School Bids to be Opened April 17

Ed Wilson and J. T. Dunlap of Wilson and Patterson Associates, Fort Worth, met with the Knox City School board Monday night.

The architects discussed with board members the blueprints of the new building and rehabilitation of the high school building into a cafeterium. The board approved the plans and authorized the architects to advertise for bids, with emphasis on speed in both letting the contracts and the actual building.

April 17 at 2 p. m. at the American Legion hall was the date and place set for the opening of bids. The bids will be opened and tabulated by the architects, who will meet with the board that night, Supt. Charles E. Silk said.

There will be three contract proposals, general construction, all electrical work, and plumbing and heating.

Purpose of the three proposals, the superintendent said, is to give local builders, electricians and plumbers an opportunity to bid.

Anyone interested in bidding on any phase of the program can receive a set of the plans from Wilson and Patterson Associates.

PAINT AND BODY SHOP CHANGES OWNERSHIP

Sterling Lewis and Clinton Lewis Sr. this week purchased the DeLuxe Paint & Body Shop from Mrs. Horace Benedict, and the shop—which had been closed for several days—has been re-opened for business under the firm name of Lewis DeLuxe Paint & Body Shop.

Sterling had been an employe of the body shop about four years, and had recently been manager. He will be manager of the new firm. His father, Clinton Sr., had been employed at the shop about a year.

Besides regular body work and automobile painting, the company will specialize in custom made seat covers, door panel covers, glass installation, and will offer 24-hour wrecker service.

Sterling expressed his thanks to those who have patronized the shop under his management in the past, and asked the continued patronage of his former customers.

NO INTEREST, NO PERSONNEL

With some 40 or more volunteer signers, the local Ground Observer corps was looking forward to a real practice alert the past Sunday afternoon.

Result: three people for practice, no planes over the area. The director told this reporter that after making numerous telephone calls it was found that the volunteers were "out of their home or had company." It would appear, according to reports, that the signers have no interest in the work.

A call was issued this week for new volunteers and for younger people to sign up for this work. It is a vital part of the defense plan of the country and should an emergency arise, could be the means of saving many lives.

A training program is to be worked out for new volunteers and for the younger people that may sign up, it was stated.

The faithful three on hand Sunday afternoon were Rev. Walter Driver, director, Mrs. Bob Robertson, assistant director and Robbie Robertson, spotter.

In the words of the director, "very little interest is being shown, so we must do something else."

Blood is Donated to Leukemia Victim

Joe Melton Garrison, 13, son of Mr. and Mrs. Harry Garrison of Tucumcari, N.M. is in Baylor hospital, Dallas, a victim of leukemia.

Monday of this week, Wesley Garrison, city clerk, received a wire from the youth's father stating that the blood bank needed additional life fluid for the boy.

Five residents of Knox City in addition to Garrison, made a trip to the blood bank at Abilene Tuesday to donate blood for the youngster.

Young Garrison has a blood type Rh positive, International B, which is comparatively rare, but the residents here responded to the call for blood to ease human suffering.

Blood donors for the cause included Alvin Roberts, Chester Abbott, Ed Wynn, George Hodges and Paul Hoge.

The Garrisons are former residents of this city.

J. P. HESTER ILL

Mr. and Mrs. Marlin Hester of Plainview are here to be with his father, J. P. Hester, who is a patient in the Knox County Hospital after suffering a heart attack last Friday.

Mrs. W. F. Bolin Celebrates Passing Milepost No. 90

Mrs. W. F. Bolin celebrated her 90th birthday Saturday and Sunday with all her children at home except one son, Tom, who lives in Sweetwater.

She was born March 17, 1866 in Navarro county. She is the former Miss Lavinia Jones and married Mr. Bolin Dec. 10, 1885. The couple moved to Knox City in November, 1910. Mr. Bolin, a retired farmer, died in 1944.

Although Mrs. Bolin has been on crutches since 1943, when she fractured a hip, she assists her daughter, Lessie, with the dish washing and other housekeeping chores. One thing she does, which none of her children can do, is read without glasses.

Out-of-town guests for the celebration were Mr. and Mrs. Sidney Turner of Fort Worth, Mr. and Mrs. George Bolin of Lubbock, Mr. and Mrs. W. W. Dilworth and Hoyt Shaw of Fort Worth, Mr. and Mrs. Vance Favor of Quanah, and Mr. and Mrs. Arville Coyle and children of Childress.

Other relatives in Knox City were present.

Funeral Services Being Held Today For Truscott Resident

Funeral services for Jack Whitaker, Truscott manager for West Texas Utilities Co., were to be held at 3:30 this afternoon (Thursday) at the First Christian Church in Truscott.

