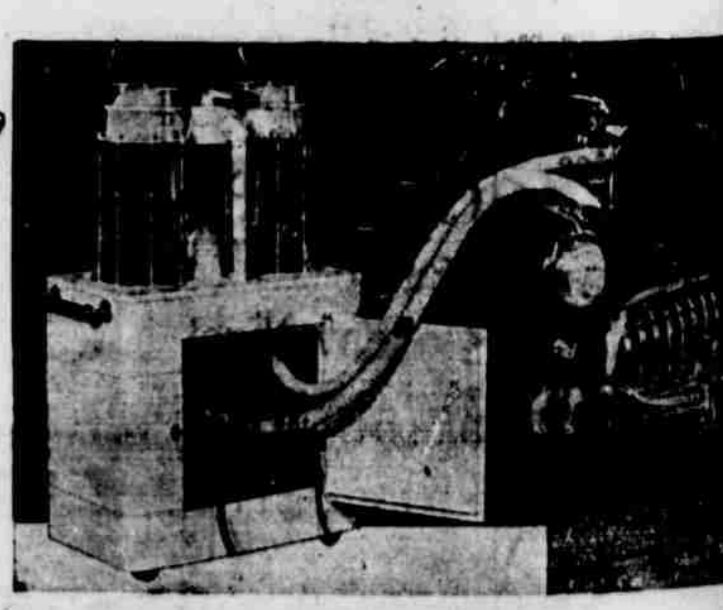

Give me those wide-open spaces

The Leaping Lena — with its unbalanced wheels — may be just the thing for hopping over prairies; but for highway driving it's a headache and a Public Nuisance. Unbalanced wheels cause shaky steering. Vibrations from out-of-balance wheels loosen the frame, cause costly and unnecessary wear on steering and wheel mechanisms. They make driving tiresome and unsafe.

Visit our service department, today, and let us check your wheels with our precision John Bean Wheel Balancing System.

BALANCED WHEELS MEAN SAFE AND SMOOTH DRIVING!

NEW PRESSURE PURGE METHOD
 Thoroughly Cleans Radiator and Blocks

Clean radiators and clean cooling systems save gas, repair bills and motor overhaul expenses.

Purging is not a drain and water refill job.

We **PRESSURE-PURGE** your radiator or cooling systems three ways:

1. BY HEAT
2. MECHANICAL AGITATION
3. BY CHEMICAL ACTION

Joyce Reding and Lewis Thomas Recite Wedding Vows In Double Ring Ceremony

In a double ring ceremony Sunday, June 18, Joyce Marie Reding, daughter of Mr. and Mrs. J. H. Reding, Weimer, became the bride of Lewis Edwin Thomas, son of Mr. and Mrs. C. A. Thomas, Sr., also of Weimer.

The wedding was held at four o'clock in the Methodist Church, Haskell, with Rev. E. G. Craft officiating.

For the wedding an improvised arch of greenery and calla lilies was used directly in front of the church altar. White gladioli and fern were in the two altar vases, with twin arrangements of gladioli and woodwordia fern completing the altar decorations. Aisle pews were marked with white satin bows.

As a prelude, Mrs. Wilda Medford, organist, played "Clare Lume" and during the ceremony she played "O Promise Me." She also played the wedding march and accompanied Mrs. Allen Overton, who sang "I Love You Truly" and "Because."

Mr. and Mrs. Clifford A. Thomas, Jr., brother and sister-in-law of the groom, attended the couple as best man and matron of honor. Ushers were Max Copeland of

Wera, and Durwood Forehand of Weimer. The bride, who was given in marriage by her father, wore a white taffeta dress with shadowed organza overskirt. The gown was designed with a rounding collar, fitted bodice buttoning to the waist with tiny covered buttons, peplum, brief sleeves and a full circular skirt of ballarina length. She wore mits of shadowed organza.

Her fingertip veil of brial illusion was caught to a halo of pearlized orange blossoms. She carried a white Bible topped with a pink orchid and showered with white satin ribbon and lace bows.

For traditional something old she carried a hundred year-old white handkerchief belonging to Mrs. J. O. Merchant which she carried at her wedding 50 years ago. For something new she wore a rhinestone necklace, gift of the bridegroom. For something borrowed she wore a gold bracelet which belonged to the late Mrs. V. J. Josselet, grandmother of the groom. For something blue she wore a small blue bow on her halo of orange blossoms. She also wore a penny in her right shoe.

