Cogswell; Salutory; valedictory; vocal trio, "The Green Cathedral," Ellena Fayne White, Billye Bass Benedict, Marion Clonts; address; awarding of P. T. A. medals, Mrs. Joe Averitt; awarding of school medals, Supt. A. M. Whittis; presentation of diplomas, Supt. Whittis; recessional, orchestra.

PARENT-TEACHERS HELD FINAL MEETING MONDAY

The Knox City P. T. A. held its last regularly scheduled meeting of the 1937-38 school year at the high school auditorium on Monday evening, May 16, at eight o'clock with the entire evening devoted to the recognition of music.

The program was opened by several numbers by the Knox City band under the direction, Mr. Dodgen. Mrs. C. E. Cogswell led the devotional, Mrs. E. Q. Warren then took charge of the rest of the program announcing the features and giving brief comments on each. "Music in the Church" was demonstrated by the senior class of Knox City with several of the school children aiding in singing other religious songs. Rev. C. E. Cogswell gave some very convincing reasons why music has meant so much to a happy home life. Miss Frances Hicks gave a talk on "Music in the Schools" which demonstrated the history of the recognition of music by school authorities as an important school activity. Mrs. Warren summarized some of the greatest of the beloved works of world famous composers of contemporary and ancient times. To aid it was demonstrated that music is a universal language understood by every nation of every time. Of it, it has been said that it is the fourth great want of human nature being surpassed by food, shelter and clothing. The P. T. A. should feel that a better knowledge of the appreciation of music was learned by this meeting.

An announcement was made of the picnic supper of all of the P. T. A. members and their families to be at Jamison Park on May 23 at 6 o'clock. All were asked to bring their food and service but not to fail to come if six o'clock is too early.

Mr. A. M. Whittis, school superintendent, gave an interesting talk on the groups yearbook just completed and urged all to inspect it. Then he spoke a word of appreciation to the faculty and to the parents for the splendid cooperation shown by them this year. Then Mr. Whittis asked Mrs. W. E. Marr to present their president's letter and immediate past president, Mrs. Joe Averitt, with a most lovely gift as a token of appreciation for the untiring work done the past year by Mrs. Averitt. The meeting was adjourned with Mrs. Averitt making her acknowledgement of the gift and thanking the entire association for aiding her so amply during the school year.

The Knox City P. T. A. held its last business meeting of the 1937-38 school year on Wednesday afternoon, May 11. It proved to be the largest business meeting of the year with so much new and old business to transact. The Yearbook committee selected were Mrs. A. M. Whittis, Miss Frances Hicks and Mrs. Gene Clonts. Mrs. E. K. Carpenter and Mrs. W. E. Marr who served as finance and publicity chairmen last year were reappointed for the 1938-39 year.

A roundup of other general business with a decision to hold a candidate speaking campaign on the twenty third of June closed the meeting.

ABILENE VISITED BY KNOX CITY PUPILS

Seventh grade members of the Knox City school were visitors in Abilene Friday, spending time in the city and businesses of the city.

Led by Mrs. E. R. Carpenter, the 22 children inspected the Western Produce company, Coca-Cola bottling works, Reporter News, municipal airport, Abilene state hospital, McMurtry, and returned to the business district in time for the parade at 4:30. At noon, the group ate a picnic lunch at Fair Park.

Members of the class were Vaughn Gruber, Frank McAuley, Clarence Moulder, Billy Ray Brockett, Jack Vernon, Mondell Mills, Duval Wallace, Billie Joe Ball, Sam Carpenter, Emma Jean Shaver, Tomi Jane Teaff, Barbara Posey, Zella Plumlee, Alma Roberts, Louise Lewis, Juanita Adams, Earlene Darden, Billie Jean Hamner, Geneva Jackson and Winifred Walker.

Accompanying the class were Mr. and Mrs. Dick Varnell, Mrs. Finice Walker, Mrs. Ed Shaver and Mrs. S. L. Favor. — Abilene Reporter.

Mr. and Mrs. Tom Ferguson attended commencement exercises in Tullia on Monday evening. Mrs. Ferguson's youngest sister was a member of the 1938 graduating class.

Mr. and Mrs. W. F. Roberson of Vera visited Friday with their daughter Mrs. L. E. Hamm and Mr. Hamm.

J. Lyndal Hughes, county superintendent of schools, was in Knox City on Tuesday and called at the Herald office.

KNOX-BAYLOR BOY SCOUTS HELD DISTRICT MEETING HERE LAST WEEK

Our District meeting for the Boy Scouts, which is composed of Knox and Baylor counties, was held in the school auditorium Thursday night, May 12th 8:00 p. m.

The meeting was opened with a prayer by Rev. Tyson, of Truscott, Texas, after which Mrs. E. Q. Warren presented the musical program. This was a very fine program and greatly appreciated by all who were present. The Boy Scouts wish to thank Mrs. Warren and those who ably assisted her, for their interests in our meeting.

The meeting was then turned over to our district chairman, O. C. Harrison, of Seymour, Texas, who in turn asked Mr. Bob Elliott, scout executive, of Wichita Falls to make a short talk on "Scouting." This he did in an interesting manner.

During the discussion, of different problems, it was decided that this district would hold an encampment of their own as there were very few boys who would be able to attend the one to be held in Wichita Mountains. The place and exact date to be determined later but will probably be held near Seymour and more than likely in the month of July.

Mr. Harrison called for a report from Knox City and the progress we have made since our organization. This report was given by Mr. Tegarden and in commenting Mr. Harrison stated that we were doing splendidly for the short time we have been working.

The next district meeting will be held in Seymour the last Thursday in June and we need to be planning now to take all the scouts to this meeting that it is possible for us to do as it will be held in connection with the Court of Honor and our boys can get a definite idea for what they are working.

Lets all work together and help keep scouting here in Knox City. We believe our town will benefit from so doing.

Miss Bernice Champion left Wednesday for Austin, where she will take State Board Examinations for Nurses. She plans to return within the next few days.

MUNDAY SCHOOL CLOSE

Munday, May 14 — Gerald C. Mann, candidate for attorney General of Texas, was named as commencement speaker for graduation exercises of Munday high school by J. Horace Bass, superintendent of schools.

The commencement services will be held in the grade school auditorium Saturday night, May 23.

Sunday night, May 22 at the auditorium, the Rev. H. A. Lougheed, pastor of the First Methodist church of Munday will deliver the commencement sermon. Senior class night will be held Thursday night, May 21.

DIED IN FORT WORTH

Mr. and Mrs. George Hardberger were called to Ft. Worth on Tuesday of last week by the death of Mrs. Harold Banas, a niece of Mr. Hardberger's.

They remained until late Thursday before returning.

Mrs. Banks will be remembered as a sister of Mrs. O. B. King who formerly resided here while Mr. King was connected with the school system here. About three years ago while Mr. Banks was traveling for the Star-Telegram and was stationed in Lubbock on business.

