A FAITHFUL VOTER in the South Knox City Box 7-5 is Mrs. C.C. Hoge who has been a resident of Knox City 65 years last April and has never missed voting in an election that she can remember! Mrs. Hoge's husband had voted earlier in the day Tuesday.

By Town and County

Overwhelming Approval Given Jimmy Carter

With beautiful weather Tuesday, voters turned out in Knox City, Knox County, the state and the nation to elect Democratic nominee Jimmy Carter as the next President of the United States.

With slightly more than 3,000 registered voters in the county, 2,049 votes were tallied in the presidential race with 1498 going to Carter and 551 to Ford.

In the 1972 presidential election, Knox County voters totaled 1786 with 1148 votes cast for Richard Nixon and 638 for George McGovern.

Other contested races showed U.S. Senator Lloyd Bensen with a commanding 1641 over his Republican opponent Alan Steelman who had 311.

In the Railroad Commissioner's race, Democrat John Newton racked up 1693 to Republican Walter Wendland's 187.

A controversial race on the state level developed for the Place 2 associate justice Supreme Court seat after Don Yarbrough defeated his Democratic opponent in the May

primary. Yarbrough has been under harsh criticism from Democrats and Republicans alike. He apparently won the nomination because voters identified him with ex-gubernatorial candidate Don Yarbrough.

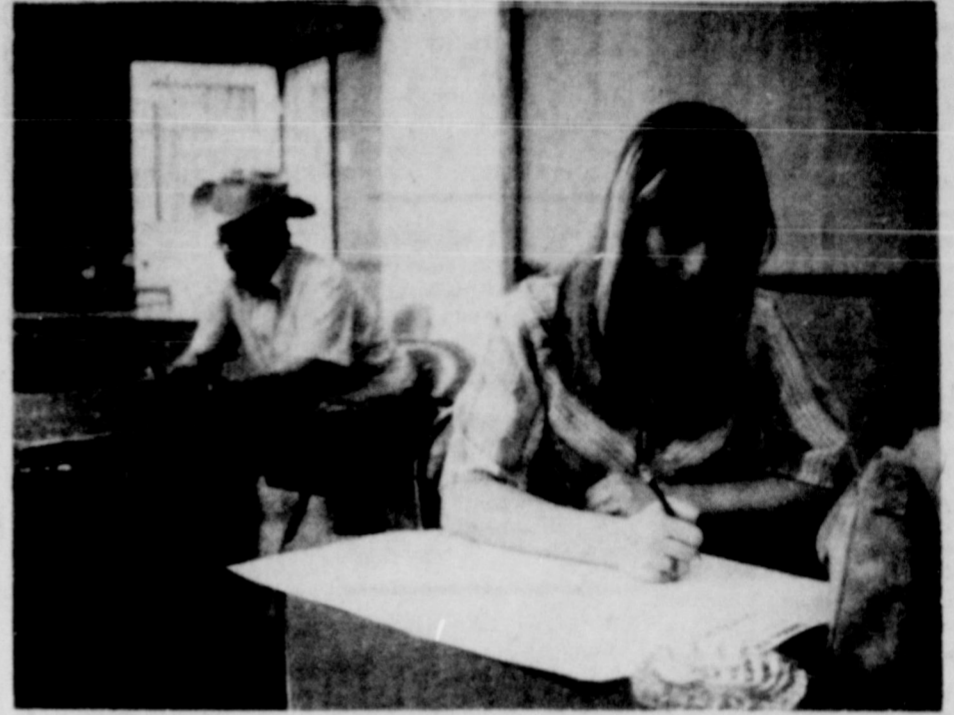

Yarbrough, who currently faces a number of civil charges for fraud, met opposition in the form of a write-in campaign, but still emerged with 1182.

District Judge Sam Houston of Denton and Houston attorney Tom Lorange both received strong support across the state, but county voters only mustered 297 for Houston and 181 for Lorange.

Two amendments to the state constitution also appeared on the huge ballot.

