THE SAMOAN WAR CLOUD.

Stirring Private Telegram.

St. Louis, Mo, March 8 .- The Globe Democrat piruts a cable special from Breslan which says the Schlesische Zeitung pirnts the fellowing sensational private telegram from Samos;

"The German frigate Olga has bombarded Mataafa's camp, The captain of the American man-of-war protested, but seeing his protest disregarded he opened fire on the attended our Grand Ball Wednes-Oigs. The shell burst between night. decks doing much damage. The Olga then directed a torpedo et the American ship, blowing her up with all bands."

San Francisco Cal. March 8 .-Great prominence is given in the papers here to the rumor that an American man-of-war was sunk in Samoan waters in a fight with the German corvette Olga. While no credence is given to the report the publication has occasioned a sensation. The fact that the name of the vessel alleged to have been sunk is omitted adds to the disbelief in the report, but it is assumed that the vessel is the Nipsic, Capt. Mullane commanding.
