should complete contacts northwest of Haskell today. Telephone representatives will then move to the southwest section of the county, then to the northeast part of Haskell County.

C. L. Fisher, commercial surveyor for General, wanted to clear up a misunderstanding by most rural citizens in the Haskell area. He said, "A lot of the people thought this project would be made only to Paint Creek. We would like to correct this misconception and make it understood that General's plans include service for the entire rural area surrounding Haskell, north, east, south, and west."

Canvassing was started Wednesday in the northwest section of the county where Fisher said, "We are getting good response."

Douglas Lees was the first to sign up for telephone service and he encourages his neighbors in that area to go along with the plan.

Mrs. Henry Harris, a long-time resident of Haskell County, was among the first to enlist the service northwest of Haskell.

Mrs. Harris has had telephone service for many years and this new expansion project will give her, as well as others, better, more efficient telephone service. She told telephone representatives, "I would not be without a telephone."

Fisher stated, "Our only regret is that we cannot give these people telephone service tomorrow, but if all will be patient, and cooperate to the fullest, we will get them the service they want as soon as possible." Facilities and service is expected to go into effect by next summer.

Persons who reside within the boundary lines of the project and sign up for telephone service now, while canvassing is being made, will not have to pay additional charges. Their only fees will be regular monthly rental plus a small installment charge.

Persons who wait until facilities are made available will be subject to charges necessary to pay for construction.

Fisher encouraged those who were not at home when canvassers called to contact the local business office at their earliest convenience so that canvassing can be completed as soon as possible. Notices are left by canvassers if no one is home when they call.

Canvassing of the entire rural area around Haskell is expected to be completed by the end of this week, Fisher said.

He added that approximately one-third of their goal had been reached Wednesday.

Haskell County History

20 Years Ago—Aug. 8, 1915

Mr. and Mrs. C. V. Oates and son Wayburn, of the Midway community, left Tuesday for Galveston and Houston, where they will spend several days.

The Haskell School Board will call a \$25,000 bond election at an early date, in response to a petition received this week. The bonds, if voted, would be supplemented by a \$20,454 grant from PWA and the money would be used to erect a modern school building to replace the old North Ward building.

Frankie Dorris Bledsoe is in Dallas for a few days visit with her aunt, Mrs. Ben Griffin and family.

Mr. and Mrs. Jim Oxford and children of Mineral Wells were visitors Saturday in the home of Mr. and Mrs. Trav Rousseau.

Mr. and Mrs. Paul Thomas of Flatwood, Tenn., are visiting Mrs. Thomas' parents, Rev. and Mrs. J. A. Yancy.

Mr. and Mrs. George V. Wim-bish and Mr. and Mrs. M. A. Clifton left the first of the week on a vacation trip in New Mexico, where they will visit their daughter and sister.

Mrs. Leon Pearsey and children returned home Sunday after a week's visit with her parents, Mr. and Mrs. W. E. McElroy at Junction. They were accompanied home by Mr. Pearsey, who spent the weekend there, and Mr. and Mrs. Rufus H. Banks.

Warren H. Williams, Wichita Falls, brother of Dr. T. W. Williams of this city, has accepted a position with Oates Drug Store here. He was connected with the Renfro drug stores in Wichita Falls before coming to Haskell, and previously worked in St. Louis.

Mr. and Mrs. R. J. Flomson of Grandview have been here visit-

ing with Mr. and Mrs. E. B. Calloway and looking after their farm on which Mr. Calloway lives. Mr. Flomson says Buck has a real crop and the finest maize he has ever seen. While here he cut several heads of maize to carry back to East Texas, saying he will put them on exhibition there at his bank to show what West Texas farmers can do.

30 Years Ago—Aug. 14, 1925

County Agent W. P. Trice returned last week from the A&M College short course, held at College Station. He reports many farmers there taking advantage of the instruction offered, but only a few from West Texas.

Mr. and Mrs. G. W. Waldrop and children and Mrs. M. S. Pierson of Abilene spent several days here last week visiting in the home of Mr. and Mrs. A. C. Pierson.

The gin at Jud is now undergoing overhauling, placing the plant in shape for the fall season. Mr. Fortune of De Leon will be manager of the gin this year.

Mr. and Mrs. J. A. McKee returned last week from an extended visit on the coast, and at Bartlett, Waco and other points.

Mr. and Mrs. Delbert Hudson, Mr. and Mrs. W. T. Hudson, Mesdames R. J. Reynolds, Carl Maples, Virgil Reynolds and Edward Grissom spent Tuesday at Lueders.

Mayor Hardy Grissom has returned from St. Louis where he bought fall and winter stocks for the Grissom stores.

Mr. and Mrs. Ira Lowe of El-cetra are visiting J. F. Kennedy and family this week. Mrs. Lowe is Mr. Kennedy's sister.

Miss Sula Mae Ratliff left this week for Fort Worth and Dallas, where she will spend several days with friends.

D. L. Cummins, Jr., son of Dr. and Mrs. D. L. Cummins, has returned from Austin, where he has been attending a military school.

Mr. and Mrs. Chas. Conner and little daughters, Mr. and Mrs. A. C. Pierson and Mr. and Mrs. Rice Pierson returned last week from a vacation trip in New Mexico.

The new city well being dug on the block south of the court-house is nearing completion. City Water Superintendent H. J. Hambleton, who is overseeing the work, says that several good streams of water have been encountered. The well will be finished at a depth of 30 feet, he stated.

Mr. and Mrs. Eugene Lancaster and little daughters of the Powell community have returned from a vacation spent in Oklahoma.