O'BRIEN PUBLIC SCHOOL TO CLOSE NEXT WEEK

O'Brien, May 14. — Commencement services of O'Brien high school will be held Sunday morning, May 22, in the high school auditorium. The Rev. H. R. Whitley will preach. The program: processional, "Prelude in C Minor," Jeffe Westerman; doxology; hymn, "Onward Christian Soldiers;" scripture, the Rev. S. Stevenson; announcements, anthem, "Hark, Hark! My Soul," choir; sermon; hymn, "Guide Me, Oh Thou Great Jehovah," choir; benediction, the Rev. Sego; recessional, Floyce Reed.

The graduation exercises will be held Friday evening, May 27, at 8:15. J. C. Davis Jr., Haskell attorney, will deliver the

COOKING SCHOOL TO BE HELD AT TEXAS THEATRE TUESDAY - WEDNESDAY

All the advantages of electric cookery and the modern kitchen will be demonstrated at the cooking school scheduled in Knox City next Tuesday and Wednesday, according to Guy Glenn, local manager for the West Texas Utilities Company, sponsor of the school.

Lectures and demonstrations during the two days will be conducted by Miss Bonnie Duke, Hotpoint cooking expert from Chicago. She will be assisted by Miss Eudora Hawkins, WTU home economist, who is widely known throughout West Texas for analytic treatment of kitchen problems.

The school will be held in Texas Theatre. There will be no admission charge and women throughout the Knox city trade area have been invited to attend. Free recipes will be distributed.

"The lectures and demonstrations will be of great interest to all women, regardless of the type of cooking they now use," Glenn announced. "Miss Duke, of course, will use electric cookery because we consider it the most up-to-date method and at the same time the most economical. It is specially applicable at this time of year when flame-type cookery heats kitchens unmercifully. Women will learn that electric cookery is cool and clean beyond their fondest dreams."

Both days of the school will be featured by completely daily menus such as might be followed in the average household. Women will be asked to inspect and "pass judgment" on each dish prepared by Miss Duke.

She will use electric refrigeration, featuring Frigidaires, to demonstrate proper food preservation.

Glenn For Judge

After many solicitations from friends over the County and after serious consideration of the duties of a County Judge, I have decided to offer my self as a Candidate for that important office, hoping that, if elected, I may by my former experiences in County work be in a position to successfully handle the intricate duties of County Judge of Knox County to the extent that the expenditures of County funds may be kept within county receipts without hindering any important or necessary work or improve ment beneficial to the citizens of Knox County.

I shall endeavor to meet the voters of the county in person before the Primary, but as it may not be humanly possible to meet everyone, I wish to earnestly solicit, in this formal announcement, the support of all Knox County voters.

W. C. Bill Glenn

Mrs. Cassie Thompson returned to her home in Wichita Falls after spending from Friday until Tuesday with her parents Mr. and Mrs. H. M. Thompson and family. Her sister, Mrs. Sylvia Favors accompanied her and will spend a few days with her.

Mrs. J. B. Norris of Ceebee and Miss Adisah Morris, of Afton, visited Mr. and Mrs. Wes Marr and family and Miss Frances Hicks on last Saturday.

Sam Powers manager of the Beaver ranch at Benjamin, was in Knox City on Tuesday transacting business for the ranch.

MARTIN GETS FIVE YEARS FOR KILLING COCHRAN

Seymour, Texas, May 17. — C. L. Martin, Houston man charged with the murder of Austin Cochran, young Knox county farmer, was found guilty and given a sentence of five years in the penitentiary by a jury in Judge I. O. Newton's 50th district court this afternoon.

The case was brought here on a change of venue from King county, where a hung jury resulted in the first trial. Martin's defense was a plea of self defense.

He claimed that Cochran was trying to cut him with a knife when the homicide occurred in a tavern on the Knox-King county line last August.

The jury required almost three hours to reach a verdict after hearing the arguments of Lewis Williams, district attorney, C. C. McDonald, Wichita Falls, special prosecutor; Bill Combest, Paducah, and Mr. Pepper of Houston, defense attorneys.

Mr. and Mrs. Delmer Dodgen spent last week end in Denton.

Mrs. Hayne Blackburne, of Vera, returned home after spending a few days with her parents, Mr. and Mrs. John Stockton, east of Knox City.

Mrs. C. A. Dulaney and daughter Mrs. Henry Dobbins of Haskell and Mrs. G. W. Crittenden of Bigham, were guests this week of Mr. and Mrs. W. L. Garner.

Members of the graduating class are Dorothy Carter, Lois Elmore, James Herndon, Jack Johnston, Lila B. Oliver, Eunice Pierson, Myrtle Riggins, Myra Dell Van Noy, La Verne West.

McFARLANE CHARGES GRAFT

Two former senators received money for interfering with activities of the Department of Justice in a case at Wilmington, Del., involving the Radio Corporation of America and other large companies, Representative W. L. McFarlane of Texas charged Thursday.

Urging a house investigation to determine whether monopolies exist in the radio field, he told the Rules Committee the interference occurred six years ago while the Senators were in office.

McFarlane did not name the former Senators nor did he explain a statement that he had been considering impeachment proceedings.

Sees a Conspiracy.

"It has been my thought for some time," he said, "to present to the house certain information including data in affidavit form which conclusively proves the existence of a criminal conspiracy, which not only debauched a financial institution, persons holding high public offices and also our court officials.

In a resolution to authorize an investigation of charges that a monopoly or monopolies exist in radio broadcasting alleged to be held by the Columbia, National and Mutual Broadcasting Systems, McFarlane said: "Under a consent decree, approved by the Hoover administration and entered as an order of the Federal Court in Wilmington, Del., Nov. 21, 1932, a monopoly in radio manufacturing, sale and distribution of all radio equipment was illegally authorized and the said consent decree is also credited with defrauding the stockholders of one corporation of more than \$200,000,000."

Shows Auditor's Report.

He said if he had failed to present his information to the Rules Committee that would have permitted "those who know I possess this information to indict me for my failure to live up to my oath of office."

The Texan exhibited a report of an auditor of the RCA which he said showed RCA officials "have defrauded common stock holders to an extent of millions of dollars.

McFarlane had not concluded his testimony when the committee adjourned, subject to the call of Chairman John J. O'Connor, New York Democrat.

"RUNNING" A NEWSPAPER

"It must be interesting work running a newspaper," said a friend to the editor one day recently. "I would like to run one," he said, "and I believe I could. It must be an easy life."

Ye editor did not have the heart to rebuke the poor man's mind, because he seemed so happy over the thought that he was capable to "run a newspaper" and lead an "easy life."

Some people are that way—think the other fellow has an easy job. We do not think that running a newspaper is the hardest job on earth, but it is a tough one. If our friend undertook to "run a newspaper" he would soon find out that the newspaper would have him on the run.

