

THE KNOX COUNTY HERALD

VOLUME 33

KNOX CITY, KNOX COUNTY, TENN. THURSDAY, OCTOBER 22, 1936

NUMBER 43

Sunset Glow

Of course everyone was filled with vim, vigor and vitality when school opened again Monday after having such long and enjoyable holidays. If everybody wasn't pepped up he did not have even a stronger determination about him. He should have after Mr. Hughes' address and the scattering remarks added by Mr. Harber.

It seems that Mr. Hughes has aged since we saw him last. The reason for this is that he ponders over such important questions as "Where does the wind go when it tops blowing?"

The number on enrollment has not been greatly affected to either more or less in high school; however, several new pupils have entered in the grades.

SENIORS

Centennial—centennial centennial oh, how long will it last! (Thirty-nine more days, to be exact), but this is all we've heard for the last half-year. However, you'll probably be hearing more about it, for the entire Senior class is going seven strong on the special train. Our sponsor Mrs. Cash, has assured us that we are going to see Shakespeare's "Hamlet", which will be presented at the Globe Theater. After having seen it, we may be able to get out of reading it.

We are very anxious for some nuisance, I mean salesman, to come around with some rings, since we decided to wait until school re-opened to order them.

We are all wondering how fit Leland Crouch will feel after the grand trip, but since he has had so very much sleep of late, we sure he will be as spry as ever. He also states that he never has a "mibe of trouble".

JUNIORS

Even though our holidays were molested with such an industrious occupation as cotton-gathering, we doffed our sacks and have taken up the old grind of studying with renewed enthusiasm flowing through every vein. (So our grades show).

Herbert started the ball rolling when he stated in History Class that the phrase GOP was the Democrat's slogan meaning "Good Old Prosperity".

SPORTS

As result of a general survey of his ball players, Mr. Kimbrough finds that only one member of his basket ball squad will be left from the Centennial trip. Therefore, for a few days, very little practice will have been obtained.

Several of the girls will be left for practice. Among them is a new student, Irene Meers, who comes from Southland Schol. She states that she has had two years of practice in grade school, so we are expecting something extraordinary from her. The girls will not play a match game for a while, reports Coach Mrs. Davenport.

To date we haven't heard from the Junior boys, but since they have always been "tops", we are sure Mr. Underwood will have a real squad and a successful year.

COMMENT

As the centennial trip is interfering, and since the Seniors compose most of the staff, it will probably be a surprise to most of the staff, including the sponsor, to find that the Sunset Glow is really written. So if any of you editors dislike anything printed, well, you just ought to be thankful that somebody got the job done.

HOSPITAL NOTES

Patients in the hospital this week are Mrs. E. P. Pruitt and infant son of Munday, Ben Simpson of Rule, Mrs. J. J. O'Brien of Roosevelt Oklahoma, Mrs. Livengood of Vera, Mrs. S. L. Favor of Knox City, Mrs. Bralley of Munday and Wesley Wright of Goree.

Mrs. R. H. Bell of Rochester, Mrs. W. L. Mitchell and infant daughter of Rochester and Mary John Cowan of Rochester were all dismissed Wednesday.

By PERCY CROSBY.

THE MAN WHO HATES LIVER AND BACON WORSE THAN ANY OTHER DISH, PRAISING HOSTESS UPON THE SAME AFTER FINISHING EVERY MORSEGG.

NICHOLSON MAKER OF HALF DOLLARS

Robert Nicholson, age about 60 years, was picked up in Knox City last week for making half dollars. He was originally from Denton Texas and known in this section as "canned heat shorty". Nicholson possessed a mold that he used in making his counterfeit half dollars. He has been making this section for three or four years, successfully disposing of counterfits. Federal authorities came from Abilene for Nicholson Thursday of last week. He confessed and plead guilty.

Alvin Hamm and Lloyd Waldrip moved Mr. and Mrs. M. D. Metts to Hobbs New Mexico the first of this week. They were accompanied home by Mrs. Fred Warren who is spending a few days with her parents, Mr. and Mrs. Press Clarke.

Mrs. H. B. Sweeney and son Mickle and Mrs. Holt Moseley spent the weekend in Fort Worth and Dallas. They had a most enjoyable time at the Centennial.

