

Close Race Noted Here For One Year Term On City Council

In the city election here Saturday, Jerry Cobb polled 53 votes to win the only contested seat on the city council. He was elected to the one-year term made necessary when Councilman Larry Don Lain resigned and moved outside the

city limits. Randy Larson was appointed to serve until election time. Incumbent Larson received 49 votes and Roy Stewart had 25.

Incumbents Carl Shelton and Sammy B. White were re-elected and unopposed for two-

year terms with Shelton polling 132 votes while White received 126.

Mayor C. C. (Buddy) Angle was unopposed in seeking re-election to the office and received 139 votes, the total number cast in Saturday's election.

In the three-man race for the two places on the Knox City Independent School District board of trustees here Saturday, 141 votes were cast for John Crow-over and 104 for Doyle Graham. Candidate Tommy Richardson polled 71 and Allen Mc-Gaughey's name was written in on two ballots. The number of votes in the school election tallied 164.

Clifford Cornett was re-elected as county school trustee in Precinct 1 with 164 votes and Henry Jean Jones received the 164 votes cast in the unopposed race for director on the Knox County Hospital District Board.

Veteran election judge Otis Harbert served in that capacity again this year, and assisting him with the ballots were Mrs. Jessie Teague, Mrs. Odell Harbert, Mrs. G. W. (Jack) Coates, and Mrs. J. T. Gilpin.

A BEAUTIFUL BIRD, the Cessna 182 recently purchased by the Knox City Flying Club. Pictured here with the plane are left, Pat Leroux, flying instructor, and Roy Stewart, president of the club. The plane is white with orange and brown trim.

Knox City Flying Club Buys New Airplane

The local flying club is duly proud of its new aircraft, a 1957 model Cessna 182, the four passenger plane was purchased March 9.

Club president Roy Stewart told the Herald that the plane had been used to serve community needs, the latest being the trip made to Austin when officials attended the school bill hearing there recently.

The flying club was organized in October 1966 and purchased a Piper Tri-pacer

shortly thereafter. Charter members included Charles Lankford, Bobby Roberson, Charles Snailum, Roy Stewart, Tommy Watson, Bob Harrison, Joe Barton, Phil Dudney, and Bill Baker and flight instructor, Pat Leroux. Three new members, Mrs. Ross Oliver, Joey Watkins, and David Counts, have been welcomed into the club along with the new plane.

When the club was organized the airport consisted of a 100 x 2800 feet dirt strip, but thanks to the airport committee, Chamber of Commerce officials, private donors, and a \$20,000 grant from the Texas Aeronautics Agency, the club now enjoys a 50 x 3200 feet paved and lighted runway with a 200-foot over run at each end.

According to Stewart, new members are welcome. Names are submitted and approved by the club, and there is an initial membership fee plus monthly dues.

Services Held April 2 For John A. White

Services for John Alexander White, 74, were held last Wednesday at 2:00 o'clock in Lemons Funeral Home Memorial Chapel in Plainview with the Rev. Prentice McGee of Amarillo and the Rev. Aaron Mitchell of Halfway officiating. Burial was in Parkland Memorial Gardens.

Mr. White died Monday, March 31 in a Pampa rest home where he had been a patient less than two weeks. He had suffered a stroke Christmas Eve and had been hospitalized in Amarillo prior to his entering the rest home.

White was a native of Alabama, later moving with his family to Haskell County. He was married to Fannie Coates on June 19, 1919 in Knox City. The couple lived in the former Cliff community southeast of Knox City where he farmed. They moved to Petersburg in 1947 and to the Halfway community in 1948. Mrs. White died April 14, 1967.

He was a member of the Halfway Methodist Church. He retired from farming in 1963. Mr. White was a World War I veteran.

Survivors include two sons, John B. of Pampa and Dr. Lonnie J. White of Memphis, Tenn., a sister, Mrs. J. W. (Nell) Coates of Abilene, and four grandchildren.

Attending the services from here were Mr. and Mrs. Cecil Coates, Curtis Coates, Mrs. Lee Coates, Buddy Angle, and Mrs. Tom Brooke Hudson.

Knox City Joins NCTMWA

The House Conservation and Reclamation Committees suspended its Rules Tuesday night to approve a bill bringing Knox City back into the North Central Texas Municipal Water Authority which is made up of Goree, Munday and Haskell. The bill provides that no bonds payable from ad valorem taxes can be issued unless they are approved after Jan. 1, 1969.

Sen. Jack Hightower of Vernon piloted the bill in the Senate earlier. The bill now is ready for final passage by the House of Representatives.

Brazos Valley Care Home To Open House This Sunday

The new wing of the Brazos Valley Care Home has been completed, and all area residents are invited to attend a special Open House on Sunday afternoon, April 13, from 1:30 until 4:00 o'clock. The house is located on East 3rd to Floyd V. Bailey, near the old school building.

Owners and directors of the Brazos Valley Care Home include L. M. Williams, president, J. M. Averitt, vice-president, C. J. Reese, Otis Harbert, E. R. Carpenter, and J. V. Carver. Local contractors included

E. C. King Jr., building; Doyle Graham, electrical; and L. C. Guinn, plumbing.

The new wing is constructed of the same Starlite pink brick and white composition roof as the original building. It is completely fireproof.

Occupant Of Brazos Valley Care Home In Knox City

T. E. Robbins, is shown here in the comfortable room he and his wife occupy in the Brazos Valley Home's new addition in Knox City. Due to his failing eyesight and Mrs. Robbins' ill health, the couple moved to the Home in May, 1968.

Mr. Robbins served as president of the Citizens State Bank during the 1930's and is still very active and interested in all affairs. As will be noted in the above photo, their room is equipped with a telephone, typewriter,

three radios, one regular, one AM-FM, and one FM-short wave. Also there is a talking box machine in the corner of the room for records from the State Library for the Blind.

The Robbins have the Old and New Testaments and he related that current events, such as Newsweek were available from the library. They also have a television set in the room.

Pictured on the wall above one of the radios is their grandson, son of Jonelle and Sumpter Reed.

