David and Bobby were in Lamesa yesterday and today attending the Area FFA convention as representatives from the Haskell chapter.

## Household Articles Needed for Family Whose Home Burned

The local Red Cross chapter has issued an appeal for household articles of all descriptions and clothing suitable for a family of three adults.

The family, an elderly couple in their 70's, and a grown son, lost all their possessions when the farmhouse where they were living burned Tuesday afternoon.

Furniture, bedding, and household articles of all kinds, along with clothes, are needed. Persons who will donate any of these items are asked to call Mrs. Bud Cook, secretary of the Red Cross chapter, at her office in the courthouse. The telephone number is 226.

## Bertie Mae Fought Dies Today In Haskell Hospital

Bertie Mae Fought, 13-year-old daughter of Mr. and Mrs. Roy Fought, died at 7 a. m. today in the Haskell County Hospital. The little girl had been ill for some time.

She had shown improvement a short time ago, but again became critically ill last week. The body is at Holden Funeral Home.

Funeral will be held at the First Baptist Church Friday at 2 p. m. and burial will be in Willow Cemetery.

## Wm. Kirkpatrick, Jr. Of Dimmitt Killed In Car Mishap

An automobile accident in Amarillo Tuesday night caused the death of Wm. Kirkpatrick, Jr., 29, son of Mr. and Mrs. W. E. Kirkpatrick of Dimmitt, former Haskell resident.

The mishap happened during a windstorm when Kirkpatrick's car struck a railroad overpass, bounced to the top of the bridge and then hit a telephone guy wire.

Kirkpatrick was thrown through the right window of the car and killed. His passenger, Airman Robert Sheard, 22, of Amarillo Air Force Base, was unhurt.

The accident victim was a prominent young business man of Dimmitt where he had lived practically his entire life. He was associated with his father in the wholesale butane and gasoline business.

He is survived by his wife and two children; his parents, and two sisters and a brother; and several uncles and aunts.

Funeral services were to be held in Dimmitt Thursday. Attending the rites from this section were Mr. and Mrs. Fred Gilliam, Mr. and Mrs. R. C. Cobb, Mrs. Sam Cobb, Mr. and Mrs. Kirby Kirkpatrick, all of Haskell; and Mr. and Mrs. Ben Bagwell of Stamford.

### Harvesting of Wheat Crop Getting Under Way In Area

Generally over the entire county for another week or ten days. First wheat brought to the local market came from the Paul Pruitt farm in the Brushy community in the northeast part of the county. His load of 109 bushels graded No. 1, tested 60 pounds and had moisture content of 14.90 per cent.

Cecil Hutchinson also brought in a load of 244 bushels of wheat harvested on his place west of Weinert. The early harvested grain had moisture content of 15.50 per cent, which will delay further combining for several days.

Other local buyers report only light receipts and grain men and producers alike say harvest of the new crop will not get underway.

### Special Features At the Texas and Sky-Vue Theatres

In addition to outstanding film attractions being featured at the Texas and Sky-Vue Theatres during the month of June, Manager B. L. Haley has announced additional special features at both local theatres this week end.

At the Texas Friday night, June 4th, the theatre will present the ever-popular favorite "Country Store Night" and five big baskets of groceries will be given away free to members of the audience. Film attraction Friday and Saturday will include two features, "The Sea Around Us" and "Black Fury," both in color.

At the Sky-Vue Saturday night, June 5th the date has been designated "Flying Saucer Night" and 25 flying saucers, each carrying a valuable prize, will sail among the audience with the prizes going to the person catching the saucer. On the Sky-Vue screen will be "Canadian Pacific" starring Randolph Scott.

June Jubilee guest tickets are also offered patrons whose first name is the same as some particular star appearing in June film attractions. Check the theatre ad on Page 4 to see if your name is on the Jubilee guest list.

Loans on Wheat Stored on Ground Being Urged

J. Walter Hammond, president of the Texas Farm Bureau, said at Waco this week he hoped the U. S. Department of Agriculture approves distress loans on wheat stored on the ground before the harvest rush on available elevator space begins.

