Youth Given Jail Sentence On Aggravated Assault Charge

Joe Jay Weaver, 18, tried in 39th District Court on a Grand Jury indictment for assault with intent to murder, was convicted of aggravated assault by the 12-man jury which heard the case Monday afternoon and Tuesday morning.

The conviction carried a sentence of 75 days in jail. Following report of the verdict, the defendant through his counsel, Judge T. R. Odell of Lubbock, waived 2-day delay allowed by law and asked for immediate sentence.

District Judge Ben Charlie Chapman pronounced sentence on the youth Tuesday afternoon and he was remanded to jail to begin serving his sentence, which will expire Dec. 20, this year, according to court officials.

Prosecution of the case was conducted by District Attorney Wm. P. Ratliff and County Attorney Royce Adkins, and was submitted on the Grand Jury indictment for assault to murder. Later, in presenting the case to the jury in the Court's charge, the offense was reduced to the lesser charge of aggravated assault.

Six Injured In \$200,000 Blaze At Knox City

An early morning fire Wednesday destroyed three Knox City business establishments, damaged a fourth store, and injured six persons, none of them critically. Property loss estimated at \$200,000 resulted from the blaze, which burned for three hours before being brought under control by combined efforts of five volunteer fire departments from neighboring towns that went to the aid of the Knox City Fire Department.

A 750 gallon pumper and 11 members of the Haskell volunteer fire department answered a call from Knox City at 4:12 a. m. and joined in fighting the conflagration.

Also on hand to help the Knox City firefighters were firemen and equipment from Rochester, Munday and Benjamin.

Business firms hit by fire were on the west side of Central Avenue, Knox City's main street. Destroyed were the City Grocery Co., in a two-story corner building; Bateman Food Lockers west of the grocery and in the same building; and the Hoge Pharmacy, north of the grocery. City Hardware Co., north of the pharmacy suffered some damage. The fire started in the food locker plant. It was discovered at 2:50 a. m.

Haskell Will Host April Meeting of Mid-West Firemen

Haskell was selected as meeting place for the April, 1953, convention of the Mid-West Texas Firemen's Association, in the closing business session of the semi-annual meeting held at Baird Thursday of last week.

Invitation for the convention to meet in Haskell was extended by Chief Ray Lusk and a delegation of Haskell firemen attending the Baird meeting. The Haskell department has been a member of the Mid-West association for the past year. Conventions are held semi-annually and the Fall meeting at Baird was attended by 225 delegates and visitors.

A feature of the one-day meet was a pumper race, and six-man and two-man hose hook-up race. Haskell won third place in the two-man hook-up with a time of 14.2 seconds. Best time was by Rotan with 12.1 to win first place, and Snyder second with 13 flat.

Snyder won the pumper race, followed by Merkle and Rotan in that order. In the six-man hook-up, Colorado placed first, Rotan second and Snyder third.

Demo Group Plans Campaign In Behalf of National Ticket

Approximately 100 Haskell County Democrats, at a meeting held here Saturday for the purpose of organizing in support of the Democratic party ticket in the general election, unanimously elected Courtney Hunt as chairman of the county organization and made plans to conduct an active county-wide campaign for party nominees.

Purpose of the meeting, as explained by Mr. Hunt, was to enlist all Democrats in supporting the legally chosen nominees in order to keep Haskell County and Texas in the Democratic column. "A dissident group of so-called Democrats tried to steal the party, and now they are trying to buy it," he declared.

Oliver Cunningham, farmer and stockman, was principal speaker at the meeting. At the outset he told the group "We must organize and work for the Democratic party, because those we thought were Democrats have turned traitor and gone Republican—and they took the treasury with them—so we've got to start from scratch."

Stressing the vital difference in the two party principles, Cunningham said that if the Republican Party can win the election, the administration would be in the hands of the Old Guard Republican isolationists, who would hold all key chairmanships on important committees, and "Ike couldn't do anything about it."

Also speaking briefly, Chas. M. Conner, former County Judge and State Representative, explained the importance of urging all voters to take part in the general election.

In addition to Mr. Hunt as county chairman, Mrs. Norman Nanny was elected secretary; and the following Precinct leaders were named: Precinct 1—Arthur Fouts, Rule. Precinct 2—Jim Ferguson, Haskell. Precinct 3—John R. Watson, Sr., Paint Creek. Precinct 4—Buck Bland, Haskell.

Precinct groups will contact workers and assist in organizing community Democratic groups according to plans outlined at the meeting.

Funeral Rites Held Monday for Clarence D. Burson, Automobile Accident Victim

Funeral service for Clarence David Burson, 24, Haskell oil field worker fatally injured in an automobile wreck near Laramie Wyo., Thursday night, was held at the First Baptist Church Monday at 2:30 p. m.

