KNOX CITY, KNOX COUNTY TEXAS, THURSDAY, FEBRUARY 27, 1936

NUMBER 12

## County Gets Granit Marker

Announcement was made Monday by Mr. W. V. Favor of this city that Knox County is receiving a huge granite marker which is to be placed at the Narrows, between Benjamin and Vera. This marker is made of Texas granite and is now in Vernon waiting shipment to Knox County.

Mr. Favor received this marker through the State Highway Department and by virtue of the historical facts concerning the county at the Narrows. This place was the dividing line between the French and Spanish settlements and is also the place where General Ross had a battle with the Indians.

The marker will be engraved, giving facts of the historical events of the spot on which it will stand.

### STREET WEST OF SCHOOL IS BEING WIDENED

Work began Monday morning on widening the street west of the school ground. The purpose of this work is to not only improve the appearance of the street but also for convenience and safety.

The street has been a number of feet too narrow and since there is to be a new building erected this year, City Officials have immediately seen the necessity of widening the street. Trees, which have really been where the drain ditch should have been, are being grubbed out and when completed the new street bed and drain ditches will be graded.

### Two New Foot Bridges

For many years city officials have had trouble keeping "foot logs" over the drain ditches west of the parsonage of the First Christian Church. This last year two heavy 12 by 12, were placed over the ditches for pedestrians but recently one of these was poked, Monday, the second one was moved by city officials and two nice foot bridges built across the two ditches. They look alright, not artistic, but at least steady and safe.

### FROM GASKET BALL TO TENNIS

Patrons of the Knox City school view with pleasure the activities of children from the season of Basket Ball into that of Tennis. Boys and girls are beginning to work out, getting ready for the county meet.

Without a doubt the city Tennis club will reorganize soon and have a number of the "Mas and Pas" back on the grounds bouncing around. They can't play but sure seem to like to try. Tennis is a great sport, even if you lose.

### HERE COMES CHARLIE

Here comes Charlie, a three act farce-comedy by Jay Tobais, will be presented at the Knox City High School Auditorium Friday evening of this week. First curtain will rise at 7:30 o'clock. This play is being staged by the Missionary Society of the Methodist church of Benjamin, under the auspices of the Knox City Methodist Missionary Society. Tickets will be 10 and 25 cents.

The all star cast for this play has among its number Mr. John A. Smith, former Knox City man. John was always good on the stage and for this reason many Knox City people will want to see him in this farce comedy Friday night.

Just who Charlie is in the play remains a secret until the play is well under way; however, those from Knox City who have already seen the play staged by the Benjamin group assure the remainder of the local population that he, she is good.

Don't attend the three hour entertainment Friday night unless you want to laugh, for that's the promise of the evening. It's fun, you'll like it.

Mrs. E. F. Branton of this city and Mrs. J. R. Berry of Benjamin entertained the Vernon District Delta Kappa Gamma, National Honorary Teachers Society, with a dinner in the Seymour Hotel Saturday night. The Washington chef was hurried out in decorations and the menu. Following games of Bridge were enjoyed.

Mr. J. P. Parker, Mrs. G. A. Branton, Mrs. Billie Clark and Mrs. A. E. Propps returned to Knox City from their trip to Vernon, Texas, Monday.

### COMMITTEE ORGANIZES FOR ANNUIVERSARY AND CENTENNIAL CELEBRATION

Having been appointed chairman of the committee for the anniversary and centennial celebration by the Federated Clubs of Knox County Judge Covey Monday called a meeting of the committee to complete organization and further plans of the celebration.

Mrs. C. C. Hoge, Mrs. S. M. Clonts and Mrs. B. C. Anderson, all of Knox City, drove to Benjamin for the meeting, where, besides Knox City and Benjamin members, were delegates from Munday Goree, Vera and Truscott.

### Date Set for Celebration

Wednesday, June third was the date set for the celebration, which is a combined celebration, the 40th anniversary of Knox County and the 100 anniversary of Texas, Benjamin is to be the scene with every available spot over the entire town being utilized. The Assembly hall and the district court room in the court house will be used, the school auditorium, the club room, the museum room and other places in Benjamin that are not already fully occupied.

The general committee announces that the entertainment for the day will be varied, with special features for the old, the young and the medium in age. A basket lunch will be spread at noon, which is to be furnished by everyone. Every family is to take a filled basket.

### Committees Named

In completing organization for the celebration the group Monday named committees to serve. J. Lyndal Hughes was named chairman of entertainment committee. Mr. Hughes like all chairman of committees is to select his own co-workers, which of course, is to include representatives from every section of the county.