Mr. Whitaker died while fishing in a stock tank near Baird about 9:15 a. m. Wednesday. He was found dead in a sitting position by a farmer and other members of the fishing party.

He and his wife were visiting her brother, E. Y. Elliott, and Mrs. Elliott in Clyde.

Survivors include the wife, one daughter and five sons.

BULLETIN

The State Highway Dept. let the contract Tuesday for paving the "cutoff" between Knox City and U. S. 82.

Bryan & Hofman, Plainview, was awarded the contract for the 11.1 miles of grading, structures and paving on a low bid of \$139,143.

Herbert Cunningham of Munday, resident engineer, had previously announced that actual work would begin about thirty days after the contract was let, and the job would be completed in 160 working days.

Six miles of the "cut off," west from Knox City, have been paved for some time, and completion of the road, which has been designated Farm Road 143, will culminate years of planning and effort by civic leaders and county officials in Knox and King Counties.

'Easter Parade' on Tap for March 29

Plans for an Easter parade were announced this week by members of the senior class.

The fashion show will be held at the school auditorium Thursday night, March 29, beginning at 8 p. m., and will include all ages of boys and girls from pre-school age through high school.

A dress rehearsal will be held the night before the show in order to get descriptions of clothes to be modeled.

Commentator will be Mrs. Rip Collins. Admission will be 25 cents for children under 12, and 50 cents for adults.

An entertainment program, with a spring and Easter theme, will also be presented.

Committees in charge of the parade are:

Pre-school, Barbara Egenbacher, Rowena Helms and Bobby Tankersley; first through fourth grades, Jo May Newbrough, Patricia Montandon and Georganna Fitzgerald; fifth through eighth grades, Donna Worley, Janette Oliver, Bettye Hooker and Sammie Darr; and high school, Florence Reeves, Jo Chafin and Kenneth Day.

Entries should be submitted to any committee member or to Mrs. Sammy Tankersley, class sponsor.

AFFIDAVITS NEEDED

Farmers to Establish Wage Rate Paid in This Area

Farmers in this area are being asked to sign affidavits as to how much they paid for cotton picking during certain periods last fall.

The affidavits will be used to establish the average wage paid for cotton harvesting, and may save area farmers thousands of dollars.

The U. S. Department of Labor has said that a survey conducted by the agency during the fall showed the average wage paid U. S. domestic workers was \$1.75 per 100 pounds of cotton pulled, while most farmers who used Mexican "braceros" paid \$1.55 per 100 pounds.

Farmers are being asked to pay an additional 20 cents per hundred, and Charles Reese, local ginners, estimates this would cost farmers in the Knox City, O'Brien, Rochester area at least \$30,000.

According to Reese, the Texas Employment Commission conducted a survey and set the prevailing wage at "from \$1.55 to \$1.75," but a later survey by U. S. Department of Labor representatives showed only the higher figure, Reese believes the Labor Dept. conducted

Petition Circulated for Cemetery Maintenance

You loved them in life. No doubt you revere their memory now that they have been called to their reward. Do you care enough to keep their final resting places beautiful? Or are you content to let time ravage that hallowed spot of ground which is now their bed?

Members of the Knox City Cemetery committee this week began circulation of a petition in Precinct 1, which, if plans at present afoot, become a reality, the departed ones of those left behind,

will forever have a place of beauty to rest and perpetual care will be assured for their graves.

Contributions inadequate

In the past the committee has had to rely upon voluntary contributions for the upkeep of Knox City and Gillespie cemeteries. Sad as it may seem, these contributions are far below the amount needed for the beautification of the "Grounds of Memory." This being true, then something must, of a necessity, be done in order that the memories shall endure and at the same time not appear to be a drudgery. It is to be remembered that they loved you, as you loved them then, and as you love, or should love their memory—for memory is all that you have, until the end of time.

The petition reads, in body content, as follows:

"We, the undersigned qualified voters whose signatures appear below respectfully petition the Honorable, County Judge and the Commissioners Court of Knox County, Texas, for an election to be held in Commissioner's Precinct No. 1 of Knox County, calling for a Maintenance Tax based on five cents per 100 dollar valuation in said precinct for the upkeep of the cemeteries in said Precinct No. 1.

"And that said Order of the Court be legally prepared for procedures of this type and said election be set as soon as practicable, as there is a need for finances to be allocated for this work. That said order be "For" or "Against" creating said five cents per 100 dollar valuation creating said Maintenance or Special Tax for the purposes set out above."

The committee is desirous of presenting this petition to the commissioners court at its April 2 meeting, it was stated. The required number of signatures is 90, in order for the presentation to be made to the court.

With the required number of signers names appearing on the petition an election would be in order, at a time designated by the commissioners court, for the purpose of levying a five (5) cent tax on each one hundred (\$100) dollars of taxable property for the upkeep of the two cemeteries. Only the cemeteries in Precinct 1 would be affected by the election, if called.