Mrs. and Mrs. M. C. Sweatt and three children of Lovington New Mexico spent a few days last week in the J. A. C. Sweatt home.

The Duke and Denson skating rink moved to Wichita Falls Tuesday. Mr. Duke stated before leaving that he enjoyed their stay in Knox City and highly complimented the young people here. The rink will be located at 17th and Holiday in Wichita Falls. Friends will receive a hearty welcome at the rink in Wichita.

Miss Lucille Williams and her mother and Mrs. Gladys Margrove moved this week to the apartment above the Citizens State Bank. This apartment was occupied last by Mr. and Mrs. O. L. Jamison.

HONORED ON 75th BIRTHDAY

Mother Gentry, mother of Mrs. S. L. White, was greatly surprised last Saturday afternoon when 60 of her most personal friends called to see her. The occasion was her 75 birthday. A clever and interesting program was given a portion of which was old songs so loved by Mrs. Gentry. After an enjoyable social hour refreshments of sandwiches, pickles, angle food cake and tea were served.

This birthday shower was arranged for by Mrs. Joe Averitt Mrs. H. L. White, and Mrs. Bob Pawitt.

Mother Gentry left Sunday for Robstown and the home of her son H. E. Gentry.

P-T-A CAMPAIGNS FOR HOLLANDS

It is evident this week that members of the Parent-Teacher Association are campaigning for Hollands Magazine subscriptions. Publishers of Hollands have offered the local Parent-Teacher Association 50 per cent of subscriptions received with an extra premium of \$10.00 if as much as \$100.00 is received. In addition to this offer, this year is the last in which Hollands Magazine will sell for 50 cents the year. Those subscribing or renewing subscriptions should take advantage of the low rate of 50 cents and secure the magazine for several years.

Members of the P-T-A will call on every woman in Knox City this week and see many men. If you subscribe for Hollands from them, you not only receive the magazine but you also are helping the Knox City P-T-A.

For every \$55.00 raised for equipment and improvement about the school building and ground, by Knox City, the W.P.A. will give \$45.00. Because of this fact it behooves Knox City people to get busy. It is to this end that members of the P-T-A are campaigning for Hollands. It is hoped that the Association will receive 200 subscriptions which will net them \$60.00. Place your subscription with a member of the P-T-A this week.

LIGHTFOOT-MIDDLETON

Miss Jewell Lightfoot of this city and S. E. Middleton of Wichita Falls were united in marriage Sunday afternoon, October 11 in Mansfield Oklahoma.

Mr. Middleton is employed by the 3 ar Bakery in Wichita where he and Mrs. Middleton will make their home. Jewell is the daughter of Mr. and Mrs. L. L. Lightfoot of this city.

Knox City friends of Jewell send her congratulations and good cheer.

MRS. S. E. MIDDLETON HONOREE AT SHOWER

Complimenting Mrs. S. E. Middleton a recent bride who was the former Miss Jewell Lightfoot, Miss Anna Lee Waddill entertained with a shower at her home Tuesday in Wichita Falls. Games were played and delicious refreshments served. Guests included a large number of Wichita friends of Mrs. Middleton.

"Young man, can I get into the park through this gate?" "Guess so, lady, I just saw a load of hay go through."

WOMAN AND HOT CHECKS CANNED

Local officers picked up a man and woman Saturday for giving hot checks. Two Knox City merchants and one Benjamin man held the checks but later had their ware returned.

The woman picked up by officers confessed to being the wife of the man giving the checks and the man picked up was with the couple. The man claims to be Thomas F. Lawrence from Oklahoma but she has not yet revealed her identity. They are being held in the Benjamin jail.

Mrs. J. A. Wilson went to Abilene Tuesday to hear Gypsy Smith preach. From Abilene Mrs. Wilson went to Baird Texas to spend a few days with Reverend and Mrs. Scroggins.

Homecoming for Tech in Lubbock will be Saturday, October 24. Several from Knox City will probably attend.

Mrs. Joe Averitt, Mrs. Ben Farmer and Mrs. S. L. White attended the Style Show of hand knit dresses from the Lyles Shop in Stamford Tuesday afternoon.

Mrs. Mae Hilbrun left Saturday for the Rio Grande Valley. She was employed at the Lawson Cafe and Mrs. Velma Gillespie daughter of Mrs. J. H. Gauthier, has taken her place.