Mrs. G. H. Weaver of Benjamin and Mrs. M. P. Chammar of Munday were named co-chairmen of the Historical and Pageant committee. Mrs. D. J. Brookerson of Benjamin is chairman of the Museum exhibit. W. W. Rice and Miss Helga Burhard were named co-chairmen of the agriculture exhibits. This exhibit will be most interesting, exhibiting implements of different ages, thereby emphasizing progress in farm tools.

Charles Biebee of Benjamin was named chairman of publicity with each editor of the county a member thereof.

### Every Body Has One Responsibility

The organizing committee, in which Judge Covey sat as chairman Monday afternoon, settled plans for one feature in which every citizen of the county has one responsibility in making the joint anniversary and centennial a success. That responsibility is that of securing and wearing a pioneer costume all day, the day of the celebration, Wednesday, June third.

The baby girl of Mr. and Mrs. Bud Milford, born Thursday of last week, lived only about eighteen hours. She was buried Wednesday, February 19th in the Odd Fellow Cemetery. Mrs. Milford's mother, Mrs. Graham of Pioneer, Texas, is here.

Mrs. E. Q. Warren entertained the young men of the Methodist church with a Stag Dinner Wednesday night. The occasion was arranged to encourage the organization of a Fellowship Club among the young men of the Methodist church. Jeff Graham assisted Mrs. Warren with arrangements.

### LOCAL BAND TO PLAY FRIDAY AND SATURDAY NIGHTS

The Knox City band is rapidly becoming one of the prized possessions of the town. The boys and girls continue their study in good faith, and show a willingness to play at any time. They will play Friday night of this week in the school auditorium being a between-act feature of the entertainment, sponsored by the Methodist ladies of the Knox City church.

The band will play again Saturday night in town. They will begin at 7:30. Be in town and hear them.

L. N. Bridges Jr. and John Coats Jr. of this city placed in the calf show held at Wichita Falls last Friday. L. N. won seventh place in the senior division and John second place in the junior division.

L. N.'s calf weighed 950 pounds and sold for \$118.75. He received a prize of \$2.50 for his place in the show.

John Coats Jr. placed second in the junior show and received \$7.50. His calf sold for \$129.75.

Bobby Armstrong had two calves in the show. Although he didn't place, Bobby's calves sold for a fine price. His light calf weighed 775 pounds, brought \$102.69 and the heavy calves, 905 pounds, brought \$112.12.

F. L. Montandon's calf weighed 850 pounds and was bought by the Red and White store of this city for \$102.90. This beef was butchered Monday of this week and will be for sale over the market of the Red and White on Friday and Saturday of this week.

Junior Montandon had the hardest situation of all boys feeding out calves in Knox County. Junior hit it hard from the first; however, he brought up the best results, everything considered. If he had had thirty days more, at the rate he was going with his calf Mr. F. L. Montandon Jr. would have given the grand champion a hard battle for the title.

There were 51 calves in the Wichita show and Junior Montandon's calf was placed seventh in line; however the animal was quite frisky and forced the owner to appear tenth in line. Even tenth was a good position with 51 being the total.

Knox County Agent, W. W. Rice, announces 31 applications have been made already by boys wanting to feed out calves another year. This number has not yet been affirmed, but it indicates that interest in feeding cattle is mounting in Knox county.

A. Y. Barnes returned to Knox City Sunday from a Dallas Hospital where he had been confined for some weeks. He is up now and able to be out some.

Dr. and Mrs. D. C. Eiland are the proud parents of a fine, eight pound baby boy, born February 24th. He is none other than David Chase Junior. He and his mother or at home and both are getting along splendidly.

## M. G. Nix Announces for Commissioner Precinct 1 Knox County

After considering the insistent solicitation of his many friends and business acquaintances throughout the precinct, M. G. Nix, of the Sunset community, has consented to make the race for commissioner of Precinct number 1.

Mr. Nix is particularly fitted for this office, in addition to having an acute sense of business management, and impartial judgement of fair play and a high degree of engineering ability, he administered two very successful terms as incumbent of this office from January 1st, 1925 to January 1st, 1929.

When Nix took office in 1925 there was not a decent road in the entire precinct. The precinct was heavily in debt and had a supply of obsolete and worn out equipment on hand. January 1st, 1929 found the precinct with all roads well graded, good equipment, and the finances in excellent condition. Mr. Nix having been instrumental in getting each precinct its pro rata part of county funds.

In entering the race Mr. Nix wishes to assure each resident of the precinct that he will do all in his power to see and become acquainted with each individual voter. To his opponents, he enters this race with the highest regard and friendship. If elected, Mr. Nix promises to give the high type of service to his constituents that this office demands without fear or favor and without partiality to none.

