A total of \$619.38 has been spent on the garments made in the tailoring workshops and these Friday night he kept later total value of \$1481.70. They feel hours than usual on a hunch— and it paid off. For some time for them, even if it did require time, patience and ability to sew.

In addition to the tailoring revue the program for the day also included recreation, a luncheon, a book review by Mrs. McCand-less of Rule and educational exhibits.

Each club set up an educational exhibit based on some demonstration they had in 1954. The Blue Bonnet, Lucky and Josselet clubs received a first place he ribbon. The exhibits were: B l'u e Bonnet, Breakfast Meat; Lucky, Flower Arrange-ment; Josselet, Tailoring Equip-ment; New Mid, Flower Arrange-ment; Sagerton, Freezer Con-tainers; Center Point, Business mobile. When the driver came out of Center; and O'Brien, Money Man-

won a first division rating at the regional marching contest held in Abilene Saturday afternoon and night, Dec. 4. The HHS Band also was rated outstanding Class A band among

The Haskell High School Band

all school bands in that class participating. Merlin Jenkins is instructor and director of the band.

High Rating In

Abilene Contest

The Abilene contest was govened by rules and regulations set up by the University Interscholastic League. The bands do not compete against each other, but attain a certain standard in order to place in Division I.

The band was rated by four judges, one for inspection of instruments, uniforms and stationary commands; the other three judges considered marching and playing and required maneuvers. The required maneuvers included: Forward march; halt while playing; halt, not playing; column right, playing; column left, play-ing; diminish front, playing; increase front, playing; right or left oblique, playing; start playing while marching; cease play-

ing while marching. It is possible fon a band to attain a first division rating with two first places and one second place. However, the Haskell Band was rated First Division by all four judges, and was selected by the judges as the outstanding band of all Class A bands. There were 18 bands performing in

Class A. Members of the Haskell Band have worked from 7:30 to 8:45 a. m. on an average of four days per week since school started this year. This is in addition to the regular 11:00 to 12:00 re-hearsal set aside during the school schedule. Donald Richard Rowland of bilene, formerly of Hamlin; El-don Ray Amonett of Haskell; James Edmund White of Austin, formerly of Anson; John Poston

Dec. 13-16 to Display Christmas Lines Don't Let Some Child Be Disappointed, House in 30 or more Haskell business establishments Monday evening, Dec. 13 and Thursday evening, Dec. 16, when the stores

will remain open until 9 p. m. Gifts with a value of more than \$300 will be awarded in the form of door prizes to be given by each cooperat-ing store. In addition, Santa Claus will be on hand with candy and treats for the little boys and girls.

The cooperating stores will have on display the largest stocks of new Christmas merchandise and holiday goods featured in a number of years. A

First Baptist to Have Christmas Program Dec. 14

A church-wide Christmas proeasily be prevented if you will gram is being planned at the First Baptist Church under the direction of the Brotherhood organization with the new president, Rex Felker, in charge.

The program, to be held in the new church auditorium, will begin at 7:30 Tuesday evening, Dec. 14, with musical numbers by the Adult and Junior Choirs and a carol sing.

These will be followed by a special program presenting the Christmas Story and bringing of gifts to the tree for the needy

of the community. Each pepartment and class of the Sunday School is bringing gifts of food to be distributed by a special committee.

Santa Claus will hold Open special invitation is being ex-House in 30 or more Haskell tended to everyone in the Haskell trade territory to visit the stores on one or both evenings during "Santa's Open House" and see the large variety of holiday merchandise stocked by Haskell merchants.

Several attractive features have been planned in connection with the open house events that will make it worthwhile for you to visit the stores on these dates.

NUMBER 49

Attractive door prizes will be awarded by each store cooperating in the event. Visitors in the stores may register any time during the day for the door prizes, with anyone over 15 years of age eligible for the prizes. Separate registrations will be held for Monday and Thursday night awards. Everyone is eligible to register for the prizes in each of the cooperating stores.

The Armed Forces Induction Center at Abilene will send a sound truck to Haskell for Monday evening's "Santa's Open House" program, C. of C. Manager Rex Felker has been advised.

The sound truck will be used in broadcasting Christmas carols and music and other program features, Felker said.

