Junior Class To Wash Cars Sat.

Saturday has been designated as a work day for the Junior Class of Knox City High School.

As will be noted in a display ad elsewhere in this week's News, members of the class will be having a car wash and hope that many residents will respond to this money-making project.

They will be washing cars at Skiles Exxon Station, Penman Conoco, and Roddy's Car Wash from 8:00 a.m. until 4:00 p.m. Saturday. If anyone wants his car picked up and delivered, he is asked to call 658-3436, or see a Junior Class member.

Peggy Whitten

Paul Kramer, director of for those who wish to eat the Texas Forest Service, will be the principal speaker.

Guided tours will be conducted through the 70-acre center located on FM 1292, two miles north and two and a half miles west of Knox City, Thomas said. Tours will run from 8:30 a.m. to 3:00 p.m. Sandwiches will be on sale by the Knox City FFA Chapter

Band Boosters Hold Year's First Meeting

The Knox City Band Boosters met Monday night for the initial meeting of the school year. The program was presented by the most-promising seventh grade band under the direction of Kelly Glaze.

Calendar Chairman Barbara McGaughey reminded members that this is the last week of sales. Proceeds from the calendars will be used to purchase badly needed new instruments and music stands for the band. Anyone who is missed and would like to buy a calendar is asked to call her at 658-3607.

Mr. Glaze announced that the annual membership drive would begin next week. As in past years, members of the various bands will vie for the honor of obtaining the most members for Band Boosters. The winning band will be treated to a Coke party at the end of the drive.

Primary interest of the delegates at that meeting is expected to center on the election of a district committeeman. A three man race has developed and voting on that position will take place during the Monday caucus.

Candidates for the committeeman post are Lynn Darden of Wichita County, Elmer Parish of Wichita County and Charles Stenholm of Jones County Present committeeman is

L.H. (Butch) McCullough of Wichita Falls who is not seeking re-election. Mrs. James Snyder from Callahan County is the district committeewoman. She is seeking re-election and has no announced opposition.

Farabee plans to have a travel van at the convention site on Tuesday that will be utilized as a mobile headquarters. He will visit with convention delegates and alternates from Knox County. The Wichita Falls businessman and attorney plans to supply delegates with campaign materials and discuss ways to encourage voter participation in the November 5

Help Your Community HELP KNOX CITY

HOW? Just spend your money at home. Spending your dollars at home in your local stores is one of the best ways I know of to help your community and also help yourself.

HOW WILL SPENDING MY MONEY AT HOME HELP SO MUCH? Your dollars will help our local merchants make a profit. By making a profit they will be able to stay in business, increase their inventory, add an employee or two, and later possibly expand into a much larger business. The taxes from each dollar helps our local government to do more and to serve you better. Every dollar spent in Knox City helps not only the business where the purchase was made, but all businesses in the community as this dollar changes hands many times.

HOW WILL ALL THIS HELP ME? It will save you money! Our merchants pay a lot of taxes -- if they can stay in business it reduces your tax load. Perhaps your son or daughter would like to live here after he or she completes their schooling. Your dollars spent can create a job where there wasn't one before. With the profit your choice of products will become greater. There will be a nicer atmosphere in which to shop. The sales taxes your government received will pave the street in front of your house and place a street light on your corner. As our local busnesses prosper, new stores and industries will be created; we will boom and grow stronger and stronger -- all from dollars you spend at home. You can certainly help your community just by helping yourself. TRADE AT HOME

God has equiped man with strength and understanding to come through trials, troubles, heartaches, losses, and poverty. But many times when God give man more than he needs, he uses it in the wrong way or uses it selfishly, which brings unhappiness and an empty life. When all the needs or wants of man are met easily, man feels no need to call upon God, or obey His command. A great poet wrote, "And no one knows God or sees him as plain. As those who have met Him on the pathway of pain." We should remember and

obey the Scriptures; "he that is given more, more is required of him." To obey the WORD brings joy and everlasting life with Streams of blessings that we can hardly contain. Try Him.

During the Rule game Tommy Mangis twisted his ankle. Mrs. Bausch asked Tommy "What's the matter?" and the class replied. "He broke his neck." Ha! Ha! Ha!

#### PEP CLUB NEWS by Vickie Berryman

Last Friday was our first ballgame. Of course we won. The Pep Club and cheerleaders kept a lot of spirit going. We got red and blue rattlers for spirit. Each week we will be able to use them for each game

The FTA had the halls for decorations and spirit this week. And all the fans are invited to come to Rule and help the Greyhounds to a 2nd victory

#### BAND NEWS by Adrian Jones

September sixth's half-time performance at Rochester went pretty good for our first show. Friday the Band will be performing at Rule and we hope to show a great deal of improvement. All Band members would like to tell Pam Skiles that we missed her Friday night and hope she recovers from her appendectomy real soon.