Unless such loans are approved, wheat producers will have to find government-approved storage for their grain to be eligible for government loans under price support regulations. With large Commodity Credit Corporation stocks already in storage, the problem is expected to be acute when the 1954 wheat and grain sorghum harvests begin.

Hammond has been negotiating with USDA officials in Washington since March, trying to get approval of emergency loans for grain stored on the ground. He said he has urged them to announce approval before the harvest rush begins to avert "disastrous prices."

It was just five years ago, in 1949, that Hammond originated the idea of storing wheat on the ground. At that time, he led a one man crusade to get his ideas approved.

Elevator operators claimed that storage space for government loans for the 1949 crop was not available. After the harvest rush began, some farmers were forced to sell at prices far below the government loan price.

Hammond appealed directly to President Truman, and the following day the government announced its approval of loans for wheat stored in the open. Elevators immediately opened their bins to farmers, and very little, if any, wheat was actually piled on the ground.

The government approved emergency loans for on the ground storage last year, but not until after the harvest had begun. Wheat prices shot upward immediately after the announcement.

Haskell Officer Takes Part In Joint Maneuver

Mrs. Rex Murray and Thelma Wirges also attended this camp.

Haskell Graduate Dentist to Locate At Lake Jackson

James Douglas Smith, eldest son of Mr. and Mrs. Jason Smith of Haskell, plans to locate in Lake Jackson, Texas, following his graduation this week from the University of Texas School of Dentistry.

Young Smith holds a B. A. degree from North Texas State College, Denton, Friday, June 4, he will receive a Doctor of Dental Surgery degree from the U. T. School of Dentistry in Houston. The Haskell man and a fellow graduate, Ben Beerbower of Houston plan to open an office for the practice of dentistry at Lake Jackson, around August 1st.

WORDS OF GRATITUDE

We are happy to be back in our home again, with the loveliest of all the neighbors in the land of lovely neighbors. We must say to you that your many, many acts of kindness brought us much comfort while in the hospital. The only complaint from our doctors was "Too Much Company." We feel especially grateful to our own good doctors of the Haskell Clinic that they sent us to Baylor Hospital and to Dr. Foster Fuqua. We believe that we have had the best in facilities and medical skill. We would not have you believe that Mrs. Crawford did not suffer no pain nor that we did not have the mental anxiety that comes with major surgery, but she entered into it physically, mentally and spiritually fit. We were conscious all the time of the prayers of our good neighbors and friends. Our hearts were made glad every day with your messages of love. We are indeed grateful to you and ask that you ring our number when you can use a friend.—Mr. and Mrs. J. M. Crawford. 22c

News From Sagerton

BY MRS. DELBERT LE FEVRE

Mrs. Ray Partain, niece of Mrs. Alvin Holle and Mrs. Otto Lehmann, and Miss Martha Ann Nohe, niece of Mrs. Partain, visited Mr. and Mrs. Holle and Mr. and Mrs. Lehmann and children recently.

The two small sons of Mr. and Mrs. G. Muegge of Haskell are guests in the home of their uncle and aunt, Mr. and Mrs. Edward Neinast this week.

Livestock Prices Decline as Meat Trade 'Drags'

By TED GOULDY

Fort Worth, May 31—Major population centers in the Midwest and on the Eastern Seaboard reported movement of most kinds of meat at wholesale and retail levels last week were spotty and disappointing and in the main the prices worked lower.

This condition was reflected in prices of most kinds of livestock in lowered prices. The beef trade was burdened with an influx of medium and low grade calf meat from the farms and plantations of Mississippi, Alabama, Georgia and Florida.

Pork prices tumbled from five to 14 cents per pound in the New York area as consumers shied away from the highest pork loin prices in years. Finicky buyers with nothing else to criticize about it, were making enough of an issue about the way pork was trimmed and the amount of fat on it, to call for a report of that fact on the national news circuits.

All of this set the stage for the "June break" in cattle prices, which on Monday averaged around 50 cents to \$1 per hundred, some more some less. On top of the break of a week earlier, this moved prices near levels of a year ago.

