Late Field Goal Sparks KC Win

With only four seconds remaining in the game, Knox City's David Anderson booted a 37-yard field goal into a strong wind Friday night to cap an exciting finish for the Knox City Greyhounds and spoil homecoming excitement for the Rotan Yellowhammers by a score of 10-8 in District 7-A competition.

The late field goal not only put a damper on Rotan's homecoming but also shot the chances for the Yellowhammers' first victory of the season. Rotan has a winless record of 0-7 in season play and is 0-4 in district. The Hounds hold a 4-3 season record and their district chart is even at 2-2.

Knox City got on the board when David Anderson scored on a five-yard touchdown run capping a 72-yard drive. The Hounds' quarterback kicked the PAT for a 7-0 lead that stood up for the halftime lead.

In the third period of play, Rotan fought back to gain the lead when halfback Jerry Carr scampered straight up the middle on a 63-yard touchdown run near the middle of the quarter. A conversion pass from Rotan quarterback John Cox to tight end Donny Mullins put Rotan ahead, 8-7.

Bonfire To Be Today

The annual Bonfire preceding the Knox City-Munday football game will be held Thursday afternoon (today) at 3:30 p.m. on the gin lot west of Lewis Paint and Body Shop.

The Bonfire has been scheduled today due to teacher in-service on Friday, making it a student holiday.

Miss Firelighter, selected as the most valuable Pep Club member, will be named at the bonfire and candidates who are in a run-off for the honor are Adrian Jones and Cindy Elliston. Sheryl Guinn was also nominated.

If anyone is interested in donating wood, he is asked to please contact the school office at 658-3521.

Fans are invited to join students and band members at the practice field in front of the school building where they will assemble and march to the bonfire site.

Harrison Receives License

Robert Harrison III, 1973 Knox City High School graduate and son of Mr. and Mrs. Bob Harrison, has received his Texas State Embalmers' License.

A 1974 graduate of the Dallas Institute of Mortuary Science, Rob served two years apprenticeship with Hubbard-Kelly Funeral Home in Odessa.

He received the State Funeral Directors' License in September, 1975.

Rob and his wife, Belinda, reside in Kermit where he is employed by Doyle and Wanda Cooper of the Cooper Funeral Chapel.

Church of Christ To Host Fellowship

Following this week's Munday football game, the after-game fellowship will be hosted by the Church of Christ.

All young people are invited to attend following the game for a time of fellowship and refreshments.

It is hoped that a good number of students will be on hand for the fellowship.

The conversion was executed from a fake kicking formation and Rotan held its lead until near the end of the game.

An extra amount of excitement was in store for the Hounds as they met the Yellowhammers due to the fact that Rotan is coached by former Greyhound coach Don Mullins. Mullins' son, Donny, also plays on the Rotan team.

In other district 7-A games, Hamlin whopped Aspermont 49-7, Crowell blanked Paducah 16-0, and Munday downed Haskell by a score of 21-6.

This week the Hounds will host the Munday Moguls at Greyhound Stadium. The annual rivalry will take place beginning at 7:30 p.m.

Baker To Participate On Houston Panel

Supt. W.R. Baker is in Houston this week where he will be participating Thursday (today) on a panel which will discuss "Learning Disabilities in Texas: Where Have We Been, Where Are We Now and Where Are We Going."

The occasion is the 12th annual conference of the Texas Association for Children With Learning Disabilities.

Among those appearing on the panel with Mr. Baker will be Senator Chet Brooks of Houston; Dr. L. Harlan Ford, Texas Education Agency, Austin; Dr. Richard L. Hooker, Special Assistant to the Governor for Education Research and Planning, Austin; and Dr. Preston Stephens, Director of Special Education, of Northeast Independent School District, San Antonio; and Paulette Alexander, Educational Program Analyst, Legislative Budget Board, Austin.

The conference, with the theme "The Future is Now," began October 27 and continues through Oct. 30.

Band and Football Royalty To Be Crowned

The annual coronation of the Knox City Band Sweetheart and Beau will be part of the highlight and excitement during the halftime activities of the Knox City-Munday "coming home" football game here Friday night in Greyhound Stadium.

The other part of glitter will be added when this year's Greyhound Football Sweetheart will also be selected.

In previous years, the Greyhounds chose their sweetheart at the end of the year and announced it at the annual UIL banquet; however, to add to this year's festivities it was decided to do this to coincide with the

IN A JOVIAL MOOD FOR THE WEDNESDAY NOONDAY Lions Club luncheon were these Lions Club members who were busily finalizing plans for the upcoming Halloween Carnival which they are sponsoring Saturday night in the school auditorium. From left, Tail Twister Sterling Lewis, J.B. Tabor, Lion President John McGaughey, and Bruce B. Campbell Sr.

Halloween Carnival Set Saturday

Saturday morning, the Knox City grade school gymnasium will be just the ordinary "old gym"; however, by 7:00 o'clock Saturday evening it will have been converted by the Knox City Lions Club into a full fledged Halloween Carnival site, complete with a dungeon of horrors which only the strong will dare enter.

Lions will be assisted by women of the Woman's League who will provide "witches brew" and food at the concession booth until the Carnival closes at approximately 11:00 p.m., a spokesman said.

Lion Wink Shiflett, first vice-president and program chairman of the Knox City Lions, completed committee assignments for bingo, basketball pitch, dart throw, and other scheduled games and all Lions will have an opportunity to assist in the Carnival.

Lion Bruce Campbell Jr. is in charge of overall construction of the booths and commented that he expected plenty of "cheerful volunteer help" beginning at 9:00 a.m. Saturday morning.

School Superintendent W.R. Baker, who is third vice-president of the club, is in charge of the tortures and horrors of the Dungeon.

Funds raised by the Carnival will be used by both organizations for the community activities which they sponsor.

It is hoped that the carnival will provide a constructive outlet for Halloween "spooks" and help raise money for community services at the same time.

Farabee Endorses Water Bond Proposal

State Senator Ray Farabee, speaking at a public forum in Wichita Falls sponsored by the Texas Water Development Board, endorsed a proposal to allow an increase in funds available for water development and water quality improvement.

This proposal will be presented to Texas voters on the November 2 ballot in the form of Constitutional Amendments No. 1 and No. 2.

Senator Farabee stated, "The additional funding permitted under these amendments is needed by our smaller cities and communities to build and improve sewage treatment plants, collection lines and other facilities. Sewage treatment plants even for a small town can cost as much as \$2 million, and these communities simply can not raise that kind of money on their own."

Since 1957, when the Water Development Fund was

created, over one-third of Texas' population has been helped by such loans. Between 1970 and 1974 \$3,665,000 in bond proceeds, together with a \$1,500,000 HUD grant and \$1,100,000 Storage Acquisition payments by the State, were used to construct a dam and reservoir on Millers Creek in Baylor County and a treatment plant and pipeline to provide the contracting cities of Haskell, Knox City, Goree, and Munday with treated water.

Senator Farabee concluded, "Texas is a growing state with growing needs for water. Also, inadequate and outdated sewage treatment facilities are the major cause of damage to our rivers and streams. We must plan for our future water needs now, and not wait until we have a crisis situation."

