

THUMBNAIL SKETCHES OF THE NEW OWNERS OF THE HERALD

R. E. HUGHES

R. E. Hughes was born at Mountain View, Oklahoma, June 10, 1910, and his entire life has practically been spent in Oklahoma. He lived at Lone Wolf for a few years, and from that time until coming to Knox City lived at Ryan, Oklahoma, where he attended school and graduated from high school. He also attended A. and M. College at Stillwater and Mergenthaler Linotype School at New Orleans, La.

We might say that he has grown up in a newspaper office, for his father, Robert Hughes, is a veteran newspaper man, who started when a boy as a "printers devil" at Gainesville, Texas, and who with Mrs. Hughes has been in the newspaper business for many years.

R. E. attained his "taste" for newspaper work while playing, when a child, with the old type cases in his father's office.

He is a member of the Baptist church and his wife is a member of the Church of Christ. They expect to take as active a part as possible in their church and all other activities of the town where they have come to make their home.

They want friends, for life in a community without friends would be very blank, and they invite you to call on them and get acquainted.

The Herald now has a telephone, and we want you to phone in your news items or send them to us. Your neighbors and friends will be glad to know when you go visiting or have social functions or have guests in your home. This includes folks in our rural communities as well as those in town. So let us have your news items, as we want to give you a good local paper. We want to know you personally and we want you to know us. Come and see us.

EQUALIZATION BOARD MEET MONDAY

The Knox City Council met Monday as an Equalization Board in the office of City Secretary J. G. Dutton, to equalize the city tax valuations for the year 1940. The Council members, E. B. Shaver, O. W. Cooney met with Mayor C. C. Hoge. The work was finished late Monday evening, and the total city valuation has not been disclosed, but it is thought it would be about the same as last year. When the total has been tabulated, The Herald will publish same.

COUNTY OFFICIALS ATTEND MEETING

Judge E. L. Covey of Benjamin, County Commissioners Ed Jones, of Goree, George Solomon, of Gilliland, and O. L. Patterson of Benjamin, were in Mineral Wells Friday, attending a convention of County Judges of Texas. They report a large attendance and many interesting talks were made by prominent officials of the state of Texas, among whom were Congressman Sam Rayburn, Congressman Garrett and Highway Commissioner Harry Hines.

TO GO TO HASKELL

The Christian Churches of this area will meet with the Haskell church next Sunday evening in a joint service. Program will be in charge of the Knox City congregation. Special music will be provided and former Co. Supt. J. Lyndal Hughes will speak on the work of hymns in the churches.

J. T. DANIEL

J. T. Daniel was born near Terrell, Kaufman county, Texas, December 21, 1893. His parents were farmers, who were born, reared, and lived in the little community of Poetry all their lives. His father died in 1936, and his mother still lives on the little farm where the family was reared.

Mr. Daniel had one brother, who died when he was two years old. He has four sisters, all living. One sister lives at Mesquite, Texas; one at Dallas; one near Roysse City, Texas, and the fourth lives near Wright City, Oklahoma.

He lived in Texas until he was 27 years of age, when he moved to Oklahoma. While in Texas he graduated from the East Texas Normal College, Commerce, Texas; the North Texas State Teachers College, Denton, Texas; he taught school for seven years in this state, having taught among other places at Chalk, near Paducah, and at Oklaunion, near Vernon.

After moving to Oklahoma, he passed the bar; graduated from Oklahoma University; taught school for five years; entered politics. He has served five terms in the House of Representatives; one time, he was Democratic Floor Leader; in 1936 he was elected Speaker of the House, serving two terms in this capacity, one term during the special session in 1936, and the other term during the regular 1937 session. Recently, he bought the Ryan Leader, a good newspaper in the fine little town of Ryan, Jefferson county, Oklahoma. For 23 years, Robert Hughes, father of R. E. Hughes ran this splendid little paper, making of it a great success. Mr. Daniel is the sole owner and editor of this paper. He owns a half interest in the Knox County Herald, but Mr. Hughes will be the active editor. Mr. Daniel will lend a hand to help him.

He is married and has four children. J. T. Jr. is a senior in Oklahoma University; Ben is a junior in the same school, and Roland and Rowena, the twins, are seniors in high school. The whole family will visit Knox City every chance possible.

GREYHOUND BAND TO PRESENT CONCERT

The Knox City High School Band are going to present a short concert Friday evening at 8 o'clock in the high school auditorium. Everyone is cordially invited to attend. Following the concert, there will be a meeting of the band parents, to decide whether or not the band will get new uniforms. Every parent is urged to attend this meeting.