Good and choice slaughter steers and yearlings \$18-\$22, common and medium kinds \$12-\$18. Fat cows \$10-\$13, a few heiferish kinds to \$13.50 and above. Canners and cutters largely \$7-\$10. Bulls \$9-\$14.50, a few higher. Good and choice slaughter calves \$18-\$22; cull, common and medium kinds from \$10-\$17.

### Club Demonstrators of County Meet Plans for Year's Work

County Home Demonstration Club demonstrators have met for their year's work. They are working to learn more of the business procedure of their own homes and to help make the home business a family business.

These demonstrators are: Mrs. Howard Overby from Blue Bonnet; Mrs. Tony Patterson from Center Point, Mrs. Paul Cochran from Fannie Smith, Mrs. Clovis Norton from Josselot, Mrs. T. C. Bevels from New Mid, Mrs. Rex Murray from Lucky, Mrs. Sam Johnston, O'Brien and Mrs. A. L. Gibson from Sagerton.

They have made plans to work on one or more of the following: 1. Use all income to best advantage; 2. Improve ways of handling money; 3. Provide allowances for children; 4. Make a spending plan; 5. Understand important records; 6. Provide a place and improve a plan for keeping records; 7. Improve management of the bank account; 8. Study insurance needs of your family; 9. Learn more about use of credit; 10. Study ways money can be invested; and 11. Study methods of transferring property.

Family Economics is a new phase of work, but Home Demonstration Club women hope to be better business people because of it by November when these demonstrators and the club members have completed work on their plans.

### Haskell Soldier Writes of Atlantic Trip, Interesting Points in Germany

Pvt. Donald C. Graham of this city recently landed in Bremerhaven, Germany, after a 12-day voyage across the Atlantic.

In letters to his wife, Mrs. Nellwyn Graham, and his parents, Mr. and Mrs. E. G. Graham, the Haskell soldier related some of the interesting incidents in connection with the ocean crossing and points of Germany he had seen.

He sailed on the U. S. N. S. General R. M. Blatchford, a ship built during World War II for 1800 occupants, and there were 2800 on it for this trip, he related.

Pvt. Graham wrote that he was sick for only about four hours one day during the crossing, which is unusual. The remainder of the time he spent "cleaning up" after those who were seasick. "We had to miss a good many meals because waves rocked the ship so badly we couldn't stand up," the Haskell soldier related.

One of his first stops was at Zwubucken, Germany, which is near the Russian occupied zones. From there he went to Munchweiler, Germany, where he is stationed. He said the country was beautiful, and the farms looked almost perfect. From what he saw from the train, he could hardly tell there had ever been a war over there, he wrote.

He found the German people quite different from the Americans. Pvt. Graham said it was not unusual to see an old man riding down the street on a bicycle with his wife following just behind him. The "middle class" people have motorcycles or motor bikes, and only the wealthier ones have cars, he noted.

He described most of the roads as old fashioned. The main means of travel is by train, which has four classes. The first class is like our passenger trains, the second class is also nice, but third and fourth class accommodations are very poor.

At Munchweiler, the camp is now under construction, and Pvt. Graham said there were no barracks as yet, and they were having to live in the hospital. The company he is with was a mobile unit and lived in tents until recently. He has been assigned to the medical corps, and his commanding officer told Pvt. Graham he might go to a special school in medical attention soon.

Just after Pvt. Graham arrived at camp, he was called into the NCO office to have his records seen about. The officer in charge only wanted to know what another Assembly of God man looked like, since he had been at that post for a year and had not seen one.

So far, the boys have organized a baseball team for recreation, Pvt. Graham wrote, and are now working on a football team. There are humorous incidents, too, Pvt. Graham related. For instance, one night some fellows who evidently had celebrated a little too much came into camp in high spirits. There was one of them who needed a hair cut, so they thought. So they proceeded to cut his hair from 10 p. m. until 2:30 a. m.

The next day, he got another hair cut from the camp barber, but it was still "gapped" pretty badly. One Sunday recently the boys had to crawl out of bed at 4 a. m., and rode four and a half miles to the Rhine River. There were about 50 trucks, pick-ups, jeeps, staff cars and helicopters that went along. When they crossed the river there were several jet planes flying above them as "protection" while the boys were supposedly evacuating wounded soldiers.