Jim Stephens left Wednesday for Arlington Downs to operate an eating place during the races.

Mr. and Mrs. Edmund Smith are visiting his sister on the plains this week.

B. Y. P. U. VISITS RULE ORGANIZATION

Twenty members of the Senior B. Y. P. U. of this city drove to Rule Sunday evening with the intention of visiting the organization there. However, upon arriving at the church the Knox City group were invited to give the program, which they did.

Following the program Knox City challenged Rule for a B. Y. P. U. contest, the purpose of which is to receive new members and to attain a standard of excellence, to become an A-1 B. Y. P. U. the challenge was accepted and now both organizations are hard at work. The losing group is to entertain the winning group. It will be great fun for all. Get in the B. Y. P. U. group next Sunday evening at the Baptist church.

New Interest Stirs for Munday Road

New interests stirs citizens of both Munday and Knox City for a new highway joining the two towns. A full meeting of the Chamber of Commerce was held here Tuesday with Mr. Boman of Munday, Judge Covey of Benjamin, Mr. Dainels of Amarillo, Mr. Coker and Mr. Lewis of Quanah present.

Possibilities of help now available were discussed. Mr. Boman expressed the attitude prevalent in Munday, which is coincident with Knox City; Judge Covey outlined procedure for W.P.A. help.

C. C. president, Ancil Waldrip, is appointing a committee to meet with the Munday committee and work in conjunction with the County Judge in securing this new improved highway. The outlook for a new road is considerably brighter than at any time in the past.

Mrs. E. O. Jamison and Mrs. W. E. Clonts entertained the 42 club Tuesday night. Cut flowers, and Halloween decorations were attractively used about the Jamison home and after the games refreshments of sandwiches, pickles, pumpkin pie topped with whipped cream and coffee were served.

Ashcroft announces the sale and delivery this week of the following new Chevrolet cars: Standard town sedan to S. J. Reeves, Master sport sedan to H. D. Gammill of Sunset and a truck to H. D. Wardlaw of Munday.

Mrs. G. A. Branton, Mrs. Ben Farmer and C. W. Armstrong returned home Sunday from San Angelo where they went to attend the funeral service for Hagan Thomason. Mr. Branton remained there to assist Mrs. Thomason in various business matters. He is expected to return home soon.

Alton Fitzgerald spent two days this week in Altus Oklahoma attending a meeting of William Cameron and Company.

Mr. and Mrs. W. V. Favor spent Wednesday afternoon in Quanah with Mr. Spillers, Highway Superintendent, who is ill.

Mr. and Mrs. A. B. Reese spent two days this week in Fort Worth. His sister returned home with them for an extended visit.

Mrs. A. E. Hopson, Mrs. Hubert Hopson and Mrs. W. E. Benedict attended the Centennial last week.

Mrs. Guy Gleen and Mrs. T. E. Robbins attended the Style Show in Stamford Tuesday afternoon.

FATHER

By B. E. Bryan
Our father has gone and left us
We will miss him for evermore,
Tho it is cheerful to know he is
resting
On that beautiful golden shore.

He has worked and strived to help us
To rear his family brave,
Until God saw fit to take him
And carried him away to his grave.

Our circle had not been broken
We all loved the place called home
For he smiled and made life happy
For each one of us at home.

Father had fought the battle of life
A long and strenuous one,
But now he is resting after a task
That we know was well done.

Brothers and Sisters lets all get right
with God
Before He calls once more
And mend the circle that has been
broken
And be happy together once more.

We have one task left to do
The most important of all
That is care for our dear lovely
mother
Until God sees fit to call.

Cheer her up and care for her
We know it's a just cause
For remember she and Dad
Made our home just what it was.

BAPTIST CHURCH

With a hand of welcome bids you come.

Evening message 7:30

Subject for evening message will be "The Man Who lost His Cloak". Teachers meeting Monday evening at 7:30. This is the first meeting since the new superintendent has been in charge and he is anxious that every teacher be present.