Publishing a newspaper has many ups and downs—mostly downs. It is not a "bed of roses" for the roses have great long thorns in the stems that prick mighty deep

and hard sometimes. The editor usually gets more "cussing" than praise. He has got to have a tough hide and a tender heart. The cussing slips off his tough hide while the praise swells his heart with gratification—which is the lesser of the two.

The editor gets the blame for the mistakes of omission and commission. Let from opinions of most gentle readers the mistakes of commission are in the majority. The editor always tries to be fair to all alike, but sometimes he innocently blunders—then the fat's in the fire and the cussing begins.

Running a newspaper is a hard life; an easy life; a life of roses and thorns; an interesting and sometimes a repulsive life. Yes, it is a great life, if you don't weaken.

THE NEWSPAPER PROVIDES THE ADULT WITH HIS EDUCATION AND HIS INFORMATION

"How adults get most of their education and information," is the topic of an interesting discussion in an education magazine.

The wise professor who wrote the article says that the adults get most of their education and information from the newspapers.

He says that magazines, books, and lectures are also sources of some information and education—but by far, the newspapers lead the field.

The professor says that the radio gives out a little education—but it is very little.

And the professor is right.

Frequently you talk with a man who apparently is well educated. He can discuss important matters with you intelligently.

Many such persons do not have college educations or even high school educations.

Many such persons merely have read the daily newspapers and have kept up with the world about them.

Also frequently one undertakes to carry on a conversation with a person who doesn't seem to know much and quite frequently we learn that he is a college graduate, but a person who had not kept up his education by reading the daily papers.

The professor also says that the school pupils should be taught to read the editorials appearing in the papers.

Frankly we'll have to admit that some discussions which pass off as editorials are very weak, and puerile.

But the editorials in a paper are supposed to give the editor's interpretation of the events discussed.

And the suggestion is a wise one.

This democracy is safe so long as we have a free press, a press that gives the people the news, and a press which also interprets the events of the nation fairly and impartially to the people.

There is only one source of such news and such interpretation of news—and that is the daily newspaper.

THE COST OF CARELESSNESS

If you're an average American, you've one chance in thirteen of being accidentally injured or killed during 1938!

Basing their statistics on past performances, the National Safety Council this week predicted that, over nine million Americans will be temporarily disabled during the coming year by falls, fires, and the fury of auto drivers—375,000 more will be doomed to life-long pain by permanent injuries—and that 106,000 will die for their carelessness.

Ten million dead and disabled a year! That toll is greater than the annual casualty list of all nations in the World War. In four years of the rattat-tat of machine guns and the deadly silence of poison gas, a total of 37 million men were killed or injured. This was the cost of war! In four years of modern American living, 39 million Americans will meet death or injury through carelessness. That is the cost of peace!

What price does America pay for this annual jamboree of carelessness? The actual dollars and cents price-tag has been estimated at \$3,700,000,000, a total equal to half the yearly cost of the American government.

Millions of lives and dollars! Don't be careless. Watch Your Step!

Who Has The Right To Spend Your Money

LIFE INSURANCE consists of TWO THINGS: WHAT YOU PAY, AND WHAT YOU ARE PAID. If you pay more than justly needed, someone else is spending YOUR MONEY. IF YOU FAIL TO GET what you have already paid for, someone else will SPEND YOUR MONEY.

IN BUYING LIFE INSURANCE YOU SHOULD CONSIDER

1. The amounts you pay, 2. the convenience for you to pay, and 3. the time it will take to get settlement when it is needed.

THE MOMENT A POLICY HOLDER DIES THE BENEFICIARY IS DUE THE INSURANCE MONEY. If the COMPANY and the MONEY are near, and they have a reputation for paying quickly, it makes the policy worth much more to you, by virtue of you having CASH WHEN MOST NEEDED.

THE DIFFERENCE BETWEEN OUR RATES AND OTHERS

IS YOUR MONEY. You make your payments to our Company at the First National Bank in Stamford, and save postage and money order fees, which is YOUR MONEY. When a DEATH occurs, you have someone telephone us COLLECT, and we pay quickly. The saving you make by having CASH QUICKLY, will also be YOUR MONEY. You buy the necessities of life where your money buys most, so why not apply this business method to your insurance?

Call us or write us for rates, and ask ANY FUNERAL DIRECTOR WHO KNOWS, if we PAY our claims QUICKLY.

MEXICAN LABOR LEADER'S PROPHECY COMES TRUE!

PROPHET — Vincente Lombardo Toledano (right) attorney and secretary of the "Confederación de Trabajadores Mexicanos," or Confederation of Mexican Workers, prophesied before the Mexican labor syndicate's convention, that the Supreme Court would confirm the award of the Mexican Labor Board assessing millions of dollars costs against American oil companies. Toledano denounced foreign capital.

TAKING OVER!—New Mexican "Board of Directors" of the former Huasteca Petroleum Co., an American firm whose property was seized by Mexican government. The group, known as "Section Fifth," and comprised of officers and members of the labor syndicate, occupies company office (above), from which Americans have been driven, at Mexico City. Left to right: Teodoro Angulo, "president"; Carlos Reynosa, "general sales manager"; Hector Lopez, "sales manager"; Alfonso Mancarni, "general auditor"; Salvador Herrera, "sales manager"; and Manuel Leiva, "sales manager."

FINIS

Realizing full well my editorship has drawn to a close, I would like to express my deepest and most heartfelt thanks to everyone who in any way has had anything to do with the Kennel. I am very grateful to Mr. Shumaker, Mr. Whitis, each typist, each member of the staff, and any person who has helped and assisted in any way.

Really, I am quite incapable of telling you how proud and honored I have felt in this term of school. My position has been one of enjoyment and happiness. I hope this happiness has not been all mine; I hope I and my efficient staff have given you some pleasure. Words fail me and are really inadequate to tell you how very much I have enjoyed being editor to our paper.

All year we have tried to make you feel that it is your paper. I hope we have succeeded.

It is with every good wish and hope for the best that I pass this editorship to Mary Francis Reeder. A more capable, interested, and efficient editor cannot be found. I shall be anticipating big things from you, don't fail me. Without all the help I had this year, this paper could not have been made possible. So it is with deepest tender feelings for Knox City High School and its paper that I turn everything over to the new editor. I have enjoyed every bit of this work to the very fullest. I love this paper and my every hope goes with you in everything you undertake.

So it is "Goodbye" and "Adieu" but "orchids to you, Mary Francis Reeder, and your staff."

WE APPRECIATE . . .

We want to thank Editor Garner of the Knox County Herald for his generosity in letting us make that paper our paper. He has shown splendid co-operation and courtesy and we sincerely appreciate it.

Mr. Shumaker has shown genuine interest in us and our paper this year and not incognito.

We hope the fellow high school students, the faculty, and the townspeople have read and enjoyed our paper as we wanted them to. So — until you see the next edition of the "Kennel" in September — Thanks for everything.