50 Years Ago—Aug. 12, 1905

S. L. Johnson, after trying one winter in the Plains country, has returned to Haskell and purchased a farm, the Dr. Neathery place several miles out.

County Surveyor H. M. Rike has returned from the Swenson Ranch in Jones County where he has completed his contract to subdivide several sections of land into small tracts. The land will be put on the market at \$12.50 to \$16 per acre, it is understood.

J. M. Betts of the Rule neighborhood brought in four giant watermelons this week. The largest weighed 83 pounds and the smallest 69 pounds. He says his patch is full of "average size" melons, the 25 to 40 pound size.

J. L. Baldwin has sold a half interest in his Stamford hack line to Lee Box, who will take personal charge of the hack on this line. Box is a former driver on the hack line.

Miss Jestany Ellis has returned from Austin, where she attended the University of Texas summer normal.

Quite a crowd from Haskell took in the Confederate Reunion near Stamford this week.

Sam Pierson was in from his farm south of town Wednesday purchasing supplies. He says that he has been kept busy this summer pulling wagons and buggies out of mud holes on the road near his place. He says some of those who have been stuck in the mud have threatened to prosecute the road overseer.

J. M. Barbee of Marcy was in town Tuesday looking after matters in connection with the establishment of a Farmers Union gin at Pinkerton.

Henry Free of the east side was in town the first of the week getting lumber to build a new granary.

County Attorney J. E. Wilfong, who mixes law with farming, is building a new barn on his place west of town to accommodate his big crop.

Croom Riddle of Aspermont was in Haskell on business this week.

Meat Demonstrator Outlines Year's Work At Blue Bonnet H-D

Mrs. John Wendeborn, family meat demonstrator for the Blue Bonnet H-D club, described her year's work to the county extension agents last week.

Miss Thelma Wirgers, county home demonstration agent, and Miss Etile Musil, assistant county home demonstration agent in training, visited Mrs. Wendeborn and saw the results of her year's work. She had a beef killed and put into her home freezer. Mrs. Wendeborn supervised the cutting and packaging of her meat so she would have it as she wanted it. She put paper between the pieces of meat so the packages would be more easily divided. It takes time to do this supervision, but Mrs. Wendeborn found that it saves time and effort in the long run. The meat is not easier to use, but it was cut into the sizes she wanted.

Mrs. Wendeborn also had her meat as well as other frozen foods packaged into moisture, vapor proof containers.

Another part of her work is the organization of recipe file. She has purchased the file and will have all her recipes organized and written on recipe cards before November.

In November, Mrs. Wendeborn will show her recipe file and give a report of her year's work to the Blue Bonnet Club. This will be part of the program for the annual achievement day, where the club reviews the accomplishments of the past year.

B&PW Club Adopts By-Laws, to Elect Officers Aug. 16

Haskell's recently organized Business and Professional Women's Club held its second meeting Tuesday evening at 7:30 in the banquet room of the Texas Cafe. Mrs. Ozella Frierson, secretary, presided in the absence of the chairman, Artie Mae Burkett.

Reports were given on dues, membership, and by-laws by the chairmen of the three committees, Ruby Smith, Robbie Pitman and Opal Nanny.

The by-laws were adopted and signed by everyone present, thereby making each one a charter member of the local organization.

The Abilene B&PW chapter invited the local group to have a representative at a planning meeting for District Conference at Brownwood. This meeting will be at the Wooten Hotel at 1 p. m. Sunday.

A nominating committee composed of Ramia Lee Frazier, Ruby Smith and Opal Dotson was instructed to prepare a slate of officers to be presented at the next meeting.

Edna Mae Lyles extended an invitation to the group to meet in her home at 1307 Ave. H at 7:30 on the evening of Aug. 16. All members are urged to attend for the election of officers.

Mrs. W. D. Hellums Celebrated 70th Birthday Aug. 3

Mrs. W. D. Hellums, who has been ill for some time, celebrated her 70th birthday Aug. 3.

However, Mrs. Hellums is planning to attend the annual Audubon Home Coming and Gossett Reunion August 14 and 15. The Gossett family of eleven children has held their annual family reunion in Audubon since 1928.

Mrs. Hellums has always been active in church work, is a member of the Women's Society and Executive Board for more than 20 years. She is also a member of the Magazine Club, Chaplain of the Eastern Star and has served as secretary of the Ladies Auxiliary of the Rural Letter Carriers Association.

Homemaking Classes To End; Sewing Classes Available

Summer Homemaking classes will be concluded next week Aug. 15-19, Mrs. W. P. McCollum, Homemaking teacher announced this week.

All girls who took part in the summer's program will have an active week. Morning sessions from 9 until 11 will be used to hang new curtains, prepare the cottage for the fall semester and to check on reports of summer projects. A swimming party and slumber party are also planned during the week.

Approximately 25 high school girls took part in the program and have earned one-half credit by their participation.

Women of the community will be given the opportunity again this year to take a week's training in clothing construction. Especially for a more professional look in clothing. The week's work, which is to begin Aug. 22 is for any woman who is interested, and is given at no charge.

It is hoped that a good number of ladies will attend the classes from 9 until 11 for the five days.

Surprise Birthday Party Honors Mrs. J. T. Watson

A surprise birthday party honoring Mrs. J. T. Watson on her 83rd birthday was held recently in the home of Mr. and

Nothing GOES like a Chevrolet V8!

It's the new winner in stock car competition... and it's winning new, young-minded friends faster than you can say America's hottest V8.

Because of its liveliness, its looks, and because it holds the road like it loves it—which it does.