The Lord has been good to us last few weeks in giving us 16 additions for baptism, so come with us and we will do thee good.
W. D. Green, Pastor

Rev. Green is now on the upper side of the 50th mile post of life since he had a birthday Monday, October 19th. To his surprise and undreamed of delight he and his family had seven o'clock dinner in the J. W. Hamm home. And a further surprise for the occasion was revealed when the preacher was called home for "a minute" and found his home filled with friends and his dining table laden with gifts. In sincere appreciation the preacher expressed his thanks giving God the Glory, and pledged himself in deepest love and devotion to God and all who had a part in making the day one of rejoicing for him.

OLD SHOES SENT FOR AL'S WALK

ELK CITY, OKLA. Oct. 11—When former Governor William H. Murray threatened a "season of prayer" after the renomination of President Roosevelt in June, T. H. McLemore, of Elk City farmer, sent the Sage of Yachus Creek a pair of kneed pads "to have some comfort."

Enroute to New York City Sunday was a pair of old shoes to Alfred E. Smith who "took a walk" from his party and announced he would support Governor Alf M. Landon. "Just thought you might need them on the long walk that you are taking with Alf and Herb. I have been able under Frankie and Johnnie to buy a new pair."

THIS MAD LIFE

Rushing to the office; rushing out to eat; rushing back, rushin' home, down the rushin' street; rushin' up and rushin' down, rushin' in an out. Say what's all this rushin' fur? What's it all about?

Rushin' after money, rushin' after fame, climbin', pushin' shovin'. It's a dizzy game, Steppin' on each other's heels—"Let me by!"—"Look out!" Say, what's all this rushin' fur? What's it all about?

What's the use of rushin'? Let us loaf awhile, watch 'em push, run and grab. We'll just get and smile. As they scramble down the road, gaily we will shout: "Say, what's all this rushin' fur? What's it all about?"

Bruce Campbell, Ruby Darden and H. M. Warren attended the funeral service for Mr. Keny held last week in Merkel.

Mr. and Mrs. Rutledge and son Bryan from California are visiting Mrs. J. T. Osborn and Grace.

Mr. and Mrs. C. H. Keck, Mr. and Mrs. Charley Dowding and Mr. and Mrs. Ogle Robinson visited the Style Show of Knitted garments given in Stamford Tuesday night by Miss Katherin Lyles.

IF IT WERE YOUR FUNERAL SERVICE

If the next funeral service conducted in Knox City were for you, would you like to be planted in a weed patch?

It is evident that something has been done about some of the weeds in the Odd Fellow Cemetery. Bill Griffith, through assistance of Doc Denton, has cleaned up the east and north sides of the cemetery ground but much work is yet needed to be done.

It has been suggested that a Cemetery Association be organized for the purpose of keeping the place clean and to provide a well with at least and old fashioned pump, on the ground. This is a splendid suggestion and should be carried out at an early date. Organization should consist of the election of such officers as President and Secretary and Treasurer with bylaws regulating dues. If Odd Fellows of the town are not organized sufficiently to carry one, individually they might begin the movement for the organization of a Cemetery Association.

VOTE.

The greatest possession of a free people is the ballot—the right to vote. It is a defender of our liberties and a weapon against injustice.

Yet that invaluable heritage is not prized by millions of otherwise good citizens. Proof of this statement can be found in undeniable statistics. In most elections, less than half of the persons who are entitled to vote do so. It is exceptional when an election brings to the voting booths more than fifty per cent of enfranchised citizens.

One result is that public officials are elected by minorities—the vote of the majority is silent. Another, and worse result, is a lagging of interest by the people in a thing which vitally affects us all—our government.

This year, there are great issues before us. No matter where we may stand, it is our duty as well as our privilege to mark an X opposite names of our choice on the ballot. Only by doing that, can we have popular government.

In Germany the right to vote has been virtually abolished—at the last election citizens had a choice of endorsing Hitler or of leaving the ballot blank, there being no opponent. That is true of Italy, of Russia, of Greece, of a dozen other powers. And here in America, where we still have that right which preserves our freedom, half of us don't trouble to exercise it.

So—vote on November 3. Vote for Roosevelt, Landon, Lemke, Thomas whoever you believe is the best man for President. Do the same for other offices. It is your inalienable right to vote for whomever you please. And only by voting on the men and issues of the time, can that right be preserved.

HYMN TO ROOSEVELT

The Republicans are all enthused
 And they are making lots of noise
 They are trying to elect Landon
 Like a bunch of country boys.