The band is improving rapidly, according to Mr. Farrar, band director, and plans are being made to present a street parade in the near future.

Attend the band concert Friday night and show the band members that you appreciate their effort to give Knox City the best band in this part of the country. Mr. Farrar, the new bandmaster, wants to meet you and explain his plans for the band.

MARRIAGE LICENSE

County Clerk M. T. Chamberlain reports the following marriage license issued so far this month:

Sept. 2—J. E. Sudderth and Mildred Stone, both of Leonard, Texas.

September 12—C. A. Haveron and Hilda Miller.

when land installments and chattel payments fall due," said Howard M. Williamson, county supervisor for the Farm Security Administration, who has direction of farm debt adjustment work. "Farmers who see they are going to be unable to meet their obligations should ask the committee's help now—before delinquencies become serious and foreclosure is imminent."

"The county committee has been quite successful," the supervisor said, "in effecting extensions of time, re-amortization, scale-downs of principal and interest, and reductions in rate of interest. Each case is considered on its own merits and the matter kept confidential. Debts of more than a quarter million dollars were adjusted by FSA committees for Texas and Oklahoma farmers during last month."

"Farmers who need the committee's services, which are free, should go to the county FSA office, or to one of the committeemen, or they might appear at the next meeting," he advised.

ABILENE BOOSTERS WILL VISIT HERE

Goodwill boosters for the annual West Texas Fair, to be held in Abilene, October 2-7, a motor caravan of trippers will parade here in Knox City next Wednesday, September 27.

The visit here will be made on an all-day tour, to cities and towns south of Abilene. Four such Goodwill trips, one in each direction, are planned to boost the 51st annual edition of the West Texas Fair, gala yearly exposition. They are set on successive days next week.

Fair entertainment this year will include five afternoons of rodeo, an All-Falomino Horse Show, sponsored by the Texas Falomino Association, that will be the first of its kind in America, as shown by the map plat of said town which is record in the office of County Clerk of Knox County, Texas, and the Court finds that each of said defendants of an undivided one-half interest in and to said land and premises; or, upon the written request of said defendant or their attorney, a sufficient portion thereof to satisfy said judgment, interest, penalties and costs; subject, however, to the right of the plaintiff for a other or further taxes on against said property that not be included herein, at the right of redemption, of defendants or any person having an interest therein, to deem the said property, their interest therein, at a time within two years from date of sale in the manner provided by law, and subject any other and further right of the defendants or anyone interested therein may be titled to, under the provisions of law. Said sale to be made to satisfy the above-mentioned judgment, together with interest, penalties and costs of suit, and the proceeds of said sale to be applied to the satisfaction thereof, the remainder, if any, to be paid as the law directs.

NEW 1940 CHEVROLET TO BE INTRODUCED OCT 14th

J. M. Ashcroft of the Ashcroft Chevrolet Co., today received word that the New 1940 Chevrolet cars will be introduced locally and nationally, Saturday, October 14th.

A great deal of interest surrounds the introduction of the New Chevrolet Cars. It has been indicated that the new cars will have a NEW FULL-VISION BODY BY FISHER, and will be bigger inside as well as outside. THE NEW VACUUM POWER SHIFT, exclusive with Chevrolet, will be standard equipment on all 1940 models.

Mr. Ashcroft, who stated he was not in a position to confirm any advance information on the Chevrolet cars, expects to attend a factory conducted meeting at Dallas, Texas, in the near future at which the new cars will be shown to all Chevrolet Dealers in this region.

Ashcroft Chevrolet Co. expects a Fall upturn in new car sale, a fact indicated by the large number of advance orders placed by those who want to be sure of early delivery.

CITY MANAGER OF PAMPA VISITS HERE

Mr. and Mrs. G. O. Reeves and children of Pampa, Texas, spent the weekend with Postmaster and Mrs. J. A. Wilson. Mr. Reeves is city manager of Pampa, and they were enroute home from a visit in Mineral Wells, Texas, where Mr. Reeves attended a county judge convention in session there last week.

Miss Sadie Gabriel of Roanoke Springs is visiting her sister, Mrs. George Malouf and Mr. Malouf.

Mr. and Mrs. Anell Waldrip were Throckmorton and Seymour visitors Sunday.

as shown by the map plat of said town which is record in the office of County Clerk of Knox County, Texas, and the Court finds that each of said defendants of an undivided one-half interest in and to said land and premises; or, upon the written request of said defendant or their attorney, a sufficient portion thereof to satisfy said judgment, interest, penalties and costs; subject, however, to the right of the plaintiff for a other or further taxes on against said property that not be included herein, at the right of redemption, of defendants or any person having an interest therein, to deem the said property, their interest therein, at a time within two years from date of sale in the manner provided by law, and subject any other and further right of the defendants or anyone interested therein may be titled to, under the provisions of law. 1221 BALES GINNED

Up to 9 o'clock this Thursday morning, September 21, there had been 1221 bales of cotton ginned at the three gins in Knox City.