Pvt. Graham said the food was very good, and there was plenty of it. They were all given ration books but in a sense, nothing is rationed, because everything is plentiful and there are more than enough stamps to buy with. When a soldier leaves the post, he has to change his money into German marks before he can purchase anything. One mark is equal to one American quarter, thus making four marks equal one dollar.

Pvt. Graham writes that he appreciates seeing the many different and interesting customs of Germany, but best of all would like to be back home in the United States. He is checking off each day and looking forward to March of next year, when he is due to receive his discharge.

### WTU Advertising Wins First Place National Award

Recognition of outstanding achievement in the field of utility advertising came to West Texas Utilities Company recently when it was named as winner of a first place national award in the 1954 Better Copy Contest sponsored by the Public Utilities Advertising Association.

The award was announced at the annual convention of the Association in Boston, Mass.

The First Place Award was achieved for the "Best Single Newspaper Advertisement Promoting the Use of Electric Service" and is the fourth such award received by the company since 1949. This winning advertisement was produced by the company's advertising department and appeared in this and other newspapers in the company's service area. R. E. (Bob) Kennedy is head of the WTU advertising department.

This year's contest attracted a record of nearly 2,059 entries in 22 separate classifications. Electric, gas and transportation utility companies from practically every state in the union, and from Canada and Hawaii were represented.

The Better Copy Contest of the Public Utilities Advertising Association is the oldest and largest continually conducted advertising competition in the United States. The contest just closed was the 31st of its kind and it has grown steadily in importance and size throughout the years. Today the awards presented by this association are regarded as the highest recognition attainable in the utility advertising field.

Judges in the 1954 contest were without exception high in their praise of the quality of material submitted and stated that they found final decisions difficult.

**SPEND WEEK END AT POSSUM KINGDOM**

Mr. and Mrs. P. G. (Buck) Kendrick and Mr. and Mrs. Joe Smallwood of this city spent last week end at the Kendrick's summer camp on Possum Kingdom Lake. Mr. and Mrs. Kendrick returned only recently from a vacation trip to Hawaii, and Mr. Kendrick declared that although he thoroughly enjoyed the overseas jaunt, he felt more at home in the familiar surroundings at Possum Kingdom than he did on the Pacific island.

### Haskell Man Back From Fishing Trip In Louisiana

Richard Bischoffhausen of this city, accompanied by his son, Richard Bischoffhausen, Jr., of Irving, recently returned from a successful three-day fishing trip near Marksville, La.

This was their second annual trip to that area, the father and son team having fished in that country last year with such phenomenal luck that they went back this year. They were fully justified, the Haskell man said. He estimated their catch at more than 80 pounds of bass, crappie, and bream. Bass and crappie ranged from one to four pounds, he declared. Most of their fishing was done on Grand Lake, northwest of Marksville.

### Texas 4-H Club Roundup Slated June 8 to 10

College Station, June 1—About 1,600 members of Texas boys' and girls' 4-H clubs are expected at Texas A&M College for the annual 4-H Roundup, June 8-10. They will be accompanied by adult leaders and selected county extension agents who will assist with program activities.

The annual event brings together the state's most outstanding club members. As county delegates, they were given opportunities to further develop the leadership, citizenship, and character-building phases of 4-H club work. Too, hundreds will participate in the 17 statewide judging and demonstration contests.

According to Director G. G. Gibson of the Texas Agricultural Extension Service, sponsor of the meeting, preparations for the Roundup are near completion. The program has been planned around 19 different subject-matter short courses. These range from agricultural engineering to wildlife and include not only agricultural subjects but those involving the home leadership and recreation. General sessions will be held each morning with the short courses, directed by extension specialists, getting the afternoon times. The entire day of June 10 will be devoted primarily to contests.

Delegates are due to register on the afternoon of June 7. The Share-the-Fun Festival will provide the Tuesday night program; a chuck wagon feed and entertainment is set for Wednesday evening and the annual Recognition Banquet on Thursday evening at Duncan Hall and special entertainment at Gulon Hall will conclude the meeting. These two events are provided by the Sears-Roebuck Foundation.

