HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

20 Years Ago—Sept. 11, 1930
With fair weather prevailing during most of the past week, gathering and ginning of this year's cotton crop has progressed rapidly. Up to this morning, 368 bales has been ginned here.
R. C. Couch, local banker and members of the Statewide Drouth Relief Committee, has been notified by the State Railroad Commission that reduced rates on livestock and feed have been granted to points in all Texas counties hit by drouth.
Roy Sanders left Tuesday night for Austin, where he will resume his studies in the University of Texas.
Miss Katherine Rike is spending this week with her brother, John Rike and wife of Aspermont.
Mr. and Mrs. J. U. Fields have returned from Dallas, Mrs. Fields has just returned from a three months trip to Europe, and was met in Dallas by Mr. Fields.
Lewis Smith, who spent the summer in California, has returned home for a few day visit with his parents, Mr. and Mrs. H. M. Smith. He will go to Houston next week to enroll in Rice Institute for the coming term.
Seven Home Demonstrations Clubs of Haskell county will have full exhibits at the seventh annual Haskell County Fair to be held here Oct. 16 through 18.

A new route for Highway 18 through the Sagerton section is being considered due to excessive cost of the right-of-way as originally planned. State Highway Department engineers said this week that an alternate route was being considered which would miss the business section of Sagerton.

40 Years Ago—Sept. 10, 1910
The home of Mr. Trowell in the west part of town caught fire Wednesday night, and the building and most of its contents was destroyed. The fire started while the family was at church.
M. L. Lynch has taken charge of the Lindell Hotel. He has renovated the interior of the popular establishment and added considerable new furniture.
W. E. Johnson of Marlin and Mrs. Gause of Fort Worth are visiting their parents Mr. and Mrs. C. C. Frost of this city.
Richard Nolen left this week for San Antonio, where he will enter Peacock Military Academy.
Wirt French returned this week from Oklahoma City, where he has been on a business trip.
Fred Wankan arrived here Wednesday. He said his father's orchard in Cook county would make 1500 to 2000 bushels of peaches this fall. He sold a carload here at \$1.50 per bushel.
Judge Pete Helton made a business trip to Graham this week.
Frank M. White a scenic artist of Mineral Wells Texas, is here for the purpose of fitting out the Opera House with new scenery and a modern drop curtain.
There was a large crowd in town Monday and there was a considerable trade in mules. One span of fine mules for \$475.00. The price for good mules ranged around \$150.
W. A. Smith and family of Taylor have moved to Haskell. He will engage in the real estate and loan business.
Report of condition of the Farmers National Bank of Haskell, at the close of business Sept. 1, 1910, listed deposits of \$38,823.12 and loans and discounts of \$8,163.95.
Mr. and Mrs. H. S. Post and children left Monday night for Austin to spend the winter.
Ferd Alexander left Monday night for Stamford, where he will attend Stamford Collegiate Institute.

attend Stamford Collegiate Institute.

50 Years Ago—Sept. 8, 1900
Mrs. Elbert Askey, who lived in Stonehill county a few miles from Rayner, was fatally burned Friday of last week when she attempted to kindle a fire with coal oil. Her baby, only a few months old, also was badly burned, and Mrs. Askey lived only a few hours.
Miss Una Foster left Thursday for a several months visit with relatives in Mississippi.
Messrs. Morton & Boone and J. C. Keller sold to W. T. Hudson the latter part of last week, eight cars of steers. Mr. Hudson shipped the cattle Monday from Stamford to Kansas City.
We understand that a good two-stand gin plant is being put up at Munday. This is another indication that farming activity is increasing in this section.
J. C. Forbis of Throckmorton county bought a section of land in the northwest part of the county this week.
Dr. J. E. Lindsey has sold his residence in town and his ranch and cattle to Wm. Oglesby, who recently moved here from McGregor.
W. T. Hudson has bought the Wasson herd of cattle, about 250 head, at an undisclosed price.