Foursquare Church To Be Awarded For Achievement

Knox City Foursquare Church, pastored by the Rev. Floyd Bailey Sr., is among 12 churches of the denomination to receive a star certificate for meeting Crusader program requirements during the past year. Award will be made at the 46th annual convention of the denomination April 30 through May 7 in Decatur, Ill.

To be eligible for the recognition, the local minister noted, churches must attain standards set by the national Crusader organization, headquartered in Los Angeles. They include activities of progress, programs and cooperation.

The honors go to the cadet group of the church for having reached the goal qualifying for a star certificate. Other Crusader groups are the youth and adult divisions.

The late spring convocation, to be attended by pastors, evangelists, missionaries, Christian education directors and lay people of the denomination, is chaired by the Rev. Howard Clark, Mt. Vernon, Ohio, Eastern district supervisor of Foursquare churches.

Dr. Rolf K. McPherson, Los Angeles, president of the denomination, and son of its founder, the late Aimee Semple McPherson, will officiate at the convention ordination rite for more than 60 candidates, and head business sessions of the parley, themed to "Pentecostal Imperative."

Program participants will include Clark, Mt. Vernon, Ohio, Eastern district supervisor of Foursquare churches.

Graveside rites will be held in Knox City Cemetery Friday afternoon for George M. Brantton. He is the brother of Mrs. Opal Huthinson. Funeral services will be at 2:00 p.m. in Abilene.

City Council Meets Monday

In a regular session of the City Council here Monday night, all members were present.

Several representatives of the Knox City Lions Club including Otis Cash, Sam Clonts, Sterling Lewis, George Davis, and Lyndol Cypert met with the council in regard to the leasing of the Lions Club swimming pool in the City Park. It was agreed by council members to lease the pool for a period of one year.

Bruce Campbell Jr. and Paul Hoge were named by the council to serve on the North Central Texas Municipal Water Authority Board.

Randy Larson offered to donate a water fountain and pipe for the city to install at the tennis courts.

The Saturday election results were canvassed and accepted, and the meeting was adjourned.

JOHNNY LEE JOHNSON

Hunts' Grandson Recipient Of Purple Hearts

Johnny Lee Johnson, grandson of Mr. and Mrs. Frank Hunt, returned to the States in February of this year after being critically wounded twice in the Vietnam war. He has received the Purple Heart for both instances.

A Navy medic serving with the U. S. Marine Corps, Johnson, was stationed at Quang Tri in the demilitarized zone when he stepped on a mine. He received no broken bones but was seriously cut and burned from his shoulders down. In April, 1968, only three weeks away from his scheduled return to the States, he left Japan, where he had spent months in a hospital, and was returned to Vietnam. This time a truck in front of the vehicle which he was driving was destroyed by a mine and as Johnson was running to aid those in the truck, a piece of shrapnel struck him in his right leg. This occurred the latter part of January, 1969.

Johnson is currently stationed in North Carolina and plans to return to college when he receives his discharge from the service.

His parents, Mr. and Mrs. H. G. Johnson live in Austin where his father is manager of Swift and Company. Mrs. Johnson is the former Joyce Hunt.

Hope

An aura of hope pervades the American Cancer Society's office.

No claims of miraculous cancer cures are being made or even predicted but none the less there is a distant feeling the battle against the dread disease is slowly but surely being won. The reason for this hopeful feeling can be found in many areas. Last year for example the president was informed that the number of Americans alive and cured of Cancer had grown to 1,500,000, a hundred thousand and higher than the year before.

To be considered cured of most types of cancer, a person must have been free from all evidence of the disease for five years after treatment.

Discoveries of new drugs have helped in the fight against leukemia, cancer of the blood forming tissues. These new drugs, together with the more efficient utilization of earlier drugs plus more specific techniques have helped a number of leukemia patients live beyond five years. This progress has convinced some scientists that a cure for leukemia may be found sooner than for any other type of cancer.

These are but a few of the hopeful factors today which surrounded the whole subject of cancer and thus we recommend the American Cancer Society's 1969 theme, "Help yourself with a check-up and others with a check."

"No Grazing" Program Begins May 1

Farmers were reminded today that the "no-grazing" period for land diverted from production under the 1969 feed grain and wheat programs will start May 1. It will continue for the following five months until October 1.

Arnold Navratil, Chairman of the Agricultural Stabilization and Conservation of Knox County Committee explained that producers who are diverting land under the program(s) have agreed not to graze the land being diverted during a specific 5-month period of the growing season and not to harvest a crop from the land at any time during the year.

Farmers who are taking part in the Conservation Reserve and Cropland Adjustment programs have agreed not to graze or harvest crops from land diverted under these programs during the life of the agreements. These provisions are important to producers because any violation of them may result in reduction or total loss of payments otherwise earned under the programs.

Knox County producers signed up to participate in the 1969 feed grain and wheat programs number about 650.

SS Representative To Be Here Apr. 16

BY ROBINSON

we always say that like the weather just stick around and Hawaii's weather is one morning we the sun will be start climb to the top of sky, but by mid will be raining in wait just a min- 15 to 30 minutes the almost cloudless . . . Ah, SPRING! has been fairly in Aloalana; sugar workers and manage- to terms after a strike for higher \$243 million resort negotiated for the

"Dizzy" by Tommy Roe; No. 2 - "Traces" by the Classics IV, No. 3 - "Time of the Season" by the Zombies; No. 4 - "Aquarius Let the Sunshine In" by The Fifth Dimension; and No. 5 is "Proud Mary" by the Creedence Clearwater Revival (??). (Glen Campbell's "Galveston" is No. 8.)

Big names in show business: Jose Feliciano held two shows last weekend at the Honolulu International Center, Honolulu's equivalent to the Lubbock Memorial Auditorium, but much larger of course.

The Jefferson Airplane just left. . . One other big news story since ex-President Johnson okayed the trans-Pacific air routes from the Mainland to Hawaii has been President Nixon's reluctance to uh-huh the routes. Two of the airlines awaiting the decision are Braniff and Continental, which serves Texas extensively. The new effective date is May 11. . . Ho-hum.