Theme for the Roundup, adds Gibson, is "Building a Stronger America."

Claud Moseley of Whitney Dam visited here Friday with Mr. and Mrs. W. E. Watkins.

Second Lt. William Porter who has been stationed at Fort Bliss for several weeks came by Rochester Wednesday of last week on his way to Fort Benning, Ga., where he will train with the Army Forces. His mother, Mrs. Bess Porter, accompanied him to Atlanta, Ga. where she will visit her sister and family, Mr. and Mrs. E. C. Stoker.

Rev. and Mrs. James Price and children returned home Sunday from Amarillo where they attended annual conference of the Methodist Church.

The marriage of Wynell Bean and William Hester took place Friday evening, May 27 at the home of the bride before an archway of palms and candelabrum. H. L. Matheny of Goldsmith read the impressive double ring ceremony.

Mrs. Joe Ed Parsons, cousin of the bride sang, "I Love You Truly" and "Because."

Given in marriage by her father the bride wore a street length dress of pastel printed silk with fitted bodice and high neck. Her accessories were white and she carried a white Bible topped with white carnations and white satin streamers. For something new was her wedding dress; for something old she carried a handkerchief that belonged to her grandmother Oneal. For something blue she wore a blue garter and borrowed was a bracelet. A penny in her shoe was for good luck. The bride's only attendant was her cousin, Elaine Oneal of Haskell. Miss Oneal wore a pink linen frock with white accessories and her corsage was white.

Shug Robertson of Knox City served the groom as best man.

The bride is a daughter of Mr. and Mrs. Wilson Bean of Rochester and a junior in Rochester high school.

The groom is a son of Mr. and Mrs. J. H. Hester of Knox City.

Following the ceremony a reception was held in the home of Mr. and Mrs. Bean.

The bride's table was laid with lace and centered with pink and white daisies. Table appointments were crystal. The 2-tiered wedding cake was topped with miniature bride and groom. It was served by Mrs. Joe Warren of Lubbock, sister of the groom.

The silver cake server was decorated with white ribbon and pink streamers bearing the names, Wynell and William.

The couple left in a shower of rice for a honeymoon trip to Shreveport, La. They will be at home in Knox City where the groom is employed by an oil company.

The home of Mrs. I. E. Alvis was a scene of a pretty bridal shower Friday afternoon May 21 honoring Wynell Bean, bride-elect of Wm. Hester.

Mrs. Alvis greeted guests at the door and Beth Sue Mitchell registered guests in the beautiful bride's book, a gift of Mrs. LeRoy Burleson of Dimmit. The book was fashioned of white satin and edged with dainty lace and showered with tiny shell pink flowers. Two white satin bells were attached to the book with white satin ribbon and net.

Patsy Carver officiated in the gift room.

Party callers were served open face sandwiches, cookies, punch and mints from a table laid with lace and centered with an attractive floral arrangement. Patsy Carver and Martha Jane Brown alternated in serving refreshments.

One hundred-forty guests registered.

The hostess gift was a set of dishes, service for six.

Hostesses were Mmes. Joe Clark, John Michaels, Joe Fletcher, Emma Banner, Joe Hudson, John W. Lee, Ben Williams, I. E. Alvis, Misses Sadie Sue Speck, Elaine Alvis, Barbara Myers, Martha Jane Brown, Patsy Carver, Bettie Sue Mitchell.

Mr. and Mrs. James A. Greer left this week for a visit with their children at Abilene, Fort

Worth, Garland, Irving and Denton. They will be gone several weeks.

Mr. and Mrs. Amos Barton of O'Donnell have announced the arrival of a son, Monty Ray. The young man made his advent May 3 at a Lamesa hospital and weighed 8 pounds and 2 ounces. Maternal grandparents are Mr. and Mrs. Everett Berryhill of Rochester.

Mrs. Sallie Fields was in Haskell Monday to place flowers on the graves of her family. She also visited relatives and friends there.