Facilities Listed
The cemeteries have their own well and pump, also a windmill, the city has laid pipe within the boundaries for watering purposes, it was reported. Also, the acquisition of additional land will be a must in the very near future, committee members reminded. However, these facilities are felt to be inadequate and the beautification and care of the grounds are below the standards set by the committee as their goal for the cemeteries.

Mrs. C. C. Hoge is chairman of the Knox City Cemetery committee, Mrs. C. J. Reese is secretary and there are members from various clubs in the town.

At present, voters residing in Precinct 1, desiring to sign the petition, in order to insure its presentation to the commissioners court, will find that they may do so at Hoge Pharmacy, or by contacting the committee chairman, secretary or a member.

A two-thirds majority of the voters will be necessary in order for the election to carry, it was noted. This majority is based on the number actually voting, and not on the number of voters registered in the precinct, it is emphasized.

You loved them then—do you love their memory? It is up to you to decide. It is not the thoughts you may have, but rather, the course of action you pursue that will decide the issue, for the heart that fails only delays the final outcome.

JAWBREAKERS—Anita Gray, left, and Dickie Goodson, champion and runner-up in Knox City spelling contest.

Anita Gray is Match Winner

Anita Gray, 14, daughter of Mr. and Mrs. J. E. Gray is the "champ." As representative of Knox City schools, she will compete in the spelling contest to be held at Vera, March 24, 10 a. m.

County Supt. Merick McLaughlin, is director of the bee.

Alternate from Knox City is Dickie Goodson, 13, son of Mr. and Mrs. Marvin Goodson.

The contest is sponsored by the Wichita Falls Times and Record-News.

The winner will represent Knox county in the district contest at Midwestern university, April 14. The winner of the district will compete in the national contest at Washington, D.C. at a later date.

Mrs. Dorse Rogers of Goree will be pronouncer for the Vera bee and judges will be Mrs. James Carver of Goree, Mrs. Otis Cash and Mrs. E. F. Branton, Knox City.

13 Local Entrants

With 13 hopefuls entered in the local contest, Miss Gray had to out-spell the other 12 in order to take undisputed possession of the title. According to reports, it was no easy chore.

Young Goodson, the alternate, "fainted" on "feint" when he became confused and wound up with "f-i-e-g-n."

The list of entries included Eddie Williams, Sue Shelton, Charlotte Perdue, Dickie Goodson, Linda Morris, Bobby Robinson.

Also Judy Smith, Melanie Verhalen, Kay Dean Hester, June Large, Jim Anderson, Joe Elledge and the winner, Anita Gray.

Miss Gray is an eighth grade student in junior high, while Goodson is a seventh-grader.

Frank McAuley, Sr. Asks Re-Election To Constable's Office

Frank McAuley Sr. this week authorized the Herald to announce his candidacy for re-election to the office of Constable, Precinct No. 5.

Mr. McAuley, long-time resident of Knox City, is completing his first two-year term in the office. He is also city night officer, a job he has held the past six years.

BVRs Set for Saturday Starting

The Brazos Valley relays will be held at Lueders, Saturday, March 24.

The BVRs include all teams in the area and is the largest Class B event of its type in the State.

Knox City high school's track team has been invited and will participate in the meet, according to Coach Les Cowan.

Team Members Named

The coach said members of the local team expected to take part in the event include Jerry Anderson, Sam Anderson, Cecil Beauchamp, Bobby Day, Bobby Driver, Tim Edwards, Billy Gilpin, Loyd McCullar, Glenn Hodges and Laddell Driver.

Good Season in Basketball

Paul Prater, basketball coach, stated this week that, for the first time in several years, the basketball season managed an even break.

Much new equipment was purchased, including 12 new basketballs, out of the proceeds from the games, and all other expenses were included.

Girls' VB Tourney

Knox City junior high girls' volleyball team was in tournament play at Vera Tuesday night of this week.

In the opening doubleheader, Knox City and Goree met head-on. The local lassies poured on the coal and succeeded in building quite a fire under the Goree gals.

Knox City knocked out a twin-win, 15-5 and 15-11, to take both ends of the setto.

Cold-decked in Finals

In the finals, the local females found out the hard way, what it means to lose. Although they fought tooth and toe-nail all the way, the effort proved futile.

Vera clipped their claws 15-13 and 15-10 to take the championship. Final standings found Vera in first place, Knox City in second and Benjamin and Goree sulking in the consolation bracket.

Girls making the trip were Kay Dean Hester, Anita Gray, Pretrecca Hendrix, Patsy Posey, Doris Bales, Ann Shelton, Jane Smith, Jeanne Colson, Gloria Copers, Melanie Verhalen and Donna Kay Abbott.