Camp Fire Girls "Membership March" Begins Friday In West Texas Area

Camp Fire Girls Friday, Sept 15 will begin a two and a half month Membership March during which they hope to enroll as Blue Birds, Camp Fire members of Horizon Clubs every Haskell girl between the ages of seven and eighteen, not already affiliated with a youth agency.

Adult men and women are welcome too, as sponsors and leaders. "In fact," said Council President Ryland Gleaton, Stamford, in announcing the drive "there's fun for everyone in Camp Fire."

Theme of the Membership March which will continue through November 30 is "Be Friendly—Make Friends—Join the Camp Fire Girls." Camp Fire Girls plan to concentrate their Fall activities toward making Haskell more safety-sane than ever before, and as a secondary slogan for the Fall Membership March, they are saying: "Camp Fire for a happy life—safety for a long one."

The major portion of Camp Fire's interest in safety will be directed to safety on wheels according to Kathleen Crawford, the Executive Director.

"Learning the proper care of bicycles and how to prevent accidents will take priority with most of our groups," she said. "There are many bicycles in Haskell; consequently you can see how important it is that all bicycle owners be properly acquainted with safety rules and precautions."

Horizon clubs, senior high school groups of Camp Fire Girls will concentrate on automobile safety as drivers and riders. Safety in the home and outdoors as campers and hikers will be studied by all members of the organization.

Camp Fire Girls was organized in 1910 to provide leisure time activities through which all girls, regardless of race, religion or financial status, can develop their best potentialities as alert citizens and homemakers or professional women.

Dog fanciers of international, national and state renown joined with a typical Texas mother of five boys who won a "just plain dawg" in judging a contest to name a new dog food manufactured by Uncle Johnny Mills of Houston. The judges, seated in the picture from left to right, are Mrs. Glorabelle Jones, Houston, the housewife; Mrs. Robert J. Levy, Houston, nationally famous for her purebred cocker spaniels; Forrest N. Hall, Dallas, internationally known dog show judge; Mrs. Juanita Brown, Austin, editor of Kennel Review; and Miss Maxine Bean of Fort Worth, nationally prominent dog handler. Standing at right is L. F. Van Stone, vice president and sales manager of Uncle Johnny Mills.

Mid-Century Record of Historic Data To Be Buried on State Fair Grounds

The 1950 State Fair of Texas will mark the Mid-Century point in history for future generations by burying a Time Capsule with instructions not to open until 2050 A. D.

The Time Capsule, containing data of historic interest about life in Texas during the first half of the 20th Century, will be sealed and buried on the final day of the 1950 State Fair Mid-Century Exposition.

Disinterment of the hermetically sealed metal cylinder 100 years hence will probably be a high point of the next Mid-Century Exposition. Its contents will enable Texans at the 2050 Fair either to marvel or smile tolerantly at the way we live in 1950.

Prominent among the exhibits to be included in the Time Capsule to give a true picture of Texas in 1950 will be copies of the front pages of virtually every newspaper, daily and weekly, in the Southwest. The front pages will be photographed on microfilm, which will be specially treated and sealed in an air-tight container of its own.

Other items will include documents and photographs pertaining to the history of Texas and the State Fair and a description of the everyday life of today. The Atomic Age Science Show of the 1950 State Fair also will be described in great detail.