JOHN ELBERT SMITH HONORED BY CLASS

Fort Worth—John Elbert Smith of Knox City was elected president of the junior class at Texas Wesleyan College for 1939-40 school year at the second class meeting last week.

The forty-ninth session of the college opened Wednesday with the largest enrollment in the history of the school.

Smith is acting president of Sakkara social club and was vice president of his class last year.

He is a resident of Mulkey hall on the campus and is the son of Mr. and Mrs. J. W. Smith of Knox City.

BAPTIST WOMEN WILL MEET

The annual associational W. M. U. meeting will be held at the Baptist Church of Knox City Friday, September 22. Women from the various churches of Haskell Association will be present. The meeting begins at 10:00 A. M. At the noon hour a covered dish luncheon will be served.

MR. AND MRS. CLARKE ENTERTAIN CLUB

Members of the Tuesday Night Bridge Club were entertained on September 19, at the home of Mr. and Mrs. C. H. Clarke. Games of bridge were played and a delicious refreshment plate was served to the following: Mr. and Mrs. Thomas Ferguson, Mr. and Mrs. Fred Broach, Mr. and Mrs. Chad Wilson, Mr. and Mrs. Jack Spikes, and Mr. and Mrs. Neal Logan.

BROTHER OF MRS. DUTTON DIES IN CALIFORNIA

Word was received here last week by relatives of the death of Henry (Red) Howard of Hughston, California. Mr. Howard, a former resident of Knox City, was the father of Mrs. Frank Nance, and a brother of Mrs. J. G. Dutton. Although in ill health for the past several months, his death was unexpected. Survivors include his widow, eleven children, his mother, and several brothers and sisters. Mrs. Nance and Mrs. Dutton were unable to attend the funeral services for Mr. Howard which were held at his home in California.

THE HERALD WANTS YOUR NEWS ITEMS

When you have any visitors in your home or when you go visiting, have a party in the home or any other news item. The Herald wants you to call and tell us about it. We have installed a telephone, our number is 99, and we will appreciate the favor very much if you will let us have your news. We are going to try to give Knox City a local paper, with news about local people, and with your help we can accomplish this.

GET YOUR DRIVERS LICENSE ON TUESDAY

Highway Patrolman C. L. Russell was in Benjamin Tuesday issuing drivers license and chauffeurs license. He reports that he will be in Benjamin every Tuesday morning from 9 to 10 o'clock to issue new license or make duplicates for those who have lost their drivers license.

Patrolman Russell, whose district covers the highway from Benjamin to Wichita Falls, says that there have been very few accidents in his territory this month.

KNOX COUNTY HOSPITAL NOTES

Patients in the Knox County Hospital this week are:

Mrs. J. J. Brown, Crowell; R. W. Burton, O'Brien; Mrs. H. B. Blackburn, Vera; Mrs. Earl Owens, Munday; Baby Joyce May Richards, Vera; Mrs. Dewey Hewitt, Stamford; Baby Alberto Saenz (Mex.) Goree; Mrs. Roxie Elison, Throckmorton.

Patients dismissed from the hospital since last week:

Amos Kinnbrough, Vera; Mrs. B. L. Elliott, Seymour; E. A. Hollar, Munday; Mrs. Alvin Riddle and baby, Munday; Mrs. Joe Walker and baby, Vera; Mrs. Grady Phillips and baby, Munday; Louis Jones, Truscott; Donald Hobart, Munday.

Births: Born to Mr. and Mrs. Alvin Riddle, O'Brien, a boy, Sept. 15.

News Items: Mrs. Thomas Ferguson, Mrs. Ramia Lee Bradford, and Misses Leamon Hill and Wretha Walters were visiting in Munday on Tuesday.

The Knox County Hospital Board met Monday evening and appointed Mrs. Thomas Ferguson to temporarily fill the position as Superintendent of the Hospital, which is being vacated by Mrs. Verna Harwell. Mrs. Ferguson has been on the hospital staff for the past three and one half years. She had also done some work here before that time. We are sure that she will be quite efficient in her new position.

We sincerely regret losing Mrs. Harwell, who has been here for the past three years, but hope that she will be successful in her new position as Superintendent of Nurses and Business Manager of the Haskell County Hospital.

Mrs. Dick Cook of Benjamin was attending to business here Wednesday.