Mrs. E. R. Carpenter is team coach. Mr. and Mrs. George Wynn and Mrs. E. F. Branton accompanied the players to the tournament.

Mr. and Mrs. Henry Jones are in Austin and Houston visiting their son, Henry Jean, and family and their daughter, Martha Jane.

O'Brien Student at McMurry Pledges to Women's Social Club

Barbara Jean Hines, daughter of Mr. and Mrs. W. W. Hines of O'Brien, has been invited to pledge a social club at McMurry college in Abilene.

Miss Hines, a freshman at McMurry, is pledging Kappa Phi, women's social club organized in 1937.

A 1955 graduate of O'Brien high school, Miss Hines was a member of the Choral club, FHA and the basketball team. At McMurry she is majoring in physical education.

Vera McGaughey's Engagement Told

Mr. and Mrs. M. D. McGaughey of Benjamin, announce the engagement of their daughter, Vera, to John T. Vines, son of Mr. and Mrs. J. T. Vines of Jackson, Miss.

The wedding will be an August event.

Miss McGaughey will be a summer graduate of Texas State College for Women.

The prospective bridegroom has recently been discharged from the Army and plans to resume his studies at Mississippi State college in the fall.

BENJAMIN W.M.S. MEETS

BENJAMIN, March 26. — The Lydia Circle of the W.M.S. met Tuesday, March 13, with eight members present. The meeting was opened with a prayer by Mrs. Matt Brown.

Mrs. Maudie Clowers, Mission program chairman, gave the last chapter of the book, "Tribes Go Up."

A box of clothing was prepared for Buckner's Orphans Home. Plans were made for serving refreshments to the Sunbeams and for preparing a meal for the Workers Conference. The meeting was closed with a prayer by Mrs. Edith West.

RUBY WHEAT CIRCLE OF BAPTIST W.M.S. MEETS

The Ruby Wheat circle of the Woman's Missionary Society, Baptist Church, met in the home of Mrs. Ralph Barbee at 9:30 a. m. Monday.

Mrs. Bob Bailey led the opening prayer. Mrs. Ben Knight was leader for the program on "Apache Land." Taking part on the program were Mrs. C. A. Reed, Mrs. A. G. Goldston and Mrs. E. A. Youngblood.

Mrs. Russell Boyd dismissed the meeting with prayer.

Refreshments of coffee and cake were served to eleven members.

PAINT SLINGERS—Mrs. Eddie Carr, Mrs. Clyde Williams, Mrs. Joe Reeder Jr., and Mrs. Paul Mackay, above, are shown painting the kitchen of the First Christian church parsonage.

NAIL YANKERS—Left to right, Mrs. C. F. Watson, Mrs. Claude Smith, Mrs. C. L. Hamilton, Mrs. Ed Dennington, Mrs. Tommy Reynolds and Mrs. Ray Speck are shown pulling nails from the razed parsonage of the Foursquare church.

Local Church Women Labor, Men 'Boss'

Knox City church women put on their work clothes recently and went to the task of remodeling and building of two parsonages.

First Christian's Face Lifted

At the First Christian parsonage extensive remodeling and a paint-up job is in progress. The East Main street building is being given a thorough going-over in order that it might be "more livable" and a pleasing sight to the eyes.

At the time reporters were on the scene, it appeared that the only workers were the women of

the church. The men were sitting around—that is, the ones that were in evidence—supervising, and playing errand-boys in bringing up hamburgers and cold drinks.

Foursquare Parsonage Razed

Farther out on East Main the old building which was the parsonage of the Foursquare church has been razed and a new building will be erected on the site.

Going after the work, hammer and tongs, was a group of the church women in working clothes and pulling nails like mad. Only two men were in evidence and not much more than bossing was being done by them either, although one did purchase soda pop for the "crew."

Mr. and Mrs. D. C. Hutton are visiting her mother, Mrs. Ken Woods, in Lubbock this week. The Huttons plan to move soon to Kingman, Kans. where their son, Deane Hutton, resides. Last week they transacted business in Wichita Falls.

KNOX COUNTY'S MOTHER DIES AT HENRIETTA

Mrs. Ida Ann Cunningham, resident of Clay County for 80 years and widow of a former Clay County sheriff, died Monday at her home in Henrietta.

She was the mother of Herbert Cunningham of Munday, resident engineer for the Texas Highway Department.

Funeral services were held at 2 p.m. Wednesday from the First Methodist Church at Henrietta with Rev. Finis Crutchfield of Dallas and Rev. Roy Anderson, pastor of the Henrietta church, officiating.

Survivors also include three other sons, Glenn, Jesse and John Cunningham, all of Henrietta, and a daughter, Mrs. W. D. Kirbow of Henrietta.