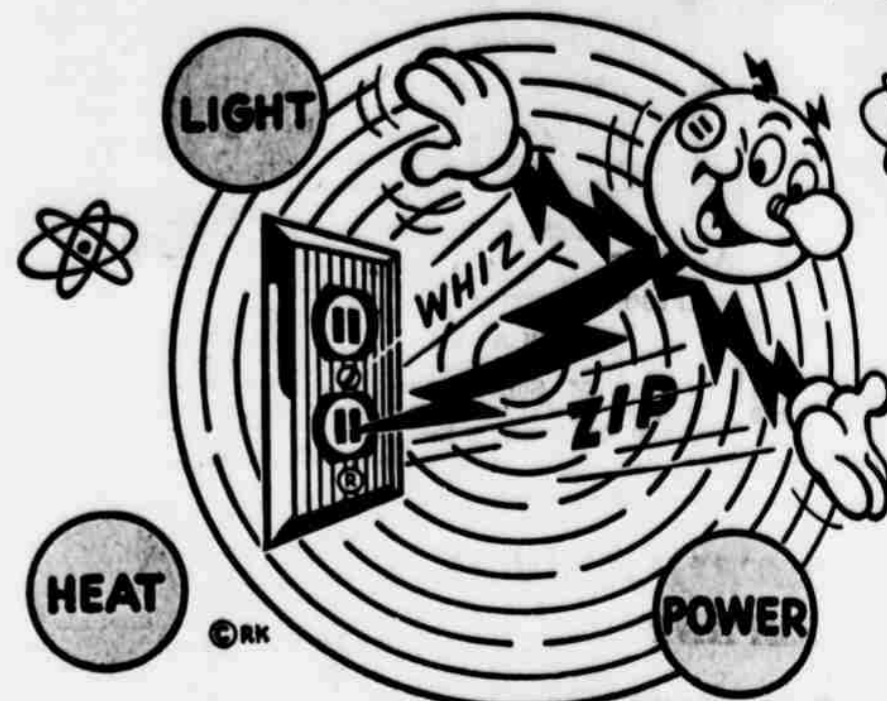

"The Science Show at the 1950 State Fair will present a graphic picture of the near-miracles which have been accomplished by Science in the first half of the 20th Century," said James H. Stewart, executive vice president and general manager of the Fair.

"At the next Mid-Century Exposition when the Time Capsule is opened, who can predict what unimaginable marvels may be revealed at the Science show of that far-in-the-future Fair? At any rate, it may be amusing to our descendants to see how amazed we today are at the Atomic Age accomplishments which then will no doubt be something from the realm of antiquities."

The Time Capsule will be buried at an impressive ceremony at 3 p. m. Sunday, Oct. 22. Officials of the Fair are consulting engineers concerning the type of cylinder to be used and how best to preserve it in its resting place for the next 100 years.

Dates of the 1950 State Fair are Oct. 7-22.

Humble Oil Co. To Broadcast Southwest Conference Games

When the whistle blows to open the first games of this year's Southwest Conference season on Sept. 23rd, it will also signal the start of Humble Oil & Refining Company's 17th consecutive year of broadcasting the games to Texas radio followers of the sport.

This year, as last, the Conference has awarded Humble television as well as radio privileges, but with the special proviso that only sell-out games may be telecast.

Last year's broadcast teams remain virtually intact. Kern Tips, pronounced best in the nation by Texans, heads a staff which includes such well-known announcers as Vea Bx, Charlie Jordan and Bill Michaels. It is an interesting fact about all four of these men that none of them depend upon football broadcasting for a livelihood. Tips is an advertising agency principal; Bx is a radio station executive; Jordan is vice president of a radio network; and Michaels is manager of a radio station. These jobs keep them in Texas, and their interest in football keeps them on the microphone during the football season.

The season's first broadcast, Sept. 23, will find the broadcast crews scattered over four states, covering inter-sectional tilts at Laramie, Wyoming, Sacramento, Calif., Lawrence, Kans., and Dallas and Lubbock, Texas.

Before the season is over, the staff of announcers, engineers and supervisors will have covered several thousand miles of the United States by train, plane and car. And to make sure they catch the right train, that will be hotel reservations available in football-crowded towns, that telephone lines are installed well before the game and that spotters are on hand to identify members of strange teams, dozens of other behind the scenes workers will keep busy from now until the last word of the final game goes on the air December 9. Engineers, linemen, time buyers, radio writers, and secretarial workers will spend hundreds of man-hours performing the dozens of different chores necessary to put a football game on the air.

Looking for a Money Saver?

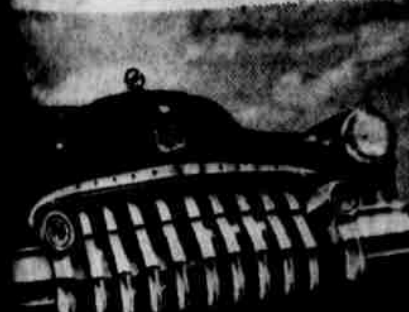

Better Buy Buick!