Although there seems to be little, if any, opposition to amendment number two, Senator Farabee expressed concern that both amendments might fail because of some confusion about the effects of amendment number one or voter apathy.

Locals' Kin Wins In Abilene Contest

Brigadier General Christopher Adams has presented plaques to 18 winners in the Fire Prevention Poster Contest at Dyess AFB in Abilene. Among the winners was Troy Crowson, third place winner in the first grade of 150 students.

Troy is the son of T/Sgt. and Mrs. Willard Crowson of Dyess AFB and is the grandson of Mr. and Mrs. Vic Thomas of Knox City and Mr. and Mrs. W.H. Crowson of Truman, Arkansas.

Remember To Vote Tuesday

Next Tuesday, November 2, is a very important day in the lives of all Americans. It is the day that we have not only the privilege but the responsibility of voting. Not everyone in the world, even in this day and time, has the opportunity to speak out and have a choice in selecting the persons who will be leading and guiding this great nation for the next four years.

We hope that Knox County voters as well as area voters will prove the pollsters wrong in predicting a small turnout for this important election next Tuesday.

A sample ballot is shown elsewhere in this week's News and voters will note the choices that must be made.

Also, two proposed constitutional amendments concerning Texas Water Development Bonds are on the huge ballot.

Knox City voters will vote in the usual two boxes. North Knox City (7N) will vote at the City Hall with Lee Smith as election judge while South Knox City (7S) will vote at the Community Center at South

Third and Avenue B, where Evelyn Shelton will serve as election judge.

Polls will be open from 7:00 a.m. until 7:00 p.m.

Other precincts will vote in the following locations: Precinct 1, Benjamin Court House; Precinct 2, Trusscott Community Center; Precinct 3, Gilliland School; Precinct 4, Vera Methodist Church; Precinct 5, Goree Community Center; Precinct 6E-East Munday, Community Center; Precinct 6W-West Munday, School Band Hall; Precinct 6N-North Munday, High School Building; and Precinct 8, Sunset, Gillespie Church.

Absentee Voting To End Friday At 5

With the 5:00 p.m. Friday deadline for absentee voting approaching, voters are reminded that, in the event they will not be able to vote next Tuesday, November 2, they should make every effort to either write for a ballot or go in person to Benjamin and cast an absentee ballot.

According to Zena Waldron, county and district clerk, Friday is also the last day an absentee ballot can be mailed out, but anyone who waits until the last day to request an application may not get it back in time. All absentee ballots must be returned to the clerk's office by 1:00 p.m. Tuesday, November 2.

Only persons who will be absent from the county on November 2, those persons who cannot vote on that day due to religious beliefs, those persons over 65 years or older on election day, or those persons who are sick or physically disabled may vote absentee, Mrs. Waldron said.

However, Mrs. Waldron warned that "any person who will be in the county during the absentee voting period must vote in person in the county clerk's office." Anyone outside the county for an extended period of time or because of one of the other two reasons may vote by mail. Persons wishing to vote absentee must write or call the county clerk's office and request an absentee ballot, but time is getting by in a hurry.

In a telephone conversation with the clerk's office Tuesday afternoon, 26 persons had voted absentee and 41 ballots had been mailed out.

KC Band Performs At Cotton Bowl

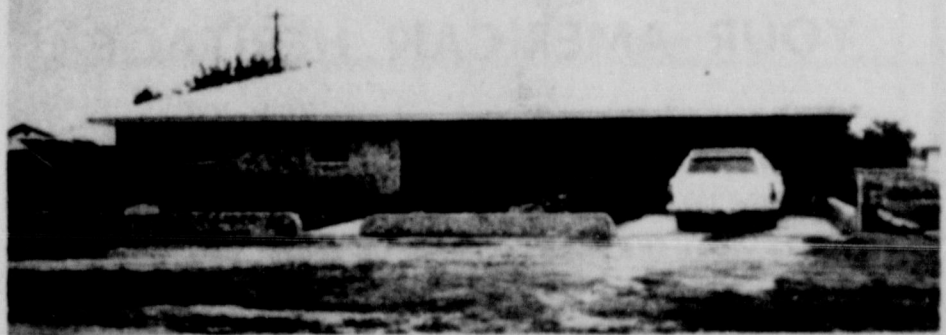

The Knox City Greyhound Band was in Dallas last Monday, October 18, after having been invited to play in concert at the State Fair of Texas on the front steps of the Cotton Bowl. Band Director Steve Lang stated that the steps of the Cotton Bowl was the most prestigious spot for a band to play in concert at the Fair.

Selections the band performed were those that they will play in marching contest Tuesday in Wichita Falls including "Pictures From An Exhibition", Theme from "Swat", and "Fever". Other selections were "The Horse", "Smoke On The Water", "Rock Of My Soul", "Love Will Keep Us Together", Theme from "Mash", and "Basin Street Blues".

Several members of the Knox City Band Boosters accompanied the band on the trip to Dallas.

YARD OF THE MONTH for October have been awarded to Mr. and Mrs. Oliver Eells who live at 107 South Seventh (W). Knox City Garden Club committee members chose the yard for the beauty of the flowers and overall appearance as well as the trees and greenhouse. The Eells moved here last year from Chula Vista, California, and built a brick home at the above address. If residents will drive by, they will see what tremendous accomplishments have been made to the place during this one year by Mr. Eells. His wife, Ann, reports that she must give all the credit to him for his untiring efforts.

Heatly On School Finance Committee

AUSTIN -- The Special House Committee on Alternatives to Public School Financing, of which Representative W.S. "Bill" Heatly of Paducah is a member, last week proposed sweeping revision of the manner in which Texas public schools are funded.

The proposal, which will be submitted to the 65th Legislature in January, is highlighted by the following provisions:

Increase the state share of the Foundation School program to 100%.

The committee recommends no new taxes at this time. Money for funding the Foundation School Program should come from the projected available funds.

Place a limit, or "cap" on local school districts' enrichment of the Foundation School Program, as discussed during the meeting.

Enact a two-year moratorium on local districts' property tax increases, require a mandatory property tax reduction and allow property tax increases only if approved in a referendum by local voters as discussed, eliminating Subsection (c) (3) on page 6 of the proposed legislation.

Revise the equalization aid formula, amended by Rep. Torres as follows: FROM:

SEA = [6 - (MV/ADA X .0001)] X 150/6 X ADA

TO:

SEA = [7 - (MV/ADA X

"Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. Isaiah 1:18.
This is one of the greatest invitations anyone can have. It is to whosoever will take the Word of God into his mind, believing what Jesus said and calling upon Him: through faith in Him you can bring the power of God into your human affairs to make better conditions in all of your life. Your faith is the powerful element that turns back defeat, overcomes adversity, and results in victorious living. This is the key note of Jesus teachings. Your faith may be as small as a mustard seed, just remember Jesus said it can move mountains, bring peace and joy to your heart including wisdom and understanding. Accept His invitation, come now before it is too late and reason together with Him while He is waiting for you. He loves you.

Coaches' Comments

By JIMMY ROGERS

There's not much that can be said about the game last Friday night against Rotan. We felt like we didn't play our best, still we were able to win in the last seconds.

Rotan did a good job defending us and playing a good strong game before a homecoming crowd. I was proud of the Greyhounds that even though we were not playing well, we never gave up. Then

facing an almost impossible task we kicked a 37-yard field goal into a 20 mph wind. Again we are reminded that the game is never over till the last whistle blows.