They are getting all excited
 For they sure want to win
 They have got "Oh! Susanna"
 A-trying to sing him in.

"Oh! Susanna" is awfully pretty
 But I am sure proud to say
 She will never land Landon
 Where Roosevelt sits today.

"Oh! Susanna" is very popular
 For they sing it everywhere
 But the Democrats won't listen
 There's better things to hear.

I haven't any education
 And I am not good in election
 But Roosevelt fed the hungry
 And he saved a revolution.

They talk about the billions
 That Roosevelt threw away
 But he had to spend that money
 Or they would be hungry today.

Anyone saying he's extravagant
 Is a dirty trifling skunk
 When Roosevelt took the throttle
 The ship was almost sunk.

You will hear his opponents talk
 And tell what they could do
 But Roosevelt fought the battle
 And he surely pulled us through.

If he had not spent the money
 And have spent it in that way
 Our cities would have been
 Just a pile of debris today.

Dallas, Here We Come! Home Again, My! My!

CENTENNIAL

The most popular of all subjects at the present is unambiguously "centennial". On every corner are groups discussing the coming excursion. There are approximately one hundred and forty students going on the trip, representing Knox City schools. This trip has been said to be valued at two months "school learnin'". Besides living in the "Tent City" the study of the perpetual glory of our own State is unequaled by any text book.

There seems to be a trend toward the spectacular and glamorous connected with the journey, a new interest in the phenomena of travel has begun. The age-old spirit of adventure, thrilling and romantic, is prevalent among students and instructors also. They are assured that each will discover something exciting and unusual; storing away infinite knowledge, not only of the Lone Star State, but a broader philosophy of life in general.

So high-go and away for the Centennial!

SOCCER

The students noted with interest the arrival of a new ball in school. We were told this ball was used in a game termed "soccer". This introduced a new-old game.

The "Soccer Rule Book" is in the library, and we wish each of you to read up on the game your fathers played, and which you will be playing in the future.

We hope to have several teams organized this week, and competition begun. We also hope that soccer will partly fill the place left by the absence of a football team.

ASSEMBLY

Monday morning at 9:45 Brother Orsborn, pastor of the Methodist church, addressed the students body on the subject, "Philosophy of Life at the High School Age."

This Monday morning chapel program is one of the cycle of such addresses given to the student body. We wish to express our appreciation to the faculty for making these educational lectures possible.

SENIOR SLANTS

Friday afternoon the Senior class met to choose their class motto and class flower. The plan for an evening's entertainment was disrupted owing to the fact that so many of the members were attending the Haskell football game.

The class flower which was chosen was the larkspur. It grows profusely in the vicinity of Knox. The class motto, "Wish less, Do More", is typical of this year's Seniors!

We, too, are devoutly supporting the trip to Dallas. Here's hoping we have no end of fun and excitement.

We understand that face powder will catch a man but that it takes baking powder to hold him.

Land", Doyle Walker favored us with an "ice man" song, and then another skit was presented, representing the Junior class in a class reciting. Pictures were shown of the faculty, when small children, which proved very interesting even to the faculty. Billie Bess Benedict and Marion Clonts played "I Love oYu Truly" as a saxophone duet, and Marion played "Dinah" by request. The program closed with a series of war whoops by the pep squad.

SOPHISTICATED? SOPHOMORES

The Sophomores were out "making whoopee" last Friday night, and did they have fun? As this was the first party of the season we were determined to make the most of it. Everyone certainly did his best! Several had their cars, and the "Sophy" made short work of the scavenger hunt which was the first thing that was done. Games were played afterwards, and Hobart Dutton proved himself to be somewhat slow at the "catching on." One of the games played was "Murder", and several of the Sophomores organized their vocal chords and gave some very lovely screams. (We even believe that we have future opera stars among our girls!) Refreshments, consisting of sandwiches and punch, were served on the lawn.

To the following room mothers we wish to express our gratitude for our splendid time: Mrs. Huntsman, Mrs. F. M. Warren, Mrs. McKenny and Mrs. Herring, and to Mrs. Baker for the use of her home as the setting for the party.

FRESHMEN - FRESHENGS

Friday night, a group of freshmen attended the show, The Harvest, by Gene Stratton Porter. It has been reported that they enjoyed it extremely.