YOU CAN SEE here how smart it is—don't have to be told that it's the most quickly identified car on the road today.

You probably know that the engine under that broad bonnet is a Fireball straight-eight valve-in-head engine and a lively stepper in any company.

You can check the abundance of its room by the simple expedient

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on weight—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

of taking the family and trying out its spaciousness at the nearest Buick dealer's—and a very few minutes on the open road will satisfy you that all-coil springing, low-pressure tires and Buick's torque-tube drive really do produce a ride that is matchless for its soft comfort.

BUT RIGHT NOW, it may be that the money angle is the thing uppermost in your mind, and on that we'd like to make two points:

All our records go to show that this is the most economical Buick ever built. It is easy on gas, on oil, on tires, on upkeep.

And if you choose it with

Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Dynaflo Drive,* it immediately eliminates all chance of friction-clutch repair and replacement—not to mention greatly reducing rear-axle and transmission maintenance.

Best of all, your initial outlay is a highly favorable one—whatever Buick you buy. For these brawny straight-eights—built rugged and solid for durable service—are priced at a level that makes them a standout buy in any price class.

Yes, better buy a Buick. Your dealer will be glad to demonstrate, glad to work out all the arithmetic of a deal. See him right away and get an order signed.

Miss Janoma Pearl Linton Is Bride Of Herbert H. Rueffer In Rites Sunday

MR. AND MRS. HERBERT HOOVER RUEFFER

Janoma Pearl Linton, daughter of Mr. and Mrs. Ewing Linton of Haskell, became the bride of Herbert Hoover Rueffer, son of Mr. and Mrs. August Rueffer, also of Haskell, in a ceremony at 4 o'clock Sunday, Sept. 10 in the St. Paul Lutheran Church of Sagerton.

The altar was banked with palms and accented with arrangements of white gladioli. The bride was given in marriage by her father. She wore a gown of white slipper satin fashioned with a yoke of chantilly lace, and accented by a wide bertha collar and long fitted sleeves. Her full skirt was ankle length. She wore three strands of pearls a gift of the bridegroom.

The bride's fingertip veil of illusion fell from a coronet of crystallized beads. She carried a white Bible topped with an orchid with tube roses on white streamers. For something old she wore a bracelet belonging to the bride-mother. Her something borrowed was a pair of ear rings from Miss Bobbie Johnson. For something blue, a blue garter, a gift of Mrs. J. E. Robison. The maid of honor, Miss Anita Robison, wore a yellow satin fashioned similar to that of the bride. Her bonnet type hat was covered with yellow satin and her mitts were made of chantilly lace and

Mr. and Mrs. C. E. Bilderback of Poteet, Texas, former Haskell residents, and their children and other relatives are pictured at the observance of the couple's Golden Wedding anniversary. Scene of the enjoyable occasion was the home of Mr. and Mrs. Harry Churchill, in Poteet, Texas.

Program Outlined At Call Meeting of Magazine Club

"Education for Better Living" as the 1950-51 study course of the Magazine Club was revealed in the year books distributed to members of the club in a call meeting at the clubhouse Sept. 7 at 4 p. m. Mrs. Ada Rike, acting hostess, used floral decorations of deep red shading into pastel pink. The purpose of the call meeting was not only to distribute the year books, but to discuss important business matters and elect as new club members Mrs. Oliver Cunningham, Mrs. A. W. Cox, Mrs. R. C. Couch, Sr., Mrs. Jim Reid.

The incoming president, Mrs. Ada Rike, presided at the meeting. Mrs. J. U. Fields, first vice president, explained the year's programs. She proposed that the club sponsor a Home and Garden Pilgrimage to be held in Oct. For a small monetary fee everyone is invited to attend.

Mrs. Fields stated that one of the fundamental objectives of the club was not only to improve club members but to help others of the community. The club will work more specifically towards the objectives and other activities listed in the year books. Mrs. Virgil Reynolds of Denver,

Former Haskell Couple Observe Golden Wedding Anniversary In Poteet, Texas

Mr. and Mrs. Harry Churchill, Poteet, Texas, honored Mrs. Churchill's parents, Mr. and Mrs. C. E. Bilderback, formerly of Haskell now living in Poteet, with family party commemorating their Golden Wedding Anniversary, on Sept. 23rd, in Poteet.

