#### TO THE DEMOCRATS OF KNOX COUNTY:

Democratic voters of this county signed a petition to place the name of T. W. TEMPLETON on the primary ballot as a candidate for County Attorney. Through an oversight the signers failed to acknowledge it before a notary public and consequently his name was not put on the ballot. We think in all fairness we should have a chance to vote for him and we are asking all Democrats who want him as our County Attorney to join us in a write-in campaign in the primary.

As soon as you get your ballot, run a line through the name printed on the ballot and write or print the name of T. W. TEMPLETON underneath.

RIMEMBER-Your write-in will not be counted unless you strike out the name printed on the bellot under the heading: "For County Attorney."