The Rev. Jack D. Wester, pastor of the Pinkerton Baptist Church, officiated, assisted by the Rev. M. D. Rexrode, pastor of the First Baptist Church.

Burial was in Willow Cemetery under the direction of Holden Funeral Home.

Young Burson was the fourth member of his immediate family to meet death as the result of automobile accident injuries. His mother, a sister, Doris Lee, and his grandmother, Mrs. Othell Burson were killed in an automobile accident near Shamrock, Texas, in June 1948. In that accident his father, Theo. Burson, now proprietor of a grocery and service station here received injuries that

have kept him confined to a wheel chair, crippled for life. Accident in which young Burson was fatally injured occurred in Jackson County, Colo., about one-half mile south of the Colorado-Wyoming boundary on the Laramie-Walden Highway. Burson died on the way to a Laramie Wyo., hospital.

A passenger in the car with Burson at the time of the accident, Hobart Dunn, 20, of Pennsylvania, received only minor injuries.

The Haskell man had been employed by the Gabe-McCall Drilling Company for about a year, in the vicinity of Sterling, Colo., and had visited his father and other relatives here last Spring.

According to information received here concerning the accident, Burson, driving the car in which he and Dunn were en route to a nearby town, was fatally injured when the vehicle went out of control and plunged over a 30-foot embankment. Burson had planned to give up his job with the drilling company and return home for the winter within the next few days, friends said.

He was born Sept. 13, 1928, in Haskell, and had lived here practically his entire lifetime with the exception of 18 months service in the U. S. Air Force, and his work with the drilling company in Colorado.

Immediate survivors include his father, Theodore Burson, and two brothers, Dan and Travis Burson, all of Haskell.

Palbearers were Billy Bob Welsh, Earl Wiseman, Roy Wiseman, Curtis Pennington, Travis Hadaway, Buck Bland.

Ft. Worth Man Is Charged With Theft Of Car at Rule

A Fort Worth man, Virgil Rich, Jr., charged with automobile theft in a complaint signed by Sheriff Bob Cousins, was arraigned in Justice Court Friday morning and bond was set at \$1,000 to await action of the Grand Jury. The accused man was remanded to jail after he was unable to perfect the bond.

Rich, 22, was alleged in the complaint to have stolen a 1952 Chevrolet belonging to V. D. Hunt of Rule on the night of Sept. 6th. The automobile was found abandoned in Dallas a few days later. Rich at one time had worked for a contractor on a telephone project in Rule, officers said.

"I shall place loyalty to my country before loyalty to a political party," said Governor James F. Byrnes of South Carolina. He also said that he thought that Ike could do more than any living American to bring about the end of the war in Korea and prevent our stumbling into another world war. He is working and voting for Eisenhower.

"No government has gone so far into socialized government as we have that ever retraced its steps," said Dr. Wiggins, ex-President of Texas Tech.

Doctors, are you wanting socialized medicine? Teachers and educators, are you wanting socialized education? If so, you will find yourselves and the public the big victims. If not, get in the fight for Eisenhower. The Democrats, so-called, have taken over the socialist party as well as the party of Henry Wallace. After socialism comes communism.

In the words of Claud Gilmer, prominent Democrat, speaking for Eisenhower, "The administration coddles the communists, bungled the Korean war, and fears peace because its foreign policy is geared to a war economy. Which man do you want? Eisenhower who won the war or Truman's gang who lost the peace?"

According to Robert Crow of Wills Point, Texas, the so-called Democratic party in Washington has slapped Texas in the face and kicked her in the pants so long and so hard that the time is long past due for every patriotic Texan to stand upon his hind legs and fight back. The best way to fight back is to vote against Stephenson and Sparkman on November 4th.

The Democratic party as now expressed through its platform favors FEPC, Taft-Hartley repeal, Anti-Filibuster, Tideland grab, Labor Boss dictation and Big City Machine Control. These are not the sentiments of Texas and the South. The Republican platform and the Republican leadership are much closer to Southern sentiment. Why let one word get in your way of your patriotic duty.

The Democratic party leadership wanted to nominate Eisenhower as its candidate. Truman made a personal appeal. Eisenhower refused because he could not clean up a mess and be a part of it. If he had accepted and run as a Democrat on the same platform as he is now running and conducted his campaign in the same manner that he is now doing, 85% of the Southern people would have voted for him. Duty to country is more binding than to any political party.

Changes in Social Security Law Provides Benefits for Some Dependents of Veterans

A representative of the Abilene office of the Social Security Administration, will be in Haskell at the Chamber of Commerce at 11 a. m. Thursday, Oct. 23.