The serving table was spread with a white cloth which contrasted nicely with the lovely centerpiece. It was a gold ring fashioned from gold satin, which was standing upright in a bed of yellow "mums" and fern. From the ring hung tiny gold wedding bells. Another place of honor was given to the cake, which was a large, white-iced, two-tiered square, decorated with gold roses. On top was a gold wedding ring on which was written "50."

Mrs. Bilderback wore a soft corsage of yellow "mums" on her lovely gown of mauve brown.

Attending the dinner of fried chicken, potato salad, vegetable salad, fruit salad, ice cream, cake and punch were Mr. and Mrs. Ray Lancaster, Hugh, Mary Sue, and Frances Lou of Haskell, Mr. and Mrs. Henry Bilderback of Carrizo Springs, Mr. and Mrs. J. D. Brown, Jo Beth, Charlsie, Dewene and Henrietta of Levelland, Mr. and Mrs. Aivis Horton, Avis Fay, Ricky and Bruce of Crystal City, Mr. and Mrs. Richard Bilderback, Kay, Richard,

Colorado, a former club member, was busy in having her year book photographed by members present. Club meetings will be held every two weeks of each club month. Mrs. Robert Wheatley is scheduled as director for the annual kickoff breakfast Oct. 7 at 9 a. m. in the club house. Hosts will be Miss Lucille Watson, chairman and the social committee. The club members are indebted to the Study Course committee, Mrs. J. U. Fields, Mrs. Ada Rike, Mrs. Carroll Bledsoe, Mrs. Arlos Weaver for their work in compiling the lovely green covered year books.

Weinert WSCS Observes Tenth Anniversary

The Woman's Society of Christian Service of the Weinert Methodist Church held their tenth anniversary tea at the church on Monday, Sept 11 at 3:00 o'clock. The WSCS of Rochester were guests of the local society for the occasion.

The program was opened with prayer led by Mrs. Paul Josselot, preceding the hymn "Bless Be the Tie." The Call to Worship was given by Mrs. V. P. Terrell. The theme of the program "Health Through a Brotherhood of Nations" was presented by Mrs. G. L. Walker. Following the reading of scripture and a hymn by the group, soft music was played by Mrs. M. O. McMinn while Mrs. L. W. Tucker gave a reading "As Ye Do It Unto These." Mrs. P. F. Weinert gave a talk on "What is Health?" Miss Joella Weinert sang "Others," followed by a talk by Mrs. McMinn "What Can I Do About the Health Problem?" The program was concluded with a prayer.

This program of the two societies, being in the anniversary observance is being carried out all over the Stamford district. It marks the tenth year of missionary work of the Methodist women under the new name which was adopted after the uniting conference of the three Methodist churches.

WORD OF THANKS
We take this means to express our heartfelt thanks to the hosts of friends and especially to the East Side Baptist Church for their acts of kindness extended to us in our sorrow, the loss of our loved one. We appreciate things done in our behalf. The flowers, the food that was brought in our home. Your kindness will be long remembered.—Mr. and Mrs. Buford Davis and children, Mrs. Marshall Davis, Mr. and Mrs. J. P. Davis, Mr. and Mrs. Jack Davis. Also the Gordon family.