Santa Claus will be on hand in person both Monday a n d Thursday evening, and he will have candy and other treats for the little folks. Santa will visit in each of the stores at inter-

vals from 6 to 9 p. m. A public address system will be installed in the courthouse, and a program of Christmas ca-rols and music will be featured Thursday evening during open house. Also, letters from Santa Claus from little folks in the Haskell frade territory will be read over the P-A system.

Stores cooperating in Santa's Open House Monday and Thursday evenings include the follow Lyles Jewelry,

Give Her an Electric Range

This Christmas Be Sure ---

Give **Electric Gifts**

See Your **Electric Appliance** Dealer or ...

The gift that will do so much for her ... rid her of cooking drudgery ... save her time and energy ... and give her leisure hours to enjoy living.

With an automatic electric range, her baking, roasting ... all her cooking ... will be fingertip controlled. She can put an entire meal in the oven, set the timer ... and forget it.

Clean, fast, and cool, the automatic range is economical, too. Really, it's the best way to cook.

Like most good ideas, this one is pretty simple. But it wasn't an easy one to carry out. For Chevrolet and General Motors set out with the idea of building the first low-priced car that would do all these things:

- · bring you the very freshest and finest styling to
- · bring you the most advanced engine design and engintering features.
- · bring you the kind of performance and the kind of ride that have never been available before in a low-priced car.
- · bring you the highest quality of manufacture and materials.

All this in Chevrolet's price field? That did take some doing! And isn't it logical that only Chevrolet and General Motors have the people, the skills, the resources and facilities, to carry out this exciting new concept? Here is how this new Chevrolet changes all your own ideas about cars!

Real Show-Car Styling!

Your eye tells you the Motoramic Chevrolet is no styling "patch-up" job. A rakish, low profile . . soft swiftness from its sleek rear fenders to its wideeyed Sweep-Sight windshield . . . a new outlook for matoring. And that outlook doesn't change when you slip inside . . . there's more room for hats and hips . exciting fabrics and trim harmonized with the whole car . . . as carefully as a bride matches carpet to curtains.

A Sensational Ride!

You live the new idea instantly . . . you glide . . . actually glide because spherical joints "roll with the punch" of the road in Chevrolet's new Glide-Ride front suspension. And outrigger rear springs mean new balance in turns . : : turns made so effortless by new ball-race steering.

And when you stop suddenly, new Anti-Dive braking control checks that nosing down in front . . . you get more level stopping. Tubeless tires mean much greater protection against blowouts. And with new high-level ventilation there's fresher air.

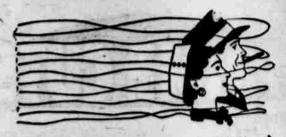

Power Beyond Compare!

You also feel the new idea quickly . . . quick power like a panther's paw with the new "Turbo-Fire V8" (162 h.p.) and two new "Blue-Flame" 6's. And sparking this performance is a 12-volt electrical system giving you better ignition, faster starting, greater electrical reserve for any of the power assists you might

desire. You have a transmission choice of economical Overdrive and improved, automatic Powerglide (optional at extra cost) or

Even Air Conditioning!

And if you desire the convenience of power assists (optional at extra cost) . . . you'll find new power-steering and improved power brakes on all models. Power-controlled windows and

powershift seat are available on the Bel Air and "Two-Ten" models, while air conditioning may be added on V8 models.

Won't You Try N?

Here, we can only tell you how successfully the Motoramic Chevrolet expresses the new idea behind it. But the car itself can quickly show you! Come in for a demonstration drive, won't you, first chance you get.

entertainment with this dependable Finished in bright red with white bber tires and comfortable bucket

THIS pedal does more than just feed gas to an eager and highpowered V8 engine.

When you give it the extra nudge that moves it beyond the full throttle position, something happens that never happened before in an automobile.

You hear a businesslike purr, which tells you that twenty power vanes, deep inside the 1955 Dynaflow Drive," have changed their pitch-just like the variable pitch propellers on a modern air liner.

And with the same result in the way you get-up-and-go, with a safety-surge of power for pulling out of a tight spot on the highway.

> MILTON BERLE STARS FOR BUICK San the Buick-Borle Show Alternate Tuesday Eve

DRIVE A BUICK IT'S TEXAS BUILT FOR TEXANS

Words can't describe it. It's a new sensation - something you simply must try for yourself.