ESTABLISH COTTON MARKET IN 4 COUNTIES

Farmers in Knox, Baylot, Haskell and Stonewall counties have established a market at Munday where they can sell their cotton on the basis of its merits. Most of the farmers realize the importance of selling their cotton on the basis of its grade and staple length. They know from past experience that good quality cotton will be penalized if sold on a hog-round basis along with the inferior short staple cotton. In order to insure a highly competitive buyers market where the cotton could be sold strictly on its merits, the Munday market was set up by the one-variety communities. All farmers however, may sell cotton through the market.

A farmer committee or board of directors of 5 members has general supervision of the market. The members of the committee are: A. J. Bunts, Munday; Elgin Corothers, Rule; Sam N. Reed, O'Brien; C. W. Loe, Bomarton; and Clyde Grice, Old Glory. The manager of the Munday market is Mr. Ray Kelly who is an experienced cotton man and U. S. Government Licensed Classifier.

The market is operated on a factor or brokerage basis. That is, farmers pay the market 4 cents per bale for selling their cotton. Each bale sold through the market is graded and stapled. Bales of like quality are then grouped together and the lot is sold to the highest bidder. Checks are then written to each farmer selling cotton in the lot. These checks are then mailed to the ginner where the cotton was ginned for distribution to the farmer.

The first sale on the Munday market was held on Friday, September 8. The opinion of all farmers selling cotton was that the sale was highly successful. Full premiums for grade and staple were paid. Strict middling 1-inch cotton brought 9.41 cents per pound. Strict Middling 31-32 inch cotton brought 9.30 cents per pound, and Strict Middling 15-16 inch 9.20 cents.

Although only 80 bales were offered for sale, 9 of the largest cotton firms in Texas had buying representatives at the sale.

The second sale was held on September 11. Prices received for cotton sold were somewhat higher than those of the first sale. Strict Middling 1-inch cotton brought 9.44 cents per pound.

Farmers desiring to sell their cotton through the Munday market should instruct their ginner to deliver samples to Ray Kelly, manager of the association.

CHRISTIAN CHURCH TO HAVE PICNIC

Rev. G. C. Schurman and wife of Big Springs, who held a revival meeting in the local Christian Church during the past summer, will be in Knox City on Friday evening of this week. The church will have a picnic supper at the park at six o'clock. After the social hour about the picnic table, the group will repair to the church where a service will be held at seven-thirty. Rev. Schurman will preach and Mrs. Schurman will bring a special number in song. Friends who heard and enjoyed these people when they were among us are invited to attend this service.

METHODIST M. S. TO HAVE JOINT PROGRAM

The three circles of the Methodist Missionary Society will have a joint social and program at the Church Monday, September 25, at 3 o'clock. Several prominent speakers from this district will be here for the occasion. All ladies of the Methodist Church are urged to attend and visitors are welcome.

PAVE THE SHORTCUT TO GUTHRIE

There is no better time than now to get worthwhile public projects designated, approved and completed. The highway from here to Munday is in process of being paved. This will give Knox City and vicinity a shorter route to Fort Worth, Dallas, and other points east. We appreciate this good work, and are very anxious for it to be completed.

The logical thing for the Texas state highway department to do now is to extend this pavement on to meet U. S. Highway 82, coming from Seymour and other points east and extending on to Lubbock and points west. This will give us a shortcut to this section.

Work of this kind is not only fine for the town and for the tourist, but it gives employment at a time when crops are shorter than usual, and when the unemployed need work badly. If all Knox City commercial clubs will get behind this project, they can make their voices felt at the State Capitol. Nothing succeeds like unity of action.

WHAT'S THE MATTER WITH GERMANY?

Germany is a great nation. Her people are brave, intelligent and generous. They have developed a great civilization. But admitting all these good qualities, we say they can do some of the most astounding things of any people. Why would a highly educated, keenly intelligent people like the German nation tolerate a Hitler? He wouldn't last two days in either England or America.

Her armies are characterized by rigid discipline, daring bravery, and heroic action on the battlefield. Her sailors are as brave and daring as those of any nation on earth. But will somebody please tell us why she will commit a cowardly, dastardly trick like sinking a passenger ship loaded with helpless men, women and children? If such sinkings helped in a military way, we could understand it. But so far as anybody can tell, it does her no earthly good in a military way, and it leaves a decidedly bad impression on the rest of the civilized world. And it makes her enemies more than ever determined to whip her. Yes, you tell us why she does such tricks.

ROOSEVELT BOLT

In our opinion President Roosevelt is one of the most astute and capable statesmen of our times. So when he wrote that letter recently, threatening to bolt the ticket in 1940, unless certain things were done, we think he had a definite purpose in mind. And that purpose was to muddy the water, so that no one would know exactly what he intends to do.