The Hawaii Islanders baseball club, a farm team of the

California Angels, is taking up most of the space on the sports page as the team spring trains in California. John Brodie of the 'Frisco '49ers and other NFL players are due in the Islands during Easter to make TV commercials. . . Joe Namath departed a couple of weeks ago.

The Honolulu Advertiser has its own version of the graffiti, now a feature of the Abilene Reporter-News. It's entitled "Da Kine Graffiti", and is written by Buck Buchwach and drawn by Harry Lyons. Here are a couple of examples for this week: "The hula is a hippy movement", and "Japanese boxer: K.O. Sakatumi" . . . Oops! I'd better hurry or I'm gonna miss that beautiful Hawaiian sunset. . . That's pau for now. . . Aloha. . .

P.S. "Hoomalimali" is Hawaiian for "baloney".

(Editor's Note: Readers will note the new heading on this week's Random Ramblings. Bobby drew the borders to resemble the leaves of a Hawaiian plant. The islands in the chain were sketched with a dot on the third from the left depicting Bobby's location. He said he just naturally had to put Texas on it, too.)

HOLIDAY GUESTS

Easter holiday guests in the home of Mr. and Mrs. A. P. Denton were Mr. and Mrs. Burt Denton and sons, Danny and Donny of Fort Worth, and Mr. and Mrs. William Bruton and son, Randy of Olney.

VISITS MOTHER

Mr. and Mrs. Oliver King, Candy and Brent of Plainview spent the Easter holidays with his mother, Mrs. Ida King. The group enjoyed fishing at Lake Stamford and visiting old and familiar land marks in the vicinity of Sunset School.

Also visiting Mrs. King over the weekend were her daughter and family, Mr. and Mrs. Douglas Carlisle and boys of Kress.

FROM DALLAS

Mr. and Mrs. Gary White and sons, Danny and Keith of Dallas spent the weekend with his parents, Mr. and Mrs. Raymond White.

The reason many people don't live within their income is that they don't consider that living.

EASTER FLOWERS DECORATING The Sanctuary of The First United Methodist Church Sunday morning added to its beauty. It has been an annual custom of the Ed W. Bateman family to place Easter Lilies and hydrangeas in the Methodist and First Christian Churches since the death of Mrs. Bateman in February, 1952. The flowers were later taken to the patient's rooms in the Knox County Hospital for them to enjoy.

Newlyweds At Home Here

Mr. and Mrs. Jerry Cornett are making their home in Knox City following their marriage recently in the home of the bride's parents, Mr. and Mrs. C. E. Murray of Throckmorton. The former Miss Martha Ann Murray, the bride is a graduate of Throckmorton High School and attended Texas Tech last summer.

Mr. and Mrs. B. F. Cornett are parents of the bridegroom. He graduated from Knox City High School and attended Texas Tech for two years. Cornett is presently employed by West Texas Utilities Company here.

The Rev. W. R. Washburn performed the wedding ceremony before a setting of candleabra flanked with baskets of white mums entwined with ivy.

The bride, escorted by her father, chose a two piece dress of white double knit. A halo of white satin adorned her head, and she carried a bouquet on a white Bible.

Miss Darlene Boydston was maid of honor, and Kenneth Cornett was his brother's best man.

A reception in the home followed the wedding. Guests were served from a beautifully decorated table in the bride's chosen colors of blue and white.

Mr. and Mrs. Ken Johnston and children of Henrietta were here Saturday evening to attend the wedding of their niece and to visit her mother, Mrs. Ruth Dozier.

JOHNNY LEE JOHNSON

Hunts' Grandson Recipient Of Purple Hearts

Johnny Lee Johnson, grandson of Mr. and Mrs. Frank Hunt, returned to the States in February of this year after being critically wounded twice in the Vietnam war. He has received the Purple Heart for both instances.

A Navy medic serving with the U. S. Marine Corps, Johnson, was stationed at Quang Tri in the demilitarized zone when he stepped on a mine. He received no broken bones but was seriously cut and burned from his shoulders down. In April, 1968, only three weeks away from his scheduled return to the States, he left Japan, where he had spent months in a hospital, and was returned to Vietnam. This time a truck in front of the vehicle which he was driving was destroyed by a mine and as Johnson was running to aid those in the truck, a piece of shrapnel struck him in his right leg. This occurred the latter part of January, 1969.

Johnson is currently stationed in North Carolina and plans to return to college when he receives his discharge from the service.

His parents, Mr. and Mrs. H. G. Johnson live in Austin where his father is manager of Swift and Company. Mrs. Johnson is the former Joyce Hunt.

Hope

An aura of hope pervades the American Cancer Society's office.

No claims of miraculous cancer cures are being made or even predicted but none the less there is a distant feeling the battle against the dread disease is slowly but surely being won. The reason for this hopeful feeling can be found in many areas. Last year for example the president was informed that the number of Americans alive and cured of cancer had grown to 1,500,000, a hundred thousand and higher than the year before.

To be considered cured of most types of cancer, a person must have been free from all evidence of the disease for five years after treatment.

Discoveries of new drugs have helped in the fight against leukemia, cancer of the blood forming tissues. These new drugs, together with the more efficient utilization of earlier drugs plus more specific techniques have helped a number of leukemia patients live beyond five years. This progress has convinced some scientists that a cure for leukemia may be found sooner than for any other type of cancer.

These are but a few of the hopeful factors today which surrounded the whole subject of cancer and thus we recommend the American Cancer Society's 1969 theme, "Help yourself with a check-up and others with a check."

"No Grazing" Program Begins May 1

Farmers were reminded today that the "no-grazing" period for land diverted from production under the 1969 feed grain and wheat programs will start May 1. It will continue for the following five months until October 1.

Arnold Navratil, Chairman of the Agricultural Stabilization and Conservation of Knox County Committee explained that producers who are diverting land under the program(s) have agreed not to graze the land being diverted during a specific 5-month period of the growing season and not to harvest a crop from the land at any time during the year.