This week, we play the Munday Moguls, a team that last week knocked off the Haskell Indians. Most people will not give us a chance. Just remember this is a Knox City-Munday game and anything can and may happen.

Mr. and Mrs. Tony Rocha Jr. are the proud parents of a baby boy, Mark Anthony, born Monday, October 25 at 5:53 p.m. in Wichita General Hospital in Wichita Falls.

Mark Anthony weighed six pounds and eight ounces and measured 20 inches long.

Maternal grandparents are Mr. and Mrs. Alfred Elston and Mr. and Mrs. Tony Rocha Sr. are paternal grandpa-

rents. Great-grandparents include King A. Green of Monahans, Luke S. Elston of Deridder, Louisiana, and Pete Rocha of Knox City.

Mrs. Hester Receives 10-Year Certificate

Mrs. Annette Hester was in Abilene Monday of this week where she was presented her 10-year-certificate of employment by the State Department of Public Welfare. Making the award was regional adminis-

trator Barry Frederickson during a regional directors' staff meeting.

Mrs. Hester began work in May, 1966, in the local Aid to Families With Dependent Children program with the

State Department of Public Welfare. She was promoted to Welfare Service Technician in the Food Stamp Program in December, 1975.

Graduating magna cum laude from Western Texas College in Snyder last May, Mrs. Hester was among the 120 students receiving associate degrees. She completed requirements for her degree, the Associate in Arts, during the 1975 fall semester and was the first extension graduate from WTC.

She is a member of the

First United Methodist Church.

Mrs. Hester has two daughters, Jean Tremble of Wichita Falls and Sue Walker of Seymour, and a son, Terry of Graham, along with four grandchildren, Tony and Traci Hester, Marty Bufkin, and Alan Tremble.

She has returned to work following knee surgery September 10 in Wichita General Hospital in Wichita Falls, where she was confined for three weeks and was on crutches for six weeks.

RETURN HOME

Mr. and Mrs. Neil Perdue returned home recently from a two-week trip where they visited their son and his family, Mr. and Mrs. David Neal Perdue, Forrest and Robin in Georgetown; their daughter and her family, Mr. and Mrs. Duane Seay and children in Hillsboro; Mrs. Perdue's aunt, Mrs. E.I. Welch in Port Arthur; and Mr. and Mrs. J.D. Perdue in Jackson, Mississippi.

IN DENTON

Mr. and Mrs. Eddie Shaver were in Denton over the weekend visiting their son and his family, Mr. and Mrs. Brack Shaver and Braxton.

FROM OHIO

Recent guests in the Roy W. Smith home were his cousins of Urbana, Ohio. They were en route to Coolidge, Arizona to spend the winter.

TEXAS DEPARTMENT OF AGRICULTURE
NEWS October 18, 1976

From the TAP Kitchen

Texas Department of Agriculture - John C. White, Commissioner

ORANGE WITCH'S BREW

- 6 cups (1-1/4 qts.) apple cider
- 1 (6 oz.) frozen orange juice concentrate
- 1 tsp. whole cloves
- 1 pkg. orange drink mix (.24 oz., makes 2 qts.)
- 6 inches broken cinnamon sticks

Put cider, orange juice and orange mix into a percolator. Put cloves and cinnamon sticks in the basket and let perk. Serve hot or cold. For cold punch, chill with ice and add one 10-ounce bottle ginger ale. Yield: 10 servings.

HONEY-DIPPED POTATO DOUGHNUTS

- 4 cups sifted flour
- 3 tsp. baking powder
- 2 tsp. salt
- 2-1/2 tsp. ground nutmeg
- 1/2 tsp. soda
- 2 large eggs, well beaten
- 1 1/2 cups sugar
- 1/2 cup melted shortening
- 1 cup mashed potatoes
- 1 Tbsp. grated lemon peel
- 1/3 cup buttermilk

Sift flour, baking powder, salt, nutmeg and soda together. Beat the eggs with 1-1/2 cups sugar and shortening; stir in potatoes and lemon peel. Add flour mixture alternately with buttermilk. Turn out onto a lightly floured board and roll to 1/4-inch thickness. Cut with a doughnut cutter. Drop 4 or 5 doughnuts at a time into deep fat heated to 350 degrees. Cook until doughnuts rise to the surface, turning to brown both sides, then drain on absorbent paper. Coat doughnuts with Buttered Honey Glaze, then roll in chopped nuts. Yield: 3 dozen doughnuts.

BUTTERED HONEY GLAZE

- 6 Tbsp. sugar
- 3/4 cup honey
- 3 Tbsp. butter
- 2 cups chopped pecans or peanuts

Combine all ingredients and boil. Dip doughnuts into glaze, then cover with 2 cups of chopped pecans or peanuts. Any leftover glaze may be served with pancakes or French toast. Yield: approximately 1 cup of glaze.

For additional recipes send a postcard request to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

IT'S A NIGHT FOR WITCHES AND GOBLINS--Halloween means dressing up in colorful costumes, trick-or-treating and parties. The Texas Department of Agriculture home economist suggests serving a snack of Witches' Orange Brew and Honey-Dipped Potato Doughnuts, topped with chopped peanuts or pecans. They'll be a favorite with kids of all ages.

Texas Honey Production Expected to Decline in '76

AUSTIN--Unfavorable weather conditions and heavy insecticide spraying have resulted in a reduction in the anticipated 1976 Texas honey production.

According to Agriculture Commissioner John C. White, commercial aparies are expected to produce 5,400,000 pounds of honey this year, down from 7,488,000 pounds in 1975 and 6,100,000 pounds in 1974.

The average yield is down, from 72 pounds last year to only 45 pounds.

"Production suffered throughout the state because of a cool, wet spring followed by an extremely

dry summer," White explained. "In addition, necessary spraying of insecticides for crops caused losses and decreased production in some aparies."

U.S. commercial honey production is being estimated at 106 million pounds, about one percent below last year but five percent more than 1974.

The total number of colonies in commercial aparies in the nation is estimated at 1.8 million, compared with 1.7 million in 1975.

Commercial aparies produced about 55 percent of all honey in 1975.

You Are What You Eat

"What's the big idea?" in nutrition education there is only one big idea: "You are what you eat!" And soon elementary students will be learning about "Big Ideas" in nutrition following a Dairy Council, Inc. inservice training session for two Knox City-O'Brien Consolidated School District teachers.

The workshops, presented by Ms. Nancy Smithson, nutrition consultant, Abilene, were held at Knox City Elementary School for Mrs. Linda Underwood and at O'Brien Jr. High School for Mrs. Alice Wootan through the cooperation of Bill Holcomb and John McGaughey, principals.

The structure of the Dairy Council, Inc.'s nutrition education program begins at the pre-school or kindergarten level. "The objectives of the program at the 3-to-5-year-old level," as Ms. Smithson explained, are to enable the child to identify a variety of

foods, to identify the foods in altered forms and to group foods into 10 broad food classes. Three sequenced lessons, taught with a set of 105 colorful plastic-coated food pictures, lay the groundwork for the next unit in second grade, Balanced Meals."

