MRS. EARL SAMS NAMED FARM WOMAN OF MONTH

(The following article is reprinted from a recent edition of the Wichita Falls Record-News.)

BENJAMIN, Jan. 12. - This city got its name from her great uncle and much of its character from Frances Elizabeth Sams. This cultured and gracious

Mrs. Sams has been selected the Times' Farm Woman of the Month for January. She was the choice of the farm women who know her best-members of the Benjamin Home Demonstration

OPS INVESTIGATING SALE OF JUNK BATTERIES

FORT WORTH. - Reports of llegal sales of junk batteries, from which vital lead is extracted, are being investigated by the Fort Worth District Office of Price Stabilization.

Ellis H. Boyd, OPS district director, refused to state if any of the reports have been made from Knox County, but added that the alleged sales have taken place in several counties of the 50-county Ft. Worth district, which includes Knox County.

"We have had several complaints from junk dealers that numerous sellers of used batteries are demanding above the ceiling price for these batteries. Boyd said. He explained that under the Defense Production

STANDARD OF AUTHORITY IN RELIGION

To avoid confusion and chaos in all the pursuits of life we must have recognized standards of authority. If I ask a dry goods clerk for a yard of cloth, I expect her to use a standard measurement. When I buy a pound of sugar I make sure that it is according to the standard. If the clothing merchant or the grocer would defy the accepted standards of weights and measures and ask their clerks to "go by their feelings (that is, "guess") in cutting the cloth and sacking the sugar the public would not stand for it

We can all see the wisdom in standards to direct our physical life. Examples would be multiplied. But when it comes to the most important matter, the spiritual phase of man's being, many will argue that "our feelings should guide us." As to salvation from sin they say, "we cannot all see it alike. Just so we are sincere and feel we are saved-that is all that matters." Suppose the merchant adopted that rule: "Just so the clerks feel they are measuring and weighing properly." We might reply, "The clerk may be sincere, and yet not be right in guessing at a yard or a

Beloved, if you have been depending on "feelings" or some other standard rather than the Word of God we beg of you to take the time to consider WHAT GOD says about THE STANDARD OF AUTHORITY IN MATTERS OF TRUE RELIGION: "Not everyone that saith unto me, Lord, Lord, shall enter the kingdom of heaven; but he that doeth the will of my Father who is in heaven." Matthew 7:21.

HERE IS THE TRUE STANDARD: "Every scripture inspired of God is also profitable for teaching, for reproof, for correction, for instruction in righteousness: that the man of God may be complete, furnished completely unto every good work." 2 Timothy 3:16-17. The scriptures are the safe

THE SCRIPTURES DEMAND faith in Christ (Jno. 8:24); genuine repentance (Lk. 13:3); confession in Christ's name (Rom. 10:10); water baptism (I Pet. 3:20-21) Acts 22:16); to be saved from sin.

If we all "walk by this rule" we can see alike (Gal. 6:16).