Come try it, won't you, if only for the fun of it!

NOTHING (not even the high-priced cars) HAS GOT SO MUCH TO GO WITH!

The most up-to-date V8

That's Chevrolet's "Turbo-Fire V8!" So efficient that it needs only 4 quarts of oil instead of the usual 5. Shortest stroke of any V8 in the industry. Delivers more horsepower per pound than any engine in Chevrolet's field.

Two Sizzling 6's

The most powerful 6's in Chevrolet's field—with all the advantages of Chevrolet's long leadership in valve-in-head engine design.

Powerglide, Overdrive or Synchro-Mesh

A new and finer Synchro-Mesh transmission, or, as extra-cost options, oil-smooth Powerglide automatic transmission or Touch-Down Overdrive.

New engineering advances on steering and suspension

Special ball bearings in the steering gear roll with the turn of the wheel to reduce friction. Glide-Ride front suspension rolls the bumps smooth.

RETURNS FROM ARIZONA TRIP

D. H. Perrin and party, consisting of Mrs. Ollie Freeman, Mrs. Iva Palmer, Mrs. Irene Ballard and grandson, Lou Preston Spinks of Mississippi, have just returned from an extensive trip to the Grand Canyon and Hoover Dam, Ariz.; San Francisco Bay, Calif., and up the coast through the giant Redwood Forests into Oregon and Washington. They returned through Idaho, Utah, Wyoming, Colorado and Oklahoma. Points of interest and state capitols were given particular attention throughout the twelve states.

Texas dairymen have the go ahead for putting into operation Plan B for the eradication of brucellosis. The signing of recently passed legislation by Gov. Shivers removes all obstacles to the use of the plan.

AUSTIN, Texas — That old newspaper in the attic—the one grandma saved because it contained a paragraph about grandpa's election as sergeant at arms of his lodge—could have lasting value in a permanent depository at the University of Texas.

New State Hunting, Fishing Licenses Available Sept. 1

AUSTIN—Hunting and fishing licenses for the new state fiscal year beginning Sept. 1 will be in the hands of dealers by the last week of this month, according to the chief license clerk of the Game and Fish Commission.

The licenses will be good for 12 months dating from Sept. 1 and will be distributed through approximately one thousand seven hundred license deputies, mainly sporting goods stores, hardware merchants, plus county clerks and game wardens.

The chief license clerk said approximately 410,000 fishing licenses and approximately 380,000 hunting licenses were sold last year. Individual resident fishing licenses cost \$1.65 and individual resident hunting licenses cost \$2.15.

It was noted by the chief license clerk that the number of fishing licenses issued shows an increasing trend out of proportion to the hunting license rate. Until recent years, Texas issued about the same number of each. This year about 30,000 more fishing licenses will be distributed.

Pre-School Health Check Advised For All Children

Parents, has your child had a physical examination this summer? In just a little more than a month he will be starting school and if he is in good health he will have a happier, more profitable year. It is up to you to give him a healthful send-off, says Dr. Henry Holle, Commissioner of Health.

After he has his checkup by the family doctor, be sure to take him to the family dentist. Teeth are mighty important, and decayed ones often cause a lot of trouble. They may start infection in other parts of the body. Strong, healthy teeth add attractiveness to appearance and personality.

Help your child to grow up with good teeth—see that he has a dental examination twice a year.

Sometimes children need glasses and their parents don't realize it. An examination by an eye specialist is important. A child who needs glasses, if taken to an eye physician now, will have time to get used to them before school starts.

When children are grouped together in a classroom, they expose each other to communicable diseases. Has your child been immunized against diphtheria and smallpox? Does he know he should use only his own drinking glass? Does he know he should avoid boys and girls who are victims of colds? Do you keep your child at home when he shows signs of a cold?

Plenty of exercise and recreation, the right kinds of foods daily, and 12 hours of sleep a night, are necessary for a child of elementary school age.

Get your child an appointment for a checkup today . . . the first day of school is not far away!

U. S. meat production was up for the first five months this year. Beef output was up 2 per cent, veal was up 1 percent. All meats were up 8 per cent.

Senatorial Shower Rains Gifts On Senator Johnson

Ever hear of a Senatorial shower? Senator Johnson has been the guest of honor at a shower that started the day after he was elected to the Senate...

Five inches out of the clouds of his triumph. The Senator's shower was in fact a grand affair. In every treatment given him, they say that if he continues to improve at the same rate, he can go to his Texas ranch in a few weeks...

CARD OF THANKS

A wish to express my sincere appreciation to the many friends and relatives who were present at the Senatorial shower...

Veterans News

By HERBERT RAY County Service Officer

Recently I received a letter of explanation from the Veterans Land Board concerning farm loans in the State of Texas. Since so many questions are being asked every day concerning this matter, I thought it might be a good item to publish.

The Veterans Land Board is not accepting any applications at this time as we are still in the process of closing those applications that we have on hand...

As it is the policy of the Board to accept applications on a first come first serve basis, we are not keeping a mailing list of inquiries concerning the purchase of land. We suggest that you keep in touch with your County Service Officer as to our current status and the changes in our regulations as they occur.

CARD OF THANKS

We want to express our deepest appreciation to friends and neighbors who rendered any service of kindness to our family during the going of our beloved husband and father, T. E. Mercer. We appreciate the food which was prepared and served, the flowers, visits and every comforting word and message.

TRASH DUMPING PROHIBITED BY LAW ON ALL COUNTY ROADS

The bar ditches of our roads are being used as dumps for cans, garbage and other refuse making more potholes and unsightly roads.

