

Mr. J. G. GUNN

Mr. and Mrs. Joe Withrow  
Michigan are here during relatives  
Although it is a great deal of  
snow and ice which can and prob-  
ably a great deal colder than it is  
in Knox. Mr. and Mrs. Withrow  
say the Texas weather is  
great and no severe  
than the Michigan colds.

### Old Timer Comes To Town

Folk song is an article clipped  
from the Wichita Falls Record and  
the name of the song is  
Our old friend Tom Pickett calls  
over the phone to say Mrs. M.  
and Mrs. Pickett drove to San Kin-  
ney where Tom is employed, ca-  
lled on his mother, a county com-  
missioner to visit his daughter, Mrs.  
Obson and family. They  
were the first to a new Fed.

For a stable 14 years in  
Knox, the horse problem has caused  
more horse trouble than any other  
problem. J. T. Pickett used to say  
that all had to come to Wichita  
Falls sooner or later, and the com-  
missioner found Tom on the lookout  
for a horse. One of him that he  
found was a horse on sight.  
The old man, the horse and horse  
owner almost wept as Pickett  
eyes the Tom says he could still  
find a good little pony than  
a horse.

### TO PATRONS OF THE INTER-SCHOOL LEAGUE

The regular annual Basketball  
tournament for Knox County will be  
held at Gore on Friday night and  
Saturday, February 7 and February  
8. It will be held in both senior and  
junior halls, as well as senior girls  
basketball will be decided.  
All drawings will be made after  
some games arrive at Gore on the  
nights of participation.  
Referees will be obtained from the  
cities nearby, and a fair of  
merchandise to all participants.  
We expect this to be one of the  
best tournaments yet, especially in  
senior boys contests, as there are  
several very promising teams in the  
county.

## School News

This week is another of the very important weeks in the Knox City school Exam week. It marks the conclusion of another six weeks of school after which reports of the work of the student body are made. Each child receives his report card next week and each knows just where he stands as to grade. The reports will have to work hard to show on and others will be disappointed for it is this last group who will be off by studying hard and continuing it up to date.

It is interesting to know that Knox City school has added another teacher to the faculty. Miss Viola Morgan is now one of the teachers of the Ward School known to some our readers as the primary grades. The second and third grades were too crowded for efficient work on the part of both the teachers and the pupils and in relief of the condition the school board employed another teacher. Miss Morgan was given part of the second grade pupils and part of the third grade. Miss Morgan is from Spain.

With the coming of the new year Mrs. Horace Finley resigned as teacher of English and as per request of the school board employed Mrs. Finley. From all reports it is clear that the pupils are equally as well pleased with their new English teacher as they were with Mrs. Finley. It is a known fact that Mrs. Finley was a splendid teacher and well liked by everyone, however, there is one thing is that another of that same type has stepped into the school.

It is often discouraging and a great much trouble to change teachers in the middle of a school year and Knox City is fortunate in that Mrs. Finley is carrying on the work begun by Mrs. Finley in that same successful way.

The Knox City High school won its first victory in Basket Ball for the year over Bonerton last Tuesday night in a game played at Goree. The score was 18 to 15. The team will play O'Brien at Goree Friday night. They are expecting a good crowd of boosters to be present.

The Seniors got their rings last week and as the Kennel stated "they strutted around in grand style". The rings have the mascot, the greyhound, on the top surrounded by a laurel which indicated victory. There is a Greek urn on each side, and Greek steeds and warriors.

The seniors have worked hard the past ten years to gain their present classification, but in they find the last even harder, yet more pleasant, each is beginning to realize a dream gained by eleven years of hard work so says the Kennel.

So ever onward and upward go the Knox City schools.

## When Food Sours

Lots of folks who think they have "indigestion" have only an acid condition which could be corrected in five or ten minutes. An effective anti-acid like Phillips Milk of Magnesia soon restores digestion to normal.

Phillips does away with all that sourness that distresses you for two hours after eating. What a pleasant preparation to take! And how good it is to the system! Unlike a burning dose of soda—which is but temporary relief at best—Phillips Milk of Magnesia neutralizes many times its volume in acid. Next time a hearty meal, or too rich a diet has brought on the least discomfort, try—

## EASTLAND WOMAN IS BENEFITED BY IT

ORGATONE HAS CERTAINLY HELPED ME OVER A YEAR'S TROUBLE AND I AM VERY GLAD TO SAY A GOOD WORD FOR IT.

"Orgatone has certainly helped me over a year's trouble, and I am glad to say this statement for I have been more than benefited by it," said Mrs. John Pahl, 217 South Seaman, Eastland, Texas, wife of a prominent contractor and oil man.

