Haskell, Albany, Throckmorton of IA-8 Win in Non-conference Play

Haskell, Albany, and Throckmorton of District IA-8 went into the win column last week, while three other teams in the district were on the small end in the week's scoring to give the six-member district an even break as they closed out their second week of non-conference play.

The powerful IA-8, which furnished some of the toughest Class A teams in the Texas Interscholastic League each year, is composed of Albany, Haskell, Munday, Roby, Roscoe and Throckmorton.

Roscoe, Roby and Munday were the unfortunate ones. Roscoe took an 18-7 defeat from the Rotan Yellowhammers.

The Roby Lions lost in a 55-6 run-away to neighboring Anson while Munday was dropped by Seymour in a wild scoring spree for the Panthers ending up, 40-0.

The Albany Lions, the only unblemished team in IA-8, blasted the Olney Cubs, 41-20, for their second win in as many weeks. Last week the Elwood Turner charges jumped on Baird to the tune of 64-7. The Lions should be one of the top teams in IA-8 this season. It would be a toss-up between the Pack and the Haskell Indians who edged the Hamlin Pied Pipers, 7-2, at Hamlin Friday night.

The other win came from the Throckmorton Greyhounds who blanked the Newcastle Bobcats 20-0. The Bobcats, coached by W. W. Henderson, were last year's State Champions in Class A football, representing District IA-9.

NON-CONFERENCE STANDINGS

Team	W	L	T	Pct.
Albany	2	0	0	1.000
Haskell	1	1	0	.500
Munday	1	1	0	.500
Throckmorton	1	1	0	.500
Roby	1	1	0	.500
Roscoe	1	2	0	.333

Seymour Tramples Munday Moguls In 40-0 Victory

The Seymour Panthers of 4-AA went on a scoring spree Friday night to rack up a 40-0 score over the visiting Munday Moguls from 8-A on the Panthers home field.

Tailback Bobby Morris accounted for three of the Panther touchdowns, with teammates Porter Smith, George Boone and Julius Psenick each scoring a touchdown. Smith also had a perfect night with four placements for extra points.

THIS WEEK'S SCHEDULE

Roby at Lakeview
Merkle at Roscoe
Albany at Stamford
Seymour at Throckmorton.
Haskell at Anson
Munday at Rochester

LAST WEEK'S RESULTS

Seymour 40, Munday 0.
Haskell 7, Hamlin 2
Throckmorton 20, Newcastle 0
Albany 41, Olney 20
Rotan 18, Roscoe 7
Anson 55, Roby 6

ACC-Midwestern to Meet October 4 on Stamford Field

room and gold warriors, winners of the Gulf Coast Conference sports enthusiasts find a "hipper-dipper" offense. The Indians will be slightly weaker in the defensive pattern. Loss of star Quarterback Bobby Flippin from last year's team and lack of depth in the end positions will be a handicap. Such stars as Harry Hanseer Tommie Ward, Ivin Edwards will make Midwestern offense sparkle.

Albany Lions Slam 11-26 Tally On Olney Cubs

Albany Lions, rated top-ranking contenders for the district 8-A title, stepped into 2-AA ranks Friday night to maul the Olney Cubs, 41-20 on the Lions home field.

Sparking the Albany team was halfback Jimmy Allman, who tallied the first Lion touchdown on a 22-yard run before the game was a minute old. Other TD's for the Lions were racked up by Bonnie Miller (2), W. S. Scott, Fred Schade, Charlie Knight.

Scoring for Olney were Bill Welch, fullback, and quarterback Phil Slater who accounted for two Cub trips across the double stripe.

Roscoe Plowboys Lose to Rotan 18-7 Friday

Roscoe Plowboys of District 8-A went down, 18-7, Friday night under the onslaught of the Rotan Yellowhammers of District 5-AA on Rotan Field.

The Plowboys took first scoring honors, when Clifford Burnett, Roscoe back hit pay stripe after an 8-yard jaunt, then kicked extra point to put his team ahead 7-0 at the end of the first frame.

Rotan scored twice in the second quarter, with Loyd Cross and Stanley Nowlin making the touchdowns. Again in the third, Cross went over from the 15 for the Yellowhammers third marker, to set the score at 18-7 after all tries at conversion failed.