Farmers who are taking part in the Conservation Reserve and Cropland Adjustment programs have agreed not to graze or harvest crops from land diverted under these programs during the life of the agreements. These provisions are important to producers because any violation of them may result in reduction or total loss of payments otherwise earned under the programs.

Knox County producers signed up to participate in the 1969 feed grain and wheat programs number about 650.

BY ROBINSON

we always say that it like the weather just stick around and Hawaii's weather is one morning we the sun will be start climb to the top of sky, but by mid will be raining in wait just a min- 15 to 30 minutes the almost cloudless . . . Ah, SPRING! has been fairly in Aowland: sugar workers and manage- to terms after a strike for higher \$243 million resort negotiated for the

neighbor island of Molokai, only 20 miles to the southeast of Oahu, it'll add more tourist\$\$\$ to Hawaii's revenue; Gov. John Burns went on record as being opposed to a \$2 (more) a day tourist tax on hotel room bills, an expense already astronomically high; Hawaii's population passed the 800,000 mark this week (that's easy to believe!); and isolation has ended for sufferers of Hansen's disease (leprosy) who had been confined to an almost inaccessible peninsula on the island of Molokai. There's always something big happening in this surfer's paradise! . . . Here are the top five records in Hawaii for the week of March 17-21 according to Billboard Magazine: No. 1 -

"Dizzy" by Tommy Roe; No. 2 - "Traces" by the Classics IV, No. 3 - "Time of the Season" by the Zombies; No. 4 - "Aquarius Let the Sunshine In" by The Fifth Dimension; and No. 5 is "Proud Mary" by the Creedence Clearwater Revival (???). (Glen Campbell's "Galveston" is No. 8.)

Big names in show business: Jose Feliciano held two shows last weekend at the Honolulu International Center, Honolulu's equivalent to the Lubbock Memorial Auditorium, but much larger of course.

The Jefferson Airplane just left. . . One other big news story since ex-President Johnson okayed the trans-Pacific air routes from the Mainland to Hawaii has been President Nixon's reluctance to uh-huh the routes. Two of the airlines awaiting the decision are Braniff and Continental, which serves Texas extensively. The new effective date is May 11. . . Ho-hum.

The Hawaii Islanders baseball club, a farm team of the

California Angels, is taking up most of the space on the sports page as the team spring trains in California. John Brodie of the 'Frisco '49ers and other NFL players are due in the Islands during Easter to make TV commercials. . . Joe Namath departed a couple of weeks ago.

The Honolulu Advertiser has its own version of the graffiti, now a feature of the Abilene Reporter-News. It's entitled "Da Kine Graffiti", and is written by Buck Buchwach and drawn by Harry Lyons. Here are a couple of examples for this week: "The hula is a hippy movement", and "Japanese boxer: K.O. Sakatumi" . . . Oops! I'd better hurry or I'm gonna miss that beautiful Hawaiian sunset. . . That's pau for now. . . Aloha. . .

P.S. "Hoomalimall" is Hawaiian for "baloney".

(Editor's Note: Readers will note the new heading on this week's Random Ramblings, Bobby drew the borders to resemble the leaves of a Hawaiian plant. The islands in the chain were sketched with a dot on the third from the left depicting Bobby's location. He said he just naturally had to put Texas on it, too.)

HOLIDAY GUESTS

Easter holiday guests in the home of Mr. and Mrs. A. P. Denton were Mr. and Mrs. Burt Denton and sons, Danny and Donny of Fort Worth, and Mr. and Mrs. William Bruton and son, Randy of Olney.

VISITS MOTHER

Mr. and Mrs. Oliver King, Candy and Brent of Plainview spent the Easter holidays with his mother, Mrs. Ida King. The group enjoyed fishing at Lake Stamford and visiting old and familiar land marks in the vicinity of Sunset School.

Also visiting Mrs. King over the weekend were her daughter and family, Mr. and Mrs. Douglas Carlisle and boys of Kress.

FROM DALLAS

Mr. and Mrs. Gary White and sons, Danny and Keith of Dallas spent the weekend with his parents, Mr. and Mrs. Raymond White.

The reason many people don't live within their income is that they don't consider that living.

EASTER FLOWERS DECORATING The Sanctuary of The First United Methodist Church Sunday morning added to its beauty. It has been an annual custom of the Ed W. Bateman family to place Easter Lilies and hydrangeas in the Methodist and First Christian Churches since the death of Mrs. Bateman in February, 1952. The flowers were later taken to the patient's rooms in the Knox County Hospital for them to enjoy.

Streams In Desert Places

BY OZELLE STEPHENS

It was early Easter morning, Mary Magdalene came with the others to the tomb where Jesus was laid. When they saw the tomb was empty and the stone rolled away, the others left, but Mary stayed alone, weeping.

In her sorrow she stooped to look into the tomb and saw two angels. The angels said to her, "Woman why are you weeping?" She replied, "Because they have taken away my Lord and I do not know where they have laid Him." Turning around, she saw Jesus who said to her, "Woman why are you weeping? Whom do you seek? And not recognizing Him she said, "Tell me where you have laid Him." Then Jesus spoke her name, "Mary." She turned and said to Him, "Master."

She had accepted Him as her Saviour, her teacher, guide to truth and eternal. In separation there was sorrow, but when she turned to Him as her risen Saviour and Master, there could be no more separation. Accept Him as your Saviour now, and as He promised, He will never leave or forsake you.

FROM TULIA
Mrs. Wynelle Roberts and daughters, Cornelia, Merri, and Sue of Tulia visited her parents, Mr. and Mrs. C. W. Stephens during the Easter vacation.
Other visitors were their daughter-in-law and her children, Mrs. Wyndell Stephens, Rodney and Randy of Ulysses, Kansas. They, too, visited her parents, Mr. and Mrs. Lewis Hester in Rochester. Other Easter guests were Mr. and Mrs. Royce Lummus of Corpus Christi, Mrs. Bess Guinn of Munday, Mr. and Mrs. Ford Waldrip of O'Brien, and Mrs. Loyd Stephens and her brother, Aulsie Page, formerly of El Paso who is moving to Knox City this week.