Worth, Garland, Irving and Denton. They will be gone several weeks.

### HHS Class of '29 Turns Calendar Back Quarter Century at Annual Reunion

The calendar was turned back a quarter of a century Saturday for 29 members of the HHS Class of '29, and their families, who gathered in Rice Springs Park for a homecoming and reunion on the 25th anniversary of their graduation from Haskell High School.

It was the second homecoming of the class. The first reunion was held 15 years ago, in May, 1929.

Out-of-town members of the class began arriving Friday, and for some it was their first visit in Haskell since the 1929 reunion. Also present for the occasion were four former teachers on the HHS faculty in 1929.

Gathering of various groups were held during the day Saturday in homes of members of the class living here, with the main reunion beginning at 8 p. m. in Rice Springs Park. Several Senators of '29 recalled the park site as a mesquite thicket on 'Spring Branch' back during their school days, in comparing it to the present-day municipal park and playground.

Highlight of the evening was a chuck wagon supper served the gathering by the Saddle Tramp Riding Club.

Alfred Pierson, Haskell banker, gave the invocation, and O. E. Patterson, retired banker and former county judge, gave the address of welcome.

O. B. Ratliff of Lubbock, president of the Class of '29, was master of ceremonies. He read letters and telegrams from class members and teachers who were unable to attend. Rev. E. Gaston Foote of Fort Worth and Judge J. E. Hickman of the State Supreme Court sent letters of regrets; and Mr. and Mrs. R. C. Couch, Sr., sent a telegram.

Providing considerable merriment was awarding of some of the prizes to class members. Award for the person coming the farthest distance went to Clyde Edwards of Corpus Christi; selected as the one with the grayest hair was Barton Welsh of Texas City; John English of Longview as the one with the balddest head. Ex-student with the most children was Mrs. Odie Bland of Yoakum. Mr. and Mrs. Bland have six children, four boys and two girls. Robert Goodwin of Mineral Wells was given a consolation prize.

Class members and ex-teachers were asked to tell about themselves and their families, and this provided an interesting and entertaining phase of the program. Class roll showed that 29 of the original class of 49 seniors were present, along with four teachers, and the veteran Haskell school custodian, Iron Pearsey.

A minute of silent prayer was observed in memory of the following: Ellis J. Medley, Linnie Adkins Dunnam, Marguerite Stephens, Doyle Eastland, Rev. H. R. Whitley, Rev. G. Robert Forrester, Judge L. D. Ratliff, Sr. Flowers were sent to the Pinkerton Baptist Church Sunday in memory of Linnie and to Mrs. J. W. Medley in memory of Ellis, two members of the Class of '29.

Clovis Pinkerton of Austin gave the benediction.

Those present included: Mrs. Marvin Warren, Plainview; Mr. and Mrs. Hugh Johnson, Abilene; Mrs. Charles Chamberlain, Jo and Dan, Haskell; Mr. and Mrs. Buford Cass, Bobby and Barbara, Stamford; Chesley Cass, Dallas; Mr. and Mrs. Clyde Edwards, Corpus Christi; Mr. and Mrs. Raul English, Raulna, Sharon, and Jane, Lubbock; Mr. and Mrs. M. G. Hoover, Nancy Carol, Marilyn, and Glenda Nell, Abilene; Mr. and Mrs. Robert Goodwin, Bobby and Elizabeth, Mineral Wells; Mrs. H. R. Pipkin, Ft. Worth; Mr. and Mrs. Jerry Irby, Rogers, N. M.; Orea McDonald, Waco; Mr. and Mrs. Ramon Liles, Weinert; Thelma Perry Bricker, Fort Worth; Mr. and Mrs. Clovis Pinkerton, Austin; Mrs. Floyd Bowman and Don, Weinert; Mr. and Mrs. O. B. Ratliff, Alameda and Allen, Lubbock; Mrs. Odie Bland, Lenneth, Thomas, Leon, Martha, Bob and Annalyn, Yoakum; Mrs. M. W. Whitmire, Jr., and Jimmy, Stonewall, Okla.; Mrs. Homer