SOPHOMORE BOYS GO FISHING SATURDAY

Immediately following the Sophomore banquet given in honor of the Sophomore class by the class mothers, a group of Sophomore boys accompanied by Superintendent A. M. Whitis and Charles Shumaker, class sponsor, embarked for Benjamin Lake on an all-night fishing trip.

The party left Knox City at 12 o'clock Saturday night and returned Sunday morning at 6 o'clock. The report was made that the boys returned was made empty handed.

Those boys that made one trip included: Bobbie Armstrong, class president; David Clarke, Paul Ed Benedict, Odell Carver, Jack Herring, L. N. Bridges, Dickie Mullins.

SCHOOL SUPERINTENDENT APPRECIATES TEAMWORK

I wish to take this means of expressing my appreciation to the patrons, student body, and friends of Knox City Public Schools, who so responsively and loyally have cooperated in

making this a successful school year. Without this harmonious teamwork, I realize no good can ever be accomplished. We must ever keep striving for progress, for improvement comes from work and plans which cannot be accomplished in one year.

I wish for each student in Knox City Public Schools a very pleasant and enjoyable summer and the much deserved rest and relaxation that come to each during vacation time.

Signed:
A. M. Whitis
Superintendent of Schools.

FACULTY PLANS FOR THE SUMMER MONTHS

The faculty of the Knox City Public Schools have their plans for the summer. One or two however have just made tentative plans. Most of the teachers are going to quit being teachers and be "taught."

Mr. A. M. Whitis, superintendent of the Knox City Schools, plans to attend Texas Technological College in Lubbock, Texas where he will continue work toward Master of Arts Degree in Supervision and administration. He plans to return to Knox City for the remainder of the summer.

Mr. D. L. Dodgen, principal of the high school, is going to attend North Texas State Teachers College in Denton.

Mr. Jack Wetzel, principal of the ward school, is going to be a member of the student body of Texas Christian University in Fort Worth, Texas where he plans to receive his Bachelor of Arts Degree at the end of the summer.

Mr. Charles Shumaker is enrolled in the graduate school of North Texas State Teachers College in Denton, Texas where he is beginning work on his advanced degree, Masters of Science, which, when received, will enable him to be a master school man. Also as a member of the Texas School Basketball Coaches Association, he plans to attend the coaching school in Denton to bring back the newer ideas, plays, and helps that will aid the local boys in the next season of basketball. He plans also to attend the speech institute at T. S. C. W. enrolling in the course in One Act Play Direction. He will return about one week before school starts.

Miss Benton will be another member of the North Texas State Teachers College student body receiving her degree in August.

Miss Cherry will get her degree from East Texas State Teachers College in Commerce about the middle of August after attending school all summer.

Miss Rice and Mrs. Baker are going to enjoy the heat in Knox City the entire summer. However, Mrs. Baker plans a two weeks vacation trip before school starts in the fall.

Mrs. Carpenter plans to return to the cotton patch with her hoe.

The rest of the faculty have not determined their final plans so withheld their information. It is assumed that Miss Reid will go to Denton to attend T. S. C. W. in Home Economics while the rest will probably remain in Knox City with periodic vacation trips elsewhere.

PLANS FOR THE SENIOR WEEK BEING WORKED ON

The Seniors have already begun to look forward to the last week of school. This is not because it is the last week that they will be called students of dear old K. C. H. S., but because they know that with this week will bring many pleasures

During the first part of the week final examinations will be in full swing. Of course everyone's expecting to pass on these examinations and we most especially hope that they are not disappointed in this part of the program.

On Thursday of the last week one of the highest peaks of the entire week is to be experienced. The Seniors will go to Crystal City on Lake Wichita to spend the day. There will be many sports, and it is known that the day will be immensely enjoyed by all of the Seniors. Some of the members of the class are taking special guests with them, and it is certain that it will be an enjoyable day. They plan to leave very early Thursday morning and stay until rather late the same night.

Friday will be spent in practicing for the Baccalaureate services to be held on Sunday.

Friday night and Saturday are left open for future plans that will help in making the week more enjoyable for the class. Sunday morning the Baccalaureate services will be held in the Auditorium with Reverend U. S. Sherrill officiating. Then on the following Monday night, May 30, the Seniors will have their graduation exercises with Dean J. Thomas Davis, President of John Tarleton Agricultural College, giving the main address.

It is hoped that all of these plans may be worked out with the splendid cooperation that is shown in the Senior class with everyone receiving the full benefit and pleasure of such an occasion as Graduation.

NOTE TO SOPHOMORE MOTHERS

We the class of 1940, wish to publicly thank those loyal mothers that so industriously and energetically planned and prepared the splendid banquet given for us in the Knox City High School Gymnasium Saturday night. You have been our stand-bys this year, standing behind us in all that we did and attempted to do. Too, you have done your best to help us have a most successful school year as well as our private one.

Signed:
The Sophomore Class

SOPHOMORES ENTERTAIN AT BANQUET

In a beautifully decorated Knox City High School Gymnasium, the mothers of the Sophomore Class entertained the class with a lovely banquet Saturday night at eight o'clock.

Guests for the evening included a few of the classes' former teachers; namely, Mrs. Brown and Mrs. Carpenter. Other guests were, besides the Sophomore Class, Mr. and Mrs. A. M. Whitis, Superintendent and wife of the Knox City Public Schools; Miss Delene Reid, high school Home Economics Teacher; Mr. and Mrs. E. Q. Warren; and Mr. Charles Shumaker, English teacher and class sponsor.

Bobbie Armstrong, president of the class, acted as toastmaster throughout the program and evening. This included a toast by Bobbie preceding the meal, a violin duet by Nella Shaver and Anita Wampler, a trio made up of L. N. Bridges, Bobbie Armstrong, and Dickie Mullins. De Alva Hammond gave a word of thanks for the evening; Annie Mae Rice looked into the future for the members of the class; a quartet composed of Dollie B. Hodges, Anita Wampler, Ernestine Teaff, and Nella Shaver sang a song; Mr. Shumaker made a few remarks followed by a talk by the Superintendent of the schools, Mr. A. M. Whitis. Bobbie Armstrong called upon the former teachers of the class for a few words and Mrs. E. Q. Warren a staunch supporter of the class. Following the program the class surprised their sponsor, Mr. Shumaker, with a lovely blue tie and shirt ensemble.

The banquet was adequately served by a group of young Freshmen sisters of the class: Jean Anne Smith, Doris Elaine Clonts and Dorothy Virginia Warren.

the band has had an enrollment of forty-four members, each of whom has done some work for the organization.

There were twenty-six students who had previously played in the band that enrolled first. Jean Ann Smith and Melvin Dutton had done work during the summer months and were ready to enroll when school started in the fall. Five high school members joined after band classes had begun. Six junior band members played with the band some this year, three to whom were eligible for the annual contest. Four majorettes made an additional front line during these last months of school. Four of the members have finished their last year with the band but thirty-three members will continue next year.