In our humble opinion, he has no intention of seeking a third term at this time. He doesn't want a third term now, unless the present European war spreads, and in that event we might want him more than he would want it. But under normal conditions, we don't believe the President will seek a third term. He might want it again in 1944, but for the present we believe he has had enough. But for his own prestige, he must keep the president-makers guessing until right up to the 1940 national convention. Otherwise, he would be as dead as a doornail. And no one with the vitality of Franklin D. Roosevelt could stand that very long.

Riding the Range

By the Range Rider

This little column of ours is meant to be made up of paragraphs about most everything under the sun. It gives us a little more elbow room than the editorial columns. Here each week we can cook up a little fun, sense and nonsense.

It is all right to keep your head in the clouds, if you keep both your feet firmly on the ground.

It might surprise some people that little Davey O'Brier of T. C. U. football fame should continue to be the most popular football player in America. However, since seeing him couple the coolest, finest judgment with the most accurate passing aim imaginable in the games last season with Baylor and Carnegie Tech, we are not surprised. He is a football genius, if there ever was one.

The selection of musical numbers you like best is getting to be a popular pastime. Recently, President Roosevelt

called on to make a list, we would choose the following ten, subject to change without notice:

1. Rancho Grande
2. The Blue Danube
3. Lead Kindly Light
4. Auld Lang Syne
5. Aloha Oe
6. Anchors Aweigh
7. Beer Barrel Polka (Played by Glahe Musette Orchestra.)
8. Beautiful Texas (Played by W. Lee O'Daniel's hillbilly band.)
9. When the Bloom is on the Sage (Sung by Bing Crosby.)
10. Ol' Man River

"We went the limit in concessions," says Mr. Goering, German Air Minister. Wonder why the German people don't ask him, what concessions?

We heard of a congressman recently who said he had visited more than 50 states in the Union, and that he observed this, and that, which proves that congressmen are used to doing a lot of big talk.

E. B. Germany, Dallas, Texas, is Vice President Garner's

gave the world the ten he liked best. Now comes Deanna Durbin with her ten favorites. Her ten are:

1. Alleluja
2. The Kiss Waltz
3. The Last Rose of Summer
4. I Vow I'll Do All in My Power
5. The Girls of Cadiz
6. Day Dreams
7. Most Beloved of All
8. Country Song
9. The Blue Danube
10. At The Well

MOTOR VEHICLE LAW TO GO INTO EFFECT

Austin, Sept. 21.—Public Safety Department officials today hurried preparations to set in motion the new certificate of title act which will affect thousands of motor vehicle owners after October 1.

Ralph L. Buell, Driver's License Bureau Chief under whose supervision the new law will be administered, said forms and instructions will be mailed to tax collectors by next Monday so they may begin to receive title applications by October 1, the date the law goes into effect. At least a million certificates of title are expected to be issued in the next 12 months, he said.

It was emphasized that this act, passed by the past regular session of the legislature, applies only to motor vehicles offered for sale, purchased or encumbered with liens on and after October 1. In other words, the present owner of an automobile does not have to secure a certificate of title unless he sells his car or places an encumbrance against it—until January 1, 1942 (CQ). If a lien is placed against the vehicle before October 1, 1939 no certificate is necessary.

All motor vehicles now required to be registered will be affected by the certificate of title law whenever their ownership status is changed. Only vehicles owned by governmental agencies are exempt.

Pointing out that applications for titles must be made in the county of residence of the automobile owner and ownership definitely proved, Buell said the new law is destined to be a hard blow to automobile thieves and others who attempt sales of mortgaged vehicles. A fee of 25 cents will be charged for each original title and each reissuance. Ten cents goes to the tax collector and 15 cents to the state.

All new vehicles in the possession of dealers on September 18, 1939, will be required to have manufacturers' titles of ownership, according to the new law. Vehicles imported from other states and offered for sale in Texas will be certified through special affidavits and forms.

Whenever the owner of a motor vehicle transfers it by operation of law, as upon inheritance, devise, bequest, receivership, bankruptcy, judicial sale or any other involuntary divestiture of ownership, all official papers connected with the transaction must be attached to application for title. Foreclosure under terms of a lien must be noted by affidavits of facts, Buell said.

Tax collectors over the state will forward all title applications to Austin headquarters of the safety department where they will be investigated, filed, and titles issued. Revocation and suspension authority for certain violations of the law was given state police, however interested persons may request a hearing.