The achievement level for the second-grader involves modifying his food classification system, in 10 lessons, the student learns to classify foods from his environment using the Four Food Group system: milk, meat, fruits and vegetables, breads and cereals. With this knowledge, he then proceeds to the selection of a balanced meal.

"The ultimate goal of the Dairy Council, Inc.'s program is to teach people to make wise food choices," Ms. Smithson explained. And in the fifth grade, the student then learns to use the Four Food Group System to select foods which meet the recommended daily requirements.

Mrs. Wootan, the fifth-grade teacher, learned through the workshop objectives that identifying serving amounts, knowing the number of daily servings needed from each food group, and the ability to analyze one's daily food selections, must become an integral part of not only the elementary student's, but everyone's daily eating habits.

Dairy Council, Inc. aims to not only train teachers in nutrition education programs for classroom use, but hopes to educate the community about nutrition. Ms. Smithson emphasized the fact that the ideal time for introducing a child to nutrition education is at the initial onset of formal education.

Dairy Council, Inc. a non-profit, tax-exempt health and nutrition education organization, and a National Dairy Council affiliate, coordinates its seven-state, 19-office area in San Antonio, Texas. The program carried out by a professional staff of 35 nutrition consultants and dietitians, is totally supported by the area dairymen.

Mr. and Mrs. Fred Peoples are the proud parents of a baby boy born October 6 at 11:45 a.m. in the Knox County Hospital.

The baby weighed eight pounds and three ounces and measured 14 inches long.

He was welcomed home by a big brother, Richard Lee, who is 15 months old.

Grandmothers are Dorothy Peoples of Rockwall, Joyce Smith, Joyce Green, and Mrs. Floyd McAda of O'Brien. Grandfathers include J. T. Woodall and Tennie Peoples both of Dallas.

Great - great - grandmothers are Mrs. W.L. Peoples of Rockwall and Mrs. A.E. Lightfoot of Knox City.

ATTEND FUNERAL

Mr. and Mrs. W.E. Clonts and their son, Joe Murray, were in Mart Sunday to attend the funeral services for Gene's sister, Mrs. Byrd Clonts Hinson.

Mrs. Hinson's husband preceded her in death two months ago.

In addition to Gene, Mrs. Hinson is survived by another brother, Brown, also of Mart.

FROM SAN ANGELO

Mrs. Gerald Barnard of San Angelo spent two days here last week with her parents, Mr. and Mrs. Salem Hutchinson.

Knox City Women Visit Orient

Alma Culwell, her son and his wife, Dr. and Mrs. Jerry Culwell of Irving, and Sammie Carpenter have recently returned from a trip to the Far East, which was sponsored by the Texas Medical Association.

The group from Houston joined their group at Dallas. The first stop was Anchorage, Alaska, where the snow on the mountains, the icebergs, the glaciers and Mount McKinley were all a beautiful sight.

Out in the Pacific, they crossed the International Dateline and gained a day. The next stop was in Japan at Fukuda. They saw Mount Fujiama and the site of the A-bomb explosion in Hiroshima.

Upon their arrival in Singapore, the travelers were surprised to see such a modern and up-to-date city. Sidewalks and streets were spotlessly clean. The trip from the airport to the Hilton Hotel was a great introduction to the progressive city and the view from the hotel roof-top restaurant was spectacular.

In Singapore they reported there was such a variety of foods it was hard to know which to choose. A unique eating experience each evening was offered in a profusion of colorful dining stalls set up on parking lots, sidewalks, and sea fronts where great quantities of well-prepared foods could be eaten at tiny tables.

Singapore was a mecca for shoppers with a maze of markets. Change Alley and Thieves Market were great places to practice bargaining. There were many sights to see, too numerous to detail.

A big thrill on the Far East adventure was flying from Singapore to the Island of Bali in the Indonesian chain. They stayed at the Bali Beach Hotel, where there were many kinds of entertainment for hotel guests. On a trip around the island, the travelers saw many green rice paddies, countless shrines, time-worn temples and festival dances.

The Barong dance was the most interesting with brilliantly costumed people, lions, monkeys, comic witches, lovely girls and handsome young men, accompanied by sounds of a Gamelan orchestra. Many hundreds of people were on the roads walking to the temples carrying their food to

be blessed. In the mountains, the adventuring foursome saw an active volcano.

Hong Kong was a unique travel experience. Numerous high-rise buildings were noted, yet almost in their shadow there was a village of boats whose thousands of inhabitants are born, go to school, eat, and live all their lives afloat.

Hong Kong has many luxury hotels and the Culwells and Sammie stayed at the Mandarin, which Fortune Magazine listed as one of the top ten hotels in the world. Shopping is a way of life in Hong Kong and it is noted for

its hand-tailored clothes. Bargains come in everything from jewelry to rosewood furniture, and cameras to stereos.

Hong Kong is an island connected to Kowloon on the mainland by a ferry and a tunnel. The ferry ride is not to be missed as it cost only 5 cents. The trip up Victoria Peak which gave an unsurpassed view of the harbor was followed by dinner on top of the peak and watching the city-lights come on.

The group left Hong Kong reluctantly, but happy to have spent so many wonderful hours with persons who were

so friendly.

At each place they visited, the doctors attended medical seminars. In Singapore and Hong Kong, Dr. Culwell attended the Rotary Clubs for lunch.

On their way home they had the privilege to de-plane in Seoul, Korea; they were strictly guarded but the stop was pleasant. The last stop was in Anchorage, Alaska, and then on to Dallas and home.

If you smell natural gas, follow these 3 steps to safety.

The natural gas industry has one of the best safety records of any energy source in the United States.

The fact that you *can* smell natural gas is because we add a harmless chemical to it as an extra safety feature. Otherwise, it would be completely odorless. If you detect faint whiffs of what you think may be gas, investigate. It may be something that is as easily and safely corrected as a pilot light that has gone out, or a burner valve that's partially open.

If your equipment seems to be working properly and the odor intensifies and seems to be everywhere, please follow these precautions:

1. Do not switch anything electrical on or off. Don't use the telephone in your own home. Do not strike a match. Do not do anything that might cause a spark.
2. Have everyone leave the house immediately, leaving doors open to help ventilate.
3. Go to a nearby telephone and call Lone Star Gas Company. Wait until we have found the source of the odor to determine whether it's safe for you to return to the house.

You may never have a natural gas leak, but we want you to be informed in case one does occur. Please make sure your family is aware of these precautionary steps. And we suggest that you keep this message for future reference.

Classing Office Opens At Munday

Cotton harvesting activities have been heavy between rains, especially in the Munday area, according to B.B. Manly Jr. of the USDA Cotton Classing Office in Abilene. On Tuesday, October 26, Sidney Ferrell opened the sub-office at Munday. Haskell County cotton will be classified by the Munday office. Prices being offered for cotton are very good this year, and range from around 60 cents up to 68 cents per pound. Some acreages are being contracted at 33 to 35 cents per pound above the government loan rate, which would mean from 64 to 67 cents per pound for the most predominant qualities processed this week. Around 2,000 samples were processed from the Munday area this week, bringing the season total to 2,400. Predominant grades were 41 with 40 percent; grade 51 with 16 percent; and grade 42 with 24 percent. Nine percent was reduced in grade because of bark. The predominant staple was 30 with 49 percent. Other staples were 31 with 34 percent and 32 with 13 percent. Mike readings were 89 percent in the premium 3.5 - 4.9 category with four percent falling below 3.5 and seven percent above 4.9. Ferrell will be in his sixth season as officer-in-charge of the Munday office.