RETURNS TO SCHOOL
Brack Shaver, student at the University of Texas at Arlington left Monday afternoon to return to school after spending the Easter vacation here with his parents, Mr. and Mrs. Eddie Shaver.

Here is a message for persons reaching age 62 who plan to continue working. Your local social security office will be happy to explain how your earnings will affect your benefits. You may be able to receive some benefits while you continue working.

MRS. KENN CORNETT
... nee Cyndy Johnston

Miss Johnston, Mr. Cornett Are United In Holy Wedlock

Miss Cyndy Johnston became the bride of Kenn Cornett Saturday evening in the home of the bride's maternal grandmother, Mrs. Ruth Dozier.

The bride is the daughter of Mr. and Mrs. Billy G. Johnston, and the parents of the bridegroom are Mr. and Mrs. B. F. Cornett.

The Reverend Roger Butler, pastor of the First Baptist Church of Knox City, performed the ceremony before a nuptial setting of baskets of white chrysanthemums and poms with candleabra.

Given in marriage by her father, the bride chose a gown of ivory crepe. The double chapel train was attached to an Empire jacket appliqued in Chantilly lace and seed pearls. The same lace and pearl motif bordered the Bishop sleeves and train and adorned her ivory crepe pillbox that held a bouffant butterfly veil of imported English illusion. Centering the bride's bouquet was a large

white orchid with a cascade of pom mums and lily-of-the-valley.

Attending the bride were Mrs. J. Michael Grimes and Mrs. John E. Fletcher of Fort Worth, wearing identical gowns of pale apple green organza over peau de soie. A cluster of flowers in the same shade held melaine creating the headpiece of the matron of honor, Mrs. Grimes. They each carried nosegays of daisies.

Jerry Cornett, brother of the groom, was bestman, and Ronald White of Arlington was groomsmen. Nicky Johnston, brother of the bride, seated guests and assisted Miss Carla Shelton in lighting candles, Miss Shelton's A-line dress with Empire waist was fashioned in the same style and color of the bride's attendants.

Mrs. Samuel Tankersley provided wedding music and Mrs. Jerry Cobb presented the love sonnet by Elizabeth Barrett

Browning.
Assisting with the reception which was hosted by the bride's parents, were Mrs. Kenneth Day and Mrs. James Sanderson, sisters of the groom from Lubbock, and Mrs. Jerry Cornett of Knox City. Relatives and close friends were served from a white satin and lace covered table which held a silver epergne of white chrysanthemums and candles. Garlands of poms and leather fern also embellished the silver and crystal appointed table.

The couple will be at home after April 12 at 107-B Hosack Street in Arlington.

Industry Backs New Concept In Foreign Aid

Creation of an Overseas Private Enterprise Development Corporation to assume responsibility for appropriate parts of the present foreign aid program and increase assistance in development of the private sectors of the economies of less developed countries has been endorsed by the National Association of Manufacturers Board of Directors.

The proposal grew out of the work of the International Private Investment Advisory Council, and involved representatives from many American companies with international interests.

A corporation, initially government-financed, would be directed by appointees of the President. Half the directors would be from government, half from the private sector, and a Chairman and chief executive would be from the private sector.

From its inception the corporation would aim to sustain itself and to earn a profit through investments in private enterprise projects showing promise of long-range profitability, but ineligible for public financing. The new corporation would not be permitted to compete with existing private enterprise operations. It would deal in servicing loans, investment guarantees, insurance and services to facilitate private investment.

For inpatient hospital care in Texas paid out by Medicare in 1968 totalled \$149,719,731.28, up 15% from 1967.

MRS. GEORGE M. KOBERNUS
... nee Carroll Tankersley

Miss Carroll Tankersley Weds Lt. Kobernus In Home Ceremony

The Rev. Tony Longval of Odessa officiated at the Saturday morning wedding of Miss Carroll Anne Tankersley and Lt. George Martin Kobernus in the home of the bride's parents, Mr. and Mrs. E. L. Tankersley.

The bride attended North Texas University in Denton, Hardin-Simmons University in Abilene, The University of Hawaii, and received a bachelor of science degree from Texas Tech in Lubbock. She was commissioned a Lieutenant in the United States Air Force, and completed her internship at Highland General Hospital in Oakland, California, and her residency at Scott Air Force Base in Belleville, Illinois. She is stationed at McConnell Air Force Base in Wichita, Kansas where she now serves as dietitian.

The bridegroom is the son of Mrs. Dorothy Rowland and the late George M. Kobernus of San Francisco, California. He is a graduate of San Francisco State College and is stationed at Malmstrom Air Force Base in Great Falls, Montana where he serves as supply officer for the 801 Radar Squadron.

Given in marriage by her father, the bride wore a gown of organza over taffeta fashioned with Sabrina neckline, short sleeves, and slim bell skirt. Venise lace accentuated the Empire waist and encircled the sleeves and hemline. Her mantilla, edged in Venise lace, was cathedral length, and she carried a bouquet of white rose buds.

Mrs. Donald Tankersley of Lubbock, sister-in-law of the bride was matron of honor. She wore a dress of aquamarine silk crepe which featured a dropped waist and A-line skirt. Charles Bejeck of Dallas served as best man and Sam-

my Tankersley, brother of the bride, seated guests. Bobby Lewis assisted Sammy Tankersley in the lighting of the candles. Her cousin Jimmy Tankersley, soloist, provided wedding music.

Following a reception in the home, the couple left for a wedding trip in the Ozarks where they planned to visit various points of interest. They will make their home in Wichita, Kansas.

Mr. and Mrs. Tankersley hosted the rehearsal dinner in their home Friday evening.

HERE FOR WEEKEND

Weekend visitors in the home of Mr. and Mrs. J. C. McGee were Mr. and Mrs. Howard Mayfield, Randy and Rocky and Mrs. Harry Brown all of Fort Worth, Mr. and Mrs. Bobby Simpson and Ruth of Wilcox, Arizona and Judy Simpson, who is attending Abilene Christian College at Abilene, and Mr. and Mrs. Claude Harrison and Mr. and Mrs. Henry Harrison of Lubbock.