Proposition one authorizing an increase in the amount of Texas Water Development Bonds from \$400 million to \$800 million was barely defeated by Knox County voters with 650 for to 739 against. Proposition two, which proposed to increase the bonding authority of the TWDB from \$100 million to \$200 million for water enhancement (sewage) bonds, was approved 723 to 661.

A tabulating form showing how Knox County voted appears elsewhere in the News.

CASTING HER BALLOT FOR THE FIRST TIME Tuesday was Patti Lain, Knox City High School senior and daughter of Mr. and Mrs. Larry Don Lain. Pictured in the background is Otis Harbert.

Bonfire Reset For Friday

The Bonfire, scheduled for last week, has been reset for Friday afternoon at 5:00 o'clock on the golf west of Lewis Paint and Body Shop, according to Bill Holcomb, high school principal. The Bonfire will take the place of the regular Friday afternoon pep rally, he explained.

Mr. Holcomb also stated that the high school students will be released at 12:25 p.m. Friday afternoon in order to build the bonfire. Kindergarten through eighth grades will remain in school that afternoon and will attend a school assembly set at two o'clock.

Miss Firelighter, selected as the most valuable Pep Club member, will be named at the bonfire and candidates who are in a run-off for the honor are Adrian Jones and Cindy Elliston.

If persons are interested in donating wood, they are asked to please contact the school office at 658-3521.

Fans are invited to join students and band members at the practice field in front of the school building at 4:30 p.m. where they will assemble and march to the bonfire site.

O'Brien Cemetery Asking For Funds

Mrs. Beatrice Ellis is asking the News to remind the O'Brien readers that it is the time of year again when all those in the O'Brien community for financial assistance to work the O'Brien Cemetery for the coming year.

Mrs. Ellis said that this is the only means the cemetery has for the upkeep. She also explained that there are a number of unmarked graves in the O'Brien Cemetery and that they have no way of knowing the names of those who are buried there.

She said that persons in the O'Brien community had always responded to the plea for funds and that she was asking them to give her their checks or mail them to her, P.O. Box 2564, O'Brien, Texas 79539, or leave them at one of the businesses in O'Brien.

The average cost runs around \$15.00 per grave, she said.

Mrs. Byrd Is Harvest Day Speaker

The seventh annual Harvest Day service will be Tuesday, November 9, in the First Christian Church.

Theme for the program will be "Praise The Lord Through Song".

Speaker for the meeting will be Kathryn Byrd of Rochester, who is pastor of the Weinert Foursquare Church.

Women of the St. Paul Gospel Church will provide special music and the memorial service will be conducted by the United Methodist Women.

This is a community-wide gathering for women from all churches and is a religious service enjoyed by everyone who attends.

Registration is at 10:00 a.m. and the program will begin at 10:30 p.m.

Lunch will be served in the Fellowship Hall immediately following the program.

Women of all faiths are urged to attend and bring a covered dish.

A nursery will be provided at the church.

Arthritis Seminar Set In Benjamin Nov. 10

Approximately 250,000 children are affected with arthritis.

The seminar was brought to Knox County by the County extension agent.

Any church, school or civic organization wishing to request a speaker on this subject is asked to contact Marjorie Flowers at 806 792-0719.

Marye Hope Carr Artist Of Month

The featured Artist of the Month at the Citizens State Bank during the month of November is Marye Hope Carr.

An accomplished artist, Mrs. Carr won the Best of Show Award in portraits this past July in the local 1976 Arts and Crafts Show as well as in both the 1972 and 1974 art shows. In the 1975 show, she won three blue ribbons out of a possible four in birds, landscape, and still life.

In addition to her display featured at the bank, she has also displayed her paintings at Mae's Gallery in Stamford.

Mrs. Carr has studied with Esme Glenn of Abilene and John Crump and Virginia Bartlett, both of Anson.