## Mrs. Armstrong Buried Wed.

Funeral services were conducted Wednesday, February 26th from the home of Mrs. J. L. Armstrong for Mrs. Sarah Jane (Grandmother) Armstrong, and burial was made in the Old Fellow Cemetery. Reverend W. D. Green had charge of the service.

Mrs. Sarah Jane Armstrong was born in Tennessee, May 12, 1843. She moved with her parents to Bastrop, Texas where she lived about 29 years. From there she moved to San Saba where she lived ten years then to Eastland in 1889, and then to Knox county in 1907.

She was married to Jim Armstrong in 1859. To this union seven children were born, four of whom preceded her in death. The living children are Bob Armstrong of Rochester, Mr. Fannie Morgan and Mrs. Millie Bennet of Glendo Wyoming. Besides her children, Grandmother Armstrong is survived by 35 grand children, 56 great-grand children and 24 great-great-grand children.

In 1882 the deceased was converted and joined the Presbyterian Church in San Saba.

For the past 35 years she has made her home with her daughter-in-law Mrs. J. L. Armstrong, who has been as loving, devoted and untiring in her efforts as a daughter could be.

Besides the many relatives, a large crowd of friends were in attendance at the funeral service Wednesday afternoon.

Mr. and Mrs. J. R. Branton of Rails spent the weekend with relatives in Knox City.

### FIRST CHRISTIAN CHURCH HAS NEW PASTOR

The Knox City Christian Church is glad to announce that they have secured as Minister Reverend T. Richard Gathright of Benjamin, who will preach his first sermon as Pastor next Sunday morning. The public is invited to hear him, and the church is glad to present Mr. Gathright to this community as one of our City Ministers.

He will be found co-operative in every work of the community, and with other churches, and their Ministers.

Services will be held on the first and third Sunday mornings, no evening service at present. A mid-week service will be announced soon. Sunday School, at ten o'clock. Worship and Communion at eleven o'clock.

A special invitation is extended to one and all to attend the service.

## HOSPITAL NOTES

Patients in the Knox County Hospital this week include Frankee Jr. Sezo of Knox City, Jerry Kane Jr. of Welnett, Mrs. M. E. Bristo of Rochester, J. D. Emerson of Rule, Gay Coley of Munday, Ocie McGhee of Rochester and Mrs. O. W. Smith of Terrell. Mrs. Smith, formerly Miss Mable Howell, is improving.

Thurston Epeck of Rochester was dismissed Tuesday.

Miss Gladys Buckholt spent two days last week in Wichita.

## Poll Tax Payments And Exemptions Total 3046

Poll tax payments and exemptions total 3046 for the twelve voting boxes of the county, according to a check of the records in the office of the tax assessor-collector. Persons over sixty years of age do not have to secure exemptions so the voting strength of Knox County is considerably more than this. The official count gives the following precincts these figures:

Precinct 1, Benjamin	322
Precinct 2, Truscott	223
Precinct 3, Gilliland	155
Precinct 4, Vera	259
Precinct 5, Goree	310
Precinct 6, S. Munday	285
Precinct 6a, N. Munday	324
Precinct 7, Rhineland	192
Precinct 8, Jas. Partridge	236
Precinct 9, Knox City	537
Precinct 10, Hefner	124
Precinct 11, Brock	24
TOTAL	3046

### MRS. DAVIS SURPRISED WITH BIRTHDAY PARTY

Mrs. L. L. Davis was surprised with a birthday party Saturday afternoon honoring her natal day, given by her sister Mrs. J. A. Wilson. Guests, some 18 or 20, gathered at the Wilson home, and on false pretense Mrs. Lee Smith succeeded in getting Mrs. Davis in the Wilson home. The afternoon was spent playing a variety of games and contests, which were concluded by the ever amusing "Beano". The latter game afforded each guest a gift; however the final gift went to Mrs. Davis. Lloyd Leslie Davis was exceedingly happy when he was chosen to present his mother's gifts, and she was happy when "it" proved to be many gifts.

Refreshments of cream chicken on toast, coffee, hard candies and birthday cake were served.

Mrs. A. E. Propps returned to Crow all Saturday with her mother, Mrs. Thea Propps, who is in the hospital at a nearby hospital.

## Fourth Park Donated to Co.

Goree advanced the number from three to four Monday of this week when the donation of a county park was made by that town. This park is to be east of Goree on the little creek, and will, without doubt, be a very pretty place.

The park and beautification movement is sponsored by the Federated Clubs of Knox County and the donation of the Goree park makes a total of one park for each Federated club in the county. The situation is thorough, one hundred percent.