IN PARENTS HOME

Mr. and Mrs. N. L. McIlam enjoyed the company of their daughters and their families for the Easter holidays, including Mr. and Mrs. Bill Magness, Mart and Dwayne of Killen, Mr. and Mrs. Loraine Johnson, Lori, Amie, and Tim of Haskell, and Mr. and Mrs. Jack Hamilton, Noel, Russell, Patricia, and Deniese of Benjamin.

HERE FROM OKLAHOMA

Guests in the home of Mr. and Mrs. Don Railsback Saturday afternoon were Don's brother-in-law, Bill Ream and his little daughter Michele of Clinton, Oklahoma.

Agri-Tour Mobile Unit To Visit Santa Rosa Roundup

AUSTIN - The Texas Department of Agriculture is sending its popular Agri-Tour mobile unit to the Santa Rosa Roundup April 30, May 1, 2, and 3rd. This will be the first time for the Department's traveling exhibit to appear in the Vernon area. The 56-foot-long traveling slide show will be open to the public all during the Roundup. Operators of the colorful presentation are Mr. and Mrs. Jess Moreland who have traveled thousands of miles throughout the state with the exhibit.

Texas Agri-Tour is designed to familiarize Texans with the agriculture industry combined with the Texas Department of Agriculture in a joint effort to

bring the story of the state's agriculture to the public through Agri-Tour. Agriculture Commissioner John C. White said that the Texas Agri-Tour is expressly designed to promote high quality Texas Agricultural Products.

The exhibit features a narrated color slide program that tells the story of Texas agriculture. Of special interest are the shopper's hints explaining how to best select agricultural products to stretch the shopping dollar, and the cooking suggestions showing new ideas for preparing and serving Texas grown foods. At the conclusion of the tour, free recipes are available for all of the menu ideas featured in the program, plus other Texas favorites.

"Game of Chance"

"Fifty cents per shot," said the sign at a certain golf course. "If you score a hole-in-one, you win \$5,000."

Sure enough, a golfer eventually did come through with a hole-in-one. But the proprietor refused to pay the prize money. Haled into court, he argued that the contest was a "game of chance"—hence, not enforceable by law.

However, the judge disagreed. Ordering the money paid, the judge said there was simply too much skill involved in a golf shot to classify this as a game of chance.

In varying degree, gambling is regulated in every state. Often, under these regulations, it becomes

necessary for a court to decide what is meant by the phrase "game of chance."

Sometimes the answer is rela-

Texas A&M Research Plot, Munday, Scene Of Activity

One of the busiest places in Munday this week was the 10 acre site of the Texas A&M Research Center. Recently the plot was leveled and readied for planting. The irrigation well was installed to complete the ground work necessary to the planting of spring crops, supervised by Ron Farhart, Research

Technician.

Under the direction of Dr. Mack Fuqua the site took on a new look with the planting of 250 different types of tomatoes. Approximately 1500 plants were set out. Dr. Fuqua planted the seed varieties several weeks ago and the plants at the time of transplant are approximately 6 inches tall. They represent one of the first plantings of better breeding lines and shall be studied for quality and production.

Other plantings of sweet corn, beans, onions, cabbage, cauliflower, broccoli, beets and carrots were done last week. The first planting covers approximately 3 1/2 acres. These plots will be closely observed by every citizen in the area as cultural practices are to be carried out in the process will be gainful in the future growth and production of vegetable crops. Dr. Fuqua stated the "basic information gained from testing on these plots will be valuable in adapting particular breeding lines to this area for marketing quality and high production yields". Additional plantings will be continued on the 10 acre site this year.

OLD FRIENDS VISIT

An old Alabama school friend, Mrs. Lela Fischer and her daughter, Mrs. L. D. Patterson both of Abilene, visited Mrs. J. W. Tankersley Monday afternoon. Mrs. Tankersley and Mrs. Fischer have been friends since 1903.

FROM MARSHALL

Mr. and Mrs. Sam Johnston of Marshall were visitors in O'Brien during the Easter holidays. Mrs. Johnston remarked that they were glad to learn through the "Did You Know" column in the Herald that former Knox City resident Charley Rice now lives in Marshall. She said that they immediately got in touch with him and had enjoyed several visits. Sam is currently working with Pritchard and Abbot Tax Evaluations in Marshall.

IN HEWITT HOME

Visitors in the home of Mr. and Mrs. James Hewitt Monday and Tuesday of this week were Mr. and Mrs. G. L. Dedmon of Cisco and Mr. and Mrs. C. W. Vest of Seymour.

HERE FOR WEEKEND

Weekend guests of Mr. and Mrs. Vernon Buckley were their son and family, Mr. and Mrs. Richard Buckley, Rusty and Suzanne, and their daughter's family, Mr. and Mrs. Harvey Reynolds and Danny, all of Abilene.

TV's Festus Hagen To Appear At Santa Rosa Roundup, Vernon

Ken Curtis, who plays the role of Festus Hagen on the CBS series GUNSMOKE will be the featured personality of the 24th annual Santa Rosa Roundup in Vernon, Texas beginning April 30th and continuing through May 3rd. The personable and talented star will appear in person each night along with the popular singing group "The Frontiersmen and Joanie". This combined group of entertainers have broken attendance records at major shows across the nation.

When Ken Curtis first drifted into Dodge City for the role of Festus Hagen, a stubble-faced rascal who is the only honest member of an outlaw family, he didn't know how long he would stay. After a couple of shows however, fan mail indicated such enthusiasm that the producer of the series decided to make him a permanent member of the "Gunsmoke" family. Curtis began his sixth season with the series last fall, and he has developed to "star" status.

Mr. John Biggs, owner and president, of the Santa Rosa Roundup also announces the appearances of Quail Dobbs and Jerry Olson as rodeo clowns. Mr. Dobbs also will show his hilarious car known as "Apollo 8 1/3" and Mr. Olson will present a fantastic buffalo act.