Hounds Fall To Munday

Students who returned home Friday night for the annual "Coming home" clash between Knox City and Munday found a muddy, rainy field, no band, no cheerleaders or twirlers, and no royalty coronation, the event that was set to highlight halftime activities. The contest between the two county schools produced miserable conditions for the game in which the Hounds fell to the Moguls by a score of 18-0 in what was termed as a District 7-A "mud bath".

Rain fell steadily throughout the contest, shutting down a Knox City offense that got inside Munday's ten-yard line twice in the first quarter without being able to score.

Band, Seniors To Operate Concession

The News office was informed Tuesday morning that the concession stand at the Knox City-Haskell football game this Friday night will be operated by both the Greyhound Band and the Senior Class.

The Band was scheduled to have the concession stand for the Munday ballgame; however, due to the rain the concession stand did not operate. All mothers of band members are again asked to donate the items they would have been responsible for last week at this week's concession stand.

According to Bill Holcomb, high school principal, a large crowd is expected to attend KC's last home football game and with the band and senior class working together there should be an ample supply of food on hand, he said.

If for any reason questions should arise concerning this situation, readers may contact Mr. Holcomb, Melanie Whitely, senior class sponsor, Peggy Guinn, band booster president, or Genie Holcomb, concession stand chairman.

Monroe Thomas Suffers Heart Attack

Mr. and Mrs. Walter Thomas traveled to Fort Worth Thursday of last week to be with their son, Monroe, who had suffered a light heart attack the previous morning.

Monroe has been transferred from the Coronary Unit to the Intensive Care Unit at Harris Hospital in Fort Worth and Mrs. Thomas says she hopes he will be released in a week or so.

Monroe is employed by the Army Corps of Engineers in Fort Worth and is in charge of SAC bases in four neighboring states.

The Hounds lost the ball on downs on one occasion and suffered a pass interception the second time.

Munday quarterback Andy Haynie plunged over from the one for the first score with five minutes to play in the first half. The touchdown was set up by a 45-yard pass from Haynie to split end Buddy Urbanczyk.

In the third period of play, Munday's Robbie Thompson picked up a 15-yard KC punt and ran it 25 yards to paydirt. With one minute left in the period, halfback Robert Spells ran seven yards for another TD, set up by another KC fumble.

This week, the Hounds host the Haskell Indians here at Greyhound Stadium for the last home game of the season. Haskell lost to the Pied Pipers for Hamlin last Friday night, 17-8 dropping to a 3-2 district record.

Hamlin's victory gives them a 5-0 District 7-A record and sets up a showdown this Friday night with Crowell, who is 4-0-1 in Hamlin.

Other 7-A scores last Friday night were Crowell 27, Aspermont 0 and Paducah, 19, Rotan 0.

Coronation Rescheduled Friday Night

Due to inclement weather last Friday night during the Knox City-Munday football game, the coronation for Band Sweetheart and Beau and Football Sweetheart was postponed and rescheduled for this Friday night in the game against the Haskell Indians.

Band Sweetheart candidates, who are junior and senior band members include Tamie Grindstaff, Sherry Jackson, Debbie Ray, Lydia Lankford, Irene Flores, and Laverne Martinez.

Members of the junior class are Band Beau candidates and escorts include Brett Boone, Junior Gonzales, Bobby Arnold, Eddie Martinez, and Raul Espinosa. Jimmy Rushing will also assist with escorting duties.

Football sweetheart candidates for this year are Tamie Grindstaff, Laura Hunt, and Debbie Ray. Escorts for the girls will be Kelly Robinson, Billy Reynolds, and Troy Lewis.

Men's Breakfast Slated Saturday

In last week's News it stated that the Men's Breakfast was set for last Saturday, October 30 in the First United Methodist Church. However, the date was incorrect and it will be this Saturday, November 6 in the Methodist Church beginning at 7:00 a.m.

All men and boys of the community are invited to attend this fellowship.

Residents Reminded Of Driving Course

Readers are reminded to register for the Defensive Driving Course that is being offered November 8, 9 and 11 in the Knox City High School library.

The course is being co-sponsored by the local Chamber of Commerce.