TRUSCOTT BOY'S SHEEP WIN AT SAN ANGELO

Charles Todd of Truscott and his registered Hampshire breeding sheep were successful at another sheep show recently, in San Angelo.

Charles' sheep won two grand championships, two reserve championships, eight first places and three second places.

He also showed his calf to seventh place in the lightweight division.

His father, Elmo Todd, and Charles and his sheep made an appearance on television, along with other champions of the show.

WHILE DRINKING COFFEE—

Little wise guy! A teen-age boy in a local cafe beating time to the infernal machine (juke box) with his knife and fork over the tumblers and other equipment placed on the table. Loud voiced and at tempting to make himself noticeable to all the diners within earshot. Very funny, to himself—obnoxious to others. Then asking the waitress for another knife and fork before starting his meal. Smart, is his idea—not raised so well, to our mind.

MAN, OH, MAN!

Mother of 10 children, expecting No. 11, a Missouri woman sued for a divorce, charging her husband was "cold and indifferent."

ONE OF FIVE—

Bobby Driver, Knox City high school junior, with an average of 22.0 per game, was the only junior to place on a so-called All-Area team. The team was selected by the Abilene Reporter-News, according to a story by-lined Harless Wade, Reporter-News Sports Writer. It is strictly that newspaper's own selection and not that of The Texas Sports Writers Association, so there will be no awards.

There comes the time when a nation, as well as its people, must make the choice between tightening its belt or run the risk of losing its pants.

HOW OLD IS OLD ENOUGH?—

Parents often wonder how old boys or girls should be before they can be trusted with a gun. The answer is that it depends on the sense of responsibility the youngsters display.

Would you trust him to carry the neighbor's baby across the street?

Would you let him take a \$20 bill to the grocery store? Would you allow him to take care of the house for a day?

If the answers are affirmative, the young'un is old enough to own a gun, whether his age is 12, 13 or 14. Provided, of course, other people think he has normal intelligence, not just you alone.

The esophagus, or gullet, in an adult male is nine inches long. So, when you start to "cram something down his throat" remember how far you have to go.

GOURMET'S DELIGHT—

"Pop" Carter, in a local beanery—a quarter-head of lettuce, liberally sprinkled (covered, in fact) with sugar. Apparently he relished the dish, because of the fact he told the waitress he was going out and "play rabbit, just hopping around."

SOME DOG!

Wesley Garrison has a screw-tail bull dog, according to his own words, to give away. For further information, we warn you, don't see Garrison.

TURTLE STEW—

Spring! When you see turtles coming up from their hibernations, you can start licking your chops in anticipation of some delectable meals. Turtle stew! Here's a dish that will send you back to the kettle for seconds, if not thirds.

Long, slow cooking is what makes it so good.

Mince 1 clove garlic and saute with 1 cup chopped onion in 2 tablespoons butter until brown. Add 2 tablespoons bacon drippings and when hot, quickly brown 2 pounds turtle meat, cut in small pieces and dusted with flour. Add 2 cups water, ½ cup red wine, 1 bay leaf,

TRAVEL FILM SHOWN AT BENJAMIN SOROSIS CLUB

The Benjamin Sorosis Club met March 15 in the assembly room of the court house.

Subject of the program was "Strength Through Travel." Mr. and Mrs. Charlie Hamilton of Wichita Falls showed films of their Mediterranean cruise, as well as pictures from the Holy Land which were interesting and educational.

Refreshments of pie and coffee were served to approximately 75 members and visitors.

1 teaspoon salt and ½ teaspoon thyme. Bring to a boil, then reduce heat and simmer until meat is tender, between 1 and 1½ hours. You know what to do with the wine you had left over.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

WICHITA-BRAZOS DISTRICT

Waterways recently completed in the Rhineland community which will be converted to meadow strips and planted to sudan grass, include the following ranches:

A. M. Kuehler, Francis Birkenfeld and F. J. Redder. Glenn Mcuire, has gone in small grain and all plant King Ranch bluestem son, according to reports. His ranch is in the Gilliland area.

The Sidney Alexander ranch, four miles west of Truscott has recently constructed 5.3 miles of terrace. The Frank McAuley farm, 1.1 miles northwest of Knox City has completed construction of 3.3 miles of terraces.

In the land leveling program, which give more and better distribution of rainfall and irrigation water, L. B. Patterson, Jr. has 17.5 acres on his place, four miles northeast of Munday. Edward Smith has 6 acres in the same program at his place three miles east of Munday.

W. R. Mayo, Goree, has completed work on his farm pond.

Mr. and Mrs. J. G. Hawkins will meet their daughter, Betty Jean, in Amarillo Friday. Betty Jean, who is attending school in Denver, Colo., will spend her spring Midays here. She will return to Denver after Easter.