Rochester Steers Lose to South Taylor, 12-0

The Flying Tigers of South Taylor (Tuscola) repelled the invading Rochester Steers last Friday night in non-conference play defeating the Steers 12-0. South Taylor is in Class 8-B and Rochester in 9-B.

Throckmorton Slaps 20-0 Victory On Newcastle Bobcats

The Throckmorton Greyhounds of district 8-A upset Newcastle Friday night in a non-conference game at Throckmorton.

The Greyhounds scored in the first frame with fullback Tom Hudson carrying and quarterback Jerry Cowan kicked extra point.

After a scoreless second period the Greyhounds got loose early in the third when left halfback Alvin Hulcey went over from nine yards out, but try for extra point failed. Again in the fourth Hudson intercepted a Bobcat pass and ran 40 yards for a counter with Cowan kicking the extra point.

The Greyhounds had two touchdowns plus called back because of penalties.

Rule Bobcats Lambast Moran Bulldogs 51-13

Bobby Kittley scored five touchdowns and set up another as the Rule Bobcats lambasted the Moran Bulldogs, 51-13 on Bobcat Field Friday night in a non-conference football contest.

Kittley scored the markers on runs of 47, 25, 22 and 1 yards in the touchdown parade. Victor Trammell and J. Kiner added the other touchdowns for Rule.

Moran went scoreless until the fourth period, when Tommy Bennett passed to Winfred McCoy who return lateraled to Danny Connolly for the final 38 yards and the TD. Bennett passed to McCoy for the extra point.

A pass interception by Jack Bartee for the Bulldogs and 60 yard return produced the second touchdown for the visitors. They were unable to convert the extra point.

Anson Tigers Roll Over Roby, 55-6 Friday Night

Anson's powerful 5AA Tigers rolled roughshod over district 8-A Roby Lions Friday night in the Tigers home stadium, to pile up a 55-6 score against the game Lions.

Scoring for Anson were Kenneth Helms (2), Don Watts (2), Don Hellums, Jim Bradshaw, (2), Sammy Neal.

Roby's lone touchdown came in the second quarter, with John Harris carrying over for the Lions. Try for extra point failed.

HOW MUCH FUN do you get from a GALLON OF GAS ?

POWER STEERING on the Roadmaster and Super

Power Steering now available on Super as well as Roadmaster. Optional at extra cost.

"MILES PER GALLON" is something everyone talks about—and Buick owners take pride in telling us that they're doing OK on this score.

But the kind of miles is important too. The real pay-off you get when you own a Buick is in what happens while you're turning gas into power.

Every drop of gas sets off a tiny tornado of compacted energy in Buick's Fireball 8 Engine.

You swoop from a standing start to any speed the law or good sense permits with effortless smoothness, thanks to Dynaflo Drive.*

You soar over the road with magnificent levelness—buoyed by big soft coil springs on every wheel—coddled by a dozen other features which make up Buick's million dollar ride.

The car holds direction like an airliner on the beam. You snug into turns with sure-footed

poise—ease your grip on the steering wheel and feel the car seek a straight course again like a compass points to the pole.

This is travel as you've always hoped to find it—relaxed, carefree, luxurious, happy—while you leave the miles behind.

Yes indeed—life's different in a Buick. How different you should find out firsthand.

How about letting us give you a sample—any day you say?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.

TEXAS-BORN IKE ... a man of integrity

He Is the Choice of Texas Democrats for President!

Texas Democrats for Eisenhower!

That is the rallying cry of Texans who believe in the traditions and time-honored principles of the Democratic Party—but NOT in the policies and practices of Trumanism.

We are the Texas Democrats who have studied the candidates and platforms of the two major parties and are ready to announce: "We like Ike!"

We are the Texas Democrats who feel that best interests of our party, our state and our nation would NOT be served by another four years of Trumanism.

We are the Texas Democrats who stand ready to carry out the mandate of the State Democratic Convention which on September 9, 1952, resolved: "It is the recommendation of the Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice President."

State Fair To Open Oct. 4 in Newly Re-Decorated Plant for 67th Showing

The fair is in the air in Texas. And the tempo of preparations for the 67th annual exposition of the Great State Fair of Texas in Dallas is beginning to speed up as the opening day, Saturday, Oct. 4, draws nearer.