#### BETA CLUB NEWS by Sarah McGaughey

The second meeting of the Knox City Beta Club was brought to order Monday night at 6:30. Projects were discussed among the thirteen members present. A clean-up drive was scheduled for the nineteenth of October.

The dues are \$7.00 with the deadline being this Friday. The next meeting is set for Monday, October third, with the clean-up drive being discussed more thoroughly.

#### HOMEMAKING I NEWS by Angle Rios

Last week FHA members went downtown after school and washed car windows as our good-will project. In Homemaking I we wrote reports on the different organizations and clubs that our school has. We learned some things about some of them that we didn't know before.

#### HOME FROM VACATION

Mr. and Mrs. Elwood Hackney returned home Sunday from a 12-day vacation trip to Red River, New Mexico.

Elwood and Bonnie enjoyed fishing and camping out, as well as sight-seeing, including a trip to the Fiesta in Santa Fe.

They reported a wonderful time with excellent fishing.

#### by Coach Jerry Lowrey Knox City Greypups open-

ed their season against the Rule Kittens at Rule last Thursday evening. The Kittens came out on top 20-6. The Greypups made many mistakes as one might expect for their first game.

The Greypups scored first on a 5 yard run by Jimmy Rushing, the run for the PAT failed. The Kittens then scored two touchdowns and one two point conversion to take a 14-6 halftime lead. The Greypups came back the second half and held the Kittens well on defense but had a costly interception which Rule ran back for a touchdown in the fourth quarter to make the score 20-6.

The Greypups have an open date this week and next week take on Windthorst on our home field for seventh and eighth grade games starting at 5:30 p.m.

by Coach Jimmy Rogers The Knox City Junior Varsity opened their season at Rule, losing by a score of 36-8. The Bobcats scored all their points the first half as the J.V's were held scoreless.

In the second half, Rule was unable to score as the Hounds produced the only score. Flint Richardson scored from the one on the last play of the game. Mike Howell added the extra point. The J.V's will play Windthorst September 19 at Knox

# **Republican Candidate Discusses** Problems

Restoring integrity to government begins right where we are." declared Mary Kirchhoff, candidate for the State Senate's 30th District. "We are the people who will be going to the polls on November 5. Let's elect to office those persons whose actions and past records demonstrate that they mean what they say."

Mrs. Kirchhoff brought her "Someone you can trust" campaign to Westbrook Tuesday, meeting with the Golden Age group of that area, and expressing appreciation to them for the heritage they have given the present generation of Northwest Texans. "It is a Christian concept that 'To whom much is given, of Him is much expected." " she pointed out. "You have given us so much; we shall try not to let you down." am about spending my own."

The wife of a farmer-cattleman and an active worker in is that of jobs -- or should I

rural Northwest Texas for the results of it -- as well as twenty years, the candidate discussed briefly some of the problems of the area. "In our District - in fact, everywhere inflation in one of the biggest problems. All of us are concerned by the inflation spiral in which we find ourselves today. We feel it everytime we go to the store. Our cattle sell for less than what it costs us to feed them, yet our retail beef prices continue to soar.

"Government over-spending is the root cause of inflation. We will have proper restraint when we elect representatives who can exercise self-control in state spending. We must be progressive -- but we must also know where the money is coming from before we vote a program. I commit myself to be as careful about spending your tax money as 1

'Another matter of concern

the response of the people to the program -- convinced me that as we develop our area in industry, training, and tourism, we shall begin to find answers to the twin problems of jobs and wages. sentative for Knox County. Almost 19 million married women have jobs outside their homes compared to 121/4 million in 1960, according to the U.S. Department of Labor. Nine out of 10 jobs are covered by social security.

Working women build socisecurity disability, survivors, retirement, and Medicare protection for themselves and their families. More married women work now than in 1960 because families are smaller and there are more jobs for women and more day care facilities for children

Monthly social security benefits can be paid to a wife on her work record even if her husband keeps working, and if a woman has worked long enough under social security and retires, becomes disab led, or dies, her children can be paid benefits on her record until they're 18--or until 22 if they're full-time students and remain unmarried.

Half of all retired women get monthly social security retirement payments on their own record, according to Beisner.

# **COMBINATION MODEL**

The above model combines the Traveling Sprinkler and the Hose Reel in one unit. The hose reel and sprinkler are in line with the pull on hose and the pull on cable; making a balanced unit.

The hose reel is powered by a gasoline engine - therefore hose may be wound up without getting tractor in the wet area.

Units are available for capacity from 250 G.P.M. to 1,000 G.P.M.