FSA GROUP MEETS TO BENEFIT DEBT- BURDENED FARMERS

Problems of farmers whose debts are beyond their ability to pay and who are unable to farm profitably because of them will be considered at the meeting of the Knox County Farm Debt Adjustment committee, which will be held at 2 P.M. Wednesday, October 18, at Benjamin.

"This is the time of year when land installments and chattel payments fall due," said Howard M. Williamson, county supervisor for the Farm Security Administration, who has direction of farm debt adjustment work. "Farmers who see they are going to be unable to meet their obligations should ask the committee's help now—before delinquencies become serious and foreclosure is imminent."

"The county committee has been quite successful," the supervisor said, "in effecting extensions of time, re-amortization, scale-downs of principal and interest, and reductions in rate of interest. Each case is considered on its own merits and the matter kept confidential. Debts of more than a quarter million dollars were adjusted by FSA committees for Texas and Oklahoma farmers during last month."

"Farmers who need the committee's services, which are free, should go to the county FSA office, or to one of the committeemen, or they might appear at the next meeting," he advised.

ABILENE BOOSTERS WILL VISIT HERE

Goodwill boosters for the annual West Texas Fair, to be held in Abilene, October 2-7, a motor caravan of trippers will parade here in Knox City next Wednesday, September 27.

The visit here will be made on an all-day tour, to cities and towns south of Abilene. Four such Goodwill trips, one in each direction, are planned to boost the 51st annual edition of the West Texas Fair, gala yearly exposition. They are set on successive days next week.

Fair entertainment this year will include five afternoons of rodeo, an All-Falmino Horse Show, sponsored by the Texas Falmino Association, that will be the first of its kind in America.

Each night of Fair week, officials have booked a \$5,000 revue program, featuring Anson Weeks and his famed radio and screen band, and seven stage acts, in a "Parade of Stars" before the grandstand. Anson Weeks will play for dancing and a floor show nightly, too in the Fair's Automobile Building.

The Goodwill caravan is scheduled to arrive here at 2:10 o'clock Wednesday for a stopover of ten minutes.

Special musical entertainment by the Abilene Lions club, and brief West Texas Fair booster talks will be given, Jack Simmons, Fair President, sends word.

SHERIFF'S SALE

The State of Texas, County of Knox.

By virtue of an order of sale issued pursuant to a judgment decree of the 50th District Court of Knox County, Texas, by the Clerk of said Court on the 12th day of August A. D. 1939, in a certain suit No. 3077, wherein the State of Texas, together with the City of Benjamin, is Plaintiff and W. B. McDowell and D. A. Nunn are Defendants, in favor of said plaintiff for the sum of One Hundred and Seventy-four and 65-100 Dollars for taxes, interest, penalty and costs, with interest on said sum at the rate of six per cent per annum from date fixed by said judgment, together with all costs of suit, that being the amount of said judgment rendered in favor of said plaintiff by the said 50th District Court of Knox County on the 21st day of February, A. D. 1939, and to me directed and delivered as Sheriff of said Knox County, I have seized, levied upon, and will, on the first Tuesday in October, A. D. 1939, the same being the 3rd day of said month, at the Court House door of said Knox

County, in the City of Benjamin, between the hours of 2 o'clock P. M. and 4 o'clock P. M. on said day, proceed to sell for cash to the highest bidder all the right, title and interest of said defendants in and to the following described real estate levied upon as the property of said defendants, the same lying and being situated in the County of Knox and State of Texas, to-wit: All of Block No. 48, Original Town of Benjamin, Knox County, Texas, as shown by the map or plat of said town which is of record in the office of the County Clerk of Knox County, Texas, and the Court finds that each of said defendants own an undivided one-half interest in and to said land and premises; or, upon the written request of said defendant or their attorney, a sufficient portion thereof to satisfy said judgment, interest, penalties and costs; subject, however, to the right of the plaintiff for any other or further taxes on or against said property that may not be included herein, and the right of redemption, the defendants or any person having an interest therein, to redeem the said property, or their interest therein, at any time within two years from the date of sale in the manner provided by law, and subject to any other and further rights the defendants or anyone interested therein may be entitled to, under the provisions of law. Said sale to be made by me to satisfy the above described judgment, together with interest, penalties and costs of suit, and the proceeds of said sale to be applied to the satisfaction thereof, and the remainder, if any, to be applied as the law directs.

Dated at Benjamin, Texas, this 7th day of September, 1939.

Greyhound Basketball Team Starts Workouts

The Greyhound basketball team started workouts on last Monday. Three of last year's players are back, together with several reserves and new men who are fighting for a place on the first team. The boys are drilling under the direction of Mr. Cook, the new coach, who hopes to get the boys in shape for a successful season.