We are doing all we can to provide good roads at a minimum cost to you, the taxpayer, and want to solicit your cooperation in keeping them clean and free of hazard.

Road maintaining is expensive and your cooperation is much appreciated. When you dump trash in a bar ditch, we have to hire it picked up or drag it up on the road bed and your tires and endanger the lives of your family. In any case you are the loser.

SO PLEASE COOPERATE

You will be forced to take action against those who do not cooperate.

UP GOES CHRYSLER'S PRODUCTION MORE THAN 40% Here you see construction work proceeding on the new Chrysler production facilities which will add 667,000 square feet of floor space . . . including a 14-mile long continuous conveyor system, longest in the industry.

CHRYSLER'S giant expansion program brings you the greatest new car buying opportunity of the year!

Because of the unprecedented demand for its 1955 models, currently up to a new record high, Chrysler has had to undertake a Giant Plant Expansion Program. When in full production the new plant will provide a 40 per cent increase in Chrysler Windsor V-8 and New Yorker output.

Knowing that building operations would take several months, we have tried to provide enough 1955 Chrysler Windsor V-8's and New Yorkers to meet the demands of our customers through the season. This meant filling our entire year's supply right now in mid-season.

You Get Year's Widest Selection of Models and Color Combinations

Since we tried to anticipate your needs, we can show you a wide selection of

color combinations and body styles, but our supply will never again be as great as it is right now! Indications are that there just will not be enough of all models and body styles to go around.

Your present car will never be worth more in trade

Remember that fact! Right now your present car is worth more in trade than it ever will be again.

And we can allow you more for it than anybody else in town. That's not just talk. There's a good reason for it.

We Need Used Cars

When these new cars are gone, we'll be hungrier than ever for used cars. That's right—as these wonderful new Chrysler buys move out we will be

needing more and more late model used cars. That's a double reason for you to trade for a brand new Chrysler beauty right now. You have the year's finest selection of the popular 1955 Chryslers . . . and, we're in a real trading mood to get our used car stocks in shape.

Take the 100-Million-Dollar Ride Today!

If you've been holding off on buying your new 1955 Chrysler Windsor V-8 or New Yorker, if you've delayed for any reason, better act now.

Because when our present stock of new cars is gone, we can't get any more! So, come in today. Experience the thrill of the 100-Million-Dollar Ride . . . the ride all America is talking about. It will be the smartest new car buy of your life!

USED CAR BUYERS!

Knox City Farmer Harvests First Of 1955 Cotton Crop

Russell Boyd, dry-land farmer four miles west of Knox City, harvested what is recognized to be the first bale of cotton in North Texas and it was ginned in Knox City Monday.

The bale weighed 420 pounds when ginned at the Paymaster Gin in Knox City.

This harvest is considered early for this section of Texas. The average date for the first bale is around August 20.

Texas' 1955 cotton crop will total 3,900,000 bales, according to predictions made recently by the U. S. Department of Agriculture. This total is slightly under 1954's production.

The Department based its prediction on conditions as of August 1 and forecast 278 pounds per acre in Texas. Texas' cotton crop was judged 79 per cent normal on August 1.

The 1954 crop in Texas was 3,923,000 bales which is 700,000 bales above the 10-year average of 3,239,000.

The best news that orchard men have heard in a long time came recently when scientist discovered the cause of peach mosaic disease.

A tiny mite carries the disease which has done great damage to orchards in the Southwest.

Now the scientists are trying to find a spray or dust that will bring about control.

Due to a riot at Western State Penitentiary, Pittsburgh, some 200,000 Pennsylvania motorists were temporarily without 1953 license plates on the 1952 expiration date.

Billy Davis Injured In Auto Accident Near Cisco Saturday

Billy Davis, 21, son of Mr. and Mrs. A. L. Davis was injured in a two-car collision at the south edge of Cisco city limits Saturday night.

Davis, former all-district footballer for the Haskell Indians, was confined for a short time in the Graham Hospital in Cisco. He received a light concussion and head, nose and arm cuts.

William M. Hilley, 37, of Lubbock, also injured in the near-head-on crash, was dismissed from the hospital Sunday afternoon.

Lions Club Members Hear Fred Gresham At Meeting Tuesday

Members of the Haskell Lions Club heard Fred Gresham, minister of the First Christian Church, speak on the service, salesmanship, and kind of men needed to make up a good Lions Club.

Gresham used the lion, symbol of the Lions Club, to describe members as "kings" of the community as the lion is king of the forest.

He said the Lions Club was a service organization and should perform an outstanding service for their community to help it grow. Secondly, he described members as salesmen with salesmanship ability to increase membership as well as sell the town to other people or groups.

He concluded with the kind of men needed to help build the organization and community—a kind of man who is civic-minded and spiritually strong.

St. Crispin is the patron saint of shoemakers.

noon. He suffered a slight fracture of the left foot and chin cuts.

Autos driven by the two men collided after Davis had passed a truck on Highway 183 near the city limits.

Davis is a spring graduate of Cisco Junior College and plans to enter McMurry College, in Abilene, this fall.

Every football team has a strong outlook on the season at this time of year, but most prognosticators discard their predictions after the season's beginning. Albany will be a strong contender for the crown again this year, boasting the return of 3-4 of its State finalist backfield. Too, the Lions will be on the same level with Haskell, in that they also have a new head coach.

Stiles will have about three weeks in which to convert the Indians from the Wing-T to the split-T, which the new mentor plans to initiate this fall, and only three non-conference games in which to polish the Split-T. However, this should not be too difficult since there is a wide similarity between the two formations.