Mrs. Morris Jenkins left last Wednesday for San Diego, Calif. to visit her husband who is in the navy and stationed there. She was accompanied by her husband's other who lives in Rochester.

Jean Galloway is Honored at Shower

The home of Mrs. J. B. Moorhouse in Benjamin was the scene of a bridal shower honoring Miss Jean Galloway, Saturday, March 17.

Miss Galloway is the bride-elect of Don Thompson of Pampa.

Guests were greeted at the door by Mrs. L. M. Williams of Knox City. She presented them to the honoree, her mother, Mrs. J. L. Galloway and Mrs. Flossie Guest of Hollis, Okla. aunt of the prospective bridegroom.

The decor was in the shamrock theme throughout the party rooms. The table was laid with a white linen cut-work cloth centered with an arrangement of green-tinted carnations. White candles in silver holders flanked the centerpiece. Appointments were in silver.

Miss Sue Moorhouse of Amarillo poured coffee. Miss Winnie Sue Turner of Amarillo assisted in serving. Mrs. Joe Barton secured signatures of guests and gifts were displayed by Mrs. Togo Moorhouse and Mrs. J. B. Moorhouse.

Forty-five guests registered during the calling hours, 4 to 5 p.m. Guests were present from Seymour, Munday, Rails, Knox City, Spur, Amarillo, Benjamin, Santa Rosa, N.M. and Hollis, Okla.

Miss Motley of Hollis, Okla. a cousin of the bridegroom was a member of the house party.

Hostesses were Mmes. Moorhouse, Togo Moorhouse, Williams and Barton.

The couple will be married Saturday, March 24, at the home of the bride-elect's parents in Benjamin.

CUB PACK TO MEET

The monthly meeting of Cub Scout Pack No. 161 will be held at the American Legion Hall to-night (Thursday) at 7:30. H. M. Compton, cubmaster, announced. Compton urged all parents and friends of Cub Scouts to attend.

SPRING IS HERE, SO ARE DUSTERS!

"Ole Weatherman" treated Knox Countians "pretty shabby" Tuesday.

He let spring arrive, all right, but then, he let a duster in also.

Spring arrived, officially, at 10:21 a. m. Tuesday morning on the wings of a March wind that was "loaded to the gills" with a duster.

With a more or less cold wind and the "sandy" coming in, the local populace thought it was fall coming back for a return engagement after the beautiful days of Sunday and Monday.

No, it is not yet time for air conditioners to be turned on—even though it is spring.

Oil Notes

A Bend Conglomerate discovery in the Benjamin area was indicated by tests last week of Kewanee Oil Company's No. 1 Herbert, section 142, block C, H&TC survey, four miles northeast of Benjamin. Casing has been run in the wildcat, and early this week operators were waiting for cement to harden.

Drillstem and core tests in the pay section was reported encouraging.

The Skelly Oil Co. No. 4 Howell, 11 miles west of Knox City, was drilling below 4891 feet this morning. The upper Strawn was topped high, at 4877, and a good drilling break was reported. The formation was not tested however, and operators are drilling on to the lower Strawn.

Burt Oil Co. and D. P. Stephens of Wichita Falls will make another attempt to find production six miles northeast of Munday. The test is the No. 3 Hester Brooks Burns, 1949 feet from north and 3249 feet from west lines of section 21, block 2, D&W survey.

April Allowable Cut
April oil allowables have been cut by 64,159 barrels daily by the Texas Railroad commission.

Reduction to 3,356,857 barrels was effected by allowing one less producing day than in March.

BARBER SHOPS TO OBSERVE FIVE-DAY WORK WEEK

Barbers in a nine-county area, which includes Knox City, voted recently to observe a five-day week beginning April 1, it was announced this week by Clyde Hendrix and E. S. Beene, owners of shops here.

The barbers are members of the Barbers Association of Texas, which was organized three years ago.

Effective April 1, both Knox City shops will be closed each Monday, unless a holiday is scheduled for later in the week.

Mr. and Mrs. C. W. Garrison spent the week end in Lubbock with their daughters, Mrs. Jim Stephens and Mrs. Virgil Stephens and their families.

Cotton Production Meet Attended by 60

A sub-district meeting to discuss the latest information on cotton production was held at Benjamin Wednesday, March 14.

The meeting was under the direction of J. A. Seofield, district agent, and was presented by specialists from A&M college.

About 60 farmers and others were on hand to hear Fred Elliott, extension cotton specialist discuss latest methods of production. Elliott pointed out that the use of naphtha oils were doing a very good job of controlling Johnson grass in cotton. Tests last year showed the use of the naphtha oils reduced the grass to only one per cent while hand hoeing left 55 per cent at the end of the year and cost \$2 per acre more.