Your Social Security

Persons may have some income and still be eligible for supplemental security income (SSI) payments, according to Carl R. Beisner, claims representative in Vernon. The SSI program makes monthly payments to those with little or no income and limited resources who are 65 or over or blind or disabled. "Eligible persons with no other income at all can get a Federal SSI payment of as

much as \$167.80 a month for one person and \$251.80 for a couple," Beisner said. "But those with some other income may also be eligible for payments—even though the payment amount may be reduced."

"Most persons, including those in financial need, have some income," he noted. "That's why the word 'supplemental' appears in the name of the supplemental security income program. The payments generally are added to other income."

The Federal payments may be reduced because of income such as social security checks, company pensions, veterans compensation, or workers' compensation. "But the first \$20 a month of such income doesn't count against the SSI payment," Beisner said.

Also, the first \$65 a month in earnings from a job or self employment doesn't count," he said. "SSI payments are reduced by 50 cents for each \$1 earned over \$65 for the month."

The basic Federal payment amounts have been increased by about 18.4 percent to keep up with the cost of living since the SSI program started in 1974. "Some persons who were ineligible for payments then may be eligible now," Beisner said.

The Vernon Social Security Office is located at 1701 Cumberland. The phone number is 817-552-9346.

ATTEND PAGEANT

Among those from Knox City attending the Miss Teenage Abilene pageant Saturday night in the Abilene Civic Center were Mrs. Paul Clayton, Cyle and Christi, Scott Lynn, Mr. and Mrs. Lee Smith, Mr. and Mrs. Tommy Kent, and Mr. and Mrs. Buddy Angle and Stacy. A friend of the Claytons', Debbie Megginson of Abilene, was one of the 32 semi-finalists in the pageant. Stacy served on the judges' panel and winner of the contest was seventeen-year-old Leesa Jackson, a student at Cooper High School in Abilene.

AT MARKET

Mrs. Dessie Egenbacher attended spring market at the Apparel Mart in Dallas last weekend.

Accompanying her was her niece, Sandy Stubbs, who was home from Odessa for the weekend.

HEATLY
from page one

Local referendums necessary to raise property taxes will be held on the same day as school board elections.

The Committee intends for the proposed legislation to be permanent, not just for the 1977-78 biennium.

Chairman of the Committee, Representative Tom C. Massey of San Angelo, remarked that "Representative Heatly is to be commended for his diligence and dedication on the Committee during the past several months. His contributions have been instrumental in the development of a plan that will benefit the children and taxpayers of this state for years to come."

The Committee, which has held a series of public hearings throughout the state since last February, was appointed by House Speaker Bill Clayton to determine if there were alternative sources of revenue other than the ad valorem property tax for financing Texas public schools. In appointing the Committee, Speaker Clayton stated that the Committee had the greatest responsibility of any committee in recent legislative history. The blue-ribbon panel included Representatives Massey, Fred J. Agnich of Dallas, Roy M. Blake of Nacogdoches, Wilhelmina Delco of Austin, Frank Hartung of Houston, W.S. "Bill" Heatly of Paducah, Dan Kubiak of Rockdale, Camm Lary Jr. of Burnet, and Ruben Torres of Brownsville.

THIS AREA MUST BE NOTED FOR spectacular vegetables! Ford Waldrip who lives on the eastern edge of O'Brien, brought these two sweet potatoes by the News office this week. The one nearest the camera, which he cut into as he dug it up, measured 34 inches while the other measured 31 inches.

of approximately \$2.6 billion which will be available for appropriations by the Legislature over the next two years. The Committee determined that education should have first call on the available funds for the dual purpose of relieving ad valorem taxpayers and equalizing educational opportunity throughout the state.

In the course of the hearings, the Committee found that there is widespread concern that ad valorem taxes are forcing persons off their land and out of their homes. At the same time, the State Comptroller has projected a surplus

The seniors have planned their money projects for this year, and these include the senior play, concession stand, which will be next Friday night when we play Haskell; Thanksgiving Supper, November 18; fifth and sixth grade basketball tournament, February 21-26; and the senior carnival, which will be in February, also.
Yea!!! We have an off day, Friday the 29th. Get a Mogul!!!!

SENIOR CLASS NEWS

Judy Herring
A Junior Class meeting was held Thursday, October 21 in the high school library. There was a good turnout for the meeting. Plans were discussed for a workday, Saturday, October 23.
The Juniors left from school at 8:15 Saturday morning and proceeded to the property of Mr. Sam Leaverton to clean up some of his land. The seniors worked for five hours and were paid \$2.00 an hour each. This money will go toward Junior Sneak Day in the spring and other Junior class activities.
We are very grateful to Mr. Leaverton, our sponsor, for doing the work for us and for giving us Saturday. We would also like to express our thanks to Mr. Leaverton for providing the work for us.

PEP CLUB NEWS

By Sonia Carter
This is your last week to buy mums for the Munday football game. If you would like to buy a mum see any pep-club member or Mrs. Watson. This being our homecoming, we really expect a good turnout Friday night. We really would like to see our boys win, so help us show them some spirit!!!

Football Results

By Kelly Robinson

The stage was set last Thursday night at Munday and the actors were the football players from both schools. In this traditional rivalry of Knox County schools football was almost the order of the day, as four games took place in Mogul Stadium. The World Series was on TV, but the County Series was on the football field, with Knox City-O'Brien coming out the winner with three victories to one loss.

The highlight game of the evening was the first game on the card, as the two fifth and sixth grade teams from both schools took the field. It should be pointed out that this was the first game of the season and in the lives of these young athletes and they responded very well. They have been working very hard all year in workouts and it could be seen in their performance on Thursday. The score: O'Brien Bulldogs 16, Munday Braves 6. I guess you could say that this gives the Dogs first place in district, as this is supposedly the last game for them. However, it is rumored that a possible rematch may take place in the future. Anyway, congratulations to those fifth and sixth grade Bulldogs on their victory!

Munday Braves 16-6. The fifth and sixth grade cheerleaders are Karac Beason, Charlette Albus, Kristi Boone, and Bonnie Stewart. Our football coach is Charles Reed.

Friday, October 22 all the junior high went to Abilene to see Huck Finn. It was good but each word led to a song. We all fit on three buses, it was kind of stuffed!!

After the shows we went to eat, fifth and sixth ate at McDonald's and seventh and eighth ate at Burger King. That's All Folks!!!

FROM PADUCAH

J.B. Eubank, former Trustcott resident who now lives in Paducah, visited the Buddy Angles and Mrs. Grady Benedict in the News office Wednesday of last week.

Thursday, October 28 -- Seventh, eighth, and junior varsity games here with Paducah beginning at 5:00 p.m.; Pep Club delivers mums; Bonfire at 3:30 p.m. on old gin lot

Friday, October 29 -- Teacher In-Service, TSTA; Band Practice 10:00 a.m. to 12:00 noon and 1:00 to 3:00 p.m.; Munday game, here at 7:30 p.m.