One other new coach, Murphy Webster, will serve under Stiles as assistant backfield coach and Junior team coach; T. O. McClung will be assistant coach and coach the "B" team; and Ray Overton, Jr., who is head basketball coach, will serve as associate football coach.

NUMBER 22

Haskell Stores Feature Bargains For "Dollar Day", Tuesday Aug. 16

Thrifty shoppers in this area will be afforded an opportunity to realize substantial savings Tuesday, August 16, when a number of Haskell stores will offer a wide variety of merchandise at special prices for August "Dollar Day."

The bargain day offering takes on added importance coming as it does within a few weeks of school opening, and will afford homemakers an opportunity to make substantial savings on school clothing and school supplies for their children.

Also, a wide range of summer and early fall merchandise items will be featured on "Dollar Day" that will add up to big savings on purchases for the family or the home.

The monthly "Dollar Day" sales event is presented by Haskell merchants as a method of inviting everyone in the Haskell trade territory to become acquainted with the complete stocks featured in local stores, and a further means of showing their appreciation for the increasing patronage being given Haskell merchants.

Many special values for "Dollar Day" are listed in the advertisements of cooperating stores in this section of The Free Press. Numerous other items at reduced prices will be found when you visit the stores.

Among the stores cooperating in presenting "Dollar Day" bargains on August 16 are:

Neely Dry Goods Store, Perkins-Timberlake Co., Jones Cox & Co., Frazier's Radio & Record Shop, C. & B. Store, Hassen's, Payne Drug Co., Lane-Felker Stores, Hattox Hardware, The Fabric Shop, Ben Franklin Store, Re-Sale Shop, Cofield Dress Shop, W. A. Lyles, Jeweler, The Personality Shoppe, White Auto Store, Sherman Floor Co., Perry Bros., Fouts Dry Goods & Variety.

Haskell Teacher Tells of Visits to Beautiful, Historic Spots in France

Madalin Hunt, teacher in Haskell Elementary School who is in Europe with a group of educators attending a series of conferences sponsored by the University of Texas, tells of many interesting points she has visited in letters to relatives and friends here.

In her most recent letter she wrote as follows:

We have spent two glorious weeks in and around Biarritz, France, and are loath to leave. Our tours have taken us first to Malmaison and Versailles. Malmaison in the little village built by Josephine, after Napoleon divorced her. It contains magnificent Empire furniture, a fine Napoleonic museum—the gold, silver and porcelain beggar description. The fabulous Palace of Versailles, begun by Louis XIII in 1629, and completed to its present day magnificence by Louis XIV in 1681, the Royal Chapel, Royal Apartments, the famous Hall of Mirrors in which the Treaty of Versailles was signed in 1819, and the beautiful gardens are indescribable.

At St. Jean de Luz we witnessed wagonloads of tuna being brought in, much of it being auctioned on the public square. Heredays is a great vineyard section, famous for its fine wines and beautiful pottery. Biarritz is a great fruit section. Our director, Mr. La Roche, has supplied us with beautiful flowers and delicious fruits of all varieties from his place.

Our visit to Lourdes is a never to be forgotten experience. You will remember from the book, "The Song of Bernadette" the Virgin Mary is said to have appeared to the 14-year-old peasant girl, Bernadette Soubirous, seventeen times. As a result she was made a Saint in 1933. The people and the priest of Lourdes have built a house for her and a chapel in memory of her. Some of the world's most beautiful mosaics can be seen here.

We witnessed the torchlight procession up the mountain and down to the grotto of the ailing pilgrims, some making the climb on their knees, others on crutches. Those who could not make the trip up the mountain were taken to the grotto on stretchers and wheel chairs for the blessing of the priests and to drink the healing water of the sacred spring. From our vantage point we counted 300 pilgrims, and there were many more.

Bastille Day was a gala day in Biarritz. The Mayor entertained our group at the station, celebrating the first run of the world's fastest train, from Bordeaux to Biarritz. This is an all-electric, all aluminum train. We had lunch on the train and heard a speech from the president of the line and our director, Dr. Umstadt.

After lunch the famous Basque band, dancers and chorus entertained in the streets. Then in the evening at the opera house, in their colorful costumes and gorgeous stage setting they interpreted some of their fabulous dances. As in Hawaii, each dance tells a story. The three favorites were the "Sword Dance" where six men hold great swords and one man dances on them; the "Wine Dance," where four people dance on filled wine glasses without spilling the wine or breaking a glass; and the lovely "Flower Dance."

Our Seminars Conferences have been most outstanding to date. We enjoyed the demonstration of students from the Lycee, and a panel of girls from Notre Dame grammar school of their work and activities. After Mr. La Roche's lecture on the "Basque People" a group of Basque singers and dancers gave interesting demonstrations.

Our trip to Pamplona, Spain, took us through the scenic Pyrene Mountains and a great agricultural section where primitive methods are still used. Plows and carts are drawn by oxen, and the donkey is the beast of burden, loaded with every conceivable commodity. Pamplona is a small city but the market place and the colossal and beautiful bull ring make this a very wealthy spot.

Our guides tell us Spain may have a civil war any day. The people are very unhappy under Franco's rule. One faction is schooling the 17-year-old son of the exiled king. With him on the throne they will be in power.

Before leaving Biarritz, our group was entertained at a very unique luncheon, by Mr. La Roche and Mr. Gustav Casanvich, a wine expert of Bordeaux who brought along 28 bottles of

wine. The six course luncheon started at 12 noon and ended at 4 p. m. Two to four different wines were served with each course. We were called "sissies" because only the native guests could partake of all the wines.