Knox City had a good team last year but failed to win any championships; the team this year may get no further but the boys have already set one goal for the season, the winning of the county championship. Prospects are bright for a successful season if some of the new boys live up to expectations.

Only light workouts will be held for some time and no efforts will be made to match any games for a few weeks. The work is given over chiefly to the fundamentals of passing, goal shooting, etc.

Paul Benedict, Melvin Dutton, David Clark, Gerald Averitt, Johnny Carver, Billy Dean Davis, L. N. Bridges, Joe King and Lynwood Hughes are among those who have made a good showing up to date.

Band Has Entertainment

Friday, September 8, the Knox City High School Band had a picnic. The members met at the school house at 7:30 and then went to the Jamison Park. The teachers and band parents were invited, but the percentage of the parents' attendance was small.

Not all the members were there, but next time their parents and they are expected 100 per cent.

Weiners and marshmallows were roasted, and there was punch, cookies, buns and potato chips.

Everyone had a good time and plenty to eat, but this is just a beginning. The picnic was planned by the band's program committee, Dickie Mullins, Doris Clonts and Ernestine Teaff.

Seniors Order Rings

On Friday, September 15, the Seniors met to choose their rings. A committee of three boys and three girls met with Mr. Whitis and the salesman to select three styles of rings to present to the class.

The class voted for the style of ring they liked best, and they made a very satisfactory choice. The ring chosen was an oblong solid gold ring with a "K" and Knox City written under it. This was especially designed for Knox City by an artist at the Herf Jones Jewelry Company, the company carrying the order. The rings will come through the Jones Drug Store.

Dramatic Club Organized

The students of the speech class have organized a dramatic club. The following officers were elected: Henry Jean Jones, President; L. N. Bridges, Vice President; Margaret Dutton, Recording Secretary and Reporter, and Bobby Armstrong, Treasurer.

The club has many aims and already have in mind a number of events that they plan to participate in. Some of those are: To present at least two major plays, to have one or more formal banquets with speakers, and to purchase some lights or other useful equipment for the stage.

Library Improvements

The high school library has

been changed since last year. The front of the study hall has been equipped with shelves, reading tables and chairs. The fiction, some poetry, drama and biography, and six sets of reference books have been moved to the study hall. This enables each student to find his own books and become better acquainted with the material found in the library.

The circulation for the past two weeks was 576 books. We are glad to report that 222 books have been mended and put back into circulation since school closed for the summer vacation.

What The Senior Class is Doing

In English IV the Seniors have been studying English literature from its beginning. Last week you could have heard any one of them "Chaucering" all over the campus.

Once each week the Senior class plans to have a home room program. They welcome visitors at any time.

History Class Studies Germany

The World History class, for the past two weeks has been studying the country that interests them most today—Germany. They have studied its history up to the present date and great leaders such as King William and Bismark. They enjoyed this study very much.

They are now taking up the beginning of civilization and expect it to be interesting.

Boys Learn Housekeeping

A boys homemaking class has been formed in K. C. H. 3. Twelve Junior and Senior boys are studying manners, etiquette, posture, planning and budgeting—yes, and cooking and sewing. What kind of sewing? Oh—mending, darning, color combinations, textures, what to wear when, etc. What kind of cooking? All kinds!

They are also studying vitamins, minerals, and all other food constituents. Ask one of the boys how to make Egg a 'a Goldenrod. He can tell you (Miss Reagan hopes!)

Come in and see what they really can do.

Sophs and Juniors Have Picnic

Friday night, September 16, at 6:30, the Sophomores and Juniors grouped together at the skating rink for a party and a picnic. Mr. Farrar had charge of the rink floor. There were many interesting games played while skating.

After an hour and a half of skating, the classes went to the city park for the picnic.

Miss Reagan, with the help of Mrs. Walker, Mrs. Clonts and Mrs. Varnell, had charge of the refreshments. Everyone reported an enjoyable time.

The Greyhound Band To Present Concert

The Knox City high school band is presenting a short concert at 8 o'clock Friday evening in the high school auditorium. Everyone is cordially invited to attend. Following the concert there will be a meeting of the band parents. The object of this meeting is to decide whether or not the band will get new uniforms. We feel that it is absolutely necessary for every parent to attend. Anyone else who wishes to attend this meeting will be welcome.

We want everyone in Knox City to meet Mr. Farrar and learn to like him as we do.

The band is improving rapidly and we hope to be able to present a street parade before long.

Band to Stage Money Raising Campaign

With arrangements made with the local newspaper manager, the band has completed plans for a money-raising scheme that promises to be the largest thing seen in these parts in many a day.