Recent changes in the social security law have special importance for minor children of men who died in military service after Sept. 16, 1947, stated Ralph T. Fisher, manager.

Until the new law was passed service in World War II could count toward social security payments but service after the end of World War did not. The new law extends the social security credits to cover military or naval service after the end of the war, so that now service at any time from September 16, 1940, to December 31, 1953, may count toward benefits.

Children are not the only dependents who may get monthly payments—widows over 65, with minor children in their care may also be entitled to them. Dependent parents may be eligible if the service man is not survived by a widow or child.

Social security credits for military service after the end of World War II are used in figuring monthly benefits beginning in September 1952. They do not count toward lump-sum death payments where death occurred before Sept. 1952.

Fisher suggests that some member of the family inquire at the social security office about the social security account of every deceased veteran or serviceman who had military service after July 1947 and is survived by a widow, child or dependent parent.

DISTANCE makes the Heart grow Fonder

You'll discover this about a Buick:

The more you drive it, the more you like it; the longer your trip, the louder your praise.

That's what people tell us. And we'll tell you why.

You can drive a Buick three, four, five hundred miles in a single day, and feel fresh enough to keep right on going.

You can romp up high hills, cruise straightaways, ease through traffic-tangled towns, clock off hour after hour of relaxed and pleasurable driving — and be no more tired than a neighborhood jaunt would make you.

How come this comfort-rich ground-covering ability in a Buick?

There's the ease of deep, soft seats for one thing — and plenty of move-about room for arms, legs, shoulders.

There's Dynaflo Drive* taking all the chore out of driving, and giving your whole ride a satiny smoothness without trace of jerkiness or driving tension.

There's a hoodful of thrilling, tireless power from a high-compression, valve-in-head Fireball 8 Engine that whips out miles like a tarpon reels off line.

There's the soft, steady, solid, swerve-free going of a coil-spring-cushioned ride that's well worth the million-plus dollars it cost to engineer.

There's all this and more — much more — that

makes your heart grow fonder of this thrifty traveler.

But words can't do justice to a Buick in Only you can.

When will you come sample this experience yourself?

Throck Greyhounds Nip Yellowhammers Of Rotan, 19-7

Getting back in the win column last week, the Throckmorton Greyhounds of 8A ran away with a 19-7 win over the Class AA Rotan Yellowhammers on the 'Hounds home field.

It was all done in the first half. The last two periods were just a series of intercepted passes and fumbles with the Greyhounds doing most of the intercepting.

Initial score for the Greyhounds came early in the first quarter when Fullback Thomas Hudson plowed over after Quarterback Alvin Huley had made four consecutive runs of more than 10 yards to set up the score. Huley passed to Jimmy Matthews for the extra. Also in the first Hudson carried over for his second TD but try for extra point failed.

Rotan scored in the second when Jerry Waggoner went around end from 20 yards out and Loyd Gross drop-kicked the extra.

The Greyhounds fired back when Huley passed to Tommy Bond on the 17, who went on to the pay stripe. Kick for extra point was blocked.

Indians Down Spur Bulldogs 13-0, Open Conference Play Friday

The Haskell Indians, employing a passing combination that clicked to the tune of two TD's, wound up their pre-conference schedule Friday night by lambasting the Spur Bulldogs of District 6-AA, 13-0 on the Bulldogs home field.

The non-conference game was the fourth successive defeat administered the AA Bulldogs by the Tribe, and was the second win of the season for the Indians to give them a season standing of two won and two lost, all in non-conference play against AA teams.

Passes Whip Spur
After a blank first quarter, scoring for the Indians started in the second frame, when the Red-men unleashed their aerial blast. Quarterback Jerry Wheatley fired to Right End Donald Dickey in the end zone for a TD, and Fullback Walter Holley's kick for extra point was perfect.

The second tally for the Indians came in the third on a 11-yard shot from Wheatley to Left End Doug Dendy who carried over from a few yards out. Try for extra point failed.

The Bulldogs rallied twice in

the game but bogged down both times before the air-tight Indian defense. In the first quarter the ball on downs.

Bulldogs recovered a Haskell fumble on the 11-yard line, but were unable to advance and lost

Anson Tigers Defeat Albany Lions, 19-7

The Albany Lions of District 8A suffered their second straight defeat of the season Friday night when they invaded the den of the Class AA Anson Tigers, who took the big end of a 19-7 score over the Lions.

The Tigers tallied their first score in the second period, when

Quarterback Kenneth Helms climaxed a 70-yard drive by driving over from the one yard line, then kicked the extra point.