Our trip to Geneva was breathtaking. First through the Pyrene Mountains of France into the Alps of Switzerland. The River Rhone bisects Geneva, and the old and the new are joined by seven beautiful bridges. To date we have visited the International Labour Offices, International Red Cross Building, Park and Museum, Ariana, Botanical Gardens, the New Palace of the League of Nations, where sessions were held.

Our guide reported that some of the sessions were rather "heated" and Geneva papers reported nothing accomplished.

Our cruise on beautiful Lac Lemnan to Interlocken and Montreux was unequalled. From Montreux we went by bus to wonderful Chillon Castle, and then had a wonderful Alpine drive to Lucerne where the scenery and beauty are unrivaled. We have experienced our first

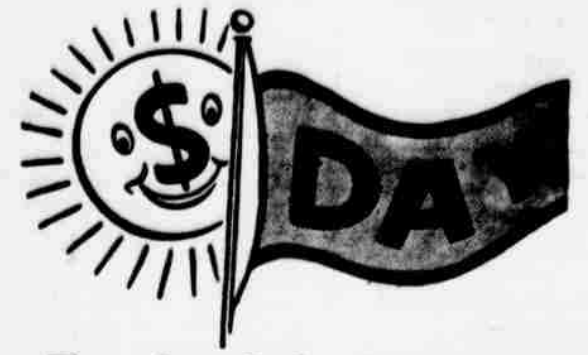

hot weather in Switzerland, at all places. A "Big Heat Wave" is the report. The President and First Lady left Geneva yesterday.

Our conferences in Geneva, International City, were held in the Library of the beautiful Woodrow Wilson Palace named and dedicated to his memory. On the magnificent plaque is presented: "What he did for the World."

This palace houses a wonderful museum and the International Institute of Education. We were privileged to see the exhibits sent by the nations of the world to the annual meeting of the Institute. We were quite proud of the USA exhibit, we thought it the best. Russia sent an exhibit this year for the first time, and we were gravely impressed to note their stress on math and science in all education and exhibits which is further warning that America must ever be on the alert.

RETURN FROM VISIT IN TACOMA, WASH.

Mr. and Mrs. John E. Fouts returned last week from Tacoma, Wash., where they spent two weeks in the home of their son, Lt. Col. John E. Fouts, Jr., and family. Lt. Col. Fouts has been ill, but is improving, the Haskell couple stated. While in Tacoma, the local people visited a number of scenic points in that area. Mr. Fouts had one suggestion to offer anyone planning to visit that region, and that is to leave their straw hats at home. "In my opinion, the weather definitely was too cool for a straw hat to be comfortable," the Haskell merchant declared.

Paint Creek . . . Community News

MABEL OVERTON

We're proud of our coach. We've been proud of him for 3 years, but it is a big feather in the Paint Creek cap, and a wonderful honor for Coach O'Neal too, that he be chosen out of 168 coaches to coach one of the teams at the 6 man football coaches school this week at Beaumont. Coach O'Neal who had only coached 11 man ball before coming to Paint Creek, brought to our 6 man game many new ideas he developed from his experience in college and professional football. When he first came here to coach, he couldn't find any books on 6 man ball, so he wrote his thesis for his Master's degree on 6 man football. Isn't that smart if one can't find a book on some subject he needs

information about, just write one. Anyway, the Paint Creek Spread became famous, and for the past two years at coaching school the Paint Creek spread has been the talk of the school.

Our best wishes to Coach this week, and our hopes that the West team wins, but win or lose, they have the best coach in 6-man ball. Coach and Mrs. O'Neal took Willie Lee Medford's car to him where he is attending a vocational agriculture meeting in Dallas. They and Willie Lee were to go on to Beaumont. Mr. Medford is Mr. O'Neal's assistant coach, Mr. and Mrs. Pat Morrison and Rudy Raughton left Friday for Beaumont. Mr. Morrison is our junior coach, and Rudy is to play on the All-State basketball team for the 6-man coaches.

Mr. and Mrs. Jess Cook and family of the Paint Creek power plant and Clara Ann Fisher returned from a three day trip to Carlsbad Cavern, and other points in West Texas and New Mexico.

Have we got the mumps? To date we've heard of these cases: tie John Paul, Larry Walton, Donnie Gren, Phyllis Middlebrooks, Rand Hise, Linda Griffith and Janice Isbell. Some little folks may not be able to start to school when it opens the last of this month.

Almie Roeing, little 4-year-old daughter of Mr. and Mrs. A. J. Roeing, Sr. of New Orleans, spent Friday evening with the Paul Fischers. She and her grandparents flew here to take her little brother, A. J. Roeing, Jr. home. He has been visiting his aunt and uncle, Mr. and Mrs. Geo. Hauser of Haskell this summer.

Rev. Penlee and some of the boys from his church were fishing at the lake last Monday afternoon and evening. They came by the school to say hello to friends just in time to enjoy our ice cream party. He preached at Paint Creek before Rev. Pinkston became pastor.

Mr. and Mrs. Lloyd Gilliland from California spent the week with home folks at Paint Creek last week.

Mr. and Mrs. Seaton Cox spent the week end with their daughter, Miss Helen Jean Cox and Mr. and Mrs. Joe Gardner and children of Dallas. They brought their grandchildren, Louise and Billy Gardner home for the week and their parents will come for them this week end. Helen Jean is bringing some girl friends from Dallas for a visit.

Mr. and Mrs. J. Howard Montgomery and son John C., his wife and baby were to leave Tuesday for an extended visit with Mrs. Montgomery's brothers Bert and Joe Dilbeck in California.