The band has been divided into two groups fighting for the slogan "200 subscriptions or bust." Each member has pledged himself five subscriptions. The losing side has to entertain the winning side, and a prize will be given to the highest ranking salesman. So far Mr. Farrar, the director, is high point salesman, but is closely contested by Aiden Huntman.

Subscribe to-day. The band will play And say!

We'll win this way!

Indian Unit Studied in the Third Grade

The third grade is studying about Indians. We have made an Indian tepee, bows and arrows, Indian pottery and an old Indian village on our sand-table. We have learned many interesting things about the Indians.

We have fun drawing Indians and their tepees. Friday we are to have an Indian entertainment for the grammar school. We invite you to come and visit us.

Students Concentrate on Personality

Some people argue that personality is an inherent tendency, but the salesmanship class under the supervision of A. M. Whitis, believe that personality can be developed. With this view in mind, the class has outlined the characteristics of a good personality, and are attempting self analyses tests to indicate personal weaknesses with a view of overcoming those most out-

standing. With this in mind as a valuable asset to salesmanship, as well as life itself, the class plans to make a violent effort to strengthen its personality. Plans are being made to have talks by successful salespeople as well as demonstrations of selling technique used in successful salesmanship.

of City Park Sixth Grade Builds Model

On completing a unit on "Our Community", the sixth grade class built a model of the local city park. This model is approximately four feet square. Included in the model are sawdust walks, grass, trees, and the bandstand. The trees are made of sponge dipped in green calcimine and the grass made of sawdust mixed with green calcimine.

Monday night the class had a "star-gazing" party. They met at Miss Swift's house and then went to the edge of town and viewed the stars. On returning to the house, they had refreshments and then went home.

Pre-School Music Pupils Start

Work in the music department for the pre-school children from 4 to 6 years of age began this week with a splendid enrollment. This work will continue throughout the year and children may begin the work at any time.

THE METHODIST CHURCH

Allen Peacock, Pastor Dr. Henry Sloane Coffin tells this story, "A Head of a nurses training school and superintendent of the nurses in a large hospital, at the close of a month's epidemic of influenza, with a much depleted force of nurses, for it was in the war when fully half of her staff were over seas, having worked nearly twenty four hours out-

of each twenty four, said to a subordinate; I'm all in, I must consult a nerve specialist or, and she does not know why she said it, for she had not attended church for a year—GO TO CHURCH. The next evening, being Sunday, she put on her hat, and started out, against the demonstrations of the other nurse, who told her she would be in bed. She entered the church, had her mind soothed by prayer and hymn and carried to other thoughts. She went back to work calmed, had a few hours of untroubled rest, and went bravely and vigorously on with her responsible work. "Our Sufficiency is of God."

Those who neglect church attendance often give as their reason that they need physical rest or physical exercise, that they find it necessary to spend Sunday in bed or on the golf course, in fishing, hiking, riding, or in some fashion. It is interesting to observe that the greater leisure provided our American people, has not increased our church attendance.

If every one treated the church as you do, could we have a church? A refreshed spirit means health to the mind and body. At the services of the Methodist church you can secure this spiritual refreshing and a hearty welcome awaits you.

Go to church somewhere Sunday because you need a rest quiet and repose of spirit, which comes only from worship.

SINGING CONVENTION TO BE HELD HLKE

The Knox County Singing Convention will be held Sunday, September 24, at the Four-square church here. Several visiting quartets have been invited.

The president of the convention, Jewel Tankersley, wishes to elect officers Sunday instead of in October, the regular election date. Everyone is invited to attend and hear good gospel singing and elect new officers for the convention.

BAPTIST CHURCH NEWS

Both morning and evening services were well attended last Sunday. One new member was received into the church upon profession of faith. New teachers and officers for the Sunday School were elected for the new year. They will begin their work next Sunday.

This coming Sunday is promotion day in Sunday School. We urge every member of the Sunday School to be present. There was a little decrease in attendance last Sunday under the Sunday before. Let's pass the 200 mark next Sunday. Come at 9:45 and enroll in a Sunday School class if you are not in Sunday School.

B. T. U. will begin at 7:00 P. M. Come to the training unions; they will do you good. The evening preaching service will begin at 8:00 P. M. The pastor will preach at both the morning and evening hour. Come to Church next Sunday. Receive the benefits the church has to offer.

H. E. EAST, Pastor

CHRISTIAN CHURCH

Bible School and Communion Services at both Knox City and Benjamin. Preaching services at Truscott Sunday morning. In the evening all these congregations will meet in a service at Haskell with other congregations of this area.