The following schedule lists most of the various events the band has participated in this year.

- October 29: Hallow'en parade and show.
 - November 11: American Legion parade in Rule 1st place.
 - November 15: Assembly program.
 - November 24: Guinea Race.
 - February 11: Merchant's Carnival and parade.
 - February 21: Annual Concert
 - March 25: County Meet
 - April 15: Community Circus and parade
 - April 21: Sunset Senior Play.
 - April 28-29-30: Annual contest (San Angelo Texas)
 - May 18: Coming Assembly program
 - May 21: Coming parade and concert in town.
- A campaign is starting now to broaden the instrumentation for next year.

TESTIMONIALS FROM THE SENIORS OF '35

They asked me to write a farewell note to K. C. H. S. I objected, because I could never say "Good bye" to Knox City High School. I will say, "So long for a while." John Byrod White.

METHODIST CHURCH

Rev. Luther Kirk, our pastor at Rochester, preached for us last Sunday afternoon at 5:00 P. M. Quite a few of those who attended the afternoon service expressed themselves as well pleased with the change of the night service to 5:00 P. M. We appreciate having Bro. Kirk's coming over and helping us last Sunday, and also having several of his members attend the service. Rev. Alvin Jones, our pastor at Sagerton and O'Brien was present in the service.

Next week, beginning May 22nd is Aldersgate week. A special Aldersgate service will be held at the church Tuesday night May 24th. Every member of the church, together with the whole family if possible, is urged to be present at this service. Two hundred years ago at a quarter to nine on that date Mr. Wesley had his experience of salvation in a conscious pardon of his sins, and an assurance of eternal life.

Schedule of Services:
Sunday School 9:45 A. M.
Preaching 11: a. m. and 5: p. m.

W. M. S. Monday 3: p. m.

Special Aldersgate Tuesday at 8: p. m.

Bible Study Wednesday at 8: p. m.

Some have asked me this week if we were not having services on Sunday nights. No. We have preaching in the afternoon at 5:00 o'clock, but none at night. Come in the afternoon and bring your family and friends.

MODERN COW THIEF RING BROKEN BY FORMER CITY MARSHAL OF KNOX CITY

By Harry Holt
Knox City, May 14—Cattle rustlers, still active in this country where once the taut lariat noose awaited them, taunt the modern arm of justice recently to add another chapter to romantic West Texas.

That modern rustlers, equipped with fast trucks and a mobile powered trailers, are harder to catch than those who rode horse-back half a century ago, long has been established. But it was not until a week ago that George T. Hardburger, local cattle dealer, realized the swiftness with which the

George T. Hardburger

boys strike. Now after five weeks of travel that carried him over 1,000 miles, he knows lots of the answers.

During that time he obtained written confessions from four members of the cattle stealing gang that has been working from here to Sweetwater on the south and Lubbock to the west. Not only did he hunt down four of the gang of seven, but he received 10 head of cattle stolen here, at Swenson, Matador and Sweetwater.

No Compensation

Ironically, Mr. Hardburger for 12 years Knox City marshal, didn't receive a penny of compensation for breaking their ring nor did he think about that when entering the case to get his cattle back. "They tell me," he said, "that I would have received \$1,200 for the work if I'd been a member of the Cattleman's association. Think I will join."

Typical of sturdy West Texas cattlemen are such deeds. They live, sleep and eat to make this a greater country and one safer for the ensuing generation. This straightforward son of the range who at 55, is more active than many men years his junior, wanted his cattle back and he wanted to rid the country of "parasites."

There was nothing out of the ordinary when he came to town the morning of March 29 and reported loss of four cattle from his pasture north of town. In a guarded and casual conversation he told of the loss and notified Sheriff Louis Cartwright at Benjamin. Then the hunt started.

But not without a little witicism.

"What made you think there would be a trace at Plainview, George?" some of the boys asked. "Well I'll tell you," said George, between breaths he massaged a hunk of tobacco and with a twinkle of sharp eyes. "Since that heifer came from a show herd down at Weatherford, I just figured she might want to go to another one. And that's why I hit for the dairy show."

To Lubbock

Once on the beat, the trail led straight to the auction sale at Lubbock. There he found 1,200 head of cattle listed for the sale and managers told him there wasn't a chance. But after several hours of inquiry, he learned a trailer load of cattle had been sold that morning that fit description of those lost. Further it was revealed they had sold either to buyers at Plainview or Clovis, N. M.

At Plainview, Hardburger found a man at Petersburg had bought all cattle going through salering. From there the trail led straight to Rotan.

But in the meanwhile, he had learned of the theft of two head from a Sweetwater feed lot. After a talk with Jack Yarbrough, special officer in Nolan county, he was on the watch-out for those two, also.

The complicated affair began to unwind at Rotan, but not without witnessing cunning acts that would have brought smiles to the hardest of early day rustlers — the burning of brands.

As the trail warmed up, the Knox City man and his partner on the trip, youthful Orval Capeheart, Knox County deputy sheriff, worked faster.

Rotan

There was stalling on the part of a Rotan dealer. He carried them to two places where he had sold cattle, but neither yielded clues. Then he remembered selling a heifer to J. C. Simpson, veteran gunman at Roby. That was a first clue and considerable time had elapsed.

Frank Terry, Fisher county sheriff, was called in on the case.

Mr. Simpson offered his assistance. And the heifer was found. But there was a startling discovery. The heifer had been branded over the Hardburger's open "A" had been nearly burned out, which is a penitentiary offense.

It was at this point that the Rotan dealer opened up and talked. He was innocent of any connections with the gang but evidently was trying to cover up something he knew to be "hot" in an effort to prevent a money loss, according to the Knox City man.

After recovering the animal enough evidence had been uncovered to satisfy Hardburger. He returned to Knox City and paid Sheriff Cartwright a visit, saying he could break the case within 24 hours.

"Okay," said the sheriff. "Anyway, I can help?"

"Yeah, I'll have to have some authority," was the reply.

"Say, you are a deputy sheriff now on," came back Cartwright.

Men were arrested at Munday, Knox City and O'Brien as the net tightened. They were placed in jail here, at Olney and Seymour and never allowed to talk with each other. Soon a written statement was obtained from each and turned over to the county attorney who will appear before the Knox county grand jury in regular session next Monday.

This is not the first case Hardburger solved.

He caught a gang of post-office robbers out of Wichita Falls 10 years ago after they had entered the local postoffice. For that deed he received about \$350 as a reward.

For the last one, he was made a deputy.

COUNTY SEWING ROOM INVITES PUBLIC TO OPEN HOUSE ON MAY 26

The Knox County Sewing Room announces that an Open House will be held Thursday, May 26. The work will be on display and visitors will be welcomed from 9 A. M. to 6 P. M. The sewing room is sponsored by Knox County Commissioner's Court and Mrs. Addie L. Layne is superintendent.