Ernesine had a letter addressed to "Doc"—by the way who is Doc Ernestine?

The Freshmen have decided to let all the mothers be class mothers. They have been divided into groups for each six-weeks.

Apparently, the Freshmen are extremely enthusiastic over the coming Centennial trip. Who wouldn't be?

THE FUTURE HOME-MAKERS CLUB

The Future Home-Makers Club was organized Wednesday October 14 and the following officers elected: President—Marilynn Edwards, Vice-President—Dorothy Shaver, Secretary—Ernestine

Mother, I can't Study - My head hurts!

AS A USUAL THING, he is "such a regular guy." He comes home from school full of pep and energy. Of course you want him that way always. But are you protecting his health and safety during the few short months of winter when he must spend his evenings indoors?

That uncomfortable "stuffy" feeling... dullness... lowered vitality... headache—these are some of nature's ways of complaining against improper heating and insufficient ventilation. These are the warning signals that America's Public Health Enemy Number One, the common cold germ, has found another fertile field in which to attack. For your health's sake and that of your loved ones do not wait for these definite signs of warning that the air indoors has become stale. Keep the air you breathe constantly purified with fresh oxygen through adequate ventilation in every room in the house.

Without oxygen man cannot live. Without oxygen, fuel cannot burn. Therefore, if your family "huddles" in

one or two rooms around an open flame heater during cold weather with the doors and windows tightly closed, you are violating all the rules of nature, good health and good heating. Sooner or later the occupants of the room and the burning fuel reduce the oxygen content to the point where the room air becomes stale. Without adequate ventilation and circulation the air indoors may become as foul and unhealthy as that of the tenement slums of large cities, even though your home may be the most beautiful in the neighborhood.

A simple and easy method of providing a constant circulation of fresh air is found by opening a window in each room slightly. Connecting doors left open between adjoining rooms when the entire house is adequately heated provide a natural circulation of pure warm air from one room to another.

Guard the health of your loved ones with adequate heat and proper ventilation of pure, warmed air in every room in the house.

Laughing Around the World

With IRVIN S. COBB

Spoken from the Soul

By IRVIN S. COBB

NICK was the grizzle-headed factotum of an assembly room in a certain Southern town. According to local gossip Nick was a sorely henpecked man. It was said that when displeased with his Aunt Effie, his mastodonic wife,

had a way of tying his hands behind him and then correcting him with a bed slat. Sometimes she corrected him so thoroughly that he limped for a week afterward.

Some ladies were decorating the assembly rooms for a wedding reception which was to follow the ceremony at the bride's home and Nick was helping them.

"So they're fixin' to have 'nother marriage, is they?" said Nick, half to himself. "Well, seems lak folks will keep on gettin' married." He fetched a soft pensive sigh under his breath.

One of the ladies overheard him. She knew something of the life Nick was said to lead in the privacy of his home. Mischief led her to speak.

"Why, Uncle Nick," she said, "you surely haven't any grudge against marriage, have you?"

"Oh, none, fur other folks," said Nick. "But, Miss May, speakin' fur myself in strictest confidence to you, I'll jes' say dis: Ef I wuzn't, I wouldn't."

ONE STAR GAS CASE
TO HIGHEST COURT

Officials of the Lone Star Gas
Company have announced that they
expect to appeal to the United States
Supreme Court from the decision of
the Texas Supreme Court denying
the company an appeal in the com-
pany's gate rate case. Attorneys for
the company will first ask for a re-
hearing and if this is denied they
plan to go to the highest tribunal
in the land, they stated.

This case involves an order of
the Texas Railroad Commission re-
ducing the city gate rate from 40
cents per thousand cubic feet to 30
cents. The company appealed from
his order to the Travis County dis-
trict court and a jury decided for the
company holding that the commission
order was unreasonable. The state
then appealed to the Court of Civil
Appeals which reversed the jury ver-
dict. The State Supreme Court was
then asked to review the case but
has declined to do so.

Officials of the company stated
they believe the jury verdict was
correct and that in order to protect
their service to customers they are
bound to go on with the case. They
also expressed the opinion that be-
cause of increasing taxation and re-
gulatory expenses and the increased
cost of doing business it is more
than ever necessary to maintain pre-
sent rates.