Classes will be held from 7:00 until 10:00 each evening and the instructor will be Safety Officer J.C. Brown with the Texas Department of Public Safety in Wichita Falls.

Cost of the course is nominal and the fee will include individual workbooks and the certification for a 10 percent reduction on the person's car insurance for a period of three years.

County Courthouse Being Remodeled

On October 5, the Knox County Commissioners Court opened bids for painting the interior of the county courthouse and other needed repair on the building.

Seven contractors bid on the work with Hammock Brothers Construction Company of Lubbock being the low bidder. Total cost of the project including some outside cement work is \$49,896. Work is underway at the present time and is expected to be finished by December 15 of this year.

The architect on the project is Tom Mills of Lubbock.

Federal Revenue Sharing Funds are being used to finance the project.

Cotton Bringing Points Above Loan Prices

Cotton is bringing from 3500 to 3600 points above CCC loan prices, according to Sidney Ferrell, in charge of the Munday Classing Office. Trading was light with only a small amount of free cotton (cotton not under contract) available.

Grade 41 was the predominant quality this week, accounting for 29 percent of the classing total. Grade 42 was next with 26 percent, followed by grade 51 with 25 percent. Eleven percent was grade 52 and three percent was grade 43. Reductions in grade because of bark or grass accounted for six percent of the total. Staples 31 and 32 were predominant with 36 and 33 percent, respectively. Nineteen percent was staple 30 and 9 percent was staple 33 or longer.

Cornie Covey Receives Certificate

Cornie Covey has been presented a ten year certificate for her faithful work in the Knox County Unit of the American Cancer Society. The presentation was made during the monthly October meeting in Munday.

Mrs. Covey has served as service chairman for Knox County since it organized ten years ago in October 1966. She has also served as president, vice-president, and board member.

Paul Clayton has served as memorial chairman for Knox City and will be presented a ten year certificate as will Wretha Fitzgerald for being a ten year board member.

The Knox County Cancer Society Unit meets on the third Tuesday each month at the Community Center in Munday at 7:00 p.m. and citizens of the county are invited to attend, Mrs. Covey said.

Mike readings were excellent with 94 percent falling in the 3.5 - 4.9 range. Only one percent miked less than 3.5; and five percent, 5.0 and higher.

About 1600 samples were classed by the Munday Classing Office during the first week of operation, ending October 29. Receipts are down to practically nothing. All cotton on hand has been classed.

YOU: A VICTIM OF GLAUCOMA?

Some one million people 35 years of age and over don't know they are stricken with the second leading cause of blindness in America.

The key to glaucoma control is early detection. The drawback is that there are usually no early symptoms.

The National Society for the Prevention of Blindness has an important stake in stimulating the growth of glaucoma screening, a procedure first demonstrated in 1942. Community detection programs continue as a Society priority, with some 128,500 individuals screened last year, of which 5,300 were found with suspicious signs.
Glaucoma awareness campaigns have this aim: to make people aware that a glaucoma check should be part of their regular medical examination.
If you want to learn more about the disease you can receive a free booklet entitled "Glaucoma," by writing to The National Society for the Prevention of Blindness, SN, 79 Madison Avenue, New York, N.Y. 10016.

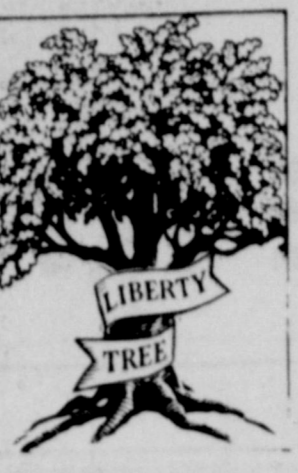

STREAMS IN DESERT PLACES

by Ozella Stephens

"Paul said, I have complete confidence in the Gospel: It is God's power to save all who believe." Romans 1:16.

The Gospel reveals how God puts men right with themselves is through faith alone, from the beginning to the end. The scripture says, "He who is put right with God through faith shall live." Romans 1:17.