This is a worthy work being carried on by the Federal Government's W. P. A. program assisted by the Commissioner's Court, furnishing employment for women who are heads of households. They in turn make clothing that is distributed free to the needy of the county. None of this clothing goes out of the county.

At present there are 37 women employed. Since the opening of this project thousands of yards of materials, furnished by the government, have been made into clothing, consisting of work pants, overalls, shirts, and under garments for women and girls and complete baby layouts, the scraps being pieced into quilts and baby blankets.

The county furnishes our buttons, thread and other findings also the machines and equipment. The building and utilities are furnished by the City of Munday. Various individuals and merchants have contributed to this project at different times as well. The Phelps Ice Company at present is furnishing the ice for the summer. The garments are not thrown together in a makeshift manner, but are carefully supervised by trained ladies who inspect and instruct the workers, training them in the various phases of cutting, assembling and constructing of garments. One of the main objectives of this project is to train these workers in such a manner that they can go out into private employment qualified to earn a livelihood.

We want every one in the county who is interested in the welfare and betterment of our working class of people to visit this project on May 26. See it in operation and offer any suggestions of criticisms you might feel like offering us. Mrs. Layne says "We want you to know what we are doing and how our work is carried on."

STUDY CLUB CLOSES SEASON THURSDAY

The closing meeting of the Knox City Study Club was in the form of an informal social held at the First Methodist Church Thursday afternoon at three o'clock.

The church was beautifully decorated with pot plants of spring flowers.

The meeting was opened by the president of the local club, Mrs. H. L. White, who introduced the guest artist. The entire program was presented by the Harmony Club of Haskell, and was under the direction of Mrs. Tommy Hawkins, president of that club. The program consisted of a chorus arrangement, a trio, two solo numbers, a piano solo, and a reading.

Guests were recognized by Mrs. White from Benjamin Study Club and the Rochester Study Club.

Following the program, punch was served to some seventy-five members and guests.

New Skyline Trail Is Thriller

HORSES have no sense of height. And that is just as well, for the new skyline trail which has been laid out in Jasper National Park, in the heart of the Canadian Rockies, lies for three miles on the top-most edge of a ridge more than 8500 feet high. It is a mile down the valley floor from the top of the ridge and the shale slopes shoot downward from both sides of the trail at an angle of 45 degrees. On a clear day it is possible to see more than 100 miles from this spectacular trail, even down into the Columbia Icefield region, the largest glacial area south of the Arctic in North America. The illustration shows two views of the new trail.

SUNSET SENIORS ... ON PARADE

Herbert Partridge

By Fuller Shannon

On October 19, 1920, a young son was borne to Mr. and Mrs. Emmett Partridge on their farm two and one-half miles southwest of Sunset. Little did they realize that some day he would be an outstanding basketball and track star. Herbert has proved himself to be, not only a heart crusher, but also a very good athlete.

When Herbert was in the grade school, he began playing basketball on the junior squad. He played on the junior team for three years while in the grades. Herbert also played on the junior boys soft ball team for three years. Herb graduated into High School in the school year of 1934-35. While in high school, Herbert played junior basketball for two years. In his Sophomore year, he played on both the junior and the senior boy's basketball teams. He has lettered for two years on the senior basketball team and won several honors. He has been selected for several different tournaments for being the most outstanding player in the tournament. He also got an honorable mention at the State A. A. U. meet.

While in the seventh grade, Herbert ran on the track team and won high jump. As a Fish he ran high school junior track and placed in several events. As a sophomore, he began going strong. He won both the high and low hurdles for the last three years. The first year he placed in district and went to Denton. The second year, he won seventeen points in county meet, went to district and regional at Abilene. This year, Herbert went to Haskell. He won twenty-one points in the county track meet, went to the Fat Stock Show and qualified as one of the five ten in the semi-finals. He went to district, regional, and this past week-end, he went to Denton, where he really showed what he was made of. He won first in high hurdles, and second in the low hurdles, getting beaten out in the low hurdles by only two tenths of a second. We are proud to say that Herbert has closed a very successful high school track and basketball year.

Herbert is also interested in literary events. When in the se-

venth grade, he entered Arithmetic, and won second place in the county meet. This year, he was one of the three fastest typists in the county. The Senior Class has elected Herbert as the most handsome boy and also of the most representative boy of the class.

His favorites:
Color — blue
Song — "Sweet Cecilia"
Sport — All of 'em.
Girl friend — "Red Heads" — if I can.

Herbert plans to go to college, but is undecided as to where to go or what to do.

SENIOR BASKETBALL BOYS GO ON FISHING TRIP

Friday, May 6, the Senior Basket Ball Boys took their annual fishing trip. The wind was too high to catch any fish, but the boys had a swell time regardless. Those attending the trip were: Orville Strickland, Buddy Bumpas, Askelton Stogner, J. E. Hunter, Leroy Henderson, N. C. Cude, Junior Matthews, Fuller Shannon, Howard Payne Shannon, J. R. Hill, Floyd Frost, Mr. W. C. Kimbrough, Mr. Edwin Johnson, Mr. L. W. Walling, Mr. T. J. Partridge, and Wendell Partridge.

The waves were so high that it was impossible to run the trot lines regularly; but when the wind calmed enough to run the boat, several nice fish were caught. The boys' appetites must have been good, because fifteen of them managed to eat fifteen dozen eggs, three pecks of potatoes, eight pounds of jelly, and thirty loaves of bread, in addition to various other things which they had to eat. The cooks, Fuller Shannon, Buddy Bumpas, and Leroy Henderson made a big try at filling the boys but, after about the third meal gave it up. Boating was rather rough. In fact it kept two of the boys busy dipping water while the third handled the motor and drove the boat between waves. Imagine how about four of the boys felt when their motor went dead on them. Every one returned home feeling like a million dollars. The only accidents were caused from falling down hills and out of boats. Sunday morning was spent in driving around the lake in the motor boat. Everyone received the thrill of his life and they report a perfect time.

SPECIAL SENIOR EDITION OF SUNSET SCHOOL PAPER

This week the seniors are publishing the school paper as a special edition. Everyone has a part in publishing this paper. In it will appear the class prophecy, class history, class will, class poem, class song, class yell, a writeup about all the seniors, and the senior basketball fishing trip.

THE SUNSET SENIORS

As you have all seen and read about our seniors, I will now give another account of them, praising each for things done or their future plans.

First we have Buddy Bumpas. This fellow has been worth having as a classmate. Buddy has never failed to do a favor asked him. He was "doe" for the basketball boys, and also the boys' sports writer. Buddy has helped faithfully in getting our annual. And to you, Buddy, we classmates hope you have a future worth something. Coming on up the line, we run into Loveda Check. Loveda as you all know, has been one of our star basketball and volleyball players. She has, also, been very useful in all other events which have taken place. To you, Loveda, I'm sure Sunset will miss you as a basketball player. Your classmates, wish you a very happy adieu.