Citizens of Knox City will be especially glad to know that work in the Jamison park is showing progress. The drive way and parking grounds have already been marked off and rock tables, benches and furnaces are being made. Two men are employed on the work now. Mr. W. V. Favor is superintending this work and members of the local Federated club find the improvements most satisfying. Drive out Sunday and see what has been and is being done in the Jamison park.

Mrs. Holt Moseley was called to Abilene Tuesday in the illness of an uncle. She was accompanied to Abilene by her parents Mr. and Mrs. W. E. Watkins of Rochester.

Mr. and Mrs. T. E. Robbins and daughter Miss Jo Nelle spent three days the later part of last week in Anson. Mrs. Robbins' brother Gray Elliott died and several other relatives were seriously ill.

## Ray Goodrich for County Clerk

The Herald is authorized this week to announce Mr. Ray Goodrich of Benjamin as candidate for the office of County Clerk, subject to the action of the Democratic Primary in July.

Mr. Goodrich has lived in Knox county all his life. He is thirty years old, is married and has one child. For the past five years he has been book-keeper for the Propps Motor Company in Benjamin. Mr. Goodrich is a fine young man, capable of executing the duties of the office to which he aspires. He is a Democrat and because of that fact believes in promoting the duties and privileges of office-holding.

He asks your thoughtful consideration of his candidacy, and states that he will strive to meet every voter of Knox County and personally solicit or be solicited at the polls.

With the coming of Spring, also comes the road grader. The two boys have already begun grading city streets and as the weeks pass more grading will be done. It has been suggested by the City Commission that home owners who have trees and shrubs, supposedly in their yards but in reality, in the street, to please get them dug up and replaced. This suggestion is made only in the view of helping those who have trees and shrubs out of place save them. Things must line up, houses, trees, shrubs, telephone poles et cetera.

Incidentally, the Power company is moving a number of their light poles to alleys and helping the city in new line up, clean up, beautify Knox City plan.

Speaking of telephone poles reminds one of the fact that the Knox City telephone operators need a new board on which to operate. If more telephone subscribers will make requests for better service from the standpoint of office equipment, it is probable that a new switch board will be installed here. It is certainly needed.

Monday Knox City business houses experienced having a different type of customer. She was a goal, a nice black goal and to her the most interesting business houses were the theatre and the cafe. At the theatre she picked up grains of popcorn and at the cafe was influenced to enter through the front door. Two of her most ardent admirers were Little Ed die Shaver and Holt Mosley.

### FREEDOM OF THE PRESS

"A free press stands as one of the great interpreters between the Government and the people. To allow it to be fettered is to fetter ourselves." That is the language used by Justice Sutherland in delivering the unanimous opinion of the Court that the tax on newspaper advertising, which the State of Louisiana had undertaken to impose was unconstitutional. This decision is the latest of a long series of rulings by the High Court upholding the specific provision of the Constitution guaranteeing freedom of speech and of the press.

From the time when the first printing press was set up there has been an almost constant fight for the right to print and publish without control by authority. Sometimes it has been the authority of the church which has attempted to curb the press; sometimes the authority of government. In the long run, so far as the English speaking world is concerned, the press has eventually won every battle. That is not true in most of the rest of the world. Outside of the United States, the British Commonwealth of Nations and the Republic of France, there is no important country in the world in which newspapers are free to report, the acts of public officials and comment upon public questions.

The first step that a dictator takes to make secure the power which he has seized is to suppress and cury

the newspapers. So long as the newspapers of a nation remain free from political control in any form, Democracy is in little danger. When the government or a public official attempts to suppress the press, that is a symptom likely to be disastrous.

### TALKING ABOUT THE WEATHER

There may have been longer periods of severe cold weather than we have had over most of the United States this winter, but few people can remember them, and the Weather Bureau confirms the belief that, taken by and large, this has been the worst season in many years. There have been lower temperatures, but seldom, prolonged cold spells - and such a succession of cold waves.

The amateur weather prophets and long-range forecasters are putting forward the usual variety of explanations which don't explain, and predictions which are more likely to be wrong than right. A favorite explanation for unusual weather conditions is the sun spots have something to do with them. But the theory that the 11-year cycle of sun spots affects terrestrial weather, whether favorably or unfavorably, has not been borne out by records of the Weather Bureau which have been kept continuously in all parts of the United States since 1871.

Some weather prophets are beginning to predict that 1936 will be like 1848, which used to be referred to as "the year without a Summer" in the northern states. Another school of thought holds that a severe winter always followed by a hot summer. The fact is that nobody knows enough about the weather and the cause of its violent changes to forecast it for more than a week or so ahead. Nevertheless, the weather is, always has been and always will be the most interesting common topic of conversation.