Other attractions will be Earl Wharton and his border collies with "Wetback", the cowboy monkey; the colorful precision drills of the famous Santa Rosa Palomino Riding Club; the wild mare race; and the "voice of Santa Rosa" Mr. Cy Taillon as announcer.

Curtis is expected to be a popular selection with local and regional fans. The part of Festus fits him like a wet blanket on a sway back mule. His uncommon understanding of the role stems from his childhood in and around Lamar, Colorado. His father was a dryland homesteader who was elected sheriff and moved his family into the jail. His dry-land dialect is for real, at least as he remembers it back on the farm in Colorado. His favorite expressions of "Gollee Bill" and "little ole scudder" were swiped from his friends and relatives.

Seeing Curtis, drawing and dirty on a flop eared mule, its hard to visualize him as the same man who replaced Frank Sinatra with the Tommy Dorsey Orchestra not too many years ago. Festus sings a few ditties such as "The Ballad of Hawg Hagen", "Comanches is Soft", and "Good Ole Greasy Greens". Curtis composes the numbers himself, which comes easy - he started his career as a song writer.

He has had a most interesting and colorful career as an actor, producer, singer, rancher, and jailkeeper. He starred in his own series "Ripcord", and has kept busy in a string of feature films and television guest appearances. But he has never done anything he likes more than his current role as Festus on Gunsmoke.

He was a premed student at Colorado College in Colorado Springs and wrote a college musical that was responsible for his sidetracking his medical studies.

He was a feature singer for a musical group, later hired as a staff singer on NBC radio. His break finally came when Jo Stafford heard one of his recordings and Tommy Dorsey hired him to replace Frank Sinatra.

Beutler Bros., Vold, and Cervi, the world's largest rodeo

producers, will again furnish their rugged stock and the top professional cowboys of the world will be competing.

Tickets may be ordered from Ticket Headquarters, 1720 Fannin Street in Vernon, Texas or by calling H. A. McCarty (817) L12-6868 or L12-2521.

Texas May Draft Down

AUSTIN - The May draft call for Texas is 1,453, down from 1,737 for April, Colonel Morris S. Schwartz, state Selective Service director, said Thursday.

This is the state's share of a national quota of 27,600 men, 25,600 for the Army and 2,000 for the Marine Corps.

A total of 8,234 men is scheduled to be prepared for armed forces pre-induction physical and mental examination in May to prepare for future calls, Colonel Schwartz said.

A total of 10,210 is scheduled for this purpose in April. In early March, a quota of 7,293 was announced for this purpose, but this was increased in mid-March.

The state received a reduction in its current call for doctors of medicine from 18 during the period July 1969 - January 1970 to 9, brought about by revised personnel needs from the Department of Defense.

The call for two optometrists in January 1970 was reduced to one, and the quota for one doctor of osteopathy in the last half of 1969 was not changed for Texas, despite a reduction in the national quota.

The order of selection to fill draft calls through May may be from among examined and acceptable men who are (1) delinquents 19 years old and older, (2) volunteers under age 26 in the sequence in which they have volunteered, and (3) non-volunteers 19 through 25 years old, single and married, oldest first, with those married after August 26, 1965, being selected ahead of those married on or before that date.

Jill Thompson, daughter of Mr. and Mrs. Travis Thompson, is a junior student. She is the manager of the Houndettes basketball team, member of the Beta Club, FTA, band, and choir. Jill will serve her FHA chapter as secretary next year.

Kathy Verhalen, daughter of Mr. and Mrs. M. L. Verhalen, will serve as third-vice president of the local FHA chapter next year. A junior student, Kathy is a member of the Beta Club, FTA, and Pep Club. She has been a cheerleader the past two years.

Teresa White, daughter of Mr. and Mrs. Sammy White, is also a junior in high school. Teresa has been an active member of FTA, Beta Club, band, and is on the basketball and volleyball teams. In FHA, she has served as historian, and will be chapter typist next year.

Lou Ann McGaughey, another junior student, is the daughter of Mr. and Mrs. Allen McGaughey. She is a member of FTA, Pep Club, and served as cheerleader this year. Lou Ann is also a member of the basketball and volleyball teams.

Gayle Campbell, daughter of Mr. and Mrs. Tom Campbell, is an active participant in

school activities. Gayle is a member of the Beta Club, FTA, band, annual staff, and basketball team. In FHA, she has served her chapter as second-vice president. Gayle has been elected to serve as chapter president and Area IV second-vice president next year.

These girls will be presented a torch, which is a symbol of the State Homemakers Degree, at the state convention in Dallas Municipal Auditorium on May 2. The advisor for the Knox City Chapter is Mrs. L. O. Newton.

KC Jr. High Tennis Teams Win District Meet Wed.

Several of the Knox City Junior High tennis teams were winners of the District 11-A playoffs held last Wednesday at Holliday.

Prior to the district playoffs, the KC teams won zone playoff matches at Crowell held Monday, March 31.

The girls doubles in the junior division were played by Jan Guinn and Patricia Lewis who defeated Crowell 6-1, 6-4. In the Holliday playoff, the junior division played only one eight-game set rather than the usual two out of three 6-game matches. Jan and Patricia walked off

with their match defeating Nocona 8-1.

In KC girls singles, Belva Penman played Crowell 6-4, 8-6, and 6-3 for a trip to district. Nocona won at Holliday 8-3.

Dean Bouldin, junior division boys singles player, defeated his Crowell opponent, 6-2 and 12-0 and was another district winner defeating Nocona 8-1.

Leslie Fitzgerald and Greg Clonts represented the KC junior division in doubles. They were unopposed at Crowell and won district at Holliday beating Nocona 8-1.

The junior high division does not go above the district level, but these fine tennis players will give the high school teams some stiff competition in the near future, as all of these are eighth graders.
Congratulations!

Green Thumb Tips

Every bit of snow deposited on your garden during the winter is worth hard cash to you. Falling snow brings down with it nitrogen from the air and deposits it on your soil. Since this is the element most used by plants for growth, you're lucky it snows.

Bottom heat, so necessary for quick starting of certain seeds, is newly available in form of an electrically heated mat, resembling a heating pad, but sturdier in construction; tougher in covering.