Saturday, October 30 -- Freshman game with Anson, here at 10:00 a.m.

Monday, November 1 -- Band Practice, 4:00 to 6:00 p.m.; FFA Meeting, 7:00 p.m.

Tuesday, November 2 -- UIL Band Marching Contest, Wichita Falls

morning at 10:00 a.m. and they left very happy with a victory over the Freshmen Hounds. This was the Fish first game in several weeks and they were totally out-matched physically. The final tally was Rule 38, KC 0. These boys have to workout almost everyday with no game to look forward to in most weeks. This is very hard to do and then to play a much bigger team is even harder, so continue to back the Fish as they are trying their best and that is all you can ask for.

Volleyball Results

Volleyball action got underway this week when the Knox City girls again met the Rochester Steers.

In the varsity match, Rochester took all three games with scores of 15-11, 15-4, and 15-8.

Scoring for the KC varsity team were Maxine Casillas with a three game total of 9, Sheryll Guinn with a total of 17, and Rosa Rocha and Beverly Ward with 2 each.

Adding points for the JV team were Cynthia Rhodes with 12, Sonia Carter, 8, Jewell Culbertson 6, and Brenda Albus, Becky Rojas and Gerri Watson with 4 each.

In the Junior Varsity contest, Rochester took the first and the third games with scores of 15-9 and 15-12. The second game brought a score of KC 15, Rochester 8.

There will be a district tournament November 4 at Hamlin. Knox City will first meet Aspermont and then the winner or loser of the Hamlin-Paducah match.

What Is The Church Of Christ?

Many sincere truth-seeking people have raised this question, and we believe they deserve an honest answer.

Our English word "church" is derived from a Greek word "ekklesia", which means "the called out". Jesus did not coin this word. It was already in use before He came on the scene, and it was often used with reference to any assembly or called out body of people. Jesus simply adapted the word to apply to those whom He would call out of the world into His Kingdom and family (John 3:1-5; 1 Thessalonians 2:12; 11 Thessalonians 2:14; Colossians 1:13). When we designate the called out as the "church of Christ" we are not referring to just any "called out" group or assembly, but we are referring to those whom Christ has called out of the world and into His body (Colossians 3:15). The word "church" is used in the generic or broad general sense, as in Matthew 16:18; Ephesians 3:21 etc. Then it is used in the restricted or local sense to refer to the church in a certain place, as in Jerusalem, Samaria, Antioch or some other place. When the plural, churches, occurs it always signifies a plurality of local churches of the same faith and order in an area, as in Judea, Galilee, Galatia, Achaia, etc. No denominations existed in the apostolic days and for several hundred years thereafter. Not one of the popular denominations of our day can boast a beginning earlier than 1500 A.D. The church of the New Testament was not and is not a denomination.

WHAT IS THE CHURCH OF CHRIST?

1. The church of Christ is the church Christ promised to build. He called it "My church", Matthew 16: 18.
2. The church of Christ is the one of which He is the foundation. Isaiah 28:16; 1 Peter 2:4-9; 1 Corinthians 3:10-11.
3. The church of Christ is the church of which He is the head. Ephesians 1:20-23; 5:23; Colossians 1:18, 24. Please note that He is said to be head of the "church of which is His body" and "the body, the church," Christ has but one body. Ephesians 4:1-6; 1 Corinthians 12:12-20.
4. The church of Christ is the one for which He shed His blood. Matthew 26:28; Acts 20:28, and for which He gave His life. Ephesians 5:25-27.
5. The church of Christ is said to be the "wife of Christ" and He is her husband. Ephesians 5:23-32; Romans 7:1-4. Please observe that Christ is the husband of only one wife. He is not a polygamist.
6. The church of Christ is the one through which we are to glorify God. Ephesians 3:21.
7. The church of Christ is the one by which God's manifold wisdom is to be known, and this is according to His eternal purpose. Ephesians 3:10-11.
8. The church of Christ is the one to which the saved are added. Acts 2:47.
9. The church of Christ is the body of which Christ is the Saviour. Ephesians 5: 23.
10. The church of Christ is the church in which He has preeminence. Colossians 1:18.
11. The church of Christ is the "fullness" of Christ. Ephesians 1:22-23.

O'Brien Happenings

BY CHARLENE BROTHERS

Well, if I can stop my head from spinning long enough I will try to get a little news to the office by the deadline on Tuesday afternoon, really the deadline is on Monday, but they are so used to me being late that if I took it in on time they would all faint from fright. The weather is so cold to me, that my fingers are stiff and my typing will be terrible. It is that way any time, but will probably be worse today. Stacy will have so many red marks on my paper it will look like a school student's homework after being corrected.

If you missed the ballgame last Friday night, you missed a very good game. I'm sure that Rotan's people coming for their homecoming did not think so, but we did. It looked like for awhile they would beat us by one point, then when the Knox City boys got down to the hard part they won the game. I thought for awhile they might not try for a field goal, and for some reason I thought they would make it, besides what did they have to lose, they were beaten anyway, it was the fourth down and they were on the 20-yard line, or about, and try they did and make it they did. Congratulations, boys. I hope the weather warms up some before the weekend and the Monday game. I think I have to see all the games, as

this is Craig's last year, and it is so much nicer if it isn't quite so cold. Come out and see Knox City play Monday, Friday night at KC.

Come Sunday morning we will have the time change again. We will get to sleep one hour longer Saturday night. Next week it will get dark so early. It will take us so long to get used to the change, then it will be nearly time to go back to daylight saving time.

HERE AND THERE

Visiting in the home of Mr. and Mrs. Claudale Barnard during the weekend were their daughters and families, Mr. and Mrs. Eddie Bryant, Jennifer and J.D. of Crane and Mr. and Mrs. Don Roberts and Trisha of Azle.

Gail Rowan of Lubbock visited in the home of her parents, Mr. and Mrs. Ivan Rowan and Wayne during the weekend.

Mr. and Mrs. A.A. Cox were in Lubbock during the weekend visiting with their son, Jackie and children. Randy, Jackie's son, was in a motorcycle-car accident. He has a broken leg, broke one place above the knee and four places below the knee. Mrs. Cox reported that he was doing as well as could be expected.

Rob (R.M.) Johnston is a patient in the Knox County Hospital after having surgery

last Thursday. Anna told me Monday he was doing fine, that he was already walking around in the halls. (It is amazing how these 70-80 year-old people can be up going on their own so soon after surgery, you know I believe they are made out of better stuff than we younger ones are. They always kept needles in my arm or wherever they could find a vein, feeding me that stuff from the bottles for four or five days. They then would let me up and walk.)

Mrs. L.A. Covey was in Midland last week visiting with her daughter, Trudy. Trudy is a student in Midland Junior College.

Betty Gutierrez and Carmen Conn, students at TSTI College in Waco, visited with their parents and friends, Mr. and Mrs. Humberto Gutierrez and family and Mrs. Esther Conn.

Vicki Hewitt, a student at Sayre Junior College, Sayre, Oklahoma, visited with her parents, Mr. and Mrs. Coy Hewitt and Toni during the weekend.

Carol Cox visited in Electra during the weekend with friends.