### AT THE METHODIST CHURCH

Church School, 9:45 A. M.  
 Preaching, 11 A. M. and 7:30 P. M.  
 Woman's Missionary Society, Monday Board Christian Education, Sunday 2:30 P. M.

There was a splendid attendance at all the services last Sunday. As the weather conditions improve, we hope to get back to normal.

Next Sunday, the Presiding Elder, Brother E. B. Bowen of Stamford, will preach at the eleven o'clock hour, and he will hold our Quarterly Conference, either at the close of the service, or some other hour during the day. Please let us have a good attendance, and a good report.

Remember, the evening service when we shall have special music by our splendid orchestra. Let us encourage them in their worthy efforts to help us to make our services helpful. We appreciate their service, and we want to show our appreciation by giving them a large audience.

The Union Revival Meeting is gaining in favor of all the people, and now seems to be a certainty. Let every Christian be much in prayer that it will be a great success.

Yours for a genuine revival,  
 B. J. Osborn

### WHY SHOULD THEY DO EITHER?

"I'd certainly like to have running water in and out of the kitchen," said Mrs. O. L. Patterson of the Benjamin H. D. Club.

In a survey taken this month the women say, "Let our water run out if we can't have it both in and out. I'd rather carry in clean water than to carry out waste water." But why should they do either.

### HER GOAL IS THE SCHOLARSHIP FUND

"I'm going to try for the scholarship these next three years," said Frances Pettes, sophomore 4-H club girl of Truscott and clothing demonstrator. "I shall do my best to attain my goal one hundred per cent."

### CARD OF THANKS

We wish to thank the many friends who visited our mother and remembered her with acts of kindness, during the months of her confinement in bed in the home of Mrs. J. L. Armstrong. We also appreciate the deeds of friendship given at her death and the many beautiful floral offerings that were sent in.

### WORKERS' COUNCIL MEETS IN O'BRIEN

The Workers' Council of the Baptist Association of Haskell met in O'Brien Tuesday afternoon of this week. The meeting was presided over by Reverend W. H. Albertson of Munday. Reverend Roy Shannon of Rule, Reverend H. R. Whatley of Haskell and Reverend Lowell Ponder of Rochester were featured on the morning and Reverend W. D. Green of Knox City, Reverend J. D. Branan in the afternoon session. The closing address was given by Reverend Jim Howard who is from district ten. The next meeting of this association will be held in Rule.

### METHODIST YOUNG PEOPLE OF O'BRIEN

Young people of the Methodist church of O'Brien are preparing a program for Sunday evening on the theme "Men must master machines." Leader for the program will be Lenol Hester. Program will begin at 6:45 o'clock.

Rena Pierson will read the scripture, which will be followed by a talk, "Boulder Dam, through a layman's eye" by Eunice Pierson. Lucile Healer will discuss "Benefits of the machine age"; Cora Westerman, "New Inventions"; La Verne West, "Evils of the Machine" and Fay Westerman, "Ways out". The concluding topic will be "Love in Action" given by Bertha Hester. The meeting will adjourn with the League Benediction.

The O'Brien Young People invite others to join them on Thursday night of next week when the Every Ready Union meeting will be held in the O'Brien church. The purpose of this meeting is to prepare for the pre-Easter church drives and the theme of the program will be "The Value of Church Members." The evening will be divided into two periods, the preparatory period which will include a sing-song, invocation, Welcome address and the Business session; and the second period, the program proper will be given. At this time talks will be heard from Wilfred Pilly of Sasser-ton, Mrs. Lillian Park Logan of Knox City, Frank Cockrell of Avoca and R. L. Whittingham of McMurray College in Abilene. The meeting will be concluded by a fellowship meeting of some fifteen minutes.

This Every Ready Union Meeting will be held on Thursday night, March 5th from 7:30 to 9:30 o'clock in the Methodist church in O'Brien. You are invited to attend.

This being the week of the training course at the Baptist church, officials are striving to have 100 per cent in attendance at services Sunday. Every Baptist is expected to be on time for Sunday School and remain for the preaching service.

### FOUR SQUARE GOSPEL CHURCH

Miss Evelyn Wilson, Crusader Evangelist and supervisor of the mid-west district, will be in Knox City Sunday, March 1, and begin a one week meeting in the interest of Young People. Miss Wilson visited Knox City last year and needs no introduction to those who heard her before. In fact, those who heard her last year are looking forward to bearing her again.

Not only is Miss Wilson an interesting preacher, but she is also a talented musician and singer. A cordial invitation is extended to all young people of Knox City and vicinity to attend these services of next week.