It is used under pots, flats or whatever container you are using for seed starting. Thermostatic controls can be connected to the mat if desired.

Bibb lettuce buffs — the gardeners who think any other variety is inferior, will be delighted to know that Buttercrunch, a recent introduction, has the same sweet flavor, the same crisp texture.

This newcomer, however, does not bolt to seed as soon as warm weather arrives.

It is thus possible to keep yourself in Buttercrunch by making successive plantings through the season.

A spectacular accent plant is Amaranthus. You may call it summer poinsettia.

Newer varieties have foliage in shades of red, from deep maroon to bright cerise.

Too seldom seen are the annual mallows or Lavateras. Their pink flowers look like those of single hollyhocks.

Seeds can be sown outdoors where the plants are to bloom.

A high percentage of seedlings from a packet of seeds is possible only if moisture in the planting medium is kept constant.

One good way of doing this is to pop the planted container in a plastic bag.

But then you must be certain not to put it in the sun or the seedlings will cook.

The Beauty of it all

by MARY LEE

And how do your orchids grow? Better with soap and water? Believe it or not, chemists at the University of California are investigating the beneficial effects of detergents on the growth of orchids seedling tissues. Who said soap-suds aren't exotic!

Other gardening experts tell us that you should always treat any seedlings with care and cleanliness. Apparently it's important to prevent infecting healthy young plants—to say nothing of the gardener—after handling any diseased plants. So, always wash hands thoroughly before handling seedlings, and also use fresh, clean water to dampen the flats.

Among other lesser-known soap and water facts, is a new recommendation to wash music record discs occasionally. Seems that a major jukebox distributor suggests using a soft sponge, lukewarm water and light suds to wash the discs. Be sure to rinse thoroughly before laying the discs out to dry.

"People are surprisingly ignorant about proper leather care," says Larry Probeck, president of a leather company in Dallas (Mohawk Leather Co.). Although fine leather furniture should occasionally be treated to professional refinishing, he suggests that homemakers can keep it clean simply by using cheese-cloth to wash it with a soapy lather. Rinse off the suds, wipe with a damp cloth, then a dry soft clean cloth. "It is never necessary to oil leather," he adds.

Incidentally, did you know that back in the 1880's it almost became a misdemeanor to take a bath? An ordinance introduced in Philadelphia Common Council tried to prohibit bathing from November 1 to March 15, but it was defeated by only two votes!

In those days even medical experts warned against bathing from November 1 to March 15. Anybody who bought a bathtub was considered snobbish as well as foolish.

What a far cry from those days is our modern bathroom. Not only does it have efficient equipment for keeping clean, but beauty as well. Handsome plumbing fixtures, colorful rugs, towels, shower curtains, make today's bathroom one of the most luxurious rooms in the home.

There is no quarters of coverage requirement for eligibility to the Supplementary Medical Insurance part of Medicare. To be eligible for the Hospital Insurance part of Medicare, you do need 6 quarters of coverage under social security if you will be 65 years old this year.

CELEBRATES BIRTHDAY

Richie Poteet and Jimmy Goode celebrated their birthdays in the home of their grandparents, Mr. and Mrs. Harley Poteet and uncle, Mike recently. Those present to help them eat birthday cake and ice cream were Mr. and Mrs. Leonard Rushing, Mr. and Mrs. Richard Poteet of Seymour, and Mr. and Mrs. Tommy Goode of Throckmorton.

NEW SUNFLOWERS

This big, double blossom belongs to Sungold, one of the new kinds of sunflower.

Say the word "sunflower" to the average gardener and he immediately conjures up a vision of a 15-foot-tall plant with huge, single, yellow blossoms.

Gardeners in the know no longer think that way. They are familiar, through the seed catalogs, with the ornamental sunflowers of today.

While the seeds still furnish food for chickens or birds, the plants aren't huge and the flowers are not necessarily yellow.

So, if you're looking for a hedge or background plants, try one of these.

Red and Gold hybrids have single flowers of bright red, tipped with gold and on 6-foot stems.

Red (just one word) has blossoms of varying shades of red, bright or crimson, solid or in combination with yellow.

This same strain also has yellow flowers suffused with red. Plants grow 5-6 feet high.

Double-flowered kinds include Chrysanthemum-Flowered, with 6 to 8-inch-wide blossoms that look like their namesakes, on plants nearly seven feet tall.

And Sungold, lower-growing, only to five feet, with golden-yellow blooms.

Two dwarf varieties are particularly useful. Dwarf Sungold looks like the tall variety and also has big flowers, but grows only 15 inches high.

Teddy Bear forms bush-like plants three feet tall but each individual bloom may reach five inches in diameter.

A wonderful name for the Ku Klux Klan is the White Muslins.

SS Benefits Mean Financial Security To Younger Workers

"Most people think of elderly people and retirement benefits when social security is mentioned," commented Edwin Draughon, social security manager in Vernon today.

Social security does provide retirement benefits, but it also means financial security to the younger worker by providing monthly benefits to survivors of deceased workers and also to disabled workers and their families.

Many changes have been made in the social security disability program since it began. Now if a person has a disability which is expected to last 12 months or more, he may qualify for monthly benefits.

Any Knox county resident needs further information on the new disability program or any other part of the security program should contact a representative of the office.

Auto Accident Claims Life Of Truscott Man

James B. Greeley, 49 of Truscott was apparently killed instantly about 1:30 p.m. Sunday when his pickup truck ran off the road 14 miles west of Vernon on U. S. 70, and overturned in a field. He was alone in the truck at the time.

Funeral services were held at 2:30 p.m. Tuesday from Westside Church of Christ, and burial was in the Gilliland Cemetery.

Greeley, born August 23, 1920 in South Portland, Maine, is survived by his wife, Arline; his mother, Mrs. Della Greeley of Norwich, N. Y.; two daughters, Elizabeth and Janet, both of the home; a son, James Jr., also of the home; a sister, Mrs. Annie McConnell of Atlanta, Ga.; and a brother, John of Norwich.