The matron of honor was gowned in a yellow dress fashioned after that of the bride's, and wore a rhinestone necklace, a gift of the bride. She wore white carnations in her hair and carried a nosegay of white carnations. The bride's mother chose a navy sheer with which she wore a beige straw hat and black accessories. Her corsage was of white carnations. The bridegroom's mother was dressed in beige with

which she wore a beige straw hat and navy accessories. She also had a corsage of white carnations.

A reception was held after the wedding in the home of the bride's parents. Assisting in receiving was Mrs. Ervin Overton, who registered the guests.

The bride's table was covered with a lace table cloth and was laid with silver and crystal appointments. Gladioli and greenery was banked around the three-tiered wedding cake which was topped with a miniature bride and groom.

Out-of-town guests included: Mrs. D. R. Kee, Mr. and Mrs. W. B. Thomas, Mrs. J. F. Thomas, Sr., Mrs. C. M. Millhollon and La Rue, all of Electra; Mr. and Mrs. R. L. Mills, Ronnie and Bob, of Rochester; Miss Annie Claude Hall of Abilene; Miss Donna Nell Turner of Austin; Mrs. Milton Reding and Eva Jo, of Killeen; Mr. and Mrs. Bill Cole and Gaylon, of Plano; Mr. and Mrs. Gene Floyd and Travis of Munday and Mrs. Walter Copeland and Edith of Vera.

When the newlyweds left on the wedding trip to Colorado Springs, Colo., the bride was wearing a brown chiffon dress over brown taffeta with a white pique collar and bolero, white pique hat and white accessories. She also wore the pink orchid from atop her Bible.

The bride is a graduate of Weimer High School and attended Draughon's Business College in Abilene. She is now employed as Vocational school.

The bridegroom is also a graduate of Weimer High School and is now engaged in farming.

After a few days wedding trip the couple will be at home at 1303 Ave. H., Haskell.

Mrs. and Mrs. Lewis Edwin Thomas, above, will make their home in Haskell following their wedding Sunday in the Weimer Methodist Church. Mrs. Thomas is the former Miss Joyce Marie Reding.

Clothing Class Being Conducted for Colored Women of Haskell Has Steady Growth In Enrollment

The Adult Clothing class which Miss Watson, high school home-making teacher, organized for the colored women has grown by leaps and bounds. Miss Watson said, "The class is so large now that I cannot help each one of them every day, but they are so eager to learn that it makes me work even harder. I started out with thirteen and the class has grown to twenty-eight with more coming to each meeting."

Threading the machine, how to read a pattern, how to alter a pattern, and how to put a pattern on the material correctly are some of the things which they have

studied. "They have already asked for a class to begin in September when I return," Miss Watson added.

Those who have enrolled are: Margie Guyden, Bessie Hanson, Mary Ann Tillery, Arizona Webb, Minnie Kingsbury, Georgia Wade, Juanita Lewis, Grace Pearl Lewis, Lenora Johnson, Vernilla McDonald, Mrs. John White, Susie Mae Sellers, Onzia Williams, Tommie Jean Andrews, Hattie Lee Andrews, Vernell Coats, Margie Kingsbury, Audrey Gale McDonald, Charley Hazel Johnson, Mary Lou Johnson, Betty Joe Johnson, Minnie Adams, Billie Irene Jus-

tic, Annie Louise Justice, Willie Lee Sharp, Bettye Ivory and Mary Hamilton.

Weinert Methodists Honor Minister With "Pounding"

Members of the Weinert Methodist Church still believe in the "Old Fashioned" way of reception for their pastor. The congregation met on Wednesday evening for regular mid-week prayer service, but carried along a surprise for the preacher and family. Inside the church kitchen several freezers of ice cream and enough groceries to fill the parsonage pantry awaited the benediction.

Brother Tucker was re-appointed to the Weinert Church at the recent session of the Northwest Texas Annual Conference. The love of his people, for him is manifest in the fine reception they have given him. The preacher as well as the people are very enthusiastic about the prospects for the new conference year for the church is in the making.