Saturday night, February 29th, regular young peopleservice with Miss Ruth Boper, local Crusader president, in charge. Sunday at ten in the morning in Sunday School. Holy Communion at eleven with Miss Beard preaching on the subject "Christ, all the Believers Portion".

### LEVE FOR YOUR COUNTRY

Common sense of educators brought the school to see that they can no longer play ostrich and stick their heads in the sand in a world where war is always just around the corner.

Force patent methods should be concocted to engrave on the minds of every man, woman, and child, the real meaning of war. Have you ever heard, "What we need is a good war to start things going"? Well, they would start things going. But how?

There is a challenge for the boy or man who starts to war. It is either "War" or "thou shalt not kill"—they always choose and every person living knows which one.

There are horrors of peace, but they are minor when compared to the horrors of war. To the old argument that man will always be a fighting animal we say, nonsense. Of course they fight every day. They struggle for their minds, souls, bodies, and spirits—but

Die for your country? No, live for it! There is work to be done and you are the one to do it. You are the generation of tomorrow!

Did you know that Elmer Donahoe can draw and print like nobodys business?

Glen Wallace Kennedy of the "Munday Times" is a good newspaperman. He always gives Knox City a boost thanks, Glen!

It's funny how popular biscuits have become in the last week or so. It seems everyone is eating biscuits everywhere.

If any of you people would like to learn to play tennis, I'd refer you to Paul Edward Benedict.

"Luke Phillips always keeps you guessing. You can never tell about that gal.

Seems to me that lots of people are visiting the hospital this week. It couldn't be that Jerry Kane is in the hospital?

Herman Reeder isn't so lazy after all. I notice he's playing tennis. Good for you Herm.

Mary Leone Hoge has written a new song: "She's on new Loose" and it's a honey too.

Bill Evans has just discovered the latest attractive charm a young man can have. It is a new watch! All the girls have been "playing hands" with him since he got it but Bill says that it is a sensible edition to his charm a watch charm.

Clyde Ingraham talks over the telephone in the front of his place of business entirely too much. He is giving his fatherly advice to those who ask it, so I've been told.

Dorothy Shaver must have got terribly tired Saturday night walking two and one-half miles.

### FRESHMAN NEWS

The "Fish" really had a party Friday night. We went to the play given by the Lone Star School and after the play we went over to the club room and really had a party. If you don't believe it, ask Sammie Angle and Spurgeon Hyde.

We played a number of games and were then served refreshments of sandwiches, pickles, cookies and cocoa with marshmallows. Then some more games were enjoyed.

We felt very honored to have Mr. Cash, Sammie Angle, Spurgeon Hyde, and Joe Hyde to sing for us. We hope that you may be fortunate enough to hear them sometime, and you may have that chance. I heard them say something about getting on the air.

The sponsors of the party were: Marie Darr, Florence Hamm, Reed Bradley, Waylon Goolsby, Helen Lind say, and Mrs. Carsh.

### SOPHOMORE SEMBL

Last Friday afternoon at one o'clock, one of the most interesting and successful assembly programs of the year was given. The Sophomores were sponsors by several classes were represented on the program.

To start off right Aldine Huntman gave us a guitar solo "Dark Town Strutter's Ball." The Huntman boys seem to be a favorite.

Next Elfer Donohoo gave us a very clever reading, "Man to Man." It seemed very natural.

Seems we have lots of talent in the grades as Odie Green showed us by playing a violin solo. It was very good.

The Knox City "Hill Billies" surprised us by giving "Like Mountain Music" and "Home On the Range." The Hill Billies were Billie Dean Davis, Martha Jane Jones, Henry Jean Jones, Ken Frizzell and Tom Paul Frizzell Jr.

Billie Bess Benedict and Georgie Stubbs gave us a very beautiful song "The Bells of St. Mary."

Billy Favor and Dorothy Shaver gave us a skit—"Slick the Saleman."

Last but not least (?) was Ellena Fayne White. She revived us up on old Kennels. It was very interesting.

The master of ceremonies was Dorothy Shaver. All in all it was very entertaining and a smashing success.

### MASS SINGING TO BE COUNTY CELEBRATION

As a part of the Centennial school program every county in Texas is to have a singing center some time during the Spring.

Knox County's is to be an outdoor meeting on the afternoon of April twenty-first at which time as many musical activities as possible will be given ending with a mass singing of all public school numbers.

The High School numbers are being practiced, on Tuesday and Thursday mornings at 8:30. We want Knox City High to be in there strong, so let's not forget this.

On May second every one who will can also go to Spur to a district meeting of like nature and then Knox City hopes to have one later on on our foot ball field.

Come on, let's all go to make our part of this a success.