He also gave results on cotton defoliation, showing that in some years it would pay with the use of pickers and strippers. However, he said that cotton should be from 60 per cent to 90 per cent open before chemicals are applied and that in many years this is frost time in this area.

Dr. Fremont Fuller, extension entomologist, stated this if one boll in every 10 stalks was saved from insects by spraying, it would cover the cost.

Early Control Stressed

He stressed the need for early control on irrigated cotton and late season control on both, dryland and irrigated cotton as needed. He also pointed out that spraying for insects at the wrong time or at too long intervals would probably make them worse than if it had not been sprayed.

Howard Zuch, extension engineer, showed slides on hoppers for catching cotton burrs at the gin and ways to equip trucks to spread the burrs back on the land.

He stated that experiments had shown that four tons of burrs per acre would double the water penetration on tight soils.

The tests showed that the burrs were worth about \$7 per ton to the soil. He said that many gins on the Plains were putting the burrs back on the land for the farmers at \$2.50 per ton.

Bad Year for Hoppers

The USDA grasshopper control service stated that 1956 will be one of the worst years for grasshoppers that we have had for quite some time.

It was stated that when grasshoppers had matured and moved out on croplands, it was almost impossible to control them. But, on the other hand, if you find them where they are hatching out along fence rows, etc. and spray while they are very small, or in a small area, very good control can be secured. It was recommended that aldrin used as a spray would bring good results.

W. J. Bryan, county agent, said that bulletins and other information are available on all the points covered at the meeting in the county agent's office.

ISL Plays Will Be at Vera Friday

The Interscholastic League one-act play contest will be held in Vera tomorrow night (Friday) beginning at 7 o'clock.

Knox City's entry is "Andante," directed by Jess Hitchcock.

Members of the cast are Jimmy Seale Dutton as David Lawrence, a musician whose career and mind faded after an injury; Sue Guinn as Martha, his wife; Joe Lynn Cash as Dr. Sanders; Belinda Coates as the maid; and Jimmy Finley as Bruce, the Lawrence's 17-year-old son.

Admission at the contest will be 20 cents and 40 cents. Other schools which will present plays are Benjamin, Vera and Rhineland.

The local play will be presented at an assembly program April 5, the director said.

C. W. Stephens is in Corpus Christi this week to be with his daughter, Mrs. Royle Lummus, who fell Tuesday of last week and fractured her leg. She underwent surgery Friday. Reports from Mr. Stephens Wednesday were that his daughter was not doing as well as expected.

Miss Florene Cornett of Hamlin is recuperating at the home of her parents, Mr. and Mrs. W. H. Cornett, from surgery last Wednesday at Hendrick Memorial Hospital in Abilene. She is recovering satisfactorily and expects to return to her job at West Texas Utilities in Hamlin in about two weeks.

Jim and Vernon Bridges of Anton and Mr. and Mrs. E. L. Cubine of McLean spent the week end with Mr. and Mrs. L. N. Bridges.

Collins, Campbell To Attend Meeting

Rip Collins, secretary, Knox City Board of Commerce, and Bruce Campbell, member, WTCC board, will attend the 38th annual convention of the West Texas Chamber of Commerce at Mineral Wells, March 28-29-30.

The most important subject of the program, according to the local men, will be "Texas' number one problem," the general situation of Texas water resources, which will be presented by the State board of water engineers.

Mrs. Campbell will accompany the two men, it was stated.

BTU School Reports 96 Awards at Close

The Baptist training union school which closed Wednesday evening, March 14, reported a total of 136 enrolled. Of that number, 96 are to receive awards, according to Rev. Billy Frazier, minister.

The school, which opened Sunday, March 11, was under the direction of Rev. Miles B. Hayes, former pastor of the First Baptist church, Stamford.

Courses of study were offered for every age group. The adult training manual was taught by Mr. Hayes. Miss Carol Finely taught the young peoples administration and Lee McHam was teacher of intermediate manual.

Mrs. R. F. Elledge was the junior manual instructor and Mrs. W. W. Warren taught the beginner and primary story book.

BUSINESS WOMEN'S CIRCLE MEETS AT BENJAMIN
 BENJAMIN, March 26. — The Baptist Business Women's Circle met March 19 in the home of Mrs. A. N. Russell for Bible study. Thirteen members were present.
 The meeting was opened with a prayer by Mrs. K. E. Woolley. After a short business session Mrs. Woolley gave an interesting Bible lesson and a chapter from the book, "Tribes Go Up."
 Mrs. Oretta Kilgore led the closing prayer.
RULE MAN TO HEAD HASKELL TEACHERS ASSN.
 At a meeting of the Haskell County unit of the Texas State Teachers Association in Weirert recently, Principal Russell Adams of Rule was elected president of the unit, and Supt. Elvin Mathis of Mattson was named vice-president.
 Supt. Ray Stark of O'Brien, outgoing president, presided at the meeting. Principal speaker of the evening was Rowland Lloyd of Austin.