"I suffered from stomach trouble," she continued. "I had to be very careful of the food I ate, for fear it would disagree with me, for often times I suffered severely from indigestion. Gas formed on my stomach and I would feel full, flat, and bloated. I had a tired sluggish feeling and was tired and worn out all the time, and didn't get the proper amount of sleep, and soon my nerves would fall and feel all night long. I had a terrible case of constipation, and was continually taking some sort of strong laxative all the time."

"Orgatone was advertised so highly in the local papers, and over the radio, one day I decided to give it a trial. I have just taken one bottle and you should see me now. I am feeling better now than I have for a long time. My stomach trouble has disappeared, and my digestion is back to normal. I sleep—and every night, and all that tired, worn out feeling is gone. I seem to have more life and energy. I do not hesitate to recommend Orgatone for it has proven just the medicine for my case." Genuine Orgatone may be obtained in Knox City at the Orient Drug Store.

Would you let a physician tell you what kind of equipment you should consider for the same? You have your car repaired, but your doctor has the correct training, and the equipment for repair work.

### Old Timer Comes To Town

Following is an article clipped from the Wichita Falls Record, with the title "Old Timer Comes To Town."

Old friend Tom Pickett calls over the fence to say hello. Mr. Pickett comes from King County where Tom is employed on a ranch and is a county commissioner. He is the father, Mrs. Pickett, son and daughter. Tom made the new Fox.

Tom is 14 years old, probably caught more horse than any other stable in Texas. He used to say that he could come to Wichita Falls soon, and their coming would be the lookout of them. It was said that he could find a horse that on sight. The old days are gone and horse thieves are almost scarce as dinosaur eggs, but Tom says he would still rather have a good saddle pony than a Packard.

Although Pickett lives in King County, he is closer to Knox City than any other good city and therefore does all his business here.

He is well known here and many of our older readers will recall some of the days a spoken of by the Wichita writer.

### TO PATRONS OF THE INTER-SCHOLASTIC LEAGUE

The regular annual basketball tournament for Knox County will be held at three on Friday night and Saturday February 7 and February 8. Championships in boys' senior and junior boys, as well as senior girls basketball will be decided.

All drawings will be made when contestants arrive at Goree on the nights of participation.

Referees will be obtained from colleges nearby, thus assuring fair officiating to all participants.

We expect this to be one of the best tournaments yet, especially in senior boys contests, as there are several very promising teams in the county.

## When Food Sours

Lots of folks who think they have "indigestion" have only an acid condition which could be corrected in five or ten minutes. An effective anti-acid like Phillips Milk of Magnesia soon restores digestion to normal.

Phillips does away with all that sourness after eating. What a pleasant surprise when to take! And how good it is for the system! Unlike a burning dose of soda—which is but temporary relief at best—Phillips Milk of Magnesia neutralizes many times its volume in acid.

Next time a hearty meal, or too rich a diet has brought on the least discomfort, try—

## EASTLAND WOMAN IS BENEFITED BY IT

ORGATONE HAS CERTAINLY HELPED ME OVER A YEAR'S TROUBLE AND I AM VERY GLAD TO SAY A GOOD WORD FOR IT. SAYS OIL MAN'S WIFE.

"Orgatone has certainly helped me over a year's trouble, and I am glad to give this statement, for I have been more than benefited by it," said Mrs. John Fehi, of 1301 South Seaman, Eastland, Texas, wife of a prominent contractor and oil man. "I suffered from stomach trouble," she continued, "I had to be very careful of the food I ate, for fear it would disagree with me, for often times I suffered severely from indigestion. Gas formed on my stomach and I would feel full, puffed and bloated. I had a tired sluggish feeling and was tired and worn out all the time, and didn't get the proper amount of sleep, and some nights would roll and toss all night long. I had a terrible case of constipation, and was continually taking some sort of strong laxative all the time."

"Orgatone was advertised so highly in the local papers, and over the radio, one day I decided to give it a trial. I have just taken one bottle and you should see me now. I am feeling better now than I have for a long time. My stomach trouble has disappeared, and my digestion is back to normal. I sleep fine every night, and all that tired, worn out feeling is gone. I seem to have more life and energy. I do not hesitate to recommend Orgatone for it has proven just the medicine for my case." Genuine Orgatone may be obtained in Knox City at the Orient Drug Store.

Would you let a physician give you with inefficient equipment? You should consider the same in having your car repaired. A great Chevrolet has the correctly trained mechanics and the equipment for all repair work.

## WHO NEEDS WOOD

Here is how you can get it without money. J. W. Geen wants to have a road working and will give wood to those who need it. He wants help in clearing and grubbing a road leading from the highway to his place. There are those who are applying to the churches for help, some of the things they say they need is wood. Well, it is only right for us all to try helping ourselves. Those who need wood can spend a few days working at the business and get wood for his home use.