There's nothing like it on the 1955 new-car horizon.

Fact is, there's a whale of a lot to see and sample at your Buick dealer's.

There's fresh new styling. There's higher horsepower in every Buick V8 engine. There's a new Airpower carburctor. And beneath it all there's good oldfashioned integrity in every nut, bolt and rivet.

But, this year, don't simply make a visit to the showroom where these trim and thrilling new beauties are on display.

The smart thing to do-if you want to

know what's what in new automobiles **Buick Power Hits New Peaks !** -is to get behind the wheel of a 1955 and all with better gas mileage to boot

Buick and drive it. How about doing that soon?

THE TWO	THE HASKELL	FREE PRESS	HASKELL, TEXAS, THURSDAY, DECEMBE
Representative to Be Here Dec. 16 "Americans take their family responsibilities seriously, and for	that reason have invested gen- erously in life insurance," Glen McNatt of the Abilene social se- curity office said today. "Careful planning, with the help of your insurance agent and a social security' representative, can insure that you get the amount of protection you want as the in- surance needs of your family vary." "The value of your social se- curity insurance varies from time to time during your life," McNatti said. "It's value is highest when there are young children in the home. It increases again when you reach retirement age." Tor an estimate of the current value of your social security ac- count as insurance protection, contact Mr. McNatt when he is in Haskell, on Thursday, Dec. 16, at the Chamber of Commerce at 10:00 a. m. Persons wishing information on how the 1954 Amendments to the Social Se- curity Act affect them and thei families are also urged to see Mr. McNatt. Stamford Soldier	Haskell Student Makes Tour With Makes Tour With Makes Tour With Makes Tour With Makes Tour With McMury Band Abilene, (Spl.)—Billy Adkins, son of Mr. and Mrs. W. H. Harrell of Haskell, will make the four- day winter tour with McMury College's Indian Band, Dec. 5-8. Complete itinerary for the tour includes appearances in Roches- ter, Seymour, Paducah, Aber- nathy, Levelland, Brownfield, Lamesa, and Snyder. Two of the concerts will be given in churches and the others before school assemblies. Scrip- ture readings, prayer, musical selections, and congregational singing will make up the church programs. The school concerts will feature instrumental soloists and ensembles, vocal soloists, symphonic arrangements, novelty numbers, and Latin-American rhythms. Adkins is a 1951 graduate of Haskell High School. He played with the band four years. He was also band captain and drum major. He was a member of the	tasen and w Operate er Shop thange made re-

automobile accident mear

of last week.

H. B. Martin, 84, dean of Ama-rillo printers and a brother of the old-style newspaper press usthe late Oscar Martin, founder of The Free Press, died Nov. 15 at his home in Amarillo. He was an uncle of L. W. Jones, Sr., and Mrs. W. S. Cole, both of The veteran printer retired in

November, 1945, when he was 75 years old. Mr. Martin had been engaged in the printing business for about 60 years when he re-tired and had been a resident of Amarillo 51 years. His career in the printing trade

began when he was 15 years old. He learned the business from his brothers after they had founded The Free Press, and worked on the newspaper for them for several years. He went to Amarillo in 1901 from Memphis, Texas, where he ran the Hall County News. He established a printing concern in

Amarillo, and remained in the business until his retirement. Mr. Martin was an inveterate hobbyist and made hundreds of models of old time modes transportation and made a model of printing equipment which can be seen on display in the Panhandle-Plains Museum at Can-

med from an experience father, Alonzo Cicero Martin, had back in the Civil War. His father was one of the volunteer soldiers who joined Capt. W. A. Fuller of the Confederate Army in the memorable chase of the Little General, a locomotive which was stolen at Marietta, Ga., by Federal spies. All of the spies were captured. Mr. Martin's father assisted the firemen in stoking the fur-

ed in printing The Free Press.

His interest in engines stem-

hi

nace which enabled the pursuing engine to make 60 miles an hour the fastest speed ever achieved up to that time by a locomotive. Mr. Martin is survived by his widow; two children, Edward A Martin, advertising manager of the Amarillo Globe-News, and Mrs. Nida Adams of Battle Creek, Mich.; and three grandchildren.