STREAMS in Desert Places
 By Ozelle Stephens
 "In His Care" is a precious place to be when the enemy would persecute you. There may be times in your life you experience "living death," but when prayer is made to God the same place will be turned into a palace, where all heaven comes down to comfort, strengthen and bless.
 Just remember God has fixed the boundaries with you as He did with Job. The enemy can go just so far in hurting you.
 Remember too, the same Jesus who died was buried, rose again and is sitting on the right hand of the Father, interceding for you. Listen to the angel's message, "Fear not ye, for I know that ye seek Jesus, which was crucified. He is not here: for he is risen, as he said. Come, see the place where the Lord lay, and go quickly, and tell his disciples that he is risen from the dead."
 If you want joy and happiness to flood your soul, tell someone else of the love of Jesus and how they can dwell "In His Care."

Knox City Girls Win VB Tourney

The Knox City girls' basketball team won the Mattson tournament last week end at Mattson. In the opening round Friday evening at 6 p.m. the local girls won over O'Brien, 48-16. At 9 p.m. the same evening Knox City met Weinert and won by a 35-17 margin.

Saturday evening in the finals, Knox City and Munday collided with the locals emerging as victors, on the long end of a 26-19 count.

Team members making the trip included Sammie Darr, Florence Reeves, Rowena Helms, Bobbie Dodd, Helen Acosta, Donna Worley, Lynelle Tankersley.

Also Beverly James, Glenna Voss, Glenda Carter and Nicki Dodd.

Mrs. June Tankersley, volleyball coach and Paul Prater, basketball coach, accompanied the team to the tournament.

Cameron All-Stars Fall at Stamford

The Cameron All-Stars, local independent basketball team, participated, but briefly, last week end in the Stamford tournament. Meeting Jess Barbers of Abilene, the locals fell in the opening round, 63-49.

Shelby Bishop and Kenneth Day fouled out and the local team played the last three minutes of the game with only four men on the floor.

To Burkburnett
This week the Cameronites will journey to Burkburnett to take part in a tourney in that city. First game for the locals will be tonight (Thursday) at 8:30 p.m. when they meet the Wichita Sash and Door team of Wichita Falls.

K. C. All-Stars Break Up
The Knox City All-Stars were scheduled to appear in the Stamford tourney, but according to reports, the team has disbanded.

1946 STUDY CLUB MEETS

Twenty-five members were present for the regular meeting of the 1946 Study Club, held in the home of Mrs. B. M. Farmer Tuesday afternoon.

Theme of the meeting was "Pleasant Pastimes." Mrs. Farmer displayed many beautiful articles she had made for pastime. Her hobbies include china painting, oil painting and other handwork. She recently began working with ceramics.

Besides numerous items in china and oil painting she showed sequin embroidered table clothes and an applied quilt.

After showing club members through her home she served refreshments of sandwiches and coffee.

Mrs. John King returned Wednesday from Houston where she received a medical examination at M. D. Anderson Hospital. She was accompanied by her son, Oliver, of Plainview.

To the Public--

I have purchased the Conoco agency and Angle Service Station in Knox City and invite you to become a customer.

If you have been a customer in the past, I will appreciate a continuation of your patronage. If you were not, I will appreciate an opportunity to serve you in my line.

The station and agency will continue to operate as in the past as to hours—unless business warrants that we remain open later.

May we have an opportunity of servicing your vehicle?

Junior Class Play Scheduled March 27

Members of the Junior class of Knox City high school would like to have a full house at the annual class play.

Proceeds from the play will go toward financing the Junior-Senior banquet which will be held later. Admission prices are 25 cents for children and 50 cents for adults. High school students will be considered adults, members of the class said.

The three-act farce, "Desperate Ambrose," will be held Tuesday night, March 27, in the school auditorium.

Hot Shots to Appear
The Dixie Land Hot Shots, a 9-piece orchestra directed by F. H. Tankersley, Jr., will begin playing at 7:30 and curtain time is 8 p.m. Peggy Jones is student director. Mrs. Otis Cash is class sponsor.

The setting for the play is a deserted hotel in "Dead Man's Gulch" in 1880. Female characters will be costumed for that period while their male counterparts will wear western garb.

Lions Club Holds Luncheon Meeting

The Knox City Lions Club held its regular luncheon meeting Wednesday noon.

Hob Smith, of Rochester, speaking to the members, reported that a disaster film will be shown at the Rochester school lunchroom Tuesday evening, March 27, at 7:30 o'clock.