Mr. and Mrs. Earl Bishop of Floydada visited in the J. B. Kistler home last week. The Bishops were on their way to Houston to help his brother and wife celebrate their 50th wedding anniversary.

Mr. and Mrs. John (Buz) Hisey and children spent the week end with his sister, Mrs. Rueben McFarland in Longview.

Mrs. Ray Overton, Sr. entertained her husband and twin brother, Roy on their birthday August 4 with an ice cream party. The men played dominoes and the wives watched TV. Enjoying the affair were Mr. and Mrs. J. H. Montgomery, Mr. and Mrs. Gene Overton and sons, Mr. and Mrs. W. A. Montgomery, honor guests and their wives.

Mr. and Mrs. Herbert Fischer and children spent the evening Monday in the home of Mr. and Mrs. Paul Fischer and family. They enjoyed the new TV set. The young people of the Bap-

HASKELL VISITOR

Rev. Gordon Taylor, brother of the late Dr. L. F. Taylor, who is manager of Buckner's Boys Ranch near Burnett, was a recent visitor here with his niece, Mrs. W. H. Carothers and Mr. Carothers.

HERE FROM KERMIT

John H. Banks, former district attorney here who now has a law office in Kermit, Texas, was a Haskell visitor Sunday.

VACATIONING IN COLORADO

Mr. and Mrs. Kirby Kirkpatrick left Friday for Colorado, where they will spend several days vacation with relatives and friends.

R. H. (Rufus) Banks of Midland, former resident and city secretary here for a number of years, spent the week end with relatives and friends in this city.

VISIT IN SAN ANGELO

Mr. and Mrs. Otto Vaughn and son, Dolan visited their brother and sister, O. O. Vaughn in San Angelo last week end. They were accompanied by their granddaughter, Beverly Nan Vaughn of Stamford.

RETURN FROM VACATION IN NEW MEXICO

Mr. and Mrs. Al Arend have returned from a week's vacation spent in New Mexico.

Nephew of Mr. and Mrs. C. W. Marrion Tells of Missionary Work in Africa

The following is a report from Rev. Roy Cogburn who is a missionary in Africa. The Rev. Cogburn is the nephew of Mr. and Mrs. C. W. Marrion of Haskell and Mrs. A. E. Cain of Walters, Okla. Before going into foreign missionary work, Rev. Cogburn's home was in Walsh, Colo.

His letter is quoted in part: "We thank you folks for the clothing and bedding, also for the sacks. There are now eleven little girls making themselves a dress and are doing very nice for the first time.

"Dry season is here again, our gardens are finished except for the things we are watering; we are paying two little boys to water some tomatoes and cabbage. We are very busy making sundried bricks for the dispensary, maternity ward, and a house for very sick people, for the girls home training school and the boys. The bricks are made of mud and dried in the sun, they will be burned. We now have forty men working, so you know Roy isn't sitting around. The other men help too, sounds like a lot of men, but they do not work like we do at home, but we would not work so good from 7 in the morning till after 3 in the afternoon without food, and in their poor living conditions.

"We are now remodeling it (a school room) with a new coat of mud on the walls and floor. We took down the ceiling and washed it in the washing machine; how many of you can wash your ceiling in the machine?"

"The native boys love to play ball, especially with one they can kick. Sunday our boys were helping chase grasshoppers they roast and eat, say they taste

like bacon, as well as I like bacon, I'm afraid I will never know. The grasshoppers are larger, three or four times as large as the big ones we have in the states. They also eat the big flying ants, which are bigger than any I have ever seen. They are the ants which make huge ant hills.

Gallilee and Melody have fun playing together. They are getting good at carrying their dolls on their backs. They play with some of the African girls. African girls and boys do not play together, the girls are not good enough is the only reason I can see for this. I was wondering if anyone has a recipe for sponge bread or yeast you can keep over three or four days. Yeast is hard to get here, also a cake recipe that uses sour cream. We cannot use cream except in cooking. Some natives brought in honey, and after we got the bees and what not strained out of it, then it tasted very good. We also had a time sifting the unwelcome meat out of our flour this past week, but it makes pretty good bread at that.

"One of the boys working for us is now paying for his wife—250 shillings and a cow, plus working for her father when he commands. They are not allowed to see or talk to their father or mother-in-law until after they are married. He has to work a year for his wife. The men go out in the village and play the gospel records, some of the school boys usually go with them and preach. Be much in prayer for them, they are so bound by elders.

"Thanks again for your prayers and concern for us, we are praying for you."

Faithfully yours,
 Roy, Maxine, Terry and Melody Cogburn.

Myrtle Murray Completes 4H Record For District Judging

Myrtle Murray, Haskell County winner in the county home improvement award program, has completed her 4-H record for district judging.

Myrtle has worked on home improvements for the last five years. However, her major improvements came during the past 3 years. In 1953, she added curtains and a bedspread to complete the color scheme in her bedroom. In 1954 she added an unfinished bedroom suite, helped put it together and finished it. She removed a doll collection from the wall. She arranged the furniture, worked on closet storage and put dividers in the drawers to improve drawer storage. She also arranged things on top of the dresser. In 1955 she made new curtains to let in the maximum of light. She added a new wall to wall carpet. Her plans for future improvements include:

Other improvements include: 1. Adding bed lines; 2. Adding mattress protectors; 3. Improving lighting and improvements in the living room and kitchen.

Myrtle has held all club offices, has served as a junior leader and has completed other 4-H projects in clothing, food preparation, gardening, poultry, food preservation and leadership.