Wells, Mineral Wells; Mr. and Mrs. Joe Short and Sylvia, Kilgore; Mr. and Mrs. David Smith, Lubbock; Barton Welsh, Texas City; Mr. and Mrs. John English, Longview; Mrs. J. C. Pennington, and Mike, Brady; Mr. and Mrs. M. B. Lebo, Arlington; Mr. and Mrs. Ed Sprows, Anson; Mrs. Lloyd Kinsey, San Angelo; Mr. and Mrs. John Watson, Jr., Herman K. Henry, Iron Pearsey, Mr. and Mrs. O. E. Patterson, Mr. and Mrs. Alfred Pierson, Mr. and Mrs. Curtis Pogue, Dr. Arthur Edwards, Mr. and Mrs. Austin Coburn, Sandra and Robert, Mrs. Doyle Eastland and Jan, Mrs. Ethel Irby, Mr. and Mrs. J. E. Walling, Jr., Mr. and Mrs. Rex Felker and Steve, all of Haskell; Marshall Pierson, Jr., Corpus Christi; Kay Cummings, San Angelo.

### Trimming of Rank Trees, Shrubs Can Be Planned Now

Now is an ideal time to take note of rank shrubbery and overhanging tree limbs which will need pruning later.

The perfect growing season this Spring has resulted in trees and shrubs putting on the heaviest growth and foliage in several years. As a consequence, overhanging limbs have developed to the point where they result in inconvenience to pedestrians, and heavy shrubbery growth in some instances create "blind" corners that present hazards.

The suggestion has been advanced that property owners can take note of any hazardous or unsightly growth of shrubbery and trees now, for pruning later in the season.

### Mrs. Meadors and Daughter Leave For Europe

Mrs. V. W. Meadors, Sr., and Miss Martha Meadors left Sunday for New York City, from where they were to leave Tuesday on the Atlantic liner Queen Elizabeth for a tour of Europe.

Mrs. Meadors and daughter will first visit a number of cities and points of interest in England, then will tour Denmark, Belgium, Holland, Germany, Switzerland, Italy and France. They will leave Le Harve, France, early in July for their return trip home.

### VISITING PARENTS

Mr. and Mrs. Wayne Blacklock and daughter Pam of San Antonio are spending two weeks vacation visiting their parents, Mr. and Mrs. Hoyt Perry of Haskell and Mr. and Mrs. B. L. Blacklock of Munday. They also attended the graduation of Mrs. Blacklock's brother, Don Perry, at West Texas State College, Canyon.

### Retail Sales In April Under Last Year's Figures

AUSTIN, Texas—April retail sales in Texas were 2 per cent higher than March but 5 per cent below April, 1935, the University of Texas Bureau of Business Research reports.

Eight of 12 Texas crop reporting districts topped March sales, with Trans-Pecos (27 per cent) and Southern High Plains (13 per cent) in the lead. Three districts bettered April, 1935: Trans-Pecos (8 per cent), Black and Grand Grand Prairies (6 per cent), and Edwards Plateau (2 per cent).

Sales in various types of apparel stores rose from 11 to 12 per cent, jewelry stores, 26 per cent; florists, 31 per cent; department stores 12 per cent, farm implement and hardware dealers (6 per cent), motor vehicle dealers (4 per cent) and drug stores (3 per cent).

Eighty per cent of vehicles involved in fatal traffic accidents in 1935 were traveling straight ahead.

### Discarded Iceboxes Present Threat to Some Child's Life

How to let air in or keep children out of discarded iceboxes is the subject of a recent publication by the National Safety Council.

The publication is being distributed to schools before the summer vacation period, and a stepped-up information campaign is underway to warn parents of the greater danger during the summer months.

Citing an unofficial count of 79 child deaths in the last five years, the council details several methods for preventing suffocation in iceboxes, refrigerators, freezers and other airtight cabinets.

Because there are numerous unused iceboxes in and around town where they are accessible to children, Haskell people should be particularly interested in the following suggestions offered by the Council.