It is not what you do or not do that sends you to hell, it is what you believe and in whom you have faith. The harlot believed in God's servants and helped them, because she believed in God: she and her family were saved.
When you let the Word of God speak to you, it convicts of sin-if you are sorry of your sin, confess and turn from them asking God to forgive and believe that He hears you then God puts you right with Himself. Your sins are never remembered anymore. He comes into your life and helps you live an overcoming life, full of joy and Streams of His Peace.

We have a very busy place here at the gin office today, not from cotton being brought in, but this is the voting place today, and we are having a pretty good turnout. Guess everyone wants to get his or her vote in for their favorite candidate.

If you missed the ballgame Friday night, you really missed a messy mess. I wonder how many of the boys would have worked in mud and water like they played ball in? I surely would not blame them if they didn't. Well, we lost again, but it was still a good game. Don't give up boys, your day is coming for beating all these that have beaten you this year.

DIABETES IS STILL A KILLER
Although most diabetics can lead normal useful lives the disease is still ranked among the major causes of death in our country. One of the reasons for this statistic is the millions of people walking around who have diabetes and are not aware that they do.

HOW CAN YOU FIND OUT?
The only sure way is to be tested. You can have diabetes and not have any symptoms at all. Or, the symptoms can be so mild that they are not easily recognized. A simple blood test can determine if there is excess sugar in your blood. If it is not conclusive, other blood and urine test can check to be positive.

YOU CAN LIVE WITH DIABETES.
Once detected your chances are good for keeping diabetes under control. Sometimes just diet alone will do this and sometimes it will take a combination of diet and medication. Your physician will know what the most efficient way for you will be.

Foursquare Pastors Receive Award

Rev. and Mrs. W.R. Shiflett, pastors of the Knox City Foursquare Church have received a certificate denoting ten years of service in the Foursquare ministry in the South Central District.

This award was presented at the South Central District Convention of the Foursquare Church in Albuquerque, New Mexico which was held October 25 through 28.

Rev. and Mrs. Shiflett have served as pastors of the Knox City Foursquare Church for a period of two years.

served to the nursing staff as well as some of Mrs. Covey's friends who also called.

Cornie explained that the nurses called her into the dining room and she was quite "shocked" by the surprise.

The honoree entered nurses' training at West Texas Hospital in Lubbock in September 1941. Three years later she graduated with the surgical award from Dr. Sam G. Dunn of the West Texas Clinic.

She began working at the Knox County Hospital in September 1944. Cornie worked only in surgery for three and one-half years and has worked under four directors of nurses and with 12 doctors during her 32 years.

Mrs. Covey said that now she can start on her hobbies but she is going to take a well-deserved rest first. She also remembered two of her favorite quotes upon her retirement and those are, never be late for work and if a job is worth doing, it is worth doing well.

Veterans, Widows Must Report Income

Some veterans, as well as widows and parents of deceased veterans, are required to report their income to the Veterans Administration each year in order to remain eligible to receive benefit payments. According to Allen Lowrey, Service Officer for Knox County, persons who are required to report their income will receive a questionnaire with their regular benefit check on November 1, 1976. The income report must be completed and returned to the VA by January 1, 1977, or payments will be terminated.
The annual income report will be sent to veterans and widows who are receiving nonservice-connected disability and death pension. Also required to report annual income are the dependent parents of veterans whose deaths were caused by service-connected disabilities. A veteran or widow with no dependents, or a single parent, is entitled to VA benefits

rents should seek competent assistance to complete the income reports. Such help may be obtained by contacting your local Veterans Service Officer. If incorrect information is reported, the VA may be required to suspend or terminate benefit payments.

Energy Saving Tips

Your home heating costs could drop about 20 percent if you installed mineral wool, glass fiber or cellulose insulation to a depth of six inches in your attic. Insulate your walls as well, for further savings.
The energy-conserving Operation Badger program, which stands for Better Actions Develop Greater Energy Reductions and is practiced by the people at International Paper, includes using more light-per-watt lights—a fluorescent lamp, for instance, which is more than three or four times as efficient as an incandescent bulb. A single long tube is more energy-efficient and economical than two shorter tubes.