Progressive Study Club Opens New Club Year With Dinner Thursday Night

The Progressive Study Club formally opened the new club year with a dinner in the Homemaking cottage on Thursday night, Sept. 7, 1950. The Mexican motif was carried out in room decorations, table decorations and menu.
The club president, Mrs. R. W. Herren, welcomed the members and guests.
The program for the evening was composed of selections on the vibraphone by Bobbie Ann Herren and a reading by Nancy Burton.
Mrs. Brooks Middleton, first vice president and yearbook chairman, distributed the year books and outlined the year's program for the group. The course of study to be followed this year is "Education for Responsibility." Featured in the study program will be William O. Beazley, professor and assistant to the president of Hardin-Simmons University, Abilene. Mr. Beazley will present a series of six lecture programs on "The Psychology of Child Behavior."
During American Art Week in November the club will sponsor an art exhibit by children in the Haskell public schools.
At Christmas the club will take care of needy children of the city.
In February Mrs. T. A. Hicks of Wichita Falls will speak to the club on "Our Sisters Across the Sea" bringing the group up to date on women and their part in international relations.
In March the club will be honored by the presence of Mrs. J. Howard Hodge, president of the Texas Federation of Women's Clubs, who will speak to the Progressive Study Club and their guests from clubs of this vicinity.
The year's activity will be concluded with a banquet in May. This banquet will end the 14th year of the Progressive Study Club.
Guests at the dinner were Mrs. T. B. Odell, organizer and founder of the club and lifetime honorary member, Mrs. Joe Burton and Haskell county home demonstration agent, Miss Thelma Wirges.

County Agent Martin Advises Treating Grain Seeds for Smuts and Blights

Best time for winter grain seed treatment is now, says F. W. Martin, county agent, reminds farmers to take several precautions for the grain. He advises getting good seed varieties and he that farmers contact their agents in regards to varieties for their particular fields. Secondly, he recommends cleaning out any weed seeds in the seed, and thirdly, recommends treating the seeds with chemicals. These last two precautions help guard against noxious weeds and grain diseases such as smut, seed rots and blights. He states that the disease wheat growers need to watch against most is stinking smut which is hard to recognize in the field except by its greenish heads. The infected plants change color and when the grain heads are open, millions of black seeds are scattered over the wheat seed. If the seed is planted, the crop of stinking smut will appear next spring where the seed was planted. Smut reduces the yield of the crop and is recognized by the black head in the field. The

Science Class Needs Copies of National Geographic

Readers of National Geographic Magazine who have copies they no longer desire to keep, will be doing students in Science classes of Haskell High School a favor if they will give the magazines to the class for use in their studies. Joe Tyson, Science teacher in high school said that National Geographic provided a valuable source of material, and that any extra copies provided the class would be greatly appreciated. Persons having back copies of the magazine they will give the class may contact Mr. Tyson by telephoning 405-W.

Social Security Man Will Visit Haskell September 21st

Ralph T. Fisher, manager of the Abilene office of the Social Security Administration, will be at the Chamber of Commerce in Haskell at 11 a. m. on Thursday, Sept. 21st. Persons wishing assistance with retirement claims or death claims under the Social Security Act, or needing information about their social security accounts, should call at that time for necessary help and information.

Mr. Fisher stated that all persons receiving Old Age and Survivors Insurance payments will get increased amounts under the new Social Security law. Checks sent out in the early part of October will be the first ones to include these increases.

It is not necessary for any action to be taken in order for the increased amount to be received. Mr. Fisher requested persons now receiving payments not to contact the Social Security Administration about the increase. It is expected that all checks will be increased with the payment due early in October, 1950.

Major Shelby Jack Harris Appointed To Staff Position on ROTC Directorate

Major Harris is a graduate of the Command and General Staff School, Fort Leavenworth, Kans., and Senior Officers Management School, Craig, Ala.

Public demand for the Government's newest best seller entitled "The Effects of Atomic Weapons" has been so great that two printings have been sold out in less than a month since the book was released, the Government Printing Office announced today. The first printing of 10,000 copies was sold out August 14, the first day the book was available. A second printing of 20,000 copies is now gone, and a third printing of 15,000 copies will be off the presses in a few days. Orders for the book, which sells for \$1.25 per copy are still pouring in to the Superintendent of Documents, Gov. Printing Office, Washington, 25, D. C.

The information contained in this publication answers many of the questions the public is asking about atomic weapons and what effects they would have if put to use. It is of primary interest to persons engaged in civilian defense, the building trades, and others vitally interested in what happens when an atomic bomb explodes.

The book was prepared by the Atomic Energy Commission from non-confidential scientific and technical information. It is the most informative and authoritative book on atomic weapons which can be made public and is the most significant document on atomic energy to be published since the Smythe Report.