—Mrs. E. Q. Warren

### GEORGE WASHINGTON DINNER

Saturday night at eight o'clock Miss Mary Leone Hoge entertained "her Lambs" with a delightful dinner party. Only the lambs were present and they apparently enjoyed the celebration of George Washington's birthday immensely.

The table was covered in a white cloth with red satin streamers running clock-wise from the center of the table where a small cherry tree stood proudly with a small hatchet at its foot. Each girl had a tiny favor with the American flag an dber name on it. They were served: fruit cocktail, cherry salad, green peas, and mashed potatoes, fried chicken sweet pickles, hot biscuits and delicious ice cream with white cake. Each had an American flag waving gallantly from her top.

After this lovely dinner, the girls attended the mid-night show.

The guests were: Claudia Sue Moseley, Marian Clonts, Annalou Warren, Billie Bess Benedict, Ellena Fayne White, Yvonne Jamison and Marilyn Edwards.

Claudia Sue Moseley: "Do they make life-sized enlargements from snap shots?"

Loyd: "Why, certainly." Claudia Sue: "Well, let's see what they can do with this picture of Grand Canyon!"

Keep your ears to the ground, but don't follow to the mine.

### PERSONALS

Florence Wilson has been absent from dear old K. C. High the past week but is back in school now. That Senior class gift must have been refreshing!! Glad you're back, Florence.

Yvonne Jamison visited Wichita Falls last Saturday but was back by eight o'clock. Quick work, Yvonne.

Lora Jean Propps can really wash dishes. In fact, she can even manage a household. Her mother is in Crowell, hence the industrious attitude. But Lora Jean would make some man a good little wife.

R. T. Land has been in Abilene. We don't know why and he doesn't seem to want to explain. We missed you in your class recitation, R. T.

Ruth McGee has been to the "cow city of Texas, Fort Worth. She was visiting relatives who live near Fort Worth and must have had a most enjoyable time for she was gone five days.

### MY TRIP TO WICHITA FALLS

Last Thursday morning four 4-H club boys who had been feeding baby beef calves prepared to leave for Wichita Falls to enter into the Annual Fat Stock Show.

L. N. Bridges Jr., Bobby Armstrong, L. F. Montandon and J. W. Coats Jr. are the ones who went. Our calves were taken in trailers, and like most people, we had a blow-out. However we arrived safe and sound. The barn where they were showing the calves was on 200 Ohio Street, which we had much difficulty in finding. When we found the place we unloaded and weighed our calves and then fed and watered them. I then went to the Kemp Hotel where I stayed while in Wichita. That night about eleven o'clock I got a chance to wash my calf.

The next morning at 9:30 we had to show our calves. The Senior division showed first and the Junior division.

In this, I was fortunate enough to win second place. I received seven dollars and fifty cents and a red ribbon for the award.

L. N. Bridges won seventh place in the senior division and received two dollars and fifty cents.

Then we all got ready to go to the banquet at the Kemp Hotel. To this affair the 4-H boys received free tickets. We had a very nice time and heard several men express their opinion of the outcome of 4-H work.

Following this we were given free tickets to see Admiral Byrd in person at the Municipal Auditorium. We enjoyed this very much for he had a moving picture to accompany his lecture.

That night, Bobby and I went to see two movies and caused much walking for Bobby's father.

On Saturday morning we were to have our calves auctioned off. My calf was the fourth one and he brought 15 cents per pound.

Bobby's Junior calf brought 13 1/2 cents per pound and his senior calf, brought 12 1/2 cents per pound.

One of the local men bought Junior's calf and it brought 12 cents per pound.

We then had lunch and prepared to come home. We all had to part with our calves which we regretted to do. The last I saw of my calf, "Fluto," some men were taking him away.

—J. C. Coats, Jr.

### SOPHOMORES PLAN PARTY

The Sophomore Class is planning a party for Saturday night, Ellena Fayne White, class president, announced today. The complete plans have not yet been made but a midnight show seems to be on the entertainment list as a means of making the event a lasting success.

### TRACK AND OTHER SPORTS

Spring weather seems to be strong on the side of the athletes. And most of the students are making full use of this first real opportunity to train for the Interscholastic League work this Spring. Knox City hopes to have a large number of first places in the various events.

### OPINIONS OF SCHOOL LIFE BY THE STUDENTS

I think that school life is just what you make it. It is a pressing occupation an unfinished task—for nine long months and I like things that you can call completed, like a sock in the nose or the eating of a meal. But school is forever holding you to your task—that f getting "educated" which is one quality that is required of every person, young and old. All in all, school life is life, if you live.

—Mary Leone Hoge

It's one of those things you are encompete without. It's as necessary as the air you breathe. And it's also what you make it!