Don't let your motor idle for more than a minute. It takes less gasoline to restart a car than it does to let it idle. Generally, there's no need to press the accelerator down to restart a warm engine.

There were only two visitors at Wednesday's meeting. They were Republican party representatives Billy Fisher and Doug Brodie, of Abilene.

Mr. Fisher and Mr. Brodie presented the program, a discussion of their views of opposing points of Democratic and Republican platforms. Also brought out were various actions by Mr. Jimmy Carter and Senator Lloyd Bentzen compared with President Ford and Allen Steelman. They stressed how shameful the great voter apathy was.

Lion David Counts announced that \$500 in swimming pool bonds had been donated since the current drive began and urged all others to consider giving their bonds.

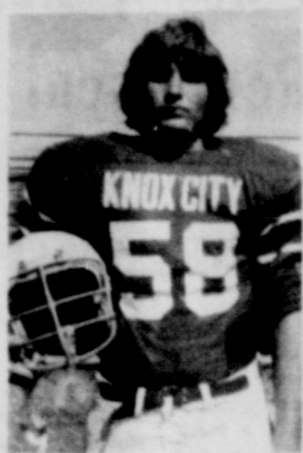

Lion David Lorenz read the assignments for operation of the booths at the Halloween Carnival at the school on October 30.

Dragons Win Over KC In 'Mudbowl'

The Knox City Junior Varsity Bulldogs' football game last Thursday night against Paducah could more properly have been called a Mudbowl game. The steady downpour made the field a choppy quagmire, and the players quickly became coated with the slippery mud. In short order, blue and white pants on Paducah and Knox City players alike blended into the brown ooze, making all the players look as if they'd stepped in wet cement up to their waists. A few hardy souls braved the cold downpour in the bleachers, but most of the "die-hard" fans and proud parents kept a vigil in their cars and trucks at the sidelines. Paducah and Knox City appeared closely matched, and each defensive unit kept most yardage gains to a minimum. The rain made passing almost an impossibility as the football squirted out of receivers' hands, and the greasy footing allowed few yards in rushing. The first touchdown of the game came early in the second quarter, when the Paducah Dragons completed a 23-yard pass into the end zone, followed by a successful two point conversion. The Knox City Bullies gained good field position only twice, to be frustrated each time. The first opportunity, afforded when Knox City's Domingo Garcia intercepted a Paducah pass and returned the ball 55 yards to the opposition's 35-yard line, was thwarted by the buzzer sounding the end of the first half. The kickoff at the beginning of the second half was returned again by Domingo Garcia for a spectacular 75 yards, but the Bullies were unable to penetrate the Dragon defense any further, and control of the ball reverted to Paducah. In the final few seconds of the game, Paducah again scored a touchdown on a hard-fought drive, making the final score Paducah 14, Knox City 0. The two-point conversion attempt failed. The JV Bullies' season record now stands at 4-3-0; district play is 1-1-0.

They were "a splishin' and a splashin'" down at Greyhound-Bulldog Stadium last Thursday night, but the O'Brien Bulldogs managed to stay afloat long enough to defeat the Paducah Dragons by a score of 32-6. This brings the Bulldog season record to 9-0-0 and extends their winning streak to sixteen games in two years. They are currently tied for the lead in the District race with Crowell and they will travel to Crowell on Thursday night to face the Cats for the District Championship, so all you loyal Dog backers go to Crowell and see them bring the title back to KC-O'Brien. While water was an ally for the Bulldogs, it was a disaster story for the KC Bullies, as they slowly drowned out and fell to the visiting Dragons by a score of 14-0. This game was marred for the Bullies by numerous turnovers and by mental errors which cost the game for the Bullies. They moved in for the kill inside the Dragon ten yard line on several occasions, but were not able to score on the tough Paducah defense. This brings their season mark to 5-3-0 and they will also go to Crowell on Thursday. Another note of interest to local fans is the fact that the KC Fish squad will be playing at home for only the second time this year on Thursday night, as they play host to the Jayton Jaybird Fish at 6:00 p.m. If you can't make the trip to Crowell, stop by and watch the Fish in their game against Jayton. There is no excuse for not seeing at least one KC-O'Brien team play, so be at the game Thursday.