If the weather stays like it has the past weeks, we will be ginning on the 1976 cotton crop about June of 1977. We really need some pretty weather so the farmers can get their crops out and there are still some that have not gotten their wheat sown yet. It seem no matter what we are always fussing about the weather, it is either too hot, too cold, too wet, or too dry, maybe we should stop fussing and start praying and we would probably have better times.

Abilene Policeman Speaks To Study Club

The Knox City Study Club met Thursday, October 21, at 2:30 p.m. in the Community Center with eleven members and one visitor present.

Members attending the meeting included Mmes. Mary Groves, Delia Kay, Sudia Cash, Wretha Fitzgerald, Myrtle White, C.C. Hoge, Mabel Pyeatt, Clara Smith, Lois Smith, Virginia Casey, and E.O. Warren.

Mrs. Marjorie Baker was a guest for the meeting.

Due to illness of the scheduled speaker, Sergeant Harold Emerson of the Abilene Police Department, Mrs. Delia Kay introduced Patrolman John Rodriguez, who is a

ten year member of the Abilene Police Department. Patrolman Rodriguez showed a film on "Personal Security" and then followed the film with discussion and a question and answer period for the club women.

Mr. Rodriguez gave four basics of personal safety to be remembered by letters in the word SAFE. S--Secure, A--Avoid, F--Flee, and E--Engage.

Secure home and car with proper locks and use them. Avoid such dangers as advertising that you are a woman who lives or travels alone.

Learn to flee dangers rather than taking chances. If the first three--secure, avoid, and flee fail, then learn to protect yourself as the film directed.

Mrs. Mabel Pyeatt provided background music at the piano.

Mrs. Delia Kay and Mrs. Curtis Casey served refreshments of "witches brew" (a delicious punch), coffee, cookies and Halloween candies.

The next meeting will be November 18 when Dr. Edward L. Kirk of Abilene Christian University will speak on the subject of Americanism. The public is invited to attend and hear this interesting speaker.

IN BARNARD HOME

Visiting in the home of Mr. and Mrs. R.P. Barnard Jr. over the weekend were their children, Mr. and Mrs. Richard Barnard of Dallas, Joe Barnard of Lubbock, Mr. and Mrs. Rick Graham of Odessa, and Mr. and Mrs. Payton Tankersley and Brian of Knox City.

Also visiting the group was R.P.'s mother, Mrs. R.P. Barnard Sr. of O'Brien.

Barbara reported that it was the first time in quite a while for all of their children to be together and that they celebrated Richard's discharge from the Navy and her and R.P.'s wedding anniversary.

VISIT HERE

Weekend visitors in the home of Mr. and Mrs. Alton Fitzgerald and Terrell over the weekend were their son, Leslie, a student at Tarleton State University in Stephenville and their daughter and granddaughters, Donna Cantrell, Lisa and Gayla, of Fort Worth.

Accompanying them was one of Terrell's friends, who is also from Fort Worth.

IN WHEELER HOME

Guests in the home of Mr. and Mrs. E.H. Wheeler last week included their children, Dorothy Malone and grandson, Chad of Irving, Bill Wheeler of Odessa, Mr. and Mrs. H.M. Wheeler of Dallas, Mr. and Mrs. Gary Wheeler, Robin and Clay of Hobbs, New Mexico, Mr. and Mrs. Buford Wheeler and Randy of Phoenix, Arizona, and Mrs. Wayne Wheeler of Odessa.

Accidents Investigated

The Texas Highway Patrol investigated four accidents on rural highways in Knox County during the month of September, 1976 according to Sergeant Jircik, Highway Patrol supervisor of this area.

These crashes resulted in one person killed and one person injured.

The rural traffic accident summary for this county during the first nine months of 1976 shows a total of 39 accidents resulting in two persons killed and 23 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for September 1976, shows a total of 567 accidents resulting in 15 persons killed and 306 injured, as compared to September 1975, with 551 accidents resulting in 29 persons killed and 314 persons injured. This was 16 more accidents, 14 less killed, and eight less injured in 1976 at the same period of time.

The 15 traffic deaths for the month of September, 1976, occurred in the following counties: Three each in Potter; two each in Wise; one each in Donley, Deaf Smith, Lubbock, Dallam, Gray, Moore, Wilbarger, Knox, Parker, Wichita.

The Speaker Reports

by **Bill Clayton**

AUSTIN—In my opinion the state should explore all avenues in cutting costs. One proposal I would like to be given serious consideration is a study which involves joint use of state facilities.

Recently Texas Woman's University authorized a study by an internationally-known consulting firm. The thrust of the study was to determine if there would be a savings if Texas College of Osteopathic Medicine and a proposed medical school for TWU used a joint site for their facilities. It is my opinion that the study made in that instance is just the tip of the iceberg.

This type of 'piggy-backing' might be extended to the field of education and to all of our state agencies. At least such a study would give us the opportunity to find out just what kind of savings we could expect. We would know after completion of the study not only what would be good about combining services and facilities but also any major drawbacks to sharing.

The list of possible areas of savings is unending. We would eliminate the need for a double set of streets. Utilities could be combined. Fire and security protection, libraries, auditoriums, cafeterias, parking lots, computer systems, laundries, maintenance, administrative

offices and major equipment are examples that readily come to mind. Additionally there might be a savings in the making of cooperative purchases.

In this day when inflation keeps us cash short and on the lookout for savings, such a study might indeed provide the beginnings for huge savings of taxpayer dollars.

I am not saying that joint site location would work in every case, but by exploring every side of a given situation we would be able to determine any savings and efficiency that might be available. It might be worth investigating the possibility that every plan for a new state structure include the feasibility of co-existing with compatible state entities.

The reason such prudence with state dollars is needed goes back to the people who pick up the ticket for every project--the taxpayers. These funds were collected so that government can operate for the good of the people. Government can work efficiently only if those working in government strive to protect the taxpayer by looking in every corner for a savings. I believe a study of this type could be a tool for government to assist in monitoring its spending.

D-DAY FOR DEMOCRATS

Nov. 2

Voters of the 101st Legislative District:

You have seen many times the following test sentence for beginning typists: "Now is the time for all good men to come to the aid of their party."

Tuesday, November 2 is it for this year, though it should be amended by substituting "Democrats" for "men," because everybody 18 years of age and older, regardless of sex, is eligible to vote.

- I have two suggestions:
1. Be sure to vote. In case you plan to be away from home on election day, go to your County Clerk's office and cast an absentee ballot in the period prior to election day prescribed by law.
 2. Vote a straight Democratic ticket!

I appreciate your support in the past and solicit your vote in the General Election. Call on me when I can be of service. I can be reached at my office in Paducah, except during sessions of the Legislature when I can be reached at my Austin office.

MRS. RICK LYNN MEINZER
...the former Patsy Ann Zeissel

Zeissel-Meinzer Vows Read In Rhineland

St. Joseph's Catholic Church in Rhineland was the setting Saturday evening for the formal candlelight double ceremony uniting Miss Patsy Ann Zeissel of Munday and Rick Lynn Meinzer of Benjamin.

The bride is the daughter of Mr. and Mrs. Marvin G. Zeissel of Munday and Mr. and Mrs. Pate Meinzer of Benjamin are parents of the bridegroom.

Father Bartholomew Landwermeyer officiated. Servers were Bryan Kuehler and Danny Hertel.