—Marilynn Edwards

School life is the most important part of any individuals life. Every perso gets his earliest start in life from his experiences at school. It really isn't as bad as it sounds! Look at the good things that happen during school life as well as the bad.

—Elmer Donahoo

I'm one who also believes that school life is what you make it. You may make it the happiest days of your life or you may make it the most disagreeable days of your life. It's up to you!

—Dorothy Shaver

School life is more than you make it. If you go with the intention of liking it you will like it, if you don't you will like it a little anyway. You may not think you are learning any-

thing but when a period of time is over and you sum it all up, Plane Geo. History, English, and all you truth fully learn something that you will always need. In school you are gathering supplies for future life. I hope my whole life will be like my school life.

—Loyd Huntman

High school life is a mere preparatory school for the school of experience in the future. If you're not prepared for the bigger things in life, it's through a fault of your own.

—Louis Phillips

QUINT LETTER COMES TO TEXAS U. FROM JAPAN

Austin, Texas, Feb. 26.—One of the quaintest and most courteous of the letters from foreign countries that have come to the Visual Instruction Bureau of The University of Texas is a recent inquiry from Kobe, Japan. The envelope was addressed to Messrs. Staff of Film Edu., in care Texas University of Texas, U. S. A.

The letter reads: "We are a member of the Educational Film Association of the Osaka Mainichi. Now, we have recently recognized the brilliant achievement of the Film Education in U. S. A. on our 'Educational Film News.' Admiration and astonishment makes us request of getting a series of copy of your bulletin on that sort of works.

"You, the Honorable Staff of the Texas University! Would you kindly lead us with your full heart and give us the best practice? The best thing we are longing is to know the actual statue of it in your school." The letter was signed.

DATES SET FOR TEXAS COWBOY REUNION FOR JULY 2-3-4

Stafford, Dates for the seventh annual season of the Texas Cowboy Reunion have been officially set by the directors as July 2, 3 and 4 Thursday, Friday and Saturday.

The Reunion this year will be part of the Texas Centennial observance being known as the Texas Cowboy Reunion Celebration of the Texas Centennial.

The Texas Cowboy Reunion, which is recognized as one of the most authentic survivals of the old west and the rapidly vanishing cattle empire, will prove instructive as well as entertaining to Centennial visitors both from within and without the state. The annual meeting in Stamford brings together the pioneer cowboys and cattlemen who replaced the buffalo with longhorns, as well as the bronzed cowboys of today who punch white faced cattle in the comparatively few remaining large ranches of the Southwest.

Texas Centennial year is expected to bring to Stamford the Reunion crowds which will exceed the record attendance of 60,000 at the three day celebration last year.

Plans for a number of improvements on the Reunion grounds, which border SMS ranch lands one mile from the business district of the city are being made by Reunion officials. One of the improvements will likely be an enlarged floor for the cowboy dances held each night of the Reunion at the cowboy bunkhouse. Another will likely be a building at the entrance of the rodeo arena to house ticket offices, exhibits and concessions. Plans are also being made to launch a campaign to raise funds to complete the cowboy bunkhouse, part of which was erected two years ago.

MISSIONARY SOCIAL IN SIXTH HOME

The ladies of the Methodist Missionary Society were entertained with a social Monday afternoon in the home of Mrs. J. W. Smith, joint hostesses being Mrs. H. B. Sweeney. Eleven ladies of the Methodist church in Benjamin were also present.

Among games of the afternoon was a debate which proved to be most interesting. Mrs. J. A. Wilson and Mrs. E. L. Huntsman seem to be at "cross roads" on the fat and thin problems, but Benjamin ladies seem to have the fat and thin problem among members of the same family. Refreshments of sandwiches, pickles, pecan pie and iced tea were served.

Mr. and Mrs. Frank Herring and T. M. Herring were called to Hawley last week in the death of a niece.

The J. T. May family plan to move into their home the latter part of this week, which of course means that Mr. and Mrs. C. H. Keck can move into their home.

Guests to the Mosley home Sunday were Mr. and Mrs. W. F. Watkins of Rochester, Mr. and Mrs. Joe Watkins of Rube and Mrs. S. A. Norris and daughter of Haskell.

George Owen of Seymour was buried Sunday. Mr. Owen was a cousin to M. E. Jones of this city.

Mrs. J. Silman had as her guests Tuesday afternoon Mrs. George Salem and Mrs. Bauman of Munday.

Mr. and Mrs. J. A. Warren of Munday, parents of Mrs. Ray Willis of this city, have both been ill, however, both are reported to be in improved conditions now.

Grandma Burdett of the Bush and Bennett ranch is reported ill this week.

Little Miss Mary Beth Waltrip is numbered among the sick this week.