EIGHTH GRADE OFFICERS serving this year at O'Brien Junior High include Jay Rutherford, kneeling left, president; Jo Dee Stout, kneeling right, reporter; back row, from left, Jeffrey Quintana, vice president; Angie Bateman, treasurer; Kay Howell, secretary; and Frankie Baker, sponsor.

O'BRIEN SEVENTH GRADE OFFICERS are, from left, back row, Rance Hacker, secretary; David Flores, vice president; Missy Whitley, president; and Faye Reed, sponsor. Front row, from left, Kerrie Johnston, reporter and Daniel Godsey, treasurer.

SAFE PRACTICES

You can help keep your family somewhat safer from fire if you all plan and practice escape routes. These rules for home fire drills and fire prevention come from The Hartford Insurance Group, sponsors of the Junior Fire Marshal program.

1. Make a home escape plan, decide on primary and secondary exits from each room in the house.
2. Practice your home escape plan often, especially if you have children.
3. Install a smoke detector. It can give you vital extra minutes in case of fire. For printed information about smoke detectors, write to the Public Information Office, National Fire Prevention and Control Administration, Department of Commerce, Washington, D.C. 20230.
4. If clothing catches fire, stop, drop to the floor or ground and DON'T RUN.
5. If a room is filled with smoke, crawl along the floor with a wet cloth over nose and mouth if possible.

THE TIME to fight a fire in your home is before it starts—with smart fire safety practices.

BENJAMIN NEWS

by Mrs. Van Green

The Halloween Carnival has come and gone and I think everyone thoroughly enjoyed it. There were booths to suit everyone and lots of things to eat, so that made for an enjoyable evening.

The program following the Carnival featured all the student body and had a 'Bi-centennial' theme. Jim Alexander was Master of Ceremonies.

Climaxing the evening was coronation of school royalty. Selected Duke and Duchess were Shane Simmons and Kelly Westmoreland. Shane is the son of Mr. and Mrs. Ronnie Simmons and Kelly's parents are Mr. and Mrs. Felix Westmoreland. They represented the Kindergarten class.

Prince and Princess were Alan Baty and Twylah Pierce. Alan's parents are Mr. and Mrs. Lewis Baty and Twylah is the daughter of Mr. and Mrs. Jimmy Pierce Sr. They are in the sixth grade.

Chosen King and Queen of Benjamin School were Senior

Kandon Sloan Birthday Honoree

Kandon Wilson DalShae Sloan celebrated his third birthday, October 20, with a party in the home of his parents, Mr. and Mrs. Tommy Sloan.

The highlights of the party were the opening of gifts and his birthday cake, which was decorated as Donald Duck, brought to the honoree by his grandmother, Loree Hamilton of Haskell.

Games of "Pin The Tail On The Donkey" were led by his sister, Karomy NaShae and refreshments were served by his mother and grandmother, Fychele Sloan of Rochester. Kandon's friends attending included Kimberly Chambers, Boyce and April Tankersley, Brian Rogers, Jacy Dillon, Christy Shiflett, and Joy and Julie Gentry of Rochester.

Mothers attending were Sandra Chambers, Gail White, Ann Tankersley, Kay Rogers, Melanie Dillon, Karen Shiflett, Sherry Gentry, Fychele Sloan, and Loree Hamilton.

UMW Completes October Study

The United Methodist Women met each Monday during the month of October for the Bible study, "The Decision for Destiny". The introduction of the study and the first chapter was given by Mrs. W.L. Woodward, "The Prophetic Faith of Prophet Forerunners".