Lemuel Clarke is our next senior. We do not know much to say about Lemuel. He did not take part in any of the sports, but was always at the games rooting for his team. We classmates have enjoyed being in the class with you, May the future hold a fortune for you.

Our class songbird, Floyd Frost, seems to jump in front of us next. Floyd played basketball, but seemed to take no interest in any of the other sports. Music seemed to have taken up his time. Floyd, we hope you become a great radio star someday.

Frances Gray seems to be the senior to praise. She is our class president and class historian. All year round she has typed for everyone. Frances has faithfully typed the papers, each week, and is now typing stencils for the annuals. Frances is our most dependable senior. May your life be a life full of fortunate happenings.

Dorothy Gammill, our class prophet, seems to be a senior of high degree. She always wants the best. No matter where you see Dorothy she is always in a happy mood. Dorothy played basketball this year. She is business manager of the annual. Dorothy wishes to be a journalist. We hope your wish comes true.

Maurine Gammill, LaDean Groves, and Lillian Hackney are class dependables. They did not take part in sports, but like Lemuel they were rooting for the Eagles. We depended upon them for our social entertainment throughout the year. Some day, girls, you'll make some man a nice wife.

Our class reporter and class poet comes next. (We hope) He is LeRoy Henderson. LeRoy took over Floyd's place as reporter for the seniors. He has kept it going with good reports. LeRoy played basketball this year. LeRoy's class poem appears in the paper this week. LeRoy, we appreciate what you have done this year and congratulate you on being the senior with the highest average for the year. Keep up the good work.

Our most graceful and most beautiful girl in the senior class is Marguerite Jarvis. She seems to be one of the most anxious one to graduate. We do not know what she has planned for her future. But be careful what you do, Marguerite. Marguerite is a lover of ball games. We, as classmates, hope you have a good future with no more accidents.

Faye Marie Partridge, our "giggle box," seems to be a girl who loves to do things, and go places. Faye Marie is always ready to ask her folks to take some of the senior class and she is valedictorian. She, also, loves sports. She played volleyball

three years. Some day, Faye Marie, you will amount to something.

Our "one-man" track team runs up next: Herbert Partridge. All year round and, also, last year and back years, Herbert has been receiving medals in track and basketball. Sunset school will certainly miss Herbert, and so will his classmates.

Someday Herbe, we hope to see your name in headlines as a leader of the Olympics.

Fuller Shannon, most popular boy of high school, is a boy who smiles and is friendly with everyone. Fuller is a star basketball player and a lover of all sports. Fuller, I shall miss you and I'm sure your class will. Keep your chin up, Fuller, and make something of yourself.

Last but not least, "Grumpy" I mean Askelon Stogner. Even though Askelon gripes a lot we get along. He loves sports and has taken part in them. Some day Askelon will settle down in a cozy little home with a wife who can cook. We'll be around to see you then, Askelon. Good bye.

Ida Lou Walling was with us until this year when she moved. But she moved back at mid-term. We are glad to have you back, Ida Lou. We have missed you. Keep at it and you will make good someday.

You have now heard about can't praise myself because I have done nothing to be praised for. But I can say I have never enjoyed a school year so much as I have this one. My classmates have treated me nicely and so have my teachers. I shall not say good-bye because goodbye means the same as we will never meet again. But as Hawaiian say, "I'll be back to visit with you, Aloha."

Nell Nix

CLASS HISTORY

The senior class of 1938 entered Sunset High School in 1934-35.

The 1934-35 students enrolled with 32 students. The freshman year was uneventful, except for the freshman class party given at Ida Lou Walling's home. The class was sponsored by Miss Claire B. Turman. During the sophomore year, the sophs, along with their sponsor, Mr. W. C. Kimbrough, enjoyed an outshined picnic at Wild Horse creek.

The junior year was filled with events. The seniors were entertained at a Pan-American Banquet given in their honor. The class, also, presented their first play, "For Pete's Sake," directed by Mrs. R. W. Cole, Jr.

Now comes the senior year filled with events really worth mentioning. The one great thing the seniors are proud of is the sponsoring of the annual. The seniors attended Hardin Simmons Senior Day, and I think they will all remember that one great day! Mrs. Otis Cash sponsored the Seniors of 1938. The second and last play to be given by this group, "Mama's Baby Boy," was presented.

Of the 32 who entered high school in 1934-35 only 18 are graduating this year.

Frances Gray.

CLASS PROPHECY

In late August of 1950, as I, Dorothy Gammill was going from one Publishing House to another trying to sell my latest novel, "Left Alone," I walked into Gossett and Dunlap Publishing House in New York and almost lost my breath when I recognized the secretary to be none other than Inez Vernon, who graduated from Sunset High at Mid-Term in 1937-38.

Our conversation soon led back to the graduating class of '38" and we spent the afternoon telling each other what we knew of our former classmates.

Fuller Shannon had become the "play-boy" of America. Ida Lou Walling was, at the time, a blues singer over NBO network and Marguerite Jarvis was the proprietor of two large Beauty Shops in Denver, Colo-

rado, but she was at that time in Reno securing her third divorce.

LaDean Graves was married and was the owner of a large ranch in Utah, and she was also getting to be a great rodeo performer. Lillian Hackney and Loveda Cheek were instructors of Fine Arts and Athletics at Vassar.

Herbert Partridge was touring America giving lectures on "The Technique of Football," and selling his latest patent at the same time. Buddy Bumpas was studying Brain Surgery in Chicago, and Leroy Henderson had become known as "America's second Robert Taylor."

Frances Gray was a teacher of English in the University of Philadelphia; and Maurine Gammill had become known as the number 1 spring board diver of the world. Lemuel Clarke was running for Governor of Texas, and I heard later that he won the office.

Faye Marie Partridge had become an opera singer, and she was better at acting than Joan Crawford was when she was at her best.

Floyd Frost was leader of two large orchestras in New York City; and Askelon Stogner was giving lectures on "Animal Life" in the Philippine Islands.

Nell Nix married, got rich on oil, was divorced, and became "Miss America."

Inez and I felt as if the Sunset graduates of 1938 had really proved to be a successful group.

CLASS SONG

We're starting on a journey,
Our high school work is done.
Our hopes are bright, our hearts are light,
With our diplomas won.
Success seems sure to us, dear friends,
On this commencement night.
But real success for us all will mean
To tread the paths of right.
We're starting on a journey,
Our high school work is done.

It will not be the wealth we gain
While traveling on life's way.
It will not be the honors won
By us from day to day.
For true success is measured by
How much of this old world is
How much of this old world is
Blessed
By lives that we may live
We're starting on a journey,
Our high school work is done.

CLASS YELL

Make a toast for high school days,
Shout till the rafters ring.
Stand and make a toast once again,
Let every loyal senior sing.
Then sing to all those happy hours,
Sing to the careless days,
Sing to dear old Sunset High School.
The High School of hearts all ways.