The altar was decorated with fall flowers and greenery flanked on either side by spiral and single candelabra.

For her wedding, the bride chose a formal candlelight gown in bridal satin. The fitted bodice had a deep V yoke of lace and the lace was repeated on the long tapered sleeves. The full skirt of the gown was edged with lace and fell into a chapel train. Her headpiece was a Camelot cap holding a double layer veil of imported English illusion. Appliques of lace enhanced her floor-length veil. She carried white glamelias, orange roses, and other flowers.

Miss Mary Denise Zeissel attended her sister as maid of

honor. She was attired in a matte jersey gown of persimmon which featured an Empire bodice, high draped neckline and long sleeves. Her Camelot cap of velvet flowers held a bustle veil and she carried glamelias and mums on lemon leaves.

Bridesmaids were Miss Nancy Elaine Zeissel and Mrs. Greg Zeissel. They were dressed identically to the honor attendant.

Lighting candles for the ceremony was Miss Janet Marie Zeissel.

Wyman Meinzer, brother of the bridegroom, was best man and groomsmen were Kenneth Groves and Bryan Bumpass.

Seating guests were Greg Zeissel, brother of the bride, and Terry Bufkin.

Mrs. Leo Fetsch and Melissa Zeissel were organists and accompanied Mary Smith and Mr. and Mrs. Alvin Michalik.

The bride's parents hosted the reception in the Columbus Club Hall. Registering wedding guests was Mrs. Larry Don Mathis. Assisting with the reception tables were Mrs. Bob Traverina, sister of the bridegroom, Cheryl Meinzer, Sandy Precour, Anita Bieg, Nora McClure, Donna Squires, Mmes. Mike Lane, Alphonse Kuehler, Frank Steinback, Lou Rose Schumacher, Robert Hertel, John Ed Wilde, Lefty Wilde, and Vernal Zeissel.

Following their wedding trip, the couple is at home in Rhineland.

The new Mrs. Meinzer is a graduate of Munday High School and attended Texas Tech University in Lubbock.

A graduate of Benjamin High School, the bridegroom attended Vernon Regional Junior College and is currently employed by the ASCS office for Knox County and the League Ranch in Benjamin.

The bridegroom's parents were hosts for the rehearsal dinner Friday evening at Hazel's Cafe in Benjamin.

Learn to Spot Spoiled Canned Food

AUSTIN—Home canning has become increasingly popular in recent years, and with good reason.

It's not difficult, and if instructions are followed carefully, good results are practically assured.

But sometimes, something goes wrong.

For this reason, even canned food that shows no obvious signs of spoilage should never be tasted until it has first been boiled for 20 minutes. If it has an unpleasant odor or foams abnormally during cooking, it should be destroyed without tasting and the containers sterilized as described below.

It is important to learn to recognize the signs of spoilage. The Texas Department of Agriculture home economist offers the following guidelines for determining if canned food has spoiled.

The following signs can be spotted in unopened containers:

- Small bubbles in the contents.
- Seeping and/or bulging seams.
- Mold on the contents.
- Shriveled or spongy food.
- Cloudy liquid.
- Unnaturally colored food.

When the container is opened, additional signs of spoilage may be apparent:

- Spurting liquid, as if

under pressure.

- Signs of fermentation.
- Slimy or unnaturally soft food.
- Disagreeable odor.
- Mold on the inside of the jar or lid, or in the contents.

If any of these signs are evident, the most important thing to remember is not to taste the contents. Only a small amount of toxin can be fatal.

The contaminated food must be destroyed in such a way that neither human beings nor animals can eat it.

If at all possible, burn the food.

If this is not possible, put the food, container and closures in a large enamel pot, cover with water, then add ¼ cup of strong detergent and a household disinfectant (not bleach) according to label directions.

Boil hard for 20 minutes. Remove closures and containers. Flush remaining contents down the toilet. The closures should be discarded. The sterilized glass jars may be used again, if they are undamaged.

Remember: If in doubt, DO NOT TASTE THE FOOD. About 700 people have died from eating spoiled home-canned foods since 1925.

REGULAR - TALLS - EXTRA LARGE

Can we afford four more years without effective leadership?

There is a critical decision to be made on November 2nd. It goes far beyond the question of which Presidential candidate can govern with integrity and honesty. We must determine which candidate has the ability and strength to lead our country out of economic chaos, and the vision to see that all Americans—not just the powerful and influential—have a better future.

During the past two years, the middle class has paid far too dear a price for a President lacking that ability.

Since Gerald Ford took office, the unemployment rate has risen 50%, from 5.5% or 5 million people, to 7.9% or 7-1/2 million jobless Americans.

Today's inflation rate of 6% is higher than it was at any time between the

Korean War and the inauguration of Richard Nixon.

The 1968 food dollar is now worth 57¢.

Mr. Ford's budget will account for the largest single deficit and more than 1/3 of the public debt incurred during our entire 200-year history.

Real GNP has actually declined during each of Gerald Ford's two years in office.

And who is most affected by these distressing statistics? Not the Washington establishment, or the economic elite courted by the Republicans. The burden falls on the person who can least afford it: the average American.

Jimmy Carter means to change all that. As President, he will make government responsive to your needs.

Tax Reform: "The average family in this country actually pays a higher proportion of their income in taxes than the average family that makes more than a million dollars a year. That's disgraceful. We need to move toward a truly progressive and simplified tax system, with reduced tax rates for the average American."

Economy: "We'll never have a balanced budget nor an end to the inflationary problems as long as we have 7-1/2 million people out of work. Employment needs to be the major thrust of the whole domestic policy of our government."

Efficiency in Government: "We now have in the

federal government the most bloated, confused, wasteful bureaucracy ever created. There's no way to get an answer out of Washington and no way to understand what's going on there. We need to reorganize completely the executive branch of government, making it fair, efficient, effective, and responsive to our people's needs."

Housing: "No government that cared about our neighborhoods would stack the tax deck against them. A landlord can let a building run down and make a good living on tax breaks. But when a home owner spends a little hard-earned money fixing up his home, the assessor raises his taxes. And the FHA no longer

cares about families getting started in their own homes. I intend to restore the FHA to the time when, for a down payment, a family could get a mortgage which the government would insure."

Health Care: "We need a nationwide health care delivery system which will make adequate health care a right for all people."

Jimmy Carter has the strength to take charge of our government. If you are tired of paying the high price of Republican ineffectiveness, you have only one choice on November 2nd, and that choice is for change.

Wednesday's meeting was especially active and the club enjoyed having seven visitors. Among these were Bobby Hudson, director of the Haskell-Knox Consortium and three students who take part in the classes for exceptional children. They were Leann Benson, Kevin Reed, and Sharon Brown. Lion Bill Baker introduced them and also showed a film on Plan A Education in Action. Afterwards, the children solicited for membership in the Council for Exceptional Children and many Lions were pleased to become supporting members. This Council promotes extra activities for handicapped children and their meetings also provide a place for the helpful exchange of information.

Lion Tom Kent nominated Bob Bohanon, employed by Farm Bureau, for membership in the club and after some discussion he was voted "in" with a roar of approval. Lion Wink Shifflett again reminded Lions of the booth assignments for the Halloween carnival on October 30 at the school.