Mrs. George Davis discussed the second chapter, "The Search for Common Denominators". Mrs. C.C. Hoge presented the portion from "Prophets on Main Street".

Chapter Five, "The Exaltation of Political Power" and "The Rewards of the Lord's Service" was given by Mrs. Verlin Cypert and Mrs. Guy Robinson. The lesson was taken from First and Second Isaiah.

Mrs. Myrtle White gave the chapter on Jeremiah, "The Vulnerability of God's Spokesman". The study summation and "The Legacy of the Great Prophets" was given by Mrs. Woodward.

Giving the devotional at each of the sessions was Mrs. James Patterson. According to a spokesman, members of the UMW received a rewarding spiritual experience in participation and attending the entire study.

FROM TULIA

Recent visitors in the home of Ozzelle Stephens were her granddaughter and her family, Mr. and Mrs. Norman Tolleson, Jack, Amber and Alvin of Tulia and another granddaughter, Merri Roberts, also of Tulia.

IN BUCKLEY HOME

Weekend visitors in the home of Mr. and Mrs. Vernon Buckley were Vernon's sisters and brother, Mrs. Mildred Thomas of Grandview, Mrs. J.B. Brinkley of Springtown, and Bill Weathered of Burkburnett.

Also visiting on Monday were Vernon's cousins, Mr. and Mrs. Denton Atchison of Haskell and Mr. and Mrs. Horace Atchison, who live near Oakland, California.

Your Social Security

Over 362,000 adults who were severely disabled in childhood are getting social security payments, according to Carl R. Beisner, Social Security Claims Representative in Vernon.

Monthly benefits are paid to severely disabled adult sons and daughters of workers getting social security retirement or disability payments—and of deceased workers who worked long enough under social security.

"The benefits are paid to those whose disability began before age 22," Beisner said.

"Usually they haven't been able to work long enough under social security to get benefits on their own work record."

They get about \$44 million a month in social security payments, he said.

Under the social security law, severely disabled means not expected to be able to do any substantial work for a year or more. "Persons may be severely disabled by blindness if they have 20/200 vision or less when wearing glasses or their field of vision is 20 degrees or less," Beis-

ner said. Disabled persons under 65 get Medicare coverage after they've been entitled to social security disability benefits for 24 consecutive months.

Severely disabled persons of any age may be eligible for supplemental security income (SSI) payments if they have little or no income and limited resources. Over two million blind and disabled persons get almost \$221 million a month in Federal SSI payments. The program, run by the Social Security Administration, also makes monthly payments to those in financial need who are 65 or over.

"Persons can get information about childhood disability benefits and supplemental security income by calling or writing any social security office," Beisner said.

The Vernon Social Security Office is located at 1701 Cumberland, and the phone number is 817-552-9346.

The Social Security Administration is an Agency of the U.S. Department of Health, Education, and Welfare.

Couple Weds In Home Ceremony

Mr. and Mrs. Melvin Lowrey announce the marriage of their daughter, D'Linda Jan, to Kenneth O. Burt Jr., son of Mr. and Mrs. Kenneth Burt. The couple was married Thursday, October 28 in the home of the bride's parents. Paul Chambers officiated at the ceremony.

Miss Rhonda Skiles attended Jan as maid of honor while Harvey Burt, uncle of the groom, served as best man.

The ceremony was performed before a mantle of purple tapers and unity candle surrounded by tiny orchid bouton mums. Large baskets

of gladioli and asters carried out the bride's chosen colors of blue and purple.

Jan chose a pale ecru dress with white lace panels front and back. Long sleeves, edged with lace, were accented by insets of matching trim. The bodice front was enhanced with a set-in waist band and peasant-type lacing on the bodice. Rhonda's similarly styled dress was pale blue.

A rehearsal dinner and reception were given by the bride's parents in their home.

The couple will reside at 1207 South Third. Jan is currently continuing her stu-

dies at Knox City High School and Kenney is employed by the O'Brien Coop Gin.