Last Wednesday night one of our seniors met with an accident as you know by now it is Marguerite Jarvis. Marguerite is doing nicely, but as yet, we do not know when she will be back in school but we are hoping she will be with us to graduate. We all miss her and wish for her a speedy recovery. But take your time, Marguerite, and recover completely before you get up.

CLASS POEM

The Sunset Seniors of "38"
Have only victory in mind
They will never think of admitting defeat
They just simply aren't that kind.

There are eighteen of them and ever one
Has an ambition of his own.
Their pink and orchid flag will fly
Throughout the year to come.

They can never forget the things
That they learned this eventful year
The lesson that to fight is to win
Will be thought of with smiles and a cheer.

The elevator to success is not running
Take the stairs
Never admit defeat but place your goal
High among the stars.
Defeat is only a product of the mind
In reality there's no such thing
Even if the path to glory is long and hard
And is bitter with bruises and stings.

The harder way always assures success
This applies to the life we should live.
Everyone always has a feeling of victory
After he has given the task everything he could give.

Just keep on fighting and assure success
Never think of giving in
Just lead with your chin and

SENIOR CLASS WILL

We the Senior Class of 1938, in the usual frame of mind and with lack of judgement and long lost memories, do bequeath the following bequests to all underlying groups and persons:

To the Juniors of the Sunset High School, en masse—The right to carry on the publication of the "Eagles Echo."

To the Sophomores of Sunset High School, en masse—Our place in the study hall and our "common horse" sense.

To the "Fish" of Sunset High School, en masse—our ability to win the class tournaments.

Herbert Partridge will his athletic ability to Ralph "Push" Macbeth.

To J. E. Hunter and E. G. Parkhill, Fuller Shannon and Buddy Bumpas and Askelon Stogner will their frequent trips to Knox City.

Maurine Gammill will her vamping ability to Winters Groves.

Faye Marie Partridge and LeRoy Henderson gently but firmly will the ninth seat in the

study to Hallie Phine Clarke and Orville Strickland so that they may study, together.

Lillian Hackney wills all her surplus fat to Mary Herring.
Loveda Cheek and Ida Lou Walling will their rights to have a boy-friend in each class to Traphine Wren.

La Dean Groves and Dorothy Gammill heartily will to Louise Gray their excess amount of Chewing Gum. The same to be found stuck on the bottom of their desks in the study hall.

Frances Gray wills to Wardell Sweatt all of her serious moments, which are very many.
Lemuel Clarke wills to Junior "Shorty" Matthews about two feet of his height.

Inez Vernon wills to Mame Tankersley her job in the office.

Marguerite Jarvis wills the honor of the class's most beautiful girl to anyone that can get it.

Nell Nix wills last but not least to Nettie Griffith her athletic ability, personality, and "Gub."

Signed — Members of the Senior Class.

STRICKLAND TO LEAD EAGLES NEXT YEAR

The men that lettered the past year plus the basketball squad of next year held an election for the purpose of electing a captain for "39." Orville Strickland, one of the strongest men on the squad for the past year, was elected unanimously. He has proven his ability for several years, and we know he will do his part toward leading the Eagles in another victorious season. Mr. W. C. Kimbrough is to coach the boys through the coming season. He has proved to be tops through his years of coaching.

"THE QUICK HEAT of the new electric ranges banished an old notion that had haunted me...the ancient idea that electric cooking is slow. These new electric ranges are incredibly fast. You can feel the surge of cooking heat the instant you flip the switch. And they...

COST SO LITTLE to operate! The Keeper of the Wampum in our family practically palls when he gets our electric bill. I cook for a family of five... but from the cost you'd think I get meals for a midget. Automatic controls give me much more free time, and it's so...

WONDERFULLY CLEAN! I could take a pan right off the burner...and use it as a mirror to powder my nose! Blackened utensils, wells and curtains have gone out of my life forever. Kitchen work is much easier. I don't know how I stood it back in the dark ages before we decided to...

GO MODERN with electric cookery. Every woman who tries one of the new electric ranges will know why I fell in love with mine the day that it arrived!"

"To dear old Knox City High School, with her good teachers and loyal students. As a 1938 Senior, I must say Farewell." Gertrude Decker.

"I have thoroughly enjoyed eleven years of school work in dear old K. C. H. S. and leaving these cherished memories of school days is going to be a hard task. Farewell, K. C. H. S. I Love you." Dorothy Ruby Darden.

"I wish to express my sincere gratitude to the faculty members, to my classmates, and to my followers. I've enjoyed my work in K. C. H. S." Roy Lee Hills.

"To K. C. H. S. I owe my happiness because for eleven years it has been a part of me. A better school, a friendlier atmosphere, and a more loyal, hard working, hospitable group of students can never be found, and I am going to miss you very much, in other words, I love you K. C. H. S." Dorothy Shaver.

"It is with some hesitancy that I leave K. C. H. S. I have enjoyed real friendship in your years here, and I shall never forget it." Doyle Walker.

"To me K. C. H. S. will always be a cherished memory of all four years as being just one big blur of happiness. I love K. C. H. S. "gobs" and I hate to leave her. However, I know that my place will be well filled next year by a very competent Junior. Here's power to you, K. C. H. S." Ruth McGee.

"I am leaving school with many memories of the grand times I have had during the eleven years I have attended K. C. H. S. Farewell, and I think you are "tops."
Juanita Herring

"Hurrah, I'm graduated." James Ray Swift.

"When the many schools of Texas Catch the King of Learning's Call,

And they all stand up to an swer Knox City High School leads them all;

So when you would pay some honor To the greatest school you know,

Give three cheers for K. C. H. S. Where the Texas breezes blow!"

Billy Ness Benedict

"Classmates, the last moments of our Senior year are fast ebbing away. We have studied and planned together. Now we face this leaving hand in hand. It is a sad thought but we must face this as bravely as we have faced every painful examination, determined to "keep our chins up" and prove worthy of the red and blue."
"It seems a sadder time than I expected. The world outside

THE AWFUL PRICE YOU PAY FOR BEING NERVOUS

Quieting nerves can make you old and haggard looking, cranky and hard to live with—can keep you awake nights and rob you of good health, good times and fun.

What you should try is a particularly good woman's tonic—and would you ask for anything whose benefits are better proved than this world-famous Lydia E. Pinkham's Vegetable Compound? Let its wholesome herbs and roots help Nature calm your shrieking nerves, ting up your system, give more energy and make life worth living again.

More than a million women have reported benefit—why not let Pinkham's Compound help YOU, too, to go "snoring" trying times like it has other grateful women for the past 3 generations? IT MUST BE GOOD!

I'M KEEN FOR YOU!

Keener, longer-lasting, kind to the skin, Treet Single-edge Blades are uniformly good! 4 superb blades for 10c.