A worn-out refrigerator should be disposed of to a junk dealer, but if that can't be done immediately, then—

1. Remove the door. This is the safest way since a chest especially may have a door or lid so heavy that a child could not open it even if unlatched.
2. Remove the latch stop. This usually can be done easily by removing the screws from the plate.
3. Drill rows of holes in the cabinet sides and pry off the rubber gasket around the door. These methods, used together, will reduce the danger of suffocation in a refrigerator kept in use as a storage cabinet.

If refrigerators are temporarily out of use while the owners wait to move them to another location, sell them, or pass them on to relatives, then—

1. Remove the latch stop, which can easily be replaced.
2. Turn the box with the door against the wall. Most boxes are too heavy for children to move.
3. Bind the door shut with wire or stout rope.
4. Padlock the door when handle is so constructed.

The Council points out that the hazard apparently is increasing as more and more outmoded refrigerators are being replaced. Twice as many deaths occurred in 1933 as in 1932. The average age of victims is five years, with the range from two to 12.

While urging legislation to impose penalties for careless disposal of airtight cabinets, the Council believes that only informed adults can give positive protection to youngsters.

All bins which will be used for storing small grain should be thoroughly cleaned and sprayed with a residual insecticide before the harvest season begins. There is no place in the storage bin for insects—they not only destroy the grain but cause it to grade lower or even be classified as unfit for human consumption if allowed to multiply and go merrily on their way.

Saturday is the most dangerous day of the week in traffic.

### Arms Shipment to Guatemala Poses Grave Problem, Sen. Johnson Says

"The shipment of communist arms to Guatemala is a question of grave concern to every American," Senator Lyndon B. Johnson declared in his weekly newsletter released today to Texas newspapers. Senator Johnson continues:

The actual amount of weapons landed in that Central American country may not have been very large. But the implication is far-reaching. It means that we must devote some cool, careful thought to our whole foreign policy.

This is the first communist military penetration of the Western Hemisphere that we know about. In the past, communist agents have remained in the shadows. They have confined themselves to agitation, propaganda, espionage and sabotage.

Now, they apparently feel that they are ready to arm groups of men and form them into military organizations. We do not know what they will do with these arms. Maybe they will be used for guerrilla fighting. Maybe they will be for border sniping.

Whatever the use, it means the cold war has entered a new stage! It has been brought into our own backyard.

Fortunately, we have some real friends among the South American nations. We also have machinery through which to act.

The American states can act speedily to isolate Guatemala. Economic sanctions can be invoked. Joint action is possible to prevent the shipment of any communist arms into the Western Hemisphere.

This is an issue upon which there can be no delay. Guatemala has the right to conduct its internal affairs as it sees fit. It does not have the right to threaten the peace and security of the Western Hemisphere.

State Rights

Senate rejection of the Constitutional Amendment to lower the voting age to 18 is one of the most important blows that have been struck for State Rights in recent years.

The issue was clear. At present every State has the Constitutional right to determine the minimum age of voters. Had the Amendment been approved by Congress and three-fourths of the states, this right would have been lost.

The Senate decision to reject the Amendment did not reflect

opposition to 18-year-olds voting. This point was made clear by the fact that Senator Richard B. Russell of Georgia, led the opposition to the proposal. Senator Russell, native state permit 18-year-olds to vote. He took the position that other states should have the same right of choice.

I agreed strongly with this position! I think that Texans are fully capable of deciding for themselves the proper level of the voting age. I do not think that we should be forced by Congress and other states to set any arbitrary limit.

Had the amendment been approved, we Texans would have lost our right of choice! I think it was quite properly rejected.

### HASKELL VISITORS

Mrs. H. R. Pipkin, Fort Worth, Mrs. Homer Wells, Mineral Wells, Mrs. M. W. Whitmire Jr., Jimmy Whitmire, Stonewall, Okla., and Kay Cummings, San Angelo, were guests of Mrs. Doyle Eastland, Jan, and Mrs. Sue Eastland this week end. Mrs. Pipkin, Mrs. Wells and Mrs. Whitmire attended the reunion of the Senior Class of 1929. Kay Cummings will also visit in the home of her grandparents, Mr. and Mrs. R. A. Bradley this week.