Released by the Russian advance in May 1945, Major Harris returned to the U. S. for reassignment. He has been awarded the Distinguished Flying Cross, the Air Medal with three Oak Leaf clusters, the ETO ribbon with two battle stars and the American Defense and WWII Victory ribbons.

On his return to the U. S. he was assigned as commanding officer of the 181st AF Reserve Training Center at El Paso in 1946. He later became Ass't. Director of ROTC at that Hq. He remained at Brooks until assigned to ConAC in 1948.

Major Harris is married to the former Clotilde Jenkins of Levelland. Mrs. Harris and their two daughters, Jan 4, and Penny 2, are living with Major Harris in Levelland, L. I.

He has been at ConAC since July 1948 when he arrived there to become special project officer in the ROTC section. He was later advanced to the position of Chief of the Requirements Branch in the same office.

A native of Haskell, he graduated from Texas Tech College, Lubbock, in 1941 with a degree in agriculture and immediately enlisted as a flying cadet. Entering flight training at Kelly Field, Texas in 1942 he was awarded his wings and commissioned a second lieutenant in the Air Reserve at Lake Charles, La. that same year.

Following graduation, Major Harris served as a fighter pilot with squadrons based in the Washington, D. C. area and in late 1943 was assigned to the 361st Fighter group in England as Flight Commander. In July 1944, he was shot down while on a combat mission over France and imprisoned in Stalag Luft I.

Spur Game—
(Continued From Page 1)
in Spur territory. Ammons conversion failed.
Ammons kicked off for the Indians. Gibson, Spur halfback, took it on the 15 and returned to their own 23 yard line. Grimland passed to Gibson for 5 yards and the other two tries showed no gain. Grimland punted.
Davis took the punt on the 10 and returned to the 20-yard line. Two plays later White fumbled and the Bulldogs recovered.

Grimland hit McAlpin, Spur end, on the 13 yard line and Simmons fumbled on the 11.
The fumble was recovered by Cox, Haskell tackle. After three tries they had only made 5 yards. Grimland attempted to pass but lost 5. Simmons gained 8 yards. Grimland hit McAlpin for 11 yards and Grimland hit Simmons for 20 yards then they were penalized 15 yards. Grimland started around left end but was met by Edward Ammons and lost 5. End of first quarter.

Flanary recovered a Spur fumble on the 35. Davis carried 24 yards on a pitchout from White. They were penalized 15 yards and fumbled.
McAlpin recovered the fumble for the Bulldogs. Grimland passed to Simmons for 13 and the second pass attempt was intercepted by Davis on the 23 yard line for 52 yards. Ammonett hit the line for 9 yards and White made the first. Davis carried for no gain and Ammons tried twice for no gain. The fourth try was fumbled

and Spur recovered on the 10 yard line.
Three tries by the Bulldogs had gained them three yards and Grimland punted out and Davis took the ball on the 43. Davis tried one side of gridiron and then reversed the field and scampered to the 32 yard line.
Ammons carried around his right end for 12 yards and they were penalized 15 yards. White fumbled. Davis faked a right end sweep and passed to Ammons who was in the open on the 20 and he ran the remaining 20 yards un-

touched. Ammons converted making the score 13-0.
Ammons kicked and Gibson took behind the goal line and returned to the 20 yard line. Grimland's punt was partly blocked. White took the punt on the 50 and returned to the 45 ending the first half.
Beginning the second half, Hill took the kickoff from the toe of Ammons on the 20 and returned to the 35 yard line. Grimland hit McAlpin for 8 yards and then fumbled on the 43 yard line.
Ammons recovered the fumble for the Indians. Davis took a pitchout for 11 yards and a first. In the next two tries they lost 10 yards. Davis passed to Flanary in the end zone that fell incomplete. The ball went over on downs.
Hill hit the line for 5. Grimland's pass to McAlpin was incomplete and Simmons fumbled on the third down. Byrd recovered for the Bulldogs. The fourth try Hill fumbled and Robison recovered for Haskell on the 36 yard line.
Ammons took a pitchout on the 36 and carried to the 11 yard line. Teh second and third tries for the TD failed, but Ammons crashed the center to score the final TD of the game. Ammons converted and the score was 20-0.
Ammons kicked off and Gibson returned five yards. Grimland passed to McAlpin but was incomplete at the end of the third period.