The district home improvement judging will be held in September.

News From Sagerton

BY MRS. DELBERT LE FEVRE

Adolph Helm celebrated his birthday Wednesday night of last week when friends and relatives gathered at his home. Present were Mr. and Mrs. Alvin Bredthauer and family, Mr. and Mrs. Albert Stremmel and family, Mr. and Mrs. August Angerman, Mr. and Mrs. Leo Monse, Mr. and Mrs. Herbert Stremmel and family, Mr. and Mrs. August Stremmel, Mr. and Mrs. Edwin Stremmel and sons, Miss Margie Lehrmann, James and Sara, Mr. and Mrs. A. C. Knipling, Mr. and Mrs. Jack Monse, Mr. and Mrs. Leland Thane, Mr. and Mrs. Otto Schaake, Mr. and Mrs. Norvell Lehrmann and Rickey, the honoree, his wife and daughter, Jeanette.

Mr. and Mrs. Reece Clark and Glenda went to Lubock last week where Glenda enrolled at Texas Tech. They also visited in Idalou with Mr. and Mrs. Dick Gibson.

Mr. and Mrs. Leon Stegemoecker went to Vernon last week end to help Mr. and Mrs. Marvin Stegemoecker move from Big Spring to Vernon where Marvin is employed with the Soil Conservation Service.

Mrs. Bill Askew of Olney visited her parents, Mr. and Mrs. A. C. Knipling and family here Sunday. Mr. and Mrs. Askew plan to move to Dallas this week where Mr. Askew is employed with an insurance company. Both have been teaching in the Olney schools.

Mr. and Mrs. Benny Romero are the parents of twin boys, Waly and Steve, born Friday, Aug. 5 at the Stamford Hospital. Both boys weighed around seven pounds.

Jerry and Carl Kainer, accompanied their uncle, Carl Fischer on a trip to Minnesota and Canada. They plan to go on a fishing and camping trip to Canada.

Robert Rossman of Victoria spent last week end as guest in the Herman Nauer home.

The Mission Builders, including Earlene Hohmann, Vida Nell Jacobs, Jim Boelker and Edward Brant, all students who have been working for the Stamford Christ Lutheran Church, conducted service at St. Paul's Lutheran Church last Sunday.

Monday evening, Aug. 15, the

man who failed to show up with his donkeys for the donkey baseball game on Aug 1 will bring them to Sagerton. The game will be between Sagerton and Ericksdahl and will be sponsored by St. Paul's Lutheran Brotherhood. On Aug. 1 the donkeys were on their way from Lawton, Okla, when the truck broke down, but this time the owner reports that his truck has been repaired and he promises to be here. Admissions will be 25 and 50 cents. All the money was refunded to a large crowd when the donkeys failed to show up.

Among those from Sagerton attending a birthday party in the home of Mr. and Mrs. Herbert Vahlenkamp for their son Marvin, were Mr. and Mrs. A. C. Knipling, Mr. and Mrs. Alvin Bredthauer and family, Margie and James and Sara Lehrmann, Mr. and Mrs. Anton Tichelman and family, Mrs. Minnie Vahlenkamp of Stamford, Mr. and Mrs. Corzine, Mr. and Mrs. Eugene Vahlenkamp of Old Glory.

Mr. and Mrs. Delbert LeFevre and children made a trip to Houston last week end accompanied by Mrs. Cliff LeFevre, Gail Crenshaw and Jean Busby who returned to their homes in Houston after visiting the LeFevres for two weeks. Mrs. Cliff LeFevre remained for a longer visit with the Crenshaws in Houston and with Mr. and Mrs. Frank McKerral in Angleton.

George Kunsey of Waco visited with Mr. and Mrs. August Angerman last Saturday night.

Jean Griffith Enters 4-H Club Record In Santa Fe Award Meet

Jean Griffith, a Haskell County 4-H club member for the past 8 years, has been selected to enter her 4-H club record in the Santa Fe award program. This award is based on general 4-H achievements. District judging will be held in September and state judging will be in October. The Santa Fe award is a trip to National 4-H Club Congress.

Jean has completed projects in food preparation, dairy food, food preservation, clothing, home management, marketing and leadership.

She has served as club president, song leader and council delegate. She is now chairman of the county council. Jean has done an outstanding job while serving as a junior leader. She has served as a leader in both her club and county.

Awards for her 4-H club work include: 1. One first place for dress revue; 2. Two 2nd place awards for dress revue; 3. Two 3rd place awards for dress revue; 4. Trip to district leadership camp in 1954; 5. County and district Food Preparation winner in 1956; 6. County and district Safety demonstration winner this year.

Jean is the daughter of Mr. and Mrs. W. B. Griffith of the Paint Creek community.

Mrs. Clayton Carpenter Makes Farm Business Desk

Mrs. Clayton Carpenter, family economics demonstrator for the Blue Bonnet H-D Club, is organizing the family business center in her home.

She is making a desk by using a night table and a wooden dinnette table that has not been in use. She plans to remove the varnish and refinish the desk to match her home furnishings. In the desk, Mrs. Carpenter plans to have a drawer which will store the family business file in upright position. Another drawer will be a place for small equipment necessary for effective business for the farm and home. She is building the desk in her mother's home where the family is taking part in the project. Mrs. John Wendeborn her mother, plans to use similar material to build a desk and file in her home.

Mrs. Carpenter plans to complete her business center in November when she will show it to the Blue Bonnet H. D. Club at Achievement Day.

She also plans to make a receipt file for better efficiency in her home.