The Lions came back before the half ended, with a 22 yard pass from Quarterback Jimmy Allman to End W. S. Scott over the goal line. Scott then kicked the extra point to tie the score.

The Tigers took to the air in the third, with Helms pitching 12 yards to Sammy Neal in the end zone for a TD.

In the fourth period after Albany was penalized down to their own one yard line, Halfback Willie Goza took a handoff from Helms and powered his way across the goal to finish the scoring.

Roscoe Plowboys Go Down, 20-7, Under Pied Pipers

The Roscoe Plowboys went under, 20-7, Thursday night when they journeyed into the territory of the Hamlin Pied Pipers of Class AA. It was a non-conference affair.

Hamlin tallied in the first quarter on a pass from Marvin Johnson to Robert Fletcher, and James Burkhardt kicked the extra point. The Pipers piled up another TD in the second with Don Hymer hitting pay dirt on a quarterback sneak from the one. Burkhardt again converted.

The Plowboys retaliated in the second with a duplicate quarterback sneak with Jackie Fitts going over from four yards out and then adding the extra point.

The Pipers final score came in the fourth on a hand-off to Milton Butler, good for 11 yards and 6 points. Try for the extra point fizzled.

Open Conference Play Against Roby

The Indians will journey to Roby tomorrow (Friday) night where they will battle the Roby Lions in the District 8A conference opener for both teams. The tribe will be slight favorites over the Fisher Countians, who have won only one game out of four this season. However, the Indians likely will be without the services of regular Q-B Jimmy White, whose ankle injury received at Hamlin and which was hurt again at Spur will keep him on the bench Friday night.

The game will be the second encounter between the two teams. The Indians won the 1951 encounter 13-0.

Rochester Steers, Clyde Bulldogs Deadlock, 13-13

The Rochester Steers and the Clyde Bulldogs battled to a 13-13 deadlock at Rochester Friday night in a non-conference grid meet between two Class B teams.

The Steers scored in the first quarter with Tony McWhorter plunging over from the one yard line. A penalty nullified the extra point.

The Bulldogs tied up the score in the second period on a six yard pass from Charles Hines to Billy Hawk. Hines went over from the four in the third quarter and kicked the extra point to put Clyde out in front.

On the second play following the kickoff McWhorter ran 56 yards to score. Roger Nanny kicked the extra point to end the scoring. The Steers were in scoring position on Clyde's nine yard line as the game ended.

Ed Ammons, McM End, Named Top College Star of Last Week

Edward Ammons, McMurry's 190-pound defensive end from Haskell, was rated among the top collegiate stars of the week by the Fort Worth Star-Telegram. Kee wrote:

"Ammons, who got a call for his performance in McMurry's losing effort to stop Sul Ross in the opening game of the season, has turned in fine performances against Midwestern and West Texas State also.

"Last Saturday night at Portales, New Mexico the former Haskell star turned in the game's outstanding performance as McMurry and Eastern New Mexico

battled to a 7-7 tie. McMurry coach, Willard Moore, says Ammons was 'outstanding.' When Moore, who has a tendency to compare performances with such as those of his Little All-America Back Brad Rowland of a few seasons ago, says a player is outstanding, it can be taken for granted that he is terrific."

Ammons was a valuable member of the Indian squad this year. He attended H.S. In 1950 he received a fracture of shoulder in the Indian-Rule game and was limited to kicking extra points the remainder of the season.

Texas Democrats want TEXAS-BORN IKE

"RESOLVED . . . that it is the recommendation of the Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice-President . . ."

TEXAS STATE DEMOCRATIC CONVENTION
AMARILLO, TEXAS *** SEPTEMBER 9, 1952

A MAN OF PRINCIPLE WHO THINKS AS WE DO

You can be a Democrat without being a Trumanite. Your party's state convention in Amarillo on September 9 passed the resolution quoted above. Texans who believe in the time-tried Jeffersonian principles of the Democratic Party are going to vote for Dwight D. Eisenhower on November 4. If you are tired of Trumanism and want to help elect Eisenhower, send in the coupon. Be a Texan—not a Trumanite—vote Ike.

TEXAS DEMOCRATS FOR EISENHOWER

I am a Texas Democrat for Eisenhower, and I want to work in my community to elect him. Please send me further information.

 Get a long-term Federal Land Bank loan

The old fashioned farm mortgage came due all at once. Time was always squeezing folks to pay. Back in 1917, the Federal Land Bank changed this, with a long term loan — the kind you pay back gradually, with payments geared to your farm's normal income. If you're building or remodeling . . . or buying land or want to refinance other debts . . . SEE US NOW for a Federal Land Bank Loan.