Brilliantly re-decorated—for the first time since 1946—the magnificent 187-acre, \$35,000,000 fairgrounds glisten with a new color scheme: Hues of autumnal green and brown on major exhibit buildings, contrasting with bright circus colors on the re-furbished Midway.

The latest sensation announced for the fair is the breathtaking new Rotor ride, one of two in the country. It'll be on the Midway. Shaped like a huge barrel with a floor inside, the device takes its riders on a dizzying spin, leaving them pinned to the walls by centrifugal force, suspended in mid air when the floor drops away.

The fabulous "Sky Wheels" ride, 33 other rides of all kinds, a dozen sideshows, the three-ring Variety Club Circus and "Show Boat," the popular musical presented by St. John Terrell's Music Circus, also will be Midway features.

More than 4,000 beef and dairy cattle, horse, sheep, swine, goat and Jr. livestock entries have been received for the big 27-breed livestock exposition, over 250 entries for the Pan-American Holstein Show Oct. 10-17. Junior livestock entries have broken all records.

Approximately 3,500 entries are expected by the Women's Department for its greatest program yet. Participants in the multitude of activities at the fair are expected to take home more than \$250,000 in prizes, premiums, awards and auction sale proceeds from art, livestock, poultry and women's show competition.

The giant "Story Book of Texas Agriculture" has begun to take shape with every county in Texas represented. Exhibits are being built in the new Electric Building, Science Building, General Exhibits Building, and all mu-

seums on the fair grounds. Other attractions at the fair include the Dean Martin-Jerry Lewis Auditorium revue, Ice Cycles of 1953, South's largest automobile show, Cotton Bowl football every week end, numerous free shows and special events.

Oil Industry Has Vital Tax Role, McMillen Says

As a result of continued oil development in Haskell County during recent years, the oil industry has become a growing factor in the economic life of this section.

Role of the oil industry as a taxpayer at the State level, is illustrated in the following statistics furnished by A. E. McMillen of this city, a member of the Texas Mid-Continent Oil & Gas Association.

The Texas petroleum industry is paying 67.3 per cent of all the business and property taxes collected by the State.

Some of those benefitted—and how well—are shown in the following statistics:

The petroleum industry pays 37.8 per cent of all the money that goes into the Available School Fund. The per capita allotment of \$62 per student which each local school receives comes from this fund.

The petroleum industry pays 54.9 per cent of all the money that goes into the Foundation School Fund.

It pays 41.1 per cent of all the money that goes into the General Revenue Fund.

It pays 57.3 per cent of all the state money that goes into the Old Age Assistance Fund.

It pays 42.3 per cent of all the money that goes into the Farm-to-Market Road Fund.

And the petroleum industry pays 58.5 per cent of all state money that goes into the Teachers' Retirement Fund.

WTCC Highway Panel Not To Recommend Funds For Any Special Class of Roads

ABILENE, Tex. — The West Texas Chamber of Commerce highway policy committee will not make recommendations on any method of creating additional or various classes of highways, or any method of creating additional state funds the highway department may need.

So stated Virgil P. Patterson of Amarillo, chairman of the committee.

Patterson said he wanted to emphasize that point because the WTCC has heard that reports have been circulated in several places that the organization will "take sides" in highway matters during the next session of the legislature.

"This report is not merely unfounded; it is in direct contradiction to the firmly expressed policy of our committee," said Patterson.

He said the committee will devote all of its activities to making an inventory of highway needs and conducting a public information program on the whole

problem. Patterson said Governor Allan Shivers has declared he will appoint a state-wide committee to advise him before the legislature convenes.

"We will try to be in position to give the governor's committee a complete picture of our West Texas highway needs—from big city expressways to farm roads—and that is all," Patterson said.

CARD OF THANKS

I wish to use this means to express my sincere appreciation for the deeds of kindness, words of sympathy and to everyone who helped lighten my burden.

Especially do we thank the doctors and hospital staff.

May God's blessings rest upon each and everyone who had part in any way and may you receive the same blessings should sorrow come your way.—Mrs. L. A. Graham. 39p