The FHA class of Weibert high school met Tuesday, Sept. 12, to elect officers and make plans for their activities during the current school year. Twenty-six members were present.
Officers elected were:
President—Joella Weibert.
Vice President—Jo Brockett.
Secretary—Lola Sue Phemister.
Treasurer—Dell Lewis.
Reporter—Ruth Williams.
A Yearbook committee was appointed, composed of Estalynn Edwards, Letha Hix, Maudine Hargrove and Wanda Driggers. Mary Vianne Walker was appointed chairman of the Refreshment Committee, and Elsie Drinnon chairman of the Recreation Committee.
A very interesting program is being planned under the direction of their leader, Mrs. Irene McAfee, and members are looking forward to many successful activities during the year.

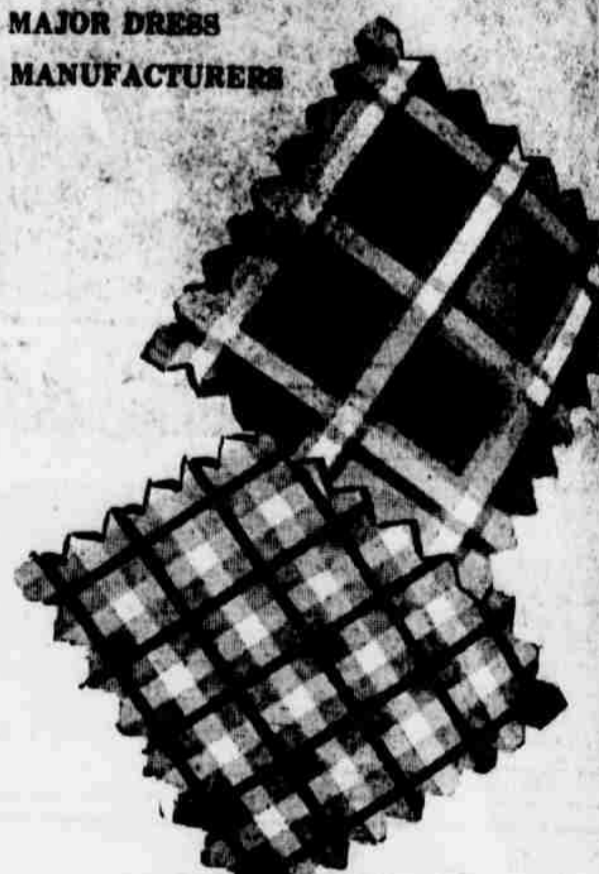

LEAVE FOR HOUSTON
Mrs. Joe Daws and little son, Jerry, left Monday for Houston where they will join Mr. Daws who has been transferred to the Houston office of the License Division of the Texas Department of Public Safety. Before his promotion and transfer to Houston, Mr. Daws was in charge of the Haskell district of three counties.

Mr. and Mrs. H. F. Squyres and sons, Phillip Parks, Terrell and Jimmy from El Monte, Calif., have been visiting Mrs. J. M. Woodson and other relatives. Mrs. Squyres is the former Lounella Woodson. They shall return via Big Spring where they will visit with Mr. Squyres.

third teams were in the game. Offill fumbled and Spur recovered. They only got in two plays when the whistle blew ending the ball game. Final score Haskell 20, Spur 0.
Standouts in the Haskell lineup were Billy Davis, Edward Ammons and Royce Mullins.
Spur standouts were Grimland, McAlpin and Byrd.
Starting Lineup
Haskell: P. McAlpin, J. Le, Cox, Fowler, Brock, R., Mullins, R., Starin, Taylor, Ammonett, White, Davis, B. Ammons, FH. Spur: Durham, Roberson, Byrd, James, Stewart, Hindman, Simmons, Grimland, Gibson, D. Comer.
